The third film, one of a series of vocational films, was titled, "The Librarian," and showed the work of the various types of librarians. The seventh and eighth grade had just completed a study of the "Library," and how books are chosen, classified and catalogued, etc.

An ultimate output of 50 tons a year may be expected. Last year the combined plantings of all Idaho hatcheries was 109,000 pounds, the greatest weight ever released for the sport of Idaho anglers. The Hagerman hatchery will supply trout — many of them legal size — to many parts of the state. Large tank trucks, bigger than anything now in use, will roll as far as Northern Idaho with thousands of pounds of anglers' delight. Streams and lakes that hatcheries have not been able to supply before will receive trout. More legal-sized

Bigger And Better Sale Planned
The Lewiston Hereford Association has selected 80 high quality bulls and 20 females from 41 registered herds in eastern Washington and north central Idaho for its Fourteenth Annual Show and Sale, to be held February 16 and 17, in the sales pavilion at the Roundup Grounds, Lewiston, according to J. W. Thometz, sales manager.

Emphasis has been placed on the selection of bulls that will help the range and cattlemen in increasing the weight of the walf crop in making faster gain in the feed lot. Sixty of the bulls selected are of serviceable age, they are well developed, good type and conformation and

HELLO, THERE, FOLKS:

About Good Food:

It takes plenty of good food to keep the scale of health bal-anced for the world's children. Fifty percent of the children around the globe do not get enough nourishment to sustain

Acute shortages, such as they are having abroad, have raised prices to such a great extent that simple, basic foods, such as milk and eggs, are impossible to buy in foreign countries. With this fact in mind we should be more than thankful that we are not faced with such a serious situation, and take full advantage of our ample supply, and keep our children aglow with health.

Milk, as you are well aware, is a dire necessity to good health. Make certain you supply your children with plenty of good, wholesome milk. Pasteurization insures good, safe milk, so in-

sist upon "Potlatch Chief" past-eurized milk when buying your supply.

Potlatch Chief Butter, Cream, Cottage Cheese, Milk and Eggs top the list for quality and freshness. Remember this when making out your shopping list.
