Dinner Honors Anniversaries

Mr. and Mrs. Clarence Dougharty and Harley Eichner, who are vacationing in the south, left Boise on Thursday, Nov. 13, and arrived at Tucson, Ariz., at noon Saturday, Sunday being the Dougharty's wedding anniversary, and not far from that of Mr. and Mrs. Eichner. Mrs. Harry Ameling prepared a delicious dinner honoring the occasion. That afternoon Mr. Ameling took the guests out to see the San Xavier Mission, built in the 16th century, and Old Tucson, where many movie scenes have been shot. A celebration and barbecue was in progress. Many other places of interest were also seen.

On the drive to Tucson huge piles of sugar beets were seen in Idaho; mining operation in Nevada and cotton fields in Arizona. Through the desert many miles were driven without encountering a turn in the road.

The trip through California and New Mexico was short, and Mr. and Mrs. Dougharty report seeing many trucks loaded with cotton in Texas — and the gas signs say 19c and 23c.

Harley Eichner stayed in Tucson, where he will spend the winter with his family.

Take Out Patrol

Dee Shepherd's big cat tractor pulled out the Kendrick Highway District's big patrol from its resting place in the Brady Gulch canyon last Thursday. The patrol had "rested" in the canyon bottom for the past four months, following its going over the grade — awaiting the arrival of repair parts, most of which are now here.

The big machine is being rebuilt by Bud Fey at the Kendrick Bean Growers shop, and the sooner it is back in operation, the better it will be liked, for roads need grading in winter as well as summer.

Mother and babe are doing nicely.

All concerned are doing nicely.

Flnds Weather Balloon

While Santford Weaver was hunting in the Tamarach burn on Boulder creek, he found, entangled in a tree, and with shrouds extending into the snow covering the ground, a government weather balloon parachute, the remnants of the exploded balloon, and the shroud strings. He did not, however, find the little radio which is generally attached, as, while scrapping about in the snow for it, an elk claimed his attention, and after killing and caring for it, it was too late to hunt further.

Sam planned on another search Monday, but we have not yet learned whether or not he found the radio. About six inches of snow cover the ground in that area.

In the evening at 7:30 the Cameron congregation gave a surprise party for the Meskes, honoring their wedding anniversary, and presented them with a beautiful blanket. Pickup Turns On Side

Felix Holt had the misfortune to turn his pickup onto its side Tuesday while on his way to town from his home on Cedar ridge.

Felix said that the collar on the gear shift lever had come off, and he took his eyes off the road to make sure he was getting the proper shift — and the first thing he knew he was off the road and the machine lying on its side.

Felix was not injured, but the pickup suffered an estimated \$50 to \$100 damage.

Football Season Over

The Kendrick High School Tigers finished their football season at Lapwai Armistice Day. A football letter is earned by staying with the squad the entire season and being in twelve quarters of play. On that basis the following boys have earned their letters: Gilbert Candler, Boyd Thornton, Edwin Hanks, Jerry White, Gordon Cook, Geo. Brocke, Jr., John Deobald, Clarence Alexander, Raymond Easterbrook, Robert Grimm, Herbie Millard, Dave Coulter, Kenneth Brown, Dick White, Eugene Brocke, Jack Mustoe, Clinton Smith, Bruce Mayo, Douglas Christensen, Frank Dammarell, Max Dammarell, Don Millard, Roy Riley, Bob Ward, David Grimm, Orville Halseth and James Mattoon.

We have won all our games this year. Our policy has been to use many players rather than to build high scores or hold the other team scoreless. On this policy Jerry White has seen more action as guard than any other player; Christensen and Millard have started most as ends; Hanks and Alexander have been in most of the games as tackle; Deobald has played center most on offense and Coulter on defense; Thornton as fullback has hit the line most often, but alternate fullback Smith has been in a good deal; Easterbrook and Brown alternated as ends or halfbacks. Halfback Cook is a broken-field runner, while quarterback Brocke and halfback Ward went around the ends; Mustoe and Mayo alternated as guards and Candler overcame an injury to play the last of the season.

