PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Henry Emery arrived here last week from the Arne Kloster home to spend some time. He is staying at the Harry Baker home. Little Roger Nelson, son of Mr. and Mrs. Ed. Nelson, who has been quite ill with flu, is now much improved. Rev. and Mrs. Bonner and daughter Jo Ann and sons Jimmy and Timmy of Orofino, and Mr. and Mrs. Geo. Stevens of Juliaetta visited in the Fred Stedman home Sunday. Mrs. Oscar Medalin arrived home last Thursday, after having spent the past six weeks in Seattle with her daughter and family. She has a new granddaughter, born there December 23. Pearl and Violet Brown were home over the week-end. Mr. and Mrs. J. G. Travis were Lewiston business visitors last Wednesday, returning home with a new Nash automobile. Mrs. W. W. Eldridge was a Spokane visitor last Thursday and Friday. Mrs. R. H. Easterbrook was a passenger for Spokane last Thursday, returning Friday. Wm. Fry and Don Bateman were Troy visitors last Thursday. Mrs. Elmo Eldridge was a Moscow visitor last Saturday. Jack Woodward and Hiram Galoway were Moscow business visitors Saturday. Bernard Jones spent last Saturday in Pullman. Mrs. G. W. McKeever and daughter Chloe were Spokane visitors Saturday of last week. Harry Harris is spending the week at Weippe with the Ed. Ingram family. Earl Harris and Ray Hudson made a business trip to Lewiston Monday. Mr. and Mrs. George Jones and children of Uniontown and Mr. and Mrs. E. H. Jones were dinner guests Sunday in the Wade T. Keene home. George-Anne remained to spend the week with her grandparents. Mrs. Johanna Nelson leaves Friday to spend several weeks in Moscow. Mr. and Mrs. Irvin Halseth will remain at the Nelson farm during her absence. Mr. and Mrs. Ross Armitage and Mr. and Mrs. Jasper Nutting drove to Moscow Tuesday evening to witness the game between W. S. C. and Idaho. Mr. and Mrs. Walter May were Wednesday guests in the E. M. White home. Misses Jean Crocker and Barbara White will be home this week-end to spend a 4-day vacation. Roy White, who is employed in Lewiston, spent the week-end here with his parents. Mrs. Bina Raby arrived home Saturday, after spending the past three weeks visiting her son, Oscar Raby and family, in Clarkston, and Mr. and Mrs. Boyd Cook, in Lewiston. Mr. and Mrs. Leen Lind and children of Gifford visited here in the home of his parents, Mr. and Mrs. Paul Lind, Sunday. Mr. and Mrs. Russell Smith and Mr. and Mrs. Manning Onstott drove to Genesee Saturday evening, where they enjoyed a buffet supper at the home of Mr. and Mrs. James Rabid. The supper was given for all the Soil Conservation Service employees and their wives from Moscow, Lewiston, Kendrick, Orofino and Genesee. Installation Ceremonies Held A joint installation of officers of Canyon Chapter No. 67, O. E. S., and Kendrick Lodge No. 26 A. F. & A. M., was held at the Fraternal Temple Tuesday evening. Mrs. Crystal Gruell was installed Worthy Matron and Dr. Geo. W. McKeever, Worthy Patron for the Eastern Stars; Darwin W. Tarry was installed Worshipful Master for the Masons. The two groups enjoyed a potluck supper in the banquet room at 6:30, followed by the regular January meeting of Canyon Chapter. Mrs. Crystal Gruell was presented with a bouquet of red roses and Mrs. Johanna Nelson, retiring Matron's pin from the chapter. Mrs. Mary Adams, a charter member, acted as installing officer for the O. E. S., with Mrs. Martha Long as Marshal. Mrs. Margaret Covington of Juliaetta sang "Star of the East" and "Bells of the New Year" during the Eastern Star ceremony. Installing officer for the Masons was Lester Crocker, with Geo. W. McKeever as Marshal. Other officers installed for the O. E. S. were: Mrs. Alice Tarry, Associate Matron; Lester Wallace, Associate Patron; Mrs. Anne Deobald, secretary; Mrs. Ruby McKeever, treasurer; Mrs. Nell Crocker, conductress; Mrs. Earlen Taylor, associate conductress; Mrs. Jessie Erlwine, chaplain; Mrs. Mamie Kanikkeberg, marshal; Mrs. Janice Jones, organist; Mrs. Mary Otosen, Adah; Mrs. Edna King, Ruth; Mrs. Dorothy King, Esther; Mrs. Marjorie Eldridge, Martha; Mrs. Elsie Onstott, Electa; Mrs. Lillie Wallace, Warder; Mrs. Anna Long, sentinel. Masonic officers were: Claude Jones, Senior Warden; Manning Onstott, Junior Warden; Lester Crocker, treasurer; Wade Keene, secretary; Albin Kanikkeberg, chaplain; Geo. W. McKeever, marshal; Clay King, Senior Deacon; Eugene Taylor, Junior Deacon; Gerald Ingle, Senior Steward; Thomas King, Junior Steward; Lester Wallace, Tyler. Remember the old fashioned editor who referred to the wind that blew a girl's skirts above her shoe-tops as a "naughty wind?"

