NO. 10

PERSONALS AND NEWS ON AMERICAN RIDGE

Mr. and Mrs. W. B. Deobald spent Sunday afternoon, a week ago, with his mother, Mrs. Mary Deobald.

Mr. and Mrs. Harry Benscoter spent Monday evening with Mr. and Mrs. Walter May. On Tuesday Mr. May and Mr. Benscoter were business callers in Moscow.

Mrs. E. P. Roberts called on Mrs. Mary Deobald Thursday of last week — taking her over a piece of birthday cake.

Mr. and Mrs. Bruce Glenn and daughter spent Sunday afternoon with Mr. and Mrs. Andy Cox.

Red Cross will meet Friday afternoon, March 14, at the home of Mrs. Nora Callison.

Mr. and Mrs. Robert Cain were Lewiston business visitors Saturday.

Mr. and Mrs. George Havens and four sons were Sunday dinner guests of Mr. and Mrs. Oscar Kellberg and family of Burnt ridge.

Mrs. Mary Deobald was a dinner guest of Mr. and Mrs. E. A. Deobald Tuesday.

There were many from this ridge in attendance at the tournament in Lewiston last week. We won't try to name them.

Mr. and Mrs. E. P. Roberts were in Moscow on business Tuesday.

Mrs. Harry Langdon, who is cooking at the school in Kendrick, spent the week-end at her home here. Mr. Langdon took her back to Kendrick Sunday evening.

Larry Langdon was a Saturday dinner guest of Mr. and Mrs. Lyle Trout.

Mr. and Mrs. Perry Mattoon, Mrs. Harry Benscoter and Miss Rilla Davidson attended the play, "Sing, Singletown, Sing," at Moscow Friday evening, a presentation by University of Idaho students. Bill Davidson, son of Mr. and Mrs. George Davidson, and a former ridge resident here, had one of the leading roles.

Harry Langdon was a Moscow caller last Wednesday on business.

Mrs. George Havens attended the Missionary Society meeting of the Westdale Lutheran church in Troy, last Thursday.

Joe Langdon was a Sunday evening guest in the George Havens home.

Mr. and Mrs. Bruce Glenn and daughter visited Saturday in the Walter Bigham home.

Mr. and Mrs. Bruce Glenn received word that they have a new niece, born March 3, at the Moscow hospital, to Mr. and Mrs. Guy Kitch of Troy, weighing three pounds.

Walter Benscoter and daughters Jorene, Judy and Priscilla, and Teddy Havens are on the sick list this week.

Mr. and Mrs. Bert Davis of Pullman spent the week-end with Mr. and Mrs. Wayne Davis. Mr. and Mrs. Davis' guests on Sunday, to celebrate Wayne's birthday anniversary, which came on Wednesday, March 5, were: Mr. and Mrs. Bern Davis, Mr. and Mrs. Glenn Fockler and daughter, Mrs. Fockler, Mr. and Mrs. Stewart Fockler and daughter, Mr. and Mrs. Roy Yarnell and baby son of Pullman, Mr. and Mrs. Bob Warwick of Rockford, Wn., Mr. and Mrs. Milburn Storey and son Ray of Endicott, Wn., Mr. and Mrs. Harry Jones and son Dale, and Donnie Yarnell, all of Moscow. Mrs. Fockler remained for a longer visit.

Bill Cox, Ferdinand, and Betty Utt of Cottonwood were Saturday and Sunday guests of Mr. and Mrs. Andy Cox.

Mr. and Mrs. C. Dougharty returned home last week-end from Boise and Eagle, Idaho, where they spent the winter.

Mr. and Mrs. Ed. Kent drove to Moscow Tuesday evening to meet a stage and get their daughter-in-law and granddaughter, Mrs. George Kent and Betty Jo, of Boise, who will visit in their home for a while.

Marybeth and Wilma Benscoter stayed in Lewiston during the tournament, with their grandmother, Mrs. Frankie Benscoter, Sr.

Mr. and Mrs. Harold Roberts and baby were in Lewiston Tuesday.

Mr. and Mrs. Werner Brammer were Sunday dinner guests of Mr. and Mrs. Henry Brammer. Mr. and Mrs. Werner Brammer have moved back to their ranch at Southwick, after spending the winter in Kendrick.

Washing Streets

Jack Kuykendall began the washing of Kendrick's paved streets Tuesday morning, and when forced to quit by traffic, had completed the cleaning of two blocks — and a vast improvement in appearance can be seen.

The paved (or oiled) sections of local streets are so short that cars and trucks coming in from country roads have no opportunity to "drop" their mud before coming onto the main street — so keeping them clean has always been a problem.

