Mr. and Mrs. Henry Brammer, Mr. and Mrs. Geo. Havens, Mr. and Mrs. Ernest Brammer and Mr. and Mrs. Werner Brammer attended the funeral of Grandmother Brammer Friday afternoon at Cameron.

Rayner Havens visited at the Walter Bigham home Friday afternoon.

Dick Benscotter was a Sunday dinner guest in the Warney home.

William Brammer, Carstairs, Alberta, Canada, arrived Thursday morning to be here for his mother's funeral. He was a Thursday night guest of his brother and wife, Mr. and Mrs. Henry Brammer.

Mr. and Mrs. Warney May and son and Mrs. Walter Benscotter and daughters Wilma and Marybeth went to Genesee Saturday evening to witness the basketball game.

Joe Langdon was a Sunday evening caller in the Geo. Havens home.

No More Army Life

Cpl. Wallace Newman, who returned from army of occupation duty in Japan a couple of weeks ago was visiting with friends in town Monday.

Wally says that so far as he is concerned, he's glad his term of army duty is at an end — although he can think of worse jobs.

He had hoped to enter the university at the beginning of the second semester (next month) but due to inability to find a place to stay, will remain at home on the farm until next fall, when he will enter the U. of I.

Wally looks the picture of health, and says he feels that way and is thoroughly enjoying being at home. Also, he hasn't missed a basketball game!

KENDRICK DEFEATS GENESSEE BY SCORE OF 42 TO 36

Saturday evening of last week the Kendrick Tigers invaded the home precincts of the Genesee Bulldogs, and when the "smoke of battle" had cleared Genesee's new score board showed 42 for the Tigers and 36 for the Bulldogs.

Kendrick fans by the dozens made the journey to Genesee to witness the second battle of the season between these two ancient rivals — and crowded the Genesee gym, to capacity, even to the incomplect balcony under construction. That there was rooting on both sides, there can be no doubt, for as one Kendrick fan put it: "I thought the roof would come off a time or two" and the din was so great referees McAvooy and Thissen really had to "put power" behind their whistle blowing.

The game opened with Genesee getting the tip-off, but lost possession of the ball to Kendrick via the foul route, and Kendrick made the gift-pass good to lead 1 to 0.

Gene Brocke dunked one in from under the board to lead 3 to 0, and Kendrick was never headed during the half, the score being 18 to 14 in favor of Kendrick.

Genesee came out in the last half with a rush and ran the score to 27 to 20 in their favor as the third stanza ended.

But this was short-lived, as Kendrick called "time-out," held a "pow-wow," went back in and soon tied the score in the last quarter. Genesee went ahead again, but Kendrick, not to be denied, forged once more to the lead by the foul shot route — Millard converting two gift tosses, closely followed by another basket by the sparkplug of the Kendrick team, Geo. Brocke, who garnered 9 baskets from the field and three points from the free-throw circle for a total of 21 points to top both teams for scoring honors. And from that point Kendrick built the lead into six points for a win.

High scorer for Genesee was Lee with 11, closely followed by Peterson, with 10.

The statistics follow:

Kendrick	FG	FT	PF	TP
Easterbrook	1	2	4	4
Thornthorn	1	1	1	3
Millard	0	3	4	3
Brown	0	0	0	0
F. Dammarell	4	1	3	9
Medalon	0	0	1	0
Brocke, E.	0	0	0	0
Miller	1	0	2	2
Halseth	0	0	0	0
Brocke, G.	9	3	3	21
Totals	21	10	18	42

Genesee	FG	FT	PF	TP
Heimgartner	0	0	1	0
Liberg	0	0	0	0

Peterson	4	2	2	10
Semmes	0	0	0	0
Springer	3	0	1	6
Schwene	1	2	3	3
Totals	16	4	17	36

Score by quarters: 1st, 7-4; half, 18 to 14 in favor of Kendrick; third, 27 to 24 in favor of Genesee; final, 42 to 36 in favor of Kendrick.

