NEWS FROM LOCAL MEN IN THE ARMED FORCES

Cpl. Johnny Keeler, son of Mr. and Mrs. Chas. Keeler, arrived home Monday at noon to spend a 45-day furlough at his home. Johnny, a B-29 ground-crew sheet metal specialist, has been stationed at Tucson, Ariz., and his outfit was originally slated to sail for Japan on the 24th of this month — but due to the fact that they had so many four-year service men in it, these orders were cancelled and the outfit broken-up for redistribution. And, too, they had so many ground-crew personnel that they didn't have a place to put them.
Johnny, who is a four-year man himself (four years on December 12) expects that upon his return to base he will receive his honorable discharge papers.
He says he wouldn't mind going overseas for a few months, just for the novelty of the thing — but he would be forced to sign up for two years — and having served four already, isn't going, and will again become a civilian as soon as possible.

Lt. Roy E. Long, son of Mr. and Mrs. Edgar Long, arrived home on Monday at noon of this week. We haven't had a chance to talk to him as yet — but know that he is a veteran of almost four years of overseas service — including New Guinea, Australia, the Philippines, and Japan.

Ervin Draper SK 2/c now stationed at Farragut, Idaho, was home on leave over the week-end.

Santa Ana, Calif. (Official Dispatch) — S/Sgt. Arnold J. Halseth, son of Mr. and Mrs. Ed. Halseth, RFD No. 2, Kendrick, Idaho, has been honorably discharged from the separation base maintained here by the Army Air Forces.

Sgt. Halseth is a veteran of 35 months of service in the Army Air Forces. He served in Africa, Sicily, England and France as a glider mechanic with the 9th Air Force.
In addition to his other awards the A. A. F. has awarded him the Presidential Unit Citation with Cluster.

Brig. Gen. Arthur E. Easterbrook, commanding general of the SAAAB, declared: "The fact that a man has served honorably with the A. A. F. marks him, in my estimation, as among the cream of the crop. We think many of tomorrow's leaders will spring from the outstanding young men who have made up the victorious A. A. F."
Before entering the service S/Sgt. Halseth was engaged in farming.

SK 2/c Bob Lind, son of Mr. and Mrs. Paul Lind, arrived home Wednesday evening of last week to spend a 20-day leave at his home here. We haven't seen or talked to Bob as yet — so can't tell anything about his activities.

T-Sgt. Clarence Heimgartner of Juliatta returned about two weeks ago from 37 months of service with the A. A. F., service which included Italy, Corsica and North Africa.
Sgt. Heimgartner was a gunner on an A-20 light attack bomber — a branch of the service considered especially hazardous.
He was honorably discharged on points at the Army Air Base at San Bernardino, Calif.
Sgt. Heimgartner wishes to extend his thanks to all concerned for the Gazette — which he received fairly regularly despite his out-of-the-way base.

Through his parents, Mr. and Mrs. Chas. Nelson, Juliatta, comes a word of thanks for the Gazette from Cpl. Clayton Nelson, who is now stationed in Bauau, Germany, in the army of occupation.
He says that he is receiving the Gazette very regularly, and that it now reaches him almost as fast as a letter, sent first-class mail.

In a brief letter to his parents, Mr. and Mrs. John Thomas, Little Bear ridge, John C. Thomas MM 2/c writes from the New London, Conn., sub base: "I will not get out on a boat, as parents will not allow me to go. I have seen many places I like better than here. It is very cold now, much colder than Idaho. I know what I am missing by not being at home now. I would surely like to be there to go on a big game hunt with all the rest of the boys. Tell them to leave one in the woods for me. I don't know when that will be, but I hope it don't take a year to finish the shop work here."

Miss Helen Halseth, WAVE, returned to Terminal Island, Calif., on Saturday evening, having spent a leave with her parents, Mr. and Mrs. Ed. Halseth.

Pvt. Wally Newman has written to his parents, Mr. and Mrs. Fred Newman, that he is now stationed at Camp Roberts, Calif.

San Diego, Calif. Oct. 13, 1945

Dear Mac and Bill:
Sorry I haven't written in the past few months, and even though I haven't, believe me I still enjoy reading the paper very much.
I have very good duty here in San Diego, and in a very short time I will have the kind of duty I've been waiting for for almost four years — a discharge. You needn't send me the paper any more, for I most likely won't be here but a very short time. Makes me mighty happy to know I will be back with the ones I love in a short time.

