PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, THERE FOLKS:

Long, Cool Drinks:

As the weather warms up, the As the weather warms up, the desire fcr "long, cool drinks" in-creases accordingly, and we want to suggest, as a quencher, a glass of our buttermilk. Not only is it cooling and refreshing, but is nutritious. It's mighty fine as a "straight" drink, but also fits to perfection with a between-meals snack or dutch lunch. We invite you to try this fine new butter-milk. You'll like it. Take home a quart or a gallon today.

About Ice Cream:

Now is the time to enjoy "Pot-latch Chief" Ice Cream. Cooling, refreshing, nutritious, it fits right in to any menu for any purpose, and comes in a wide variety of popular flavors. You just can't go wrong with ice cream. Avail-able at the creamery in cones, by the quart, half gallon, gallon, etc. Keep some on hand in your refrigerator freezer, all the time.

About That Cream:

Are you receiving all possible income from your cream? Have you investigated the additional profits available by selling it through this co-operative cream-

ery? If you are not so selling at this time, come in and talk to our manager, Ned Van Campen, and let him point out to you the advantages and extra profits of sell-ing to us. It will only take a few minutes of your time!

"Did you ever write anything before?" asked the young man. "I wrote a confession story

once," said the pretty young lady. "Did the editor send it back?" "He did better than that. He brought it back himself!"

Controlled temper is like a boiler full of steam. Keep it under throttle and it gives you immense driving power. Let it go wild and it blows your chances to smithereens.
