Mr. and Mrs. Les Peck and son Darold of Troy visited in the Virgil

Harris home. Sunday. Sunday A Real Schorcher

Sunday was, without a doubt the hottest day of this year, and possibly of several years past, the mercury reaching a high of 105 degrees between 3:15 and 3:30 p. m. on the "official" thermometer. Other thermometers about town recorded from 103 to 109 degrees — and the searing heat literally "cooked" tomatoes on the vines and yellowed the leaves on field beans, doing almost in-estimable damage to the latter crop. John Longeteig of Southwick, who has 150 acres in beans, estimates that Sunday alone cut his yield by at least 25 percent.

Monday was not as warm by approximately 10 degrees, and an overcast sky helped, but the air seemed more humid and the heat even more noticeable than Sunday. Tuesday again saw the mercury

seeking the upper reaches, thermometers reading from 103 to 105.

### 4-H'ers Enjoy Picnic.

Nezperce County 4-H'ers swarmed the Kendrick park and the Memorial pool Sunday to hold their annual county picnic - and what a day it was - with the mercury at 105 the pool was a very

Jim Graves, county 4-H leader, wishes to thank Kendrick for their fine hospitality shown and congratulates them on their clean and pretty park and the Memorial pool, saying this picnic was more enjoyable than those on the river, for when you get 100 youngsters in the river, no one has an easy moment — but here, with the lifeguards on duty, parents could relax with no fear for their

children's safety. There was an estimated 250 present, with well over 200 swemmers registered at the pool for the day.

#### Purchase Hotel

A deal was consumated Thursday of last week whereby Mr. and Mrs. Elton Wilson of Kamiah became the owners of the Raby Hotel, Kendrick, purchasing the building and all furnishings from Mr. and Mrs. Arthur Runhauge, who have owned it for the past 18 months.

The hotel, which had been leased for the past two months by Mrs. John Samuels, was turned over to the new owners Monday morning.

Full swing harvesting operations became general Monday morning, and a steady stream of trucks filled with golden grain could be seen passing up and down Main street all day long — the hot weather of the past few days having put the finishing touches on drying wheat for most of the farmers in this area.

No yield figures are yet available, but local warehousemen say that the

Correction - In last week's issue

Hot Weather Takes Water

The Kendrick water system has been undergoing considerable strain during the past few days of hot weather, the big pump running al-most continuously in order to meet water demands and keep the reservoir full to meet any fire emergencies that may arise.

this voluntary cut-down does not prove successful, some rationing reg-ulations may be necessary. He asks all to please do their part.

Death Of Ada Chandler

Word was received here Monday that Mrs. Charles Chandler, a former resident of Kendrick, had passed away very suddenly at the home of her daughter, Mary E. Lambson,

Bellingham, Wash.
The Chandlers lived for years on

Many rumors have been flying

Sunday.

Several families from here attended the Spalding Memorial Services at Spalding, Sunday. At the business meeting Rev. Cole of Culdesac was elected committee chairman for Sunday.

Wayne Shepherd and Mr. and Mrs. The committee states that it has no intentions whatesver of closing the pool unless the polio epidemic makes it necessary — in which case at 7:30 p. m. Everyone is cordially invited. Refreshments will be closed as well.

#### PERSONAL MENTION

in the Boy Scout article there was an error — Jack Barcley instead of Jack Bisbee being elected Patrol Leader.

On Saturday they drove to Spokane to visit Mr. Wallace.

Mrs. W. W. Eldridge took the train to Garfield, Monday, returning Tuesday.

Mrs. Jerry Hansen and son of Spokane are visiting her father, A. W. Jones, and other relatives this

Mrs. Fred Crocker of Lewiston was a guest of Mrs. L. A. Wallace

for several days this week. Saturday Mr. and Mrs. Manning Onstott, accompanied by his mother, gencies that may arise.

