INTERESTING HAPPENINGS FROM THE JULIAETTA AREA

Mr. and Mrs. Lloyd Eckman and children and Mrs. Frank Spray went huckleberrying last Saturday, and on Sunday Mr. and Mrs. Frank Ballantyne went on a quest for the luscious fruit. We have no report on the success of either party.

Mr. and Mrs. Ray Brady of Seattle, Wn., visited at the home of Mrs. Frank Spray last Tuesday.

A meeting of the W. C. T. U. was held last Friday at the home of Mrs. Pearl Scott. One new member was received.

Mr. and Mrs. Chester Westing and Mrs. Wm. Groseclose visited with Mrs. Susan Groseclose Sunday afternoon.

Chester Westing and William Groseclose made a trip to Ahsahka and on up the North Fork of the Clearwater on Tuesday. They hoped to do a little prospecting, as both of them are interested in minerals.

Mrs. Mary Otosen returned last week from Canada, where she had been visiting relatives.

A family picnic was enjoyed at Spalding park, Aug. 6, by the Weber families. Those present were Mrs. Elsie Weber and son Roy and Mr. and Mrs. Daniel Dillman and children of Juliaetta; Mr. and Mrs. Thomas Weber and family of Austin, Minn.; Mr. and Mrs. Herb Weber and family, Mr. and Mrs. Chris Weber and family, Mrs. Lulu Brown and family, Mr. and Mrs. Cecil Babcock and Mr. and Mrs. Henry Kortemeier of Kendrick; Preston Osborn of Deary; Mrs. Russell Snyder and family and Mr. and Mrs. Roy Weber of Lewiston.

Mrs. Joe Adler and daughter of Spokane visited over the week-end at the home of her mother, Mrs. Elsie Weber.

Mrs. Lester Weaver, Southwick, was a caller at the home of Mrs. Frank Spray, Saturday.

Mr. and Mrs. Sam Umberger and son and wife, Mr. and Mrs. Garnett Umberger, of Maryland, were visiting friends and relatives here last week.

Mr. and Mrs. Thomas Weber and family from Austin, Minn., spent ten days here visiting his mother, Mrs. Elsie Weber, and other relatives here and at Kendrick. They left last Wednesday for their home, arriving there Saturday evening. He called his mother by phone to let her know the return trip was made safely.

KENDRICK SCHOOL NOTES

With the approach of the opening of school, a few general announcements are in order. However, the next two issues of the Gazette will carry more complete and detailed information pertaining to the various phases of re-opening school — such as registering, class schedules, subjects to be offered, fees, transportation accommodations, etc.

However, we list below, information which should be of value at this time:

Monday, Aug. 28 — 8:00 p. m., High School teachers' meeting.

Thursday, Aug. 31 — 9:00 to 12:00 a. m., Freshmen register.

Thursday, August 31 — 1:00 to 4:00 p. m., Sophomores register.

Thursday, August 31 — 8:00 p. m., Elementary Teachers' meeting.

Friday, September 1 — 9:00 to 12:00 a. m., Juniors register.

Friday, September 1 — 1:00 to 4:00 p. m., Seniors register.

Tuesday, September 5 — 8:45 a. m., School opens.

All teachers are requested to bring their teaching certificates and health certificates for registration. Since several teachers will need to have their health certificates renewed this year (3-year period) it would be advisable to have this accomplished prior to the teachers' meetings.

Each High School student should make advance arrangements to be present to register with his or her class at the appointed time. It will require about three hours to register each class — so be prepared to remain for the entire three-hour period.

Grade school registration will take place Tuesday, Sept. 5 — the opening day of school. Since a pre-school clinic was held last May, there will be no pre-school registration for beginners this year. The cafeterias will serve lunches September 5 — and school will be conducted all day.

School election will take place in the Bookkeeping room on Sept. 5. At this time trustees from sub-districts Nos. 3 and 4 will be elected to serve for a three-year term.

Ill With Lukemia

According to an article appearing in the Lewiston Tribune of August 15, little Jack Holt, four-year-old son of Mr. and Mrs. Felix Holt of Lewiston Orchards (former Southwick residents) is ill with lukemia, that dread blood disease for which no cure has yet been discovered — and who has possibly two months to live.

Little Jack has had two blood transfusions to date, and as the disease progresses, more and more will be required.

In the east, a new medicine, still in the experimental stage, is being used in the treatment of this disease, and the Hols have hopes that the Spokane specialist who is treating Jack will be able to obtain it for the child.

Mr. and Mrs. Holt have a large circle of friends at Southwick and Kendrick, and all will deeply regret hearing this news.

Anyone willing to give blood to further little Jack's life, is asked to contact the Lewiston blood bank at St. Joseph's hospital, Lewiston. No special type is needed.

Will Again Send The Gazette

As local boys are again being called to the colors — we wish to announce that, as during World War II — the Kendrick Gazette will again be sent to them free of charge!

In-as-much as those now in the service say the army postal service is "punk," we ask that real care be taken to make sure that his address, including Serial Number, is given us correctly.

We cannot do this for all. The addressee must have a Kendrick, Juliaetta, Southwick, Cameron, etc., home address in order to be eligible.

