Pvt. Harry Newman arrived home last Saturday to spend a 14-day furlough with his parents, Mr. and Mrs. Fred Newman, Cameron. Harry has been stationed at Camp Hood, Texas, and reports early in December to Camp Meade. Marvland.

Harry called at the Gazette office Monday afternoon to thank all concerned for the paper, and to examine the Jap souveniers on display there. "Show Business" Coming This week's offering at the local theatre will be entitled: "Show Business," and has as its stars Eddie Cantor. George Murphy, Joan Davis, Nancy Kelly and Constance Moore. It's a tune-packed romance from start to finish, and one of the pictures selected by the War Department to be shown to troops in the combat areas, in hospitals and rest camps - so we're of the opinion it's a genuine "top-flight" show, and one

that everyone should enjoy. In addition, the usual shorts and cartoon will be shown.

Mr. Grover also says: 'Until now I have changed the oil every 60 hours."

Successful farmers are saving money on oil ... saving the time commonly wasted changing oil . . . and protecting their motors by installing FRAMS on their tractors.

There is no doubt that clean oil will last longer than dirty oil, nor that motors lubricated constantly with clean oil will cost less in repairs. The FRAM Oil and Motor Cleaner keeps both oil and motor clean and free of dust, dirt, abrasives, sludge and harmful acids. That is why successful farmers are equipping their tractors with **FRAMS** — saving money - saving their motors - saving time. Why don't you investigate?
