INTERESTING NEWS BITS FROM THE SOUTHWICK AREA

"Tom Thumb Wedding" At the Southwick gym, Sunday evening a capacity crowd witnessed the little play put on by the Primary room under the supervision of Mrs. Alice Tarry, with music furnished by Mrs. Irvin Fry.

The gym was decorated to represent a church, and the altar and pulpit were banked with spring flowers, and on each side was a candelabra holding three tapers.

The play commenced with the two "ushers," David Cowger and Max Wright, entering and taking their places. They were dressed in white trousers and black-tailed coats. Then followed the "Candle Lighters," Diane King and Sharon Lohman, dressed in blue and rose organdy formals. Then the "bride's mother," Sonja Swanson, dressed in a navy blue crepe suit with white accessories, was shown to her seat by one of the ushers. She was followed by Faye Cowger and Monty Lohman, friends of the groom. Next was an uncle and aunt of the bride, portrayed by Judy Cuddy and Denny Hansen. Then came the "groom's grandmother," Sherry Finke, and lastly the singer, Rona Armitage, dressed in yellow organdy, who sang, "I Love You Truly."

Then the Wedding March was started by Mrs. Irvin Fry, and the "groom," Doug Harris, the "best man," David Harris, dressed in formal suits and the "Minister," Marvin Hanks, wearing a long white robe, entered from the right of the pulpit. At the same time, entering from the rear of the church was Linda Biller, the "flower girl," dressed in a green organdy formal, who was followed by the "bride," Sandra Cantrill, attired in white satin with a pink veil held in place by a "tierra of Lilly of the Valley," entered on the arm of her "father," Dennis Lohman. Then came the "Maid of Honor," Beverly Thornton, dressed in an orchid formal followed by the bridesmaids, Mary Ann Pavel, Karen Kloster, Caroline Lawrence and Karen Lohman, dressed in yellow, pink, green and blue formals — all taking places on each side of the altar.

Then the ceremony was read by the "Minister," and after the "bride and groom" repeated their wedding vows, the groom placed a padlock on the bride's bracelet — then the groom kissed the bride and they marched to the rear of the church where they were congratulated by the wedding party and their friends and relatives. We might add that the best man was the first to kiss the bride.

Mrs. Tarry wishes to thank everyone who so willingly helped with the costumes and all other work connected with the production.

Pre-School Health Roundup

A pre-school health roundup will be held on Wednesday, May 17, beginning at 9:00 a. m. in the basement of the Community Church, with Dr. McQueen in charge.

All children who enter school this coming fall are asked to please appear for an examination — which is free. Mothers are asked to accompany the children.

Slides And More Slides

Clarence Perryman and Ed. Brown, our local highway crew, who have been plugging the past three weeks by the sliding hill near the Brammer ranch between Kendrick and Julietta, received the help of a state shovel and truck crew last weekend and the forefront of this — a shovel, four trucks and a loader being in use.

This hill, apparently softened by seepage from above and plenty of rain, has been sliding, sliding, sliding — and Clarence and Ed., plus loader and truck, have been forced to spend nearly all of their time at this spot.

It is hoped that this last big clean-out will take care of the situation for some time.

FACTUAL INFORMATION PRESENTED ABOUT DISTRICT

Open Letter To The Parents of School District No. 283

Dear Parents: This coming Saturday, May 13, you will have an opportunity to really do something to help your children in a material way. You can mark the date down and make it a point to get to the Kendrick School house and vote for the millage necessary to make it possible to operate our school efficiently and effectively for another school year. If you do not vote and, by chance, the vote fails to carry, you personally will be robbing your children of the educational opportunities which should be available to them.

The levy being asked this year is exactly the same as was voted the past two years — ten mills above that which the School Board is authorized to levy by law. Experience has taught us that if we maintain an accredited High School and several elementary units, that we will need this amount to operate.

Since the State Board of Education provides some of the revenue for the operations of schools, they in turn have certain requirements which for the most part are educationally sound) that the schools have to meet. For instance, the personnel and facilities of the High School have to meet their standards or the High School will not be accredited. And if the High School is not accredited, two results will follow:

- 1. The state will not provide revenue for the operation of a non-accredited school.
2. All the credits earned by the students while the school is not accredited are lost and the student is thereby heavily penalized.
Should the school board then decide to maintain an accredited High School at all costs, the elementary schools would suffer heavily. This is entirely unpractical too, since a child's educational foundation is built during his first years in school.