Bank Shows Steady Growth

The attention of our readers is again called to the steadily climbing totals of our local banking institution — The Farmers Bank — which, as of December 31, 1946, show total deposits of \$2,131,696.93, and total assets of \$2,219,233.87! It is said that the local bank is always a sure index to a community — and in this case we can well be proud of our community as well as our bank — for both have shown a steady climb — the bank in its totals, the town in its population and business section.

NINETEEN AT COMMERCIAL CLUB DINNER MONDAY

Nineteen members of the Kendrick Commercial club sat down to a delightful steak dinner at the Kendrick Cafe Monday evening at 6:30, and at 7:30 adjourned to the city hall for their regular business session. At the hall they were joined by a committee of eight from the local post of V. F. W. Following the reading of the Minutes of the previous meeting and the allowance of bills, regular business procedure was taken up. Ervin Halseth, commander of the local V. F. W. Post discussed with the club the charge made for the 4th of July concession, and after due consideration, a refund of \$5.00 was voted that organization. Also discussed, in a round-table manner, was the problem of policing dances, etc. At the conclusion of the talks the veterans expressed themselves as well satisfied with the arrangements worked out. Tom Long of the Highway committee reported bids were to be called on the new Brady Gulch road on January 17 — and it was hoped that at least one satisfactory bid would be received. He also reported that the big grader of the highway district had been kept "plenty busy" plowing snow from the district's roads — and that it was proving very satisfactory for this work. H. C. Schupfer of the Industrial committee reported that almost all of the new street lighting equipment and fixtures had been received, and the balance was expected soon — and that immediately after all the necessary items were here, work on its installation would begin. He predicted a much better lighted town than we have at present. Roy Glenn, reporting for the agricultural committee, reported the fall-sown wheat in excellent condition, with an ample protective snow cover, and plenty of spring moisture assured. Stanley Hepler, reporting for the special airport committee, stated he had looked over a number of sites locally, and had found just one that appeared to "fill the bill," that a stretch between Kendrick and Juliaetta. He stated that he had two or three others to examine, but believed the one between the two towns would serve the most people, and suggested that Kendrick and Juliaetta look into the matter on a co-operative basis. A run-way 2,200 to 2,500 feet in length would prove the most satisfactory. Tom Keene of the Merchants committee reported the Christmas program well attended. A total of 225 treats were prepared, and that seven were left. He extended the thanks of the club to Mrs. H. C. Schupfer, the Youth Choir and Rev. J. H. Coulter for their able handling of the brief program. In the absence of A. O. Kanikkeberg, drive chairman, no report of financial progress on the Area Living War Memorial Swim Pool was available, but all agreed that work on this project must be resumed as soon as weather and finances permit. Forestry School Noted The fame of the University of Idaho's Forestry school has spread across the Atlantic. In the normal course of events Henry Charles Fitz Roy of Tavislock, Devon, England, would probably go to Oxford upon finishing at Harrow next July, but he is coming to the U. of I. instead. Fitz Roy, son of Lady John Fitz Roy, wants to study forestry, and picked Idaho's forestry school as the place to do it. He did not know that due to heavy enrollment new students must be Idaho residents, and it took a special ruling by the board of regents, to clear the way for his admittance. The regents voted to waive the ruling in Fitz Roy's case in the interest of international relations, and due to the fact that there is now no student at the university from England. Has Ad. Given Mention The Blewett Grocery-Market ad. of two weeks ago, entitled "As We See It" and dealing with the sugar situation, was given a very fine write up on the front page of the New West Trade, a business publication from Spokane, and which covers this entire territory. In fact, a complete reproduction of the advertisement was printed. Dick is, of course, quite well pleased with the resulting publicity. Equipped With "Overload" Lester Weaver brought the left hind foot of a "long yearling" steer he killed, into the print shop last Friday, and really showed us a freak, for the foot is equipped with an "extra half hoof," which projected on the inside. It was evidently "in use," for the hoof itself clearly shows "signs of wear." Seems this steer was equipped by nature with an "overload spring" on one side.

