NO. 14

PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Carl Lohman has been confined to his home the past two weeks, suffering from a heart attack.

Mrs. Wade Keene is spending a few days in Uniontown this week visiting her daughter, Mrs. George Jones and family.

Those attending the state basketball tournament in Twin Falls from here, besides the Tigers and manager, were June Brown, Nellie Fry, Helen Harris, David and Dick Coulter, Jordan Kanikkeberg, Jasper Nutting, Mr. and Mrs. Burton Sanders and son, Mr. and Mrs. Claude Craig, Mr. and Mrs. Jack Travis, Mr. and Mrs. Herman Travis, Mr. and Mrs. George Brocke, Mr. and Mrs. Walter Brocke and daughter, Patty Verma Easterbrook, Mr. and Mrs. E. M. White, Mr. and Mrs. Floyd Millard and Mr. and Mrs. Ross Armitage. It is said that Kendrick had a far larger "rooting section" than any team there, with the possible exception of Coeur d'Alene!

Hiram Galloway accompanied Clem Israel to Pasco, Wn., Monday, where Clem looked at some war surplus material. Hiram visited his daughter, Mrs. Paul Arbogast and family while there. They returned home Tuesday.

Mrs. E. R. Porter, Moscow, visited her brother and wife, Mr. and Mrs. Wallace Emmett, Sunday.

Eugene Lind was a Sunday guest of Sid Johnson in Clarkston.

Mr. and Mrs. James Benjamin have spent the past week at the homes of Edgar Long and Edgar Dammarell. Mr. Benjamin is recuperating steadily after spending several months in the Veterans' Hospital at Boise.

Dinner guests at the Paul Lind home Tuesday evening were Mr. and Mrs. Leon Lind and children of Gifford, Mrs. O. E. Halloway of Crescent City, Calif. and daughter Thelma, of Portland, Oregon.

Mrs. Oscar Raby and daughters Phyllis and Myra and Mr. and Mrs. Noah Ricketts of Clarkston visited with Mrs. Bina Raby Friday.

Herb Millard of Juliaetta and Mrs. Paul Lind assisted at the Table Supply the past week during the absence of Mr. and Mrs. Millard.

Mr. and Mrs. Vernon Banks and family of Troy visited at the Edgar Long home Tuesday evening.

Those attending the concert in Lewiston Wednesday evening to hear the Minneapolis Symphony orchestra were Marybeth and Wilma Benscoter, Mrs. H. C. Schupfer and daughters Marilyn and Beverly, Dr. and Mrs. G. W. McKeever and Chloe, Danny Crocker and Mrs. W. L. McCree and daughter Patty and June Brown.

Mr. and Mrs. B. G. Linderman, who have been visiting her daughter and family in Palouse, returned here Monday and are packing their belongings in preparation for a move to Yreka, Calif. this week.

Danny Crocker took the train to Pullman Tuesday evening to hear the Minneapolis symphony orchestra play.

Mrs. Bob Spencer and daughter Joan of Coeur d'Alene came Friday to stay until Monday with her mother, Mrs. Estella Leith.

Mrs. R. L. Blewett is down with the flu. She has been quite ill.

John Waide of Lewiston visited Wednesday in the W. A. Watts home.

Jean Crocker underwent a tonsillectomy in the office of Dr. Christensen Wednesday morning.

Parker McCreary accompanied Bobby McCall to Lewiston Saturday, where they spent the week-end in the home of Bobby's uncle, Jack McCall. Sunday the boys were treated to a salmon fishing trip on the Clearwater, but had no luck.

Mr. and Mrs. Warren Berry and Mrs. N. E. Walker of Clarkston were in town Wednesday visiting at the Herman Schupfer home.

LELAND NEWS

Mrs. Donald Morgan and son Roger of Lenore were Thursday dinner guests at the Roy Craig home.

Mr. and Mrs. Wm. Rogers of Moscow and Mr. and Mrs. Marvin Vincent were Sunday dinner guests in the home of Mr. and Mrs. Chester Vincent.

Mr. and Mrs. Lloyd Craig and daughters Marcella and Jeanne were Sunday dinner guests of Mr. and Mrs. Chas. Craig at Southwick.

Mr. and Mrs. Roy Craig and Paige, and Mrs. Dora Heffel were guests of Mr. and Mrs. Robert Draper at a waffle supper Saturday.

Mr. and Mrs. Oney Walker and son Neal were Sunday dinner guests of Mr. and Mrs. Harry Smith and family.

Mr. and Mrs. Charley Thornton of Lewiston were Sunday dinner guests of Mr. and Mrs. Jesse Thornton.

Mr. and Mrs. Marvin Vincent spent several days this week in Spokane.

Mr. and Mrs. Willis Thornton of Moscow were Monday and Tuesday guests of Mr. and Mrs. Jesse Thornton.

Mr. and Mrs. Robert Draper and Mr. and Mrs. Oney Walker were Monday afternoon visitors in the home of Mr. and Mrs. Donald Morgan at Lenore.

Mr. and Mrs. Andy Draper of Lewiston were Sunday dinner guests of Mr. and Mrs. Herman Johnson.

Receives Sad News

On their return to Kendrick from Twin Falls Tuesday evening Mr. and Mrs. J. G. Travis received word of the sudden death of his brother, H. A. Travis, Stewart, Iowa, who passed away March 29, at the age of 79 years and one day.

Funeral services were arranged for Wednesday, so Mr. and Mrs. Travis were unable to attend. They had visited in his home last summer.

THE EASTER STORY

Sweet is the Easter story
Born of this Holy Day,
Telling of Jesus Glory,
Rolling the stone away.

And from my heart's glad singing—
Singing across the years,
Future days' joys are bringing—
Bringing to dry your tears.

May more of the Easter story
Attend you along life's way,
More of His love and glory
Be yours on Easter Day.
— Bert Gamble.

HOW YOUR CANCER CONTROL DOLLAR IS USED TODAY

The most frequently asked question during a campaign to raise funds through public support is: "What happens to the money?" and officials of the Idaho Division of the American Cancer Society feel the public is entitled to know.

Mrs. Grant Hess, Boise, state commander of the Idaho cancer organization, explains how the budget is planned each year and the allocation of funds raised for education, service and research which are the three major functions of the organization.

"In 1946," she said, "Idaho residents contributed \$63,000 to fight cancer and our objective this year is to equal that amount."

"The national program of correlated cancer research receives 25 percent of all money raised and this is expended through grants to medical schools, research centers and laboratories throughout the United States where scientists are probing the causes of cancer and possible prevention and cure. At the present time 113 such projects are under way."

"Fifteen percent of all the money raised goes to the American Cancer Society for the creative production of educational films and literature."

"Of the 60 percent that remains in Idaho (\$37,780 for the 1946-47 program), approximately half is used for the intensive state-wide educational program. This life-saving knowledge is provided every citizen of the state through the use of films, training of active volunteer workers in every county, for the distribution of specialized leaflets on cancer, to purchase new and modern books about cancer for public libraries and for the publication of a monthly news bulletin, which goes to 950 active workers of the organization."

"Administrative functions within the state accounts for only 7 percent of the remaining funds and campaign activities 3 percent."

"The balance, or 40 percent, is used in providing service to victims of the disease, including cancer refresher courses for Idaho physicians and maintenance aid for needy persons who must leave their homes to receive X-ray or radium treatments. The organization pays for room and lodging for these people."

"Last year 26 Idaho physicians attended an intensive refresher course at the University of Oregon Medical School, and plans are being made to continue this service until every practicing physician in the state has had the opportunity to take the course."

"A survey to determine the number of cancer victims in the state is now underway and early returns indicate that at least 3,000 Idahoans are receiving treatment."

"Another project of major importance is the laboratory service which will get underway soon, which will make possible the early diagnosis of some types of cancer."

"That is how the money contributed to the Idaho Division of the American Cancer Society during April is being used," Mrs. Hess said.

Baseball Meeting Held

A local baseball organizational meeting was held Wednesday evening of last week, with 10 interested men present.

After a preliminary discussion of players and ways and means, an election was held, the following being chosen: A. O. Kanikkeberg, secretary-treasurer; Ross Armitage, field captain; J. G. Travis, manager.

After a brief discussion plans were laid for a dance to be held in the future for the benefit of the club.

