 Fun, Mystery in the Dark!

Beautiful — Dramatic!

WHAT IS BLACK LIGHT?

Black Light is the phenomenon of fluorescence with the invisible Ultra Violet Rays. Special high intensity Ultra Violet projectors are used to permit a full stage performance. Startling and dramatic effects are obtained by the use of certain chemicals and Black Light. Local girls are presented in gorgeous fluorescent costumes, youngsters take part in funny gags and spooky stunts in the dark. There is fun with music, art and science, a thrill-packed evening for the whole family.

IDAHO

IT'S NO CIRCUS!

They may look like daring young men on the flying trapeze. But they're electric linemen, fifty feet in the air, with no net underneath.

It's tough enough up there on a sunny summer day. It's much worse on a wet black night—or when everything's slippery with sleet. But the job must be done. It's part of giving you good electric service.

Electric company folks know what to do in difficult spots because they've been doing it a long time. Men and women grow up in the electric light and power business—almost every job is specialized and technical.

The value of this practical experience—and of sound business management—has been dramatically proved by war. In spite of shortages of many essentials, THERE IS NO SHORTAGE OF ELECTRICITY—AND IT IS STILL SOLD AT LOW PRE-WAR PRICES!

PREPARED BY JOURNALISM CLASS OF KENDRICK HIGH SCHOOL

Editorial By Bob Bencotter "Book Week"

November 13th to 17th has been designated as National Book Week. It is the 20th anniversary of book week. The theme of this year's book week is: "The People, the Nation, the World." This means that through the medium of books all the peoples of the world, regardless of race or class, can be united. It is only plausible that books are one of the things that will ultimately lead to international freedom — democratic thinking.

The new books on display at the high school which are recommended to the students as promoting the ideals of this year's Book Week are: "Forward the Nation," Donald D. Peattie; "The Adventures of Mark Twain," Albert E. Paine; "Guadalcanal Diary," Richard Tregaskis; "Thirty Seconds Over Tokyo," Capt. Ten W. Lawson; "Tad Lincoln," T. Morris Longstreth; "My Friend Flicka," Mary O'Hara; "Here Is Your Wae," Ernie Pyle; "Bonin," Robert Standish.

First Basketball Game
Coach Ross Armitage has the first basketball game of this season scheduled for December 5th. The game will be played with Deary.

All-School Play Given
The play presented on November 14 was a great success. It was well attended and the proceeds amounted to \$70.80. Special vocal numbers were "Londonderry Air" and "Woman So Changeable" by Agnes Bakker; and two trumpet duets, "Parting Whispers" and "In The Starlight" by Bob Bencotter and Delos Miller.

The play cast presented a gift pin to Mrs. Brammer, following the presentation of the play, to show their appreciation of her time and efforts in making the play such a success.

"K" Klub Initiation
Friday the "K" Klub held its initiation for the members who earned their letters in football. They had to have one pant leg rolled above the knee, wear lipstick, a football helmet and shoulder pads under their shirt, and carry a rag doll. They were forced to bow to all K Klub members; if they failed they were very effectively swatted by the members. At the close of the day the school went to the gym, where they (with other K Klub members) were awarded letters for football.

Junior Brocke and Boyd Thornton had to push a peanut across the floor with their noses. The loser (Boyd) had to give a speech on: "What Football Has Done For Me." The rest of the new members were also forced to give speeches on the topic: "What We Expect To Have And Do Next Year In Football."

K Klub "Sadie Hawkins" Party
The K Klub are sponsoring their "Sadie Hawkins Day" party to be given at the school gym, between 7:00 and 10:00 o'clock Wednesday evening. It is, of course, to be a costume party, and unless the "proper" attire is worn there will be a 25c fine.

Records
The nine-week records show that the third and fourth grade room had the highest attendance, 99.3 per cent;

everyone, especially our children, would be broken-hearted if she were killed.

Mr. and Mrs. Ernest Cowger have moved to Pullman, where he has accepted employment for a year as a farm hand.

Mrs. Elberten Pearson and family returned to Spokane Sunday, after spending the past week with her parents, Mr. and Mrs. Roy Martin and family.

Harry Cowger left Monday for army induction.

Mrs. Fred Stage is visiting her daughter, in Seattle.

Lucille Perry spent the week-end with her parents in Clarkston.

Mr. and Mrs. Will Jennings are moving to Southwick, where they purchased the Jim Skinner house.

Stanley Martin, Mr. and Mrs. Dewey McAllister of Lewiston and Mr. McAllister's sister from Montana, spent the week-end at the Roy Martin home.

Mr. and Mrs. Carl Finke and family were Kendrick visitors Saturday night, as was the W. A. Cowger family.

