INTERESTING HAPPENINGS FROM THE JULIAETTA AREA

(Delayed)

Mr. and Mrs. W. E. Hecht visited at Deary Friday and Saturday with Mr. and Mrs. Norman Nelson.

The W. F. M. S. of the Nazarene church held its monthly meeting at the home of Mrs. Beth Wing, Thursday.

Mrs. Rex Knight drove to Moscow Thursday, to take Mrs. Anna Weer to see a physician there.

Mr. and Mrs. Clinton Clark were Spokane business visitors on Friday. Mrs. Roy Whittum went to Lewiston Thursday, where she underwent minor surgery, returning home the same day.

Mr. and Mrs. Charles Schultz, Mr. and Mrs. W. E. Hecht and Mrs. Marcie Nye spent Saturday night in Clarkston at the home of Mr. and Mrs. John Schultz.

Mr. and Mrs. Wayne Steel of Lewiston visited at the home of Herb Millard, Sunday.

Mr. and Mrs. Estil Richardson and family, all of Walla Walla, were over-night guests Friday at the Wallace Clark home.

Sonja Hoiath of Leland was a week-end guest of Jeanette Bailey.

Mr. and Mrs. Claude Clark, Meteline Falls, Wash., spent the weekend at the Bruce Sherman home.

Mrs. Clark is staying on for a few days visit with her mother, Mrs. Walter Cochran.

Mr. and Mrs. Jack Carey and daughter of Lewiston visited at the home of her parents, Mr. and Mrs. E. Onstott, Friday.

Mr. and Mrs. S. J. Bryant of Ashshaka and Mr. and Mrs. "Babe" Babbit, Peck, were Sunday visitors at the Frank Balantine home.

Other visitors that afternoon were Mr. and Mrs. Charles Noble of Avon.

Wallace Ogden of Potlatch, spent the week-end at the Erwin Baker home.

Rev. Harold Darling of Potlatch visited friends here, Thursday.

Mr. and Mrs. Guy Knight and Mr. and Mrs. Maurice Knight and daughter of Kamiah were dinner guests Monday at the Lloyd Knight home.

Mr. and Mrs. Fred Hadley and family and Shirley Baker were Lewiston shoppers, Saturday.

Mr. and Mrs. Ted Taylor and children of Pullman visited Mrs. Laura Groseclose, Sunday.

Sgt. Leon Goans from Lowery A. F. B., Colorado, is here on furlough visiting his mother, Mrs. E. O. McAllister. Sgt. Goans is with the M. A. T. S. at Lowery Field.

A dinner honoring Sgt. Leon Goans was given Sunday at the E. O. McAllister home. Other guests were Mr. and Mrs. Dale Goans and family, Albion, Wash.; Mr. and Mrs. Charles Starkey, Ashshaka; Mr. and Mrs. Asa Calvert, Mr. and Mrs. Milo Calver, Lonnies Williams and David Beadles, the latter two of Moscow.

Mr. and Mrs. F. A. Wagner visited with Mrs. Susan Spray Sunday evening.

Mr. and Mrs. Oliver Clark, Lewiston, visited in Juliaetta and Kendrick, Tuesday.

The Methodist church gave its regular "pot-luck" supper Monday evening with a group of about 40 present.

Rev. and Mrs. George F. Calvert of Lenore were Sunday afternoon callers at the E. O. McAllister home.

George Wayland has been quite ill at his home here for several weeks, but is now showing improvement.

Out of town callers at the Lura Nelson home Sunday included the Ed. Groseclose family and Ernest Wing, Arrow; Mrs. John Lehfeldt and Jessie Wilson, Lewiston; La Vern Gibbs and David Steigers of Myrtle.

Mr. and Mrs. Axel Swanson left for Spokane on Tuesday, where he will enter a hospital and begin receiving treatment for arthritis. He has suffered with that disease for many years.

(This Week)

Mrs. Etta Vanhorn and Harvey Williamson, who have been living in Seattle for the past several months, have returned to their home here.

Mr. and Mrs. Roy Whittum spent the week-end in Coeur d'Alene, making repairs on their house there.

Peggy Hadley and Armetha Sams spent several days last week visiting in Lewiston at the home of Mr. and Mrs. Neil Candler.