The fourth quarter was marked by power drives on the part of both teams, but Kendrick, with the aid of some of the neatest "ball swiping" ever seen, was able to amass 18 points to 9 for Genesee.

Kendrick duly appreciates the fine support given by residents of other towns, a fine staff of Juliaetta rooters helping out Kendrick, as well as almost every local student attending the U. of I. and N. I. 'C.

Kendrick B's Win

As an "eye-opener" to the main contest of the evening the Kendrick B squad defeated the Genesee Bs 29 to 17.

The score book shows the following: Ware, 2; Thornthorn, 2; Millard, 3; White, 0; Dammarell, 15; Christensen, 2; Lyons, 0; Coulter, 2; Israel, 0; Deobald, 2; White, J., 1.

Kendrick Defeats Winchester

In a game on the local floor Tuesday evening of this week Kendrick defeated the Winchester Loggers by a score of 48 to 29, Coach Armitage substituting freely and using complete changes of teams three different times.

At the opening whistle Winchester took the ball and went down court, losing it via the "travel route." Kendrick gained possession, worked it down and Ray Easterbrook plunked it in the first basket. As play progressed every man on the Kendrick team hit.

The score by quarters: 1st, 21-2, Kendrick; half, 26-11, Kendrick; third, 40-22, Kendrick; end, 48-29, Kendrick.

Although obviously laboring under difficulties, the sportsmanship of Winchester is to be commended.

NEWS ITEMS ABOUT LELAND RESIDENTS AND FRIENDS

Homemakers Club To Meet
The Leland Homemakers Club will meet with Mrs. Fred Glenn on Wednesday, Feb. 5, for an all-day meeting. Miss Lucille Eyrieh, home demonstration agent, will be present.

Mr. and Mrs. Marvin Vincent left Tuesday for an extended visit with relatives in Moscow, Spokane and Yakima.

Mr. and Mrs. Ervin Draper entertained with a supper Wednesday honoring their son Ervin's birthday anniversary. Guests were Mrs. Dora Heffel and Mr. and Mrs. Roy Craig and daughter Paige.

Mr. and Mrs. Gus Kruger were Sunday afternoon visitors in the home of Mr. and Mrs. Walter Sillfow.

Miss Lucille Eyrieh and Mrs. Robert Draper spent Thursday with Mrs. Leonard Wolf.

Mr. and Mrs. Chas. Hoffman were Saturday night and Sunday guests in the home of their daughter, Mrs. Donald Morgan and family, at Lenore.

Mr. and Mrs. Roy Craig and Paige and Mrs. Dora Heffel were Sunday guests of Mr. and Mrs. Paul Dagefoerde.

Mr. and Mrs. Robert Draper were Sunday dinner guests of Mr. and Mrs. Joe Piper at Agatha.

Mr. and Mrs. Lloyd Craig entertained with a dinner Sunday for Mr. and Mrs. Jesse Thornton and family, Mr. and Mrs. LaVern Williams of Lewiston, and Mr. and Mrs. Oral Craig and son Ronald.

Mr. and Mrs. Chester Vincent and daughter were Saturday and Sunday visitors in the home of Mrs. Vincent's parents, Mr. and Mrs. R. Robinson, in Clarkston.

Mr. and Mrs. Walter Sillfow were Monday guests of Mr. and Mrs. Herman Sillfow.

Mr. and Mrs. Roy Craig and Mrs. Dora Heffel were Monday dinner guests of Mr. and Mrs. Chas. Craig.

Mr. and Mrs. G. F. Cridlebaugh and daughters were Sunday guests of the J. Bradley family in Lewiston.

Mrs. Mildred Jungert spent the week-end in Clarkston with her parents.

Bill Johnson left Wednesday for Kellogg where he will visit relatives for some time.

Mr. and Mrs. Homer Parks, Mr. and Mrs. Gordon Peters and daughter Darlene and Robert and Ervin Draper were Monday visitors in Lewiston.