Celebrate At Dinner

Following the final championship game at Twin Falls Monday evening all the Kendrick sports fans present gathered for a "celebration dinner." Seated at one big long table were Mr. and Mrs. E. M. Dammarell, Mr. and Mrs. George Brocke, Mr. and Mrs. Walter Brocke, Mr. and Mrs. J. G. Travis, Mr. and Mrs. Floyd Millard, Mr. and Mrs. Ross Armitage, Mr. and Mrs. Herman Travis, Mr. and Mrs. E. M. White, Jasper Nutting — and The Trophy!

The weather in the Potlatch section certainly has been "on standard" for the last week in March and first week in April. We have had beautiful sunshine, brisk wind and rain squalls — typical early spring weather.

However, it has certainly had its good points, for pastures and lawns are turning a brilliant green. Early fruit trees are now in blossom, and some of the first to get in gardens are proudly boasting that they are "up and doing fine."

Times Have Really Changed

Just 100 years ago, President Polk ordered a line of military posts set up along the Oregon Trail to protect travelers from Indian attacks!

KENDRICK TIGERS WIN IDAHO CLASS B STATE BASKETBALL CHAMPIONSHIP

Monday evening of this week the Kendrick Tigers, under the coaching of Ross Armitage, defeated the Moreland quintet 28-26, to win the state Class B basketball championship — the first time it has been held by a northern team for a number of seasons.

This season saw the Kendrick Tigers win the Northern Division Class B Championship for the fourth consecutive year. The first two years of this period no state playoffs were held, due to war-time transportation difficulties and restrictions — but last year saw the Tigers playing American Falls at Pocatello, but losing to them. This year it was a different story. Dropping the first game of a three-game series, they defeated Moreland at Twin Falls to bring home the crown — and to say that we are proud of the boys and their wonderful record doesn't quite cover the ground — but what else can you say?

We have eye-witness accounts of the games, prepared for us by Jordan Kanikkeberg, a former Tiger Team member, coming up together with their season's record, but for this week the Associated Press dispatches taken from the Lewiston Tribune will have to suffice. They are as follows:

Kendrick Loses Opener To Moreland
Twin Falls, March 23 — (AP) Boise and Moreland handed the northern Idaho entrants in the state playoffs a lacing here tonight in the first game of their three-contest series. The Boise Braves defeated Coeur d'Alene 75-51 and a scrappy Moreland five came back in the last period to score a 38-31 victory over a smooth Kendrick team.

The northerners jumped into an early lead and held a 13-3 margin over Moreland at the end of the first quarter. Kendrick's second team took over most of the second period and the Eagles pared the lead to 17-12 at the half-time.

Kendrick held a 29-23 lead at the end of the third quarter but two quick baskets by Jack Thomas and one each by I. Merrill and Myrion Ogden gave Moreland the lead for the first time. A foul shot by Thomas gave Moreland a 32-29 lead. A basket by Junior Brocke pared the margin but Moreland won going away on a pair of baskets by K. Christiansen and one by Ogden.

Herb Millard, Kendrick guard, was high point man with 10 points, and Thomas paced the winners with 9.

The box score follows:

Kendrick (31)	FG	FT	PF	TP
Easterbrook, f	3	1	2	7
Millard, f	4	2	3	10
Dammarell, c	3	1	4	7
Brocke, G.	3	0	3	6
Miller, g	0	1	2	1
Thornton, g	0	0	0	0
Haislett, g	0	0	0	0
Medalen, g	0	0	1	0
Brocke, E.	0	0	0	0
Brown, K.	0	0	0	0

Kendrick Defeats Moreland

Twin Falls, March 29 (AP) — A rally in the last five minutes of the game gave Boise a 42-36 victory over Coeur d'Alene and the state Class A basketball championship tonight and prevented a second extra game being played in the state high school tournament here. Kendrick evened up the Class B series by defeating Moreland 36-31, in the first game of the night, and thus a third contest will be necessary, to be played at 8:00 p. m. here, Monday.

The Kendrick-Moreland game was a close affair throughout. Although Moreland never was in the lead, the southeastern Idaho quintet tied the score no less than 10 times. The clever passing Kendrick team had a 12-11 advantage at the end of the first quarter and was in front 19-18 at the half. Late in the third quarter Kendrick took a definite lead and held the upper hand for the remainder of the contest. The north Idaho team lead 29-23 at the conclusion of the third quarter, which, incidentally, was the score at the same period when Moreland began its drive to win Friday night.

Kendrick would have won by a larger score had it not been for its inaccuracy at the free throw line, missing 15 out of 21 chances. Moreland did better, caging just half of its gift tosses.

Dammarell, Kendrick center, and Merrill, Moreland guard, each made 10 points to set the scoring pace.

The box score follows:

Kendrick (36)	FG	FT	PF	TP
Easterbrook, f	1	0	4	2
Millard, f	2	3	1	7
Dammarell, c	5	0	3	10
B. Brocke, g	3	3	4	9

Free throws missed: Kendrick, 15; Moreland, 9.

Kendrick Drops Moreland 28-26

Twin Falls, March 31 (AP) The Kendrick Tigers tonight broke south Idaho's grip on the state high school basketball championships when they defeated the Moreland Eagles, 28-26, and won the class B crown, held last season by the American Falls Damsiters. The game was the third in the series for the title.

With both teams playing a zone defense, the game tonight dragged at several points. After Kendrick had counted the first point, Moreland jumped into an 8-1 lead, only to have the Tigers tie up the count at 8-8 as the second period was reached. The teams played an even terms until just before the end of the half when a field goal and a free throw gave Kendrick a 15-13 lead.

Moreland got two quick baskets at the start of the third quarter and maintained the advantage to the conclusion of the third frame, leading at that point 24-22. With only four minutes to go, the Eagles, with a two-point advantage, adopted stalling tactics.

However, Kendrick obtained possession of the ball, and on a quick break Frank Dammarell, the Tigers' center, caged the ball from under the basket. A moment later Herb Millard, called by a university coach "The best high school basketball player in Idaho" took the ball on an out-of-bounds play and sank a long toss that won the game.

Dammarell, with five field goals and a free throw, was the game's leading scorer, followed by I. Merrill, Moreland guard, who had three field goals and three free throws for nine points.

The box score follows:

Kendrick (28)	FG	FT	PF	TP
Easterbrook, f	0	0	4	0
Millard, f	4	0	2	8
Dammarell, c	5	1	4	11
G. Brocke, g	1	2	1	4
Miller, g	0	1	5	1
Thornton, g	0	0	1	0
Medalen, g	0	0	1	0
Brown, g	2	0	0	4
Totals	12	4	18	28

Moreland (26)

FG	FT	PF	TP
Christiansen, f	3	1	7
Jorgensen, f	2	0	4
Ogden, c	0	0	3
I. Merrill, g	3	3	4
Thomas, g	1	2	2
Stringham, g	1	0	3
Totals	10	6	17

The score by quarters:
Kendrick 8 15 22 28
Moreland 8 13 24 26
Free throws missed: Moreland, 13; Kendrick, 14.

On their return home a huge sign stretched across Main street and bearing the words "Welcome Champs" greeted the tired Tigers as their cars rolled into town Tuesday evening.

Flaig-Garner Nuptials

The Calvary Baptist church was the scene of the wedding Sunday afternoon, March 23, at 2:00 o'clock of Miss Harriet Jean Flaig, daughter of Mr. and Mrs. Harry Flaig, and Howard Wesley Garner, son of Vernon Scharrar, the Rev. Charles F. Loeie reading the service.

Mrs. Charles Roth, Jr., was the organist and Miss Barbara Duthie sang before the ceremony.

Escorted by her father, the bride wore a suit of aqua blue with a black hat and black accessories. She carried a white Bible with an orchid, showered with freesias.

Miss Iola Selish, who was bridesmaid, wore a light gray suit with a black hat and black accessories. Her corsage was of gardenias and pink freesias.

Henry Garner was best man, and the ushers were Virgil Bullock and George Logan.

Following the ceremony, a reception was held at the home of the bride's parents. Pink carnations, lighted by tall white tapers centered the lace-covered bride's table.

Mrs. Allen Zell of Portland, aunt of the bride, served the wedding cake and Mrs. Henry J. Taffel, grandmother of the bridegroom, poured. Miss June Thomas was in charge of the guest book.

