Weather Stays Chilly

The weather the past week has been typically March — chilly winds, snow squalls, rain squalls, brief sleet storms, etc.

Last week-end was quite pretty, and early shrubs were beginning to show definite signs of life, but this week has certainly not been very productive as far as growing is concerned.

A couple of ground hogs have been reported seen and one killed by Bob Watts and Teddy Deobald, who "did him in" with rocks on the Brady Gulch road.

WENDTS CELEBRATE SILVER WEDDING ANNIVERSARY

Sunday afternoon, March 7, 1948, at the Lutheran Hall in Cameron, Mr. and Mrs. Henry Wendt celebrated their twenty-fifth wedding anniversary. Nearly one hundred relatives and members of the original wedding party joined in the festivities. It was also the birthday anniversary of Mrs. Wilbur Brunstiek, who was one of the bridesmaids, which added further cause for celebration.

Shortly after 2:00 o'clock everyone toasted the three, and slides and home movies were shown by members of the party and relatives.

"Bless This House" was sung by the entire group, with Mrs. Theo Meske at the organ, when everyone had gathered about the eight long tables for a delicious supper. The tables were decorated with silver vases filled with pussywillows, and tall white tapers in silver candle holders.

At the main table were seated Rev. and Mrs. Meske and the original wedding group: Mr. and Mrs. Henry Wendt, Mr. and Mrs. August Brammer, Mrs. Wilbur Brunstiek, Mrs. Albert Glenn, Mrs. Ed. Nelson, Wm. Brammer, Herman Silflow and Walter Koopp. The table was centered by a three-tiered white cake topped with the number "25" and highlighted with silver dragees. There was also a large pink and white birthday cake. Both cakes were made by Mrs. Meske.

Mrs. Wendt wore a blue frock, trimmed with turquoise metallic sequins. Aided by her husband, she cut the first piece of cake, and their daughters, Marjorie and Esther, finished the cutting and serving. Mrs. Geo. Wilken and Mrs. Fred Silflow poured and Mr. Wilkin and Otto Silflow served, as they had twenty-five years before.

The couple received many lovely gifts accompanied by congratulations and wishes for continued happiness.

Out of town guests were Mr. and Mrs. Wm. Brammer and daughter of Carstairs, Alberta, Canada; Mr. and Mrs. August O. Wegner and Mr. and Mrs. Harry Wegner of Pullman, Washington.

From the wedding account of 25 years ago, we quote: "Another pretty wedding and the second within a year in the Silflow family, was solemnized on Wednesday afternoon in Emmanuel Lutheran church of Cameron, when Miss Ida Silflow and Mr. Henry Wendt were united in marriage by the pastor, Rev. E. A. Rein.

The organ was arched with green and was presided over by Mrs. Gustave Kruger, sister of the bride, who played Lohengrin's Wedding March.

"The bride entered on the arm of her brother Herman, who gave her in marriage and proceeded to the altar beneath three arches of evergreens and flowers. She wore a lovely gown of white satin, beaded in cut crystal beads and pearls. Her veil was made in cap shape and was held in place with a wreath of orange blossoms and myrtle. Her bouquet was of pink roses and freesias with a shower of real orange blossoms sent from California.

"She was attended and preceded to the altar by the Misses Edna and Laura Blum and Wanda Brunstiek as maid of honor with little Erna Wegner, niece of the bride, as flower girl.

August Brammer, uncle of the groom, acted as best man and Wm. Brammer of Canada, also an uncle of the groom, and Herman Silflow, attended the groom. Walter Koopp, a brother of the groom acted as ring bearer and carried the ring to the altar in a Calla lily."

Former Resident Passes

Harry A. Sparber, well known former resident here, passed away at Portland, Oregon, March 3, of a heart attack.

Walter Sparber, called by his death, left for Portland on March 6th, and returned the body to Moscow, Tuesday, then coming on to his home here.

Graveside services will be held at the local cemetery today (Thursday) at 2:00 p. m., with interment in the family plot by the side of his father and mother, Mr. and Mrs. H. H. Sparber.

Mr. Sparber was an uncle of Walter and Orville Sparber, living here for a number of years, and leaving for Lewiston in 1938, and then going on to Portland, Oregon, in 1945 where he had since made his home.

Harry A. Sparber was born in Morrilton, Minn., March 1st, 1892, and was just past his 56th birthday anniversary at the time of his sudden death. He was a brother of Charles and George Sparber, also former Kendrick residents.

