

KENDRICK GAZETTE

VOLUME 60

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, JANUARY 26, 1950

NO. 4

AREA VISITED BY SILVER THAW, SNOW AND RAIN

Kendrick and vicinity, like all other areas of the Pacific Northwest, has certainly had its share of weather "ups and downs," for, past week — and we do mean just that.

With probably the greatest depth of snow on the ground at any one time since the winter of 1912-13, a freezing rain began falling Thursday afternoon, and continued until a "crust" was formed about a quarter of an inch thick.

Friday morning the thermometer began slowly moving upward, to the accompaniment of more rain, and glittering pools of water formed in low spots on the snow crust. They were pretty to behold, but told of rather uncomfortable conditions to come. The thermometer climbed all the while, and around 10:00 o'clock Friday was several degrees above freezing. As a result water began flowing in ditches, and roof shoveling and the removal of accumulated ice and packed snow from sidewalks was the "national pastime," not only in Kendrick, but in Juliaetta, and at most farm homes. So heavy did the load become that a number of rafters broke in the Kendrick Garage warehouse, and only prompt jacking and snow shoveling saved the roof from collapse.

Sunday the temperature continued to rise, and aided by bright sunshine hit a high of 55 degrees, and then the water really did squirt. Village employees, assisted by businessmen and local residents, had a busy day opening gutters, digging out manholes and otherwise directing the water into storm sewers and gutters — and all this despite the fact that it was Sunday!

It was no uncommon sight to see a car or truck stuck on Main street Sunday or Monday morning, and all turned too with a smile to "help push" the vehicle from its location, for the slush ranged in depth from 4 to 8 inches. This situation was changed, however, Monday morning when the big state patrol rolled the mushy mass to the sides of the street. Those traveling side streets, however, still did so at their own peril, and tow chains remained a most popular and useful item.

So far as the roads under the Kendrick Highway District commissioners were concerned, John Gallows reported almost all of them open Saturday evening, a bull dozer being employed to buck open the last "side and dead-end" sections, these latter comprising of the Little Bear ridge road as far as the old G. A. Wayland ranch, and on to the Wm. Bamberg ranch on the Big Bear ridge bench on the north.

Monday the road to the Omand Manderfeld ranch on Big Bear ridge was opened. There still remained a few short sections of highway to clear, particularly the 12 to 15-foot drifts between the Johanna Nelson and Galloway Brothers mail boxes, and from the Dick Benjamin to A. C. Wilson ranches, also on Big Bear ridge, where 42 inches of snow yet remain on the road. This latter section, however, can be by-passed.

Between the New Morey and Dunham ranch on Big Bear ridge, cuts were made by a bull dozer through 8-foot drifts — but the road is open. School busses began regular travel on Monday, and all were on time. Travel, however, was described as "plenty rugged," as the heavy vehicles broke through the "power" crust and were literally forced to "power" their way along. Students and teachers alike were glad to resume school, as it means just more time to put in when the weather is good, and under past conditions coasting, skating or other outdoor pastimes were impossible, the swinging of a snow shovel not proving very popular.

Busses Called Home

Monday afternoon about 2:00 o'clock, with a bright sun shining in Kendrick, and a light warm breeze cutting into snowbanks, the wind began blowing a real gale on top the hills, drifting the four to six inches of snow that fell early that morning, and threatening to close all roads, the school busses were called to take children to their homes. A rapid drop in temperature was also reported, a drop which did not hit Kendrick until late evening. We might add that the snow which fell here that morning was almost rain, and piled up about 1 1/2 inches deep where sidewalks were shoveled previously.

No School Tuesday

Tuesday morning local residents awoke to a thermometer reading of 22 degrees above, and to find the slush on streets frozen into a solid, icy mass. A-top the hills a high wind had driven snow into every road cut, and bull-dozers and snow plows were again called into action. The blocked roads, of course, again closed schools.

Mercury Takes Dive

Tuesday evening, in line with official weather predictions, the mercury "did a nose dive" and thermometers about town read from 6 to 16 below zero, depending on their location. Those on the school house hill pretty well agreeing on the 6 below mark, others along Main street going as low as 16 below.

Take it any way you want to, that's plenty cold. The bitter cold has caused suspension of road work again, as workers were unable to get many motors started, and the wet gravel chins froze in the hopper and in the beds of dump trucks. Resumption of work will have to await warmer weather.

Why travel icy roads further than necessary. Buy it in Kendrick.

Road Work Resumed

Work on the 1-mile link between Kendrick and Juliaetta, which had been shut down for a week, was resumed Monday morning of this week, the milder weather permitting operation of the crushing plant and other machinery.

Just how long this "stretch of work" will last is not known at this time, weather conditions being the governing factor. However, let's hope it can be pushed to completion, for the detour in use is far from good now, and should the frost leave the ground entirely, it would be all but impassable, if not impassable.

WHAT HAPPENED HERE TWENTY YEARS AGO

It was a good thing we got the article about our California weather in the paper last week, for this week there has been a change — and it is pretty badly frost bitten — the weather, that is. On January 17 the mercury hit 6 below. And this week the mercury has registered 16 below on the hill and from 20 to 24 below at various points on Main street. Other sections near have suffered worse. At Uniontown the mercury hit 35 below; Genesee 32 below and Troy also 32 below. Two kitchen ranges were put out of commission here in Kendrick due to the severe cold spell. One at the Jack Carroll home refused to percolate last week and when a fire was built therein the water jacket in the front burst, spraying a vari-colored water all over the walls. Also the stove in the Leonard Davis home blew up Monday, causing no end of damage. It is said the stove was badly disabled and things in the kitchen generally disarranged. — Frank Boyd and helpers began putting up ice this past week and by Monday had some 75 tons of 16-inch stuff in the ice house.

Linden — W. H. Weyen's name was drawn to serve on the jury beginning next Monday, as was Zach Aas.

The seventh and eighth grades of the Cedar Creek and Crescent schools took their state exams in physiology, geography and history Friday in the school house with Mrs. John Darby conducting the examinations. Teddy and Floyd Dorendorf were not in school several days this last week due to illness.