After a wedding trip to the coast the young couple will make their home at The Dalles.

Among the relatives here from out-of-town for the ceremony were Mr. and Mrs. Allen Zell and two sons of Portland; Mr. and Mrs. Ed. Gerte and Mr. and Mrs. Harold Parks and three children, all of Kendrick, Ida.; and Mrs. L. L. Rosenfeld and son of Walla Walla. — The Dalles (Oregon) Optimist.

Working On Ball Diamonds

Tuesday and Wednesday of this week the 3/4-yard shovel of the Osberg Construction Co., one of its dump trucks, a dump truck belonging to Virgil Harris; two to the Kendrick Highway District and one to Ed. Nelson were employed cleaning rock and dirt from the local ball diamond in preparation for the playing season — now that basketball has run its course.

Splendid progress was made, and although there is still much to be desired on the local diamond as far as size and general condition are concerned — the progress made is noteworthy.

A truck-load of dirt and rock left the diamond on the average of every three minutes.

Commercial Club Meeting

The regular monthly meeting of the Kendrick Commercial Club will be held on Wednesday evening of next week — April 9, with the 6:30 dinner to be served at the Kendrick Cafe. The business session will follow at 7:30 o'clock in the city hall.

Planned will be a discussion of roads; a report on the business meeting with the Lewiston delegation — a discussion of the swimming pool, and other regular business.

Business men and farmers alike are reminded of the Commercial Club agreement to close places of business between the hours of 2:00 and 3:00 p. m. Friday of this week (Good Friday) and attend church.

MATILDA C. CANDLER DIES AT KENDRICK, SATURDAY

Mrs. Matilda Caroline Candler, affectionately known to her friends as "Grandma" Candler, passed away at her home here last Saturday afternoon, following an illness of some duration.

Matilda Caroline Treadway was born at Marshall, North Carolina, on September 20, 1855, and passed away on March 29, 1947, at the age of 91 years, six months and nine days.

She was united in marriage to Charles E. Candler on January 21, 1872, at Marshall, North Carolina. To this union were born 10 children, one daughter who died in infancy, and nine sons.

Her husband and one son having preceded her in death, she is survived by eight sons: Thomas Candler, Burns, Wyoming; Mitchell Candler, Lavinia, Montana; Jeter Candler and Wade Candler of Southwick, Idaho; Gifford Candler, Kendrick; Lloyd Candler, Juliaetta; Claude Candler, Lewiston, and Charles E. Candler, address unknown; also 40 grandchildren, 32 great-grandchildren and one great-great-grandchild.

Mrs. Candler was a communicant of the Methodist church, and attended regularly until failing health prevented.

Mr. and Mrs. Candler and their family arrived in Lewiston from North Carolina in the summer of 1903, and one month later moved to their home near Kendrick — thus she had resided here for almost 44 years, and saw Kendrick grow from a group of wooden shacks to its present modernism. She saw the town all but wiped out on two different occasions by fire and flood — but never lost her faith or her love for her home. She was always cheerful, having a smile and a kindly word for all, and was always willing to lend a helping hand.

Funeral services were held Tuesday afternoon at 2:00 p. m. from the Kendrick Community church with the Rev. J. H. Coulter in charge. Music was furnished by Mrs. J. H. Coulter and Mrs. R. H. Ramey who sang "Abide With Me" and "The Old Rugged Cross," accompanied at the organ by Mrs. Herman Schupfer.

Pal bearers were six grandsons: Donald, Neil, Floyd, Walter and Charles B. Candler and Ray King. Services were in charge of Short's Chapel, Moscow.

Interment was in the Kendrick cemetery by the side of her husband, who passed away in 1926.

KENDRICK SCHOOL NOTES

High School News
On Friday of last week the Girls' Glee club traveled to Nez Perce to attend the annual music festival. The program was as follows:

1:30 to 4:00 p. m., individual schools.
4:00 p. m. — Parade.
6:00 p. m. Mr. and Mrs. Basket gave a dinner for the judges and directors.

7:30 to 8:30 p. m. — Evening program.

Those taking cars were John Deobald, Don Israel and Mrs. W. B. Deobald.

The Tigers have returned with the state trophy, and school is now settling down for the final stretch.

Grade School News
Mrs. Hammond is giving an Easter party Friday afternoon in the first and second grade room. All pre-school youngsters who will be starting school next fall are cordially invited.

David Coulter explained some electrical experiments in science to the fifth and sixth grade room last week.

"Tick Shots" were given Tuesday afternoon at the school house.

Good Progress On Pool
Fine progress is being made on the Area Living War Memorial Swim Pool, with a crew of four being employed. The framework and roof and interior plaster base of the bath houses are now up, the interior awaiting plastering. Piping for the showers and toilets are also protruding through the walls, and the sewer line to care for these is being laid. It will not be long now before concrete pouring is again resumed, and hopes are held out that the pool may be completed by the middle of May.

Purchased Smith Ranch
A deal was consummated Saturday of last week whereby Gil Erlwine became the owner of what is known as the Smith ranch on Cedar ridge, purchasing the entire ranch from Miss Eva Smith, George Smith, and Anna Smith Mitchell.

It is not known at this time just when Mr. and Mrs. Erlwine will take possession or what the Smiths' plans may be for the future.

The consideration was not made public.

INTERESTING HAPPENINGS FROM JULIAETTA AREA

Mr. and Mrs. Leo Muhlitz and sons and Mr. and Mrs. Kenneth Stephens and son, all of Moscow, called at the Lewis Lindquist home Sunday.

Mrs. Mary Adams, our Primary teacher, was able to return to her school work Monday, after a week's illness.

Joanne Clark spent the week-end with Mr. and Mrs. Bruce Sherman.

Welcome Champs!

We knew you could do it, and we're all mighty proud of you!

IDAHO

PERSONALS AND NEWS ON AMERICAN RIDGE

Harry Langdon and son Larry were in Moscow on business Monday. Mr. and Mrs. Ed. Kent returned home from Seattle last Wednesday.

Mr. and Mrs. Wayne Davis spent Sunday with her sister and husband, Mr. and Mrs. Harry Jones and family of Pullman.

Joe Langdon of Lewiston was a Saturday night guest of his parents, Mr. and Mrs. Harry Langdon, and an over-night guest of Mr. and Mrs. Lyle Trout at Kendrick.

Peggy Cox, who is attending high school at Walla Walla, is spending this week, Easter vacation, with her parents, Mr. and Mrs. Andrew Cox.

Mrs. Walter Benscoter and daughter Marybeth were in Lewiston on Saturday.

Dorothy Thornton of Kendrick spent Monday night with Wilma and Marybeth Benscoter.

Bob Benscoter came up from Lewiston Monday and called on his parents, Mr. and Mrs. Harry Benscoter, and his brother, Dick. All were Moscow visitors.

Mr. and Mrs. Kenneth Powell and family were Friday evening supper guests of Mr. and Mrs. Walter May and family.

A good crowd attended the song program at the school house last

Friday. It was much enjoyed by all present.

Mrs. Geo. Swanson and sons and Mrs. P. G. Pearson of Troy were Saturday dinner guests of Mr. and Mrs. Bruce Glenn.

Dick Benscoter was a Sunday dinner guest of Mr. and Mrs. Warney May and son Warney.

Wilma Benscoter was a Lewiston visitor on Saturday.

Mr. and Mrs. E. P. Roberts were in Lewiston on business Monday.

Mrs. Dot Stanton and Harley Eichner were callers in the Norla Callison home Friday evening.

The Girls' 4-H Club met Saturday afternoon at the school house. Officers elected were: Nancy Lee Callison, president; Jorene Benscoter, vice president; Priscilla Benscoter, secretary treasurer. Mrs. Frankie Benscoter is their leader. Another meeting will be held Friday after school.

Mr. and Mrs. Newt. Morey and family were Thursday evening guests of Mr. and Mrs. Ed. Kent.

Norla Callison was a caller at the Harley Eichner home Saturday afternoon.

Mrs. Harry Benscoter and Mrs. Geo. Havens attended the Women's Missionary Society of the Westdale Lutheran church, Troy, last Friday.

Mrs. Geo. Havens gave a book report on "Until That Day."