Mr. and Mrs. Wayne Thornton and family of Leland visited at the home of her parents, Mr. and Mrs. Lloyd Candler, Sunday.

Mr. and Mrs. Harry Newman and daughter of Southwick visited Sunday with her parents, Mr. and Mrs. Fred Hadley.

Mr. and Mrs. Ted Peters visited friends in Lewiston Saturday evening.

Mr. and Mrs. F. A. Wagner, Mrs. Mary McCall and Mrs. Addie Webster, were Sunday dinner guests of Mrs. Susan Spray.

A Valentine party was held Saturday night at the Methodist church basement, with 22 young folks in attendance. In addition to being a Valentine party it also honored the birthday anniversaries of Donna Mabbott, Bud Nve, Daisy Groseclose and Freddie Hadley.

Dinner guests at the Asa Calvert home Sunday were David Beadles and Dale Everson, Moscow; Mr. and Mrs. E. O. McAllister and Mr. and Mrs. Milo Calvert.

The W. S. C. S. will hold a cooked food and apron sale Saturday at the Corner Confectionery building.

Mr. and Mrs. Estil Richardson and family, Walla Walla, were week-end guests at the Wallace Clark

Load Limit Signs Go Up

Tuesday morning Hiram Galloway of the Kendrick Highway District began the posting of "Load Limit" signs along the district roads, informing truckers and pickup drivers of a load limit of "150 pounds per inch gross weight." In other words, until the roadbeds dry out a bit or a good freeze comes, trucking will be an impossibility.

Hiram states that considerable damage was done before the signs were posted. However, now that they are up, they will be enforced.

In other areas limits are from 200 to 400 pounds per inch tire gross weight, which precludes much hauling.

HERMAN L. LOESER MEETS DEATH; LOGGING ACCIDENT

Orofino, Feb. 12 — Herman Louis Carl Loeser, 27, of Southwick, was the victim of a freak tree-felling accident at Potlatch Forests, Inc., Camp Y near here this afternoon, according to W. E. Gilbert, Clearwater county coroner.

Loeser was killed instantly at 2:30 p. m. Gilbert said, when one tree in the process of being cut, was blown over by the wind. It fell, causing a smaller cedar tree to strike Loeser.

Loeser had been driving a tractor "grading out" logs where the tree was being cut by Albert Altmeier, Oral Lathrup and Olav Vinsand, according to Gilbert. Witnesses told Gilbert that Loeser had driven about 200 feet away from the tree where they were working and was standing beside the tractor when the accident occurred.

He suffered a fractured skull, chest injuries and leg fractures. He had been working at Camp Y about two months, according to Gilbert, and had worked previously at Camp X since he left the service in 1946.

Survivors include his wife Dorothy; a son, Dennis, 3, and daughter, Julie Ann, 8 months old; and his parents, Mr. and Mrs. Henry Loeser, all of Southwick. Other survivors are three sisters, Mrs. Claude Bogar of Avery, Mrs. Bertha Moore of Clarkston and Mrs. Garlan Haufler of Bellingham, and two brothers, Ernest and Frank Loeser, both of Southwick.

The body is at the Gilbert funeral home here with arrangements pending.

Mr. Loeser was born Oct. 9, 1923, at Dekalb, Ill., and came to Southwick with his parents in 1924. He had lived his entire life in the Southwick area except for the time he served as a corporal with 608th field artillery battalion from Jan. 18, 1943, to Feb. 16, 1946.

Early Juliaetta Resident Passes

Mrs. Elsie Michel, born Feb. 23rd, 1880, passed away quietly in her sleep at 3:05 a. m., February 10th, 1951, at the age of 70 years, 11 months and 18 days. Born Elsie Rounea Needham in Easton, Wis., she spent her childhood there, and on April 2, 1902, was united in marriage to John A. Stevens. The young couple moved west to Juliaetta, Idaho, and soon homesteaded on the lower end of Potlatch ridge.

To this union were born four children, three sons, who survive her, and a daughter, Crystal Belle, who passed away at the age of 8 months.

In 1923 the family moved to Los Angeles, Calif., where this union was terminated in 1927.

In 1929 she was married to Paul Michel of Los Angeles. Mr. Michel preceded his wife in death by 18 years.