Fairview — Mrs. Eril Woody is reported on the sick list and unable to carry on her duties as teacher at Fairview. Homer Parks and wife and little daughter were Sunday visitors in the Herman Meyer home. Virgil Flesman was in town Tuesday on business. He reports the roads poor for sled work as it is too dry, also it is poor for trucks as the chains can't get traction.

Near Fire — The W. B. Deobald home was saved from fire Monday by the quick action of Roy Emmett, who first saw the blaze and notified Mrs. Deobald before the fire had made much headway. But before it could be put out it had burned a large hole in an outside wall. A defective flue was blamed.

The Schupfer Brothers announce the picture show will be closed for several weeks, or until the weather warms up.

Albright-Giese Nuptials — The Rev. J. W. Schwartz performed the marriage ceremony Wednesday morning at the Lutheran parsonage, Lewiston, for Fred Albright and Miss Susanna Giese, both of Juliaetta. They left immediately for California, where they will reside.

Water Supply Fails — Failure of the water supply on the schoolhouse hill Tuesday caused no small amount of concern among residents of that part of town. Tuesday, when the failure showed up at the school house, the city made special arrangements to keep the school house supplied with water in order that the steam plant might be kept going. Wednesday morning residents felt the first results of that shortage when their faucets failed to give forth — and all were without water during the day. Some attributed the failure to a slowing up of the springs, but upon investigation it was found they were running full tilt. So upon further investigation it was discovered residents were leaving their faucets open and running 24 hours a day to avoid freezing up. By diligent work on the part of the city officials water pressure was restored about midnight Wednesday and Thursday showed a fair amount in the reservoir. The following notice from the Village Board warns water users —

"An unusual amount of water is being wasted, evidently by users allowing their faucets to run. Where this is found, water will be cut off by the city. Signed — Village Board. A little daughter was born Jan. 14 to Mr. and Mrs. Joe Kazda. It was necessary for Mrs. Kazda to be taken to St. Joseph's hospital in Lewiston, Friday. She is reported much better at this time. Mrs. Helen Martin is at the home caring for the children.

Wittman-Rugg Nuptials

Miss Claribel Wittman, only daughter of Mr. and Mrs. Frank Wittman, pioneer residents of the Cavendish area, and Bill Rugg, only son of Mr. and Mrs. Jack Rugg of Lewiston, Idaho, were united in marriage at the Little Flower Catholic Church in Orofino, Idaho, on January 14, 1950, by the Rev. Fr. C. M. Mulvihill.

Best wishes of a host of friends for a long and happy married life go with the young couple.

Circle Meetings Cancelled

Owing to weather uncertainties, Circle meetings scheduled for January have all been cancelled. The next meeting will be in February, with Mrs. Kenneth Brocke.

PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Walter Sparber left Tuesday for Centralia, Wash., where he will visit his father, Mr. and Mrs. Charles H. Sparber and daughter Vera, and in the home of his sister, Mrs. Charles Zowick and son. He went by the way of Spokane and will return by way of Portland, where he will visit with friends and other relatives. He plans to be away about two weeks.

Mr. and Mrs. Richard Johnson and baby of Leiston were week-end guests in the home of her parents, Mr. and Mrs. L. D. Crocker and family. Mrs. W. W. McAllister is visiting in Juliaetta at the home of her sister. She plans to spend the remainder of the winter there.

Wade T. Keene, who is working out of Colfax, spent the week-end at his home here. He reports less snow in that area than locally.

Fred Magee of Genesee was a Saturday business visitor in Kendrick. Fred says there is very little difference between the snow depths in the two towns, but there was considerable more drifting in that area.

Word has been received from Mr. and Mrs. Claude Craig, that they are now at Castinoga Hot Springs, in California. They said the trip down from Marysville, Wn., took them eight days, via the coastal route, as they dodged and waited out storms. Following one particularly severe storm they inspected a beach, and saw a 40-foot dead whale that had been washed ashore, as well as litter that bore Japanese and German markings.

Mr. and Mrs. Ben Cook had as week-end guests their daughter and family, Mr. and Mrs. Harold Goff and son, Steven of Lewiston; and Gordon Cook and two friends from the U. of I., Bill Bamberg and Herb Steinman.

Mr. and Mrs. Kenneth Hoduffer and son Jimmy of Craigmont were guests Friday in the Ben Cook home. Gay Deobald, U. of I. student, was home over the week-end.

Mr. and Mrs. Orville Trout were week-end visitors in Spokane. Mrs. Kemit Waide and son Billy of Lewiston were Friday guests in the W. A. Watts home.

Sunday dinner guests in the Manning Orstott home were Mr. and Mrs. Forrest Wetherow and daughter, and Charles Parks of Leiland.

Mr. and Mrs. A. C. Kamikoberg and Mr. and Mrs. Jud Lee drove to Moscow to see the game Monday evening between Idaho and Oregon State. They had to leave their car and come home by train, due to the heavy drifting of snow, which closed the route on their way home.

Al Westendahl, Parker McCreary, Bill Riley and Giff Candler were passengers for Moscow Tuesday.

W. A. Watts was a Lewiston business visitor Tuesday.

Mr. and Mrs. R. L. Blewett and son Billy, accompanied by Mrs. W. L. McCreary, were Lewiston callers on Tuesday.

Bob Magnuson and Charley Candler drove to Moscow Tuesday evening to see the Idaho-Oregon State basketball game.

Mr. and Mrs. Tom Keene, Mr. and Mrs. Frank Abrams and Mr. and Mrs. David Clayton drove to Lewiston Monday evening to see a show.

Mrs. Paul Lind and son Eugene were in Lewiston Saturday. Mrs. Lind visited her mother, Mrs. Bina Raby, while Eugene took a flying lesson.

George Brocke, Jr., returned Tuesday evening from Boise, where he had gone for a load of seed.

Beverly and Maribel Schupfer, U. of I. students, were home over the week-end. Maribel had as her guests Jackie Watts and Hazel Howard, schoolmates.