Mr. and Mrs. Silvie Cook and daughters were dinner guests in the home of his mother, Mrs. Emma Cook.

Potlatch Creek Up And Down

Saturday evening, following almost two solid days of rain and chinook winds, Potlatch creek was a raging torrent Saturday evening, although lacking some three feet in height to be classed as "flood stage."

Sunday some rain fell during the morning, but about noon the sun came out brightly and a warm wind began drying up the surface water, and Sunday night the temperature dropped below freezing, and with it came the dropping of the creek.

Monday morning the creek was again down to a reasonable stage, although the run-off was still heavy and the water a deep chocolate in color. Monday remained cold and the creek continued its downward trend.

Farmers say the ground is filled to the limit, and they wish for "just enough snow" to give fall wheat a good protective coat. As it is, there is danger of loss from the alternate freezing and thawing.

Hope To Form Scout Troop

The official board of the Kendrick Community church last Sunday authorized the sponsoring of a troop of Boy Scouts. The selection of a troop committee and a Scoutmaster is proceeding satisfactorily, and further details as to actual organization, date, etc., will be announced after the Scout Council leader has been consulted.

This movement is conceded to be one of the finest for youth, and it is sincerely to be hoped that a live organization can be formed here.

There are some 16 boys who have already indicated their intention to join.

N. P. Fireman Hurt

Monday evening around 7:00 o'clock the N. P. highball stopped in town to take on water. As they were getting ready to leave, the fireman, F. G. Nesbitt, of Spokane, slipped on the wet tender deck as he was giving signals, fell to the icy ground below, and fractured his right hip.

An ambulance was called and he was taken to Lewiston to the hospital, where the fracture was reduced.

They asked for no "time out," and played ball all the way.

In the B game which preceded Kendrick was the victor, although Winchester led at the end of the first three quarters. Score by quarters: first, 6 to 7, Winchester; half, 12 to 18, Winchester; third, 20 to 23, Kendrick; end, 35-30, Kendrick.

We are sorry we do not have the box record of the A game.

Receipts from this game are scheduled for donation to the "March of Dimes" fund, and Wednesday morning Supt. Nutting reported receipts of \$101.20, some of which must be expended for tax, so the net donation is not yet known — but it will be a goodly amount.

PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Eugene Stephens, employee of Potlatch Forests, Inc., Lewiston, who has been ill in Lewiston with diphtheria, has recovered sufficiently to return to his home here to recuperate for a few days.

Among those attending the musical "Elizah," presented by University of Idaho singers Thursday evening of last week were Mrs. J. H. Coulter and sons Dick and Edwin, and Mr. and Mrs. Paul Lind and son Eugene. Two former Kendrick students were among the singers — Gay Deobald and Robert Lind. Scotty Coulter, Kendrick, who is teaching at the University, was also one of the singers.

Jasper Nutting was a Spokane visitor over the week-end, returning Monday night.

Mrs. Estella Leith had as dinner guests Sunday Mr. and Mrs. Oscar Slind and children, Mr. and Mrs. Wade Keene and Mr. and Mrs. Roy Ramey and Mr. and Mrs. Ernest Brammer.

GRANDMA BRAMMER, BELOVED PIONEER, PASSES ON

Word was received here last week that Margaret Cook, daughter of Mr. and Mrs. Silvie Cook, former residents here, but now of Lewiston, will enter nurses training at St. Luke's hospital, Spokane, on February 3.

Frank G. Harris, Lewiston, was a Kendrick business visitor Monday.

E. M. White was a Moscow business visitor Friday.

Hiram Galloway returned Saturday morning from Spokane, where he had spent a couple of days on business.

Edwin Coulter was a passenger for Spokane Wednesday morning.

Lloyd Walsh was a Lewiston business visitor Saturday.

Mr. and Mrs. John Kite, returning from Los Angeles, Calif., where they had been visiting their daughter, Mrs. P. J. Style and family (nee Millie Kite) for two weeks, stopped here Saturday to spend the day visiting friends, before going on to their home in Council, Idaho.