INTERESTING NEWS BITS FROM THE SOUTHWICK AREA

Mrs. Millie Harris is spending the week at Nezperce with her son and family, Mr. and Mrs. W. R. Harris and children.

Mr. and Mrs. Milton Benjamin and sons Ronald and Verlin, and Mr. and Mrs. Irvin Fry and son Eldon were dinner guests of Mr. and Mrs. Dick Benjamin of Big Bear ridge, Sunday. The dinner honored Verlin Benjamin, who is a member of the Army Reserves, and who left Lewiston Sunday evening for Fort Lawton, to take his physical examination.

Mr. and Mrs. W. F. Jennings spent Sunday afternoon with Mr. and Mrs. E. McCoy.

Billy Cowger accompanied Carl and Jimmy Finkle to the Bungalow for a week-end fishing trip.

Mrs. Bessie Cowger and Mr. and Mrs. Lyle Goffinet of Orofino spent Sunday afternoon with the Abner Cowger family.

Little Joe Goffinet returned to his home Sunday, after spending two weeks with his uncle, Mr. and Mrs. Abner Cowger and family.

Word From Roy Riley

From Pvt. Roy Riley (whereabouts unknown to us) comes the following brief letter:

August 10, 1950

Dear Bill:
Well, I think I will write you a letter and ask for the Gazette. I'm getting along just fine so far.

The situation around here is getting to look a lot better now days — I just hope this war will be over soon. It is sure tough going, but we will make it — I hope.

There is surely some beautiful country around here, if you have time to look at the scenery.

I left Fort Lewis the 13th of July and have been here ever since then. We don't get much news around here except from what letters the folks at home write us. That's why I'm asking you to send me the Gazette.

Well, I can't think of anything more to write, so I better sign off for now.

Yours truly,
Roy V. Riley.

Our Note: Roy does not say where he is — whether in Alaska, Japan, Korea, etc. The letter carries an army postmark, but apparently has not been censored, as no mark shows. It came by air mail, reaching us on Sunday, and his Gazette starts with this issue.

Among The Sick And Injured

Latest word from the bedside of Ida Schupfer, who underwent major surgery at St. Joseph's hospital last week, is that she is slowly improving. From the bedside of Warney May, Sr., also a major surgery patient at St. Joseph's, is that he is recovering nicely, and arrived at his home on American ridge, Wednesday.

Charles McCarthy, who suffered a broken right arm 10 days ago, is mending nicely.

Dave Gentry will enter St. Joseph's hospital Friday, where he will undergo a goiter operation.

Mrs. Cecil Babcock, who suffered a severe attack of gall stones last Friday, is now up and feeling quite well.

Al Pederson, who lost the ends of three fingers at the Lewis sawmill here some three weeks ago, is now at his home, and says his fingers seem to be healing nicely, although quite painful as yet.

Apply New Roof

Walter Sbarber and Wilmer Hanks are busy these days putting a new roof on the Juliaetta schoolhouse.

PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Mrs. Eleanore Hammond and Miss Carrie Cook of Juliaetta, and Mrs. Elsie Deobald, Kendrick, returned Saturday evening from the N. I. C. E. Geographic and History Tour of Idaho, an education trip that took two weeks and covered about 2,000 miles.

Heading south the students visited the Craters of the Moon and other points of interest in that area, even going as far as Logan, Utah.

From there they turned north, and at Salmon, Idaho, visited briefly with O. E. MacPherson, a former Kendrick resident, who is now operating a dry goods store in that city. From that point their trip took them to Missoula, Mont., and thence back into Idaho, where they stopped at Kellogg and inspected the great Bunker Hill and Sullivan mine. They report a most interesting and educational two weeks.

Leonard Eldridge returned Friday from Belmont, where he has been visiting his aunt, Mrs. Fred Zimmerman and family, the past week.

Mrs. Wade T. Keene and Mrs. Johanna Nelson were in Moscow on Monday, where they attended a birthday anniversary dinner at the Ira Havens home, honoring "Grandma" Keene, who was 94 years young on that day. They report her as feeling fine.

Mr. and Mrs. Tom Keene and family returned Monday evening from a five-day vacation trip spent in fishing at The Cedars, and Kelly Forks.

Mr. and Mrs. Wilmer Hanks and son returned Monday evening from a short fishing trip in the Kelly Forks area.

Sgt. Charles Deobald and Pfc. Gordon Cook, army reservists, left Saturday afternoon for Fort Lawton, Wn., to take their army physical examination. It is not known at this time just when they will be back.

Pfc. Verlin Benjamin, Southwick, was called for his pre-service examination last week, leaving with some 30 young men from Clearwater county.

Mr. and Mrs. Harley Perryman and son Gene spent Sunday and Monday in Spokane and Opportunity, Wn., visiting in the O. D. Reinemer and Kenneth Peters homes.

Carl Kenny, lifeguard for the Kendrick pool, left Tuesday to take his pre-induction physical examination for army service. During his absence the pool will be in charge of Parker McCreary.

Mr. and Mrs. E. S. Judy and son Steven of Tacoma arrived last Friday to spend the week visiting in the home of her sister and family, Mr. and Mrs. Bob Magnuson. On Saturday the Magnusons took them to visit Lewiston and surrounding territory.

