KENDRICK SCHOOL NOTES

nary" the Kendrick Grade school basketball team defeated the Lapwai Grade school quintet 23-15.
 In the regular preliminary engagement between "E" strings, Kendrick again emerged the winner 37-25. The score by quarters was: First, 8-7, Kendrick; half, 18-17, Kendrick; third, 30-19, Kendrick; fourth, 37-20, Kendrick.
 In the main event Kendrick's Tigers, clicking like a well-oiled and perfectly tuned piece of machinery,

defeated the Lapwai quintet 48-24. From the first toot of the whistle it was Millard to Easterbrook; to McCall; to White; to Brocke; back and forth until the perfect opportunity presented itself, and then the casaba would go sailing through the hoop for 2 points. At the end of the first quarter the score stood 14-2, Kendrick, Lapwai's two points being garnered on foul shots.
 The score by quarters showed: First, 14-2, Kendrick; half-time mark, 22-8, Kendrick; third quarter, 38-12, Kendrick; final stanza, 48-24, Kendrick.

drick. Both teams substituted freely, with Kendrick changing teams completely at one time. When this happened it would be Long to Easterbrook, to Miller; to Brown; to Thornton, then, "bingo," a basket.
 The game was fast and at times rather rough, but averaged for a high school game, only one player, a Lapwai man, leaving via the personal foul route.
 The gym was packed to the rafters, both Lapwai and Kendrick had well-organized rooting systems, and the din resulting would have done credit to a tournament game at Lewiston.
 Valley League standing so far: Kendrick — Won 4, lost one, .800; Genesee, won 3, lost 1, .750; Juliaetta, won 2, lost 3, .400; Lapwai, won 1, lost 2, .333; Culesac, won 0, lost 3, .000.
 In the 10 games which the Tigers have played they have won 8 and lost 2.

Home Destroyed By Fire

The John Maurer home on Stoney Point was completely destroyed by fire Sunday morning about 11:00, a defective flue being the cause of the blaze.
 The fire advanced very rapidly and the family were able to save but a few pieces of furniture, some bedding and a few personal effects.
 The farm buildings, across the highway from the house, were not endangered by the conflagration.

Misplaced Gratitude

Archie May will tell you that a cow is an ungrateful wretch — and prove it. It served one of his cows had a sore foot, and he was in the act of doctoring it, when bossy "ups and kicks him in the head," cutting a deep gash over his left eye with her hoof — and that's gratitude for you! Three stitches were necessary to close the wound.

Potlatch Chief Sez

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, FOLKS —

Have you had any Potlatch Chief ice cream lately? Bring your friends in and treat them to the best ice cream in town — Potlatch Chief. Better still, take several quarts home with you. Keep your refrigerator filled with Potlatch Chief pasteurized milk at all times. When the children come home from school with that old familiar chant: "I'm hungry!" give them milk. You will find it very economical, and it will satisfy their hunger until meal-time without spoiling their appetites. No other food is so good, and yet so good for them. Always keep a good supply on hand.

About Those Bottles —

Please remember folks, not to let your milk bottles accumulate on the cellar stairs and other convenient and out-of-the-way places. We must have bottles before we

can bottle milk. Bring them in every time you get milk, or make sure that our delivery man picks them up on Mondays, Wednesdays and Saturdays.

A medical writer is asked: "I reach for things that aren't there. Why is that?" Our guess is that it's probably a reflex, acquired while shopping in the days of abundance!

A railroad agent in Africa had been bawled out for doing things without orders from headquarters. One day his boss received the following startling telegram: "Tiger on platform eating conductor. Wire instructions."

"Were there any powder marks on the body of the deceased man?" asked the coroner.

"Certainly there were powder marks," replied the wife. "In fact, that's why I shot him!"

MORE ABOUT ARMED FORCES

Time to get to work, so I'll close with repeated thanks for the paper; to you and all those whose contributions make its sending possible.

Sincerely
Bill Davidson.