Mr. and Mrs. Leon Lind and children of Gifford spent the week-end in the Paul Lind home.

Miss Lois Deobald of Grangeville spent the week-end at her home here.

KENDRICK TIGERS AGAIN WIN SECOND DIVISION CROWN

Kendrick's Tigers again proved their championship metal by winning the Class B title of the second district, dropping Pierce 42-23 in the championship game at the N. I. C. E. gym in Lewiston Saturday night. Taking a 4-3 lead at the end of the first two minutes of play, the defending class B state champions drove throughout the game to swamp the Foresters. Kendrick defeated Pierce 29-26 in the opening game of the tournament and forced the Foresters to win back all the way through the consolation bracket. Both Kendrick and Pierce will play in the North Idaho Regional Tournament which began at the N. I. C. E. gym in Lewiston yesterday evening.

Wednesday's Play

Kendrick's Tigers, defending district, regional and state class B champions found the Pierce Foresters a rugged crew to down. The margin varying but little throughout the game, and once or twice the Pierce hoopers led by one point.

The final minute of the game was played in deafening noise as the Foresters pulled to within one point of the Tigers, 27-26, only to see Boyd Thornton drop in a basket in the last 25 seconds of play and the Tigers were away to a three-point victory.

Pierce used an aggressive zone defense and dominated the defensive backboards. Kendrick passed well, and both teams missed many shots as the tension of tournament play mounted.

Herb Millard, Kendrick forward, led his team with nine points while directing the offensive and defensive play. Ron Kinnard, forward, was the spark-plug of the Pierce attack and scored 8 points before leaving the game on fouls.

Thursday's Play

Kendrick Drops Maniacs:

Kendrick's defending state champions applied the pressure in the first half of their game with Orofino to take a commanding lead and defeated the Orofino Maniacs 38-30 in the second morning game at 10:45 Thursday.

With Herbie Millard and Ray Easterbrook putting the casaba through the hoop often and accurately the Tigers posted a 16-8 lead at the end of the first quarter. Tight defensive work and inability of the Maniacs to break through and score from the field gave the Tigers a 26-11 lead at the half.

The Orofino lads fought back in the third quarter to score 10 points with Jack Hughes leading the attack. Kendrick scored six points and the Tigers lead at the end of the third stanza 32-21.

Although the Tigers slowed their attack and the Maniacs drove harder, the state champions closed out the game 38-30 to post another win. Herb Millard with 11 points and Ray Easterbrook were leaders in the slashing Kendrick attack. Hughes with 9 counts led the Orofino scoring.

Friday's Play:
Says the Lewiston Tribune: "Kendrick and Pierce subdued stubborn foes in the second district basketball tournament at the N. I. C. E. gym.

Friday, Kendrick dropped Lapwai 45-31 in the morning session to enter the championship game at 8:00 Saturday evening, undefeated. Pierce upset Genesee 49-41 in the second morning game and came back in the first evening game to edge Lapwai 38-35. Genesee and Lapwai were eliminated by the losses. Orofino and Grangeville fell Thursday.

"A near-acapacity crowd was on hand when the morning session opened with the undefeated Kendrick Tigers and Lapwai Wildcats met in the crucial game for each team. The Tigers grabbed an early lead and maintained the pressure to edge a Lapwai quint that was without the services of Dan Wilson, stellar guard. Wilson had a severe "charley horse" from a previous game.

The Pierce Foresters took a big early lead over the Genesee Bulldog and won their third tournament try in two days. Genesee was unable to find the basket with field attempts until late in the game.

Kendrick-Lapwai Game:

Kendrick's Tigers went to work in earnest in the opening game of the Friday morning session and swept the Lapwai Wildcats off their feet with a driving, rushing attack in the first quarter. Ray Easterbrook found the hoop for three field goals in the first quarter of play as the Tigers led 13-6.

Lapwai also turned on the heat in the second quarter but the Tigers refused to be outplayed and racked up eight points while the Wildcats canned six. Dan Wilson led the Lapwai offense as the half ended 21-12 in favor of Kendrick.

Both teams continued their drive and the third quarter was a free-scoring affair, with Kendrick getting 13 points and Lapwai nine. So closely were the Tigers checking that Art Taylor, Lapwai forward, scored the only field goal for his team.

Dan Wilson, sparkplug for the Wildcats left the game early in the third quarter and the Wildcats sagged badly. Wilson was again forced out with a "charley horse."

