KENDRICK LOCALS AND PERSONALS TWENTY YEARS AGO

Nelson-Forrest — Two popular young people of Big Bear ridge were united in marriage Thursday, November 1, when Miss Emma Antonson, daughter of Mr. and Mrs. Anton Nelson, became the bride of Gabriel Forrest, son of Mr. and Mrs. O. H. Forrest. The ceremony was performed by Rev. Peter Hestby at the Lutheran church in Deary and was witnessed by Miss Bertina Forrest and Adolph Forrest, sister and brother of the groom. The bride was gown in white canton crepe, adorned with crystal beads. She carried a beautiful bouquet of pink bridal roses. Miss Bertina Forrest, the bridesmaid, wore a dress of rose taffeta and carried a bouquet of pink roses and white snapdragons. Following the ceremony, Mr. and Mrs. Forrest left on a week's wedding trip to Spokane, Coeur d'Alene and other points. The bride is a daughter of highly respected pioneer residents of Big Bear ridge. She is an accomplished young lady and has a host of friends in Kendrick and the Bear ridge community. Mr. Forrest made an enviable reputation while playing on the Kendrick ball team for the past 12 years. He is one of the cleanest young athletes in the country and a genuinely fine fellow. He is one of the prominent farmers of Bear ridge and has a promising future.

Mr. and Mrs. Forrest will take their home on the farm on Bear ridge. O. E. MacPherson took over the management of the New Kendrick Theatre the first of the month and is now in charge of the business. For the first six weeks of school there were three pupils in the eighth grade room whose average was above 90 per cent. They were: Hester Knepner, Shirley Clem and Dorothy Holt. No one in the seventh grade had a general average above 90. Those having the highest were: Elbert Long, Helen Keeler and Geo. Atchison.

Mrs. J. Brocke and son Donald, Miss Margaret Brocke, Velma and Vera Ameling and Mrs. S. W. Bigam were Sunday visitors at the home of Mrs. M. A. Deobald.

A. E. Janes stated this week that he had sold over a ton of seed corn already this fall. This would indicate that farmers hereabouts are planning on planting something besides wheat next season.

Herman Siffow of Cameron left Wednesday morning for Alberta to engage in a moose hunt. He will, no doubt, have some thrilling tales to tell when he returns.

The local depot is one of the garden spots of the town. Mr. Ramey has put a number of beautiful plants and hanging baskets in the office room and it is remarkable how decidedly cheerful and homelike the room now looks.

N. E. Walker left Thursday morning for Spokane on business.

Mr. and Mrs. Leslie Roberts left Thursday for Moscow, where they will spend the winter. Ed Long moved their household goods in his big truck.

Big Bear Ridge — Chas. and Joe Bowers will finish bean threshing here this week. Mrs. Wade Keene departed Monday for Spokane for an indefinite stay. Mr. and Mrs. Hilram Galloway of Little Bear ridge spent the week-end with relatives here.

L. Glenn. Miss Elizabeth Hund was the week-end guest of her sister, Mrs. Hugh Parks. Mrs. James Helton spent the week-end at the Jake Bereman home. Mr. and Mrs. T. J. Freshman and son Jack and Mr. and Mrs. Oney Walker and son visited relatives at Lewiston last Saturday and Sunday.

P. T. A. Meeting

The Kendrick P. T. A. will meet Monday evening at 8:00 o'clock in the High School auditorium. Prof. Thomas R. Croson of the Lewiston Normal will be the guest speaker of the evening, his subject being "Aviation."

Everyone interested is invited to come and enjoy the program. Let's have a good turn-out.

Pinochle Club

The Pinochle club met with Mr. and Mrs. Ross Armitage Thursday evening of last week.

High scores for the evening went to Mrs. Kenneth Powell and Billy Weyen, while lows were taken by Mrs. Walter Brocke and Kenneth Powell.

Delicious refreshments were served at the close of the evening by the hostess.

JUNIOR CLASS PLAY MUCH ENJOYED BY GOOD CROWD

The Junior Class play "Don't Take My Penny," presented by that class of the Kendrick High school under the direction of Mrs. Werner Brammer last Friday evening, was enjoyed greatly by all present — and the crowd was a goodly one, many extra seats augmenting the usual gymnasium seating capacity.

The cast of characters follows: Sally Leila Riley Norman Porter Bob Ziemann Penny Helen Schreffler Caleb John Ziemann Mark Bob Benscotter Mavis Jane Peters Lydia Arlene Ware Joanna Delores Thornton Kerry Dick Benscotter Greg Jack Benscotter Gram Wilma Cuddy Monsieur Henri Delois Miller Harrison Day Noel Thomas Models: Claire, Velma Hecht, Elsie, Lois Fey, Lucille June Emberton. Walter McCall was the stage manager, Jordan Kanikkberg, the crew and Donna Lee Hoffman had charge of the costumes.