Mrs. Clary returned to her home in Seattle last Saturday, after a visit of two months in the home of her brother, Mr. and Mrs. B. F. Nesbit.

Barbara White and Jean Crocker are home from Lewiston for a couple of days this week.

Mrs. Ed. Groseclose of Arrow was a visitor Thursday in the home of Mrs. Paul Lind.

Mrs. Bina Raby left for Cavendish Monday to visit her brother, Mitch Blackburn.

Mr. and Mrs. Frank G. Harris and Jerry of Lewiston Orchards were dinner guests in the Paul Lind home Monday.

Mr. and Mrs. N. E. Walker of Clarkston were Sunday dinner guests in the H. C. Schupfer home.

Bob Watts, Charles and Teddy Deobald and Bob Lind are spending a few days at home this week, between semester exams.

Mr. and Mrs. Raymond Easterbrook spent last Thursday at Lapwai with the Jay Stout family.

Fred Stedman Named Postmaster

The nomination of Fred O. Stedman, acting postmaster here for almost three years, was sent to the senate by President Truman with the list of postmaster nominations, the Associated Press reported.

Tuesday of this week Mr. Stedman received a letter from the "Postmaster's" organization informing him of his appointment, although official word has not yet been received.

Mr. and Mrs. Stedman and family have lived in this community for the past 14 years, and all will be glad to hear the news.

Livestock Show Dates Set

At the Old Union stockyards in Spokane, Feb. 20 and 21, there will be a lamb and hog show and sale open to both juniors and adults for entries. The purpose of this show is to encourage commercial lamb and pig production in the state.

In addition on March 5 to 8, the annual shows and sales of the Inland Empire Shorthorn association and the Northwest Angus association will take place.

Kendrick Students Honored

Gay Deobald, daughter of Mr. and Mrs. W. B. Deobald, was elected recreation co-chairman of the Wesley Foundation, organization of Methodist students at the University of Idaho.

Robert Watts, son of Mr. and Mrs. W. A. Watts, was elected secretary-treasurer of the Campus Club, men's living group at the University of Idaho.

Dance Nets Nice Sum

The "March of Dimes" dance given Tuesday night of last week by the Kendrick Grange, netted the sum of \$75.50 — inclement weather and roads proving no deterrent to those who wished to dance or just to help a good cause.

We feel that the local grange is to be congratulated on their action in putting on the event.

New Highway Foreman

Ernest H. Brammer received the appointment as highway supervisory foreman for this district last Monday and assumed his new duties last Saturday morning, replacing Edgar Long, who has held the position for the past two years.

Ed. Brown will retain his present job.

New Arrival

Mr. and Mrs. Edgar Lackey, Juliaetta, are the proud parents of a son, born to them January 27, weight 8 and 3/4 pounds.

All concerned are doing nicely.

Representatives Visit

Thursday morning of last week Mr. Osberg and Mr. Carlson of the Osberg Construction Co., Seattle, who hold the contract on the Brady Gulch road, were in town examining the survey of the new road, and making preliminary business arrangements.

Tom Long and John Galloway of the Kendrick Highway District took them about town and showed them the new road survey.

Mr. Osberg announced that the company would employ all local labor, with the exception of necessary "key" men. Their equipment will come by rail, and they expect to have a number of pieces here and in operation by February 1st. He stated they planned on a shovel, bull dozers, compressors and trucks to begin with.

This is all mighty welcome news to residents of this area, but especially to American ridge and to Kendrick business men.

