R S COMING

AND WITH IT YOUR **SEASON! ARE YOU READY?**

Right, now, with the man-power shortage growing more acute day by day, it behooves everyone to be ready for the rush of spring work that will inevitable come with warmer days and dryer ground. So begin preparing now for that rush. Check over all the necessary tools and equipment, and order what you need today — for it may take days or even weeks to get what you need.

And while you're checking, don't stop with your farm equipment — go right on down through clothing, shoes, household items and personalized services that you "had been thinking about", and take care of them at once. For, into the problems of manpower and material shortages, enters the big proble mof transportation — and on the present ration allotment of two gallons per week — all unnecessary travel must be eliminated.

Forseeing these problems, the merchants and business men of Kendrick have laid all possible plans to help. They have put in increased stocks such as the market offered — and you'll find them very complete.

Further, the Kendrick business men have endeavored to get all personal work out of the way — in preparation for yours — and you'll find them ready and willing to help you now - today.

In Fact, You Save Three Ways When You Trade In Kendrick