Musical speciality numbers were furnished by Gay Deobald, Bob Lind and a sextette composed of Jane Peters, Agnes Baker, Alice Benjamin, Bob Lind, Wilma Cuddy and Noel Thomas, all of whom were accompanied by Mrs. H. C. Schupfer.

The play dealt with modern times, when everyone is busy, so perhaps it held more meaning for the audience than would have been possible at other times. The presentation was without a hitch, and Mrs. Brammer and the class are to be congratulated on the performance. The many hours of work required in its preparation were plain to be seen.

COMMERCIAL CLUB MEMBERS ENTERTAIN THEIR WIVES

The members of the Kendrick Commercial club entertained their wives at a delightful 6:30 dinner served for them at the schoolhouse by Miss Harshbarger and her Home Making classes, with about 60 sitting down at the prettily decorated tables.

At the close of the dinner the high school debate class, directed by Mrs. Warner Brammer, staged a clever one-act play, with the cast as follows: Villa Lou Harris, Rose Ann Cuddy, Gladys Wegner, Ray Benscotter and Jordan Kanikkberg. Not only was the skit a clever one, but was well presented and students and director alike must be complimented.

At the conclusion of the play a short business session was held. At the conclusion of the reading of the minutes announcements were called for: Mrs. W. L. McCreary announcing the Methodist church dinner and bazaar to be held on Thursday evening, Nov. 18, serving to begin at 6:00 o'clock. In addition to the regular features there will be a country store and prizes.

Mrs. H. C. Schupfer announced P. T. A. meeting for next Monday evening at 8:00.

President Frank Harris then called for communications and one was read from Mrs. Axel Swanson regarding Axel's condition and improvement, which is now very encouraging.

Mr. Harris suggested that we do what we can to help Troy obtain their aluminum plant, suggesting a wire to the Idaho congressmen. On motion of Geo. Brocke, seconded by Rev. Murray it was unanimously carried.

Geo. Brocke then brought up the matter of a curfew law, and considerable round-table discussion followed. On motion by H. C. Schupfer, seconded by Ross Armitage, and unanimously carried, the club went on record favoring a stricter law enforcement in Kendrick, especially in the matter of curfew law.

President Harris then brought up the Boy Scout movement, and on motion by W. L. McCreary, seconded by Geo. Brocke, he was asked to appoint a committee to look into this matter and to find a leader if possible. Kenneth Powell, Frank Abrams and W. L. McCreary were then appointed.

This concluding necessary business, the members and their wives adjourned to the Visual Education room. There they were favored by two baritone solos by Bob Lind, accompanied at the piano by Mrs. H. C. Schupfer. Bob sang "I Am A Builder" and "The Big Brown Bear," and they were really enjoyed.

Three pictures were then shown: "Corn, Its Use and Origin," "The Sand of England At War," and "Russia." These were of wide and varied interests, and were really enjoyed.

Dale says he likes navy life, and believes it will grow more interesting as time goes on.

Ira Foster has kindly allowed us to print the following letter from his son, Guy, who is stationed somewhere in the Pacific, as follows:

Dear Dad:
Haven't been writing much lately. The first of August I got a catch in my back which the doctors call "arthritis." It sure is persistent. I turned in to sick bay the 24th of September and the doctor in charge said I would have to have my tonsils out, so came over to the main hospital. Had that job fixed up and for four days felt fine. The pain in my back was entirely gone. Then it started coming back. They sent me to a different ward for treatments and for the last few days have been feeling definitely better. The trouble, whatever it was, affected my spine so I couldn't sit down — just stand or lay flat on my back — so no letters.

Received the package you sent me. It was just what I needed. Had intended to buy one just like it for myself several times, but didn't, so it sure comes in just right. Will send your present as soon as I am able to go to town again.

Hoping this finds you all well and happy. With love,
Your son,
Guy L. Foster, S 1-c.

1500 "FORTS" FOR TOKYO AND BERLIN!

THE next time you pay your electric bill, remember: A large part of that money goes to blast the Axis!

Yes, over 15c of every dollar you turn over to us, we turn over to the federal government as taxes. In terms of the entire industry, that's over 400 million dollars—enough to buy more than 1500 giant bombers—at a quarter-million each.

And that's not all! Over 8c per dollar in addition goes to local and state governments—for your schools, roads, police and fire protection.

Altogether, from every dollar you pay us, we pass along at least 24c as taxes. And we do it willingly—in the face of higher costs and lower prices. Since no other electric power is federally taxed, we are often asked: "How can you manage?" Well, by business management—which means: efficiency—economy—careful planning!

