Naida Crumbaker and son Bobby marine warfare, costs \$5,000,000. of Lewiston, were week-end guests Latah county's quota for this Th in the Frank Harris home.

Lieut. Wegner is with the Ferry Command. Mr. and Mrs. Ed. Nelson spent

several days at Pullman last week, visiting her parents, Mr. and Mrs. Aug. O. Wegner. Mr. and Mrs. Elwood Peahson of Lewiston visited for a short time

at the A. O. Kanikkeberg home Sunday evening, having spent the in Latah county. day at the home of her daughter, Mrs. Walter Silflow, Leland. Henry Emery returned Wednesday

"vacation" of some five weeks spent with relatives and friends at Spokane and Marlin, Wn. "Hank" said he spent a good portion of his time working in the harvest fields at Marlin, spending some 19 days "punching header" and tending separator in the harvest fields.

Parish Council Meets

Urged on by the shortage of competent preachers and the addition of Leland and Cavendish to the appointment of Rev. Roy Murray, the Potlatch Parish held an organization meeting last Sunday. Eighteen peo-ple from the Methodist churches at Kendrick, Juliaetta, American Ridge, Arrow, Leland and Cavendish met in the Kendrick church. While in session they outlined the preaching schedule for the six churches of the parish, and also arranged a parish Youth rally at Cavendish, September 17. A monthly parish paper was authorized and other plans made to carry on the work of the church. Those attending were: Cavendish-Mr. and Mrs. L. L. Yenni, Mr. and Mrs. Jess Daniels and Mrs. Gladys

Blackburn; Leland, Mrs. Ben Hoffman; Kendrick, Mrs. Paul Lind, Mrs. Wm. McCreary and Mrs. Roy Murray; American Ridge, Mrs. Andrew Cox and Norla Callison; Juliaetta, E. O. McAllister and Mr. and Mrs. G. A. Wayland; Arrow, Mr. and Mrs. Ben Gibbs and Ed. Groseclose. Rev. Murray was chairman of the meeting and Mrs. McCreary and Mrs. Cox served as secretaries. Other councils were arranged for each fifth Sunday.

Eastern Stars To Picnic

Eastern Star members and their families will hold a picnic in the Kendrick park, Sunday, September 5, at 1:00 p. m. In case of inclement weather, it will be held in the Fraternal Temple. Each family is asked to bring a basket lunch.

Have Purchased Home

Mr. and Mrs. Russell Smith of Moscow have purchased the house by Mrs. Roy formerly occupied Jump and children.

Mr. Smith is with the soil conservation project and will have an office in the Raby corner room.

Well Drilling Suspended Drilling operations on the city well have been suspended temporarily by the contractor, who was forced to go to Craigmont and drill two wells for the Craig Mountain

On completion of this work he We understand the well has reached a depth of 79 feet. A minimum of 100 was called for in the contract.

Harvesting Operations Stop

Local harvesting operations have been at a standstill the past few days, following the rains of Saturday night and Sunday. On a few of the south slopes cutting was resumed Wednesday, but

not until late in the day, as a heavy dew toughened the heads. Some few are cutting and piling beans, and some are working in the peas, but on the whole farmers have been using this time repairing

machinery for further harvesting operations. Warehousemen here are begging farmers to be sure the grain is before resuming thoroughly dry

a ton per acre. Beans have not yet been threshed, but prospects appear excellent. However, warm.

put it in a mold, blowing so hard that you could see the veins in his neck and face bulge out. After completing the molding he would knock it off the tube into a box, and a fifth man would come with an instrument that resembled a pitchfork, and take the glasses to be finished.

Where the finishing took place I do not know, or how, as I did not know, but have been a second to the second

get to follow up and see how they really finished them. However, it was all quite an experience, and well worth seeing.

Well, Mac, I can't seem to think of much more to write that would get by the censor, so had better close. Let me thank you again for the mener T really and services are not to be disappointed — and the mener T really and the mener to be disappointed — and t the paper, I really appreciate it.

