

They're giving their all... back them up with YOUR dollars!

AS THE battle lines approach the heart of the enemy's homeland, the fighting grows fiercer... and more costly in men, materiel, and money. That's one reason why every red-blooded American must back this mighty 7th War Loan with every dollar he can lay hands on. Another reason is that this is really two drives in one. In the same period last year, you were asked

to invest in two war loans, as against one this time.

No need to tell you that War Bonds are the safest and best investment in the world. So pour out your might, Americans, in the MIGHTY 7th War Loan. Let's show our valiant Fighting Men that we're backing them to the limit of our means... 100%.

BUY NOW! BUY MORE! MORE! MORE!

PERSONAL MENTION

Mrs. Estella Leith and her house guest, Mrs. Leona Mermod, spent Monday and Tuesday in Orofino visiting Mrs. Ig. Flaig and children.

Mr. and Mrs. Wm. Bartlett of Gifford visited here in the Blewett home Tuesday.

Mrs. Wm. Watts and sons Ted and Georgie of Bellingham, Wash., arrived last Thursday to spend the week visiting her uncle and family, Mr. and Mrs. Wm. Watts.

Mr. and Mrs. Joe Watts and daughter Janie of Moscow came Saturday to visit home folks. Joe returned to Moscow Sunday while Mrs. Watts remained for a longer visit.

Mr. and Mrs. Byard Davidson were Sunday callers in the W. A. Watts home.

Mrs. J. M. Strobe of Pocatello, Idaho, arrived Sunday to spend some time here with her sister, Mrs. Russell Smith.

Jean Crocker, who is employed at Palouse, spent Sunday at her home here.

Barbara Long, P.T., who has been home on furlough the past ten days, leaves Friday for Modesto, Calif., where she will resume her duties.

Mr. and Mrs. Edgar Long and Barbara were Sunday visitors in the home of Mr. and Mrs. Clinton Herman, Genesee.

Mr. and Mrs. Boyd Cook were Sunday visitors in the Paul Lind home.

Miss Joyce Lyons is spending the week-end here with the Paul Lind family.

Mrs. Leon Lind and son Johnny left Wednesday for Crescent City, Calif., where she will visit her parents, Mr. and Mrs. O. E. Halloway.

Mr. and Mrs. C. S. Westendahl returned Tuesday from Moscow, having spent a week there.

Mrs. Jack Johnston, Spokane, arrived Sunday to spend a week here with her parents, Mr. and Mrs. L. J. Herres.

John Galloway left for Spokane Tuesday on business.

Mr. and Mrs. Orville Storer of Craigmont came Sunday to spend Mother's Day with her parents, Mr. and Mrs. J. B. Davis.

Mrs. Leona Mermod of Seattle arrived here Tuesday of last week for a visit with her aunt, Mrs. Estella Leith. Last Friday Mrs. Ig. Flaig came over from Orofino and took Mrs. Leith and Mrs. Mermod to Moscow, to witness the Mother's Day ceremonies at the U. of I.

Mrs. Rose Farrington, Clarkston, spent Wednesday here visiting with friends. She remained that evening to see the school play.

Birthday Party

Mrs. Robert Clemenhagen entertained a group of little folks last Wednesday honoring her daughter Lorraine's eighth birthday anniversary. Games were played and birthday cake, jello and ice cream served. Those present were Janice Christensen, Ann Kamikkeberg, Rosie Wilson, Ann White, Dawn Marie Nelson, Gloria, Martha-Rae and Denny Porter, LeRoy Gladden, Albert Clemenhagen, Shella Westendahl. Adults present were Miss Dorothy Holt, Mrs. Fred Gladden and Mrs. George Porter.

Play Much Enjoyed

The all-school play, "Anne of Green Gables" made its first appearance Wednesday evening, and was greatly enjoyed by a good-sized crowd, despite the inclement weather and muddy dirt roads.

We predict an even bigger crowd tonight (Thursday), when word gets around on how much it was enjoyed.

Carefully staged and produced, many hours of faithful work and practice by the students and Mrs. Brammer, their director, were evidenced.