Don't Waste Electricity Just Because It Isn't Rationed!

STONY POINT VICINITY

Mr. and Mrs. John Maund, Sr., and Mr. and Mrs. John Maund, Jr., visited in Pullman with relatives last Sunday.

Mr. and Mrs. Lloyd Brown and children, Merle, Donald and Carol Lynne were Sunday dinner guests in the Newt. Heath home.

Mr. and Mrs. Wm. Schetzle were Lewiston visitors Thursday.

Among the Saturday Lewiston visitors were members of the Hoisington, Heimgartner, Steigers, Parks and Maund families.

The ZumHoffe and Heimgartner families made their usual Friday business call in Lewiston.

A small flurry of excitement was caused in our neighborhood Sunday evening when a large fire was discovered burning fiercely in the direction of the Dave Daniels home. It proved to be a rank stubble of threshed sweet clover being burned off by Ernest Steigers.

Several from our community attended the regular Grange meeting held at Lapwai, Saturday, Nov. 6. Miss Bernice Heimgartner visited at her home over the week-end.

Mr. and Mrs. Wm. Steigers had as Sunday dinner guests their son, Ernest, and family.

Yes, Captain, "we're getting it out," and to you and American men in service, more than 500 of whom are Potlatch men like yourself, we pledge that we'll continue "to get it out!"

And we want to make the further pledge that after you get back home there will be a job waiting for you in the forests that you left to go to war. WORD FROM LOCAL MEN IN OUR ARMED FORCES

Phm. 1-c and Mrs. Judson I. Lee arrived here Friday on the noon train to spend a 15-day leave with her parents, Mr. and Mrs. A. O. Kanikkeberg and family. Jud, who was transferred to sea duty some months ago, has Seattle as his home port, and Mrs. Lee, who is employed in that city, gets to see him about every six weeks. Jud says that since his transfer to Seattle he has not seen any of the boys from this section, but did once in a while when at San Diego.

Jud says the old home town looks the same as always, but he misses the boys he knows, and everyone is so busy they don't seem to have much time to visit.

Hobbs, New Mexico
October 30, 1943

Dear Mac and Bill:

Have been receiving the Gazette for some time now, but just seemed like I never had time to write and thank you. I look forward to it each week, and in case of an address change I will notify you as soon as possible. I certainly enjoy reading the letters from the other boys in the Service, and know they do the same.

The weather here seems much colder than at home. Maybe it's the wind — use it blows here most of the time.

My job is different than most of the boys, I suppose. We change off every other month as flight engineer, get to know lots about one of those bombers, too. We get quite a few cross-country flights and everybody is out to go. I was in Pendleton about a month ago, but didn't get to see any of my folks, but hope to next time. Flew over the Great Salt Lake recently and is was surely quite a sight.

Must close now, thanking you again for the Gazette.

Sincerely,
Cpl. Lawrence Bartlett.

Dear Macs:

Just a few lines to let you know I am still receiving the Gazette, and boy, I really enjoy reading every line especially the letters from the other fellows in the service. I guess that's about the only way we can learn where all the boys are stationed — and they are certainly scattered all over the world.

Anyway, Mac, we can all look forward to the day when we all can gather again in the little town we call Kendrick — and home.

I'll say I've really seen lots of nice things here in England, but it seems all countries have their faults and drawbacks — but Idaho has the least.

Well, Mac, there is lots more I would like to write, but I'm afraid it wouldn't slip by the censor. My address has had a small mistake in it, and my right address is at the top of this letter.

In closing, let me thank you again for the Gazette.

As ever,
Cpl. Beryledean Grayson.

Whidby Island, Wash.
Nov. 1, 1943

Dear Mac:

The last two months has seen me put a lot of miles behind me. I hope to be here for a while now, so am sending you my new address.

I am now working with dogs since the completion of my seven-week training period in the Marine Devil-Dog school. We have some beautiful dogs to look at, but they aren't nearly so beautiful to any stranger who might come snooping around. They are really vicious whenever the occasion demands it, but each is deeply devoted to his master, and will give his life if commanded to do so.

While in California we put on several stage shows to large crowds and it was very interesting to hear the people comment afterward.

We have dogs trained for all types of duty. There are combat dogs, sentry dogs, airplane spotters, pack, first aid, trail and communications dogs. Some are even trained for parachute jumping as well.

I like my new line of work and feel very secure whenever my four-footed pal is with me. I have a couple of "introductory" scars I will carry for life from his teeth, but we understand one another perfectly now. I placed second highest in a large class of graduates from the school, and was told I would have been first if I had had the same period of training as they did, all having had two weeks more than I.