Still Gravely Ill

Latest report on Mrs. N. B. (Grandma) Long, is that her condition is considered grave. She is perhaps a little weaker than at this time last week.

However, hopes are still held for her recovery.

Entertain Basketball Squad

The Kendrick Athletic club was the host for the Kendrick High school basketball team, its coach, Ross Armitage, and Yell Queens Nellie Fry and June Brown at a sumptuous chicken dinner at the Kendrick Cafe Tuesday evening.

Stanley Kuykendall, club manager, acted as host for the club.

Leveling Ground For Home

Saturday and Sunday a bulldozer belonging to Elmer Fraser was working on the schoolhouse hill, finishing the leveling of ground for the new home of Mr. and Mrs. Arthur Fraser, and also finishing the leveling of ground for a home for Mr. and Mrs. Tom Keene.

Mr. and Mrs. Keene purchased one and a half lots from P. C. McCreary, just west of his home, and hope to begin construction work soon. This ground, already partly level, did not require a great deal of bulldozer work.

PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Mrs. Frank Rowe, Spokane, is visiting her sister, Mrs. LeCornu, this week.

Students home from the U. of I. for the week-end were Bob Watts, accompanied by a friend, Ed Gill; Charles and Teddy Deobald, Ossie Kanikberg and a friend, Don Mitchell, and Tommy Brown.

Mr. and Mrs. H. C. Schupfer had as Sunday guests Mr. and Mrs. Norris Walker and Mr. and Mrs. Warren Berry.

Mrs. Wayne Hoskins underwent a tonsillectomy on Monday of last week.

Mr. and Mrs. Walter McCall and son Bobby drove to Moscow Sunday to spend the day with Mr. and Mrs. Wm. Wolff. Mr. Wolff has been quite ill.

Mr. and Mrs. Vernon Bogar and baby of Lewiston spent the week-end with their parents, Mr. and Mrs. Floyd Millard.

Everett Key of Spokane was down for the week-end.

Mr. and Mrs. Walter McCall have received word that their son, Walter, Jr., was promoted to MOMM 3/4 and Dick had received a transfer to hospital apprentice, pharmacy. Both are in the navy.

Mr. and Mrs. Herman Schupfer, accompanied by Mr. and Mrs. Otto Schupfer, attended a banquet at the Lewis-Clark hotel Monday evening, given by the Interstate Telephone company for its employees.

Mrs. L. J. Herres is spending this week in Spokane with her daughter, Mrs. Jack Johnston.

To attempt to name all those ill with flu or severe colds would be an impossibility, but there are many. Attendance at the local schools has also been hit by the epidemic.

Mr. and Mrs. Gordon Harris were business visitors in Lewiston Friday.

Mr. and Mrs. Leon Lind and children of Gifford were week-end guests in the home of his parents, Mr. and Mrs. Paul Lind.

Mrs. Ig. Flaig, Coeur d'Alene, has been visiting her mother, Mrs. Estelita Leith, several days this week.

Mr. and Mrs. Wm. Watts were Craigmont business visitors Tuesday.

Mrs. W. W. Eldridge accompanied Mrs. Thompson, her house guest, to Garfield, Monday, returning that night on the train.

To attempt to name all the people attending the basketball tournament at Lewiston on even one day, not to mention the four, would be utterly impossible, but we can safely say that Saturday evening the town was as nearly deserted as one could find it for that night of the week — for once, one could park almost anywhere on Main street. The confectionaries report a bigger business from 11:30 until 1:00, than the period before.

Mr. and Mrs. Herman Schupfer left for Spokane today (Thursday) where Mr. Schupfer will be among the 343 veteran employees of the Washington Water Power company to be honored at the 9th Annual Trailblazers' banquet in the Davenport hotel this evening.

Mr. and Mrs. Charley Candler have returned from an extended visit with relatives in various sections of the country and have again taken up their residence here.

Pvt. Jerry Candler, who is stationed at Geiger Field, Wash., spent the week at his home here.

Lapwal Drill Team Visits

The Lapwal Grange drill team, 18 members strong, plus a number of others visitors from Lapwal, Troy and Moscow, joined the local Grange for a meeting and initiation ceremonies last Tuesday evening, there being a total of 79 present.

New members taken in were Mr. and Mrs. Bud Fey and Mr. and Mrs. Chas. Andres.

A short program was held. Musical numbers were a duet by Mrs. E. M. White and Mrs. Floyd Millard, and a solo by Roy Ramey. Ira Foster gave a reading.

The program was followed by refreshments, served in the banquet room by the hospitality committee.

Among those from out of town present were Mrs. Roy Hanlin of Moscow, state lecturer; Mrs. Reta Paris of Lapwal, state Flora; and Mr. Paris, Pomona Grange Master of Nezperce county.