Planing Mill In Operation

The Kendrick Bean Growers planing mill is now in part-time operation, the lumber being obtained from the Shepherd sawmill near the west part of town.

It has been almost impossible to obtain any lumber for repair work for several weeks — and it will seem good to be able to get a board or two now and then. Government controls and weather have both been against local operations until the present time.

Four Join Local Grange

Four candidates were admitted to membership in the local Grange Tuesday evening. They were: Mrs. Frances Trout, Irma Langdon, Fred Zimmerman and Henry Jones.

The meeting was followed by cards and a midnight lunch served in the banquet room.

No Trail Work Done

Too much moisture prevented any community work on the school house hill trail, scheduled for Tuesday evening. No other date will be set immediately, as the following week's calendar is quite full of school and other activities.

Purchases Blewett Home

A deal was closed Tuesday whereby J. G. Travis became the owner of the R. L. Blewett home near the Bear Creek bridge in the east part of town. The consideration was not made public.

More Aid Extended

The Gazette acknowledges with sincere thanks the receipt of \$3.00 from Mr. and Mrs. Clem Israel of Southwick, to assist in sending the Gazette to local men and women in the Armed Forces.

New Arrivals

Twin daughters were born to Mr. and Mrs. Lloyd Thornton on Mothers' Day, May 13, at the home of Mrs. Davidson.

One weighed 5 pounds 12 ounces, the other 6 pounds and 11 ounces.

Technicolor Production Coming

This week's offering at the local theatre will be a technicolor production starring Betty Grable, and entitled "Pin Up Girl." Assisting here are John Harvey, Martha Raye, Joe E. Brown, Eugene Palette and Charlie Spivak and his orchestra. The picture is said to be one of the top-notch musical comedies recently released.

A cartoon and news will round out the evening's entertainment.

Really Wrap That Package
Seattle, Wash. — If you want to be sure your letters and packages are getting through to your son, husband, or friends out there with the navy in the Pacific, take some tips from the Navy post office.

Do be sure you have the correct address. If you fish around in your memory for that numerical designation and write 182 instead of looking it up and getting the correct number, 128, your letter will be delayed about 90 days.

Don't use nicknames. Send your letter to William Gaylord Jones, CM 3-c, USNR, 847-32-15" even though to you he is "Bill."

Do wrap packages carefully. Use stout boxes, the heaviest of wrapping paper, plenty of strong cord, and, when necessary, metal packing cases. Don't send perishable foods. Pack each article in shredded paper to prevent its movement inside the package.

Don't use paper stickers on packages. They fall off when they get wet, or even the humid heat of a hold will cause them to drop off. Write addresses with ink on both sides of the package.

Do write often. The naval postal service wants you to help out by being accurate and cooperative, but they want you to write your navy man frequently. It is true that mail is one of the war's greatest moral factors. You are the only one that can write the letters. Address them properly and the navy will see that they get there.

Soldiers must eat, be clothed and supplied. It costs money. Buy at least an extra \$100 Bond during the Seventh War Loan Drive.

On G. I. Bill Committee
Henry C. Hansen, well-known citizen of Moscow and veteran of World War I, has been named a member of the Latah County Veterans' Farm Loan Certifying committee, announced George R. Ames, County Farm Security Supervisor and secretary of the committee. Authorization for appointment of a business man, preferably a veteran, was made to supplement the present committee of leading farmers.

Hansen has been a professor at the U. of I. in the Dairy Husbandry department for the past 20 years and is well known in the county. He has also been active in veterans' affairs and prominently identified with the Legion and civic affairs. Present farmer members of the loan certifying committee include Gerald Ingie, Kendrick; Roy Emerson of Genesee and Merton Fierce of Deary.

All applications for government-guaranteed farm and farm equipment loans as provided under the G. I. Bill of Rights, will be reviewed by the committee and certified as to experience and ability of the applicant, whether the price of the farm equipment or livestock to be purchased is reasonable, and if the purpose of the loan meets all requirements.

The wearer of this ribbon has been decorated by the War department for "meritorious achievement in connection with military operations against the enemy."

HEY! WHAT'S THIS?