Mrs. L. S. Thurber left for Spokane last week to be with her granddaughter, Verma Knox, who is receiving treatments for her eyes.

Mr. and Mrs. Roy Ramey and Mr. and Mrs. Elmo Eldridge and family left last Friday afternoon on a fishing trip to Black Canyon, returning Sunday evening.

Mr. and Mrs. Frank Baehr and son Ronald of Bellflower, Calif., left Wednesday morning, following a 10-day visit in the H. C. Schupfer home.

Mr. and Mrs. Joe Watts and daughters of Moscow were Sunday visitors in the home of their parents, Mr. and Mrs. W. A. Watts and Mr. and Mrs. E. A. Deobald.

Mr. and Mrs. Charlie Greenwood of Coeur d'Alene spent Sunday with her mother, Mrs. Grace Souders.

Out of town visitors at the Jasper Nutting home on Sunday were Mr. and Mrs. Paul Abendroth and family of Pullman, and Mr. and Mrs. Leslie James and family from Clarkston.

Miss Bertha Nutting from Rupert, Idaho, has been visiting in the home of Mr. and Mrs. Jasper Nutting the past ten days. Miss Nutting is a sister of Jasper Nutting.

Mr. and Mrs. Ralph White and children of Lewiston visited Monday evening in the home of her sister, Mrs. Ben P. Cook and family.

Mr. and Mrs. Harold Goff and children of Lewiston came up Tuesday to visit her parents, Mr. and Mrs. Ben P. Cook.

Sgt. Charles Deobald and Pfc. Gordon Cook returned Tuesday from Fort Lawton, Wn., both having passed their army physical examinations. They are now awaiting further orders, if any, both being in the reserve.

Mr. and Mrs. Ray Hudson and son David and Mr. and Mrs. A. G. Peters drove to Spokane Sunday where they met Mr. and Mrs. R. N. Olsen, Mr. and Mrs. C. L. Decker and children and Mrs. Frank Bregal and son and daughter at Natatorium park, picnicking and spending the day.

Mrs. Joe Merz and son Michael of Seattle arrived here Monday evening to visit her parents, Mr. and Mrs. Fred Stedman.

Mr. and Mrs. Ed. McGuire and B. P. Louvass, Moscow, were Sunday dinner guests of Mr. and Mrs. E. J. Platt.

Mrs. Edgar Long and Mrs. Ed. Dammarell and sons Frank and Billy joined the following group at a picnic in the park Tuesday afternoon: Mrs. Minnie Owens of San Gabriel, Calif.; Miss Mae Tweedy of Los Angeles, Calif.; and Mrs. Alvin Tweedy and Mrs. Walter Crawford and daughters of Clarkston.

Mr. and Mrs. Otto Schoeffler of Kellogg were guests Friday and Saturday in the home of her niece,

FOURTEEN ATTEND C. C. MEETING AUGUST NINTH

Thirteen interested business men, who were joined later at the business session in the city hall, enjoyed a steak dinner at White's Confectionery last Wednesday evening for the regular monthly Commercial Club dinner and business session.

In the absence of H. C. Schupfer, president, Walter Brooke, vice president, presided. Following the reading and approval of the Minutes of the previous meeting and allowance of bills, committee reports were called for.

Tom Keene, reporting for the entertainment committee, suggested that next spring a "Dedication Day" be held for "the new local ball diamond and playground." He added that the name "Armitage Field" in honor of Ross Armitage, long-time local P. E. director and coach, be given the field — and after a brief discussion, the Club went unanimously on record as favoring such a "day" and the name "Armitage Field."

Mr. Armitage arose to his feet, thanked the organization, but said he thought some name combining Kendrick and Juliaetta, and the school district would be more appropriate — since it was a playground for all. He received, however, no support on this motion.

In line with the Field Dedication, as well as that for the Area Living War Memorial Swim Pool, the club secretary, Roy Davis, was instructed to write for information on the cost of bronze plaques suitable for both places.

Reporting for the Highway committee, G. F. Brocke, Sr., reported that equipment for oiling on the stretch between Arrow and the Big Bear ridge junction was expected next week — but that he had no information on the American ridge (Brady Gulch) work.

Jasper Nutting, reporting for the Education committee, stated that at a recent school trustees meeting the date for the opening of school had been set for September 5th. He added that all personnel had been employed for the coming year. At Juliaetta, it remained the same as last year, which was also true at Southwick. At Gold Hill Mrs. Harley Perryman would be the teacher. At Kendrick a few changes had been made.

Mr. Nutting mentioned that the Juliaetta school house was being re-roofed and redecorated inside. At Kendrick new laboratory tables and equipment had been added, and the music department building painted and redecorated inside and out. A "Counseling and Guidance" room has also been installed.

Reporting further on the Educational program, Gerald Ingle said that a structural engineer had been employed to give the local buildings a thorough inspection, and that his report had been quite satisfactory. The school building itself was found "structurally sound," although badly out of date. The gymnasium was found to need repairs on one corner — nothing serious, however.