Present At Dr. Christian Show

Miss Irene Heimgartner and her father, Ernest Heimgartner, of Cameron, were special guests of Jean Hersholt at the star's "Dr. Christian" broadcast, during the Heimgartner's visit to relatives in Hollywood. Mr. Heimgartner is a well known farmer at Cameron. They were greeted backstage by Hersholt at the conclusion of the broadcast.

Sell Out At Cafe

A deal was closed last week whereby Mr. and Mrs. Jack Aggar disposed of their interest in the Kendrick Cafe to their partners, Mr. and Mrs. Salhus.

Mr. and Mrs. Aggar announce that their plans for the future are rather indefinite.

HENDRICK TIGERS TAKE DISTRICT CHAMPIONSHIP

Saturday evening's play saw the Kendrick Tigers, under the direction of Coach Ross Armitage, emerge from the seasons conference play; sub-district tournament, and the district tournament, without a single defeat, and with two more beautiful trophies to go into the school cabinet. Below is an account of the games they played on Wednesday, Thursday, Friday and Saturday.

Wednesday's Play:
Troy 32 — Genesee 26.
Nezperce 39 — Grangeville 35.
Orofino 35 — Pierce 18.

Kendrick 37 — Kamiah 18
The Kendrick Tigers showed scoring power to spare and a tough defense as they swamped Kamiah 37 to 18 in the second game of the afternoon session. Kendrick lead every quarter with scores of 8-3, 21-4, 30-9 and the final 37-18.

Close checking and tough luck on the boards held Kamiah to a single field goal during the first half. Kendrick opened slowly but rolled in the second quarter to score 13 points as Dammarell and Brocke paced the attack.

Kamiah showed smoother passing and more power in the final quarter when they scored 9 points. The hard driving Tigers carried the battle to Kamiah throughout the entire game. Millard, Kendrick forward, scored 9 points and Wilkins, Kamiah center, hit for 7. The box score follows:

Kendrick (37)	FG	FT	PF	TP
Easterbrook, f	1	0	5	2

Thursday's Play

Battling high school class B basketball teams at the central Idaho district tournament found their ranks thinned to four teams Thursday night at the close of the second day of play at the N. I. T. C. gymnasium in Lewiston. Kendrick and Nezperce remained undefeated and meet Friday morning at 9:30. Pierce and Genesee, each with one defeat, will meet at 10:45 with the loser eliminated.

Scores Thursday were:
Genesee 25 — Kamiah 22.
Pierce 40 — Grangeville 26.
Nezperce 31 — Orofino 23.
Genesee 30 — Troy 29.
Pierce 35 — Orofino 31.

Kendrick 49 — Troy 29
In a thriller that had fans on their feet most of the action-filled last four minutes, Kendrick subdued the fighting Troy quintet 49 to 29. The aggressive Kendrick Tigers lost no time in moving to a 7-1 lead in the first three minutes of play. The Kendrick forwards moved fast and took the ball away from the dazzled Trojans many times during the first quarter action, which ended in Kendrick's favor 12 to 7.

The Tigers maintained their lead during the second quarter and paced Troy at the half time 22 to 15. However, The Trojans fought back savagely in the third quarter and tied the score 24 to 24, with Hugh Edgar, forward, pacing the Troy offensive. During this period, with Kendrick out in front 24 to 20, Troy center, Howard Campbell, shortened the distance to 24 to 22, with a beautiful field goal. Hugh Edgar then slipped in under the basket and dropped in another to tie the score.

When the horn sounded the opening of the fourth period, Hugh Edgar made two more field goals to give Troy a 28 to 24 advantage. Kendrick struck back with a field goal by Frank Dammarell, center, and a foul shot by Dee Miller, guard, to cut down the Troy lead to one point. Kendrick Forward Herbie Millard then took the Tigers out of the losing column with a field goal and a foul shot to make the score 30 to 28. Brocke, Dammarell, Millard, Easterbrook and Brown of the Tigers then proceeded to pile up 18 more counters in a whirlwind finish to give the Tigers a comfortable but hard-won victory.

Millard with 15 and Dammarell with 11 paced the victors. Hugh Edgar with 14 was the high point man for Troy.

The box score follows:

Kendrick (49)	FG	FT	PF	TP
Easterbrook, f	3	0	1	6
Thornton, f	0	0	0	0

Friday's Play

Kendrick and Genesee high schools fought their way into the finals of the class B Central Idaho District Tournament at the N. I. T. C. gymnasium as a result of play Friday. Kendrick disposed of Nezperce 41 to 27 in the first game of the morning

Beautiful Weather Still Holding

The beautiful spring weather of the past two weeks is still holding, with warm, sunny days, although there is a bit of chill at night, with a white frost.

