"He said: 'Lady, how much ice do you want this morning?'

Remember Pearl Harbor! Buy that

This year, with service flags in windows of nearly every home, Red Cross will mean so much more to Americans. As depicted in this reproduction of a 1944 Red Cross War Fund poster, many windows also will display the symbol of participation in the cause of Mercy and Humanity—the Red Cross.

### PROGRESS BEING MADE ON SWIMMING POOL PLANS

(3) Location — on the city lots

west direction. (4) Walks about pool to be eleline of any surface waters or any

(6) A pump and probable clori-

ly to first and second place winner baths and chemical foot baths for all swimmers before being allowed to

Ample room is planned for "sunbathers" following a dip in the

water (9) Dressing rooms, also with the chemical footbaths are a part of these plans.

(10) It will provide a safe, clean place for our children to learn to swim. One child's life lost through bronze basketball player atop a pol- drowning or contraction of disease . An afternoon party was held for ished manogany base, this trophy is worth more than the cost of the pool

(11) Supervision will be enforced. The pool will be enclosed by a high wire fence, topped with cross arms carrying barbed wire!

It sounds good, doesn't it? And it can all come true, easily, if we this later, all get behind it and push!

Dollars are now the big item in this matter. A little, given by all toward this community venture can insure its success without deep digging into any one pocketbook. Contact A. O. Kanikkeberg and leave your share in escrow at the Farmers Bank. Remember, if something unforseen prevents construc-

tion, your money will be returned. In the meantime, it you want to talk this over a bit, contact A. O Kanikkeberg, Frank G. Harris, R. L. Blewett, George Brocke, Edgar Dammarell, E. A. Deobald, W. A. W. A. Watts, Kenneth Powell, Roy Ramey, or most anyone about town. They'll see to it that you get the

the information you wish if they do not have it at their fingertips.

### WAVES Badly Needed

WAVES today means one less bread-lout. winner father with a family will be required to leave for war.

With this appeal to the younger women of this area to help prevent the separation of families, Lieut. Commander George O. Hackett, officer in charge of navy recruiting in furnished by the local chapter. 000 additional Waves are required share. by the navy during 1944.

Not only will each one of these women release a man from a shore assignment to take his rightful place at a battle station, but it navy recruiting station. .

AND FOLKS ---

The British barmaid was a flirt, and when the corporal went out to buy a paper she pursed her lips invitingly and leaned over the bar towards the shy young pri-

Putting her face against his, she whispered: "Now's your big chance darling." The private looked around the empty room. "So it is," he remarked; and promptly drank the corporal's beer.

A young debutante, looking round the florist's shop for some-thing she wanted, spied an old

fellow trimming a plant.
"Have you any passion poppy?"
she inquired.
The old fellow looked surprised and exclaimed: "You just wait till I get through pruning this lily."

With gas rationing growing stricter, we'll be seeing more and more buggles drawn by a pranc-ing team of horses. Many a hus-band will be relieved to see the tongue at the front end of the

WORD FROM LOCAL MEN
IN OUR ARMED FORCES interest to ms in atives in the K
It is as follows:

Sgt. Allen Neumann left for San Francisco Tuesday to report again for duty after spending a two-week furlough at Southwick with his parents, Mr. and Mrs. Jacob Neumann, and with other relatives. Sgt. Neumann is with the Ninth Service Command. He called at the Gazette office to thank all concerned for the paper.

pout a month. Chuck? I had one about two weeks aerial attack from the south on ago, he was chasing around in Eng- France with a raid on the airdrome land somewhere. That guy certainly gets around, doesn't he?

the boys play this year—for they minutes later the 301st was official-should take the district should take the district tournament without too much trouble.

Velma Mills, daughter of Mr. and Mrs. C. L. Mills of Elk River, a and now a private of the U.S. M. C. duty beginning March 4th. She will on raids on airdromes. take basic training at Camp Le-Jeune, New River, N. Carolina. Miss Mills is a sister of Mrs. Roy John-

keep us on the move so it doesn't take long to forget about it.

ment and I landed at Stockton Field. However, it's a pretty nice place in spite of the cold weather. Guess it must be one of those "cold fronts" the weather instructor is always telling us about ways telling us about.

This is my last stage of training before I get my wings — and then I'm really looking forward to a fur-

Thanks again for the paper and I hope to get home some one of these days. Sincerely A-C William A. Deobald.

I thought I would drop you a line and let you know that the paper arrives regularly every Monday. stationed at San Diego, Ca Kenneth Woody and I had a big rived home Sunday on leave. talk about the old home town the other day. Boy, did we talk!

I have about two months left of school — and then?

Sounds like the Kendrick "Tigers" are doing all right, and I only wish I could be there to see them.