Since 1930, Mrs. Michel has made her home with her son, Marion Stevens and family on the old homestead near Juliaetta, where she was stricken with a heart attack on Feb. 2, and taken to St. Joseph's hospital in Lewiston, where she passed away after an eight-day illness.

Survivors are three sons, Glen S. Stevens, Juliaetta; Lloyd J. Stevens, of Los Angeles, Calif., and Marion M. Stevens of Juliaetta; seven grandchildren; three brothers and a sister, John Needham of Adams, Wisc., Byron Needham of Spokane, Wasc., Orren Needham of Juliaetta, Ida., and Mrs. Lillian Morley of Clarkston, Wash.

A host of friends will remember her as a friend at all times, but particularly when there was illness in the neighborhood.

Funeral services for Mrs. Michel were held at the Brower-Wann Funeral Home in Lewiston, Tuesday afternoon at 2:00 p. m., the Rev. Geo. F. Calvert of Lenore, officiating. Pallbearers were Clotis Holsington, Leslie Heimgartner, Albert Heimgartner, Ernest Steigers, Alvin Steigers and Newt Heath. Burial was in Normal Hill cemetery.

Now Receiving Medicine

Mrs. Axel Swanson informs the Gazette that her husband is now receiving the new arthritis treatment at the hands of Dr. D. A. Christensen, receiving his first "shot" Tuesday morning.

Mrs. Swanson extends their deepest thanks to all who contributed to the fund that is providing this new treatment for Axel, and states that she will keep them informed through the Gazette regarding his progress—as calling everyone would be an impossibility.

On Honor Roll

Lewiston (Special) — The registrar's office of Northern Idaho College of Education has announced that June Brown Snyder of Kendrick has been placed on the honor roll for the fall quarter of 1950. Mrs. Snyder, a daughter of Emulus Brown, attained a "B" average or better in 12 hours of regular college courses.

P-T. A. HEARS TALK BY BERYL CLEM, LEWISTON

The Joint District P-T. A. met at Kendrick Monday evening, with Mrs. Gerald Ingle, president, presiding.

The program opened with group singing of the "Battle Hymn of the Republic," lead by Burke Sower, and accompanied at the piano by Mrs. Claude Jones.

Minutes were then read and approved and the treasurer's report read, which showed a balance of \$192.49 on hand.

The meeting was then turned over to the program committee, with Ben P. Cook in charge. Appropriate songs were then given by Burke Sower, accompanied by Mrs. Claude Jones; "Serenade" by Moszkowski, and "Spring Song" by Mendelssohn — both of which were beautiful.

Mr. Cook then spoke briefly on "Founders Day," following which he introduced Beryl Clem, Lewiston, secretary of the Board of Education, Lewiston, who spoke on "Educational Legislation."

Mrs. Clem stated that the picture in Idaho looks dark for the schools, and that funds available may be as high as \$2,900,000 short of the present educational budget, adding that no set funds for schools are provided, but an appropriation is made by each legislature, and the cigarette tax alone provides \$3,000,000, which should be available.

Mrs. Clem went on to say that many teachers and graduating N. I. C. E. trainees were already planning to leave the state to seek better jobs elsewhere.

Adding more information she pointed out that only five counties in Idaho levy less than 8 mills, and they receive no state aid. Latah county has a levy of 8.03 mills.

The speaker then pointed out that the P-T. A. has a great lobbying influence, and that that should be exercised to the limit now. If the minimum were adopted the Kendrick Joint District would receive about \$600 less than at present, which might mean the school term would have to be reduced, as well as other cuts made.

As a final "thrill" Mrs. Clem added that Lewiston was of the opinion it wasn't "the pulp mill that smells" — it's the governor.

Following Mrs. Clem's talk Jasper Nutting, Gerald Ingle and Ben P. Cook spoke briefly on "Legislation," after which the business session was resumed.

Mrs. Manning Onstott reported 131 members on the District P-T. A. rolls.

The program committee announced the progress on practice for a musical to be given next Monday evening. Projects for March are a play by the ladies at a basketball game by the men. There is a possibility a program will also be given at Juliaetta.

Ross Armitage then told of the Cub Scout work, and Ben P. Cook reported on the progress of the local Boy Scouts, stating that there were now eight First-Class Scouts and one Second-Class.