INTERESTING NEWS BITS FROM THE SOUTHWICK AREA

Mr. and Mrs. Earl Brown of Lewiston visited with Mrs. Brown's parents, Mr. and Mrs. Clay King, over the week-end. Mr. and Mrs. Charlie Harris were called to Princeton Friday by the death of Mrs. Harris' mother, Mrs. John Linhard. Mr. and Mrs. Pete Tschantz and son returned home Saturday, after spending the past six weeks visiting with relatives and friends in Illinois. Mr. and Mrs. Aaron Wells were dinner guests of Mr. and Mrs. James Reece at Cavendish, Sunday. Mrs. James Holt and daughter are visiting her sister, Mrs. Rollin Armitage and family. Mrs. Otto Schoffler of Kellogg and Mrs. V. Beckham of Spokane were recent guests in the Given Mustoe home. Mr. and Mrs. Wilmer Hanks and Johnny Longteig were Lewiston visitors Saturday. Mr. and Mrs. Gordon Harris are visiting relatives in Moscow and Pullman. Southwick School News Report cards were given out again this week. This marks the mid-year for our school. In the mid-year tests given last week, Ronald Benjamin made 100 per cent in arithmetic; Charles Cuddy, Stanley Davis, Fern Jennings and Ronald Lohman, 100 per cent in spelling. In geography, 100 per cent was attained by Vernon Hanks, Kenny Hanks and Richard Lohman. New officers have been elected in the upper room. Gary Lohman is the new president; Richard Watson, vice president; Virginia Cuddy, secretary; Ronald Perry, librarian; Jerry Erlwine, reporter; Nina Lohman and James Finke, sergeants-at-arms. The lower grades also elected new officers. Fern Davis is president; Ronald Lohman, secretary; Patsy Finke and Joan Davis, librarians; Richard Lohman and Vernon Hanks, protectors. In art, Mrs. Tarry's room is studying about Eskimos, and the first and second grades are making snowmen and snowflakes for room decorations. Visitors in school last week were Jo Darby, Bob Candler, Jerry Harris and Neil Erlwine. The two rooms are taking turns for play in the gym during winter periods. The upper grades have had it this week. All classes in the upper grades are preparing health posters for special work this week. The 7th and 8th grades are now reviewing their U. S. history and will begin geography next week. Ronald Benjamin, Roy Bradley and Patsy Cuddy were absent on Monday. Joe and Patsy Cuddy are new students in our school. They enrolled last week, coming here from the Gold Hill school. Writes Of California Trip Mrs. Harry Langdon has prepared a brief, but interesting news item about their recent trip to California, on which they were accompanied by Mr. and Mrs. Arley Allen of Cedar ridge. We left Lewiston Saturday afternoon, Dec. 7th, going by the way of Portland, Newberg, Grants Pass, Medford and Ashland, Oregon. On this part of the trip we investigated price and property values; then into California, visiting at Chico, Paradise, Sacramento, Los Angeles and Carlsbad. We spent Christmas with Mr. and Mrs. Jas. Langdon, at the Len Bailey home (they are Harry's parents), both are in their 80's, but able to be up and care for themselves. Christmas also represented the "Langdon's" 63rd wedding anniversary, and the first Christmas in many years that the immediate family was together for the occasion. Carlsbad, Calif., the home of Mr. and Mrs. Earl Langdon and Mr. and Mrs. Frank R. Foster, was outstanding, because fresh peas, turnips, green limas and snap beans, tomatoes, carrots, rutabagas and sweet corn were gathered for the Christmas and "last of December" dinners. This section is also a flower growing area — calla-lilies, gladiolus, daffodils, etc., while many vegetables are grown for the city markets. On December 30th we drove into Tijuana, Mexico, just to say we had been "South of the Border, Down Mexico Way," that song being sung (for a price) by a group of cafe entertainers. January 1st we attended the Tournament of Roses" at Pasadena, Cal., and saw the most glorious floats of flowers, even Poinsetta petals being used to create such beautiful Valentine hearts. The crowd, after the parade, filled the streets from sidewalk to sidewalk. It was really a jam. Jan. 2 we started back to Idaho, "To Where I Come From," arriving Sunday afternoon, January 5 — a cold return. During our trip we found that prices were high on all property, but in California you pay high for the "sunshine" and the land is "thrown in." We enjoyed wonderful roads all the way, with never a flat tire. We have sunshine here as well as in California — but here it's bordered with snowdrifts. Red Cross Meeting Jan. 22 There will be a Red Cross business meeting on Wednesday evening, Jan. 22, in the City Hall at 7:30 p. m. for the purpose of electing new officers to serve for the coming year. The meeting is open to anyone who wishes to come. A goodly attendance would be appreciated.

INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

Kendrick Defeats Lapwal In a turn-about engagement here last Friday evening Kendrick won an A squad game from Genesee 36 to 28; while the Genesee B squad edged out a 23-22 victory over Kendrick. It was Kendrick's first conference game, and a rough one, with 25 fouls called on Genesee and 13 on Kendrick. The box scores follow: Genesee FG FT PF TP Heimgartner 0 0 2 0 Liberg 0 0 0 0 Lee 3 1 5 7 Schwene 0 0 1 0 Jenkins 2 2 2 6 Johnson 1 1 5 4 Peterson 1 2 4 4 Bennett 0 2 5 2 Semmes 0 0 0 0 Springer 3 2 1 8 Totals 9 10 25 28 Kendrick FG FT PF TP Easterbrook 4 3 1 11 Thornton 1 0 1 2 Millard 4 3 2 11 Brown 0 0 0 0 Medalen 0 0 0 0 Dammarrell 3 0 2 6 Miller 0 1 5 1 White 0 0 0 0 Brocke 2 1 3 5 Halseth 0 0 0 0 Totals 14 8 14 36 The score by quarters was: First, 10-8, Kendrick; half, 17-13, Kendrick; third, 24-21, Kendrick; close, 36-28, Kendrick. Officials were Smith and Guy. In the B squad game the first quarter ended 9-7, Genesee; half, 13-11; third quarter, 16-13, Genesee; game end, 23-22, Genesee. Every seat in the big gymnasium was taken, and spectators stood at both ends, being two and three deep in the corners. The stage, too, curtain pulled back, was filled with banked spectators. It was one of the largest crowds ever to attend a non-tournament game. An accurate check is impossible, since most of the local students have season tickets, but estimates run all the way from 850 to 1,000. Sports News The Kendrick Tigerettes were victorious over the Bovill Girls 25-22 in their first game of the season, played at Bovill, January 9. The scores for Kendrick were: Helen Harris 14 Verna Easterbrook 12 Barbara Stedman 5 Nellie Fry 4 Total points 25 Bovill scorers were: O'Keefe 7 Baker 6 Wonderlich 9 Total points 22 Another game was played after the main contest — just for practice. In this one the Bovill girls defeated Kendrick by a large margin, 40-26. Kendrick Kittens Win Wednesday evening of last week the Kendrick Kittens went to Deary for a return game, winning from that school 29-23. On Thursday of last week the fifth and sixth grade boys played the Leland school team on the local floor, winning by a score of 17 to 13. High School News The high school news this week just simply does not exist — the reason being that semester exams are keeping the students busy. However, those not having exams, the following day can usually be found in the evening coasting on the school house hill, where the snow and ice makes sledding "super." In all the rooms there has been quite a good deal of absence due to illness this past week — the flu seemingly being the main cause. Grade School News Mrs. Edna Nelson was a class room visitor in the third and fourth grades on Monday of this week. Mrs. J. H. Coulter is substituting in the fifth and sixth grades for Mrs. Claude Jones, who is ill. Pinochle Party Mr. and Mrs. Tom Keene and Mr. and Mrs. Frank Abrams were joint hosts at a pinochle party last Wednesday evening in the former Red Cross work rooms. The rooms were cleverly decorated with long streamers, and the walls were hung with lively caricatures of each guest (drawn by Tom). Much merriment ensued as the guests found their "likeness" and claimed it. High scores for the evening were awarded Mrs. Julius Ceaser and John Davis, while Mrs. Kenneth Brocke and Billy Weyen took the lows. The guests were Mr. and Mrs. Kenneth Brocke, Mr. and Mrs. Julius Ceaser, Mr. and Mrs. John Davis, Mr. and Mrs. Billy Weyen, Mr. and Mrs. Everett Farrington, Mr. and Mrs. R. L. Blewett, Mr. and Mrs. Charles Andres, Mr. and Mrs. Ervin Halseth and Mr. and Mrs. Walter Brocke. At the close of play the group was taken to Burt's Confectionery, where pie and coffee were served. March Of Dimes Dance The Kendrick Grange is sponsoring a March of Dimes Dance to be held in the Fraternal Temple next Tuesday evening, January 21, beginning at 9:00 p. m. Advance tickets are now being sold, so, whether it is possible for you to attend or not — you can help a good cause. P-T. A. Monday Evening The regular monthly meeting of the Kendrick P-T. A. will be held Monday evening, January 20, at the High school auditorium. Parents and friends are urged to be present.

