### How To Keep Your Oil

Heater Clean. A dollarwise neighbor of ours services his own pot-type oil heater regularly - and easily.

He cleans the strainer as shown in the diagram - the Metering Valve stem, too. Washes them in kerosene.

Then he scrapes the burner pot to remove all hard carbon. Flange at top of the pot is inspected for air leaks which are sealed with furnace cement.

Of course, using Standard Stove Oil, 100% distilled and clean-delivered, you need only service your heater once a year. If you have a pressure-type

burner, try New Standard Furnace Oil with Thermisol. It stops filter clogging.

Enjoy dependable oil heat comfort with either of these fine Standard Heating Oils. Just

TO FAMILIES WE HAVE NEVER SERVED

Those who have never had occasion to engage the services of a funeral director must rely upon what others say, when the inevitable need arises. For almost fifty years Vassar & Rawls have been noted for professional skill, fair dealing, liberal pollicies.

This reputation is your safe guide in calling a funeral home.

VASSAR-RAWLS FUNERAL HOME Telephone 388 Lewiston, Idaho

# **Potlatch**

Published by the Kendrick Creamery

AS WE SEE IT:

In 1942 this Creamery was organized as a cooperative unit — and steadily grew in volume, as well as turning out dairy products of which any firm might well be proud — under the brand name "Potlatch Chief." This was made possible by the loyalty of producers and patrons alike, co-operating in every sense of the word.

In 1950 it was decided to disband the organization and sell the business — and we, the purchasers, pledge ourselves to do all in our power to continue the policy of the company in products, as well as paying top prices for dairy items.

We are rapidly modernizing the plant to meet today's demands — and with your patronage we hope to serve the Juliaetta and Kendrick trade area for the coming years.