Snowdrops and crocus are blooming, daffodils are starting to bud, as are early shrubs and trees, and lawns are acquiring the emerald green color that means they are growing. Almost every day the sky carries columns of smoke as residents press spring cleaning in their yards and gardens.

Of course, we must not get too optimistic — as this is March.

DAMMARELL-BRANTING NUPTIALS SOLEMNIZED

Miss Dorothy Marie Dammarell, daughter of Mr. and Mrs. E. M. Dammarell, Kendrick, became the bride of John H. Branting, son of Mr. and Mrs. Oscar Branting, Moscow, Sunday, March 2, at 2:30 p. m., at the Methodist church, Moscow, with the Rev. Goldner officiating.

Vases of pink snapdragons and yellow daffodils, with lighted candles provided the altar setting. Miss Simpson, Troy, sang "Always" and "Because."

The bride, given in marriage by her father, wore a robin's-egg blue suit and matching hat. Her flowers were a corsage of white gardenias and pink rosebuds.

The bridal couple's attendants were Mr. and Mrs. Patrick McAvoy, brother-in-law and sister of the groom. Mrs. McAvoy was attired in an apple green suit, and wore a corsage of rose-gardenias and white rose buds.

Only immediate relatives were present at the ceremony.

Following the wedding a reception was held in the church parlors. Centering the lace-covered table was a large tiered wedding cake, topped with a miniature bridal pair.

Reception assistants were Mrs. John Scott, Troy, and Miss Wanda Branting, Moscow, sisters of the groom; Mrs. Edgar Long, Kendrick, an aunt of the bride. Mrs. Pat McAvoy had charge of the guest book.

Immediately following the reception the couple left on a honeymoon trip through Idaho, Utah, California and coastal points.

The bride is a graduate of the Kendrick High school, and the groom received his education at Troy.

After March 20 Mr. and Mrs. Branting will be at home in Troy to their many friends.

Kendrick Trounces Genesee

Kendrick drove to the central Idaho Class B basketball title by soundly trouncing Genesee 42 to 26 at the N. I. T. C. gymnasium Saturday night before a capacity crowd. The Genesee team was weakened by the loss of two first-string men, Don Johnson, forward, and Dick Springer, guard, who their coach, Garry Hammond, announced had been taken home Saturday morning suffering from severe colds. Both Kendrick and Genesee will enter the north Idaho Regional Class B tournament at Coeur d'Alene on March 20, 21 and 22.

In the title game the Tigers moved out in front from the opening basket and completely routed the patch-up Genesee team. So obvious was the difference in the power of the two teams that the game was played in almost absolute silence. Old timers could not remember a game when the spectator noise was so conspicuous by its absence.

Eight of the ten Kendrick players hit the scoring column with Herbie Millard leading with 10 counters. Dammarell, Kendrick center, hit for 7 points; Burt Peterson, center, hit 6 points for Genesee, as did Don Lee, forward. The quarter scores, with Kendrick leading all the way were: 12-4, 21-7, 33-19, and the final of 42-26 — Kendrick still maintaining its 40-point per game scoring average.

The Kendrick team displayed the smooth passing and accurate shooting that has characterized its play all season. The ability of nearly every team member to check the opposition full-floor was a real asset throughout all tournament play.

The Tigers, throughout this game, used the man-to-man defense, and held Genesee far out from the basket. The Genesee Bulldogs used the zone defense, which always means a somewhat slower floor-play. A total of 31 fouls were called on the two teams.

The box score follows:

Kendrick (42)	FG	FT	PF	TP
Easterbrook, f	1	1	3	5
Thornton, f	1	1	2	3
Millard, f	4	2	2	10
K. Brown, f	2	0	2	4

Halftime score: Kendrick 21, Genesee 7.

Lloyd Harris, chairman of the Lewiston Chamber of Commerce athletic committee, presented the championship trophy to Coach Ross Armitage and Dee Miller, team captain, and miniature silver basketballs to all team members.

The second place trophy was presented to Coach Garry Hammond and team captain Don Lee of Genesee.

All-district (or all-tournament) awards, as district officers prefer to call them, awards of miniature gold basketballs were presented to 10 players from seven class B teams

WHEAT FUTURES MARKETS CONTINUE TO ADVANCE

Strength in wheat futures in the mid-western markets was reflected in the cash wheat markets in the Pacific Northwest during the past week, according to the Production and Marketing Administration, U. S. D. A. Cash wheat prices in the local markets in this area advanced only about one-half as much as the futures, with prices on the principal export classes of wheat 4c to 6c per bushel higher as compared with a week ago. Demand for wheat was not particularly aggressive and trading was rather light, as the outlet for wheat at the higher prices was limited. The Commodity Credit Corporation was not active in the market and was reported to have declined wheat offered at the higher prices. Reports in the trade indicate that the C. C. C. has become more interested in corn than wheat, and the prospect of large purchases has caused an advance in cash corn prices. Barley and oats were also in good demand at slightly higher prices.