Most of all our dogs are Doberman Pinscher, and weigh from 60 to 85 pounds each.

I have missed my paper for some

weeks now, as I was on the go most of the time, so it has never had a chance to catch up with me. I sure miss it, as most all the news from there is very interesting to me. I like the other Service men's letters very much and wish there were more of them.

The weather is quite nice here as yet, but it is getting fairly frosty at nights and there is snow on the mountains all around us.

Well, Mac, thanks a lot for your trouble and thanks to all who help make it possible for all we boys to get our old home town paper.

Pfc. Jack May.

Somewhere In Australia
October 27, 1943

Dear Mac and Bill:

Just a few lines to let you know I am receiving the paper in fine shape and at regular weekly intervals. Although they are somewhat late I enjoy reading every line — including the advertisements!

I'm very sorry I cannot reveal past happenings or my present surroundings as the boys in other parts of the world may do, but censorship regulations will not permit it from this theatre.

I have submitted my application for officers candidate school, and am now awaiting call.

Fred Clemensagen, Ervin Halseth and Jimmy Kuykendall are still with me in the same outfit, and are doing very well.

I was one of the unfortunate boys to get Malaria fever here, but am feeling well again, but want to advise the boys in mosquito infested areas to keep their atabrine tablets handy.

Well, Mac and Bill, I'd better sign off now, and thanks again for the paper — it is greatly appreciated — and I don't mean maybe!

Sincerely,
Sgt. R. G. Fairfield.
Camp Cooke, Calif.
Undated

Dear Mac:

I certainly enjoy reading all the home news in the Gazette, especially the reports of the fellows returning from their hunting trips. I miss being able to go hunting this year. The last six months I've spent on the Mojave desert. There are Rocky Mountain Big Horn sheep in some of the Lava mountains where springs are found, and more as you get closer to Old Mexico. There are also jack rabbits, coyotes and lots of big tortises.

The sheep are protected in the U. S. now, and I couldn't travel far enough in Old Mexico by foot and ankle express in my limited time to bag anything — and beside the desert really gets cold at night this time of the year.

Arrived here at Camp Cooke today and expect to get some commando training and practice beach-landings in the surf, as well as receiving other training.

I also enjoy reading what the other fellows in the service are doing and where they are.

Please send the Gazette to my new address, shown above.

Best o'luck

Dear Mac:

A few lines again to send you a new address. Have just finished Air Crew Classification and I'm now in a Pre-Flight Pilot school squadron. Will be here for several weeks and wish you would send the Gazette to this new address.

So far I've met several fellows from here that have come from Kendrick or vicinity. It sure is great to run into the home-town fellows and chat with them awhile.

Many thanks for the Gazettes I'm receiving. It's always a pleasure to find a copy in the mail.

Sincerely,
A. S. Garth Hill.

Dear Bill and Mac:

Just a line to let you know that I got down here all right. I don't have much time to write, so must do it on Sunday. I just got back from church, where we heard Chaplain Blockerey (colored) who has been in London, and many other places.

Please tell everybody "hello" for me, and I sure miss being home.

Dear Friends:

I receive the paper every Tuesday and do enjoy it. Although I'm from Deary I know most of the folks around there. I take the paper home to Mary (nee Mary Thomas) and she enjoys it every bit as much as I do.

I like it here better than at first, although no place can beat Idaho.

My job isn't so bad either. I get every Sunday off. I have been butchering ever since I came to the army and don't mind it a bit. This army life isn't so bad once you get used to it.

I would like very much to hear from all my friends there, and learn what everyone is doing. They can get the address from my parents or from Mr. and Mrs. John Thomas on Little Bear ridge.

Let me thank you all again for the paper, and I know I will receive it every week.

Tell everyone "hello" for Mary and me.

Sincerely,
Pfc. Esten Lee.

Dear Mac and Bill:

It has been about three months since I wrote you a few lines, so will do so once again.

The paper has been coming to me fine and dandy — and one week I received four. Mighty nice to get them and again, "thanks a million."

Today I saw my first kangaroo, and he was so small, instead of me taking a ride in his pocket, he could have ridden in one of my G. I. pockets — was such a little fellow.

I am just fine and dandy and am getting along O. K.

Wish I could write more and tell you things of interest, but of course cannot do so, as the censorship is

Harvest Is History!

Well, Folks, as the 1943 harvest is only a matter of history, we must now begin thinking of the year that lies ahead.

We will attempt to help you with cleaning and treating to the best of our ability, but as our bins are all full, we will not be able to serve you too well.

We will not permit the return of treated grain once it has been taken out, as parties abused the privilege last year to the point that in the future it can not be permitted.