May it be brought to mind that the first levy election was lost last year because some of our citizens do not care whether or not school keeps. When you parents were brought face to face with the facts, the election carried easily. But those same voters were out to defeat it the second time.

Let's eliminate this waste of time and effort by supporting your School Board in this election and remember, they too are tax payers and are serving in the board without pay to render the people of our district a service, and especially your children, who will be the direct beneficiaries, because their children and your children to have the best they can possibly acquire.

Sincerely, JASPER L. NUTTING, Supt. of Schools.

Many Attend Luncheon

The Fellowship luncheon sponsored by the Kendrick W. S. C. S. last Friday afternoon was attended by more than 70.

The banquet room in the basement was attractively arranged with spring flowers, and the guests were seated at small tables which were scattered around a long table in the center of the room.

Following luncheon the program opened with Mrs. Oscar Silld giving two piano solos, followed by two vocal solos by Mrs. D. A. Christensen, accompanied at the piano by Mrs. H. C. Schupfer.

Mrs. G. E. Knight, guest speaker for the afternoon, gave an inspiring talk on "Building Christian Homes in Alaska." A devotional service was then led by Mrs. Clarence Johnston.

The business meeting followed, with Mrs. Marvin Long, treasurer, giving a detailed report of the year's work and expenditures. Other reports and business were dispensed with.

Chambers Of Commerce

The Latah County Chambers of Commerce are scheduled to meet in the basement of the Kendrick Community church next Wednesday evening at 6:30 o'clock — with the dinner being served by the W. S. C. S.

As yet we have no information on the program, but it is generally a good one. It should be remembered, too, that this organization is not a closed membership affair — and anyone who wishes to attend is very welcome — in fact, anyone interested is urged to attend.

Lobby To Be Closed

The post office lobby will be closed Saturday after the sorting of the 12:50 mail, and remain closed until the arrival of the 9:23 train Sunday morning — as a new tile floor is to be laid, and entering the lobby during progress of this work cannot be permitted.

SHORT NEWS ITEMS FROM OUR LOCAL SCHOOLHOUSE

Kendrick Enters Finals Orofino, May 5 — Orofino and Kendrick high schools scored convincing victories today and will oppose each other Saturday in the finals of the second district class B baseball playoff. The Maniacs disposed of Lapwai 12-1, and Kendrick dropped Greencreek 5-1. The winner will meet Lewiston high May 11, 12 and 13 in a two-out-of-three series for the district championship.

Kendrick broke a 1-1 tie in the fourth inning when Pitcher Arnez of Greencreek walked, forcing Parks home. The Tigers made more hay in the fifth with a three-run spurge sparked by Millard's double.

Fey and Clemenhagen singled for Kendrick and Eichner walked to load the sacks. Fey straddled home on a passed ball and Millard's two-bagger allowed Clemenhagen and Eichner to score.

Ware fanned ten for Kendrick and walked one. Arnez struck out seven and walked five. Extra base hits included Hasenoehrl's double and Eichner's triple for the Kendrick team.

Orofino Defeats Kendrick Orofino's Maniacs put together two four-run innings and staved off a Kendrick rally at three runs Saturday to whip the Tigers 10-8 in the finals of the second district class B baseball tournament at Orofino.

The victory gave Orofino the right to meet Lewiston high in a three-game series this week-end for the north central Idaho championship.

The Tigers pushed off to a three-run lead in the opening frame, but lost it when the Maniacs knocked hurler Max Clemenhagen off the mound in the second and regained the lead with two tallies in the third.

Orofino hurler Pete Nygaard knuckled down to hold Kendrick scoreless for the next three frames while his mates were collecting what turned out to be the winning runs.

Outfielder Bill Conroy was hit by Tiger Pitcher Don Millard, who replaced Clemenhagen, to start the merry-go-round. Samuels fanned and Jack Gilmer grounded out. Second Baseman John Hutchinson doubled to bring Soderberg home with the winning run and George stole home with the insurance tally.

Kendrick got back into the ball game in the seventh. Third Baseman Ted Fey singled and Clemenhagen struck out. Catcher Bud Eichner got on through a fielder's choice that plucked Fey off second. Then Millard and Orville Halseh singled, Halseh's drive bringing Eichner home. Second Baseman Bob Ware cut loose with a triple that scored Millard and Halseh.

Nygaard tightened up again to fan Left Fielder Luther Parks for the final out.