Going further into local educational problems, Mr. Ingle, assisted by Mr. Nutting, gave a report on the Leland school — which will not be operated this coming term. Last year, approximately 30 pupils attended that school, the majority of them coming by bus from the Cameron and surrounding area territory, and two teachers were employed. Many patrons there indicated they desired their children sent to Juliaetta and Kendrick in order that they might share in the music and P. E. programs. This requested shifting left too few pupils for the school, so it was decided to close it — resulting in the saving of salaries for two teachers, a janitor and bus driver. And, on the same basis, the Cedar ridge school was also closed, the pupils there being transferred to Southwick and Gold Hill.

Mr. Ingle also called the attention of all to the coming school election — with trustees to be elected from sub-districts 3 and 4, which are Big Bear ridge and Cedar ridge.

Gerald Ingle was called on for an Agricultural report, and stated that grain, on the whole, was ready for the combines, but rain and heavy morning dew were slowing operations considerably.

Mike Hedler, reporting for the Civic Improvement committee, stated that the Frank Abrams and A. O. Kanik-keberg homes were being re-painted, that the Kendrick Cafe had just been re-decorated, and that new non-parking areas were being painted on the curbs about town.

Frank Abrams, for the Merchants committee, said that the usual harvest rush was beginning — and added that he believed little, if any "hoarding" was being done locally — at least indications did not point to such actions.

For the Fish and Game Committee E. A. Deobald stated fishing was "fair" on the Northfork and other of the larger streams, but poor in most areas. From all indications bird hunting will be "very poor," as the spring hatch was apparently drowned in the heavy rains, and no small birds are to be seen.

Adding to the above report Hiram Galloway and Dave Clayton stated that Atwater Lake was to be poisoned for the removal of trash fish — and then was to be replanted with game species — possibly trout or bass.

Frank Abrams, for the Boy Scout committee, stated that this organization had been working on the local playground for a number of evenings, and results were good — but there still remained plenty of rock.

At the conclusion of Mr. Abrams report, a round-table discussion of the obtaining of dirt from contractors on the Brady Gulch road fol-

Harvest On Full Blast

Harvesting operations in the Kendrick area got under way last week-end, accompanied by perfect weather — and farmers in this section are certainly making the most of it.

A steady procession of trucks loaded with the golden grain can be seen coming into town from both directions, and warehousemen report the wheat is now excellent — with the exception of some smut.

Most farmers, suspicious of the weather, did not observe the Sunday rest; but kept machines in the field, and the warehouses co-operated.

Rain threatened Sunday afternoon, but failed to materialize in this section. We regret no yield reports are yet available.

LATAH COUNTY VOTERS CAST RECORD NO. BALLOTS

Voters in Latah county set a new record of 4,423 votes cast in the primary election of August 8 — far out-stripping the mark of 2,300 hung up in 1944.

Republican voters outnumbered those choosing the Democratic column by almost 2 to 1 — the usual pattern for this county.

Probably the hottest race in the county was for the Republican nomination for the state legislature. The two nominations were finally won by Elvon Hampton, Genesee, with 1,527 votes; and W. L. Mills, Potlatch, 1,378. W. Wayne Smith, of Moscow trailed with 1,136 tallies.

E. Dan Pederson, Genesee, 24-year-old veteran, beat four Moscow opponents for the GOP nomination for county assessor, probably the second hottest race in the county. He tallied 832 votes. Totals of his opponents were: Everett S. Anderson, 318; John K. Borg, 500; Delwin W. Hobza, 435; John Rothfork, 450.

J. Morey O'Donnell, incumbent prosecuting attorney, was renominated with 1,189 votes — Robert V. Peterson had 961 and Martin V. Huff, making his first political bid, 467.

Abe McGregor Goff of Moscow, republican candidate for the four-year senate nomination, although defeated in the state, piled up 2,439 votes in the county against 520 for Henry C. Dworshak and 108 for Ferriss H. Kuhn.

Latah county voters also gave Robins the nod for the U. S. senate nomination, he receiving 1,079; Herman Welker, 966 and Sanborn 538.

First district congressman: Lewis, 1,105; Wood, 1,151. Governor: Jordan, 1,496; Atkinson 362; Price, 241; Vaughn, 200, and Harper 199.

New Arrival

An 8½-pound boy was born to Mr. and Mrs. Jasper Nutting at their home, August 10. He has been named Jay Ardell.

lowed, and it was felt that this matter could be judged by the village or school district — but was entirely practical.

Jasper Nutting then brought up the matter of a scholarship fund for the coming year, and after discussion J. G. Travis and W. L. McCree were asked to contact the Grange, co-sponsor in the past, and report back at the next meeting. The club agreed to provide \$25.00 for this fund, provided it was matched by the Grange and P-T. A.

There being no further business to come before the group, on motion it adjourned.

NEWSY ITEMETTES FROM AMERICAN RIDGE AREA

Mrs. Dora Taylor of Moscow called briefly at the Warney May home Tuesday morning, and from there Mrs. Warney May, Sr., accompanied her on to Lewiston to get Warney May, Sr., who has been in the hospital, and took him to Moscow, where he and Mrs. May will visit with Mrs. Taylor for some time. PERSONAL MENTION

Mrs. Geo. Brocke, Jr., and family. Mr. and Mrs. James Legg (nee Lois Deobald) arrived Friday from Berkeley, Calif., where Mr. Legg has been attending summer school. They will visit here with her mother, Mrs. W. B. Deobald.