Winter Still With Us

Winter still seem to have with us in no uncertain way, following several rather balmy days, in which the snow settled considerably, another storm began Sunday evening, depositing about 2½ inches more on the ground — and again the state snow fighting equipment operated all night. A little more snow fell Monday evening, and a little Tuesday, but Tuesday night was "really the pay" off, for the thermometer dropped to 5 below and tonight (Wednesday) threatens to be even colder!

NEWS ITEMS ABOUT LELAND RESIDENTS AND FRIENDS

Pinochle Party The L. S. L. A. are sponsoring a pinochle party to be given at the school house on Friday evening, January 17, beginning at 7:00 o'clock. Other News Mr. and Mrs. Robert Draper and Ervin, Mr. and Mrs. Ted Weyen and Bill Thornton spent Wednesday at the Weyen home, helping with the butchering. Mr. and Mrs. Chas. Craig and family were Saturday dinner guests in the home of Mr. and Mrs. Roy O'raig. Mr. and Mrs. Robert Draper and Erven and John Vincent were Sunday dinner guests of Mr. and Mrs. Chester Vincent. Miss Lucille Eyrich called on Mrs. Robert Draper and Mrs. Leonard Wolff, Monday afternoon. Mr. and Mrs. Lloyd Craig and daughters were Sunday guests in the Chas. Craig home. Mr. and Mrs. Weyen Weyen, Mr. and Mrs. Ted Weyen and Mr. and Mrs. Billy Weyen and daughters were Sunday guests of Mr. and Mrs. Roy Craig. John Vincent left Monday for Spokane, where he will visit Mr. and Mrs. Wm. Brooks; then on to Kellogg to visit Mr. and Mrs. Lyman Withrow. During this stormy weather news is very scarce — the home fireside is just too pleasant. Leland School Notes This week being the end of the first semester, the students are busy with reviewing and taking tests. The report cards will be issued next Wednesday. Students absent all or part of last week were: Darlene Peters, Ariene and Mary Ann Glenn, Rose Mae and Alvie Estes. Mrs.ONEY Walker has resumed her old position as cook in the school cafeteria, replacing Mrs. Walter Siflow, who resigned. This week is being spent in campaigning by the candidates seeking offices in the Intermediate room for the second semester. Monday was registration day. The general election will take place next Monday. The following candidates are running for office: President, Glynes Thornton, unopposed; vice president, James Thornton and Charles Parks, secretary, Norma Dagefoerde and Darlene Peters; treasurer, Howard Wolff, Leone Parks and Mary Ann Glenn; playground chairman, Teddy Meyer, Charles Parks, Walter Wolff, Howard Wolff and Alvie Estes; schoolroom chairman; Glynes Thornton and Marlene Siflow; librarian, Darlene Peters, Leone Parks, Norma Dagefoerde, Barbara Siflow and Mary Ann Glenn; athletics chairman, Stanley Smith and Keith Thornton; sergeant-at-arms, Kathleen Crawford and Ernest Heimgartner. Last Thursday the boys basketball team played the Kendrick team, Kendrick won by a score of 17 to 13. Those composing the team are: Keith Thornton, Stanley Smith, Howard Wolff, Charles Parks, Walter Wolff and Ernest Heimgartner. Returns From Service Cpl. Golan Calvert, son of Mr. and Mrs. George F. Calvert, Lenore, arrived home December 28, after 15 months of army service. Golan, a radio "son" (weather) operator, has been stationed on one of the bleakest (but not worst) islands in the world, Ascension, a tiny lava outcropping in the south Atlantic, for about 10 months. Life was pretty dull in some ways on the island, but interesting in others. Production as one of the great refueling bases for American war planes going to and from Europe. So, until, some months ago, there always seemed a bit of life was there, but lately the garrison had dwindled down to 62 men and six officers, most of whom were British, since it is a British possession. Golan left Ascension on December 9, by ship, landing at Palm Beach, Florida. He left there on December 21, arriving home December 28. Golan states that there was just one lonesome palm tree on the island (the only tree) — and said it received the finest of care. Anyway, he is glad to get home and be able to "hear" his mail, rather than to have it go clear across the United States, then to England, and then to Ascension! Hall Crowded At Hearing At the public hearing of the Potlatch Telephone Company at the City Hall last Thursday morning, on its application to raise rates, to permit higher pay to operators, there was a real crowd present, the hall being filled. At the hearing itself there was but one objection filed, and that on a "tax" basis only. One farmer asked to "intercede," and then withdrew on explanation of a proposed switch fee change, stating that he "had no objection." One farmer spoke in favor of the proposed changes. The balance of the hearing was routine questioning. A decision is expected in a couple or three weeks. There was very little activity in the cash wheat markets in the Pacific Northwest during the past week, according to reports to the Production and