Asa Calvert announced the Juliaetta Scout Court of honor, Tuesday evening.

Gerald Becker reported on the Study Group, with 10 being present at the last meeting, the subject of which was "Youth in Our Community."

Mrs. Elmo Eldridge, Kindergarten committee chairman, stated that a survey shows 18 pupils to enter school next year, and that their parents are interested in such a program, with plans to be made accordingly.

Mrs. Gerald Ingle reported that a pre-school Health Clinic would be held some time in early April.

Mrs. Nora Callison mentioned the fine room programs at the Juliaetta grade school and urged more parents to attend.

Mrs. Ingle then called for volunteers to can apple sauce at Juliaetta and Kendrick, and 17 ladies responded.

Mr. Cook then announced the date for donations to the "Blood Bank" for Feb. 22nd, at the gymnasium.

Mr. Calvert announced a room program Friday at 2:30 in Mrs. Taylor's room at the Juliaetta school.

Mrs. Bertha Eldridge was then awarded the "White Elephant," and the proceeds, \$6.20, were donated to the "Founders Day Fund."

Lunch was served by the ladies from Big Bear ridge, with Mrs. Oscar Slind at hostess-chairman.

The next meeting will be held at Southwick on March 19th.

Dinner Party

Mr. and Mrs. Oscar Slind were host and hostess at a 6:30 dinner party in their home last Thursday evening.

Following dinner pinocle was played at four tables, with high scores going to Mrs. Estella Leith and Herman Schupfer, while lows were taken by Mrs. R. L. Blewett and W. L. McCreary, the latter also "capturing" the "galloping goose."

Guests were Mr. and Mrs. H. C. Schupfer, Mr. and Mrs. W. A. Watts, Mr. and Mrs. R. L. Blewett, Mr. and Mrs. Gerald Becker, Mr. and Mrs. Claude Jones, Mr. and Mrs. Ben P. Cook, Mr. and Mrs. W. L. McCreary and Mrs. Estella Leith.

Afternoon Bridge Club

Mrs. R. H. Ramey entertained the Afternoon Bridge club at her home last Thursday.

High score was won by Mrs. Estella Leith and low by Mrs. John Johanson.

Delicious refreshments were served at the close of play.

Invited guests were Mrs. Marvin Long and Mrs. John Johanson.

SHORT NEWS ITEMS FROM OUR LOCAL SCHOOLHOUSE

Tigerettes Beat Lapwai Girls

Last Wednesday afternoon in the local gymnasium, the Kendrick high school Tigerettes edged the Lapwai lassies 22-21 in a very fast and closely contested basketball game. The score at the half-time saw the local girls in the lead 15-9. The Lapwai girls rallied in the third period and managed to tie the score at 19-19 at the stanza's end. The final quarter proved to be the most exciting as neither team held more than a 3-point lead. When the game ended and the "smoke of battle" had cleared away, the Tigerettes were in the lead 22-21. Dorothy Glenn was the "spark" for the Tigerettes, scoring 15 points. B. Green scored 16 points to lead Lapwai.

The Kendrick grade school lost to the Lapwai graders 18-24 in the preliminary game of the afternoon. Lapwai was in the lead at the end of the first half 16-10. Lapwai held only a 3-point lead at the end of the third period, but the local graders failed to rally and pass the Lapwai troop in the final frame. Kenny Brocke led Kendrick with 9 points, and Wilson netted 12 for the visitors.

Kendrick Loses Two

Last Wednesday evening at Lapwai, the Kendrick High School Tigerettes lost to the Lapwai Wildcatters 45-26. Lapwai led throughout the game and the score was 11-21 ending the first half. Lapwai was as "hot" as Kendrick was "cold." The majority of their shots were made from outside of the "keyhole," proving very accurate shooting. Lapwai held an 8-13 lead ending the first period, and then a 10-point lead at the half-way mark. Kendrick's only threat came in the third quarter when the Tigers "poured in the steam" to end that stanza 22-28. In that quarter the Tigers scored 11 points to 7 by the Wildcatters. Kendrick, unable to hold the unexpected "sharpshooters" of the Wildcatters, could not continue their third period rally, and Lapwai drove to a 26-45 victory.

