## INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

The first grade has been writing their numbers from 1 to 20. The second grade has been studying coins and adding and subtracting cents. Douglas Crocke, who attends school in Portland, was a visitor in the third and fourth grade room Tuesday. Ernest Heimgartner has been absent for over a week from the third grade. The sixth grade has just finished studying about cotton and tobacco in their geographies.

Last month there were three pupils absent from the fifth grade. The sixth grade had perfect attendance. Dolores Crocke, a new pupil, has enrolled in the sixth grade. Frank Dammarrell was absent Friday, on a hunting trip.

We have appointed committees for our "Sadie Hawkins Day" party on Nov. 2. They are: Entertainment — June Brown, Junior Brocke and John Deobald. Refreshments — Kenneth Brown, Doris Clemenhagen and Lullia Forest.

**High School News**  
The three English classes are now hard at work on grammar. The diagnostic tests which they took last week will aid in determining where the most stress needs to be placed.

The Speech class has been telling short stories and will soon start to work on a program for the Commercial club.

The Biology class has been studying cells and examining them under the microscope. Home Economics Class II are now preparing different foods. The making of pies and biscuits were their most recent projects.

Class I in Home Economics have been studying vitamins. Each girl had to make a chart illustrating foods containing certain vitamins. Typing Class I is now having tests in speed and accuracy.

The annual Sophomore-Freshman party will be held this Friday evening at the High School gym. Friday will also mark the initiation of the Freshmen by the Sophomores. Two films were shown this week. One was for the Global Geography class and dealt with Cod fishing along the New England coast. It showed the different methods used and the contrasts to the older methods. It also illustrated the difficult and dangerous life led by people who make their living that way. The other picture was on the story that couldn't be printed and illustrated the hard struggle for freedom of the press. It also showed the difficulties of John Zenger, who printed the first article against the government, criticizing them for waste and corruption.

A Health Clinic was held Monday at the school house for pre-school children.

**Wayman-Wagner Nuptials**  
Miss Etta Wayman, daughter of Mr. and Mrs. L. A. Wayman, Pullman, became the bride, Saturday, Oct. 16, of Harry F. Wegner, son of Mr. and Mrs. August O. Wegner, at the Pullman Lutheran church, in a beautiful ceremony, held at high noon.

The bride's wedding dress was of white brocaded satin with fingertip veil caught from a coronet of orange blossoms. She carried a white bible, on which lay an orchid. Her matron of honor was her sister, Mrs. J. F. Stuart of Grand Coulee Dam, who wore a soft blue taffeta gown and carried a satin buff trimmed with buttons chrysanthemums.

Mr. Wegner's only attendant was his brother-in-law, Edwin Nelson of Kendrick.

Rev. Keller of Colfax, performed the ceremony in the presence of immediate relatives. Mrs. Chester Wayman, pianist, played the processional and recessional music.

A wedding dinner for the couple was given at the home of Mr. and Mrs. Chester Wayman immediately following the ceremony, and was attended by Mr. and Mrs. A. O. Wegner, Mr. and Mrs. L. A. Wayman, Mr. and Mrs. Lewis A. Wayman, Jr., and Mr. and Mrs. Edwin Nelson of Kendrick.

Mrs. Wegner was graduated from Washington State College in 1940, and was employed as an artist in the State Agricultural Extension office in Pullman. The couple will make their home in the Ewartsville community, following a brief honeymoon, where he will farm with his father.

Before moving to Pullman Mr. and Mrs. A. O. Wegner and Harry lived at Cameron, and still have many relatives and friends there.

**Stewart Heffel Passes Away**  
Stewart Heffel, 73, a resident of the Kendrick area for the past 50 years, died at St. Joseph's hospital, at 12:05 p. m. Monday, following an illness of many months.

Mr. Heffel was born December 22, 1864, at Summerside, Prince Edward Island, and came to the United States in boyhood.

Survivors are his wife, Mrs. Dora Heffel; two children, Mrs. Roy Craig and Jesse Heffel, both of Kendrick; a brother, Enos Heffel, residing in Canada, and three grandchildren. Further details are lacking as we go to press.

