NO. 17

KENDRICK LOCALS AND PERSONALS TWENTY YEARS AGO

Otto Schupfer and E. A. Deobald left Sunday for a trip to Los Angeles, Calif. They are going overland in Herman Schupfer's car and will leave the car with Herman at Los Angeles, and will return either in an old Ford or on the train. Mrs. E. E. Bechtol and children are staying with Mrs. Schupfer during Otto's absence.

Rev. Calvert of Juliaetta is assisting with the mechanical work at the Kendrick Auto company during the absence of E. A. Deobald.

Mr. and Mrs. Donald Miller have rented apartments in the Helman residence and are moving there this week.

One of the lightest votes ever cast in Kendrick for many years was recorded in last Tuesday's election for a new board of trustees. There were only five candidates and as there was no opposing ticket an incentive for voting was lacking. Those elected were E. A. Deobald, E. T. Long, M. O. Raby, A. V. Dunkle and R. D. Newton. There seems to be general satisfaction with the personnel of the newly elected trustees.

The vote last Saturday at the local school election was not a record breaker by any means. After the judges and clerks had all voted and the count was made it was found that seven ballots had been cast, E. W. Lutz being elected to succeed himself as trustee. A ten-mill levy was voted and an extra levy of 7 1/2 mills voted for bond interest and sinking fund. It might safely be termed a very quiet election and satisfactory results.

The home of Mrs. M. A. Deobald on American ridge was the scene of a jolly party on Sunday, April 15, when she entertained at one of her usual sumptuous dinners in honor of the ninth wedding anniversary of Mr. and Mrs. Elmer E. Bechtol of Moscow and their little daughter, Edwardine's eighth birthday anniversary, and the first birthday anniversary of little Margaret Arlene Deobald, daughter of Mr. and Mrs. E. A. Deobald of Kendrick. The decorations consisted chiefly of large bouquets of hyacinths and narcissus from Mrs. Deobald's own flower garden. There was also a beautiful wedding cake, which was cut by Mrs. Bechtol, who, before her marriage was Louise Caroline Deobald, and two dainty birthday cakes for Edwardine and Arlene, decorated with pink candles set in tiny roses.

A. E. Wilcox, who for 13 years held the position of station agent here, left Tuesday for Orofino, to take charge of the station there. His successor, R. H. Ramey of Creston, Wash., took over the Kendrick station Tuesday afternoon. Mr. Ramey was station agent at Creston for 11 years. He is a young man and has a fine family, who arrived Tuesday afternoon. Mr. Ramey was serving on the Creston town council when he left and also pitched for the Creston baseball team last year. What more could anyone ask of a new station agent?

Two Bull Elk Found Dead
Two big bull elk carcasses were found this past week, the first one by Frank Lyons, who stated the animal apparently had died of just plain "old age" as there was no sign of any shots in the carcass. Frank removed the horns and teeth, which were beauties. He estimated the animal had been dead since last February, or possibly longer.

Red Cross Workers Needed

According to word from Mrs. Hiram Galloway, Red Cross workers, especially for the Surgical Dressing Unit, are badly needed in Kendrick. Mrs. Galloway stated that the Red Cross had received an emergency call for dressings, and that while a number had been very faithful workers, they alone could not get out the quantity needed. It is suggested that eighth grade and high school girls turn out for this type of work.

They will be taught to fold the dressings here, and their help would be greatly appreciated.

A box of the dressings was shipped Wednesday morning, but more, and more, and still more are needed!

LAST P-T. A. MEETING OF YEAR IS INTERESTING

The last P-T. A. meeting of the year was held in the auditorium of the Kendrick High school, Monday evening, April 26, with Mrs. Hiram Galloway, president, presiding. A large crowd was in attendance.

Following the regular business, Miss Loretta Schuler, health nurse, gave an interesting talk on "Cancer Control," and asked that anyone wishing to donate to the cause, forward same to the head of the "Cancer Control" committee at Moscow.