Cal Wilcox was the top scorer of the tussle with 12 points. Kendrick's Max Clemenhagen was the spark for the Tigers, scoring 10 points. Stan Smith, Parker McCreary and Orville Halseth tied with 4 points each.

The greatest "heart breaker" of the basketball season came in the preliminary tilt against Lapwai when the previously undefeated Kendrick "B" squad lost to the Lapwai Bees 37-24. The Kendrick boys were compelled to play the game without the services of Ira Havens and Charlie Taylor, both on the sick list.

Lapwai led throughout the game and held the local boys to only 2 points in the first period. The score ending the first half was 9-16, and the score ending the third period was 15-30. Ronald Craig and Ernie Heimgartner tied with 7 points each to lead all scoring for Kendrick, and Ramsey netted 8 points for the visitors. This game was the first defeat in 13 starts for the Kendrick B squad.

Tigers Split With Bulldogs

In a very fast and clean basketball game last Friday evening at Genesee, the Kendrick Tigers gave way to the Genesee Bulldogs, losing the game 40-55. The "siky scrapping" Genesee squad led throughout the entire game, being on top 36-22 at the half-time. From that time on, the Tigers didn't threaten to Bulldogs once, and Genesee went on to victory 40-55. Genesee's height and accurate shooting was the deciding factor between the two rivals.

Genesee's Jim Sather netted 17 points — making three free throws from three times on the line. Stan Smith paced the local team with 9 points. Following Smith were Albert and Max Clemenhagen with 8 points each, Parker McCreary 6, Orville Halseth 4, Charles Christensen 3, Rex Knight 2, D. Crocker, L. Arnett, K. Thornton and Burt Souders.

The Kendrick "B" squad returned to the victory column by defeating the Genesee Bees 31-25. This made the 14th victory in 15 starts for the young Tigers. Kendrick was on top at the first intermission (half-time) 16-8. The young Genesee team drew first blood but lost their lead to the Tigers early in the second quarter. From that time on, the local boys were determined to keep their lead and continued the drive to victory.

Science Room News

Gerald Becker, Science instructor, reports that his classes witnessed movies last Tuesday on the development of aluminum and veterinarian work. One movie, called "Valient Years," is about the preparation, training and experience of the "vet" as he is today. It is a story of two generations of work done by veterinarians and what has been accomplished toward the improvement of animal health in the United States. The other picture, called "Curiosity Shop," uses a Hollywood cast to tell the story of how inquiry led to the research and discovery of aluminum.

Mr. Becker also reports that several explosions have been occurring in the Science room lately as the students have been experimenting with gun powder. Some of the explosions are terrific, and the windows have to be opened to permit the smoke to leave so that the experiment can be completed.

School Play Selected

A school play has been selected for presentation March 28th, entitled "Just Eighteen." Casting will

Pink And Blue Shower

Mrs. Charles Deobald was complimented with a pink and blue shower Wednesday afternoon of last week at the home of Mrs. Ben Westendahl. Hostesses were Mrs. Westendahl, Mrs. Charles Candler and Mrs. Hiram Galloway.

Mrs. Robert Magnuson, Mrs. Wm. Johnson and Mrs. Frank Abrams won prizes at games.

The honoree was assisted in the opening of her gifts by her mother, Mrs. Jess Oylear of Moscow, and her mother-in-law, Mrs. E. A. Deobald. She received a variety of lovely and useful gifts.

Following the opening and display of the gifts, thirty-eight guests and several children enjoyed delicious refreshments, served by the hostesses.

MRS. AMELIA RILEY, KENDRICK PIONEER, PASSES ON

Mrs. Amelia Riley, 74, who had lived at Kendrick for nearly 60 years, died at 8:25 Sunday night, Feb. 11, at St. Joseph's hospital, Lewiston, from the effects of old age.

Born Amelia Darr in Germany, Oct. 27, 1876, she came to the United States in 1880, living in Wisconsin for two years before moving to Moscow in 1882. She lived at Genesee and Juliaetta before moving to Kendrick in 1901.

She became the wife of Barney Riley in April of 1892, at Kendrick. He passed away March 17, 1917. Mrs. Riley was a member of the Seventh Day Adventist church.