Nygaard struck out nine, issued one base on balls, and gave up nine hits. Clemenhagen, who had fanned two in the first inning, was nipped for four singles and a walk before he withdrew in the second. Millard struck out three, kept his walks to himself and gave up seven hits.

First Baseman Pat Hayes of Orofino and Ware of Kendrick led the hit parade with triples. Hutchinson and Nygaard of Orofino and Bud Eichner and Parks of Kendrick all connected for two-base blows.

Without Playing Field

We're all mighty proud of the fine showing made by the Tigers — and a big part of it lies in the fact that they made this showing without benefit of a playing field of their own — the local diamond now consisting of two huge stock piles of gravel, alternating with swamp. We feel that Coach Ross Armitage and the team are to be highly complimented.

On Wednesday night of this week the Tigers' team manager, Coach Armitage, and the Yell Leaders were the guests of the Kendrick Commercial Club at a 6:30 dinner in the Kendrick Cafe.

Goes To Chicago

Mr. Nutting, vice president of the Idaho School Administrators Association, left Tuesday evening for Chicago, where he will spend Friday and Saturday attending the National Administrator's Conference. Dr. J. H. Coulter will take his place while he is away.

High School Play

The High School play, "Miss Jimmy," under the direction of Mrs. Fern Lindquist, will be presented at the Kendrick gym, tonight, Thursday, May 11, at 8:00 o'clock. It is a three-act farce, and should provide lots of merriment.

Attends Track Meet

Friday the Grade School went to Genesee where they participated in a track meet with several area schools. A very enjoyable time was had by all in spite of a rather sharp wind.

Gust Luckens Passes Away

Gust Luckens, a pioneer resident of Kendrick, passed away at his home here Wednesday afternoon of last week following a lingering illness.

Funeral services were held Tuesday afternoon at the Bethany Lutheran Church on Big Bear ridge with the Rev. Lowell W. Swantz officiating.

We regret that further details are lacking at this time.

To Install Drain Tile

A big 18-inch drain tile is to be installed in the west part of town to carry off surplus water from land around the local ball diamond, and homes in that area.

Among The Sick And Injured

Julius Caesar returned home Saturday from the Gritman Memorial hospital at Moscow, where he had been several days last week, suffering with an abscess on the back of his neck. He is improving satisfactorily.

Bobby McCall, 15-year-old son of Mr. and Mrs. Walter McCall, had the misfortune to lose three upper front teeth last Wednesday afternoon while playing baseball with the Kendrick Tigers at Deary. A batted ball struck a rock on the playing field in front of him, bounced and hit him squarely in the mouth. He was brought to Kendrick immediately where Dr. G. W. McKeever removed the remaining roots and cared for him.

Jacob Brant was absent from school several days last week, due to a severe case of the flu.

School News

The track meet held at Genesee with the schools of Lapwai, Genesee, Kendrick and Joseph participating, was enjoyed by all our children, despite a rather windy day. While no official record was kept of the points made by the various schools, we feel Juliaetta earned her share of ribbons. The children received 13 Blue ribbons, 16 seconds, 12 thirds, and nine fourths.

One happy spot in our school program this year has been the excellent school lunches we have had. Through the efforts of our superintendent we have received many USDA commodities, such as large quantities of butter, potatoes, canned peaches,

dried prunes, and just recently, some large dressed turkeys. These items, supplementing the canned fruits prepared by the local P.-T. A. ladies last year, and the purchased staples, make excellent meals.

Gary Dillman from Helmer entered the first grade last week.

All pre-school children, who will be of school age in the fall, are invited to visit the first grade room at Juliaetta to spend the day, Friday, May 12.

The sixth grade has stressed outside reading this year. Some of our pupils have made outstanding records. Sharon Miller has read and made written reports on 75 books. Jim Barclay has 50 to his credit.

The annual school musical will be held at our school the evening of Friday, May 19, at 7:30 o'clock. We expect the High school band, chorus, as well as songs from all grades. We hope everyone will plan to attend.

PERSONAL MENTION

To Distribute Polio Tips
Boise, Idaho—The Idaho Department of Public Health and Department of Education this week endorsed the plans of the National Foundation for Infantile Paralysis to distribute brochures containing "A Message About Polio" to all Idaho school students.

In giving the endorsement of the Department of Education, Alton B. Jones, Superintendent of Public Instruction, asked for the full co-

operation of all superintendents and instructors in the distribution of the bulletin.