Mr. and Mrs. Cecil Babcock were guests in the Axel Swanson home at Juliaetta Sunday afternoon. They report Axel as feeling quite well.

Mr. and Mrs. Fred Gladen and son LeRoy left Tuesday for Yaak, Mont., to visit Mr. and Mrs. Jesse Whitcomb. Mrs. Robert Clemenhagen and son Albert accompanied them as far as Moscow to do some shopping.

Mr. and Mrs. Walter McCall, Jr., of Coeur d'Alene visited his parents here over the week-end. They plan to move to Lewiston this week, where he will be employed at the Prairie Flour Mills.

Mrs. Mary McCall of Juliaetta visited in the home of her son, Mr. and Mrs. Walter McCall, Tuesday.

Dee Miller and Dick McCall went fishing on Breakfast creek Saturday night and Sunday. They reported excellent luck!

Mrs. Albert Trenkle and children left last week to join her husband at Kamiah, where he is employed in the Maynard sawmill.

Mr. and Mrs. Marvin Long left Wednesday morning for the Kelly Forks and Cedars area on a fishing trip. They will return Friday evening.

Miss Geraldine Onstott and Mrs. A. Onstott left Sunday for Spokane to visit this week in the home of Mr. and Mrs. Clarence Hansen. Mrs. Hansen will be remembered as Marjory Onstott. Geraldine has been employed at the Table Supply the past few months.

Mrs. Oral Craig left for Clarkston Tuesday to be with Mrs. Jack Abbott, while her husband is being cared for at the Veterans' hospital in Boise. He was seriously injured in a fall a few weeks ago.

Mrs. John Darby and daughter Jo left last Friday for Seattle, where they will spend a week's vacation visiting relatives.

Mr. and Mrs. Leon Lind and family of Moscow spent Sunday in the home of his parents, Mr. and Mrs. Paul Lind.

Mrs. Leonard Benfel of Seattle visited with Mrs. Paul Lind, Saturday.

Mr. and Mrs. Bud Fey and family visited with Mr. and Mrs. Roy Fey at Deary, Tuesday evening.

Mrs. Burton Souders and Mrs. Irvin Swenson returned home Tuesday evening from Marysville, Wn., where they have been visiting their father, Claude Craig, who recently underwent an appendectomy; and their sister, Mrs. Bonnie Easterbrook and sons.

Grange Tuesday Evening
At the regular Grange meeting on Tuesday evening, just 16 were present.

Forthcoming events were announced as follows:

Home Economics Contests — For the individual Granger. 1. A tea apron. Must be made of fabric, not crocheted, but may be trimmed with crocheting or any way desired. Cost of material not to exceed \$2.00. To be scored as follows: Workmanship, 40 points, originality 30, attractiveness 15, quality of material 15. Each subordinate Grange will do its own judging; send the winner to Famaona, where a winner is again picked, and that winner to the state. Suitable prizes will be awarded.

In the National Sewing Contest the project is cotton house coats and cotton formals.

Final entry date on either of the above contests is Sept. 5. Anyone interested is asked to contact Mrs. Wm. Johnson for further information.

Boy Scout Swim Meet Success

The Area Living War Memorial Swim Pool at Kendrick was the scene of great activity Saturday morning, with approximately 75 Boy Scouts from four districts competing in a swimming meet.

Local Lifeguard Carl Kenny, assisted by Eurt Souders, Jr., took charge of the 19 events that made up the meet. Of these 19 events Kendrick Scouts took part in five, coming out victorious in three. Jimmy Armitage placed first in the 50-meter free style — with David Crocker placing first in two events, 100-meter free style and diving. These Scouts are now entitled to enter the Swim meet at Pullman on Aug. 20 to compete for the privilege of going to Spokane the following week.

People of the community who missed the meet, missed something wonderful indeed. Our local boys are very good swimmers and indeed deserve the congratulations of all for their fine showing.

Scoutmaster Judd Lee received many compliments on their fine performance from members of other communities.

The summer has been one of many activities for the local troop, beginning with the Scout Circus, a week-end at Lake Chatcolet, then summer camp, and the swim meet. Kendrick Scouts have won firsts and been outstanding in all. This community has every reason to be very proud of them.

The local troop is winding up its summer activities with a week-end fishing trip to Kelly Forks — this week-end.

Really Low-Down Trick

Wednesday morning Oscar Slind went out to the fields to resume his harvest work and when he saw his combine — just couldn't believe his eyes — for someone, during the night, had stolen the drapers!

Mr. and Mrs. Ross Armitage and son Jerry spent Sunday fishing in Bear creek, at the falls. They reported their luck as "fair."

William Leslie Skinner Passes
Funeral services for William Leslie Skinner, 28, World War II veteran, who died at the Veteran's hospital at Portland, Saturday, were conducted at Merchant's Chapel in Clarkston Wednesday at 2:00 p. m. Skinner, whose home was at Kendrick prior to entering the Veteran's hospital, had been in ill health for some time.

He was graduated from the University of Idaho last year.

Born at Ansley, Neb., Jan. 30, 1922, he moved with his family to Wilder, Idaho, in 1929. Later they moved to Winchester and Kendrick.