All players finished the season in good shape, but Gordon Cook, who suffered a broken nose in our final game.

Next year's squad will have some experienced men, and will be heavier than the team this year.

The football team, students and faculty of the High school are appreciative of the bounteous supper that was served in honor of the football team last week by the Kendrick Grange. We realize it was a huge undertaking which necessitated much careful planning and arranging of the large amounts of food. A very fine time was enjoyed by all.

About The Schoolhouse

Lewis Lindquist from Juliaetta installed a new three-compartment sink in the lunch room. This sink was purchased in Spokane through state funds appropriated for such purposes.

Mr. Nutting has been re-appointed as Kendrick chairman of the March of Dimes campaign. The drive this year will be from Jan. 1 to Jan. 15. Mr. Peterson of Moscow, Latah county campaign chairman, recently stated that the job done in our community and in all of Latah county, proved to be one of the outstanding drives in the State of Idaho.

The high school enjoyed a Sadie Hawkins Day party, given to them at Burt's Confectionery Friday evening of last week. There was a race in the park at 8:30, and after this the group went to the confectionery where dancing was the main attraction. Later in the evening refreshments were served by the host and hostess, Mr. and Mrs. Raymond Hudson. This was the second party of this nature, and they are much enjoyed and appreciated.

School will be dismissed Wednesday at noon for Thanksgiving vacation. Lunch will be served in the Hot Lunch room at noon as usual.

The ladies of the P.-T. A. have completed making the drapes for the music room and it is now being used as a dark room for visual education as well as for the music classes.

Large 8x8 beams have been laid out in the parking area on the south of the school house by Mr. Arnett to prevent cars from parking over the sidewalk. A large outdoor flood light was installed on the south side of the school house by Mr.

HEIMGARTNER-SILFLOW NUPTIALS HELD SUNDAY

Last Sunday, Nov. 23, 1947, at the Emmanuel Lutheran Church, Cameron, Idaho, Irene Fern Heimgartner, daughter of Ernest Heimgartner, and Herbert J. Schwarz, son of Mr. and Mrs. John Schwarz were united in marriage at a nuptial service at 2:00 p. m., the Rev. Theo Meske performing the service in the presence of some two hundred and fifty relatives and friends.

The church was decorated with tall white candelabras and baskets of rose and white chrysanthemums, to form a beautiful setting.

Mrs. Theo Meske played the nuptial music, and Mrs. Geo. Demler and Mrs. David Dennier sang "Aloes."

Given in marriage by her father the bride was attractively attired in a gown of heavy satin, fashioned with a tight bodice, a deep lace yoke, long sleeves and a full skirt which fell into a long train. Her veil was fingertip length, edged in lace, and held in place by orange blossoms, which had been worn by her mother. Her bouquet was of pink roses and gardenias.

Mrs. Harold Silflow, Cameron, sister of the bride, as matron of honor, wore a floor-length gown of orchid satin and carried a colonial bouquet of yellow roses and orchid chrysanthemums. Esther and Marjorie Wendt, cousins of the bride, wore floor-length dresses of pink and turquoise satin. Their colonial bouquets were of rose and white and pink and white carnations.

Ernest Schwarz attended his brother as best man, and the ushers were Laurence Schwarz, another brother of the groom, and Walter Dennier, his brother-in-law.

The groom's mother wore a brown crepe dress and a corsage of pink roses.

Immediately following the ceremony all gathered at Cameron Hall for a reception. Suspended above the bride's table was a large white paper bell which had been similarly used at her parents' wedding. A four-tier white cake, topped with a miniature bride and groom centered the table. After the first piece was cut by the bride and groom, it was cut by the bride's aunt, Mrs. Henry Wendt. The coffee and punch was poured by Mrs. Walter Dennier and Mrs. Emil Silflow.

Mrs. Schwarz graduated from the Compton Jr. College, Los Angeles, and attended Lewiston Business College. For the last year she has been employed at the First Federal Savings and Loan Co., Lewiston.