C. A. Cuddy took a load of hogs to Moscow for R. S. Betts Monday.

ARROW HAPPENINGS
Bonnie Groseclose, Margery Wing and Mrs. Laird attended the Junior class play at Lapwai last Friday night.

Mr. and Mrs. Paul Baldwin and son of Orofino visited at the Emery Wilson home Saturday night.

Mrs. Rudolph Parker and daughter are leaving for Cleveland, Ohio, Nov. 14. They are going with Mr. Parker, who has been visiting here the past 10 days. He will be stationed at Cleveland for some time.

Mrs. Johnnie Wiley, Mrs. Howard Wunderlich, Margery Wing, Mrs. Beth Wing and Bonnie Groseclose were Lewiston visitors Saturday.

Mrs. Ed. Groseclose visited her sister, who is ill, Monday at Orofino. The George Groseclose family has

GOLDEN RULE
It was reported last week that hunters were seen shooting at our pet deer, near the Kuykendall home. The children there had just been playing with her and her fawn, then they crossed the road into a field. Luckily, the hunters were poor shots. It would be greatly appreciated if hunters in this region would stop and think before shooting at our pet, as

the second highest is the seventh and eighth grade room, with 98.5 per cent; the fifth and sixth showed 98.4 per cent and first and second 98.2 per cent in attendance.

In high school the Junior Class lead with 98 per cent attendance; the Freshmen have 97.3. The Senior class was lowest with 94.2 per cent.

The grade average in all is 98.8, and the high school 96.65. The average at first sight seems high, but when the average cost of each pupil absence per day is computed at 25c each, the total loss of apportionment money is high, and it is hoped the students will be able to eliminate a large number of absences this coming nine weeks.

Report cards will be distributed on Thursday, Nov. 16.

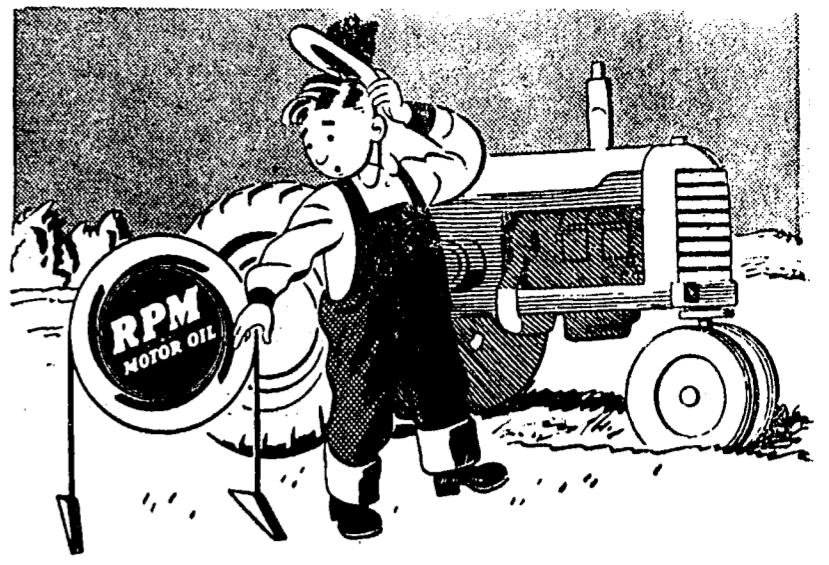

Red Cross News
Next Wednesday the Junior Red Cross membership drive will open in the Kendrick school. All school children can join for membership dues of about 10c. It will be remembered what a fine showing was made last year by the grade school and the Home Ec. Girls. The Kendrick school turned out more than half of the number of articles in the Latah County quota for the year. The grades will do work much the same as last year, making joke books, memo pads, story folders, etc., while the Home Ec. girls will do sewing.

"Sadie Hawkins Day"
On Monday, November 13, the 7th and 8th grades celebrated Sadie Hawkins Day in the gym. While awaiting the race, the children played different games. When the games were over the boys made an "illegal" dash for the door and had to be recalled to the gym. When they were all there, the race started. Some of the boys went out of the lawful territory of the school grounds, but the event proved successful anyway. When their time was up, the girls and their victims, with the unlucky, returned to the gym, to be "married" by "Marrying Sam" (Raymond Mattson). Refreshments were then served.

Armistice Day
On Nov. 10, the Band class presented an Armistice Day program at assembly. The seventh and eighth grades were invited guests. After playing several musical numbers, Rev. Damron gave a prayer. Mr. Markham then played "Taps" and the band completed the program by playing "The Star Spangled Banner."