"The polio epidemics which Idaho has suffered during the last few years has made us extremely aware of this disease," he stated, adding, "The guidance and reassurance that will result in the distribution of the factual knowledge will indeed help us to avoid unnecessary anxiety and confusion."

L. J. Peterson, director of the De-

partment of Public Health pointed out, "The pamphlet, 'A Message About Polio,' is a necessary instrument for our use in the educational fight against infantile paralysis if the people of Idaho are to receive the true facts about this disease. The distribution project which will make this information available is now being undertaken by the National Foundation for Infantile Paralysis and has the approval of the Idaho Department of Public Health."

A BIT OF IDAHO HISTORY

The Indians of the Boise, Payette and Snake river valleys presented a problem to the miners after the discovery of gold in the Boise Basin. By 1862 there were thousands of persons searching for gold in territory that had long been the hunting grounds of the Indians. But the miners felt they couldn't spare the time to fight Indians, so they petitioned the federal government for troops.

Major Lugenbell, on June 28, 1863, arrived in Boise Valley with a company of U. S. cavalry and went into camp on Government Island, just down the river from the present city of Boise. On July 6, the site for Boise Barracks was selected.

A few days later a number of men from Bannock, now Idaho City, came down and located the townsite of Boise City, and within a few days a number of houses and tents had been erected.

A cargo of goods owned by Cyrus Jacobs, which was then in transit to Bannock, was diverted to the new city of Boise, and a building was

speedily erected for its accommodations. Another stock of goods was soon shipped to Crawford & Slocum, who established a sutler store. Several saloons, two livery stables, and a couple of hotels were hastily erected and placed in commission.

Thus the quiet valley was soon turned into a thriving community. The following year Boise City was made the Territorial Capitol and is now the state capitol. Idaho City, which nourished Boise City and gave it its start, was a town of several thousand people at the time. Today it has only a few hundred residents and Boise's population is estimated at more than 50,000.

Building supplies of all kinds are available at the Kirkpatrick Lumber Co., Juliaetta. Whether building a house or a chicken house, see them.

NOTICE OF SPECIAL SCHOOL MEETING AND ELECTION

In Kendrick Joint School District No. 283, Latah County, Idaho

NOTICE IS HEREBY GIVEN, That a special meeting and election of the qualified voters of the above named School District will be held on the 13th day of May, 1950, at 1:00 o'clock P. M., at the Kendrick school house in said district, at which meeting it shall be determined by a majority vote of the qualified voters present and voting:

1. Whether the Board of Trustees of said District shall be authorized to make a levy in some amount not exceeding nine (9) mills, in addition to and above the levy which, as provided by law, the Board of Trustees may make without such election or authorization.

2. Whether the Board of Trustees of said District shall be authorized to make a levy not to exceed one (1) mill for the purpose of purchasing, equipping and/or maintaining playgrounds and gymnasiums.

FURTHER NOTICE IS GIVEN, That:

1. The assessed valuation of said District for the preceding year was \$1,972,725.00.

2. The amount of money which the Board of Trustees has estimated to be necessary to operate the schools of the District for the ensuing fiscal school year is \$95,000.00.

3. The levy which the Board of Trustees may make without election will raise approximately \$27,618.15.

4. State and County Apportionments for the next fiscal year are estimated at \$46,662.46.

5. Miscellaneous receipts for the next fiscal year are estimated at \$992.24.

6. The levies for which authorization is being asked, and which will raise approximately \$19,727.25, are:

For Current Expense 9 mills
For Playground and Gymnasium 1 mill

That the qualifications of voters entitled to vote at such meeting or election are:

1. The Electors of the State of Idaho.

2. Residents of the district at the time of election.

In addition thereto said voters must possess one of the two following qualifications:

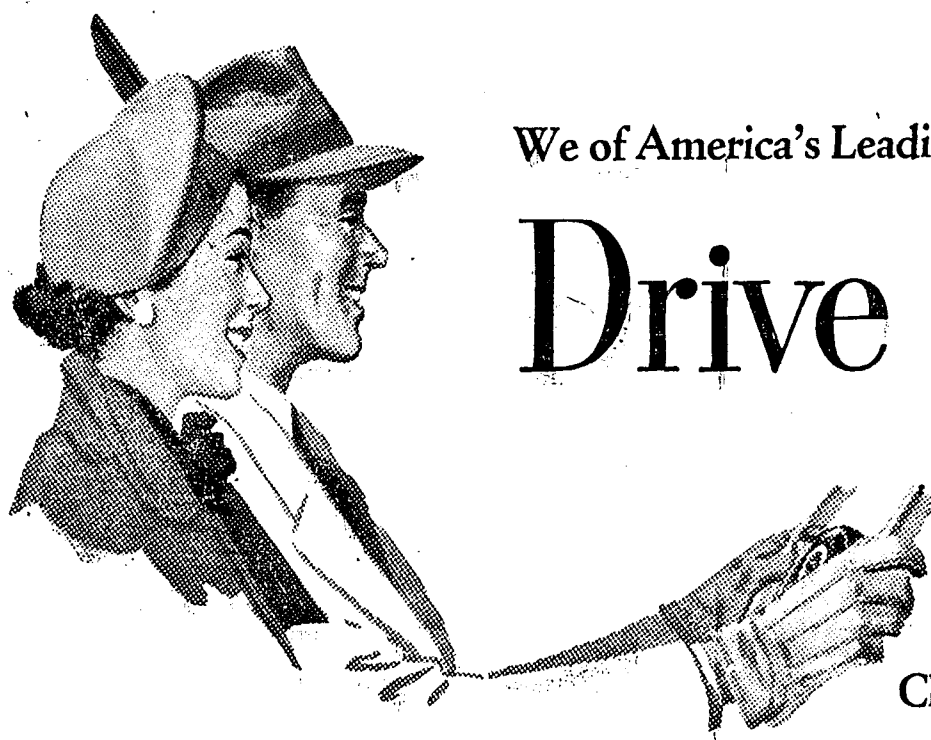

(a) Parents or guardians of a child or children when such child or children are under twenty-one (21) years of age, and when such child or children and parents or guardians thereof are residents of the district at the time of election; or

(b) A person who pays taxes within the district, and the husband or wife of such taxpayer, in case the taxpayer is married. A payer of poll tax is not a taxpayer.

That the election will be by secret and separate ballot.

Dated this 22nd day of April, 1950.

A. O. KANIKBERG,
Clerk of School District No. 283, of Latah County, Idaho. 17-3

New Clothing Fabrics Coming

U. of I., Moscow — New clothing fabrics on the market for 1950 carry good news for Idaho wool growers. Shrinkage control methods recently introduced are expected to greatly expand the market outlets for wool from the Gem state.

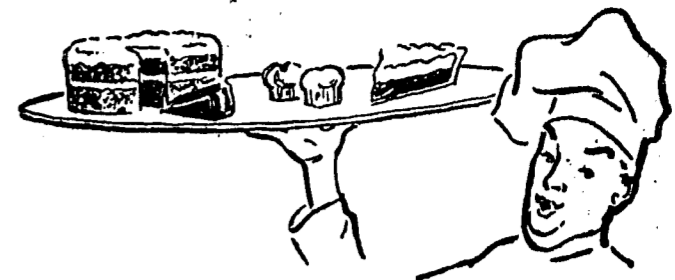

Chemical processes which will reduce the natural tendency of wool to shrink when washed are now going into large scale economical use. Where wool formerly shrank at least 25 percent, manufacturers guarantee such material against shrinking not more than 5 percent under the new process.

Miss Esther Nystrom, extension clothing specialist for the University of Idaho, says: "This new process enables woolen material to be ready for the needle once the fabric is purchased. Painstaking home shrinking processes are no longer necessary on shrinkage controlled garments. Woolen garments will be a better investment because they will wear longer and have guaranteed shrinkage control when sent to the cleaners."

Shrinkage control opens new fields of blending wool with other synthetics such as cotton, rayon or nylon, says Miss Nystrom. Fabrics are woven with fabrics for greater strength, while at the same time adding such qualities as sheen, softness, lightness and crease resistance.

How jobs were created

How hundreds of businesses were helped

How a new source of oil was tapped

The story behind deepwater oil

A few years ago, a test well proved there is oil under the great Continental Shelf that extends out into the Gulf of Mexico, and although the well did not produce much, it started one of the most unusual—and expensive—drilling programs in history.

So far, in the search for underwater oil, seven drilling platforms have been built, similar to the one above, as far as 10 miles offshore and in water as much as 65 feet deep. They are set on tubular steel pilings driven 250 feet through the ocean's bottom, for they must be strong enough to withstand Gulf hurricanes.