**Criticizes Butter Rationing**  
Boise — Arvid L. Johnson, Idaho director of dairying, today termed as "senseless" the office of price administration order increasing ration points on butter without a corresponding increase in oleomargarine. He said the "alleged shortage of butter is artificial," and apparently is a move to discriminate against the dairy industry of the northwest.

## Ration Reminders

Gasoline — Coupons A-8 good for three gallons each. Must last until November 21, however.

Fuel Oil — Period 1 coupons good through January 3. Sugar — Stamp No. 14 good for 5 pounds through October. Shoes — Stamp No. 18 good for one pair. Stamp does not expire. Meats, Fats — Brown stamps C, D, E and F good through October 30. Processed Foods — Blue stamps U, V and W expire October 20. Blue stamps X, Y and Z are good through November 20.

## NATIONAL WAR FUND DRIVE NOW UNDERWAY

The National War Fund Drive, which in reality is a federation of war philanthropies, is now under way, and on an inside page will be found a large advertisement in connection with this drive.

Support for the far-flung U. S. O. — the home away from home for our own fighting men; comforts for the "barbed-wire legion" of prisoners of war; food for starving Greece; medical supplies for gallant Russia; aid for the scorched earth of sticken China; assistance for hundreds of thousands of homeless refugees.

These, and countless similar calls, are the concern of generous America, and the immediate task of the National War Fund, and its affiliated war funds in your own state and your own community.

Born of war, and linked to the peace by effective association with local home agencies for health, welfare and recreation, the National War Fund is a philanthropic federation with three simple aims: first, to determine the nature and the extent of the war-related needs; second, to see that everybody has a chance to contribute to the funds required; and third, to channel the sum raised for its member agencies wherever American help is currently most needed — enough and on time.

Those three aims lead to but one objective — to help win the war sooner, with a minimum loss of life.

Americans will respond as they always have to the appeal of simple humanity. But all of us will be moved even more strongly by the realization that the war will surely be won more quickly, and fewer lives will be lost, as long as our fighters and all of our Allies and their families are sustained with the greatest weapon of them all — the will to win.

The 17 agencies finally selected as members of the National War Fund have the leadership, the experience and the facilities to do well what the American people want them to do. Their programs are practical, free from duplication, and flexible enough to meet the changing needs of the war. Their budgets are modest, and subject to periodic review both by consulting experts in Washington and by the Budget committee of the National War Fund.

The Latah county quota in this great national drive is \$14,200; and the Kendrick district quota, which includes the eleven school districts about Kendrick and the town itself, is \$620.00. These districts, and their Drive Chairmen are: American Ridge, Mrs. Andy Cox; Steele, Mrs. Gerald Ingle; Taney, Mrs. Claude Jones

Fine Creek, Mrs. L. A. Bardlett; Fern Hill, Mrs. A. C. Wilson; Grindole, Mrs. Neils Longeste; Crescent, Mrs. John Darby; Gold Hill, Miss Ewa L. Smith; Boulder Creek, Mrs. Goldie Hellerud; Cedar Ridge, Mrs. Louis Alexander. The Kendrick committee is composed of Mrs. L. A. Wallace, Mrs. Don Miller, Mrs. Geo. McKeever, Mrs. E. A. Deobald, Roy H. Murray is general chairman of the Kendrick District.

A minimum of \$8.00 has been set as the amount required to take care of one boy or girl in the armed forces (U. S. O. and correlated agencies). And in a like manner a schedule of suggested donations has been worked out, as follows: If your income is \$1,000 to \$3,500 (net) give 1 1/2 per cent; \$3,500 to \$6,000, 1 per cent; net; over \$6,000, 1 1/2 per cent of net income. These, however, are but suggestions from national headquarters — it is your privilege to give as much or as little as you may care to.

It should be remembered, however, that donations to this organization are deductible from your income tax payments. On a net income of \$2,000 the donor will save 18 per cent of the gift on taxes; income of \$10,000, donor will save 34 per cent of the gift. As an illustration:

Income, \$2,000, gift, \$10.00, government absorbed tax saving, \$1.80; net cost to donor, \$8.20.

Income \$10,000, gift \$150, government absorbed tax saving, \$51.00; net cost to donor, \$99.00.

There are over 1,900 Latah county boys and girls in the armed services, and we cannot, we must not, let them down. Come on folks, this district has its quota — let's go!