SALES DAY PROVES SATISFACTORY TO EVERYONE

Kendrick's Annual Sales Day proved a very satisfactory one for all concerned, the sum of \$489.75 worth of surplus farm goods being disposed of under the hammer of Roy Glenn, auctioneer, and Ira Foster, clerk.
It had been planned to auction off the exhibits of flowers, produce, etc., on display, but due to an error, this matter was overlooked and the exhibits later disposed of at going market prices. Those having vases or other containers they wish returned, may obtain them at White's Confectionery.
Award winners are as follows:
Perennial flowers — and variety, Mrs. Harve Fairfield, first; Mrs. Chas. Schultz, second.
Asters — Mrs. Cecil Chamberlain, first; Mrs. A. Onstott, second.
Roses — Mrs. Floyd Millard, first; Mrs. Mary Ottosen, second.
Best bouquet fall flowers (any variety) Mrs. Ed. Galloway, first; Mrs. Cecil Gruell, second.
Largest dozen eggs (all one color) — Mrs. Walter Silflow, first; Mrs. James Whalen, second.
Largest pumpkin — Chas. Schultz, first.
Largest squash — Mrs. James Whalen, first; Eugene Brocke, second.
Largest cow pumpkin — Dorothy and Bernadine Glenn, first.
Best pint jar of white beans — Mrs. O. C. Perry, first.
Best pint jar red beans — Mrs. Cecil Chamberlain, first.
Largest Potato (any variety) — Eddie D. Galloway, first; C. J. Schultz, second.

The football game was very well attended, and local fans saw a splendid game — the Kendrick Tigers and Lapwai Wildcats battling to a 6-6 tie. The picture show likewise enjoyed good attendance, mostly from the "oldsters."
It seemed almost like old-home week, as knots of friends and neighbors stood about in the warm sunshine exchanging crop and general farm news.

The dance that evening in the gym. was very well attended, the music furnished by Hurlbert's Orchestra from Genesee proving very satisfactory.

E. M. White, chairman of the Merchants committee, in charge of the days activities, extends his personal and well as the club's thanks to all who helped make it a success.

Mrs. Mary Orvik Passes

Mrs. Mary Orvik of Upper Bear ridge, near Deary, passed away last Thursday at the Gritman hospital in Moscow, following an operation. Her husband, Peter Orvik, died several years ago.
She is survived by two sons, Arnold, at home and Ernest in the U. S. army; two sisters, Mrs. Emma Anderson and Mrs. Clara Lengberg, both of Spokane; two brothers, Gustaf and William Nelson, both of Deary.
Mrs. Orvik was born in Michigan in 1887, and was a lifetime resident of the Deary community. She was a faithful member of the Deary Lutheran church.
Funeral services were held in the Deary Lutheran church, Sunday at 2:00 p. m., with the Rev. Lowell Swann of Clarkston officiating. Miss Betty Halseth sang, "What a Friend We Have in Jesus," "Good Night, Good Morning" and "No Night There," accompanied by Mrs. Oscar Slind at the organ.
Pall bearers were Joseph Clemenhagen, Olaf Burnvik, Hartvik Lee, Titus Asplund, Lloyd Shreffler and George Eachker. Burial was in the Zion cemetery, near Deary.

Narrow Escape From Death

Ray Jones, son of Mr. and Mrs. A. W. Jones of Juliatta, and Leita Long, daughter of Mrs. Rose Long, also of Juliatta, had a narrow escape from serious injury or possible death Saturday night about midnight, when the Chevrolet coupe driven by Ray crashed into the rear end of one of Craig Brothers big logging trucks, parked in front of the Claude Craig home on Main street.
The corner of the truck rack dug into the right side of the car just about midway of the hood, tearing it off, crumpling the shatter-proof windshield and in general badly damaging the car in every way.
The rear of the truck rack looked like "the rats might have been chewing on it" and the force of the impact broke the left windshield of the truck and dented the cab, where the rack was pushed forward.
Miss Long suffered several minor cuts about the face, while Ray escaped with a severe shaking up and plenty of bruises.