Survivors include his parents, Mr. and Mrs. Leslie Skinner, Kendrick, and four sisters, Mrs. Cleo Millage, Orofino; Mrs. Mildred Jungert, Portland; Mrs. Mary Ellen Coffey, Couquille, Ore.; and Mona Skinner of Pullman, Wash.

Burial was in Vineland cemetery, Clarkston. — Lewiston Tribune.

Cub Scout Meeting
Kendrick's Cub Scouts will hold their Pack meeting in the city park Wednesday, August 23, at 6:30 p. m. A pot-luck supper for the Cubs and parents is scheduled. Each Cub is asked to bring both his parents' as badges and achievement awards are to be given.

Mrs. Lawrence Libey and children are visiting with Mr. and Mrs. Harold Roberts.

Mrs. Walter Bencoter entertained some little folks Monday in honor of her daughter Judy's sixth birthday anniversary. Guests were Charles and Rayner Havens, Loeta and Myron Roberts, Darlene, Merrill and Warren Libey.

One day last week Mr. and Mrs. Virgil Fleschman and Mrs. Martha Woody of Clarkston, and Miss Lou Baldwin of New Jersey were visitors at the Harley Eichner home. Miss Baldwin wished to see the Eichner ranch as her brother, Raymond Baldwin, used to farm it. The ranch was then owned by Mr. Briheart, Orville Roberts assisted his uncle, Cecil Roberts, with work for a few days this week.

Mr. and Mrs. Henry Brammer and Mr. and Mrs. Carl Koopp went huckleberrying on Three Bear, Tuesday.

Mrs. L. Fockler of Pullman is assisting her daughter, Mrs. Wayne Davis, this week.

B.F. Goodrich gives you More Traction More Power with

Here's the tire that outperformed and outwore other makes in hundreds of tests in different parts of the country. The open center design and the special curve of the cleats give you maximum traction. Cleats are "hard nosed" for a better bite, higher in the center than those of the two other leading makes. That means more pull! Tread is self-cleaning. More rubber in the tread means more wear. As much as an extra year of wear.

Freshman Days At University
 U. of I., Moscow — Freshman Days at the University of Idaho — three days of conferences and tests for new freshman students, will be held September 11 to 13, D. D. DuSault, registrar, announces.
 During the first day, student assemblies will be held to acquaint new students with the traditions and policies of the university. Guidance tests will be given for all new and freshman students.
 Individual conferences with deans, directors, advisors and heads of departments in which the student is planning to enroll will be held on the second day. Conference and guidance tests will be continued on the third day.
 Rush for women students interested in joining one of the eight sororities on the campus will begin at noon September 10. During the afternoon women will be shown through the sorority houses and be entertained at a tea.
 "All women interested in going through rush should contact the office of the dean of women at the university for registration cards and rush handbooks as soon as possible," Louise Carter, dean of women, said. Men interested in rush are asked to contact the office of the dean of men.

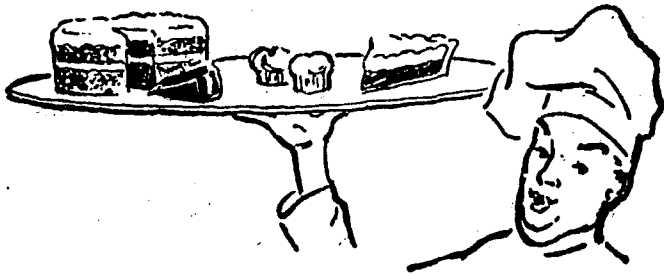

and will remain open until October 31. Lawyers creek and its tributaries in Idaho and Lewis counties closed to fishing July 31.

New Jelly Making Method
 Making jelly by a method recently developed is almost as easy as dropping a handkerchief. Paper handkerchiefs play an important part.

Home demonstration agents of the University of Idaho extension service, who have tried the idea, reported this week it was proving satisfactory and efficient.

Cellulose pulp does the trick. Sheets of pure cellulose — ordinary white, unscented cleansing tissues — are soaked in lukewarm water to start the operation. Ten sheets will make a cup of pulp. That is sufficient for two quarts of fruit. It takes two quarts of water to soak the tissue properly, the home economists said. After the tissue has been soaked a moment it is beaten to bits by stirring with a spoon.

The mixture is poured into a strainer. Excess water is shaken out, but not squeezed dry. The pulp is cooked with the fruit from which the jelly is to be made. Then the mixture is put in the jelly bag and the juice is pressed out by the usual means — twisting, assisted by a potato masher or milk bottle.

An advantage of using cleansing tissue, the demonstration agents said, is that it releases larger quantities of juice. That means more jelly.