Easterbrook with 12 points lead the Kendrick attack and Dor Millard chipped in nine. Herb Millard again turned in an outstanding game although racking up but six points for the Tigers.

Dan Wilson, Wes Hamilton and Bill Scott each scored 7 points for Lapwai. Wilson's floor play and Hamilton's backboard work were outstanding for Lapwai.

Said Saturday's Lewiston Tribune: "If popularity could be recorded on an applause meter, the Pierce Foresters would undoubtedly take the championship honors. These hard-working kids have earned the admiration and respect of all the basketball fans of this area. Kendrick and Pierce are going to prove very popular entries in the North Idaho Regional Tournament that begins on Wednesday in the N. I. C. E. gym.

Championship Game Saturday

A capacity crowd that whooped it up during the first quarter of play, became subdued and strangely quiet for a championship game, as the Tigers demonstrated their complete mastery of the game. Passing sharply and shooting accurately, the Tigers posted a 16-5 lead at the end of the first quarter, as George Brocke and Herb Millard connected repeatedly from the field.

From that point on the game was never in doubt as the champions posted a half-time lead of 25-12; 35-18 at the end of the third quarter and the 42-23 final.

Breaking with driving speed and passing through the Pierce zone defense almost at will, Kendrick hit repeated short shots. Only Ron Kinnard, forward, was able to score from the field for Pierce in the first eight minutes of play. George Brocke with six points and Herb Millard with six, led the Kendrick attack.

In the second quarter Allen Medallin, Tiger center, scored seven of Kendrick's nine points. Steve Fry, Pierce guard, got four points to pace the Foresters as the half ended 25-12.

Kendrick's regulars started the third quarter, but at the end of four minutes of play Coach Ross Armitage began feeding in substitutes. Herb Millard paced Kendrick during this stanza with four points while Leroy Hartig collected three for the Foresters.

The fourth quarter was largely a battle of substitutes as Coaches Ross Armitage and Kenneth White gave all their boys a chance to play — and even then the Tigers scored seven points to five for Pierce.

The gallant Pierce team never stopped trying, but the shots that dropped in from all over the floor

About Roads

Roads in this area are still in a terrible condition following the heavy rains and washout of two weeks ago.

The Kendrick Highway District has been operating all available equipment in an effort to put their roads into "usable" conditions, but it will be many weeks before they can be classed as "good."

The "swamp" between Kendrick and Juliaetta has been largely drained and should remain in a passable condition unless more heavy rains fall, which is pretty apt to be the case. There is apparently no solution for this road except "build a new one."

INTERESTING HAPPENINGS FROM JULIAETTA AREA

Mr. and Mrs. Earl Gaskill and family motored to Dayton, Wash., over the week-end, where they visited Rev. Freeland Whybark and family.

Juliaetta Rebekah Lodge No. 9 held its regular meeting last Thursday, with Mrs. Viola Nye, noble grand, presiding. COMMERCIAL CLUB MEETS ON TUESDAY EVENING

The regular monthly meeting of the Kendrick Commercial club was held Tuesday evening, with the 6:30 dinner served at Burt's Confectionery. There were 25 present at the dinner and 21 at the business meeting which followed in the city hall.

First order of business, of course, was a discussion of the critical road situation, especially that between Kendrick and Juliaetta. On motion of Wade Keene, it was decided to send a letter describing the road condition, plus photographic evidence, to Gov. C. A. Robins and James Reed, highway director. So bad has this road gotten, that salesmen are now avoiding Kendrick — and that's something!

A discussion of the Kendrick Highway district, its roads and financial situation followed, plus the proposed discontinuance of highway districts. After discussion it was decided to make no moves until further information on district consolidation is available.

Next came a discussion of Kendrick's complete lack of a ball diamond, and on suggestion of W. A. Watts, a committee was appointed consisting of Walter Brocke, Tom Keene and R. L. Blewett to work with the Kendrick Grange committee, consisting of Bill White, Frankie Benscoter and Doyle Hayward in an effort to locate and obtain suitable ground for such a field. The Grange is making this one of their projects and offered the use of machiney, etc.

Next came a discussion of the coming Soil Conservation meeting on Tuesday, March 16 — and the club voted to furnish the free lunch at noon for the farmers.

Tom Long, reporting for the Highway committee, stated that all district roads were in rather poor condition following the deluge, but steady progress was being made in reconducting them.