THIS, SIR, IS A NEW EXPERIENCE IN EATING... a wholesome, life-sustaining meal in a compact, cardboard box. Here's how to eat it, in the conventional way...

First, slip into some dirty, mud-caked clothes. Grow an itchy three-day beard. Get your feet soaking wet, until they're sore and swollen and occasionally numb.

To sharpen up your appetite, hack your way through a few miles of tangled briars and steamy, bug-ridden jungle. Carry a sack of potatoes on your back, just for realism. And now, supper.

First, that good, hard, brittle biscuit—rich in body fuel, but not exactly a chef's supreme creation. Wash it down with a gulp of bouillon made with stale, lukewarm canteen water. Now for that tin of luncheon meat. (Too bad it can't be studded with cloves or garnished with parsley, or dressed with condiments, isn't it?)

Dessert? Sure—a hunk of rock-hard (but super-nourishing) chocolate. Now a stick of chewing

gum, and a cigarette, and your meal is done. *No tipping, please.*

At this moment, some man you know is probably eating this meal of K-Ration. You, at home, are not asked to share the rigors and perils of battle with him. But you can give him support—by investing in extra War Bonds during the Seventh War Loan Drive, now in progress.

With only two drives instead of three scheduled for this year, every one of us must increase our pledges. More ships are needed, to move our armies into battle. More planes, more guns, more rockets.

And—as we show our gratitude to the men and women in uniform by buying War Bonds, we also help to hasten the day when they can sit down, as you will tonight, to a pleasant meal, in peace.

Shoe Situation Serious
Owing to increased military requirements in footwear, the amount of estimated civilian upper leather for footwear will be sharply curtailed during the second quarter of this year. The impact of the shortage will fall particularly on men's shoes and juvenile types, WPB said. It is hoped, however, that the supply during the last half of the year will show a marked increase over the first half of the year.

An intensified program for the conservation of shoe leather and for sole leather treatment to provide longer wear was announced by WPB in view of the continuing shortage of leather for civilian shoes. The sole leather treatment program, which has received wide support from the shoe manufacturers, will be extended to retailers and consumers; in order to assure their understanding and cooperation. Shoe retailers and salesmen, as well as the public, will be informed of the extra value of shoes with soles treated with oil, wax, or equivalent material. Tests have shown that such treatment prolongs the life of shoe soles substantially.

More than 10 million acres of forest land burned in Florida last year.

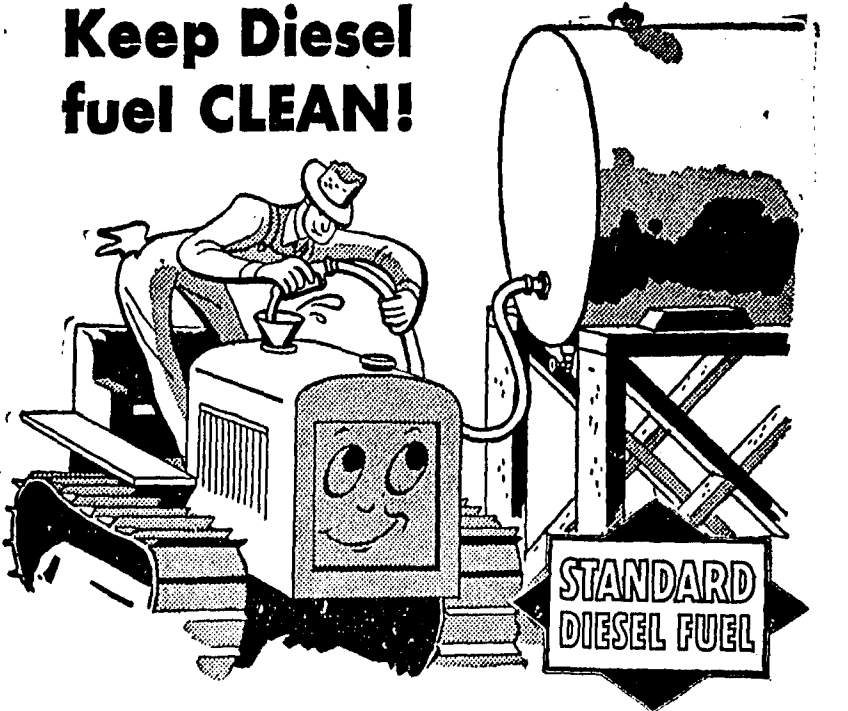

Beware Of Battery "Dope"
Reports of a widespread racket in storage battery "accelerants" have caused alarm among War Production Board officials interested in the conservation of automobile batteries now in use, WPB said. The accounts indicate that battery "dopers" are doing a flourishing business in some localities and that the fraud may spread throughout the country.