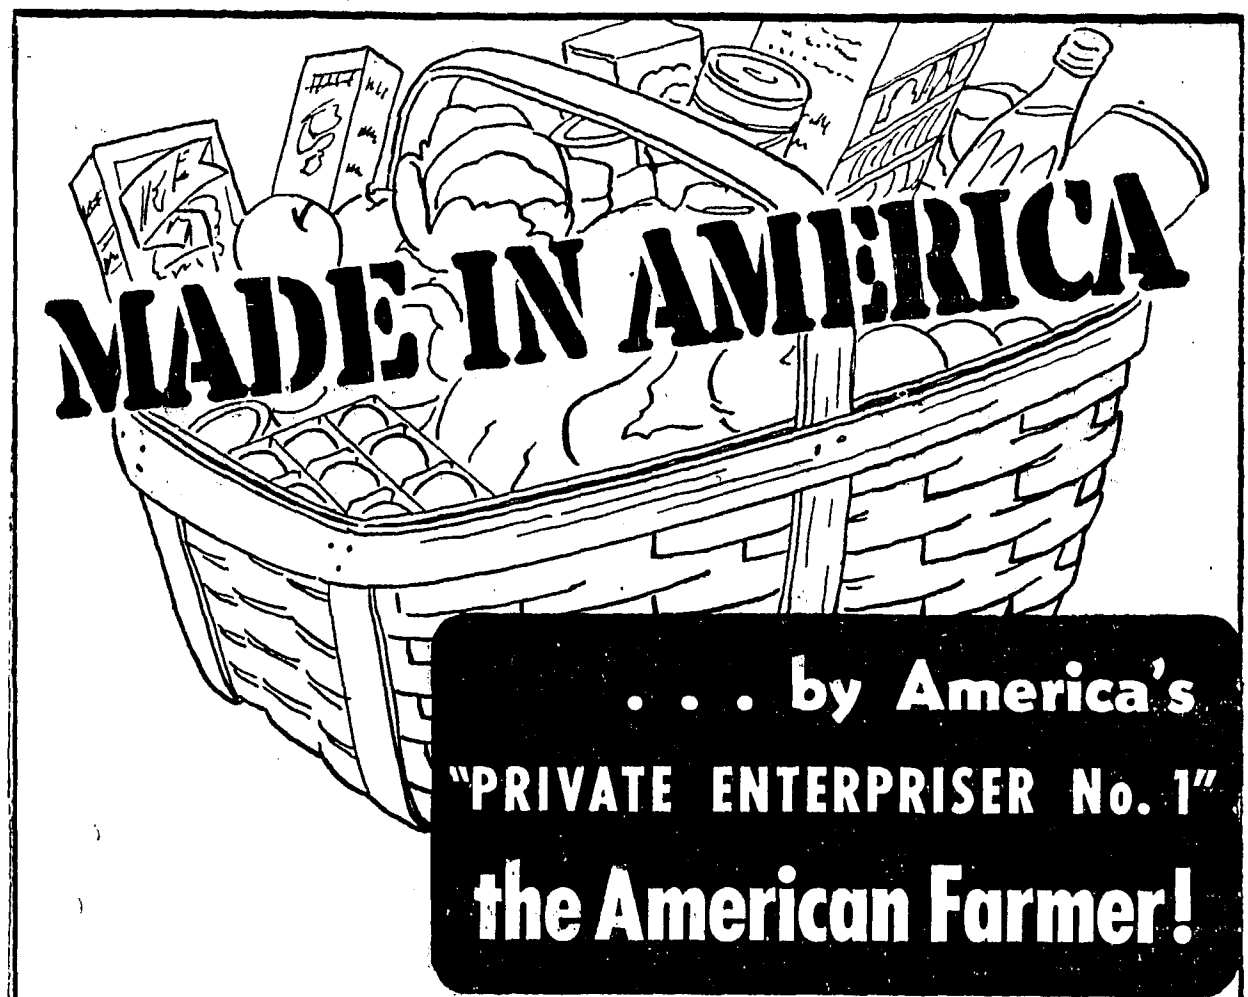

Many Game Law Violations
 One hundred twenty-three persons were arrested for fish and game violations during the month of July, says a state report.

Kootenai county headed the list with 10 cases, Blaine and Fremont counties followed with nine each, and Gem and Valley with eight each.

Largest fines assessed were for dipping trout in Caribou county, where \$100 fines resulted. Dipping fish cost one violator \$100 in Madison county, and the same amount was charged another for killing deer during closed season in the Salmon region.

Fishing in closed waters led violations with 41 cases. Eighteen were cited into court for fishing without a license.

Anglers are reminded that Elk river and tributaries closed to all fishing on July 31. Fish lake in Clearwater county opened August 1

There may be oil under your backyard... but you might as well face the fact that it will take a bit of doing to find out.

The picture above shows all the men and materials needed to drill one 10,000-foot exploratory well here in the United States. Total cost will be anywhere from \$125,000 to \$1,000,000 depending on conditions encountered.

Will oil be found? Even with the best scientific help only about one out of every five exploratory wells drilled "come in."

The search for oil is a risky, expensive business, but it goes on every day in many parts of the world. In 1949 alone, we drilled 28 exploratory wells at a cost of \$6,385,000... six striking oil.

Sit-Down Dentist's Career Is Longer, Professor Says

Several years of service will be added to the life of the average dentist if he sits down part of the time while he works.

This is the belief of Edgar W. Swanson, D.D.S., M.S.D., professor of operative dentistry at Northwestern university dental school, who recommends that dentists use operative stools at least 50 per cent of the time.

Dr. Swanson said students in the operative technique laboratory at the Northwestern dental school use operative stools about 80 per cent of the time. Students in the clinics use the stools from 10 to 90 per cent per operation.