**Cameron News**  
Mrs. Wm. Johnson of Peck arrived Friday to visit in the home of her brother, George A. Wilken and family.

George Wilken and Mrs. Wm. Johnson have been visiting with their sister, Miss Mary Wilken, who is critically ill in the St. Joseph's hospital at Lewiston.

## WHAT LELAND FOLKS DID THE PAST WEEK

**Honored With Shower**  
Mrs. Donald Morgan was the guest of honor at a shower given by the Mesdames Robert Draper, Fred Glenn, Oral Craig and Jesse Hoffman last Wednesday afternoon at the home of Mrs. Robert Draper.

Mrs. Marvin Vincent and Mrs. Chester Vincent received prizes for high scores in contests which were played, after which Mrs. Morgan opened the many dainty gifts, which had been hung on a decorated clothes rack.

Mrs. Oral Craig and Mrs. Fred Glenn presided at the refreshment table, which was covered with a hand crocheted cloth and centered with a low bowl of fall flowers in rich pastel shades.

About thirty guests were present. **Homemakers Club Meets**  
Mrs. Jesse Thornton and Mrs. M. R. Vincent were hostesses for the Homemakers Club, which met at the home of Mrs. Jesse Thornton Monday afternoon. Miss Hattie Abbott, Home Economics Extension agent, was present and led in the discussions. At the close of the afternoon, delicious refreshments were served. The November meeting will be at the home of Mrs. Oral Craig.

**Purchases Goudzward Property**  
Robert Draper has purchased the former home property of B. Goudzward, which adjoins his property on the east. He has disposed of the house to Weyo Weyen, who will have it moved to the Weyen ranch.

**Other News Notes**  
Mr. and Mrs. Roy Morgan were in Lewiston several days, on account of the serious illness and passing of Stewart Heffel, her father.

Miss Ernestine Kuykendall of Spokane spent Saturday and Sunday visiting at the home of her parents, Mr. and Mrs. D. V. Kuykendall.

Mrs. Arnold Wallace and daughter Sharon are visiting Mrs. Wallace's parents, Mr. and Mrs. Oral Craig, this week. Mr. Wallace brought them up from Orofino Saturday evening, returning to his home Sunday. Mr. and Mrs. Billy Weyen and daughters were also visitors at the Craig home Sunday.

Mr. and Mrs. Roy Morgan and daughter Lois of Lewiston, spent Sunday with Mr. and Mrs. Donald Morgan.

Miss Emma Lou Vincent came over from Moscow Saturday evening and remained until Monday morning, visiting at the Vincent home.

B. Goudzward of Spokane was a business visitor here last week. Boyd Harrison spent last Friday and Saturday in Lewiston with his parents, Mr. and Mrs. Lyle Harrison.

Leonard Wolff is pouring the cement for the basement of his house, which is soon to be under construction.

Dorothy Meyer and Linda Parks were home from Lewiston over the week-end.

Miss Lillah Carpenter spent Sunday at Gifford, visiting her sister and family.

Visitors at the home of Mrs. Emma Cook last week included Mr. and Mrs. Claude Cook and son, Lewiston, on Tuesday; and Mrs. Silvie Cook and daughter Beth, Saturday and Sunday.

Mr. and Mrs. Gerald Schmidt entertained a dinner Sunday evening at their guests Mr. and Mrs. Chas. Schultz. Miss Wilma Schultz, Mr. and Mrs. Herman Meyer and family and Mr. and Mrs. Homer Parks and family.

Mrs. G. O. Peters and daughters Wanda and Sandra, and Mrs. A. G. Peters were in Lewiston last Friday. They were dinner guests of Mr. and Mrs. Lyle Harrison.

Mrs. John Blankenship and son Larry were visitors at the Raymond Blankenship home Tuesday.

Dwight Hoffman was a Moscow visitor Tuesday and Wednesday.

Mr. and Mrs. Raymond Blankenship visited with Elton Gephart and Mrs. Quigley Sunday.

Mr. and Mrs. Robert Draper were guests Monday evening of Mr. and Mrs. G. F. Cridlebaugh.