Mr. and Mrs. Bud Fey, Kendrick; Mrs. Geo. Mattoon, Sr., and her

daughter, and Mr. and Mrs. Merrill Mattoon of Lewiston were Saturday night and Sunday guests of Mr. and Mrs. Perry Mattoon. Other Sunday guests were Mr. and Mrs. Geo. Mattoon, Jr., and Mr. and Mrs. Norman Mattoon of Clarkston.

Mrs. Norla Callison called on Mrs. Perry Mattoon Friday morning.

Mr. and Mrs. Henry Brammer and Mr. and Mrs. Geo. Havens and family attended the Confirmation Ser-

vice at Cameron, and were among the diners in the Ladies Aid hall in honor of the class.

Mrs. Henry Brammer came home Friday evening from Southwick where she took care of her son, Werner, who has been quite ill. She returned again on Monday morning to care for him.

Mr. and Mrs. Warney May and son were in Lewiston on Thursday.

Mr. and Mrs. Geo. Havens and son Rayner were in Troy Tuesday morning. Mrs. Havens called on Mrs. Ed. Carlson.

WHAT CAMERON FOLKS ARE DOING THESE DAYS

Herbert Brunseik of Kellogg visited with relatives and friends here over the week-end.

Mr. and Mrs. Glenn Newman returned home Friday after spending a week with relatives in Port Orchard, Wash.

Mrs. May McCall was a guest of her niece, Mrs. Harl Whiting and family, the first of the week.

Mrs. A. G. Peters visited with Mrs. Harl Whiting Friday and Monday.

Mrs. Harl Whiting entertained at a quilting party Wednesday. Guests were Mrs. A. H. Blum, Mrs. Ida Stoneburner, Mrs. Herman Silflow, Mrs. Henry Wendt, Mrs. Ted Weyen, Miss Emma Hartung, Mrs. Walter Koepf, Mrs. Theo Meske, Mrs. Gus Kruger, Mrs. Glenn Wegner, Mrs. Albert Glenn, Mrs. Edwin Mielke, Mrs. Otto Silflow, Mrs. Wilbert Brunseik and Mrs. Fred Newman.

Mr. and Mrs. Jack Bechtol of Lewiston were Sunday guests of Mr. and Mrs. Russell Rodgers.

Confirmation Services were held at the church Sunday. Members of the Confirmation class were: Mildred Brammer, Hermina Meyer, Marlene Wilken, Jean and Nina Lohman, Luther Parks, Mrs. Tom Dennler and Mrs. Geo. Dennler.

Mr. and Mrs. John Blankenship and family of Clarkston spent Sunday with her parents, Mr. and Mrs. Gus Kruger.

Mr. and Mrs. Ernest Brammer were Sunday guests of Mr. and Mrs. Walter Koepf and family.

Take Plane Flights

Antelope are making a comeback in Owyhee county, according to a survey recently made by Muryle Cook, conservation officer at Oreana, and T. D. Bladaeu, big game supervisor for the Idaho fish and game departments. During a series of plane flights over much of the antelope range, 1,400 pronghorns were seen. Cook reported that about half were in the southwestern corner of the county where they could travel readily into Oregon and Nevada, and probably do, in their periodic migrations.

The other half, or approximately 650 antelope, were counted on several sage flats north and east of the Owyhee river. Concentrations were reported on Shoofly, Wickahoney and Jack's creeks.

A few deer were counted, but the figures were not considered a reliable indication of populations because deer are not found in open country where antelope are commonly spotted. Deer are difficult to enumerate from the air, officers said, but antelope show up well as the race across broad flats.

Disposes Of Home
Mr. and Mrs. Wallace Emmett sold their home in the west part of town to Mrs. Aileen Jones of Portland, the transaction being made through her father, Everett Fleschman of Portland.

Mr. and Mrs. Emmett will move this coming week to Spokane, and the Jones family expect to take immediate possession as the Emmetts leave.

Musical Artist Coming!

KNOWN AS THE "MUSICAL ARTIST," LEWIS H. BACHELLER,

of northern California, will open a series of meeting at the —

Kendrick Full Gospel Church

Wed. Evening, April 9th

Home Missionary to the American Indians at Happy Camp, California

Formerly Missionary to the Hawaiian Islands

A violinist and composer of sacred music, he will present a request program every night on the violin, which has been known on radio hookups as "The Voices of the Singing Strings."

He will draw pastel colored pictures each evening under the colored lights, and give them away to persons in the audience.

PLAN NOW TO ATTEND DON'T MISS A NIGHT!

"HOW'D YOU LIKE TO CUT DIESEL REPAIRS 50%?"

Folks using RPM DELO, the Diesel Engine Lubricating Oil that stretches time between overhauls, say it cuts repairs as much as 50%. And that's right, neighbors—RPM DELO Oil protects your Diesel, gives it longer life. Compounds in RPM DELO Oil make it stop ring-sticking and corrosion, cut carbon and sludge, stick to hot spots. The Navy uses it, too. Try it today!

Concrete Floors Increase Profits

Faster Gains and Feed Savings Prove Results

By W. J. DRYDEN
Faster gains and the saving of feed are the aims of every hog raiser. Among the most essential farm improvements that may bring these results are concrete feeding floors. Such floors help produce more pork and save feed from being lost in the mud.

Each hog should have 10 square feet of floor space. To build 100 square feet of floor, 4 inches thick, it will take 7½ sacks of portland cement, ¾ cubic yard of sand and 1 cubic yard of gravel or crushed rock.

If the area to be paved is poorly drained, it is best to place the concrete slab on a well-tamped fill of about six inches. If the concrete is to be driven over, it should be six inches thick.

New concrete should be properly cured by covering with earth or straw as soon as it has hardened enough not to be marred, and then kept moist for at least five days by frequent sprinkling.

KNOW YOUR BREED Morocco Spotted Horse

By W. J. DRYDEN

The Morocco horse originated in the crossbreeding of the Morocco Barb and the English Hackney and the French coach horse.

The conformation of the Morocco Barb is somewhat similar to the Arabian horse.

In size the Morocco varies from 1,050 to 1,400 pounds. It is a general purpose horse, bred for work as well as pleasure.

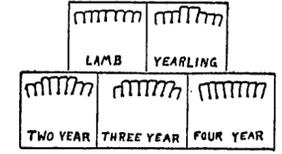

Ideal type of Morocco spotted horse.

The working team is fast and steady, and has considerable stamina. They have the power to reproduce themselves true to type and color even when used with other colors and breeds.

To be registered they must stand 14:2 hands high. Type must be clean and neat with ample legs to be suitable for either saddle or harness.

Telling Sheep Age By Teeth Diagrams

The age of sheep up to four years can be determined easily by examining the teeth. The mouths of sheep are equipped with a full set of 24 molar teeth on both upper and lower

jaws. In addition to these eight incisor teeth are provided along the front of the lower jaw.

The chart designed by University of Alberta should prove an accurate guide in determining or estimating the age of sheep.

Alfalfa Seed Yield Increased With DDT

Alfalfa seed plots at the Utah station dusted with DDT to control lygus bugs produced 400 pounds of seed per acre—fields not dusted produced less than 100 pounds.

Until DDT became available, no insecticide had been found that would control these insects at a cost that was economically feasible. The tests proved that DDT offers promise of greatly increasing seed production by control of lygus bugs.

Urge Caution in Use of DDT on Domestic Animals

Owners of farm animals and domestic pets are advised to exercise at least "ordinary caution" when they use DDT to protect their animals against insects and parasites. Although federal regulations do not require that DDT be labeled "poison" but only with the word "caution," the American Foundation for Animal Health recommends a conservative policy in use of the new insecticide, especially around milk cows.

Because cattle and cats commonly lick themselves, they are probably more likely than other animals to suffer toxic effects from DDT sprayed or powdered on their bodies, the American foundation warns. Furthermore, it is known that DDT, when consumed in excess, is excreted in the milk of cows. It appears unlikely that a cow would absorb enough to poison the milk, but there is much yet to be learned on this potential hazard. In the meantime, the cautious use of DDT is recommended.

Farmers are advised to use DDT only in a water solution or powdered form when applying it directly to animals. Oily solutions of the insecticide are absorbed through the skin to a degree that might prove dangerous.