The question of a tennis court for the young people of the town was brought up and discussed. It was agreed by the group that some recreation for the youngsters was sorely needed, and a committee was named to meet with the city council at the earliest opportunity and decide on the place, etc., for the same. A. O. Kanikkeberg, Herman Schupfer, Roy Ramey and L. W. Mason were named.

Mrs. Frank Abrams reported for the Library committee, and thanked the people who have helped to make this venture a real success.

Mrs. A. O. Kanikkeberg reported that the nominating committee had chosen the following officers to serve for the coming year: Mrs. H. C. Schupfer, president; Mrs. George Brooks, vice-president; Mrs. Harold Thomas, secretary, and Mrs. Walter McCall, treasurer. It was moved that the report be accepted, and after being duly elected, the new officers were installed by Mrs. Kanikkeberg, and Mrs. Schupfer took charge of the meeting.

Mr. Mason gave a very interesting report on his trip to Boise to attend a state school meeting.

Following Mr. Mason's report the meeting was turned over to Mr. Stroh, and the following delightful program enjoyed by all:

- Soprano solo by Joyce Lyons
- Valse Eroica by Dick Weidolf
- Sax solo by Dick Harris
- I Love Thee by Grieg
- Tenor solo by Bill Davidson
- The Nightingale by Don Jon
- Flute solo by Noel Thomas
- An Evening's Pastoral by Shaw
- Mixed quartet - Joyce Lyons, Betty Halseth, Bill Davidson and Bob Lind
- Sonata No. 1 (First Movement) by Mozart
- Piano solo by Paula McKeever
- The Builder by Cadman
- Baritone solo by Bob Lind
- Bless Us, O Lord by Hamblen
- Mixed chorus

Accompanists were Mrs. Harold Thomas, Miss Paula McKeever and Donald Stroh.

These same numbers are the ones to be used by the Kendrick High school in the Music Festival competition at Lewiston this week-end.

After the program all adjourned to the Home Economics room, where a delicious lunch was served by the hospitality committee.

4-H Club Girls To Do Share

Legions of 4-H Clothing Club girls in Idaho and other states, whose aim makes them ineligible to become W.A.A.S., W.A.V.E.S. or S.P.A.R.S., are determined to emulate those organizations by performing war tasks that will release other members of their family for various essential duties.

With that purpose in mind, many of the girls have enrolled in the current National 4-H Clothing activity, the primary objective of which is to contribute to the nation's 1943 Victory program through the construction, repair and conservation of clothing for their entire family. They also are encouraged to serve organizations in their communities that are conducting civilian or military clothing activities.