WHEAT MARKETS EASIER WITH DEMAND SLOWER

The wheat markets in the Pacific Northwest were generally easier with demand slow during the past week, according to reports to the Production and Marketing Administration by the U. S. D. A. Buying and Marketing Administration of large quantities of wheat by the Commodity Credit Corporation for export in the mid-west and Pacific Northwest markets during the previous week greatly increased the demand for wheat, and to some extent strengthened the markets. When the C. C. C. withdrew from the market early in the current week, prices declined, demand slackened, and trading in wheat became insignificant compared with the large volume that had changed hands during the last days of the previous week. As a result grain prices declined in most all domestic markets, though not sharply, only on certain types and classes of grain. In the Pacific Northwest market prices on the ordinary export classes of wheat were down about 2c per bushel, while some types of high grade milling wheat were down 3c to 6c per bushel. Feed grain prices were also somewhat easier. The tight shipping situation, which has delayed movement of all kinds of grain in this area for several months, has greatly improved and grain is now moving in large volume. Reports from the grain producing areas by representatives of the grain trade indicate crop conditions are generally most favorable and no serious damage to the growing grain crops by recent cold weather has been reported.

Trading in cash wheat at the Portland market has been rather slow and inactive during the past week, reflecting conditions which have prevailed in most grain markets in the country. Prices have been somewhat easier with slackened demand, especially for the ordinary export classes. Milling interests have been in the market for limited quantities of specific types of wheat, but showed slight interest in other classes, especially high grade milling types which declined as much as 6c per bushel. The feed trade is taking only small quantities of feed wheat which is being offered at 2 1/2c to 3c per bushel lower than a week ago. Buyers from the midwest continue to inquire for soft wheat in this area and with the improved shipping conditions more business may be worked in the near future. Receipts at the terminal markets were heavy, reaching the high point for this crop year with a total of 767 cars received at the Columbia river and 627 cars at the Puget Sound terminals for the week, compared with 333 and 707 cars respectively, for the previous week.

Bid prices at the Portland Grain Exchange were as follows: Soft white and high grade, \$1.87; soft white (no Rex), white club and western red, all \$1.88, all per bushel, basis No. 1 bulk, 15-day shipment, coast delivery.

Wheat receipts at Ogden during the week were 84 cars. Prices quoted by Ogden dealers averaged about as follows: Dark hard winter, dark northern spring, hard winter and northern spring, \$1.79; hard white, \$1.79 and soft and western white \$1.75, all per bushel basis, No. 1 grade, bulk.

The San Francisco wheat market turned somewhat weaker during the week, influenced by the decline in other markets and slow local demand. Offerings were also somewhat larger than in other recent weeks and prices were 2 to 5c per 100 lower, compared with earlier in the month. Central California growers were marketing supplies somewhat more freely than in other recent weeks, and offerings appeared from producing areas south of San Francisco. Inter-mountain and Pacific Northwest shippers were also offering wheat more freely, particularly toward the close of the week when the C. C. C. was reported as withdrawing from the market. Larger offerings, however, appeared even more difficult to place than in other recent weeks. Demand for wheat for feeding purposes slackened still further following declines in other feeds and purchases were limited to scattered lots for immediate needs.

The Kansas City wheat market was largely under the influence of C. C. C. buying, past and potential, but the result was a steady to slightly weaker market following the C. C. C. withdrawal from the market. The purchases of C. C. C. for the week totaled nearly 21,000,000 bushels. This heavy movement to fill C. C. C. contracts is expected to curtail local offerings and the market later in the week was not much affected by the withdrawal. Receipts were substantially larger at 1,990 cars for the week, while the out-shipments were nearly 300 cars smaller. Public elevator stocks showed but little change, standing at 5,084,698 bushels, a decrease of only 19,535 bushels. Cash trading was entirely on a flat basis, with demand good all week.

Cash wheat markets at Minneapolis reacted to the tempo of government buying at winter wheat centers with prices holding firm, while government buyers were in the market, but easing quickly as the government support was withdrawn. Domestic flour demand was light but mills continued to sell flour for export and thus furnished a fair buying support to the cash wheat market. Mill buying, however, was entirely on a hand-to-mouth basis, as mills took on only enough to cover daily flour sales, and no more. Minneapolis receipts were moderately good at 1,454 cars. The ordinary grades of milling wheat were down 5c per bushel, while the premium grades declined 6c to 7c.