On Monday two papers addressed to Lawrence C. Slead, Phm., in the South Pacific, were returned to us. These papers were dated Nov. 22 and 29 — which gives some slight idea of the length of the mail line between Kendrick and South Pacific points.

Mr. and Mrs. E. M. Dammarell are in receipt of an interesting letter from their son S1/c Don Dammarell, and have kindly allowed us to use it.

U. S. S. Saratoga, Alameda, Cal. Jan. 14, 1946

Dear Mother, Dad and Family: I'm trying to write a letter, but all the fellows are bother'g me. We leave for Hunter's Point about 2:00 this afternoon to strip the ship of every useful thing, in the hanger deck all the racks, mattresses, etc., are removed.

The fog was pretty heavy this morning, so we couldn't see the ships out in the bay at all. Went roller skating last night and to a show. Everything is terribly high in Oakland and San Francisco.

A bunch of the fellows are getting off the ship February 1, just to be stationed over in Alameda or San Francisco.

I got a Kendrick Gazette dated the 3rd of January, the first one for a couple of months. I see lots of the fellows are getting discharges back home. How is everything back home? I hope fine — everything is pretty good with me.

I met a kid I went to boot camp with, the first one since we landed. He is getting a discharge as he has a wife and child. I haven't had any more pictures taken lately, but am sending home a framed, painted picture of the Saratoga. I think the navy is going to use her for the atomic bomb practice. Not sure, though. We are having inspection, but I got my space all clean. I'm trying for Coxn 3/c the first of February. Hope I make it.

I don't know when I will be home, mother, one of these days. I hope. Well, I can't think of anything more to say, but will write again in a few days.

All my love
— Don.

He has two campaign stars, the Combat Infantryman's badge, the Purple Heart; Bronze Star; Good Conduct Medal; Victory and campaign ribbons.

A. A. F. Separation Base, Portland, Ore. (Official Dispatch) — T/Sgt. Elmer H. Emery, Jr., Kendrick, Idaho, has been honorably discharged at the separation center. His wife, Mrs. Evelyn M. Emery, has made her home at South 5 Cedar, Spokane. T/Sgt. Emery joined the army January 5, 1942, at Geiger Field, Wash. where he has since served as an accountant. Spokane, Wash. January 20, 1946

Dear Mac and Bill: Just a note to let you know that "Uncle Sam" has finally released me for "civilian consumption" again, after four years of service with the Finance Detachment of the Army Air Corps.

It is difficult to express my deep appreciation for the many months that you and the whole community kept the local news and news of the other boys in the service so near at hand by your weekly issues of the Gazette, none of which I have missed. Thanks a million!!!

I have obtained employment here in Spokane as an accountant for J. R. Randall, C. P. A., and as soon as my wife and I can get further settled, will maintain permanent residence in this fair city.

Best regards to you and my many Kendrick friends. Thanks again,
Sincerely
Elmer H. Emery.

In memory of our beloved son and brother, Eldon S. Baker RM 2/c U. S. N., who was taken from us one year ago today, Jan. 24th, 1945.

"I'll lend you for a little time a child of mine," he said. "For you to love the while he lives and mourn for when he's dead. It may be six or seven years, or twenty-two or three. But will you, till I call him back, take care of him for me? He'll bring his charms to gladden you, and shall his stay be brief, You'll have his lovely memories as solace for your grief."

"I cannot promise he will stay, since all from earth return. But there are lessons taught down there I want this child to learn. I've looked this wide world over in my search for teachers true. And from the throngs that crowd life's lanes I have selected you. Now will you give him all your love, nor think the labor vain, Nor hate me when I come to call to take him back again?"

"I fancied that I heard them say: 'Dear Lord, Thy will be done. For all the joy Thy child shall bring, the risk of grief we'll run. We'll shelter him with tenderness, we'll love him while we may, And for the happiness we've known forever grateful stay; But shall the angels call for him much sooner than we've planned, We'll brave the bitter grief that comes and try to understand.'"
