In assessing these results the reader should bear in mind that Kamiah is at the top of the heap, and that to date the Kendrick ball diamond has not permitted a single practice. let alone a home game! We think that every player is to be highly congratulated on his ability and love of the sport to go into game after game "cold", and yet win a fair

percentage of them. There exists little doubt in the minds of local sport fans that the Kendrick Tigers, under the coaching of Ross Armitage, could have been Idaho State Class B Champs had they had a field on which to practice. As it was, a bit of bunting and short practice hitting and field-

ing was all they were able to get in, and that on the school playground. It is said that chances are looking better for a ball diamond on the hill and should that materialize, it will give a flood-proof location. Local businessmen, grangers and sportsfans in general are behind this movement, and there is little doubt but what many hundreds of dollars in labor and materials will be donated

Taking a six-h. p. air-cooled motor, an old Ford model T chassis, a model T truck rear end, Chevrolet transmission, etc., Mr. Deobald built the tractor to his own ideas.

He also plans on using the machine to saw logs and pull stumps on his ranch on Potlatch ridge, so equipped it with a buzz-saw, log olding device, winch, etc. It's home-made, but it works!

Gets Pickup Out

A bulldozer came to the rescue of the Henry Jones pickup, stranded at their ranch home by the washout of two bridges in the cloudbursts of two weeks ago.

The machine came down the old abandoned road from the old Vollmer-Clearwater tram house to the fones ranch, "dozing" out a roadway of sorts as it went. On the return trip it pulled the pickup out to the former tram house, and Henry is using it in his work.

Almost half a day was required to

make the short trip.

Entertain Pinochle Club Mr. and Mrs. Tom Keene enter-

tained the Pinochle club last Wednesday evening in their home. Pinochle was played in the big recreation room in the basement, after which an indoor picnic was enjoyed — everyone gathering round the fire place to roast weiners. Invited guests were Mr. and Mrs. Judson Lee and Mr. and Mrs. Glenn

High scores went to Mrs. Ben Westendahl and Charley Candler;, while lows were awarded Mrs. Frank Abrams and Floyd Millard.