Mr. and Mrs. W. H. Weyen and granddaughter, Kay Weyen, spent last Friday in Lewiston and Clarkston. They were supper guests of Mrs. Hattie Sparger, Clarkston.

Mr. and Mrs. G. O. Peters and daughters were dinner guests Sunday of Mr. and Mrs. Ed Hinrich.

Mr. and Mrs. Homer Parks were in Lewiston Monday. While there they visited Mr. and Mrs. R. E. Parks, and report them as well pleased with their new home.

We had a really heavy frost Monday night.

**Return From Hunt**  
Everett Fraser and sons returned Tuesday from a big game hunt in the Fog Mountain area, bringing out an elk. They reported the hunting the poorest in years.

Everett said that at the check station for that area only 139 elk had been brought out, far below usual kills — and only 30 deer.

## Chink Hunters Plentiful

The canyons about Kendrick resounded to the echo of gun fire Sunday morning, as local hunters took the field against the elusive chinks. The birds, however, seemed to have held their own quite well, aided as they were by a cold rain.

Perhaps half taking the field locally got their limits some coming back with two, some one — and some "just came back."

Undoubtedly the hunters will thin out as the season advances, and they run out of ammunition and gasoline coupons.

**WAR BOOK IV WILL COME INTO ACTIVE USE NOV. 1**

Housewives will start using green stamps A, B and C from the new War Ration Book No. IV, Monday, November 1. These stamps will be valid through December 22 and will be used by buying processed foods in the same way as the blue stamps in Book II (X and Y) remain good through November 20.

Book IV is being distributed locally from the Kendrick School house, with the registration days on Monday, Tuesday and Wednesday, October 25, 26 and 27. The hours for registering will be: Monday, and Tuesday, 1:00 to 4:00 o'clock; Wednesday, 1:00 to 6:00 o'clock. Registration will be made in alphabetical order, as follows: A to J, Monday; K to T, Tuesday; U to Z, Wednesday — all inclusive. In the daily papers will be found a registration blank, and wherever possible you are asked to bring this blank with you, already filled out, since it will save you and the registrar, time.

If for any reason it is impossible to come on your proper "alphabetical" day and hour, you will be taken care of on Wednesday, October 27 — but please come on the proper date, if possible.

One individual may apply for Book IV for all members of his family residing at the same address. The applicant, however, must have War Ration Book III with them for each person for whom they wish to obtain Book IV.

Ration tokens are expected to be ready for use by February. They will be red and blue, and each will have a value of one point. They will be used by consumers as change for processed foods and meat-fats ration stamps. The blue tokens will be used for buying processed foods; the red tokens for buying foods rationed under the meat-fats program. The ration tokens, made of layers of vulcanized fiber, will be slightly larger than a nickel and smaller than a quarter.

**Happenings Twenty Years Ago**  
Mrs. John Kite went to Moscow Monday to attend the meeting of the grand lodge of Rebekahs, which was in session there the first of the week. She represented the local lodge as a delegate. Norris and Floyd Walker represented the local I. O. O. F. lodge.

A. E. Janes brought an ear of Yellow Dent corn to the Gazette office this week that measured exactly 12 inches long. It is filled clear out to the tip of the ear. This is the longest ear ever reported from the Potlatch to date.

The youngest daughter of Adolph Onstott suffered a broken leg Tuesday morning. A heavy gate fell on her leg and fractured the bones. Dr. Seely set the injured limb, using his X-ray to verify the proper setting of the bones.

The Leith and Spencer families spent Sunday with relatives in Moscow.

Because of the fact that the figures of the preliminary estimate of building the Cedar Creek road have not yet been made available, the commissioners have not opened bids for the construction work. It is believed that the figures will be secured at an early date, after which the bids will be opened and if any bid is satisfactory, the contract will be let.

L. A. Grinolds arrived Thursday from Lewiston and from here went to Linden to visit at the home of Mr. and Mrs. Clarence Fry. "Jake" had seven acres of head lettuce on his orchard tract, this fall. He has already shipped 1,000 crates and will have approximately 700 more coming in right away. The late lettuce is of excellent quality and the market good.

Mrs. W. M. McCrea is spending the week with Miss Johanna Hooker on Big Bear ridge.