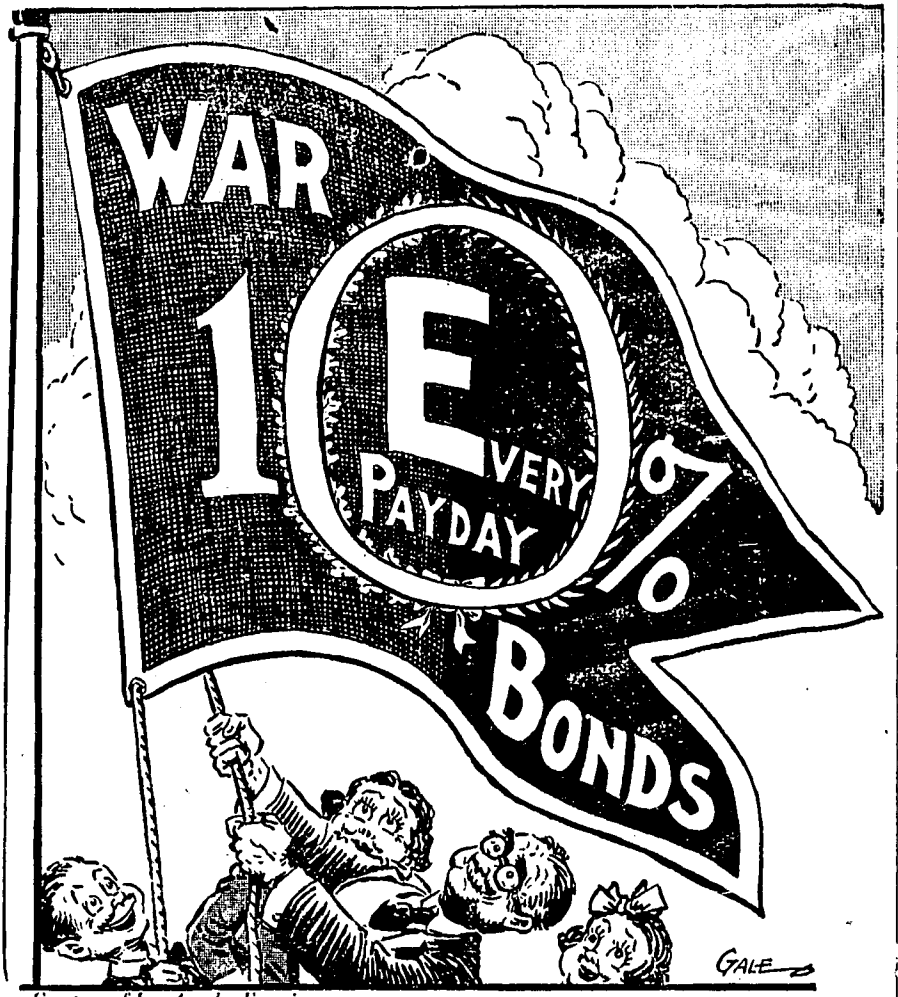

As incentives to develop initiative that will enable the girls to use to the best advantage all available clothing material, special awards for outstanding records of achievement are provided by the Spool Cotton Company's Educational Bureau. The awards include medals to county winners, trips and scholarships.

The activity will be conducted, along with other 4-H wartime projects of production and conservation, under the direction of the U. S. department of Agriculture, state agricultural colleges, and County Extension agents.

Two Bull Elk Found Dead
Two big bull elk carcasses were found this past week, the first one by Frank Lyons, who stated the animal apparently had died of just plain "old age" as there was no sign of any shots in the carcass. Frank removed the horns and teeth, which were beauties. He estimated the animal had been dead since last February, or possibly longer.

The second one was found dead on the Henry Brammer farm between Kendrick and Juliaetta, and Wade Keene and Henry Brammer visited that carcass Tuesday, removing the horns and teeth. They guessed it had been dead for many months, since it was badly decomposed.

Juliaetta Election Warm

Considerable interest appears to have been evident in the Juliaetta City election, and when the ballots were counted the following results were obtained:

People's Ticket	
Chas. T. Nelson	47
Philip Johns	55
August Hanson	45
Frank Jean	47
Housten Groseclose	46
Citizens' Ticket	
J. H. Millard	48
Chester Westling	39
J. L. Johnson	42
Don Gruel	42
Fred Nye	46

Since there were three ties in the vote number, it appears that Juliaetta will have some coin flipping to do.

Bond Sales Total Climbing

As previously stated in these columns, Kendrick has never, so far as is known, been assigned a quota for the present bond and stamp drive — but as of Tuesday evening, the Kendrick sales, for Latah county only, totaled \$11,606.25, and there are three days yet to go.

Of this total, \$100.00 came from the Lewiston Elk's lodge, who purchased that amount for credit to this community.

A. O. Kanikkeberg, local bond drive chairman, stated that although definite figures were lacking, he believed an almost equal amount had been purchased here by Nez Perce county residents and was therefore credited to that county.

Election "Really Hot" One
The Kendrick Village election, held Tuesday of this week, was undoubtedly one of the "hottest ones" held here for a number of years.

Two tickets were filed for consideration by the voters. The "Independent" and "Citizens' Tickets."

When the smoke of battle had cleared away, it was found the voters had recorded choices as follows:

Independent Ticket (Two Year Term)	
L. S. Thurber	52
Walter Brocke	46
Edgar Dammarell	50
E. A. Deobald	59
Citizens' Ticket (Two-Year Term)	
John Waide	39
(Four-Year Term)	
R. B. Parks	41
Geo. W. McKeever	43
R. H. Ramey	46
Since Walley Brocke and R. H. Ramey, on opposing tickets, tied with 46 votes each, it seems they will have to flip a coin to see who occupies the council chair at the next meeting, May 4.	