Narrowly Escapes Death

Warney May, Sr., had a narrow escape from death Thursday evening of last week, when he was attempting to open a snow-blocked road with his small crawler tractor and snow-blade. At the time the accident happened the crawler was stuck, with spinning tracks. Mr. May was wearing an army jacket with hood attached, the latter hanging down his back — and somehow, as he leaned back to examine the tracks the hood caught in one of them — pulling him toward the spinning tracks. It chewed up the jacket, and severely injured him.

Due to blocked roads they were unable to get Mr. May out to a doctor until Saturday, when they took him to Lewiston, X-rays disclosing he had a broken collar bone and a cracked shoulder blade, as well as many severe bruises, especially on one leg.

Wayne Davis and Wallace Fraser worked in shifts all night Friday in order to get him to the hospital. Mr. and Mrs. George Havens served lunch to the workers that night.

Afternoon Bridge

Mrs. Estella Leith entertained at two tables of bridge last Thursday afternoon in her home. Those present were the Mesdames W. A. Watts, D. A. Christensen, R. L. Blewett, E. A. Deobald, R. H. Ramey, Wade T. Keene, W. L. McCreary, and the hostess, Mrs. Leith.

High score went to Mrs. W. A. Watts and low to Mrs. D. A. Christensen. A delicious lunch was served at the close of the afternoon.

Among The Sick

Mrs. H. C. Schuyfer has been confined to her bed with a severe cold the past several days. Bennie Cook has been quite ill with bronchitis the past several days, but is now feeling much better.

WHAT CAMERON FOLKS ARE DOING THESE DAYS

A card party will be held at the Ladies Aid Hall Monday evening, January 30th. The proceeds will go to the March of Dimes Fund. Everyone is cordially invited to attend.

Mr. and Mrs. Harold Silflow and daughter Kathy and Ernest Helmgartner and son Ernie were Sunday dinner guests of Mr. and Mrs. Herbert Schwarz.

Henry Wendt was a business visitor in Moscow, Monday. Mr. and Mrs. Marvin Silflow and family were Monday evening visitors in the home of Mr. and Mrs. Emil Silflow.

Mr. and Mrs. Gerald Schmidt and daughter, Mr. and Mrs. Fred Silflow, Mr. and Mrs. Herman Meyer were Sunday guests of Mr. and Mrs. Marvin Silflow.

Mr. and Mrs. Herbert Schwarz and daughter and Ernest and Lawrence Schwarz spent Sunday evening with Mr. and Mrs. Walter Dennier on Fix ridge.

Mr. and Mrs. Albert Glenn and son Eldon were Lewiston visitors on Tuesday.

Mr. and Mrs. Earl Whiting returned home Monday, after spending the past two weeks in the Mr. and Mrs. Harold Van Pool home in Lewiston.

Mr. and Mrs. Ervin Lohman and family and Mr. and Mrs. Ed Mielke and daughters spent Friday evening with Mr. and Mrs. Forrest Wetherow in Kendrick.

Mr. and Mrs. Glen Newman, Mr. and Mrs. Harry Newman and daughter Linda and Miss Helen and Ted Mielke were Sunday evening visitors in the Fred Newman home.

Mr. and Mrs. Kenneth Wilken of Texas ridge spent Sunday with Mr. and Mrs. Henry Wendt.

Mrs. A. H. Blum and Mrs. Clay Albright and sons Edward and Robert of Lewiston visited with Mr. and Mrs. Wilbert Brunisiek, Monday.

Mr. and Mrs. Gus Kruger spent Saturday with their daughters Elsie and Dorothy in Lewiston.

Mrs. John Schwarz visited with her sisters, Mrs. Stoneburner and Miss Hartung, Sunday afternoon.

Glen Wegner and Dan Sullivan were Lewiston visitors on Friday.

Roy Blankenship spent the week-end in the home of his son, John and family.

Mr. and Mrs. Dan Sullivan and daughter JoAnn of Cream ridge, and Mr. and Mrs. Aug. F. Wegner and sons were Sunday dinner guests of Mr. and Mrs. Glen Wegner.

Mr. and Mrs. Ted Weyen and daughter Elaine and Willard Schoefler were dinner guests of Mr. and Mrs. Glen Wegner Thursday evening.

Miss Helen and Ted Mielke spent Sunday with Mr. and Mrs. Ed Mielke and daughters.

Mr. and Mrs. Albert Glenn and Eldon spent Sunday with Mr. and Mrs. Wilbert Brunisiek.

Mrs. Aug. F. Wegner and sons Vern and Wayne were Lewiston visitors on Saturday.

Wally Newman and Cecil Brammer were transacting business in Lewiston, Tuesday.

Tigers Win Pair Of Games

Braving cold and icy roads the Winchester Loggers' A and B squads met the Kendrick Tigers' squads Tuesday evening in the local gym, with the Tigers emerging victorious in both encounters.

In the B squad eye-opener, the Loggers held the lead at the end of the first quarter, 7-2; at the half-time mark the score was knotted 11-11; three-quarter mark 20-15, Kendrick. The end saw the Tigers on top 25-18.

The A squad encounter saw both teams feeling each other out, and the first quarter ended 11 to 3 in favor of the Loggers. At the 24-11, Tigers; third stanza, 36-14, Tigers, and the final tally 45 to 34 in favor of Kendrick.

Coach Ross Armitage substituted freely in both games, every man on every squad seeing action, and we might add that some pretty good combinations showed up.

Owing to the cold, it was probably the smallest crowd ever to witness a basketball game here in many months, and as a result the Kendrick band did not make their appearance. Half-time entertainment was furnished by the majorettes, with precision twirling and formations.

As a side-light we might add that short speeches are generally popular, but when Jasper Nutting, local superintendent of schools arose during the third-quarter intermission and announced that school would be held Wednesday — he was greeted with "groans and boos" at the conclusion of his two-line "talk."

Pinochle Club Meets

Mr. and Mrs. Kenneth Brocke were hosts to the Pinochle club last Thursday evening in their home. High scores were awarded Mr. and Mrs. E. M. White, and the "galloning" goose also followed Mrs. White home. Lows went to Mrs. Frank Abrams and Floyd Millard.

Invited guests were Mr. and Mrs. Jud Lee.