Pavements Damaged

The alternate freezing and thawing, excessive rainfall and bitter cold of the past few weeks have done a great deal of damage to the oil streets in Kendrick, "water boils" and broken surfacing appearing very frequently.

The broken surfacing is especially true of the school house hill, a block and a half of that paving being an almost total loss as a result of "heaving."

It is very regrettable that this has happened, but when one considers the age of this "spray coated" two block it has stood the traffic remarkably well.

And speaking of roads: If you wear "china choppers" be sure you do no talking when riding between Kendrick and Juliaetta, or you are sure to lose them! We can't blame the road crew, for there is nothing to work with, the road having been worn out for years — but to call such a piece of road a "highway" is a true mistake!

Game Bird Population Up

Orofino, Jan. 25 — Although the game bird population of north central Idaho is the lowest in many years, the turning point has been reached with the upswing attributed to the state's two-year-old hen law.

The statement was made here yesterday by Mike Throckmorton of Coeur d'Alene, one of two bird biologists with the state game department now working under the provision of the federal wildlife restoration act, upon his completion of a survey of game bird conditions on Camas prairie and the Kamiah bird refuge.

He said the chief limiting factor working against a more pronounced increase in birds on Camas prairie is an acute shortage of cover locations. Pheasants are in excellent condition for this time of year, he declared, but a great deal of waste grain is not being utilized for lack of birds. — Lewiston Tribune.

Our note: We'd like very much to have Mr. Throckmorton survey this section. He would be hard put to find enough birds to determine their condition! And as for the bird population being on the "upswing" well, frankly, we doubt that statement.

Church Undergoing Repairs

The Kendrick Community church is undergoing repairs at the hands of Walter and Orville Sparber. The big chimney, damaged during the severe storm of some weeks ago, is being rebuilt, and various repairs are to be made in the basement.

Parents Of Son

Mr. and Mrs. Ross Hazeltime, Lewiston, are the parents of a baby son, who arrived at their home on Tuesday, January 21, weight 6 pounds and 10 ounces.

Mrs. Hazeltime will be remembered as Miss Leila Riley.

Basketball His Downfall

Neal Erlewine, son of Mr. and Mrs. G. L. Erlewine, Southwick, had the misfortune to fall and break both bones in his right forearm while practicing basketball in the Southwick gym. Saturday evening.

Undergoes Surgery

Neal Vaughn, Southwick, was operated on for hernia last Monday at St. Joseph's hospital, Lewiston. He is getting along nicely.

KENDRICK SCHOOL NOTES

Grade News

The fifth and sixth grade room elected new officers as follows: Ann Kanikkeberg, president; Ronald Craig, vice president; James Travis, secretary-treasurer; Lee Jones and Donald Ingle, librarians.

Those who had perfect attendance for the second nine weeks are: Zelma Candler, Donna Lee Knox, Kenneth Gruell, Donald Ingle, Donna Kanikkeberg, Arlene Maynard and James Travis.

The fifth and sixth grades have turned in \$12.50 for the current "March of Dimes" drive.

Game

The Leland Grade school came down Wednesday of this week to play the Kendrick Grade school a game of basketball. Leland won from Kendrick by a score of 27 to 12.

More Sugar From Beets

The production of more sugar from each ton of beets, with a number of valuable by-products in addition, is in store for sugar beet growers in Idaho in 1947 according to R. H. Cottrell, vice president of the Amalgamated Sugar company. His prediction is based on a new refining process known as "ion-exchange."

During the past year the Amalgamated sugar factory at Burley, which operated a pilot plant, found the operation and sugar production "so completely satisfactory and assuring" that they have almost completed construction of their full scale \$500,000 sugar ion-exchange mill at Twin Falls.

In addition to recovering more sugar, additional by-products such as ammonium sulphate, phosphates, betaine, sodium glutamate and others will be recovered. The new process eliminates lime, coke and sulphur in the manufacture of beet sugar, substituting for them sulphuric acid and anhydrous ammonia as the purifying agent.