Taking Down Trees
Lester Crocker has been quite busy (during his spare time) the past two weeks cutting down and making into posts and fire wood the big old locust trees north of his garden.

The 2nd WAR LOAN DRIVE IS ON!

THEY GIVE THEIR LIVES

THERE are many ways of paying for the privilege of being an American . . . a privilege our fighting men are willing to pay for with their lives. YOU needn't drive a tank or feed a machine gun . . . or charge into hell-fire . . . all you are asked to do is LEND, not give, to Uncle Sam, by the purchase of War Bonds and Stamps. You've been doing it until now, you say, with 10% of your pay? That's fine—but now there's a call for 13 billion fighting dollars MORE for Our Fighting Men!

Another Double At Theatre
 This week's offering at the Kendrick Theatre will be another double feature. The first of these features Gene Autrey, Smiley Burnette, Ruth Terry, and others in a mad-cap western, "Call of the Canyon." These actors and the story need no further introduction.

The second offering will be "The Weaver Brothers and Elvira in 'The Old Homestead,'" assisted by Dick Purcell, Jed Prouty and Anne Jeffreys — and it really should be a "hot time in the old town tonight" when this group "gets going."

In addition the usual cartoon will also be shown.

THE OLD JUDGE SAYS...

"Sure been a great year for crops, Judge... best we've had in quite a spell."

"That's true, Henry... all over the country. As a matter of fact, there's been quite a surplus supply of grain according to some figures I saw in one of your farm papers the other day. But that surplus is being used to mighty good advantage and is making the contribution of you farmers to the war effort more important than ever."

"Here's just one example of what I mean. The beverage distilling industry alone will use 90,000,000 bushels of this surplus to make alcohol seriously needed by the government for gunpowder, synthetic rubber, chemicals and medical supplies."

"So, keep it growin' Henry... you're doing a great job."

WORD FROM LOCAL MEN IN OUR ARMED FORCES

Camp Shelby, Miss. April 19, 1943

Hello Everybody:
I haven't written you for a long time, so I guess it's due time that I send you my new address. I've just arrived here from Oregon. Don't let anybody kid you about "the beautiful southland." I'll take the northwest every time. I'm Cadie for one of the new divisions they are starting down here this summer.

From reading all the boys' letters I guess I'm one of the few that isn't seeing the world, but guess my time will come one of these days.

Sorry this isn't much of a letter, but I really appreciate receiving the paper. It is a wonderful thing you are doing for us, and I'm sure that we'll all try to bring back one of Tojo's ears for you.

Hope this finds everyone in the best of health.

Sincerely Bill Walsn.

From Pete Tschantz, stationed in India, the following letter was written to his father, Joe Tschantz, who very kindly allows us to publish it:
Somewhere In India April 2, 1943

Dear Folks:
Had a big mail day March 31st—37 letters and Xmas Cards. Practically all of it was with the San Francisco A. P. O.

I am feeling fine here except for a little dampness, as we have had rain continually for the last week.

I have not received any of the Kendrick papers yet, or any packages. The other fellows here that are getting newspapers are getting November issues now, so expect it will be some time before I get any of them.

How is everyone back home now? I have seen lots of interesting things since leaving the states, also lots of water, which looked nearly all the same, except a lot rougher in places. Crossed the equator twice the first time being on December 17th, and I received a "shellback certificate." One boy took the initiation for our group, as there were too many first timers to get all of us.

I was at New Zealand four days, and off the boat three times. I got picked, with nine others, to act as ushers in a theatre there, filling all the seats and keeping soldiers out of seats reserved for civilians. The show was free to us. The picture was "Mrs. Miniver."
Wellington, N. Z., was really a pretty sight, built on very steep ground, and has a view of the other island. As soon as we were out of the bay a snow-capped peak was in view for seven hours while leaving there.

Write often, and here's hoping this finds you all in the best of health.
As ever
Pete Tschantz.