The cash wheat market at Portland has partially reflected the advances in eastern futures during the past week. Bid prices on the Portland Grain Exchange the last day of the period for export classes of wheat were 1c to 2c per bushel higher — higher than the high point for many years, reached the previous week. Even at the higher prices, trading was reported to have been rather light, as the grain trade generally hesitated to make large purchases of cash wheat at the upped prices, without a broad demand and important outlets. The demand appeared to be rather limited, with milling interests confining their purchases to small quantities of very high grade, or rather low grade wheat for a special type of flour for use in the near future. There was also some demand from milling interests in the mid-west for lower grade soft white or western red wheat, but the volume sold was not large.

Receipts at the terminals were very much less than the previous week, with only 391 cars reported at Columbia river terminals and 364 at Puget Sound, compared with 734 and 563, respectively, for the previous week. Bid prices on the Portland Grain Exchange were as follows: Soft white, \$2.05; soft white (no Rex), white club, western red and ordinary hard red winter, \$2.06, all per bushel, basis No. 1, bulk, 15-day shipment, coast delivery.

Wheat receipts at Ogden for the week were 96 cars, compared with 120 cars the week before. Prices were considerably higher and averaged about as follows: Dark hard winter and dark northern spring, \$2.23; hard winter, northern spring, hard white, soft white and western white, all \$2.10 per bushel, basis No. 1 grade, bulk, f. o. b. Ogden mills.

The San Francisco wheat market turned somewhat stronger during the past week, with prices generally about 2½c per 100 higher, compared with a week ago. Sharp advances in other domestic markets were largely responsible for firmness in that market, since local demand was not especially active and central California offerings appeared fairly liberal. A number of central California growers marketed their wheat quite slowly in the year and were now offering these supplies because of recent advances and approaching tax assessment time. Receipts from other areas were quite small since gains in Pacific Northwestern and Intermountain markets recently have been relatively larger than in California. On the other hand, demand was inclined to be slow and takings were limited to small lots for immediate needs.

Cash wheat in the Kansas City market followed the advance in futures and premiums for high grade milling wheat also advanced. Although wheat receipts continued at or near a high record there was no let-up in demand for supplies by all branches of the trade. Announcement that C. C. C. export needs had been covered had little effect on the local demand for all offerings. At the close of the period, trading was based on 5c to 5½c over the future for No. 1 ordinary.

Grain markets at Minneapolis kept up plenty of steam during the week and advanced to new seasonal high points. Announcement of April export allocations of nearly 58,000,000 bushels of grain and grain products kept domestic users on edge as domestic needs and foreign movement absorbed terminal grain receipts as fast as they arrived. Rye prices, up 7c to 8c for the week, and cash wheat, although "blowing hot and cold" averaged higher for the week. Mills were active in the market one day, only to withdraw the next, as they purchased only to cover immediate needs.

Get License Number Of Driver

Mr. and Mrs. W. A. Watts, accompanied by Mr. and Mrs. E. A. Deobald, were returning from the tournament at Lewiston Saturday evening, when the brand new sedan driven by Mr. Watts was struck by a car driven by Chester Qualey of Genesee, and damaged to the amount of \$60 (estimated) inflicted on the Watts machine. Following the crash Qualey fled the scene.

After lifting up the fender so they could travel, the Watts' car gave chase, and was able to get the license number of the car hitting them. Mr. Qualey was arrested at the Frye hotel, Lewiston, and after spending several hours in the city jail paid a fine of \$300 and \$5.40 costs for drunken driving.

Moving To City Property

Mr. and Mrs. Arthur Fraser moved this week to the city house near the baseball diamonds, formerly occupied by Mr. and Mrs. Bob DePeel and family.

Mr. and Mrs. Fraser and son have been living at the home of his parents, Mr. and Mrs. Everett Fraser, for some months — unable to find a house.

Groundhogs Are Out

Ernest Brammer and Ed. Brown of the state highway department, report seeing a groundhog every now and then, as do farmers in the area, but to date we have not heard of a single squirrel being sighted — and we are beginning to wonder if they have joined the "dodo bird" and other birds and beasts in the limbo of the past.

Undoubtedly farmers would welcome the complete extinction of this pest, but it would certainly be regretted by sportsmen, who counted "squirrel shooting" as one of the great national sports. Only time can tell.