Australia Supports 16 Times As Many Sheep as People

In Australia there are nearly 16 times as many sheep as people, Prof. J. F. Wilson of the University of California points out. Some 7½ million people live on the vast sub-continent, mostly along the sea coasts.

The Australian wool clip is the world's best, Wilson asserted. This is made possible because of the high and rigid standards imposed. The production of wool is of primary importance with lamb production secondary. Wilson saw one lot of 25 rams which averaged 31 pounds of wool and a thousand wethers whose fleece weights averaged 22 pounds.

Drought and rabbits are two factors to contend with, Wilson said. A drought may in one year cause the death of thousands of sheep. Rabbits are a perpetual menace. Five will eat as much as one sheep and 250,000 miles of rabbit-proof fence have been built.

Urge Care in Deodorants

The careless use of non-perspirants or deodorants may do as much or more damage to garments than perspiration, according to textile and clothing specialists of the department of agriculture. When a good dress goes to pieces under the arm or changes color, even skillful patching may not make it wearable again. In using these chemicals women should be careful to follow directions on the label. Any chemical strong enough to stop perspiration may rot fabric or cause the dye to fade or change in color. Cotton and rayon fabrics especially are likely to be rotted by preparations that have an acid reaction.

Range Land

Slightly more than half of the range land in the 11 far western states, including Nevada, is now in private ownership, according to a report on livestock production in relation to land use in irrigation made by the bureau of agricultural economics. About 10 per cent of the range land is in state and county ownership, and the remaining 40 per cent in federal ownership. Much of the range is still unfenced open country although more and more is being fenced. Grazing on most of the publicly owned range is now controlled by public agencies.

British Union

For more than a thousand years history and geography have combined both to link and to separate England and Wales, notes the National Geographic society. Into the Welsh hills the early Britons fled before the Anglo-Saxon invasion. There, in the shelter of narrow, isolated valleys, these Celtic people maintained their independence until near the end of the 13th century, when Edward I of England brought about submission. It was at this time — as a result of Edward's naming his infant son the "Prince of Wales" — that the familiar title for England's heirs to the throne originated.

Attack V. D.

Using a new publicity approach, Louisville public health officers aided by the U. S. Public Health Service have discovered 433 cases of venereal disease in the first 1,740 persons examined during the city's current anti-V.D. drive. The American Municipal association reports that the primary aim of the all-out campaign against V.D. is to teach people through all publicity media to recognize the first symptoms of venereal disease and to come to public clinics or their private physicians for treatment. In seven other cities where anti-V.D. drives have been waged recently, publicity encouraged all citizens to appear at clinics for blood tests. Although this approach is being used also in Louisville, more emphasis is being placed on clarifying V.D. symptoms. This accounts in great measure for the high V.D. rate among those tested in Louisville.

AUCTION SALE

On the Arthur Johns ranch, 1½ miles north of Juliaetta, and 2½ miles south of Kendrick, on the main Juliaetta-Kendrick Highway, on

Tuesday, April 8, 1947

Commencing at 1:00 P. M. Sharp

- 1 Guernsey cow, 9 yrs. old, freshened on Dec. 4, 1946
 - 1 Guernsey cow 4 yrs. old, freshened Jan. 2
 - 1 Roan cow, 8 yrs. old, freshened Mar. 28
 - 1 Guernsey cow 7 yrs. old, freshened on Dec. 26, 1946
 - 1 Guernsey heifer, 2 yrs. old, freshened Jan. 16, 1947
 - 1 Guernsey cow 3 yrs. old, freshened on Feb. 10, 1947
 - 1 Guernsey cow 4 yrs. old, freshen in July
 - 1 Guernsey nurse cow, calf by side, freshened Feb. 7
 - 1 Guernsey cow, 4 yrs. old
 - 1 Guernsey cow 3 yrs. old, freshened Jan. 8
 - 1 Guernsey cow 3 yrs. old, to freshen in June
 - 1 Red Poll Bull, 3 yrs. old, purebred but not registered
- 15 HEAD OF YOUNG STOCK**
- 1 Red and white heifer, 14 months old
 - 1 Roan heifer, 1 year old
 - 2 Red heifers, 10 months old
 - 1 Red heifer, 7 months old

- 5 Red bull calves, 10 months old
 - 1 Red bull calf 7 months old
 - 1 Red heifer calf, 4 months old
 - 1 Red bull calf, 3 months old
 - 1 Red heifer calf 3 months old
 - 1 Red heifer calf 2 months old
- 1 HORSE — 3 SWINE**
- 1 Spotted horse — saddle stock, 4 yrs. old
 - 2 Chester White gilts, 4 months old
 - 1 Duroc Boar, 8 months old
- MACHINERY, ETC.**
- 1 10-foot hay rake
 - 1 2-row bean planter
 - 1 5-foot right lap
 - 1 2-horse riding cultivator
 - 2 14-inch walking plows
 - 1 12-inch walking plow
 - 1 Post drill, new, with extra chucks
 - 1 Centrifugal pump
 - About 200 ft. 1½-inch hose
 - Several coils used barbed wire
 - 1 2-wheel trailer (no bed or hitch)
 - 1 New Home sewing machine, good shape
 - Many Miscellaneous Items

Terms: CASH

How Ohio Farmer Reclaims Pasture

Uses Quality Livestock In Marketing Hay Crop

Gail Heckley, a successful Licking county, Ohio, farmer, has proven that proper soil treatment for pasture land will pay dividends. In the fall of 1938 and spring of 1939 he used two tons of ground limestone and the equivalent of 500 pounds of 20 per cent superphosphate per acre. In 1944, he gave it a second application of both lime and fertilizer.

Originally the pasture consisted largely of broom sedge, poverty grass, some red top, some cinquefoil and briars, together with other weeds. Today he has a good stand

of blue-grass and white clover. The pasture carries four to five times as much livestock as it did before treatment.

Summing up the beneficial experiences Heckley and other Ohio farmers have had with well-managed pasture improvement programs, Dr. D. R. Dodd, Ohio State university agronomist, declared:

"The application of adequate lime and fertilizer to what were formerly unsatisfactory permanent pasture areas and low yielding hay lands has taken the discouragement out of farming and put additional profit into the annual income. One very important item should not be overlooked. The high quality pasture and hay must be utilized by high quality livestock if maximum profits are to be obtained."

Newcastle Outbreaks

Continue to Increase

New outbreaks of Newcastle disease, the serious chicken ailment which had appeared in 21 states, must be detected promptly if further rapid spread is to be checked.

The American Foundation for Animal Health has urged farmers to be constantly on the alert for signs of nerve disorders in their flocks, such as trembling, throwing the head backward, or pulling the head down between the legs. Ruffled feathers, difficult breathing, or a condition that looks like a "cold" may also be danger signs.

Because this is a virus disease, and the symptoms may often be obscure, the veterinarian generally has to resort to laboratory tests to be certain that the disease is present.

New Brooder House

A stationary concrete brooder house and sanitary sun porch, as shown, provide maximum protection for chicks. Disease problems become greatly reduced when concrete sun porches are provided. The concrete is also a safeguard against fire in the brooder house.

Broom and Rake Rack

The life of brooms, hoes, rakes or pitchforks used around the barn will be materially increased if rack is made so that they may be hung on the wall. This rack needs only scrap lumber and a hinge. If necessary a leather hinge may be used.

Hexachlorocyclohexane

Proven New Insect Foe

Locust, house cricket, cockroach, body louse, bedbug, aphid, cabbage worm, winter moth caterpillar, clothes moth, melon worm, southern army worm, beet webworm, pea weevil, flea beetle, mustard beetle, apple blossom weevil, bean weevil, granary weevil, hide beetle, mosquito, housefly, sheep tick, wasp, ant, flea, red mite and wood louse, all can be killed by gamma isomer of hexachlorocyclohexane.

Proper Care of Mattress

Assures Comfort, Longer Wear

If sleep equipment is given good care, it will offer more comfort and longer service. Innerspring mattresses should be turned side for side at two-week intervals and occasionally end for end. Cotton or hair-filled mattresses need turning every week. This procedure distributes the wear and fluffs up the upholstery. Springs need the same sort of treatment about twice a year.

Every morning, windows should be opened and the bed clothing thrown back, permitting the air to penetrate the mattress and keep it fresh. When there is a bit of winter sun, the mattress can be moved up to the window and given a sun bath. The sun's rays act as germ killers and help to prevent the filling from packing down.