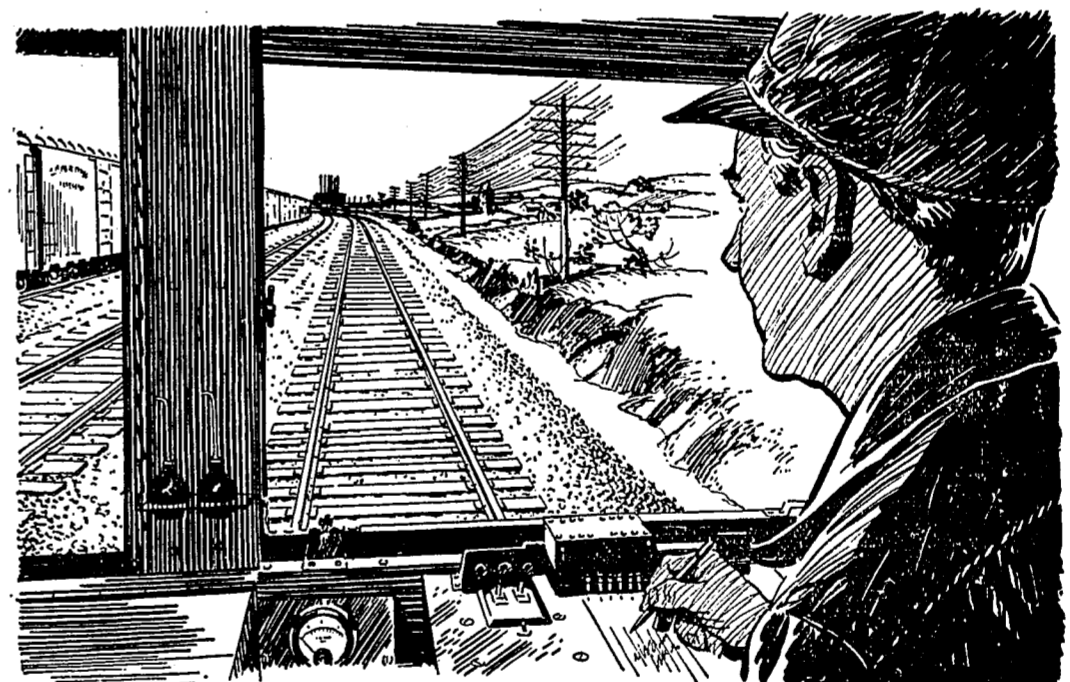

The story behind this operation is the story of risk . . . and of determination to do everything possible to find oil for the growing needs of motorists, farms and industries. Each underwater field costs millions of dollars more than any of equal size drilled on

land, and although oil has been found, not enough has been produced yet to repay more than a small fraction of the costs.

Meanwhile, the money being risked is creating many jobs, spreading to hundreds of large and small businesses . . . and helping to keep our economy free, competitive and strong.

Super-sleuth SPEEDS NP FREIGHT SERVICE!

HIS FEATS SOUND FANTASTIC. He uses invisible clues. Has X-ray vision. Tracks down track trouble before it starts! But wait—that's not so hard. He has an NP Detector Car to help him. With its electronic "eyes", he spots tiny, hidden fissures in the rails as he rolls along. They're recorded on that paper tape under his hand. At the same time, a jet of paint from the car marks the track to show section hands where new rail goes in to replace the old. What does this amazing car look like? . . .

YOU MAY SEE this trim twosome any day, anywhere along the Main Street of the Northwest. The unit nearest you is the Detector Car itself. The other is the "tow-car" which pulls it. NP has two of these ultramodern machines which patrol "Main Street" several times a year. And see what else we have to insure fast freight service . . .

IT TAKES POWER to get freight somewhere fast! And power we've got in the form of a fleet of these massive diesels . . . in action along "Main Street". Call on us when you have a tough shipping problem!

**TO FAMILIES
 WE HAVE NEVER
 SERVED**

Those who have never had occasion to engage the services of a funeral director must rely upon what others say, when the inevitable need arises. For almost fifty years Vassar & Rawls have been noted for professional skill, fair dealing, liberal policies.

This reputation is your safe guide in calling a funeral home.

ENTERTAINING MOTHER'S DAY?

In many local homes there will undoubtedly be some large Mother's Day gatherings. And what finer, easier dessert can you serve than "Potlatch Chief" Ice Cream. Its creamy smoothness, delicious flavor and inherent goodness will appeal to everyone around the table. And it's so quick and easy, too. We have all the popular flavors — plus that new favorite, Chocolate Marble — which might be called "a sundae without syrup."