Congratulations!

We feel congratulations are in order to our basketball team and their coach for the fine showing made in the past playing season.

The people of this community and surrounding country have backed you to the limit, and you have come through each contest, better than had been hoped for.

Above all, we glory in the fact that no matter how tough the going, you never let the public down. Keep this in mind wherever you are — in sports — in the general walks of life — and you will, we are sure, make your place in the world.

The best of luck to you at the Coeur d'Alene tournament. We are behind you!

GOLDEN RULE

Women of the community recently gathered at the Glen Betts home to quilt for the teacher Mrs. Laura Jones.

Donna Walcott is staying with her sister Mrs. Ernest Cowger while her parents Mr. and Mrs. Ed Walcott, took the body of the late Mead Huff to Shadran, Neb., for burial. He passed away with a heart attack the 19th of February while at work at Lake Side, Wash.

Mr. and Mrs. Wm. Cuddy returned to Camp Wednesday after spending a week at the Glen Betts home.

Mr. and Mrs. Carl Finke and Sharon were Moscow and Lewiston Wednesday.

Mr. and Mrs. Oscar Laurence and Evelyn Kazda were among Lewiston visitors Thursday.

Mr. and Mrs. Abner Cowger and children had supper at the Will Jennings home Wednesday evening in honor of Billy Cowger's 12th birthday anniversary.

Mrs. Carl Finke and Sharon visited school Friday and had dinner with the children in honor of Jimmy Finke's 11th birthday.

George Finke Sr., Mr. and Mrs. Glen Betts and Eugene were Sunday dinner guests at the Carl Finke home.

Mrs. Roy Martin is home this week caring for her grandsons while their parents Mr. and Mrs. Dewey McAllister are gone, being called to Montana by the death of his sister.

Mrs. Lyle Goffinet and children of Orofino spent several days at the W. A. Cowger home the past week.

Make And Model Your Own

"Make and Model Your Own" is the motto of rural girls who are participating in the 1947 National 4-H Dress Revue.

With clothing fabrics now available in greater volume and variety, the youthful seamstresses are designing their "best dress," which they will model in the County 4-H Dress Revue. All blue award winners in this event will receive silver medals of honor. Those between 14 and 21, who have completed three years in club work, may compete in the "State Dress Revue," which will be held later. The state winner will receive an all-expense trip to the 1947 National 4-H Club Congress, Chicago, next November. Each state winner participating in the national 4-H Dress Revue presentation at the club congress will be given a \$25.00 U. S. Savings bond.

In this activity, which is conducted under the direction of the Extension Service, participants' outfits are judged on style and design, suitability of material to purpose and workmanship, becomingness of color and fit, and cost. Grooming, posture and poise of the participants are also taken into consideration. Complete information on this contest may be obtained from your county home demonstration agent.

Made A Real Buy

Sunday morning J. G. Travis purchased a sow from Alvin Weichman — and Monday morning when he went out to feed her, discovered that she had given birth to 17 little pigs — 14 of which have survived and give prospect of becoming fine hams, bacon, spare ribs, etc.

Blast Breaks Windows

Tuesday morning a small blast, set off by the Osberg Construction Co., in their road work at the edge of town "didn't behave" and as a result a number of window and door glasses were broken by the concussion in homes in that vicinity. No rocks flew, however, and no one was injured.

Have Two Soot Fires

The Farmers Bank had two chimney soot fires Tuesday, but with quick action on the part of A. O. Kanikkeberg and son Jordan, both were brought under control before damage from an over-heated pipe could result.

INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

The new Encyclopedia Americana arrived for the high school Monday morning and were put into use Tuesday of this week.
Bill Hatch and Jack Barber from a sporting goods concern in Spokane were visitors at the school last week. They brought samples of athletic equipment with them and the school ordered some new playground and football items from them.

Hot Lunch
The price for Hot Lunches has been raised 5c this week, as a result of the discontinuation of federal aid. We will try this plan during March and if there is not enough patronage to warrant continuation it will be necessary to disband the Hot Lunch program April 1st. It is our hope that next year federal aid money will again be available for programs of this kind.

Junior Class Meeting
The Juniors held a class meeting Tuesday of this week to set the Junior-Senior banquet and the Junior Prom dates. After some discussion it was voted that the banquet be held April 11th, and the Prom April 18th.
A decorations, program, invitation, music and publicity committees were appointed.

Grade News
The first and second grade room has been decorated for Easter. The second graders are busy making "Phonics" books.
The fifth and sixth graders have been busy making "Health" posters, which now decorate the room. They have also completed their "Health" note books.
On every Friday the English classes are devoted to the Bird Club. They tell bird stories and put on programs about birds. They have also made little bird booklets, which are displayed on the border of the room.