Bill White, village marshal, says he can only guess at the gallonage pumped, since the big meter was frozen and ruined last winter — but the amount required is terrific. He urges everyone to cut down as much as possible on consumption, in order that there may always be a full reservoir for any emergencies. If this voluntary cut-down does not Moscow to shop. Those going were marshal, says here:

Mrs. A. Onstott, went to the huckle-berry grounds near Santa, staying overnight. On Sunday the group were joined by Mr. and Mrs. Jim Farrington and Geraldine Onstott, all returning Sunday evening. They report the weather "warm" but pickling as good, berries being plentiful. On July 20, Mrs. Mary Deobald (one of four generations) motored to Moscow to shop. Those going were Mrs. A. Onstott, went to the huckle-Moscow to shop. Those going were Mrs. Deobald, Mrs. Otto Schupfer, her daughter, Mrs. Walter Meyer,

and her daughter, Judy Meyer. Mrs. Hattie Lohman returned from Portland, Monday, where she had been visiting her daughter, Mrs. John Hellman and family. Her sister Car-rie accompanied her home for a visit.

Fire Alarm Sounds Twice Volunteer firemen answered two calls in Kendrick in the past few

ing the big fire hose. Sunday afternoon the alarm sounded for a grass fire along the railroad track adjoining the J. G. Travis home. Again the state equipment answered, and aided by volunteers the blaze soon was out.

The cause of the latter is unknown, but Mr. Jones suspects a cigarette, as more than an hour had elapsed since the train passed.
Everyone is again cautioned to be careful with fire, for not only are the woods dry, but grasslands, brush and most everything else is a real fire danger these hot days, says Fire Warden Jones.

Firehouse Ready For Truck Walt and Orville Sparber and Bill White, assisted by many members of the Kendrick Volunteer Firemen, or the Kendrick Volunteer Firemen, completed the pouring of the concrete floor of the new city building section that will house the new fire truck, last Friday, and the big doors are now almost ready for installation. Other work and alterations still remains to be done, but these can be a winter project.

The new truck is expected to be delivered about August 18, the date having been held up by inability of the builders to obtain suitable pumps.

Beans For Hot Lunch The canning project for the School Hot Lunch program is going strong. On Tuesday the Big Bear ridge ladies, plus a group from town, canned 143 quarts of string beans at Lapwai.

The beans were donated, some coming in from most all the ridges. We do not have the list of donors complete at this time, but will say that the co-operation shown in get-ting the surplus fruit and vegetables canned is indeed splendid.

Lots Of Laughs It seems that our "Twenty Year" Ago edition of last week has caused a lot of laughs up and down the streets — and we, too, are getting quite a kick out of it, having been asked a number of times what we are planning to do now that we have "sold out" — the readers evidently missing the date line, and the fact that the transfer was from Ralph B. Knepper to Rollein Dickerson.

Just to set any rumors at rest

we haven't sold the Kendrick Gazette to anyone - nor have we any intention of doing so. We like fi

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

HELLO, THERE FOLKS:

Trouble, Trouble, Trouble:

Yes, Folks, we got troubles! A count of our "Jiffy Bags" which we loan you to insulate that ice cream package when you take it home — shows that we are very, very low - in fact "we almost ain't got any," so, if you have one or more of our bags sticking around the house, out on the back porch or in the basement, won't you please bring it back to us?

Cool, Cool Items:

Yes, we know the weather is "doggone hot," and on that basis we're going to suggest a cool salad, made from Potlatch Chief Cottage Cheese, plus lettuce and a pineapple ring, a pear or a peach as a part of your dinner menu this evening.

Then, for dessert, how about a big dish of Potlatch Chief Ice Cream? It's cool, cool, refreshing

and nutritious, and when topped with a can of our "Toppers" it makes a most delicious sundae or, put a big scoop into a half canteloupe — man, oh man, but is that good.

Cool Drinks:

For that refreshing, "pick-up" drink, with or between meals, give Potlatch Chief Pasteurized Milk or Potlatch Chief Buttermilk a try. You'll find them just what you have been looking for.

Sandwich Spreads:

Sure, there are lots of brands of sandwich spreads on the market today, but none of them would ever taste just right unless you first used Potlatch Chief Brand Butter on that bread. M-m-m-m,

Another impedement to marriage is the increasing difficulty in supporting the Government and