Annals
The Annual staff has announced that their goal of 100 copies has been reached, and the final date for obtaining an Annual is Friday, Nov. 17. This Annual is being dedicated to those who have at one time attended the Kendrick High school, or are now in the Armed Services, who have been in the Service would undoubtedly be happy to receive a copy from relatives or friends as a gift, and the suggestion is made that there are still many families who have overlooked the idea of ordering extra books to send to them.

Unless the Annuals are ordered before Friday, it will not be possible to obtain one later.

How can a motor oil save gasoline?

Much gasoline loss is caused by gradual ring and cylinder wear. Gas mixtures then "blow-by," compression is reduced, performance gets rough. RPM Motor Oil slows this wear 'way down—sticks tight on hot or cold metal surfaces, insures cold motors against extra starting wear, protects critical hot spots on long runs. For more mileage, less wear—use Standard's RPM Motor Oil.

Numerous friends and relatives called Sunday to see Pfc. Wilber Heimgartner, who is spending his furlough in the home of his parents, Mr. and Mrs. Albert Heimgartner. At the expiration of his leave, he reports for duty at Fort

Lewis, Wash.
Mrs. Frances Wakefield, Nampa, Idaho, arrived last Saturday to visit her friend, Mrs. A. E. Deane and children. She homesteaded in Pine-Creek forty years ago, on the place which is now known as "the Reilly place." It is the first time in 25 years that she has visited in this neighborhood.

The play, "Damsels In Distress," presented at Lapwai, Nov. 10, was a success. It was well attended by residents of this community.

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

REMEMBER FOLKS:

This business institution, in line with all others in Kendrick will be closed on Thursday, Nov. 23 — Our National Thanksgiving Day.

There are mighty few holidays in the course of a year that we observe, for we feel that the war effort requires all to be on the job as much of the time as is practicable—so that better products may reach the markets.

Remember, Too —

That fresh, sweet cream makes better butter — and the fresher the egg the better. So please market accordingly. Take care of cream, milk and eggs to the best of your ability, and bring or send them to town as often as possible.

Remember, Too —

That co-operative selling will pay you more in the end. If you are not now selling through us, come in and talk it over.

In addition to the well-known, God-given senses of man: touch, taste, sight, smell and hearing should be added two more to insure success in this modern world: horse and common.

Naval Visitor: "So you are on a submarine. What do you do?"
Tired Gob: "When we want to dive, I run forward and hold her nose."

Host: "What kind of a chaser would you like?"
Lady Guest: "Tall, dark, handsome and wealthy."

Now — Not only is a new and infallible lie detector now available, but you don't have to marry it.

Barber: "Was your tie red when you came in?"
Customer: "No!"
Barber: "Gosh."

MORE ABOUT ARMED FORCES

Mexico, but while we are here would like to visit that country.
Thanks a lot for the paper. Must close now.

Matt.

P. S.: From Texas, land of dust, fleas, cactus, sand burrs, desert waste — To Idaho, land of beautiful mountains, of swiftly running streams, of rich soil, abundant game, beautiful lakes, tall pines, cool breezes. — Bye now. I'll try to stick it out just so long as I get the Gazette. — Matt.

Note: Matt: Cool breezes are right. This morning (Tuesday) the old thermometer showed 22 degrees — and "bingo," the tomatoes, which could be picked fresh and ripe from the vines until Monday night — are just memories. The leaves from the big locust trees along Main street are now coming down like snowflakes. But boy, it's been a beautiful fall.

Cpl. Byron Needham, son of W. E. Needham, Kendrick, has returned to his post to report again for duty, following a 30-day day furlough spent here with his father. Cpl. Needham is a veteran of 30 months in the Pacific theatre of war, and wears the service bars and stars of six major battles.

John C. Thomas MM 2-c, son of Mr. and Mrs. John Thomas, Little Bear ridge, arrived home Wednesday evening of last week to spend a two-week leave at his home. This is his first visit here in more than 16 months, he having been on duty in the Pacific during that time.

S-Sgt. and Mrs. Emil F. Silflow arrived in Kendrick Saturday evening from Brownwood, Texas, to spend a five-day furlough with his parents, Mr. and Mrs. Fred Silflow, and other relatives.

Emil stated that they encountered terrible traveling conditions almost from beginning to end of their trip, both being forced to stand all of one night, and to cap that off, trains were as much as seven hours late.

Of his 12-day furlough, seven must be spent in traveling. They spent one day in Boise at the home of his wife's parents — so he had four days left.

Emil is in the armored infantry — but regardless of what branch of the service to which the boys are attached, all are unanimous in their hearty dislike for Texas.

FAIRVIEW ITEMS

Mr. and Mrs. Claud Clark and family from Fix ridge; Mrs. Bruce Sherman and baby of Juliaetta were Sunday dinner guests at the Fred Glenn home, the occasion being the birthday anniversaries of Mrs. Clark and Fred Glenn.