Good Wiring Important
To obtain the best home mortgage building deal, bankers and lenders urge that you check the wiring in your architect's plans — or if you plan to buy a home already built, check the wiring too. They emphasize that a home with a well-designed wiring system stays younger longer and is a better investment risk as well as fire risk.
Reason for this counsel is that electrical usage in the home is increasing by leaps and bounds. Wiring installed on the basis of today's needs may be obsolete in a few years.
Electrical and fire insurance companies point to homes built 20 years ago. They were wired for lights chiefly, plus two or three small appliances. Today the average home has at least eleven appliances and twice the number of lamps and fixtures. The average 20-year-old home is therefore electrically obsolete, necessitating the widespread use of makeshift extension cords. In many cases the wire itself is too small to supply sufficient current for the expanded electrical needs. Result: Sluggish operation of electrical equipment and fire danger.
Therefore, check your wiring, or if you "don't know beans about it," have a competent electrician make the survey for you.

NEW BEANS DEVELOPED FOR NORTHERN IDAHO

Field beans have been grown for many years on non-irrigated farms on the ridges adjacent to the Clearwater river and its tributaries in Latah, Lewis and Nez Perce counties in northern Idaho.
The Lady Washington and Little Navy varieties were important varieties until they became so badly diseased with mosaic that yields were seriously reduced and many growers quit raising beans. About 1920 the Robust bean was introduced by the University of Idaho agricultural experiment station and soon replaced nearly all of the varieties previously grown. Gradually, however, this variety was displaced by the Small Flat White variety, due to market preference and higher prices.
The origin of this bean is somewhat obscure, no one knowing just where it came from. The variety seems to be very uniform and to contain several types. It is also very susceptible to the common mosaic disease locally known as "leaf curl." This is a virus disease which is carried in the seed, causing the leaves to curl and the plants to fail to set the usual number and size of pods. Diseased plants remain green and fail to mature.
Dr. Walter Virgin, former plant pathologist of the Idaho Agricultural experiment station, made numerous single plant selections from the Small Flat White beans grown in northern Idaho, and from about 300 of these, one of the best was chosen and crossed with the Norrida bean. Norrida, the result of crossing Robust and Great Northern, is immune to common mosaic. From this cross two hybrids were selected which have small, flat, white type, are immune to common mosaic, and which are earlier and give better yields than the common Small Flat White variety. These two improved beans have been given the numbers "U. I. No. 1" and "U. I. No. 2."
"U. I. No. 1" was grown for increase by Wilbur Miller of Orofino and U. I. No. 2 by Ralph Richardson of Juliaetta. Both selections yielded more than other standard varieties grown in comparison in 1945 and in 1946, and both selections reached maturity and were combined in August. Thus we have two selections of this variety possessing desirable uniform size and shape, maturing early, and immune to the common mosaic disease. The Crop Improvement Association have certified these two lots of beans and a limited amount of seed is available for sale to bean growers in northern Idaho. — Elbert McProud, county agent.

Communists Infiltrate Labor
Communists have striven successfully to infiltrate the American labor movement. Organized labor, when captured, is to them a source of funds, a propaganda outlet, a means for stirring discontent, and, if necessary, a weapon of sabotage. Controlled unions contribute heavily to the various "Party" fronts and causes. They in turn serve as fronts for diverse propaganda schemes. They can picket consulates and government offices with practiced skill. When conditions warrant, strikes can be provoked so as to create the atmosphere of unrest on which communism always thrives. And, finally, if Communist policy so dictates, they can actually sabotage essential production. Thus, the 1945 shipping strike "to bring back the soldiers" (American, not Russian) was an example of political sabotage.

In general, American Communists have been more successful seizing power in the Congress of Industrial Organizations than in the American Federation of Labor. In the latter organization, they have some strength in New York and Los Angeles, and scattered control elsewhere. They have achieved some real footholds in the painters unions, in the hotel and restaurant unions, and in the film and stage unions. They are seeking, with some success, to infiltrate some of the independent railroad unions and the International Association of Machinists. But their stronghold is the Congress of Industrial Organizations.
History explains this success. When John L. Lewis sought to organize mass production industry, he suffered from an acute shortage of trained organizers. He used experienced Communist help, planning to discard it when the task was done. Nevertheless, he was outmaneuvered. Communists installed themselves and their sympathizers in key positions in many of the new unions. The newly organized workers, with no experience in unionism were no match for these skilled tacticians. The result was that in union after union, Communists controlled the top levels, although the membership was overwhelmingly American in its sympathies. In spite of this fact, the C. I. O. has been slow to learn. When its southern organizing drive bogged down in 1946, it quietly ac-

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, THERE, FOLKS:

About That Ice Cream — Have you had any Potlatch Chief ice cream lately? To top off a good meal serve "Potlatch Chief" ice cream. It's only 45c per quart now, so take home a quart or two today. For parties, we suggest buying it by the gallon! A gallon is only \$1.50.