**Cameron Items** — Mr. and Mrs. Wm. Zumboff of Fairview and Mr. and Mrs. Wm. Wolff were dinner guests in the Carl Hartung home Sunday. Mr. and Mrs. C. J. Broemcke and daughter Ruth were Sunday dinner guests in the Blum home. The following were Sunday evening guests in the home of Mr. and Mrs. Carl L. Wegner: Rev. and Mrs. Rein, Rev. Reitz of Pacific, Miss Laramore, Miss Thelma Schmitz, Herman Meyer, Mr. and Mrs. A. O. Wegner and family, Mr. and Mrs. A. Spelker and son, Mr. and Mrs. Geo. Ehlers and family, A. H. and Gus Blum and Otto Siflow were hunting on Dix creek last week.

**Fairview Items** — Misses Agnes and May Byrne are moving to Kendrick to live and Mr. and Mrs. Frank Wilken and family are moving to the Byrne place. Mr. and Mrs. Lyle Harrison and son escaped a serious accident Saturday evening when their team became frightened by some loose stock in the road coming down the hill by the Ralph Corbitt place. They were thrown from the buggy and quite severely bruised, but no bones were broken. The buggy was entirely wrecked and the team ran to the T. H. Daugherty place, where they stopped.

## P-T. A. HELD INTERESTING MEETING MONDAY EVENING

The regular monthly meeting of the Parent-Teachers association was held Monday evening in the High School auditorium with the president, Mrs. H. C. Schupfer, presiding. Following reading of the minutes the treasurer's report was read, revealing that there is \$24.21 on hand.

Committee reports were then called for. Mrs. Schuler, local health nurse, announcing that child health clinics were being held regularly.

Mrs. A. O. Kanilkeberg, program chairman, gave an outline of programs for the coming year. The Library committee called attention to the fact that there are now an excellent selection of fiction books in now and inviting those who like to read to take advantage of this opportunity.

Suggestions for increasing and stimulating attendance at the meetings were called for. There followed a short discussion in which it was agreed by all that an invitation taken home by the school children would act as a reminder and would no doubt help to bring more parents out.

The next subject the group took up to discuss pro and con, was the advisability of a 9:00 o'clock curfew for grade school children. Some parents felt the streets at an hour when they should be home in bed. The discussion boiled down to the fact that this was the parents' problem, and it was up to them to provide activities as well as discipline that would keep the children at home during late hours. However, a committee of parents was named to investigate the problem and bring a recommendation before the group at the next meeting.

Mrs. Marvin Long, 4-H club leader, announced the first and second year club classes had arranged their completed work for exhibit in the ag. room and invited all to inspect the work.

Supt. Mason made two announcements, the first being the teachers' convention in Lewiston next week; and second, the registering for War Ration Book IV at the school house on next Monday, Tuesday and Wednesday afternoon. He asked for volunteer helpers from the town people, requesting that any willing to give some time to call him.

The program was then enjoyed, opening with a flue solo by Noel Thomas, accompanied at the piano by his mother, Mrs. Harold Thomas.

Rev. Murray then talked to the group on "The Family's Stake in Freedom," bringing out the necessity and importance of the Christian family home in this era of chaos and war.

The last number on the program was a vocal solo by Mrs. D. A. Christensen, accompanied by Mrs. Harold Thomas.

The group then adjourned to the Home Economics room, where delightful refreshments were served by the Bear Ridge ladies.

**OWI Asked About Paper Use**  
Washington, Oct. 17 — A House investigating committee will ask Elmer Davis to explain tomorrow what his office of war information does with all the paper it uses.

"We want to know how much paper OWI is using—and why," said Chairman Boren (D-Okla.) of a house committee investigating the shrinking supply of available newsprint, on which newspapers are printed.

Davis—Monday's first scheduled witness—will not be the first government agency chief whose paper consumption has attracted the committee. Last week it sent letters to several departments asking them to justify the amount of paper stock that goes into scores of government reports and other documents.

Boren said he has "no accumulated examples" of paper waste for Davis to explain, but a few days ago the chairman held aloft several OWI news releases which he said went out to the nation's newspapers "by the bale each week" and declared the war information chief would be asked to explain the necessity of them.

The committee also plans to call lend-lease officials this week to question them about earlier testimony that United States exports of newsprint this year will be triple the 1937-39 average.