Mr. and Mrs. Wilbur Corkill and family were Sunday dinner guests at the Gordon Peters home.

Mr. and Mrs. J. M. Woodward and son, Lieut. Clifford Woodward, AAF, were Sunday dinner guests at the Glen Brazier home near Genesee.

Miss Mildred Corkill of Troy visited Tuesday and Wednesday at the home of her brother, Wilbur Corkill.

Mr. and Mrs. Paul Dagefoerde, Paul Jr., Gertrude Ann and Mrs. J. M. Woodward were Lewiston visitors Wednesday.

LINDEN ITEMS

Rev. George F. Calvert was a dinner guest Sunday in the home of Mr. and Mrs. Cleve Hardesty.

Mr. and Mrs. Arthur Foster and children attended a family dinner in Kendrick Sunday in honor of S-1-c Joe Langdon, who is home on leave, after many months in European waters.

There were 87 registered voters in this precinct — and 82 votes cast at the election last week.

Mr. and Mrs. Addison Alexander were Lewiston visitors last Monday. Mrs. Alexander had the misfortune to turn her ankle and fall, bruising her face.

Mrs. Clem Israel went to Woodland, Wash., last Wednesday to bring her daughter, Mrs. James Cuddy and children, here, where they will visit in the Israel and Ray Cuddy homes.

Mr. and Mrs. Bob Fry came up from Kendrick Monday to visit his grandmother, Mrs. Louisa Fry.

George and Miss Eva Smith and Mrs. E. L. Mitchell spent Sunday with their brother, Ben I. Smith and family, at Bovill.

S-1-c Joe Langdon, who has been overseas for many months, came up from Kendrick Monday to visit his cousin, Arley Allen.

Mrs. E. L. Mitchell called on a number of old neighbors last week. Mrs. Annie Weaver, Clarence and Dama, were Lewiston visitors Tuesday.

Mr. and Mrs. Addison Alexander and Mr. and Mrs. Clem Israel spent Tuesday evening at the Smith home.

Jesse Michael, our neighborhood's oldest resident, observed his 89th birthday, Nov. 16. Neighbors remembered him by sending in gifts of food.

George Smith took his sister, Mrs. E. L. Mitchell, to her home in Polson, Montana, Wednesday. Clem Israel accompanied them on the trip.

Grange Meeting

Instead of the regular open house for the second meeting of the month, the Kendrick Grange will hold a business meeting Nov. 21.

Election of officers will be in order and there are also a number of applications of membership to be voted upon. All members are urgently requested to be present.

John Demond, State Deputy of the Idaho Grange, will be in attendance and will have an important announcement to make — and will show pictures.

"Birling" is rolling a floating log underfoot without falling off — which may surprise some Brooklyn people, who always order their eggs cooked that way.

"Windfall" Explained

New York City lost about 25,000 over-mature trees in the September hurricane. City dwellers, short of fuel, learned for the first time how the word "windfall" got its meaning.

"I saved 25 1/2 Quarts of oil in 325 hours . . . with a FRAM."

Says Darryl C. Grover
Riceville, Iowa

Mr. Grover also says: "Until now I have changed the oil every 60 hours."

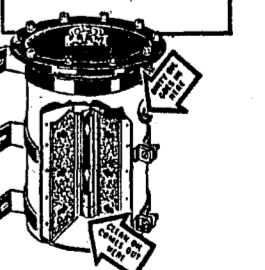

SAVED 45 GALLONS THE FIRST YEAR
Fred North of Blackwell, Okla., saved 45 gallons of oil the first year after installing a FRAM.

SAVED ITS COST IN 40 DAYS
A Caterpillar Diesel 75, formerly changed oil every 35 hours. Now, with FRAM, they change oil every 20 days.

SAVED 7 OIL CHANGES IN 400 HOURS
C. D. Goyen of Pratt, Kansas, used to change oil every 50 to 60 hours. Now, with FRAM, he changes oil 400 hours.

EASY TO INSTALL
New specially designed brackets, Fullex oil-lines, make installations simple as A-B-C.

GUARANTEE
Install a FRAM. If within 90 days you feel you can afford to be without it, bring it back and your money will be cheerfully refunded.

Successful farmers are saving money on oil . . . saving the time commonly wasted changing oil . . . and protecting their motors by installing FRAMS on their tractors.

There is no doubt that clean oil will last longer than dirty oil, nor that motors lubricated constantly with clean oil will cost less in repairs. The FRAM Oil and Motor Cleaner keeps both oil and motor clean and free of dust, dirt, abrasives, sludge and harmful acids. That is why successful farmers are equipping their tractors with FRAMS — saving money — saving their motors — saving time. Why don't you investigate?