Marketing Administration by the U. S. D. A. Prices generally held fairly steady, fluctuating only about 1c per bushel during the period, but the situation was characterized by a rather general lack of interest on the part of all classes of the trade. Offerings from the producing areas were reported to be very light as growers were inclined to wait until after the income tax period to sell their remaining stocks of wheat on account of income tax adjustments. The very large exportations of flour and wheat that are to be made by the Commodity Credit Corporation tends to hold the markets steady and firm. Trade reports indicate that the C. C. C. has been in the market for export types of wheat during the past week but the volume of trading in this area was not large. Reports from the producing districts indicate that growers were preparing to sell a large part of their surplus wheat when the shipments can be made after the income tax period. Trading in cash wheat at the Portland market was practically at a standstill during the week, with little interest being manifest by buyers or sellers. Despite the inactivity the market maintained a fairly steady tone with prices of most all classes of wheat holding about unchanged compared with a week ago. Offerings from growers and country shippers very very light and were not being pressed, while the demand for cash wheat at the terminal markets was not broad. Mills were not actively bidding for grain, and the feed trade has entirely lost interest in wheat on account of the price as compared with corn. The terminal elevator operators were devoting their attention to handling the greatly increased receipts of wheat during the week for the account of the C. C. C. Receipts at the Columbia river terminals during the week were 710 cars and at the Puget Sound terminals 480, compared with 502 and 411 cars, respectively, for the previous week. Bid prices on the Portland Grain Exchange were as follows: Soft white, soft white (no Rex), white club, western red and hard red winter, all \$1.89 per bushel, all basis No. 1 bulk, 15-day shipment, coast delivery. Wheat receipts at Ogden during the week were 137 cars. Prices quoted there were as follows: Dark hard winter, dark northern spring, \$1.85; hard winter, northern spring and hard white, \$1.79; soft white and western white, \$1.75 per bushel, basis No. 1 bulk, f. o. b. Ogden mills. The San Francisco wheat market showed little change during the week, with a continuance of light offerings and no increase in the moderate demand noted during recent weeks. While trading and movement was quite narrow, prices held steady. Central California marketings remained small, and while a slight increase in movement is anticipated soon, it is still too early to reflect this movement. Growers were being bid around \$3.40 per 100 pounds, country warehouse receipt basis, for No. 1 hard and soft white wheats, but marketings were limited to small, scattered lots. Offerings from other states also were light, although an occasional car of intermountain wheat was being received for both milling and feeding purposes. Receipts from the Pacific Northwest were still quite small, although some permits were being issued for this movement. Bay region flour mills continued to place most of their wheat needs in other areas. World grain prospects at the end of 1946 indicate a total production about 10 percent larger than the small 1945 grain crop and slightly above average, but its geographical distribution will limit its most effective distribution in meeting the world's food needs. The increased production also consists in a large part of corn and oats, the use of which, as direct human food, is somewhat limited. Record crops of wheat, corn and oats in the United States and above average crops of the principal grains in Canada, account for a large part of the increase in the 1946 world grain total, but supplies available for export from these areas during the first half of the 1946-47 years have been limited by depleted reserves carried from the 1945 harvest, transportation difficulties and the maritime strike. Exports of wheat and flour from the four principal exporting countries: United States, Canada, Argentina and Australia, during the 1945-46 year totaled about 875,000,000 bushels, and when other grains and their products are added, the total approaches 1,000,000,000 bushels. Exports of grain from all other areas, notably Turkey, the Middle East and the Soviet Union, will account for only a relatively small part of the total world trade this year. United States commercial stocks of wheat at the end of December were the smallest in 20 years of record and amounted to 58,789,000 bushels. This is 43,000,000 bushels less than was in store at the end of 1945; 212,000,000 less than the high year of 1941, and 4,000,000 less than the previous low after the big drought of 1936. The better class of people in India drink elephant milk.