H. C. Schupfer, reporting for the Industrial committee, stated that a new industry had been added — the Kendrick Bakery.

Gerald Ingle reporting on the new school reorganization plan, said that the local plan had been approved by the state board on February 17, and that in this week's issue of the Kendrick Gazette would appear the "Notice of Election," which is called for April 3rd. Mr. Ingle made a sincere plea for all legal voters to exercise their franchise — since this matter is one of the utmost importance to everyone throughout the entire district. He told of the many hours of work put in on the various county plans and closed his talk with another "nudge" for all to vote.

J. G. Travis was appointed a committee of one to investigate and report on the damage suffered by homes in the east part of town flooded by the recent high water. It was decided to again entertain the basketball boys at a dinner — and the entire matter was placed in the hands of the Entertainment committee.

 Fred Stage returned last week from Indiana and Michigan, where he spent the winter. He drove there in his light truck just before Christmas. During the time he was away he traveled 2,500 miles, and says the worst road he found anywhere was that between Juliaetta and Kendrick. The winter in the east saw a steady cold, although the thermometer did not drop lower than 3 below at any time, and snow was about six inches deep. This was Mr. Stage's first visit in the east for about 35 years — and he says Idaho looks very good to him again.

ANOTHER OLD KENDRICK PAPER COMES TO LIGHT

Monday morning E. E. McDowell brought to the Gazette office a "Kendrick Advocate" paper, dated Friday, June 17, 1892; Volume II; No. 49. This old paper, in a very good state of repair, was found between the wall studding in what is known locally as the "Old Amelving Place," the long-vacant house near the Harry Benscoter ranch, and now owned by Harley Eichner.

Herb. McDowell is wrecking the old house, and found the "Advocate" and a "Marshall County Democrat," published at Marysville, Kansas, dated June 10, 1892.

The old "Advocate" is just three weeks "younger" than the old Gazette found and brought in by Darwin Tarry about a month ago.

In the Advocate is a complete 4th of July celebration program as planned for that year — and we must say the prizes they offered were very generous for those times. Here are a few samples: 100-yd. dash free for all, first \$16.00; second \$10. Sixty yard dash for boys under 15 — first, \$8.50; second, \$4.50; Ring wrestle, first, \$8.50; second, \$4.50; egg race, first, \$3.00; second, \$2.00.

In the Southwick correspondence appears the following: "Many of the farmers took advantage of the \$1.00 offer for flax and sold their crop, yet some are holding theirs for still higher prices.

Town officers are listed as follows: M. S. Freeman, chairman; W. S. Lincoln, B. G. Peters, A. Hill and E. V. Nichols; Town clerk, J. S. Vincent; treasurer, L. D. Schattner; Council, G. W. Coutts; Assessor, John E. Helpman; Marshall, Joseph Alphon.

In the advertisements appear those of the "Kendrick, Weippe and Pierce City Stage Line, Stage leaves Kendrick on Mondays and Fridays, via Leland and Southwick. Passengers accommodated. M. S. Freeman, Prop." And "The Bank of Kendrick, Capital Stock \$50,000. J. M. Walker, president; M. S. Freeman, vice president; R. M. Walker, cashier." And Kendrick Planing Mills, King and Keller, Props."

Just where the "Advocate fits into Kendrick history we do not know, nor have not been able to learn. We have previously heard of "The Kendrick Times" and "The Canyon Echo."

We have, however, heard of the editor of "The Advocate," P. E. Stookey.
The old paper may be seen at the Gazette office through Mr. McDowell's courtesy.

KENDRICK SCHOOL NOTES

School Receives Documents
On Friday, Feb. 27, Tom Keene, an alumnus of Kendrick High school, gave an interesting lecture on the subject of the S. A. R. (Sons of the American Revolution) describing the organization and explaining how one may become a member. At the same time he presented the High school with two important documents, facsimile copies of "The Declaration of Independence" and "The Constitution of the United States."
To become a member of the S. A. R., according to Mr. Keene, it is necessary to be able to trace one's ancestry back to the Revolutionary War and prove that an ancestor fought in the war. He suggested that it was possible that one-half the high school students might be eligible candidates for the S. A. R. or the D. A. R., but it would be unlikely that more than three or four out of 100 could actually prove that they were, as it sometimes takes years of study to trace one's genealogy that far. Mr. Keene stated that he and his father were members.