San Antonio, Texas April 19, 1943

Dear Friends:
I'm sending this from the Army Air Force Classification Center here at San Antonio, Texas, where I arrived today. I was met upon arrival and am now here with the rest of the future Army Air crews.

I've been registered and assigned to Cadet Squadron 115, where I expect to remain until I am ready to

enter a pre-flight school. During this time I will have my physical examinations and tests, which will determine whether I become a bombardier, navigator or pilot. After being classified and transferred to pre-flight school, I will commence my actual pre-flight training, which will last for about nine weeks.

I know I'll have more interesting things to tell you when I write another letter. In the meantime please send my paper here.
Sincerely
Donald D. Benschoter.

From Thomas Weber, who is stationed "somewhere in Africa," comes this poetic description of that country, via his sister, Mrs. E. Brown, who passed it on to us:

"Description Of Africa"

"Where I'm At"

Land of crooked and smelly streets, of dirty wogs with dirtier feet, Sand fleas, bed bugs and ants galore, Flies that fly from door to door, Deep ravines and mountains high, Rugged and rough against the sky, Hardly a shrub and never a tree, to make a home for bird or bee, Nothing but rocks, dust and sand, 'Tis truly a wretched and worthless land!

And when it's time to say goodbye, We'll say goodbye without a sigh, To a land so dead, so wierd and strange, that a thousand years have brought no change, And we'll never come back again (we hope) Cause we don't like this land — and that's no joke!!

By a very indirect route, comes the following news from George Davidson, Jr.:

George has twice been decorated for bravery, the last time receiving the "Flying Cross," and has received three promotions — and is now Lieut. Commander George Davidson, Jr., having risen from Ensign, to Lieut. J. G. Lieutenant and now Lieut. Commander. Congratulations, George.

Somewhere In North Africa April 11, 1943

Dear Editor:
My mother said I should write you a few lines about the paper. I surely would like to get it over here, for we never get any papers from home. The only news we get that amounts to anything is that from home. We have a radio, but can't get much real news from it, since it's mostly about happenings here — and the news from home would be grand.

Sincerely
Cpl. Lester Gentry.

Lester: The Kendrick Gazette has been going to you for some time now. We have checked the mailing address, and it is O. K., so you should be getting some pretty soon.

Notice To Boys In Armed Service: Please, fellows, the minute you know of a change in your address, please send it to us direct. We are having a terrible time trying to decipher the government postcards we receive on your changes of address. They are blurred, poorly written, etc. So, to help us get the Gazette to you promptly, please advise us at once of any changes.

Mr. and Mrs. Leonard Fairfield have received word from their son, Sgt. Roy Fairfield, in Australia, that he is back on duty again after an operation, that he is well and glad to be back in the harness.

Coal Situation

Coal users are reminded again that stocks will be low and transportation inadequate during the winter of 1943. Coal producing capacity is definitely limited and the user who has inadequate stocks on hand may be caught short next winter by a tight market and delays in shipments.

Live Hog Ceiling Threatened

Livestock producers and packers were told last week by Chester C. Davis, food administrator, that a ceiling would have to be established on live hogs if prices did not adjust themselves in line with wholesale ceilings. He remarked, however, that the recent course of the hog market has been most satisfactory.

New Tires!

We can sell you what we believe is still the best tire on the market — A Goodyear — in the size or grade your purchase permit calls for. Why spend precious gas and wear out rubber to buy that tire? Bring in that permit as soon as you get it. Remember they have an expiration date.

Recapping Service

On truck, pickup tires, where permits are required for re-capping, don't wait a minute after you get that permit. Bring in the tire and permit immediately — as there is often a long waiting list at the re-capping service station.

And when the tire inspector on your passenger car says: "Have it recapped," bring it to us — don't wait. REMEMBER — We do not charge the customer any transportation costs. Therefore, this work really costs you less if sent in through us!

Fram Cartridges

Fram Filter Cartridges are available for almost every make and size of oil filter — and we have a large stock on hand. If you don't have a Fram Filter — use the next best thing — Fram Cartridge.