THURBER'S

Purchases Building
A deal was closed Monday whereby Claud Craig became the owner of the warehouse (narrow) section of the N. B. Long & Sons building on Main street. Work is now under way moving partitions, etc., in the store building, to provide warehouse space at the rear.
Mr. Craig has not announced to what use he will put the building.
The consideration, said to be cash, was not made public.

Storms Closes School
The snow and wind storm of Monday night and Tuesday drifted in and blocked almost every road on American ridge, and that, together with the biting cold of Tuesday night was too much for the school children on that ridge — no school being held Tuesday or Wednesday, but it was hoped to resume school today (Thursday).
The big Kendrick Highway District grader succeeded in opening the roads Wednesday.

LINDEN

Mr. and Mrs. Arthur Foster spent Wednesday with Mr. and Mrs. Arley Allen.
Mr. and Mrs. Dan Kechter visited Mr. and Mrs. H. V. Ferryman, Sunday.
Mr. and Mrs. Clem Israel were Sunday guests in the home of Mr. and Mrs. F. C. Lyons.
Mr. and Mrs. Ray Cuddy, John Cuddy and children, Elmer Cuddy and Mr. and Mrs. Rollin Armitage and children spent Sunday with Mr. and Mrs. James Holt.
Mr. and Mrs. Arthur Foster entertained the school children and their parents at a coasting party Wednesday evening. It was a beautiful night and the snow was ideal for the sport — and everyone had a very jolly time. Mrs. Foster served delicious refreshments at the close of the evening.
Mrs. McAlister, and her sister, Mrs. George Brocke, Kendrick, visited over the week-end with their mother, who is a patient at a Spokane hospital.
Clarence Weaver delivered hogs to Lewiston Tuesday for Lloyd Waltz, while John Cuddy took a load down for Forest Grayson.
The Rev. George D. Calvert will preach here the first and third Sundays of each month.
Clem Lyons is the proud owner of a new International tractor, Model H, which he received Saturday.
Mr. and Mrs. Clem Israel visited in the Smith home Thursday afternoon.
Stewart Wilson underwent surgery Monday morning of this week at St. Joseph's hospital, Lewiston. Mrs. Wilson spends all the time possible with him, and reports he is getting along nicely.
Mr. and Mrs. Horace Rainey and children, who have been visiting her mother, Mrs. Annie Weaver and family, left Wednesday for their home at Vancouver, Wash.
Thermometers on this ridge registered as low as 9 below this (Wednesday) morning. B-r-r-r!

Bridge Party Thursday
Mrs. Estella Leith entertained at two tables of bridge last Thursday afternoon in her home.
High scores went to Mrs. W. A. Watts, while Mrs. R. L. Blewett had low.
Delicious refreshments were served at the close of play.
Those present were the Mesdames R. L. Blewett, Roy Ramey, Wade T. Keene, L. J. Herres, W. L. McCreary, W. A. Watts and Rilla Davidson.

Purchases Coal Business
A deal was closed Monday whereby Ed. Nelson became the owner of the Lewiston Grain Growers coal shed and stock at Juliaetta. He will now serve that community from the shed there.

Firemen received a call from a Seattle Inn, and arrived to find the juke box in flames. Patrons said the machine had been beating out a steady stream of hot jazz, when it suddenly began smoking!

Final U. S. O. Drive To Start
 The United Service Organizations, Inc., known the world over as the USO, is soon to make its final drive for funds to carry it through 1947, when it will cease its services to men and women in uniform.

Idaho's final share in the program is \$67,000, it has been announced by Westernman Whillock of Boise, who is general chairman for Idaho. The Idaho drive for funds will be organized county by county, with local chairmen and committees in charge of the soliciting. Mr. Whillock said that no specific plan would be set up for all the counties to follow, but that each chairman and his committee would develop the method to be used.

The national USO campaign for funds is well along, most of the states having already held their drives. A total of 64 percent of the national total had been raised as of November 30. It is estimated the USO will need \$19,000,000 to carry on through 1947.