So-called "dopes" or "pepping up" compounds, according to an official of the American Association of Battery manufacturers, usually consist of epsom salts, sand, flour or some other white powder, which when added to battery electrolyte, are definitely injurious and shorten battery life.

Regardless of claims to the contrary, officials state, no satisfactory substitute has been found for electrolyte or proper mixture of distilled water and sulphuric acid.

Lead is one of our scare war materials, and a storage battery contains many pounds of it. Take care of that battery.

Churchill's old cigar boxes, made into doll houses, are sold for charity. At the rate he seems to consume stogies, every doll in England should soon have a new home.

Every drop of fuel your Diesel burns must go through injector-nozzle holes no larger than a human hair. Even tiny dust specks may jam those holes! To help make present injectors last, keep your Standard Diesel Fuel clean. Store supply tanks under cover. Make sure all bungs, fill caps, etc., are tight. Use filters when filling tractor or equipment tanks. You'll find 100% clean Standard Diesel Fuel uniformly dependable.

Fish and Game Licenses
Fish and game licenses for 1945 have been distributed to vendors throughout the state by the fish and game department, and should now be available to the public. The 1944 licenses expired April 1.

Cost of the licenses is the same as it was last year. Citizens of the United States, who have resided in Idaho six months, may obtain a license for \$2.00. Citizens of the United States, who are non-residents can obtain a non-resident fishing license for \$5.00, a 10-day license for \$2.00; or a fish and game license for \$50. Aliens may obtain a fishing license for \$10, or a fish and game license for \$75. The 1945 legislature added an alien bird license at \$15, but that will not appear until next fall when upland birds are in season. Pamphlets giving seasons and regulations on fishing have been printed and will be distributed free with each license.

Trout season begins generally throughout Idaho, May 21. Bass are now in season and will be until April 30, when there is a closed season of two months.

All persons must have a license to fish or hunt, except that resident children under 14, and resident blind persons may fish without a license, and resident veterans of the Civil and Spanish American wars and residents over 70 may fish and hunt without license. Children under 12 are not permitted to have firearms in the field. Persons over 12 must have licenses to carry uncased shotguns or rifles on property not their own.

Members of the armed forces stationed and lodged in Idaho may obtain resident licenses. Idaho soldiers and sailors at home on furlough may obtain free permits from conservation officers to hunt or fish during the time of the furlough.

THE OLD JUDGE SAYS...

GEORGE: "Yes, I certainly would like to hear why you call that an old fashioned idea, Judge."

OLD JUDGE: "Glad to tell you, George. Until recently, a person known as an alcoholic was generally treated as a social outcast. Little if anything was done to understand him or help him. But, during the past few years, medical research and study has developed that alcoholics are really sick people... that there is usually a deep-rooted physical, social or emotional reason behind their behavior. That's why today so

much is being done to help them by finding out and correcting the condition that leads them to excess."

GEORGE: "How many folks are there like that, Judge?"

OLD JUDGE: "Well, according to scientific research, 95% of the people who drink, drink sensibly. 5% do so unwisely, at times. Included in that 5% is the small percentage of the sick people I'm talking about."

GEORGE: "That certainly gives me a clearer picture. It's the most sensible approach I've ever heard on the subject."

REMEMBER FOLKS:

We are fast approaching the time of year when it becomes necessary to take extra good care of your cream and eggs. Both cream and eggs should be kept in a cool place at all times — preferably at a temperature below 50 degrees.

Be sure that you market clean eggs. According to government standards dirty eggs are subject to a discount of 5c per dozen — so please do your best to bring in clean, fresh eggs.