Mr. Schwarz is a graduate of the Kendrick High school and from Northwestern Business College, Spokane. He is associated with his brothers in farming near Cameron.

The young couple left immediately after the reception for a short wedding trip, and will soon be at home in what is known as the Bill Hartung place at Cameron. For a going away outfit Mrs. Schwarz chose a brown gaberdine suit and a brown and yellow plaid coat with brown accessories.

Hiet to light the walk and entrance way to the gym.

Third and Fourth Grades

The third and fourth grades entertained their mothers Tuesday afternoon with a Thanksgiving program. Refreshments were served at the close of the afternoon, and a good time reported by all.

The third grade has finished their first Social Studies book, "Animals, Plants and Machines." They will begin "Our Country" shortly after the Thanksgiving vacation.

A new electric range was installed Saturday by Phil Johns for the Home Ec. class. Mr. Arnett has purchased the old range. An exchange for ranges was adopted by the school board with Mr. Johns whereby a range will be exchanged each year—thereby giving a new one annually.

Fifth And Sixth Grades

Newly elected officers for the second nine-week period are: Ann White, president; Albert Clemenhagen, vice president; Arlene Maynard, secretary-treasurer; Dawn Marie Nelson and Joyce Armitage, librarians; Donna Kanikkeberg, Ann White and Arlene Maynard, yell leaders.

Joyce Armitage's name should be added to the previous list for perfect attendance for the first nine weeks.

Students from this room, rating high in the six-week Spelling tests of 100 words were: 100—Albert Clemenhagen, Unis Westedahl, Donna Kanikkeberg, Arlene Maynard, Joyce Armitage, Ann White, Sylvia Herr, Ann Kanikkeberg, Frances Dammarell; 99 percent — Donald Ingle, Janice Christensen, Ronald Craig, Charles Westedahl and Monte Clemenhagen.

Seventh And Eighth Grades

The seventh and eighth grades enjoyed a Sadie Hawkins party last week. A chase was the high-light of the evening, with some of the lucky or unlucky fellows winding up in the clutches of the fairer section. Refreshments were served, and all-in-all a very enjoyable evening spent.

December 8 is the date for the very interesting and enjoyable Puppet show that is to be presented by these grades. The play presented by these miniature actors is Dickens' "Christmas Carol." We feel it will be worth anyone's time to come and see this show.

Now that basketball practice has started, the Yelling section has come to life along with the boys, and Yell leaders have been chosen from these grades. They are: Judy White, Shirley Travis and Doris Shreffler.

Weather Same Old Story

The weather the past week has been the same old story — rain and snow squalls, with a chill dampness in the air, and when off pavement or gravel, deep, soupy mud. A killing frost Friday evening of last week, brought almost all the leaves still remaining on the trees, tumbling down, although shrubs in protected spots still retain their leaves.

Rebecca's Hold Meeting

The Rebecca's met last Thursday evening in the Fraternal Temple.

Mrs. Laura Hughes, Rebecca's state president, was here for a special visit. The Juliaetta lodge members were guests.

A delicious lunch was served at the close of the evening.

GRAIN MARKETS HOLD FIRM IN THE PACIFIC NORTHWEST

The cash grain markets in the Pacific Northwest, influenced by the sharp advance in corn futures, were firm to higher during the past week, according to reports to the Market News Service of the U. S. D. A. While December wheat at Chicago showed a net gain for the week of only about 1/4 cent, December corn showed a net advance of 11 1/2 c per bushel during the period. Improved weather conditions in the winter wheat producing states of the southwest where a shortage of moisture has delayed planting and retarded growth of the crop, influenced the wheat market, but with light offerings of corn and greatly increased demand, prices advanced sharply. The ordinary export classes of wheat in the cash markets of the Pacific Northwest showed a net gain of 1c and hard white (baart) 2c per bushel, with oats and feed barley each up \$1.50 per ton.