I got to go now

Mrs. Roy Swanson has kindly permitted us the use of the followpermitted us the use of the following letter, written by her son Pfc. 75c Couple Girls

paper and sent in a Japanese enve-lope. The letter follows; Dearest Mother:

I received your letter quite some time ago and I've just got time to answer it. How are you making out these days? I'll bet you get awful lonesome just sitting around there. I have received quite a few letters from Donald lately and in every one he tells me that he had more fun he tells me that he had more fun

when he was home than he ever had You asked me what I do in the army. Well, I'm sorry that I have not told you before. I am in the Communications Section. We have to put all the telephone wires in

to put all the telephone wires in and all the telephones that are used to direct the fire of the guns. It is very interesting work and it keeps me pretty busy. I used to drive a jeep, but that got awful tiresom:

I am going to write Roy a letter one of these days. I guess I will have to send it to you, as I don't know his address.

know his address. How is Stanley? Is he married yet? You tell him that if I get home in time I will be his best man. I have not received the cigars yet

but expect too any day now.
Well, tell everybody "hello."
Your son

Pfcs. Sidney and Allan Johnson left Saturday to return to Camp Polk, La., to report to their com-mands following a furlough spent here with their parents, Mr. and

Mrs. Roy Johnson.
We didn't get to see "Punk" while he was here, but Allan visited us at the shop, thanking all concerned for the paper. The Johnson boys are in the Air Borne or Glider troops, and

From Mrs. Jerry Hansen, Spokane, comes the following letter: Since Sgt. John Jones is a member of the 301st Bombardment Group, an article written for the "Stars and Stripes," an official overseas army newspaper, will be o interest to his many friends and relatives in the Kendrick community

I At a Mediterranean base, and under date of Jan. 12 — The 301st Bombardment Group flew its 200th mission in 17 months of over-seas service, January 8, 1944, to lead the Elving Fortress attack on Reggin Flying Fortress attack on Reggio Emilia in northern Italy. This group is commanded by Lieut. Col. Carl T. Barthelmess, of Clayton, Maine, but Memphis, Tenn.
February 13, 1944

Dear Bill:

I thought I had better drop you a line and thank you for the paper—they're certainly appreciated very much. I'll be shipping out in a couple of days, so you better not send any more to Memphis. I'm going to an advanced gunnery school in Florida and I'll probably be there about a month.

Who was born in Essen, Germany. He went to the United States of America with his family in 1925. The 301st was the second Fortress group to operate against Europe from Britain, its first raid being September 5, 1942, when it bombed Rouen, France. It had seven more missions from England after which the outfit moved to North Africa soon after the invasion and took part in every major Fortress raid in the Mediterranean theatre.

Highlights in the groups' impressive record were participation in the who was born in Essen, Germany.

Highlights in the groups' impressive record were participation in Have you had any letters from first raid on Rome; leading the first near Marseilles, August 17, and sink-For a while I was in hopes of getting a leave in time to be home for the District Tournament, but that is completely out of the question that is completely would like to see ing the Italian cruiser "Trieste." On one of the fastest and most modern ships in the Italian navy. For this

without too much trouble.

I've been getting a little practice on the .50 calibre machine gun lately. They take us up in a PBM and we shoot at targets pulled behind other planes. It's rather difficult to get used to shooting twin .50's, but after you once get the "hang of it" it's not too bad As Mace would say: "Just like shooting ducks in a rain barrel."

Well, Bill, I have to be signing off for this time. Thanks again for the papers.

As ever

"Tup" Baker.

One of the fastest and most modern ships in the Italian navy. For this action the group was cited in special War Department communications.

In the famous battle of Kasserine Pass last February, the big bombers of the 301st were called at a critical moment to direct ground support of the hard-presse. American forces and were credited with knocking out 70 German tanks During the battle of the Salerno beaches last September the 301st flew six missions in support of the desperate and successful attempts of Allied troops to secure their beachhead against the German counter attack, which threatened to push them back into the \$2a\$. The push them back into the sea. The group has dropped 9.561 tons of bombs, destroyed 253 enemy aircraft graduate of Kendrick High school, in combat, probably destroyed 121 and now a private of the U. S. M. C. more and damaged 142. In addition, W. R., has been assigned to active hundreds of planes were destroyed duty beginning Manual Athan Chamiel

The first 115 missions were flown without loss of a single crew. Col. Ronald M. Walker of Spokane, Wn., Stockton, Calif.
Feb. 17, 1944
Dear Mac and Bill:

I haven't written for some time, so I'd bette: get on the ball. I've been receiving the Gazette O. K., and thanks a million — it's really swell. Makes me feel like going over the hill sometime.

Washington, D. C., is a previous commanding officer of the group and Staff Sgt. Foster D. Rappleye, East Twin Falls, Idaho, a radio gunner, who took up flying after going overseas, made 50 missions in 18 months.

Kenneth Breeks

Kenneth Brocke and Manning On-stott will leave for Spokane tomor-row (Friday) to take their physical examination for army service. Both of these men are pre-Pearl Harbor fathers, and so far as we know the first to be called from this section.

Harry Flaig arrived here from Portland Tuesday night in response to an induction notification, and will go from here to Spokane Friday to take his army physical examination. Harry is also a pre-Pearl Harbor

Bob Lind left Tuesday for Seattle, where he will take his physical examination for the navy Air Corps.

Amarillo, Texas Thursday to take his physical exami-Feb. 13, 1944 nation for army induction at Spo-kane.