Another sailor,

Westover Field, Mass. August 26, 1943 Dear Mac: Here I am again with a new ad-

dress, only its an old one this time, because I was here three months This is a pretty nice field, and the country is a little like home, al-

though I don't think there's any place quite like Idaho and home -I'm just like all the rest of the

think it all figures out to one thing and that's "there's no place like

Most of us here get our various home town papers, though, so we can keep up with most of the folks that way, and be ready to slip right back into place when we get home. The paper still means as much as ever to me, and it doesn't take me long to get to it when I get it,

I get real enjoyment out of reading the letters the boys send you, and you print in the paper, and I think its a grand idea. I think them interesting to all of us. As we don't in addresses in the paper give us a little chance to find the other fellow if we happen to get somewhere near him—and I believe we all should write

some three weeks ago, a boy that I used to know back in Dakota, and we sure had a real visit — and were both pretty tickled. We're both still in the good old U. S. A., but it was the first time either of us had met anyone in the army that we knew before coming into the service — I guess this is a pretty big country, or else I just don't know so many people. Well, I guess I had better sign

off for this time, and please send twine. the paper to my new address, listed below. So long until next time.

One of the boys Bud Fey.

Note: Bud is now S-Sgt. Congratulations, Bud.

From Lovelock, Nev., comes word from Lt. Eugene H. Heath, that he is now stationed at Reedly Junior College, in that city.

Fort Worden, Wash. Aug. 29, 1943

Dear Mac and Bill: Just a note to let you know that the Gazette is still finding its way over here. It's a little late sometimes, but it gets here and I sure

do welcome it. I like to read the letters the other fellows in service write and the news from around there - even the ads.

I want to thank you and those who make it possible to get it. I'm still here at the same old place no change in address yet.

Juliaetta and Kendrick.

Clifford W. Woodward, bombardier in the army air corp, arrived home Tuesday on a short furlough. His parents, Mr. and Mrs. J. M. Wood(This Week) ward, met him in Lewiston.

INFORMATION ON MAILING PACKAGES TO SOLDIERS

The Christmas shopping season is here — even though the weather is still warm.

September 15, if many of the men Southwick home recently. be mailed unless a written request Wednesday and Thursday.
from the soldier for the article is Mr. and Mrs. Commy Perry and presented with each parcel. No solution the should have to ask for a Christ-Thursday.

Thursday.

Mrs. Essel Stalnaker was a dinner was mas gift; so gifts must be mailed Mrs. Essel Stalnaker was a dinner on time. The navy also urges that guest in the Tom Armitage home

Reasons for the early mailing date are: The vast distances that the Larvel Helton, John Lettenmaier parcels must travel to reach our men and Johnny were visitors at the at war fronts and stations the world Harve Woodruff home at Arrow boys, there's no place like Texas, or Georgia or "New Joisey," but I and of men from one location to Mr and Mrs of the mail and consumes additional time; the necessity for giving preference to reinforcements, arms muevening with Alta Danforth. nitions, medicines and food in allot-ment of shipping space, which often means that the shipments of gifts must wait. And it is most urgent in time for Christmas, to keep their in Spokane. spirits high.

The only way to insure against disappointment for the fighting men

the fighting forces are:
The parcel must not exceed five pounds, and must not be more than 15 inches in length, or 36 inches in length and girth combined. It should to the rank of sergeat. Sgt. Hoover be marked "Christmas Parcel" so the rank of sergeat. Sgt. Hooved that it may be given special attention to assure its arrival before of Big Bear ridge, Everett Neumann of Kendrick were December 25.

Not more than one parcel may be mailed in any one week to the same Not more than one parcel may be mailed in any one week to the same member of the armed forces by or member of the armed forces by or Lewiston were Sunday dinner guests in behalf of the same mailer.

strongly packed, in a container of metal, wood, strong fiber board, or similar material, then wrapped in strong paper and tied with heavy twine. The cover should be such er now — not so good for harvestithat it can be opened readily for censorship. The contents should be Cpl. Gene Groseclose, who has

tightly packed.

Perishable goods, such as fruits that may spoil, are prohibited. Chapter 1: Walking in the moonlight with one arm full.

Chapter 2: Walking the floor with both arms full.

Summer Boarder: "What a beautiful view that is."
Farmer: "Maybe. But if you had to plow that view, harrow it, cultivate it, hoe it, mow it, fence it and pay taxes on it — it woudn't look so pretty!"

"Has your wife changed very much since you married her?"
"Yes, my habits, my friends, and my hours!"