A removable cotton mattress cover which can be laundered protects the mattress from soil. In addition, mattresses deserve a regular cleaning with a vacuum cleaner attachment or soft brush. Boxsprings may also be cleaned with the vacuum attachment, and metal bedsprings with a soft cloth.

West Indies Isle Boasts

One of Oldest Parliaments

Establishment of a governor's cabinet in Barbados calls attention to the fact that this West Indies island has one of the oldest parliaments in the British Empire. Unique among its neighbors for its continuous loyalty to one flag, Barbados celebrated the tercentenary of its assembly in 1939, recalls the National Geographic Society. Only in London and Bermuda are there older British legislative bodies.

Barbados is the easternmost of the islands that separate the Caribbean sea from the Atlantic ocean. When the officers and crew of a British ship landed in 1605, they claimed the island for their king, James I. The first English settlers arrived in 1626, twenty years after the founding of Jamestown, Virginia.

Because English customs, architecture, and characteristics were brought to the island, Barbados acquired the name of "Little England." But its immigrants even in the early days were not all English. It became a land of exile for Irish and Scots who had become troublesome at home. The Scots were attracted to the island's northeast region by its Highlands appearance.

Better Hybrids

Iowa was one of the pioneer states in introducing hybrid varieties, but as recently as 1934 only four of the Iowa hybrids were available to farmer seed producers and corn growers. One was recommended for the northern part of the state, one for the southern and two for central Iowa. These were the "better" corns that took the place of open-pollinated varieties, and swept the fields until open-pollinated corn is now a real rarity in Iowa. Today not one of these "better" hybrids of 1934 is growing on substantial acreage, having given way to "still better" hybrids. Yield has been maintained or increased, plants are less likely to lodge or drop their ears and they are more resistant to diseases and easier to harvest by machinery.

Gourmet's Paradise

The potato is a staple food in the Chileans' diet, and they use it in many ways with their fine sea food and high grade meat dishes. Add to this the vintage wines for which the country is famous and you have a true gourmet's paradise. A typical Chilean meal, for instance, consists of a "cazuela," chicken or lamb soup with potato, half an ear of corn and string beans. This is followed by "empanadas de horno," baked meat pie, containing chopped meat, onions, olives and a slice of hard boiled egg. To aid digestion and stimulate the appetite one has the choice of the finest white or red wines.

Rinse Coffee Cups

If dishes must stand before washing, be sure to empty and rinse out coffee and tea cups. Otherwise these beverages may leave a dark stain that is hard to remove. If a cup becomes so stained that soap and water will not remove the discoloration, rub with a moist cloth dipped in soda or baking powder. Do not scour china or pottery. Hard rubbing and cleaning powders may cause color or glit to fade and damage the smooth surface. Chipped or cracked dishes or those with the glaze off are not sanitary, even after they are washed.

Fertilizers Add Nutrients

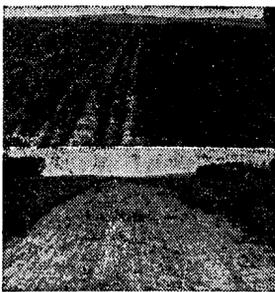

Fertilizers have definite influence on the nutritive value of pasture plants and on the physical conditions of the animals grazed on them, according to experiments conducted at the department of agriculture's experiment station. Nitrogen applied to Kentucky blue grass increased the crude protein 12 per cent. The addition of phosphate and potash also increased the crude protein content. Not only that, but when phosphate was applied, it increased the phosphorus content of the grass by 25 per cent and the calcium content by 16 per cent. Also, the addition of phosphate to white clover, increased the phosphorus in the clover by 22 per cent and the calcium by 12 per cent and also gave some increase in the crude protein.

Alfalfa Benefited By Superphosphate

Provides Protection Against Winter Kill

How 45 per cent superphosphate drilled with alfalfa seed at the rate of 100 pounds per acre not only stimulates growth of the seedlings but

Unfertilized strip, left upper photo, indicates sparse growth. Right the fertilized patch. Photo taken in October. Lower photo shows the result of winter to the unfertilized strip in center, compared to fertilized on both sides.

also gives marked protection against winter-killing was described by Prof. H. E. Myers, agronomist at Kansas State college.

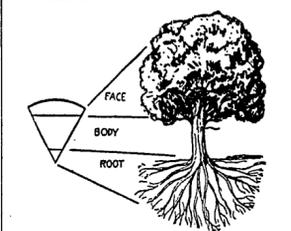

The beneficial effects of the fertilizer treatment are illustrated in the accompanying photographs taken in an alfalfa field in Kansas.

The alfalfa was seeded August 15 and 16. The fertilizer was placed in the same row with the seed. The last two rounds were drilled without fertilizer.

As shown above, there is an almost complete absence of plants in the center unfertilized strip as the result of winter-killing. The crowns of the unfertilized plants were about three inches above the soil surface by spring. The fertilized plants remained in place, thrifty and undamaged.

Strength of Wood

"I have always compared a weld with that of a tree because of its substantial and mutual characteristics," says Frank J. Balistreri, Milwaukee, Wis.

Face, body and root are important in electric welding. Drawing—courtesy Lincoln Electric Co.

The strength of the weld (electric arc welding) is started from the root; it is the foundation of the weld.

Harvest Connecticut's

Big Annual Rock Crop

A machine that will harvest the Connecticut farmer's biggest and most productive crop recently was demonstrated under supervision of University of Connecticut.

The crow-stones—will be picked up by the new tractor driven stone

It is not recommended that farmers try to build a stonepicker according to the artist's idea.

picking machine. Equipped with a hydraulic lift, this machine will gather stones of any size.

The machine will be a revelation to gardeners and farmers with aching backs. It is also possible that the artist's drawing will be a revelation to the manufacturer of the stone picker.

DDT Spray Readily Removed From Fruit

DDT residue on apples and pears do not present a serious difficulty according to research results reported by Dr. J. E. Hoskins, University of California. Any excess residue can be reduced readily to below tolerance allowed by washing the fruit with detergents.

The tolerance as provisionally set by the government is seven parts of DDT to one million parts of pears or apples.

IT'S TIME FOR ALL TO HAVE THEM— IDAHO'S NEW STYLE 1947 PLATE

NOTICE OF ADMINISTRATOR'S PRIVATE SALE OF REAL PROPERTY

In The Probate Court Of The County Of Latah, State Of Idaho

In The Matter Of The Estates Of EFFIE M. WARE AND N. E. WARE, Both deceased.

NOTICE IS HEREBY GIVEN that R. H. RAMEY, the Administrator of the Estates of Effie M. Ware and N. E. Ware, both deceased, will sell at private sale in one parcel to the highest and best bidder upon the terms and conditions hereinafter mentioned, and subject to the confirmation by said Probate Court on or after the 8th day of April, 1947, all of the right, title, interest and estate of Effie M. Ware and N. E. Ware at the time of their deaths and all right, title and interest that the estate has by operation of law or otherwise acquired other than or in addition to that of the said deceased at the time of their deaths, of in and to the following described real property situate in Latah County, State of Idaho, to-wit:

Beginning at a point One Thousand Six Hundred Sixty-two feet North (1662) and Nine Hundred Seventy-five and eight-tenths (975.8) feet East of the Southwest corner of Section Nineteen (19), Township Thirty-eight North (T38N) Range Two West (R2W) Boise Meridian, being the Southwest corner of the Guy Foster land or lot, whose land has been formerly described by deed and transfer, the last being Dora M. Hull and H. P. Hull to Guy Foster, recorded in Book 87 of Deeds Page 553 on Feb. 27th, 1929, from said point, the Southwest corner of Guy Foster land, running in a northerly direction along the west line of said land, Two Hundred Sixteen (216) feet, to the Northwest Corner of Guy Foster land, thence in an easterly direction,

along the north side of said land Two Hundred One (201) feet, to the Northeast corner of Guy Foster land, thence diagonally from this corner to where the Big Bear Ridge and Creek Road makes its first bend or switch back, starting up the hill, this distance being approximately One Hundred Thirty Four (134) feet, crossing the road and following the left edge of said road continuing up the hill until said road intersects the Quarter line of the Northwest Quarter (NW 1/4) of Section, Township and Range above described, thence West along said Quarter line, taking in possibly a small corner off the Northwest corner of the Southeast Quarter of the Northwest Quarter (SE 1/4 NW 1/4) of the above section, all of the Southwest One-fourth of the Northwest One-fourth (SW 1/4 NW 1/4), which lies west of the Big Bear Ridge and Creek Road, all of which land being in the aforesaid Section, Township and Range. Excepting, and saving a spring of water situated on above described land together with the deed of Right-of-way to T. J. Moser as recorded in Book 62 of Deeds at Page 867, dated March 4th, 1910. Continuing this deed it shall include all lands east of the Big Bear Creek, all in the Southeast One-fourth of the Northeast One-fourth (SE 1/4 NE 1/4) Section Twenty-four (S24) Township Thirty-eight North (T38N) Range Three West (R3W) and continuing from the Southeast corner of the Northeast quarter of above Section, Township and Range, running due South along the Section line between Sections Nineteen and Twenty-four being the line between Ranges Two and Three, until said line intersects or reaches the Potlatch River, which is the County line between Latah and Nez Perce Counties, State of Idaho, following up said Potlatch river in an easterly direction, until a point shall be

reached which is directly opposite and in direct line with the west line of said Guy Foster land, thence in a northerly direction until the point of beginning has been reached or the Southwest corner of Guy Foster land, said land being in Section Nineteen (S19), Township Thirty-eight North (38N), Range Two West (R2W) Boise Meridian, all of which is in the County of Latah, State of Idaho; Subject to Right-of-Way easement for highway recorded in Book 93 of Deeds at Page 279 of the official records of Latah County, Idaho, and Right-of-Way easement for electrical distribution line recorded in Book 5 of Leases and Agreements at Page 578 of the official records of Latah County, Idaho. Together with all the tenements, hereditaments and appurtenances thereunto belonging or in any-wise appertaining.

TERMS AND CONDITIONS OF SALE: Cash, lawful money of the United States, the Buyer to pay the taxes for the year 1947, deed and revenue stamps at the expense of the estate, abstract of title to be continued at the expense of the estate and including the Order Confirming Sale, 10 per cent of the purchase price to be paid at the time of sale and the balance on confirmation of sale. All bids and offers must be in writing and may be left with the Administrator in Kendrick, Idaho, or may be filed at the office of the Clerk of the above entitled Court at any time after the first publication of this Notice and before making of the sale.

DATED this 17th day of March, 1947.

R. H. RAMEY, Administrator.

First pub. Mar. 20, 1947. Last, pub. Apr. 3, 1947. L. E. Huff, Atty., Moscow, Idaho.

NOTICE OF KENDRICK VILLAGE ELECTION

Notice is hereby given that there will be held in the City Hall of the Village of Kendrick, Latah County, Idaho, on the 22nd day of April, 1947, between the hours of 9:00 o'clock a. m. and 7:00 o'clock p. m. of said day, a municipal election, in accordance with Chapter 164, Title 32, of the Idaho Compiled Statutes A. D. 1919, and all acts amendatory thereto, for the purpose of electing four Village Trustees; two to serve for a term of two years; and two to serve for a term of four years.

That all qualified electors of the State of Idaho, who have resided within the corporate limits of the Village of Kendrick, Latah County, Idaho, for a period of three months next preceding such election, if and when properly registered according to law, shall be entitled to vote at such election.

That after an elector has registered for a general city or village election he shall not be required to again register for a general city or village election so long as he or she shall continue to reside at the address, ward or precinct in which he is registered.

That if such elector shall fail or neglect to vote for two successive general biennial city or village elections, the clerk shall strike the name of such elector from the Elector's Register, and such elector, in order to vote at the general city or village election, must again register.

That whenever an elector shall have removed from the city or village in which he is so registered, and shall remain away from such city or village for a period of one year, his name shall be stricken from said register, and if he shall thereafter again reside in such city or village for at least thirty (30) days, he shall again register.

That the place for registration shall be at the office of the Village Clerk (The Red Cross Pharmacy). You may register up to and including the Saturday just preceding the day of election.

Done by order of the Chairman and Board of Trustees of the Village of Kendrick, County of Latah, State of Idaho.
WALTER BROCKE, Chairman.
FRANK ABRAMS, Clerk.

Cattle Like Sprayed Weeds

Boise — Instead of cutting weeds along fence rows and fire trails, the agricultural service of the Idaho State Chamber of Commerce suggests that a better way is to spray the grass and weed growth with a thin coating of cane feed molasses.

NOTICE OF ANNUAL SCHOOL MEETING AND ELECTION

In Joint Common School District No. 24, Latah County, Idaho
NOTICE IS HEREBY GIVEN, That the annual school meeting of Joint Common School District No. 24, County of Latah, State of Idaho, will be held on Friday, the 18th day of April, 1947, and the said meeting shall convene at 1:00 o'clock P. M. on said day and continue uninterrupted until the business properly coming before said meeting is disposed of, at the school house in said district; provided, that the polls for the election hereinafter referred to shall remain open until 5:00 P. M. o'clock at said time and place; that at said meeting the following business will be transacted:

1. One trustee to serve for a term of three (3) years will be elected.
2. The length of time school shall be taught in said District for the ensuing year and the seasons of the year in which same shall be taught will be determined.
3. That at said annual meeting in said District there will be determined the amount of money to be raised by special taxation, and shall determine the purpose for which the money derived therefrom shall be expended, naming in each instance the proportion of the whole amount which is to be used for the various and separate purposes. The maximum levies for current expense shall be as follows:

- (a) 10 mills General Fund — approved at annual meeting for general expense;
- (b) 5 mills High School purposes — approved at annual meeting.
- (c) 2 mills Emergency Levy for General Fund — approved by 2/3 majority vote of qualified electors.
- (d) High School Tuition Levy above 5 mills as required — prior approval of State Board of Education and approval at Annual Meeting.
- (e) Bond Interest and Sinking Fund levy as needed — levied by trustees.

Legal operation levy, including 5 mills for high school purposes, is 17 mills. If 5-mill levy is insufficient to cover tuition, Common District may ask approval of the State Board for a sufficient levy to cover charges.

For Common Districts this extra levy is to be determined in money while for Joint Common Districts it shall be determined in mills.

4. That at said meeting general questions pertaining to school and school interests will be taken up and disposed of.
The name or names of all candidates for election of trustees, together with the term for which nominated, shall be placed on file with the Clerk of the Board of Trustees at least six (6) days prior to the day of election, excluding the day of election.
That the election at said meeting will be by secret and separate ballot.
Dated this 26th day of March, 1947.
A. O. KANIKKEBERG,
Clerk of Joint Common School District No. 24, of Latah County, Idaho.
First pub. April 3, 1947.
Last pub. April 17, 1947.

Cops Came In Handy
Assistance of a Pasadena, Calif., policeman and policewoman was necessary, but University of Idaho service finally came through.
It all started when the university received from Pasadena a postal card so illegibly written that the word "people" was the only one that could be deciphered. University officials reasoned it might be some elderly ex-Idahoan desiring assistance in locating his or her people.
The card was forwarded to the chief of police at Pasadena with an SOS appended. The chief dispatched a squad car with a policeman and policewoman to the neighborhood indicated, and found the card writer, an elderly woman. Here's the report from the police blotter: "She told the police that all she had written for was some literature on the founding of the University of Idaho, and also a picture of the university. She said that she said so right on the card." She will get the literature and picture, besides the police visit.
Beaver Caretaker Wanted
Ashton — Wanted: A beaver caretaker. A district in the northeast corner of Idaho, near Ashton, needs someone to care for the beavers. Summer duties include servicing all complaint areas by live-trapping and transplanting these dam-building fur-bearers.

Potlatch Chief Sez

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, THERE, FOLKS:

About Easter Eggs — If you want large, white eggs for Easter, just right for coloring, come to the creamery. We are selecting the largest and choicest for this Easter season. Buy at least a couple of dozen and let the kiddies color them.

Planning A Party or Picnic? — Are you planning a picnic or party? If so, think of Potlatch Chief ice cream for dessert. It's so easy to serve, so wholesome and satisfying. Ice cream is 50c per quart or \$1.50 per gallon. We have a variety of flavors for this Easter season — vanilla, chocolate, maple-nut, strawberry, banana-nut and butterscotch.