"We want them to explain to us," said Boren, "how this country's exports of newsprint can continue at a time when our own papers are rationed, their supply of paper already strictly limited by government order."

Witnesses have testified that a newsprint curtailment up to 52 per cent can be expected next year unless something is done to increase the flow of pulpwood to the United States and Canadian paper mills. Newsprint is made from pulpwood.

Our comment: As we see it the government certainly could curtail its own use of paper, as this little shop reviews literally dozens of government news releases each week, most of which are of absolutely no interest to ourselves or our readers, and consequently land in the wastebasket. (File 13 in printers language).

**Other Americas Send Rubber**  
Tropical forests of the other Americas have yielded a rising flow of natural rubber this year to mix with the synthetic product from new chemical factories opening in the U. S. In the first four months of 1943, rubber-producing regions of the other Americas shipped 50 per cent more rubber than in the comparable period of 1942.

of Federal, Private and Municipal Electric Systems in the

NORTHWEST POWER POOL

Speeds Victory! Points to Industrial Prosperity!

Working together now for nearly two years, the cooperation of members of the Northwest Power Pool has made many thousand additional kilowatts of electric power available for war production — has saved vast quantities of coal and fuel oil by using hydro-electric power to replace steam generating plants — has conserved transportation, manpower and vital war materials . . . all speeding the day of victory.

This same cooperation of Federal power projects, business-managed electric companies and municipal systems after the war can mean more jobs for returned fighting men in a prosperous Northwest.

Farmers Mighty Busy Folk

The cold rain which fell Saturday and Sunday brought a halt, at least temporarily, to local bean harvesting operations, although dealers estimate 95 per cent of the crop now under roofs, either on farms or in local warehouses. Some beans, however, remain to be harvested.

To most farmers the rains brought broad smiles, for it meant better plowing, seeding and discing conditions — and they are certainly making the days count.

The bean harvest completion has brought a number of fine yields to light. The best we have heard of this year was that of John Glenn, with a yield of 14 sacks of reds per

acre on a small patch. It was closely followed by Fred Glenn, who harvested 11 sacks per acre on a small patch.

Yields of seven, eight and nine sacks are reported from all the surrounding ridges.

We regret no pea yield figures have been made available to us.

William Dillman Dies Tuesday

William Dillman, 60, died Tuesday morning at his home in Juliaetta, where he had lived the past three years. He was born in Cook county, Oregon, April 13, 1883, but had lived in Idaho 38 years. Besides his wife, May, the survivors include the following sons and

daughters: Daniel, Juliaetta; Orvil, Moscow; Mrs. Millie Roderick, Mrs. Tillie Etter, Juliaetta; Mrs. Lilly Lyons, Deary; Mrs. Anita Powers, LaGrande, Ore.; Ivan, U. S. army, in Alaska; two brothers, two sisters, and 14 grandchildren.

Dad—I'm puzzled, son. I can't figure out why your football team took the name of "Little Apples." Is it because you're so seedy?

George—Naw, it's because we're so hard to skin!

Snobby—Well, sir, what did you find out about my family tree?

Genealogist—That the entire crop was a failure.

Double Feature Again

Another double feature will be offered at the local theatre this week-end.

The first of these stars Tim Holt in "Sagebrush Law," and needs no further introduction to western picture fans.

The second feature of the evening will be "Seven Days Leave," a musical comedy, starring Lucille Ball, Victor Mature, The Great Gildersleeve, Ginny Simms and Mappy Cortez — and from the cast should be first class entertainment for all.

The usual comedy will also be shown.

The Moon is Down...

THERE are dark nights in Norway. Nights when Nazi sentries feel uneasy at their posts.

It is not what they hear that disturbs them. It is what they do not hear. The deep silence behind a bush. The stealthy quiet around the corner of a house. The terrible hush in the blackness all around them.

For the Norwegians lost their country without ever surrendering themselves. They wait now in the night to strike back at their oppressors.

If they ever had really given in, there would be no need of the thousands of Nazi troops now in Norway. They could have been

sent to the Russian front. Or Tunisia. But they couldn't be spared.

They can't be spared in Holland either. Or Poland or France or Yugoslavia or Belgium. In China, tens of thousands of Jap troops must also remain. And Axis troops will have to remain in countless countries so long as the "conquered" people have the stamina to resist.