The cash wheat market at Portland was firm but held fairly steady during the week, with a spread of only about 2 cents per bushel between the high and low on all classes of wheat during the period. The bid prices of \$2.95 on the export classes of wheat and \$3.18 on the higher milling grades saw wheat again reach new highs on the Portland Exchange since May of 1917. Trading was comparatively slow except early in the period, when a fair volume was worked to the Commodity Credit Corporation with total purchases reported by the C. C. C. from noon on November 19, of 650,533 bushels. Milling interests were active in the market for all kinds of wheat on track, in transit, or loaded, before the shipping restrictions became effective. The feed trade has generally lost interest in wheat in an effort to conserve wheat for the export food program and on account of unfavorable prices compared with barley.

Shipments of wheat to the terminal markets improved during the week, showing the effectiveness of Service Order 791, which has been in effect for a week. Receipts at the Columbia river terminals totaled 446 cars and at the Puget Sound terminals 459 cars, compared with 230 and 203, respectively, for the previous week.

Bid prices on the Portland Grain Exchange were as follows: Soft White, soft white (no Rex), white club, western red and hard red winter, all \$2.95, all basis No. 1 bulk.

15-day shipment for coast delivery. During the week wheat receipts at Ogden totaled 146 cars. Prices quoted were \$2.87 per bushel for hard white and 27c per bushel for all other classes of wheat.

The wheat market at Kansas City was very irregular during the week, being influenced strongly by possible government regulations to meet food emergency needs abroad and by the uncertain new crop outlook, while the December future at Kansas City made a high of \$2.97 1/2 and a low of \$2.87 during the week. Some improvement was reported by the trade in car supply and receipts were a little larger than the previous week.

In Minneapolis the grain markets remained firm with outstanding strength being shown by corn. The movement of wheat to terminals slackened further with only 1,319 cars at Minneapolis and 1,797 at Duluth. Demand was largely centered on wheat which could be delivered at Duluth in time for lake shipment. Local mill buyers were in and out of the market, staying just long enough to satisfy their needs.

Rains during the week over practically the entire country, especially in the critically dry southwestern wheat belt improved prospects. However, soil moisture continued deficient, principally in the western two-thirds of Kansas and southern Nebraska and some adjacent areas. Rain is still needed over central and southern portions of the great plains to sustain growth. Soil moisture is now generally ample for the germination of fall grains and the completion of seeding in the drought areas of southwestern Texas and Oklahoma. Winter wheat is mostly in very good condition in the upper Mississippi valley, the lake region and the Pacific Northwest. Early rains retarded considerable fall seeding in the Pacific Northwest.

Disposes Of Ranch

A deal was consummated Tuesday afternoon of this week whereby Henry Bleck disposed of his ranch on Potlatch ridge to Mr. and Mrs. Harl Whittinger.

"Hank" had owned and operated the ranch for the past 45 years, and he said he thought it was time to retire and devote his time to his hobby — fishing. He will make his home in Lewiston.

The consideration was not made public.

Elk Bagged

Beginning last week, a number of elk have been killed in the Dry creek area. Among those bagging one were John, Andy and Eddie Galloway, Burton Souder, Teddy Deobald and Harve Fairfield.

B. E. GROSECLOSE SHARE IN NAMING MILITARY AREAS

From Mrs. Ethel Knight, Juliaetta, comes the following notation and clipping from B. E. Groseclose, now a civilian employee of the Military Department, stationed at Frankfurt, Germany. He wrote:

It was my job to decide on the deceased Hero's of World War II who died in the unit capturing Frankfurt, for renaming military installations here.

The clipping follows: Special to The Stars and Stripes, Frankfurt, Ger. Military areas in Frankfurt Mil. Post now unofficially named "Able," "Bolster," "Dog" and "Easy" areas, have been renamed in honor of deceased members of the U. S. Army who served in the ETO before V-E Day.

The area now known as "Able Area" has been renamed "Atterberry Barracks," in honor of Pfc. Leo M. Atterberry of Atterberry, Ill., who was killed in action while leading his squad towards enemy positions near Kickirsch, Luxembourg, on Dec. 25, 1946. Pfc. Atterberry was a member of Company E, 2nd Inf. Regt., 5th Inf. Div.