Notice To Poultry Raisers — To you Poultry Raisers — Remember we are still taking orders for Erving's Baby Chicks. Place that Order Now! Remember, it takes time to grow laying hens

or fryers!

"You have told me about some of your worst prisoners," said the reporter to the prison warden. "Now tell me about some of the more genteel fellows. Who, for instance, was the most polite criminal?"

"I think," replied the warden, "that it was Genteel Joe."

"Really polite, eh?"

"Yes," replied the warden. "For when he escaped he left a note reading: 'I hope you will pardon me for the liberty I am taking.'"

"A woman riding a bus was anxious not to pass her destination. She poked the driver with her umbrella. "Is that the National Bank?" "No ma'am," replied the driver, "that's my stomach!"

Remember: Always ask for "Potlatch Chief" Dairy Products by name. It is your assurance of quality.

BIG BEAR RIDGE NEWS

You are cordially invited to attend Easter services at the Lutheran church Sunday at 9:00 o'clock a. m. Mr. and Mrs. K. D. Ingle returned home last Thursday evening, having spent the winter with Mr. Ingle's sister, Mrs. E. Anderson and family in California, and with their daughter, Mrs. Walter Olson and family in New Mexico.

Mr. and Mrs. Ed. Galloway and Eddie were Sunday guests at the Danny Kechter home on Cedar ridge. Mrs. Boyd Leland of Clarkston spent last week with her parents, Mr. and Mrs. Ed. Haiseth.

Mrs. Oscar Slind and Leland are in Spokane this week to be with her mother, Mrs. W. Leland, who is recuperating from a major operation.

Mr. and Mrs. Ray Carlson (nee Esther Kleth) visited at the A. Kleth and Floyd McGraw homes last week.

Mr. and Mrs. Ollis Sherbon and Johnnie of Pullman visited at the A. W. Jones home in Kendrick and with relatives here Sunday. Wilbur Babcock was taken ill last week and is in Moscow under medical care.

Mrs. Chas. Bower entertained the Happy Home Club at her home Friday afternoon of last week.

Mr. and Mrs. Halvor Lien are now settled in their new home in Moscow. The well wishes of their many old friends and neighbors will follow them to their new home.

The E. H. Jones family have moved to the Halvor Lien farm.

Clarence Morey has returned home, having visited at the home of his uncle, Otto Alber, in Dinuba, Calif.

Mr. and Mrs. Everett Hammond (nee Elma Jones) of Palouse, are the proud parents of a daughter, Patricia Louise, weight 8 pounds and 13 ounces, born March 18th.

LINDEN

The Friendly Club met Thursday with Mrs. Louis Alexander. Attending were the Mesdames Marion Souders, John Darby, Gordon Harris, Ted Grinolds, James and Felix Holt, Arthur Foster, Phil Bahr, Stewart Wilson, Al. Pederson, Addison Alexander, Allen Tompkins, Arley Allen, Alva Craig, F. C. Lyons, Clem Israel, E. L. Mitchell, Chas. Keeler, Sylvester Konen, and the Misses Elsie Darby and Eva Smith. A most pleasant day was spent in quilting. There were 13 children in the group, and these enjoyed the day playing games and riding stick horses.

Mrs. Gordon Harris, Southwick, visited in the Smith home several days last week.

Robert Chilberg took his son Allen to the Shrine hospital in Spokane last week for a check-up. Allen is getting along nicely.

Mrs. E. L. Mitchell spent the first of the week with her brother, Ben Smith and family, at Park.

Mrs. Rollin Armitage of Southwick and Mrs. James Holt visited their parents, Mr. and Mrs. Ray Cuddy, Wednesday.

There will be an Easter program at Sunday School, and church Sunday, followed by the annual community Easter dinner. Everyone is cordially invited to attend.

Mrs. F. C. Lyons called on Mrs. McDowell Sunday afternoon.

Billie and Wilma Wilson took their second "tick shots" Tuesday.

Anna Helen Smith went with the Kendrick High School Glee club to NezPerce, Friday, where they sang in the Massed Chorus. She was a week-end guest of Pearl and Kathryn

Brown at Kendrick.

Mr. and Mrs. Gil Erlewine have purchased the Smith farm, known as "Pioneer Ranch."

Mr. and Mrs. Henry Jones and children of Kendrick and Ira Foster spent the day Sunday with Mr. and Mrs. Arthur Foster.

Mr. and Mrs. Clem Israel, Mr. and Mrs. Louis Alexander, Mr. and Mrs. Al. Pederson, Mrs. Addison Alexander and Mrs. F. C. Lyons spent Sunday evening in the Smith home, practicing songs for the Easter program.

Mr. and Mrs. Gil Erlewine of Southwick visited Ramie Hunt and Mrs. Butler, who are ill with the flu. Pupils neither tardy nor absent at the end of this six-week school period were Gene Foster, Wilma Wilson, Herbert Pederson and Curtis Farrington.

The school children will have an Easter egg hunt at the school Friday afternoon.

ARROW HAPPENINGS

Mrs. C. W. Roberts of Presho, S. D.; C. L. Schofield of DeSmet, S. D., and Ray Scofield of Auburn, Calif., visited with their sister, Mrs. H. O. Woodruff, the past week.

Harry Smith and family visited with William Steele at Somerville Home, Lewiston, last Sunday.

Mr. and Mrs. Paul Baldwin and son Donald visited at the Ed. Groseclose home Sunday.

Mrs. Harry Smith entertained the Missionary Society from Lewiston last Thursday.

Mr. and Mrs. Ed. Groseclose, Mr. and Mrs. George Groseclose and Mr. and Mrs. Raleigh Albright attended the luncheon and lecture at the Lapwai school Monday evening.

License Fee Has Been Changed
Idaho fish and game licenses for the year 1947 are being distributed to vendors all over the state as rapidly as possible, says a dispatch.

Cost of resident and non-resident licenses has been increased. Idaho, in common with many states, the department pointed out, has experienced a greatly larger hunting and fishing load in the last few years and requires more money to maintain supplies of wildlife and to add more men to the conservation officer force.

The resident fishing and hunting license will cost \$3.00 compared with the old fee of \$2.00. Fishing licenses for residents will be \$2.00. The resident hunting license will also be \$2.00. The \$3.00 license will be the bargain combination of both. Persons who fish only will still be able to obtain a license for \$2.00. The same is true of sportsmen who go hunting but do not fish.

Non-residents, including all citizens of the United States who have not lived in Idaho six months, will find their Idaho hunting and fishing at a higher price. The season fishing license for a non-resident will be \$10.00. It was \$5.00. Tourists can obtain a fishing license good for five days for \$3.00.

The big game hunting license for non-residents will be \$50.00. This license will entitle the hunter to take one kind of game animal. If he hunts others he will pay \$25 for each additional species. Non-resident bird hunting is upped to \$20.00 from \$10.00. Alien big game licenses will be \$75.00; the alien fishing license \$25.00, and the alien bird license \$25.00. Very few alien licenses are sold among the approximately 205,000 licenses of all kinds that are obtained during a year such as the last one. About 40,000 are non-residents.

Electric Rates Very Low

Residential customers of the Washington Water Power company during 1946, averaged the lowest average price paid for electric service in the history of the company — 1.4 cents per kilowatt hour, according to data released today by H. C. Schupfer, local manager for the company.

"The cost of electric service in the home has dropped every year for more than ten years," he said,

"and just since 1938 the average cost to our residential customers has been reduced by approximately 37 per cent."

Average cost of home electric service over the past 12 years, in cents per kilowatt hour, according to the W. W. P. Co. records, is as follows: 1934, 2.32c; 1938, 2.22c; 1939, 2.18c; 1940, 2.04c; 1941, 1.74c; 1942, 1.61c; 1943, 1.57c; 1944, 1.53c; 1945, 1.47c; 1946, 1.40c.

J. E. E. Royer, vice president and general manager of the company has stated that "in spite of increased costs in our business, materials, equipment, wages, taxes, during and since the war, the cost of electric service has continued its downward trend throughout that period."

Remember — There are no parking meters on Kendrick's streets. It's merchants and businessmen welcome you.

Who-rah, Tigers!

Congratulations, Tigers, on your wonderful victory. It's true that a game is never won until the final whistle --- but we felt all the time that you would bring home that trophy!