Our Comment: That will give just that much more sugar to ship to Japan, Korea, Russia, etc., and for the manufacture of rum — without the danger of cutting down on domestic supplies as rationed today!

Swine Sale To Be Held

Top quality consignments from nearly every leading herd in the state of Idaho, and several from the state of Washington, are entered in the bred gilt sale which is to be held in Moscow, Friday, Feb. 7. This sale is sponsored by the North Idaho Swine Breeders' association, which offers two sales of registered hogs each year. Purebred and commercial hogmen alike agree that prospects are now much brighter for profitable swine production, so there is an active interest in the bred gilt market.

Gilts entered in this sale are not only high class individuals, but are guaranteed to be safe in pig, are negative to the brucellosis blood test and have been treated for crysipelas and cholera. This is the first time that such extensive disease control regulations have been required in any hog sale in the northwest. It is also the first time that out-of-state entries have been allowed in a North Idaho Swine sale. All such entries were accepted by invitation only. Complete registration papers are furnished with each gilt sold.

Over 50 head of gilts are consigned. Breeds include Chester White, Durocs, Herefords and Poland China. Elbert McProud, Moscow, manager of the sale, states that catalogues can be obtained by request through his office.

Survivors Benefits Available

Idaho death records are being searched in an effort to locate the families of World War II veterans eligible for survivors benefits, through joint efforts of the Social Security administration and the division of Vital Statistics of the Idaho department of public health.

Claims for benefits must be filed by February 10, for back payments on deaths occurring before August 10, 1946. Edna L. Alvis, manager of the Lewiston office of the Social Security administration says.

All survivors of veterans who died after military discharge are urged to contact her office immediately. The office is located at Room 2, Post Office Bldg., Lewiston.

Benefits resulting from deaths occurring after August 10, are retroactive for three months from the time a claim is filed. It is not necessary for the veteran ever to have worked in social security employment for his family to receive survivors benefits. It is necessary, however, for the veteran to have died after discharge from service.

Large Bounty On Magpies

The Idaho Fish and Game commission has set the bounty on magpies at 7c per head during the 1947 season. This action was taken on January 17, and is effective on that date and until December 31. This makes the bounty payable the entire year. The bounty is payable on adult magpies.

The usual means of collecting the bounty will be used. Individuals will deliver magpie heads to representatives designated. According to the custom which the department hopes will be continued, and has authorized, as far as its part in the program is concerned, heads are paid for locally, and vouchers are then submitted to the department for reimbursement, dollar for dollar.

During 1945 and 1946 approximately 110,000 magpies were turned in for bounty in Idaho. With the continuous payment of the bounty it is hoped this total can be increased, to the benefit of wildlife.

Red Cross Officers

New Red Cross officers elected for the coming year are: Dr. G. W. McKeever, president; Mrs. J. G. Travis, vice president; Mrs. A. O. Kanikkeberg, treasurer, and Mrs. G. W. McKeever, secretary.

Grange Meeting Tuesday

The regular monthly business session of the Kendrick Grange will be held Tuesday evening, February 4. All members are urged to attend.

Trade with the home-town merchants. Honest dollar values are always their aim.

AMERICA TODAY IS VITAMIN CONSCIOUS!

YES — Vitamins rate as the third largest selling item in drug stores across America.

We know that there are many people who think they are somewhat silly. They say: "My folks raised me without 'vitamins', so I can raise my kids without them."

Yes, there are those people who don't feel a change is necessary. You still don't plow with horses, do you? — Yes, you saw the advantages in coming up to modern times by buying a tractor. Isn't it just as reasonable that you might still be behind times by neglecting your necessary vitamins. They are just as necessary for the older people as for the young. And for the best, get "Plenamins."