ABOUT MILK TICKETS:

In the very near future we are going "cash on milk," and as a result a new type "book ticket" will be issued in book values of \$2.00, \$3.00 and \$5.00. Of course cash sales of single quarts will still be made over the counter.

WHAT CAMERON FOLKS ARE DOING THESE DAYS

Mr. and Mrs. Carl Koopp of Kendrick are staying at the home of Mr. and Mrs. Henry Wendt while Mr. and Mrs. Wendt are moving the household goods of their son-in-law and daughter, Mr. and Mrs. Frank Harbert from Pullman to Centralia, Wash., where Mr. Harbert is employed. Mr. Harbert is a recent graduate of Washington State College.

Mr. and Mrs. Gus Kruger visited with Mrs. Stoneburner and Miss Emma Hartung Wednesday evening.

Mrs. Ted Weyen and daughter Elaine, Mrs. Glen Wegner and children and Mrs. Billy Weyen and daughters spent Sunday picnicking.

Dorothy Ann and Patricia Mielke were Monday night guests of their aunt, Mrs. Fred Newman.

Mr. and Mrs. G. F. Cridlebaugh and daughters of the Lewiston Orchards, Miss Emma Hartung and Mrs. Ida Stoneburner were Sunday evening dinner guests of Mr. and Mrs. Herbert Schwarz.

Miss Emma Hartung was honored with a birthday anniversary party at her home Friday afternoon. Guests were Mrs. Ben Cummings of Spokane; Mrs. Walter Dennler, Mrs. Dave Dennler and Mrs. Tom Dennler of Fix ridge; Mrs. Harry Newman and daughter Linda of Southwick, and Mrs. John Schwarz, Miss Helen Mielke, Mrs. Herbert Schwarz and daughter JoAnn and Mrs. Fred Newman.

Mrs. Walter Koopp visited with Mrs. Stoneburner and Miss Emma Hartung Wednesday afternoon.

Mr. and Mrs. Glen Wegner, Mr. and Mrs. Ed. Mielke, Rev. and Mrs. Theo Meske, Mrs. Walter Koopp and Mrs. John Blankenship attended the track meet at Genesee Friday.

Mr. and Mrs. Aug. F. Wegner and sons Vern and Wayne, Helen and Ted Mielke, Cecil Brammer and Mr. and Mrs. Harry Newman and Linda visited in the home of Mr. and Mrs. Fred Newman Sunday.

Mrs. Billy Weyen and daughters Kay and Carol spent Saturday night with Mrs. Glen Wegner.

Mr. and Mrs. Harold Silflow and daughter and Ernest and Ernie Heimgartner were Thursday evening dinner guests of Mr. and Mrs. Herbert Schwarz.

Vern Spekter of Craigmont was a Saturday night guest of Ed. Mielke. Mr. and Mrs. Walter Koopp and family and Mr. and Mrs. Werner Brammer spent Sunday with Mr. and Mrs. Ernest Brammer.

The May meeting of the Ladies Aid was held last Thursday afternoon with Mrs. Aug. F. Wegner serving a delicious lunch at the close of the afternoon.

Mr. and Mrs. Ed. Mielke and daughters spent Sunday with Mr. and Mrs. L. S. LaHart in Pomeroy.

Mr. and Mrs. Herman Meyer and family and Teddy and Duane Meske were dinner guests of Mr. and Mrs. Marvin Silflow Wednesday evening. The dinner was given in honor of Teddy Meyer's birthday anniversary.

Mr. and Mrs. G. F. Cridlebaugh

and daughters of Lewiston Orchards were Friday supper guests of Mrs. Stoneburner and Miss Hartung. Mrs. Stoneburner and Miss Hartung accompanied the Cridlebaughs to Lewiston where they spent the week-end. Miss Helen Mielke and Mrs. Ed. Mielke attended the Friendship evening of the Laurel Chapter of the Easter Star in Lewiston Monday evening.

Walter Koopp, Fred Newman, George Wilken, Herman, Roy and Otto Silflow, Glen Wegner, Billy and Ted Weyen, Willard Schoeffler, John and Delmar Blankenship and Gordon Peters were among those who were fishing at Lake Pend Oreille the past week. The fishing was excellent and they all brought back many blue-back fish.

Mr. and Mrs. Andreze Stenberg and three children, natives of Latvia, and "D. P.'s" in Germany, arrived Monday morning to make their home on the Herman Meyer farm.