You can help support this army already in Europe—by your contribution to the National War Fund, which you make through our community's own war fund.

For this year, the agencies that can do this job have banded together to make the collec-

tion and distribution of funds simpler, cheaper and more effective. Their job is threefold. To keep our fighting allies in the fight. To provide friendly help for our men in the a med services. And to relieve distress where it is found here on the home front.

Because all these agencies are now banded together, you are being asked to contribute only once for all of them. Because you are being asked to give only once, you are also being asked to give generously. Add up all you would have given to each of these agencies throughout the year, and then double the total! It is one of the most important contributions you can make to victory!

## SUBSIDY INFORMATION HAS ARRIVED

It has been announced by the government that the subsidy on milk and cream for northern Idaho and eastern Washington, will be 35c per 100 on milk, and 4c per pound on butterfat when sold in the form of cream.

Each farmer is to keep an accurate record of his sales, as this will be needed to file your claim at the end of the first quarter — December 31st.

On our pool system you will have this record every month. Sell your cream the co-operative way for more profit!

If you are not a member of our association, come in and let us explain this system to you. We want every producer as a member! If you are a member — induce your neighbor to join!

Tom: "I had a date with a pretty mind reader last night."  
John: "Really. Well, did you

have any fun?"  
Tom: "No, she just sat around all evening and blushed."

"When were you born?" asked the sergeant of the recruit.  
"December, 1917," replied the man.

"Ah," mused the sergeant, "I well remember that winter. It was bitterly cold."  
"I'll say it was cold," said the recruit. "I was brought by a pen-guinn. The stork couldn't make it."

A merchant took out a fire insurance policy and the same day his store and contents burned to the ground. The insurance company suspected fraud, but couldn't prove anything. It had to content itself with writing the following letter:

"Dear Sir: You took out an insurance policy at 10 a. m. and your fire did not occur until 3:30 p. m. Will you kindly explain the delay?"

## WORD FROM LOCAL MEN IN OUR ARMED FORCES

This week the Gazette goes to press without a single letter from local men in the armed forces — much to our regret — but it is a situation about which we can do nothing, for this column must be written by the boys in the service. We cannot "clip it" from government releases (which we get by the bale) nor can we write it ourselves.

So fellows, if you want to know what "so and so" is doing, or where he may be, it's up to you to write and tell all the fellows, then the chances are that they too, will write and your information will go to all. In this column "you must give in order to receive."

## TEAKEAN GOSSIP

We are having chilly weather part  
of the time now, but no killing frost  
until Tuesday night's.

Mr. and Mrs. Bertie Melcum and  
family of Mohler were visitors at the  
home of Mr. and Mrs. Carroll Grose-  
close Sunday.

Glen Harless, who has been em-  
ployed on the Melcum farm at Moh-  
ler for several years, visited last  
week with his father, J. A. Harless,  
and his sister, Mrs. Carroll Grose-  
close.

Mrs. Clifford Benjamin and chil-  
dren of Spokane visited several days  
last week with her mother, Mrs. Car-  
rie Herring, and her sister, Mrs.  
Merton Preussler.

Merton Preussler is building an  
addition to his house. When finished  
the family will have two more  
rooms.

Joe Choate came home last week  
and is helping his brother, Orval,  
with his work.

Little Barbara Jean Ogden had the  
misfortune to break an arm when she  
fell out of a truck one day last  
week.

Some of the men of our neighbor-  
hood have gone big game hunting,  
but not as many as usually rush  
for the woods in the elk season.

Rev. Murray of Kendrick was a  
visitor at the Wm. Groseclose home  
Sunday evening, and took the Grose-  
closes to church at Cavendish.

A shower was given by Mrs. Or-  
val Choate at her home last Friday  
afternoon, honoring Mrs. Ruby Og-  
den. After the opening of the gifts  
refreshments were served by the host-  
ess, assisted by her daughters. About  
18 ladies were present, and the  
honoree received many beautiful and  
useful gifts.

Well, Folks, as the 1943 harvest is only a matter

that lies ahead.

We will attempt to help you with cleaning and

We will not permit the return of treated grain

it can not be permitted.