Delightful refreshments were served by the hostess at the close of the evening.

Coasting Party

The teachers and young people of the Sunday School department of the Community church enjoyed a coasting party last Wednesday evening, followed by a chili feed in the church basement. Following the 6:30 supper, games were played.

Teachers in charge were Mrs. E. M. White, Mrs. Bob Magnuson and Mrs. Ross Armitage.

School House Hill Plowed

After a lot of argument, some of which was almost warm enough to melt the snow and ice accumulation, the school house hill and playground have been plowed of snow. First work was done by a bull dozer piloted by Gordon Peters Wednesday of last week and this was followed by a going over by the Kendrick Highway District patrol Monday afternoon — and both were mighty welcome to residents of the hill and to school bus drivers, for the accumulated snow and ice made it almost impossible to ascend the hill — and descent was also hazardous. Had there been a fire during this period, it is very doubtful if the city fire truck could have gotten there — at least in time to do any good.

MARCH OF DIMES DRIVE BEGAN NATIONWIDE JAN. 16

The 1950 March of Dimes drive got underway in the United States, Monday, January 16, and will continue until the end of the month.

During this two-week period citizens of Kendrick, like their fellow Americans in all parts of the country, will help write the answer to the threat of polio epidemics next summer by providing for continued care and treatment of polio patients of 1949 and prior years.

Termining the 1950 March of Dimes the most critical period in the history of the National Foundation for Infantile Paralysis, Jasper Nutting, local director, said that the fund-raising machinery is in full operation for the greatest drive ever to be undertaken.

"It is imperative," said Mr. Nutting, "that all know the seriousness of today's polio situation. More than 40,000 cases were reported during 1949, the worst polio onslaught in the history of this disease in this country. Thanks to public support of previous annual drives of the National Foundation, prompt and effective aid was rendered the stricken."

"But as case after case developed, chapter after chapter of the National Foundation found itself without funds. Financial aid was rushed to them from the organization's epidemic reserve fund. So great was the drain that millions of dollars earmarked for emergency assistance dwindled to the vanishing point."

Consequently, if the Latah County chapter is to continue providing services to polio patients in our own area everyone must "hit the line hard" during this campaign.

"Citing the high cost of polio Mr. Nutting disclosed that during the height of the recent epidemic season the National Foundation was spending \$100,000 per day to pay patient bills alone. He said that it is estimated 17,000 of those stricken in 1949 will require continued aid in 1950, in addition to victims from prior years who also still need help."

"Obviously," Mr. Nutting added, "there's a tremendous job of work ahead of us in the closing days of this drive. I am confident, however, that the people of this area will do their utmost to meet the challenge during this March of Dimes campaign."

Our Note: In line with the above drive you are reminded that there will be a March of Dimes dance at the local gymnasium this coming Saturday night, Jan. 28 — sponsored by the Kendrick Grange. Advance ticket sales are now under way. Buy one for a worthy cause — even if you can't "dance a lick."

Attend County C. of C. Meet

George Brocke, Sr., Jasper Nutting, Gerald Ingle, Herman and Otto Schupfer, E. A. Deobald, W. A. Watts and W. L. McCreary drove to Moscow via Deary Wednesday evening of last week, where they attended the Latah County Chambers of Commerce meeting held at the Idaho A. C. Club.

The group introduced letters and information from the state highway department regarding completion of the road between Kendrick and Juliaetta and received the unanimous approval of that body for completion of this road, including a resolution asking that it be made the No. 1 project in Latah county for 1950 — and the resolution was drawn and passed on the spot and placed in the hands of J. J. McCreary, district highway engineer.

State Representative Elvon Hampton of Genesee then lead a discussion of the Intern Committee report, particularly as it affects our state highway department. He was followed by Senator Lowery of St. Maries, who lead a discussion on the same report, as it affected highway districts, and the distribution of state money for roads.

Tigers Lose To Genesee

Kendrick's Tigers suffered their first defeat of the season at the hands of the Genesee Bulldogs last Friday evening at Genesee by a score of 52 to 28 — the hood proving very elusive for the Tigers shot after shot hitting the rim, rolling around and then — out instead of in!

Max Clemenhagen led the Tigers in scoring with 11 points. Jim Sather and Ray Gerhke of Genesee also tallied 11 each.

In a preliminary game the Kendrick B squad lost to Genesee 36 to 27. It was the second loss of the season for the Bs.

On Friday, January 27, Kendrick goes to Orofino to meet the Maniacs in a double-header A and B game. Orofino is as yet undefeated this season, having beaten Lewiston, Moscow and Central Valley (Spokane), all in the A school classification.

On Tuesday, January 31, Troy A and B squads play here.

NEW EXPORT SELLING PLAN SHOWS UP WHEAT PRICES

The outstanding feature in the grain market during the past week was the announcement by the CCC that 100,000,000 bushels of corn, 13,000,000 bushels of oats and 20,000,000 bushels of barley would be disposed of to private exporters at market prices the day of sale, according to reports to the Market News Service of the U. S. Department of Agriculture. Improvement in the wheat and flour export business and a more active domestic inquiry were also strengthening influences in the wheat market and prices advanced from 1c to 2c per bushel at the leading markets. Corn prices dropped 1c to 3c per bushel. Oats and barley weakened with corn at most markets but held fairly steady in the Pacific Northwest.

While exports of wheat and wheat products were smaller during the July-December, 1949, period, compared with a year ago, nearly half of the reduction was offset by larger exports of other grains, principally corn and corn products, according to the Department of Agriculture. Exports of grains and grain products during the first half of the 1949-50 season were estimated at about 284,124,000 bushels, compared with 338,107,000 bushels during the same period a year earlier.

July-December exports of wheat and wheat products amounted to about 168,057,000 bushels were smaller than a year ago by 102,584,000 bushels. In contrast, exports of other grains and grain products totaling 116,067,000 bushels were larger than for the same period in 1948 by 48,601,000 bushels.