Teacher: "Suzanna, is 'pants' singular or plural?' Suzanne: "I think they are singular above the waist and plural below."

She was a good little girl as far as good little girls go; and as far as good little girls go, she

The Pied this week. It makes a tellow feel a little important to get up when the stars and moon are still up, but it has its faults. Every morning it is foggy and really cold. If I ever get out of California, I'm not coming back. Some of the boys signed up for passes, but were thoroughly discusted at the pastimes provided in Piper"

WORD FROM LOCAL MEN IN OUR ARMED FORCES

From the Naval Air Training Center at Corpus Christi, Texas, comes between you and some of those really the following dispatch: John A. Wal-rotten shots. Some of these 'twerps' lace, son of Mr. and Mrs. L. A. can't even hit a 4-foot square target Wallace, Kendrick, graduated on August 21, from the Naval Air Training Center, Corpus Christi, and was commissioned an Ensign 100 yards, but it dropped a little of the Henry Corpus Christi, and was commissioned an Ensign 100 yards, but it dropped a little of the Henry Corpus Christi, and was commissioned an Ensign 100 yards, but it dropped a little of the Henry Corpus Christians of the Henry Christians of the H in the U.S. Naval Reserve.

Mrs. Wallace stated that John White a expected to receive advanced work longer.

Lake I think we commence firing the interest of the seventh in the seventh

City, Florida.

Congratulations, John!

S. Sgt. Harold O. Thornton, who is stationed at Will Rogers Field, Oklahoma, is spending a furlough visiting friends and relatives at Southwick. Sgt. Thornton has been in the service three years, and this about reading here in camp and what

is his first furlough.

Sgt. William O. Cuddy, Camp Haan, Callif., is spending a ten-day furlough with his parents, Mr. and Mrs. Ray Cuddy, and with other relatives and friends. Bill arrived Saturday evening, and the California sun has certainly given him a tan!

Bill states he likes army life better and better as the months roll washing. I could send it to the ter and better as the months roll washing. I could send it to the

home Wednesday of last week on some friends in Lewiston. a furlough, which will be spent with his parents, Mr. and Mrs. Stewart Wilson, and with other relatives and

Kansas, was awarded the "good and wish that all would write more conduct ribbon" for a year of "more often. than satisfactory service," according to reports reaching this office.

Eldon "Tup" Baker, U. S. N., Dear Mac and Bill: who has been stationed at Farra. I am writing to y rived in Kendrick last Saturday on you know my new address.
a furlough, which will be spent with I am in the "great wilds" of friends. "Tup" says he likes the North Africa, but it isn't so wild training to date has been on inland away, such as flies and ants. waters. He, too, has acquired a tan I have been over here about long that would enable him to pass for enough to "talk" to the Arabs and an Indian (with perhaps a bit of French. Of course anybody can coaching), and has also gained "talk" to them as long as you can

letter from her son, Dale Hughes, the first one in two months, as fol-

Somewhere In New Guinea

Dear Mother: Just received your letter dated July 3rd, but you didn't say whether them, don't send the watch, as I

already have two.
Sis wrote the 9th. I've written to you quite a few times, but guess you don't get all my letters. I forgot whether I told you or not, but you don't need an order to send anything under eight ounces.

Haven't seen Jim for about a month, so haven't gotten to tell him what you said to.

there would cry if they were to be hung with a new rope. Guess Glen is having quite a time. Sis said he spends half his time fishing. Boy, would I like to be with him.

how they celebrated the 4th of July. This was the darndest one I ever spent, couldn't even get a beer. Ha. Ha!

Well, this is a mighty poor expecting quite a sunburn. cuse for a letter, so guess I'll close I made an advanceme for now. Tell all "hello."

Dear Mac and Bill:

and amusements go. They have a of powder, and blow it into a big recreation hall here, tennis hollow ball. The fourth man, getting courts and service clubs on the it, would blow on it some more, then field, also a fine U. S. O. in town. I want to say "hello" to every-

body and thanks very much again for the Gazette.

Pfc. Don J. Fraser. Camp Roberts, Calif. Sunday, Aug. 22

Dear Mom and Dad: No. I haven't forgotten you, I've just been too busy to write. Everything is still "rozzie" with me and I hope the same with you.