How About That Milk?

Does your family get its supply of milk each day? Children should have at least a quart each day, and adults at least a pint. See to it that your family has its share to insure health and vitality. Milk contains more body building products than any other food, so make sure your refrigerator is stocked with an ample supply of Potlatch Chief Milk at all times.

entered in the tournament. The winners were: Dick Springer, Genesee; Burt Peterson, Genesee; Billy Barnard, Pierce; Bucky Agost, Pierce; Ralph Payne, Troy; Don Thomas, Nezperce; Dick Lindgren, Orofino; Herbie Millard, Kendrick; George (Junior) Brocke, Kendrick; and Emmett Wilkins, Kamiah.

All-Star Team Chosen

The All-Star District Tournament team lists six seniors and four juniors on the class B team. A brief resume of the experience and record of each player has been compiled from information provided by the coach of each team member:

Dick Springer, Genesee — This four-year letterman climaxed his basketball career with the choice on the all-tournament team. Dick is a senior, 18 years old, and Genesee captain. Averaging nearly 10 points a game in 30 contests this year.

Burt Peterson, Genesee — This 18-year-old junior has scored 175 points in 30 games for the Bulldogs at the center position. He is the key to the Genesee single pivot-post attack and is rated by his coach as the best defense player on the squad.

Billy Barnard, Pierce — A two-year letterman, this junior forward has been the Foresters' scoring punch all year. He is a "ball hawk" on defense, while averaging better than 10 points a game on offense. He is expected to aid the Pierce club in another drive for district title honors next year.

Bucky Agost, Pierce — Standing only 5 feet and 7 inches in height, this 17-year old senior forward combines speed, aggressiveness and the ability to score heavily. His driving floor play helped keep Pierce in the tournament after a successful drive for the River league championship.

Ralph Payne, Troy — A four-year letterman who is 18 years old and made his second appearance on the all-tournament team, having been chosen first in 1945, when he was a Sophomore. He has been the leading scorer for the Trojans all year.

Don Thomas, Nezperce — A 17-year-old senior who stands 5 feet and 7 inches, and ranks with Bucky Agost, Pierce, as the "shortest man on the team." This was his second year on the Indian basketball team and he set up all the Nezperce scoring plays. Coach Walt Vedder says:

Dick Lindgren, Orofino — A 6-foot and 2 inch senior who transferred to Orofino this year after playing two years for Bremerton. He has been the main cog in the Orofino offense all year and works well on the defense boards. Coach O. M. Arbelbide reported:

Herbie Millard, Kendrick — A junior and three-letter man who became 17 last week. Millard was chosen on the all-district team last year as a sophomore. He is rated as the best team-man and a leading scorer by his coach, Ross Armistage. He is the team captain and prefers basketball to all other sports.

George (Junior) Brocke, Kendrick — Junior, as he is affectionately known to every Kendrick resident, is one of the leading scorers for the Tigers and is the key guard in the Kendrick defense. His speed and defensive ability rated him high in the opinion of every district coach. He plays his best game when he has from two to five men "hanging onto his coat-tails."

Emmett Wilkins, Kamiah — A senior at Kamiah high school. Emmett was chosen on the all-district team last year. He plays the center position for the Kubs and averaged over 12 points a game for the sea-

son. He is particularly effective on rebound work at the offensive basket.

Our Comment

To say that this section is proud of the Kendrick Tigers would be something of an understatement. For all are more than that. The capacity crowds at the local and nearby gymnasiums where Kendrick played, showed area interest in the team and we believe that at least half of the big crowd in the N. I. T. C. gymnasium at Lewiston Saturday night were from this area. Carloads of boosters from the U. of I. from Lapwai and even one car from Rangeville assisted in the Kendrick rooting.

LINDEN

Mr. and Mrs. August Schleuber and father and mother of Deary spent Sunday with their son and brother, Mr. and Mrs. Dan Kechter. The Red Cross membership drive is now on. Don't forget to send in your \$1.00.

This Makes Your Motor Last Longer

Let us show you how a Fram Oil and Motor Cleaner gives your motor two important kinds of protection. (1) It removes dirt and abrasive particles. (2) It impedes the formation of acids and corrosion. If your car does not have an oil filter—we'll install a Fram in a jiffy. If it does, we'll install a Fram Replacement Filter Cartridge which gives you the benefits of Fram's Extra protection. Drive in today.