Marketings of wheat increased materially during the past week and totaled a little over 5,000,000 bushels at the primary markets. As a result offerings were somewhat larger but with an improvement in the export business and a more active inquiry, cash prices advanced 1c to 3c per bushel. At the close of the week No. 2 hard winter, ordinary, was quoted at Chicago at \$2.17; Kansas City at \$2.18 to \$2.20 and at Port Worth at \$2.30. No. 2 red winter sold at St. Louis at \$2.21 and at Kansas City at \$2.18.

Cash wheat markets in the Pacific Northwest were rather quiet, reflecting continued wintry weather and heavy snow coverage, which has restricted country movement. Lack of buying interest, however, tended to hold prices practically unchanged most of the period. Mills continued to take only moderate quantities of selective qualities and feed manufacturers were buying only sufficient supplies to keep up inventories, which are small compared with other recent years. The CCC purchased 242,000 bushels during the week compared with 750,353 bushels a week earlier. Purchases by the CCC through Portland since the first of the season (July 1 to date) total slightly under 15,000,000 bushels. This is about half those during the same period a year ago. Country selling was very light at values 3c over the loan rate at Portland, with reports indicating that growers were placing still more wheat under the support program. At the close of the week bid prices at Portland were advanced 1/2c per bushel with ordinary soft or red wheat at \$2.19, all basis No. 1 grade, coast delivery, 15-day shipment. Receipts of wheat at Columbia river and Puget Sound terminals amounted to 274 cars during the week compared with 371 a week ago.

There was a slightly better buying interest for barley at Portland during the week, but offerings were adequate and prices held largely unchanged from a week ago. No. 2 western being quoted at \$5.50 to \$5.60 per ton. Continued cold weather and snow coverage has stimulated feeding demand somewhat but buyers were not purchasing future requirements but rather for nearby needs alone. Offerings were mostly supplies from Montana and southern Idaho, since local growers were inclined to hold for higher values. Receipts at Columbia river markets totaled 49 cars, while sound terminals had only 7.

The oats market at Portland remained rather quiet as in other recent weeks. However, trading was slightly improved near the close of the week, reflecting heavier feeding requirements as a result of the continued wintry weather. No. 2 white oats, coast delivery, Palouse or Montana supplies, were quoted at \$5.50 per ton, while the same grade of Willamette valley oats were quoted nominally at \$5.00. Large quantities of Willamette valley oats continued to be consumed by local feeders since other feed grains are relatively higher. Receipts of oats at Columbia river markets were 7 cars, while Sound markets received 10.

Tigerettes Wallop Genesee

Thursday evening of last week the Tigerettes, the Kendrick grade school team and the Town team went to Genesee for an exchange of games.

The Tigerettes defeated the Genesee girls by a score of 40 to 20. Hermina Meyer lead the scoring for Kendrick with 20 points. Eglund was high for Genesee with 9.

The Genesee grade school team defeated the Kendrick grades 22 to 17, and the Genesee town squad slipped by Kendrick 51-50.

Credit For Trying Anyway

A girl met an old flame who had turned her down, and decided to "high-tail" him.

"Sorry," she murmured when the hestess introduced him to her. "I didn't get your name."

"I know you didn't," replied the ex-boy friend, "but you certainly tried hard enough."

Juliaetta Residents
Are You Taking Advantage of
Our New
Tuesday and Friday
FREE Delivery?

YES—THIS FREE PRESCRIPTION DELIVERY SERVICE BEGAN FRIDAY, JANUARY 20—AND WE'RE OPERATING IT FOR YOUR BENEFIT!

All you have to do to get a prescription delivered on one of those days is phone us (941) and give us the number, if a local prescription, and it will be delivered to your door. If an out-of-town prescription, which we have never filled before, call us, and we will tell you how you can have it filled here.

If you need other items, along with that prescription, phone and tell us what they are, and they will come with the prescription!

REMEMBER: On Tuesdays and Fridays we are as near as your phone. You don't need to travel bad roads to get prescriptions filled!

INTERESTING HAPPENINGS FROM THE JULIAETTA AREA

The most active person in this community the past week has been the Weather Man. We have had rain, snow, cold, medium, and warm sunshine. For variety he threw in something that was neither rain nor snow—but drops of ice. At least everyone should have been pleased some of the time.

Our town was grieved by the passing of another good neighbor, Mrs. Hugo. Several from here attended the funeral in Clarkston, Tuesday.

Mr. and Mrs. John Frisbee returned Monday from a month's visit with their daughter, Mrs. George D. Calvert and family, at Umapine, Ore.

Mrs. Macei Nye underwent major surgery at a Moscow hospital Sunday evening. She is reported to be recovering rapidly.

A pink and blue shower was held Friday afternoon at the home of Mrs. L. C. Groseclose, honoring Mrs. Clinton Clark. The gift table was decorated with a large bootie, which was filled with smaller gifts. A three-tiered cake, topped with a stork, centered the refreshment table. Mrs. John Brasch led a number of interesting games. Mrs. Lura Nelson won the prize for the most right answers. The honored guest received many lovely and useful gifts, and all guests reported a good time.

Frank Spray fell as he was starting to walk to the postoffice Tuesday morning, and injured a hip. Dr. Christensen was called, and he was then taken to Lewiston by ambulance. At Lewiston X-ray examination disclosed a broken hip. The fracture was reduced and he is said to be resting comfortably at this time.

The trustees of the Methodist church held a meeting Monday afternoon, to decide on repairs for the parsonage.

Mrs. Eldon Hoidal from Troy is visiting her sister, Mrs. Harvie Shepherd and family.

Mrs. Harvie Shepherd gave a shower for baby Kathy Nye, infant daughter of Mr. and Mrs. Woodrow Nye, Friday afternoon. About fourteen ladies were present.

Mrs. Mary McCall and her two sisters, Mrs. Addie Webster and Mrs. Francis McMillan, who have been visiting in her home, left Tuesday for Lexington, Ore., where they will spend a couple of weeks in the home of Mrs. Francis McMillan.

Rebekahs Install Officers

An installation ceremony was held at the Juliaetta Rebekah Lodge No. 9 Hall last Thursday evening. New officers for the coming year being seated. The installing officers were: Earlen Taylor, Deputy President; Crystal Gruell, Deputy Marshall, and Pearl Long, Deputy Grand Secretary and Treasurer.