She is survived by eight daughters, Mary Riley and Mrs. Alice Gilbert, Kendrick; Mrs. Dorothy Tout, Deary; Mrs. Matilda Konen and Mrs. Rachel Shaw, Lewiston; Mrs. Minnie Fraser and Mrs. Nancy Henderson, Irrigon, Ore., and Mrs. Carrie Knutson, San Luis Obispo, Calif.; a son, William Riley, Kendrick; two brothers, William and Otto Darr, Deary; a sister, Mrs. Lena Gibson, Spokane; 22 grandchildren and 13 great-grandchildren.

The Rev. E. H. Wilcox, Clarkston, officiated at funeral services at the Kendrick Community church Wednesday at 2:00 p. m. Burial was in the Kendrick cemetery. Brower-Wann funeral home was in charge of arrangements.

Red Cross Blood Bank Here

Sufficient signers have been secured to assure the arrival of the Red Cross Blood Bank in Kendrick on Thursday, Feb. 22, at the High school gymnasium, between the hours of 10:00 a. m. and 7:00 p. m., according to information received Tuesday by Dr. G. W. McKeever and Mrs. Hiram Galloway.

"Appointment" cards have arrived and each signer of a "Blood Donor Card" will receive one through the mail, indicating the hour they are asked to be present — and about 30 per hour will be "processed."

More signatures would be welcomed, and "Donor Cards" are available at the Farmers Bank, at the office of Dr. G. W. McKeever, or at the Hiram Galloway home. It doesn't make a bit of difference where you live, whether in Nez Perce, Clearwater or Latah county, a part of the blood will be left at the Moscow Blood bank, and the balance sent to our fighting men overseas.

The work of drawing and processing the blood at the Kendrick gym. will be open to the general public for their inspection if they so desire.

Weather Balmly, Then Chill

Following almost a full week of balmly, spring-like weather — the thermometer took a dip Monday night, and wound up pointing at the 20 above level. The colder weather brought both smiles and frowns — as it will cause "heaving" in the grain fields, and possible damage.

On the other hand, it brought Pollatch and other streams down considerably. Although not at flood stage, they were running high, following a heavy rain last Friday.

Trucks Leave For River

The trucks and drivers in use at the Louis Porter logging camp on Cedar creek, left early Monday morning for the Penewawa and Wawawai areas of the Snake river to help "rescue" the four to five million feet of logs which went over the W. W. P. Co. dam at Lewiston last week-end, following the sudden rise of the Clearwater river and its tributaries.

The trucks had been operating here until the road beds softened.

Musical Program

The Kendrick Girl Scouts will give a musical program on Wednesday, Feb. 21, at 7:30 p. m. in the Community Church basement, observing "International Thinking Day."

There will also be a needle craft sale. All parents and friends are cordially invited to attend.

Dance Is Profitable

A fine crowd was present for the annual March of Dimes dance sponsored by the Kendrick Grange last Saturday evening, and about \$80.00, after expenses, was cleared for that worthy cause.

Seventh And Eighth Grades

The seventh and eighth grade basketball team played the Lewiston N. I. C. E. "Lab" school Tuesday, winning by a score of 22 to 19.

Attend Trustees Meeting

Gerald Ingle, A. O. Kanikkoberg, Arnie Cuddy and Jasper Nutting attended a school trustees meeting in Lewiston one day last week.

BOY SCOUTS ARE GUESTS OF COMMERCIAL CLUB

Tuesday evening, Feb. 13, the Scouts of Troop 149, Kendrick, were the guests of the Kendrick Commercial Club at a 6:30 dinner served at White's Confectionery, and accompanied them to the city hall for the business session.

Scoutmaster Henry Jones thanked the Club for the dinner on behalf of the Scouts, and then introduced Kermit Malcolm of the District Boy Scout Council, Lewiston, who in turn introduced Walter Schnable of the same headquarters.

Mr. Schnable spoke briefly on the duties of Troop Councils, etc.

Kermit Malcolm then explained that now financial liabilities for the Troop were involved in sponsorship — emphasizing that it was a community duty, not that of any one organization. And on this basis the Commercial Club again agreed to act as sponsors.

Scoutmaster Henry Jones then asked for the appointment of Dr. D. A. Christensen and Ben P. Cook to the committee, H. C. Schupfer, Club Chairman agreed, and also appointed Mr. Jones, Jud Lee and Geo. Brocke, Sr., and Dick Blewett as the Club representative.