Give Those Cows Water
 A dispatch states that it is estimated that it takes approximately three pounds of water for each pound of milk produced by the average dairy cow. Since this is the case, it is important that we provide plenty of water at the right temperature during the fall and winter months.

Where cows are watered outside it is often true that icy and extremely cold water will prevent the cows from drinking as much as they should. The chill should always be taken out of the drinking water and the herd watered at least twice daily for the most efficient in milk production.

The Plague Of Strikes

Important labor strikes were few and far between up to about a dozen years ago, when the automobile industry became the main target. Then the strike disease spread rapidly to include other important industries.

For the first ten years after the passage of the Wagner Act the records show that there were more than 77,000 cases of labor disputes brought before the National Labor Relations Board.
 Have we got to go on endlessly with labor strikes, which hamstring production and cost labor and management alike millions of dollars? Do they promise any reasonable way of improving our national economy, or in relations between our employing industries and wage earners? Isn't it true that the time lost in most all of these strikes results in greater losses of wages than can be made up in months, or possibly in years? On the other hand, American industries have lost tremendous sums of money and worse, still, every major strike has affected the public and pushed up the cost of living, higher and higher, year after year. Strikes apparently have been encouraged under the policies of the party in power. Congress has made futile "passes" ever since 1933 to solve the strike problem.
 Now, it maybe there is a chance to expand snowdown when the new congress gets into action shortly after the first of the year.

Many Licenses Sold

It appears certain that 200,000 Idaho fish and game licenses will be sold in 1946. That large number of fishermen and hunters was forecast by R. E. Hoffman, chief clerk of the fish and game department, on the strength of a total of 195,626 reported up to the end of November. Never before has the number of sportsmen approached 200,000. The previous record, established in 1945, was 163,000. An increase of 40,000 seems assured this year — which is a boost of 25 percent.

Largest group, of course, are the purchasers of resident fish and game licenses — totaling 158,186 for the

11-month period. Other license sales were: 824 non-resident big game; 1,069 non-resident bird; 10,360 non-resident fish, and 25,187 10-day fish.

It's An Idea!
 Embarrassed parents at Walla Walla confessed to a physician that they can't tell their 10-month-old identical twin daughters apart. Even the doctor who delivered them couldn't tell them apart either, but he fixed that.
 A tattoo mark now easily identifies the twins — so long as they aren't sitting down!

HELLO, THERE, FOLKS:

About Those Baby Chicks: Now is the time to order your baby chicks. We are handling Erving's Winoock Hatchery baby chicks again this year. White Leghorns, New Hampshires, Barred Plymouth Rocks, Rhode Island Reds, Christie New Hampshires and Parmenter Reds are the breeds available. They are all fine chicks, but for extra special chicks order Christie New Hampshires or Parmenter Reds. If you want nothing but the best in either New Hampshires or Reds, try them — they are absolutely the finest chicks available.

The supply of these special chicks is, of course, very limited, so please order as far ahead as possible to avoid disappointment in finding the hatchery sold out. Don't delay! Order your baby chicks today!

A Scotchman, upon entering a western store, asked for a single

spur. "What use is one spur?" asked the clerk. "Well," replied Sandy, "if I can get one side of the horse to go, the other will have to come with it!"

Rastus had just treated his best girl to a restaurant dinner, and, as they departed from the cafe, she said:

"Rastus, don't you know that it is bad form to sop up your gravy with your bread?"

"Liza," he replied, "it might be bad form, but it sho' am good taste!"

"Tell me," a young lady inquired of a well-known bachelor, "didn't you ever intend to get married?"

"I'm afraid not," came the somewhat cautious reply. "The trouble is that every day I find myself growing more particular and less desirable."

RECAP!

IF YOU WANT TO KEEP ON ROLLING!

FOR, FRANKLY — THE TIRE PICTURE IS GETTING WORSE — INSTEAD OF BETTER — AND WE SEE NO CHANCE FOR ANY IMPROVEMENT FOR A LONG TIME!

SO — DON' WEAR YOUR TIRES DOWN INTO "THE DANGER LINE," BRING THEM IN AND LET US HAVE THEM RECAPPED FOR YOU!

FOR TREADS ARE AVAILABLE — MUD AND SNOW BAR, KNOBBY, REGULAR LINE, AND DIAMOND.

WHY SLIP AND SLIDE WHEN YOU CAN RIDE IN COMPARATIVE SAFETY?