Elective officers: Retiring Noble Grand, Ferno Lindquist; Noble Grand, Marge Lackey; Vice Grand, Dixie Browning; Recording Secretary, Crystal Gruell; Treasurer, Freda Farrington; District Deputy President, Ferno Lindquist.

Appointive Officers: Luella Lindor, chaplain; Ferno Lindquist, warden; Ione Ambrose, conductor; Earlen Taylor, Right Supporter to Noble Grand; Viola Nye, Left Supporter to Noble Grand; Gladys Carleton, Right Supporter to Vice Grand; Mae Walsh, Left Supporter to Vice Grand; Patsy Ballantyne, Inside Guardian; Crystal Gruell, musician; Faye Stephens, flag bearer.

Housewife May Be Right

When Mrs. Housewife looks into the soil of some of her potted plants and says, "Aw, gnats!" she may be right. It's not uncommon to have gnats growing right along with the plants.

H. C. Manis, entomologist at the University of Idaho, says the larvae of the fungus gnat is a common cause of worry to the housewife who grows plants indoors. She usually complains of "little white worms in the soil around my plants," and that's just what they are. The larvae like soil that has a lot of decaying organic matter in it. They feed on the decaying material. They do still better if the soil is good and wet most of the time. Mrs. Housewife generally sees to it that there is plenty of moisture.

The "little worms" do not damage the plants, but they are likely to become gnats and make nuisances of themselves in the house. There's no satisfactory chemical control for the gnats, so there's another advantage that the insect has.

You can do something about them, by re-potting the plants. The idea is to be sure that you don't re-pot the worms along with the plant, however, and there's something a bit hard to do. Best thing is to be very careful in the process, use only fresh, clean soil, and then to be sure that there is not an excess of moisture when the potting is over. Drying the surface of the soil with 5 percent DDT dust or chlorlaria may prevent re-infestation.

NEWSY ITEMETTES FROM AMERICAN RIDGE AREA

Mr. and Mrs. Frankie Bencoter were supper guests in the Ed. Kent home Saturday. They were supper guests in the Wayne Davis home on Thursday.

Mr. and Mrs. Walton Morey and children were Sunday dinner guests in the home of her parents, Mr. and Mrs. Ed. Kent.

Mrs. Walter Bencoter and son Jack took a load of cattle to the Lewiston market, Saturday.

Mr. and Mrs. Tom Green of Lewiston were Saturday evening callers in the home of her parents, Mr. and Mrs. Walter Bencoter and family.

Mr. and Mrs. Nola Callison visited Sunday afternoon with his father, Ben Callison, in Lewiston. On their return they brought their daughter Nancy home from Kendrick, where she has been staying in the Howard Hoffman home the past month.

Ernest Roberts is on the sick list.

Mr. and Mrs. Roy Glenn and family and Paul Richardson were callers at the Warney May home Sunday afternoon.

Teddy Havens spent Monday and Tuesday with Mr. and Mrs. Werner Brammer at Kendrick. Ira Havens was also a guest in their home Tuesday night.

Mr. and Mrs. Bob Bencoter and family of Craigmont, and Dick Bencoter and Jo Ann Paulsen of the U. of I., and Mr. and Mrs. Perry Mattoon and family were dinner guests Sunday in the Harry Bencoter home, celebrating the twins birthday anniversary (Bob and Dick Bencoter).

Mr. and Mrs. Walter May and baby and son Bruce were afternoon callers. Mrs. Harry Bencoter accompanied Mr. and Mrs. Bob Bencoter as far as Peck on their return trip, where she stopped to visit her parents, Mr. and Mrs. Dan Lyle.

Mr. and Mrs. W. B. Deobald and Mr. and Mrs. Otto Schupfer were callers in the home of Mrs. Mary Deobald Sunday evening.

W. B. Deobald and Otto Schupfer were shoveling snow for Mrs. Mary Deobald, Monday. On Tuesday W. B. and E. A. Deobald were working at the same task.

Mr. and Mrs. Wayne Davis went to Moscow on Monday to get repairs for their bulldozer. Mrs. Davis and son spent Monday night with Mr. and Mrs. Harry Jones at Moscow, and he with Albert Cox. On their return trip they were caught in the snowstorm and spent Tuesday night at the Ed. Kent home, finally reaching their home Wednesday morning.

Mrs. Carl Koepf, Mr. and Mrs. Werner Brammer and Mr. and Mrs. Wm. Brammer and daughter were Sunday guests in the Henry Brammer home.

Werner, Bill and Henry Brammer are busy these days remodeling the former Jack Browning home in Juliaetta, which was recently purchased by Mr. and Ms. Henry Brammer.

Meetings Again Postponed

Both P.-T. A. and Grange meetings scheduled for this month have been postponed until February, due to inclement weather and icy roads.

The Kendrick Grange will meet on Tuesday, February 7.

The Joint District P.-T. A. will meet on Monday, February 20, at which time a district Boy Scout executive will deliver a talk.

87 NEW INTERNATIONALS OFFERED

CHICAGO—Nov. 30—New truck engineering and design providing advances in performance, safety and comfort mark the 87 new L-Line basic truck chassis models introduced by the motor truck division of International Harvester Company. Light, medium and heavy-duty trucks from the L-Line are shown here. The new line features shorter overall lengths, greater maneuverability, better load distribution and more economical operation. A new cab design offers greater all-around visibility and provides more interior roominess, comfort and convenience. International Harvester also introduced with its heavy-duty-engineered L-Line new, improved power plants, transmissions.

**TUBERCULOSIS HOSPITAL
 TO ASK FUNDS AT SESSION**

Boise (Special) — Idaho legisla-
 tors will be asked during the special
 session of the legislature by the
 Idaho Public Health department for
 funds to expand the state's only
 tuberculosis hospital at Gooding from
 the present 70 beds to 110 bed
 capacity.

Tuberculosis, a catching disease,
 has taken an average 80 death toll
 in Idaho over the past five years
 annually. Dr. T. O. Carver, director
 of the division of preventable dis-
 eases for the department, reports
 there are 1,480 known cases of tu-
 berculosis in the state and it is
 estimated there are 500 cases un-
 known. Dr. Carver states that there
 were 243 cases reported in 1949.