In a brief ceremony Mr. Malcolm then presented Merit badges for Life Saving and Swimming to Jimmy Armitage; to David Crocker for Life Saving and Swimming; to George Jones for Angling, Life Saving and Swimming; to Kenney Brocke for Swimming; and to Lee Jones for Personal Health, Rowing, Swimming, Public Health and Life Saving.

All the above Merit Badges were earned the past summer at Camp Grizzly, but could not be presented until the boys had attained the rank of First Class Scout — which they did at a Court of Honor in Lewiston last week.

Mr. Malcolm then extended congratulations to Troop 149 — saying it was one of the most active and best troops in the Lewiston Council. He also congratulated Mr. Jones for his fine work and leadership.

The regular business session was then held.

Tom Long of the Highway committee reported roads in the district as very soft, and that low load limit signs were now posted. He added that the Bear Creek bridge had also been repaired the past month.

A. O. Kanikkoberg, reporting for the Finance committee announced the Boy Scout Fund Drive of last year had been quite successful — and Commercial Club finances were in "fair shape."

Gerald Ingle of the Education committee, stated that nothing accurate was available on school finances until the legislature took some action. But some hope was held out, particularly for transportation funds.

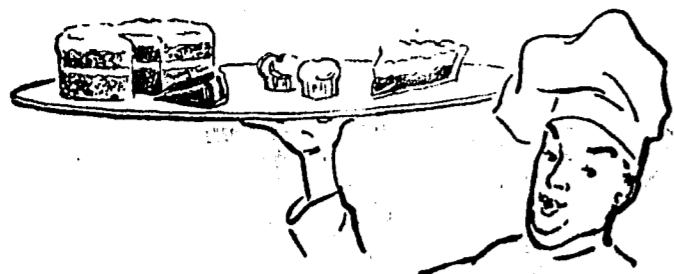

W. W. Watts of the Agricultural committee announced the annual Farmers Day Meeting would be held at Kendrick on Tuesday, March 13, with the meeting to be held in the local theater and the noon lunch to be served in the Community church by the ladies of the W. S. C. S. — all under the sponsorship of the Commercial Club. Following Mr. Watts announcement, H. C. Schupfer appointed Gerald Ingle as Master of Ceremonies for the day.

E. A. Deobald of the Fish and Game committee reported that game birds had wintered well, but what the prospects were for fishing, only time could tell.

Returning to the mail problem H. C. Schupfer reported on the sending of two letters to a Juliaetta rural road address. One was mailed at 2:00 p. m. Friday, and received by the addressee on Saturday morning. The other, mailed at 4:00 p. m. that same day, did not reach its destination until Monday morning. In other words, it spent its time riding in the mail truck to Lewiston; to Spokane; back through Kendrick, and then to Juliaetta.

NEWSY ITEMETTES FROM AMERICAN RIDGE AREA

Mr. and Mrs. Sheldon Hill and family and Frank Hill of Lewiston were Sunday guests of Mr. and Mrs. Walter Bigham.

Mr. and Mrs. Manning Onstott and family were Sunday dinner guests of Mr. and Mrs. Noria Callison.

Mr. and Mrs. David Clayton of Kendrick were Sunday dinner guests of Mr. and Mrs. Warney May, Jr.

Mr. and Mrs. Ernest Brammer of Southwick were Sunday dinner guests in the Geo. Havens home.

Ira and Rayner Havens went back to school on Monday after illness with chicken pox. Charles Havens was also absent, thinking he would take them, but also returned Monday.

Mr. and Mrs. Noria Callison and son Bobby were in Lewiston on Wednesday.

Jack Bencoter, U. S. N., who is stationed on Whidby Island, was home over the week-end. Miss Jane Duffy and Betty Lou Watchel of Lewiston were also Saturday guests in the Bencoter home, and Mrs. Duffy of Lewiston was a Sunday guest.

The Hi-Hope Club will meet on Wed., Feb. 14, instead of Thursday, at the home of Mrs. Nellie Helmgartner, with Miss Betty Jay Baker, present. The subject is "Balanced Diets."

Mr. and Mrs. Geo. Havens accompanied Miss Helen Mattoon to Lewiston Monday afternoon.