Northwestern, convinced that operative stools will be used more widely by dentists to eliminate fatigue and extend their years of service, trains students in the use of the stools.

To obtain more accurate information on the reaction of students to the stools, the school recently sent a questionnaire to every member of its senior class.

The first question was: "Do you feel as tired at the end of the day when you have used an operating stool as you do when you have operated from the conventional standing position?" All but three answered "no." Two of those answering "yes" said it may have been due to their limited experience with the use of a stool.

The second question was: "Do you like the idea of sitting while operating?" All answered "yes."

To the question, "Would you do more operating from a sitting position if more stools were available?" All senior students answered "yes."

Dr. Swanson points out that the operative stool enables a dentist to change his position during the day, which is extremely important in preventing fatigue.

Sugar-Graving Animals Lured by Poison Plants

There may be danger ahead when livestock pass up lush pastures in favor of weeds and tough plants.

The attraction may be a poisonous spray or other chemical that gives ordinary unpalatable weeds and plants a special taste-appeal.

A bulletin issued by the American Veterinary medical association explains it this way: Certain chemicals used in farming, such as sodium chlorate, turn plant starches to sugar, and animals with a "sweet tooth" readily eat the sprayed plants.

Not all the chemicals used for spraying crops and treating soil are poisonous to animals, the AVMA emphasizes, but many of them are. The severity of poisoning varies directly with the kind of chemical and the amount of treated plants the animals consume.

Experiments are still being made to test the safety of various new chemicals on the market, and until all the facts are known, livestock farmers are advised to use only those proved to be safe and to follow manufacturers' instructions.

Resistant Plants

Plant diseases are no respecters of experimental plots. As a result scientists have sometimes acquired valuable information in the nick of time. So it was in the case of Victoria blight of oats, which invaded breeding plots and demonstrated to plant breeders of the U. S. department of agriculture and some of the middle west state experiment stations a type of disease resistance soon to be needed on a large scale. Clinton—and some of the other new varieties of oats derived from the Bond variety—in that way became known as resistant to a disease soon to be rampant in the Mississippi valley. This disease attacked the widely-grown oat varieties derived from the Victoria oat brought in from South America.

Vanishing Wildlife

Gone from the British Isles since World War II is the great bustard, Europe's largest land bird. Going or gone from haunts in Florida and vicinity is the ivory-billed woodpecker, largest of its clan. Deserting the Bahamas in alarming fashion is the tall, scarlet, leucis flamingo, whose one United States haven is at Hialeah park, Miami, Florida. Whales, vital food source for many Europeans, long have been reduced to scarcity in northern hemisphere waters. Blue whales, biggest of all, currently show signs of sharp depletion in Antarctic whaling grounds. A new international treaty shortens the hunting season as a whale conservation measure.

First Tank Car

On November 1, 1865, about six years after the world's first oil well was opened at Titusville, Pennsylvania, the first tank car was loaded in that city. It was a flat car fitted with two wooden tanks shaped like inverted tubs. Many of these "rotary" oil cars, as they were called, were used for transporting oil from the Pennsylvania wells, until replaced by the present type of horizontal cylindrical tank, fitted with a dome which allows the oil to expand without injury to the tank. The first of this type was introduced in 1868.

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

NOTICE:

TO OUR CREAM PATRONS —

Due to difficulty in trying to please our cream customers — some of whom prefer being paid once a month, some twice a month, and some following delivery of each can — we have decided, that — beginning August 1st — your cream check will be out the day following delivery.

We are trying our utmost to please our cream shippers, and if you have a complaint, please don't hesitate to tell us. We, the employees of this creamery, want you — the producer — to make this the best place to market your cream and eggs.

Your help and patronage will enable us to make this creamery an asset to your town and community.

News is very scarce here. Everyone is busy with harvest work.

4-H Club Meeting
The Big Bear Ridge 4-H Club, lead by Gerald Ingle, met at the Henry Kortemeier home on August 14, with seven members and six visitors present. One new member, Richard Weber, age 10, was added to the roll. His project will be on "Swine."

William Mason, county 4-H Club agent, and Miss Baker, county Home Demonstration agent, met with with us.

All members gave a report on the projects they are preparing for the County Fair. We will exhibit on: Five hog projects; three weed projects; five tractor maintenance projects; three second-year electrician and two first-year electrician projects; three poultry projects; two sewing projects; one room improvement project and one forestry project.

Mr. Mason reported on county, state and national contests open to 4-H Club members this year.

The club voted to enter the County Jingle Contest advertising the Latah County Fair on Sept. 21, 22 and 23, and also to change our name from "Big Bear Ridge Farm Boys Club" to "Big Bear Ridge 4-H Club." The boys had a lesson on "Spark Plugs and Tractor Wiring" in Tractor Maintenance, and the girls' group talked about sewing and health projects and exhibited the things they are going to enter at the Fair.

After the meeting refreshments were served and games played. The next meeting will be at the Harry Harris home, Aug. 28.

FRIENDSHIP

Life is sweet, just because of the friends you have made.

And the things together which we share

We want to live on, not because of ourselves

But because of the people who care
It's giving and doing for somebody else

On this our life pleasure depends
The joy of it all, when it's all summed up

Is found in the making of friends.