Dr. Kenneth A. Taylor, medical
 director of the Idaho Tuberculosis
 hospital, reported this week that 80
 percent of the cases received at the
 institution are in the advanced stage
 and as a result treatment is very
 slow and expensive. If facilities were
 available to take care of minimal
 cases more patients could be admit-
 ted and treatment per patient would
 be reduced to a minimum.

L. J. Peterson, administrative di-
 rector for the Idaho Public Health
 department said that patients are
 required to wait three to six months
 before they can be admitted at the
 state institution because of limited
 facilities. Leading chest surgeons
 throughout the nation report that
 there should be at least two and one-
 half beds for every person succumb-
 ing to the disease annually. In Idaho,

Fresh frozen Bird's Eye fruits,
 vegetables and juices are available
 at Blewett's Grocery-Market. 1-adv

CALL FOR BIDS

Sealed bids will be received by the
 Village of Kendrick, Idaho, up to
 and including January 31, 1950, for
 the sale of the former Village fire
 hose trailer (four-wheel, 600x16 tires,
 center post steer, short tongue, uni-
 versal trailer coupling, bed and side
 boards) at the office of the Village
 Clerk at the Red Cross Pharmacy.
 Terms of sale: Cash.
 The Board reserves the right to
 reject any or all bids.

KENDRICK BEAN GROWERS ASS'N
 KENDRICK, IDAHO

B.F. Goodrich
 FIRST IN RUBBER

according to statistics the past five
 years, the minimum number of beds
 should be 200. The State Public
 Health department is asking for 110
 beds.

Dr. Taylor states that if the bed
 capacity for tuberculosis treatment
 could be increased to 110, the per-
 day cost per patient would be re-
 duced from \$11.00 to \$8.25.

Tuberculosis is a curable disease
 if found in time. To prevent spread
 of tuberculosis it is absolutely nec-
 essary to get those infected under
 treatment and confined to a bed. It
 is highly important that cases be
 ferreted out and placed under proper
 care. This can only be done if ad-
 equate facilities are available. If the
 appropriation asked for this year is
 granted, Idaho will be getting closer
 to the goal of controlling and eradi-
 cating tuberculosis within its bound-
 aries.

Part of the appropriation being
 asked for is to be used for operation
 of a mobile X-ray unit which is to
 be purchased by the Idaho Anti-
 Tuberculosis Assn. This equipment
 and personnel will travel all over the
 state finding unsuspected cases of the
 dread disease. A mobil unit is also
 instrumental in finding heart and
 other chest diseases.

Several state-wide organizations
 have gone on record favoring a leg-
 islative appropriation for increased
 facilities at the Idaho Tuberculosis
 hospital. Included in this group are:
 Idaho State Medical Assn., Idaho
 Congress of Parent-Teacher's Assn.,
 Idaho State Federation of Women's
 Clubs, Idaho Public Health Assn.,
 Idaho Anti-Tuberculosis Assn., Idaho
 Association of County Commissioners

and Clerks.

Public officials realize that if the
 known cases of tuberculosis are hos-
 pitalized it means a great saving to
 the public assistance department and
 that an arrested or cured case can
 again become productive to the point
 of providing for themselves and their
 dependents and thereby relieve the
 public welfare expenditures.

Idaho legislators can do much to
 eliminate tuberculosis in this state
 if they will make proper facilities
 available at the Idaho State Tub-
 erculosis hospital. — I. S. E. A.

Urges "Town Meetings"

Boise (Special) — "Town Meet-
 ings" discussions throughout Idaho
 on the interim committees' reports
 on state government reorganizations
 and Idaho highways was urged this
 week by Earl W. Murphy, secretary
 of the Idaho State Chamber of Com-
 merce.

In a letter to all member cham-
 bers of commerce in the state, Mur-
 phy pointed out that the special ses-
 sion of the legislature is set for
 Feb. 6, leaving little time for the
 legislators as well as the people to
 study the two special reports which
 have to be considered.

"It is our suggestion," wrote Mr.
 Murphy, "that if you have not al-
 ready held a meeting to discuss
 these reports, that you schedule one
 at the earliest possible date. Mem-
 bers of the legislature in your area
 should be urged to attend. Members
 of the interim committees respon-
 sible for these reports should also be
 invited. Somebody in your organ-
 ization should study and analyze each
 of the reports and be prepared to
 lead the discussion."

Following his own advice, Mur-
 phy, on behalf of the State Chamber,
 recently held such a "town hall"
 meeting in Boise which was attended
 by representatives from several
 groups. There was intense interest
 in the discussions, most of those at-
 tending stating that they "knew very
 little" about what the interim com-
 mittees' reports and recommenda-
 tions would mean.

This week, too, the State Chamber
 has sent out letters to all state
 associations, labor groups, business
 organizations, and others, urging sim-
 ilar discussion of the reports.

Note: Locally, such a discussion of
 the report was held here at the last
 Commercial Club meeting, Jan. 11,
 under the leadership of George F.
 Brocke, Sr., state senator from La-
 tah county. And, had not inclement
 weather prevented meetings, one
 would also have been held by the
 Joint P.-T. A. of District No. 283.

It is to be regretted that the
 short time in which the report has
 been available, plus necessary can-
 cellation of meetings, has interfered
 with proper discussion.

NEWS ITEMS ABOUT LELAND RESIDENTS AND FRIENDS

W. S. C. S. will meet with Mrs. Jesse Thornton on Thursday, Feb. 2, at 1:30 o'clock. Mrs. Walter Crawford will lead the devotional. The Homemakers Club will meet with Mrs. Fred Glenn on Wednesday, Feb. 8, at 1:30 o'clock.

Mr. and Mrs. Bruce Wilson and family were Friday evening guests of Mr. and Mrs. Leonard Wolff. Mr. and Mrs. Ewald Hinrich and son Herman were Sunday dinner guests of Mr. and Mrs. Alex Larson.