"Bolster Area" will be called "Betts Barracks" in honor of Brig. Gen. Edward C. Betts, a former judge advocate of USFET, who died in Germany, May 6, 1946. Betts, a native of Huntsville, Ala., made his home in Washington, D. C.

The area now occupied by the 97th Gen. Hosp. has been named "Clark Caserne" in honor of Pvt. Thomas E. Clark of Silver City, N. C., a member of the 15th Tank Bn. (medical section) who was killed in action when his ambulance struck a mine after Clark had braved withering fire in crossing a bridge five times to evacuate wounded.

The area now known as "Dog Area" has been officially renamed "Drake Area," in honor of Lt. Nathan F. Drake of Newark, Del., who was a member of Co. F, 11th Inf. Regt., and who was killed in action Sept. 8, 1944 at Fort Dornot, Metz, France.

"Easy Area" is now officially called "Edwards Area" in honor of Lt. Vernon E. Edwards, a native of Collinsville, Ill., who was killed in action Nov. 11, 1944 on the French Nied River during the "toughest action in 6th Armd. Div. combat history," when tanks commanded by Edwards helped save the bridge spanning the river by neutralizing to rocket-launcher teams with machine gun fire.

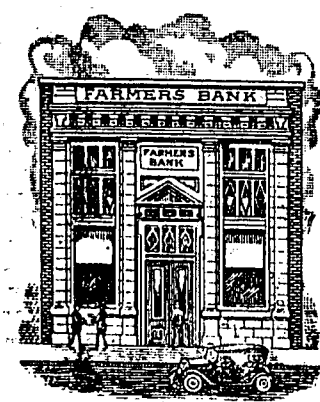

Our Note: Mr. Groseclose is with the historical section, so is well acquainted with his problem, but we can very well realize that his job was not an easy one.

Mr. and Mrs. Ray Cuddy visited

drick, Sunday.
Mrs. Charles Keeler visited with
the Ted Vaughan family in Kendrick
Wednesday.

The W. M. A. ladies met with
Mrs. John Darby at Kendrick. Those
present were Mrs. Al Pederson, Miss
Inez Pederson, Beth Pressnell, El-
leen Souders, Miss Eva L. Smith of
Lewiston, Pearl Alexander, Kathryn
Cuddy and Ida Lyons.

There is some very noisy road
work being done on the Cedar creek
"highway." Guess it is rock being
blasted off the hillside, judging by
the noise.
Mr. and Mrs. Charles Keeler at-
tended a birthday party given in
honor of little Carla Clair Keeler,
baby daughter of Mr. and Mrs. John
Keeler, in the home of Mr. and Mrs.
Ted Vaughan on Nov. 23. Everyone
enjoyed the day to the fullest and
all wished the little lady many more
of the same.

Potlatch Chief Sez

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, THERE, FOLKS:

About Thanksgiving:

Thanksgiving Day is as truly American as Hob-Nail glassware, squirrel rifles and turkeys — and it is the one day when feasting and true thansgiving run hand in hand.

It is our wish that you observe this day to the fullest extent — and may we suggest that your dinner menu include at least one of our many "Potlatch Chief" brand dairy products.

Let us hope that you try, as a dessert, some of that delicious pumpkin ice cream which is our Thanksgiving Day special. You'll find its creamy smoothness and

delicious pumpkin flavor will add just the final crowning touch to that perfect dinner. Get it at the creamery by the quart or gallon.

And:

In order that this institution's employees may properly enjoy the day, we will be closed Thanksgiving Day — and there will be no milk delivery.

Be sure of your dairy needs — buy plenty to tide you over.

A member of the Missouri state legislature was being needed constantly by a colleague of the opposite party. This member waited with great patience for the day when he could strike back. One day while speaking his colleague rose from the floor and addressed him: "Sir," he said, "the news has just come to me that you are a veterinarian. Is that true?" "Yes," replied the long-suffering legislator. "Are you ill?"