JOBS! JOBS! JOBS!
40,000
OF THEM AND ALL ARE GOOD
 Here Are a Few Examples

- SURVEYORS
- ATHLETICS INSTRUCTORS
- POWER LINEMEN
- CONSTRUCTION WORKERS
- WAREHOUSE FOREMEN
- GUARD-PATROLMEN
- OFFICERS
- FINANCE CLERKS
- ARMORERS
- SIGN PAINTERS
- STRUCTURAL STEEL WORKERS
- WEATHER OBSERVERS

FORTY THOUSAND
 That's the number of good jobs now available every month in the new Regular Army. Jobs so numerous and diversified that they appeal to all types of people and utilize all sorts of talent. Jobs that may mean turning point in your career giving it the direction and purpose that leads to success. Consult the full list at your nearest U. S. Army Recruiting Station. Then make your choice.

GOOD JOBS
 Whatever trade or profession you choose, your job in the United States Army will be a good one. It will mean high pay. Statistics show that in order to equal the benefits provided by the Army—in base pay allowances, maintenance, privileges, and retirement—a civilian who is single, would have to earn \$3,300 a year. It will mean maximum security both now and in retirement.

A MONTH
 While 40,000 good jobs are available each month, the choice range is constantly being narrowed as quotas in the various branches are being filled. To take full advantage of the Army's new program you must act now! If you are between the ages of 18 and 34 (17 with parents' consent) and physically and mentally fit, inquire today at

the Municipal Bond Law of the State of Idaho; said bonds shall be issued in strict conformity with and under the authority of said "Municipal Bond Law" and all acts amendatory thereof.
 All bonds of said bond issue maturing at any time on or after seven years from date of issue shall be redeemable at the option of said Village on any interest payment date on or after the expiration of one year and after one publication in any newspaper published in Latah County, Idaho, of a call for payment of such bonds as may be in said call designated for redemption prior to maturity and after said designated redemption date no further interest shall be paid on said bonds so called for payment.
 None of said bonds shall be sold for less than par and accrued interest to the date of delivery thereof. Sealed bids for said bonds, as required by law, are hereby requested; bidders shall submit sealed written bids specifying:
 (a) the lowest rate of interest and premium, if any, above par at which the bidder will purchase said bonds; or
 (b) the lowest rate of interest at which the bidder will purchase said bonds at par;
 and each such bid (except any bid by the State of Idaho or its Department of Public Investments) shall be accompanied by a certified check payable to the Village Treasurer of said Village of Juliaetta, in an amount equal to five per cent (5%) of any such bid, or by cash deposit in like amount, which such certified check or cash deposit shall be returned immediately to any such bidder whose bid is not accepted, and which such certified check or cash deposit of any successful bidder, if he completes such purchase, will be applied as part payment on the purchase price of said bonds, but which such certified check or cash deposit of a successful bidder, if he shall fail, neglect or refuse to accept the bonds so sold and to complete such purchase and pay for said bonds in accordance with the terms of said successful bid within thirty days following the acceptance thereof, shall be forfeited to said Village.
 Sealed bids for said bonds will be received by the Board of Trustees of said Village at any time prior to 7:00 o'clock P. M., on February 24th day of February, 1947, at the Village Hall of said Village of Juliaetta, at Juliaetta, Latah County, Idaho, at which time and place the said Board of Trustees of said Village will meet at public meeting for the purpose of considering all bids received for said bonds and for the purpose of awarding such bonds, or any part thereof, which may be deemed advisable, or rejecting any and all bids, which right is hereby reserved to said board.
 All bids for said bonds shall be unconditional.
 At such meeting or at any adjournment thereof the said bonds shall be sold to the bidder making the best bid therefor subject as aforesaid to the right of such Board to reject any and all bids and said Board will, in event no bids be received at the time hereinabove fixed or in event said Board rejects all bids submitted, offer said bonds for sale at any adjourned meeting of said Board had and taken pursuant to this paragraph and pursuant to law and in such event bids will be received under the same conditions hereinabove stated at any time prior to any such adjourned meeting, which adjourned meetings, if any, will be held at the same place and at the same hour as hereinbefore fixed at weekly intervals after said sale date.