Mr. and Mrs. Robert Draper were Sunday dinner guests of Mr. and Mrs. Billy Deobald at Moscow. Mr. and Mrs. Roy Craig and daughter Paige were Saturday over- night guests of Mr. and Mrs. Chas. Craig in Lewiston.

Mr. and Mrs. Allen Madalin and Mrs. Lloyd Craig and daughters were Sunday dinner guests of Mr. and Mrs. Jesse Thornton. Mrs. Dora Heffel was a week-end guest in the home of her son, Mr. and Mrs. Jesse Heffel and family.

Mr. and Mrs. Marvin Vincent were Sunday callers in the Chester Vincent home. Mr. and Mrs. Roy Craig and Paige were Sunday dinner guests of Mr. and Mrs. Willis Thornton at Lewiston.

Mr. and Mrs. Elmer Peters and Bobby, and Mr. and Mrs. Raymond Hudson and David were Sunday dinner guests of Mr. and Mrs. A. G. Peters.

Mr. and Mrs. Billy Weyen and daughters were Sunday evening visitors in the home of Mr. and Mrs. Roy Craig.

Snow, wind and cold — so news is very scarce!

GOLDEN RULE

(Delayed)

Jan. 10 — Mrs. Glen Betts had the pleasure of receiving a "Rain-bow" combination sandwich toaster, grill and waffle baker on Wednesday, which was awarded her for sending in a cute story to the radio program "Tell Your Neighbor." It was read on this program Dec. 6 on station KRLC, Lewiston, at 9:30 a. m.

Jeff Thompson, who is employed at Troy, called on our neighborhood by plane over the week-end. He landed at the Daisy Stage place, and had trouble taking off, as the snow stuck to his landing skills. As far as we know at this writing he may still be stranded there — the weather being so disagreeable.

Mrs. Glen Betts accompanied the Carl Finke family to Lewiston Friday. She called on Mrs. Ola West-gate at the Clarkston hospital, who is somewhat improved, and expected to go home Saturday. On their way home they stopped in Kendrick and enjoyed supper at the Lloyd Ware home. Mrs. Betts spent the evening visiting Grace Souders, while the Finke family attended the basketball game.

We are having snow — and the wind is blowing and school is mighty uncertain. I wonder if those who fought for consolidation aren't beginning to wonder if they did the right thing or not? Having these awful roads to contend with every

year. Stanley Martin, Headquarters, visited the Martin home here Saturday.

Mr. and Mrs. Everett Neumann and son spent Monday evening at the Carl Finke home.

Alex Lawrence visited at the Oscar Lawrence home Tuesday.

Jan. 17 — We had no mail on Tuesday, as the roads were snow-blocked, so our items didn't make it in time for last week's paper — and will they for this?

We see Jeff Thompson didn't take off with his plane until Wednesday afternoon. Again weather conditions were at fault.

Russell and Glenn Betts were Kendrick business visitors Wednesday afternoon, while Carl, George and Jimmy Finke and Eugene Betts went on to Lewiston.

Mr. and Mrs. Bruce Tarbert and family and Mrs. Chester Martin and son were recent visitors at the Martin home here.

Oscar Lawrence and son Albert were Kendrick visitors Monday, Albert having a dentist date.

The Carl Finke family were Lewiston visitors Saturday.

News is scarce. Roads are blocked, no mail service Friday, no school so far this week.

Our Note: Our correspondent, Mrs. Betts was right when she guessed this news would not reach us in time for publication last week. However, better late than never, and we, as well as our readers, appreciate greatly the effort she and other correspondents put forth.

SOUTHWICK NEWS

Mr. and Mrs. L. J. Southwick, and Mr. and Mrs. Edwin Hanks, the latter of Lewiston, were Sunday dinner guests of Mr. and Mrs. Howard Southwick and son Phil.

Mr. and Mrs. Wilbur Colwell and vaughters spent the week-end in Lewiston and Clarkston, visiting with friends.

Mr. and Mrs. Given Mustoe and Mrs. Millie Harris were Sunday dinner guests of Mr. and Mrs. Virgil Harris and sons.

Mrs. Anne Longteig left Friday for Wallace, Idaho, for a visit with her sister, who is quite ill.

Mr. and Mrs. Abner Cowger entertained a group of friends at a pinocle party Saturday evening. High scores were held by Wilmer Hanks and Mrs. Denzil Kuvkendall, lows by Elton McCoy and Mrs. Darwin Tarry.

Rev. and Mrs. David Harris returned home Sunday evening from Tacoma, where they attended funeral services for Rev. Harris' father.

Mr. and Mrs. Edwin Hanks of Lewiston spent the week-end here with their parents, Mr. and Mrs. Wilmer Hanks and Mr. and Mrs. Howard Southwick.

Monday brought more snow, cold and wind after a few nice days, and Monday afternoon brought wind to drift the snow again — so consequently no school on Tuesday. So, just as last week, most everyone is staying home — talking about the weather — and still no news.

CRESCENT CLIPPINGS

Mr. and Mrs. Alva Craig and family spent Sunday in the Ben Baker home.

Mr. and Mrs. Raymond Blankenship were Kendrick visitors Friday afternoon.

Mr. and Mrs. John Darby and daughter Jo were Saturday visitors in the home of their daughter, Mrs. Lowd Farrington and family.

Russell Baker, Headquarters, spent the week-end at the Ben Baker home.

Mr. and Mrs. Herman Loesser and son, who have been visiting his parents, left Monday for Elk River, where they will spend some time visiting with his sister, Mrs. Bogar and family.

Bud Genhart of Leland was a Monday visitor in the Raymond Blankenship home.

Loyd Farrington and Arne Kloster were Lewiston and Clarkston visitors Thursday.

Mr. and Mrs. Arne Kloster, Karl and Karen, spent Sunday afternoon in the Raymond Blankenship home.

W. H. Loesser and sons were Kendrick business visitors Saturday.

Phil Southwick spent most of this week operating the Farrington bull dozer — and most of our roads are now open — which makes all of us very happy indeed.

Fresh frozen fruits, berries, juices, vegetables, fish and poultry are obtainable at Blewett's Grocery-Market. Remember: "For a Better Buy, Buy Bird's Eye." 1-adv.