In conclusion he described some of the fine work being carried on by the S. A. R., and stated that there was a desire to receive as members all eligible candidates, and urged all students to see if they were eligible.

Grade School News
The seventh and eighth grades are making posters for the W. C. T. U. Grade school was dismissed from Wednesday on, so that students might attend the tournament.

The band has new sweaters — gold with the band emblem and name on the left arm. Each student purchased his or her own.

Treated Kendrick Tigers
In last week's issue we reported that Mrs. Walter McCall had treated the Tigerettes to ice cream and cake. This was an error. Mrs. McCall did the treating, all right, but for the Tigers instead of the Tigerettes.

Potlatch Chief Sez

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, THERE, FOLKS:

About Milk:

Does your family get the proper amount of milk each day? Children should have at least a quart of milk daily to build strong, healthy bodies, and adults should have at least a pint each day for the maintenance of normal health.

For good milk always buy Potlatch Chief milk — it's pasteurized. Pasteurization insures good, wholesome milk, as it stops the growth of harmful bacteria which are always present in all raw milk.

Always make certain your family gets the best and most healthful foods. Always buy Potlatch Chief pasteurized milk and keep your family healthy.

About Ice Cream:

For a dessert that tops them all, buy Potlatch Chief ice cream. It comes in a large variety of

fine flavors. It's a dessert that is a favorite at bridge or pinocle parties, luncheons, dinners, buffet suppers, etc. Take home a quart or two today — or better still, buy it in the economical gallon container.

Clerk to Boss: "I'll have to have a raise in salary, sir. Three other companies are after me."

Boss: "Oh, is that so! Who are they?"

Clerk: "The light company, the phone company and the water company."

Worker: "Would you blame me for something I didn't do?"

Foreman: "Of course not."

Worker: "Well, I didn't get here in time to punch the clock this morning."

Child Training Expert: "If your children become unmanageable, quickly switch their attention."

Puzzled Parent: "Their what?"

KENDRICK WINS CHAMPIONSHIP

In the early days of the tournament were not even coming close in the final game, under the defense of the Tigers. Kendrick's tight man-to-man defense broke up the Pierce weaving attack before it got started and limited the Foresters to five field goals during the game.

Herb Millard with 10 points and Allen Medallin and George Brocke with eight each were high for Kendrick. Ron Kinard scored eight to lead the Foresters.

The box score:

Kendrick (42)	FG	FT	F	TP
Easterbrook, f	1	0	3	2
E. Brocke, f	0	0	2	0
H. Millard, f	4	2	3	10
Dammarell, c	2	1	2	5
Medallin, c	3	2	3	8
Thornton, g	1	1	1	3
D. Millard, g	3	0	2	6
G. Brocke, g	4	0	1	8
Brown, g	1	0	0	2
Cook, f	0	0	0	0
Pierce (23)	FG	FT	F	TP
Barnard, f	0	4	1	4
Marshall, f	0	0	2	0
Kinard, f	3	2	5	8
Hartig, c	1	2	0	4
Bloom, c	0	1	3	1
Herrick, g	0	2	0	2
Hansen, g	0	0	1	0
Totals	5	13	14	23

At the conclusion of the championship game the two teams gathered in the center of the floor in a milling circle, smiling, cheering, slapping backs and shaking hands.

Robert Billing, president of the Lewiston Chamber of Commerce athletic committee, presented the championship trophy to Herbie Millard, captain of the Kendrick team. Leonard Herrick, captain of the Foresters accepted the runner-up trophy for his team. There was no sportsmanship cup this year — by vote of all competing schools.

Trophies for the two teams had not arrived so substitute symbols were temporarily presented. Individual members of the Kendrick squad will receive miniature gold basketballs and the Pierce squad will be given silver basketballs.

Unofficial estimates by tournament officials place the total attendance at about 7,000 spectators. A rough estimate of total receipts would give the teams approximately \$5,000 in gross income.

Said the Lewiston Tribune: "A Washington high school official, a former coach of championship basketball teams and an ardent sports fan, summarized the Kendrick team in excellent style. Here is how he put it: 'They are a nearly perfect machine with scoring power, speed, a tight defense and above all a sense of team play that takes advantage of every mistake the opposition makes.'"

Kendrick To Play Rathdrum

The Kendrick Tigers will meet Rathdrum tonight (Thursday) but we do not know at this time whether they play the first or second game of the evening.