Sweet cream makes the best butter. Good butter can not be made from poor cream. Our aim is to steadily improve our product, which can only be done through your cooperation. Please keep cream in a cool, clean place and bring it in often.

MORE ABOUT ARMED FORCES

that we had a swell time. Frank Sinatra was the host for that night. He sang a few songs and acted like a regular joe. Danny Thomas of the Fanny Brice show did a monologue that was the best part of the show, I thought. Diana Lynne played a piano solo that was good. It was a good show all the way around. Alan Hale was running around out in the lobby and raising heck in general, so we felt like we were hobnobbing with the "elite."

I must quit for now. * * * I hope you have heard from Ray recently. This V-E day is a wonderful thing. I don't know how the civilian population took it. The reaction in S. A. was very quiet, though.

Love — Don

Mr. and Mrs. E. A. Deobald have received a letter from their son, Charles, written in Germany, in which he mentions going into one of the big German concentration camps. However, he did not tell which one, or go into any details regarding it. Since he is in the medical corps, it is probable that his visit was official and they are awaiting further details.

Word has been received here that Irvin Woodward, son of J. M. Woodward, Kendrick, who was stationed at a field near Alpine, Texas, has successfully completed his first stage of pre-flight training, and is now ready to move to a more advanced camp.

Notice to Parents and Relatives. Now that the war is over in Europe, there will be, by official statements, an immediate movement of many troops. This will necessitate many address changes for the local boys if they are to receive their papers — so we ask that you advise us immediately on receipt of their new address.

Censorship regulations say that overseas address must not be phoned, so please send them in by postcard or letter.

Mrs. C. K. Sackett Passes
Mrs. Estella Leith received word last week of the death of an old friend and an old-time resident of this section, Mrs. C. K. Sackett.

Mrs. Sackett passed away at her home in Spokane, Saturday, May 5, and funeral services were held the following Tuesday.

STONY POINT VICINITY

TEAKEAN GOSSIP

We are still having plenty of showers, but not enough to interfere too much with farming operations, as there is quite a bit of sunshine between showers.

Mr. and Mrs. Ed Choate, Sr., of Lewiston, were week-end visitors here, visiting their children, Gordon Choate and family and Mrs. Ruby Ogden and family.

The children of Mr. and Mrs. Ray Lugee, who have been ill, are feeling much better at present.

The Ladies Aid is still keeping busy quilting, but only work Wednesday afternoon now, instead of all day.

Grover Groseclose left more than a week ago to go to Kendrick to have a Dr. take care of a badly infected thumb. He was expected back in a couple of days to do some farm work, but has not been heard of since.

Rev. Freeland Whybark and family came up from Lenore Sunday afternoon to hold special services for Mother's Day and a prayer and Thanksgiving service.

Mr. and Mrs. William Groseclose papered the walls of their living room Monday. Rain made outside work impossible.

Mick Ogden is doing the farming on the Merton Preussler farm this week.

Avery Miller is doing the farming on his son Don's place, while Don is away.

News is scarce — or at least this correspondent is not able to collect much of it.

Now Ready For Flowers

The Honor Roll flower box is now ready to receive flowers and plants, and since many have expressed a wish to give to this decoration, it should not be long in filling up.

All flowers or plants, however, must be in pots, so that they can be removed at the end of their blooming period.

To assure return to the proper owner, the pots should be painted some distinctive color or a piece of adhesive tape stuck to them with the owner's name.

Dr. Christensen will receive and care for these flowers.

The Elements Help Out
In hot, humid New Guinea, where refrigeration is at a premium, American ingenuity has made possible the pleasure of ice cream. A container of mix is stowed away in a plane as it leaves on its mission, and when it lands the mix has been transformed into ice cream. The below zero temperature of the higher altitudes is accountable.

\$10,000,000 Campaign
Supporters of President Roosevelt and Governor Dewey spent more than \$10,000,000 on the 1944 presidential campaign, according to reports filed by the Republican and Democratic parties with the clerk of the House of Representatives. Both parties reported cash balances in the bank for the first time in many years.