CRESCENT CLIPPINGS

Frankie Loeser and Robert Kimbley, who are employed by the Diamond Match Co., spent the week-end in their respective homes here.

Mrs. Alva Craig and children spent Friday afternoon with her mother, Mrs. Ben Baker.

Mr. and Mrs. Loyd Farrington and son Johnny were Monday Lewiston visitors. Mrs. Rose Farrington and Mrs. Elizabeth Keeler, who have been visiting in the Farrington and Arne Kloster homes, accompanied them to their home in Clarkston.

Mr. and Mrs. Everett Farrington and daughter Kathy spent Sunday afternoon in the Loyd Farrington home.

Mrs. Rose Farrington, Mrs. Elizabeth Keeler, Mr. and Mrs. Arne Kloster, Karl and Karen, and Lee Swanson spent Sunday in the Alva Craig home.

Several from here attended the "Tom Thumb" wedding Sunday evening at Southwick. It was presented by Mrs. Tarry's room — and greatly enjoyed by all.

Mr. and Mrs. Arne Kloster were Lewiston business visitors Thursday. Alfred Swanson spent the week-end here with his family.

As for our weather — it isn't very suitable for farming — but we think maybe ducks might enjoy it.

About Little Penny Jones

Word has been received from Kendrick regarding the condition of little Penny Jones, daughter of Mr. and Mrs. George Jones, and granddaughter of Mr. and Mrs. E. H. Jones and Mr. and Mrs. Wade Keene as follows: "The last 24 hours have brought about a miraculous change in her appearance. Both arms are still in pressure bandages (except for three fingers on one hand) and will be for another week, but yesterday the pressure bandages were removed from her head, face and neck and so much of the swelling has gone down that she can now see and even close her mouth.

One neighbor lady, George and I have kept a 24-hour vigil at her bedside in addition to the regular pediatric staff at the hospital, and I can assure you she has had real care, but, grueling as it's been we have been fighting a winning battle.

We brought her home from the hospital Saturday at noon, and will care for her here. Her many cards and gifts in addition to gaining sight again after a week's darkness have made her a happy and extremely patient little patient. Needless to say we are glad to have her home again and hope and pray that there won't be too much skin grafting to do when that time arrives. Our hopes are high since seeing how well her face and neck are healing and with the modern method of treatment, we may be able to eliminate the grafting entirely.

Young People Have Fun

A group of young people of the Full Gospel Church met at the church Friday evening for a "triple-headed" party. First a wood piling bee, followed by a Weiner roast — then the whole group met again at the John Wilson home for a birthday surprise party honoring Rita Cain and Lorraine Clemenstien. Many lovely gifts were received by each.

The evening was spent in playing games, followed by the serving of ice cream and birthday cake.

Those present were Rev. and Mrs. Crawford, Paul, Jerry and Ruth; Paul and Bonnie Arbuckle, Kathryn Brown, Lee Jones, George and Jean Jones, LeRoy Gladen, Albert Clemenstien, Lottie and Louise Wilson, Susie Candler, Charlie Cox, Mr. and Mrs. Bob Cain, Mrs. Fred Gladen,

New Shoe Shop

Wallace Emmett has been busy the past couple of weeks completing the remodeling of a building for use by Cecil Babcock as a shoe repair shop.

The former tire and parts store house of E. M. Millsap, which stood at the rear of the Antelope Inn, was hauled onto city property across the street from the Kendrick Bean Growers repair shop, leveled, and then Mr. Emmett began work on it — and it should be ready for occupancy soon.

Mr. Babcock, who suffered a heart attack something over a year ago, is still not allowed to do much walking — so the building will solve that problem.

Chain Letters Intercepted

Two letters have been turned in at the local postoffice, and forwarded to the Inspector in charge at Seattle, Wash., which contained chain letters — which are mailed in violation of the Postal Fraud and Lottery statutes, states F. O. Stedman, local postmaster.

He goes on to add, the persons mailing such items or letters are subject to a \$1,000.00 fine, or one

year in prison, or both.

Grange Meeting

Kendrick Grange will meet on Tuesday, May 16, at 8:00 p. m. Plans will be made for our visitation to Troy, May 20, where the local grange will have charge of the closing of that meeting.

There will be a special Mother's Day observance Tuesday evening.

Fresh frozen fruits, berries, juices, vegetables, fish and poultry are obtainable at Blewett's Grocery-Market. Remember: "For a Better Buy, Buy Bird's Eye." 1-adv.