We got to sleep in this morning. Didn't have to roll out until 6:00 a. m., and believe me it feels better than 3:30 a. m., like it has been all this week. It makes a fellow feel

gusted at the pastimes provided in the surrounding towns. Nearly all of them were back hours before their

only one fellow that beat me. His score was 191, but he was also a marksman in his school before being

Admission 27c, tax 3c-30c low: Expert, 175: Sharpshooter, 165: Marksman, 135. When I was on the "firing line" I was complimented by Lt. Sklav, our battery commander, for plunking eight "bulls eyes" in a row at 200 yards. When I wasn't firing I was in the "pits" with the targets, acting as a telephone operator. It's really a comforting feeling to know that there is a cement wall

John is a graduate of the Kenthat 200. You are probably omitting that 200 yards isn't very far. You drick High school and is a former are right, it isn't for a rifle, but a student at East Washington College, carbine is different. The barrel on at 200. You are probably thinking these guns is only 18 inches long, Wallace stated that John while a rifle barrel is quite a bit

laundry for \$1.50 a month, but it's Pvt. Elmer Wilson, who is sta- too slow for me.

There is a fellow here that has arrived the Lewiston Tribune sent to him

Till next time, with love, Note: Mrs. Paul Lind very kindly friends. We haven't seen Elmer yet, allowed us to reprint the above letbut reports say that he has gained weight, and acquired the sun-tan from the boys in service whether to that marks all the boys in service. The village orchestra had just rehearsed the overture for the sixth time.

While examining a class in grammar the inspector wrote a sentence on the blackboard and asked if any body could see anything peculiar athat marks all the boys in service. the Gazette or to parents and friends are interesting to all, but especially who was also the conductor. "At so to other boys in the service. We last you have given me a true intersmall boy put up his hand. "Yes" said the inspector encourage. Kansas, was awarded the "good and wish their all would write more

August 10. 1943

I am writing to you from a little gut for the past three months, ar- different country this time, to let

friends. "Tup" says he likes the North Africa, but it isn't so many life, despite the fact that the if you can keep the small pests

swing your arms and feet. I have been receiving the paper very regularly, as the last one I Mrs. Sylvia Browning has kindly very regularly, as the last permitted us to reprit the following pretty good time considering other we have received. I haven't been lucky enough to run onto any of the other boys from that part of Undated and am looking forward to the day when all of us can be together

again. you had sent those things I wrote for. If you haven't already sent them don't send the wetch as I case of other changes of address. Tell everyone "hello" for me. Will drop you another line later.

Somewhere In The South Atlantic

Sincerely Pvt. Lloyd Nye.

August 26, 1943 Dear Mac and Bill:

I thought I would drop you a line and let you know I have been get-I believe some of those guys back ting the paper pretty regularly. It is sure swell.

There is a little change in my address, which I thought I ought to let you know about. I am still in would I like to be with him. the same place, but hope to get the Everyone tells me in their letters paper quicker with the new address. This was the darndest one I ever now, although the sun is about as hot now as it is at home in the summer time - so you see I am

> I made an advancement in rating the first of August — to Radioman Second Class. The little extra money that I get out of it is surely going

Lincoln Air Base August 25, 1943

The natives here were making water glasses. There was a man at a I am very sorry I haven't written blast furnace, with a hollow tube, before and thanked you for the Ga- which he would dip in the molten zette. I really appreciate it and glass. After getting a little on the look forward to getting it each end of the tube he would pass it on week, since it really seems good to to a second man. The second man, get the news from the old home while turning the tube, would get town, also of the other fellows in the glass into a little round ball. He then passed it to a third man, I believe this is the best camp I who, before passing to the fourth have been in, as far as recreation man, would dip it into some kind

"Gee!" whispered the man with the Somewhere In North Africa pages to play yet."

ingly, "what do you see remarkable about it?"

"Please, sir, the bad writing, sir."

Is said never to strike twice in the same place!

That statement may or may not be true — we wouldn't argue with anyone about it — but a lightning disaster can overtake your car, truck, tractor or combine unless properly lubricated and cared

HERE'S OUR SUGGESTION:

Protect that motor with an oil filter that really filters — A Fram — then drain it, refill with Standard RPM, DELO OR STANDARD PENN MOTOR OILS. In fact, use our Lubricants throughout and feel you've done your level best to protect that Motor and other fine equipment — do it today!