Supper And Sing Postponed

The G. S. C. S. have postponed the community sing and pot-luck supper originally scheduled for this week until Thursday evening, Oct. 25. Rev. Hammond will be here from Lewiston on that date, bringing motion pictures to add to the enjoyment.

Rebuilding Brick Wall

Bean Harvest Almost Over

With the exception of a few scattered fields here and there, bean harvesting operations on the ridges about Kendrick is almost completed — the fine weather of the past three weeks having put many thousands of dollars into the farmers' pockets.
Some discoloring of the later threshed beans is reported, but on the whole the quality is said to be very satisfactory.
No estimate of the number of sacks or tons is obtainable at this time, but it is generally believed to have exceeded that of last year.
Many farmers are now engaged in fall plowing and seeding, and some fields are already up to a good stand.

SWIMMING POOL FUND IS MAKING STEADY GROWTH

The Living War Memorial Swimming Pool Fund is showing a steady growth these days — a growth which A. O. Kanikkeberg, drive chairman, terms "quite satisfactory," and which, if maintained, will do away with the necessity of personal calls. The list of donors this week shows the following:
Phil Johns \$10.00
Chas. Easterbrook 5.00
Albert Heimgartner 25.00
Eldon Heimgartner 10.00
Wm. Hecht 5.00
Frank W. Roberts 5.00
Mrs. Harry Langdon 10.00
Fred H. Magee (Genesee) 15.00
Mrs. Eva Perryman 10.00
Sales Day dance (net) 60.45
Total \$155.45
We do not have any information as to the exact number of tickets sold, but net proceeds, after payment of all expenses at the dance amounted to \$60.45, as shown above. The floor was excellent, the music very good and all present reported a most enjoyable evening. There were but three uniforms seen — but quite a number of local boys recently having received discharges, were present — and the number of male partners for dancing is therefore steadily increasing. This forms a most pleasant contrast to dances last spring and summer, when the age differential jumped from teen age "high schoolers" to those too old for military service.

Regarding donations, Joe Piper wrote a couple of weeks ago, with his gift, the following letter:
Lenore, Idaho
Sept. 29, 1945

Mr. A. O. Kanikkeberg Kendrick, Idaho.
Dear A. O. —
It seems as though they are donating money for a swimming pool at Kendrick, mostly for the soldier boys, and you are the treasurer.

Well, when a bunch of we old discharged Volunteer Reserves over here get so dirty that we smell like a man, we have a war dance on the beach and then run and jump in the river — but you folks haven't got things quite so handy, so I guess I had better help out a little. — Joe Piper.

In a hard, fast game Tuesday afternoon, Genesee defeated the Tigers 18-13.
It looked like our game, with the score standing 13-6, until the final quarter, when Genesee got away with a run around the end and a long pass, which put them in the lead, 18-13. They failed on both point tries.

Our next game is a home game with the Lewiston "E" squad on Saturday, October 20.

REMEMBER FOLKS —

On the basis of today's accepted usage, the average man (and woman, too) during 65 years of life is a potential consumer of 12,800 quarts of milk, 8,160 of which represent the potential after the 20th year. However, surveys indicate more than half of all adults drink too little milk — or no milk at all. Are you one of these persons?

While the public generally realizes milk is good for children and adolescents, they seem to have forgotten how essential a generous milk diet is for people after they have reached the age of 20. For work or play, a good nutritious diet is of the greatest importance. No diet is complete without milk. Milk contains many vitamins and minerals, which are very essential in maintaining the needed energy and stamina throughout the day.

Drink lots of milk! Milk is cheap as well as good for you,

and most of all good tasting. And always ask for Potlatch Chief pasteurized milk, it's always fresh!

Sec. Lieutenant: "I've been trying to see you all week. When may I have an appointment?"

Colonel: "Make a date with my secretary."

"Shavetail: "I did, sir, and we had a wonderful time, but I still want to see you."

Friend (visiting hospital patient): "Do you know, old man, that's a swell looking nurse you've got!"

Patient: "I hadn't noticed."

Friend: "Good Lord! I had no idea you were that sick!"

A young man who had failed in his college exams wired his sister: "Flunked all exams. Prepare father."

He received the following wire in reply: "Father prepared. Prepare yourself!"