Mr. and Mrs. Billy Scott and family, Mrs. Mary Hill, Mrs. Frank Hill and Mr. and Mrs. Ernie Andrews and family, all of Lewiston, were Monday evening supper guests of Mr. and Mrs. Walter Bigham and daughters. The occasion honored Mrs. Bigham's birthday anniversary. Evening callers were Mr. and Mrs. Werner Brammer, Helen and Beverly Mattoon and Mr. and Mrs. Geo. Havens.

Mrs. Warney May, Jr., spent Wednesday with her parents, Mr. and Mrs. Roy Glenn, at Kendrick.

Mr. and Mrs. Wayne Davis, Mr. and Mrs. Noria Callison and son, Mr. and Mrs. C. Dougharty, Mrs. Geo. Havens and son, Ted, Mrs. Frankie Bencoter, Helen Mattoon and Rev. and Mrs. Kernutt and son, the latter of Moscow, attended the film on "Christian Citizenship" shown at the Harold Roberts home. Helen Mattoon also showed slides at the close of the evening. Mrs. Roberts served delicious refreshments.

Helen and Beverly Mattoon were supper and over-night guests of Mr. and Mrs. Walter Bencoter, Wednesday of last week.

Mr. and Mrs. Noria Callison and Mrs. Harold Roberts attended P.-T. A. in Kendrick Monday evening.

Mr. and Mrs. Wayne May, Sr., of Lewiston were Tuesday visitors of Mr. and Mrs. Warney May, Jr.

Mr. and Mrs. Walter Bigham and daughters were Saturday evening visitors of Mr. and Mrs. Warney May, Sr., in Lewiston.

Helen and Beverly Mattoon were Monday evening supper guests of Mr. and Mrs. Geo. Havens and family.

Mr. and Mrs. Ira Havens of Moscow were Saturday afternoon visitors in the George Havens home.

Mr. and Mrs. Harry Bencoter were Sunday dinner guests of Mr. and Mrs. Walter May and family.

Mr. and Mrs. Lawrence Helmgartner and family were Sunday dinner guests of Mr. and Mrs. Roy Fey and family on Big Bear ridge.

Mrs. Wayne Davis and son spent Monday and Tuesday in Pullman at the Melbern Story home.

Mrs. Harry Bencoter attended the shower for Miss Leola Summers in Troy last Saturday.

Mrs. Walter Bencoter and Mrs. Harry Bencoter were in Lewiston Tuesday. The latter visited her sister, Mrs. L. Puckett, who returned home from the hospital on Friday, and is getting along fine.

Priscilla Bencoter is on the sick list this week.

Ed. Carlson of Troy is doing some carpenter work for Walter Bencoter on their home — the one purchased from Frank Roberts last fall.

Mr. and Mrs. L. Helmgartner and family were Friday evening guests of her parents, Mr. and Mrs. Chas. Fey, Kendrick. The dinner honored her father's birthday anniversary. Other guests were Mr. and Mrs. Harlen Fey, Mr. and Mrs. Roy Fey and family and Mr. and Mrs. Bud Fey and family.

Mrs. Harry Bencoter attended the shower for Mrs. Chas. Deobald in Kendrick last Wednesday.

Mr. and Mrs. Wayne Davis and son were supper guests of his parents, Mr. and Mrs. Bert Davis, in Pullman, Tuesday evening.

Mrs. L. Fockler of Moscow spent Saturday and Sunday with her daughter, Mrs. Wayne Davis and family.

Mrs. Frankie Bencoter attended a 4-H Club Leaders' meeting and W. W. P. Co. luncheon in Moscow on Monday.

PERSONALS AND NEWS ABOUT KENDRICK FRIENDS

Beverly Ann Schupfer, Bob Lind, accompanied by Daisy Grimm, John Deobald, Dee Miller and Dan Crocker, Sr. from the U. of I., spent the week-end in their respective homes here.

Mr. and Mrs. Kenneth Brocke and children were dinner guests Sunday at the home of Mr. and Mrs. Grant Bateman. The occasion honored Lee Brocke's and Jerry Bateman's tenth birthday anniversaries.

Mr. and Mrs. Paul Lind and son Eugene were Sunday visitors in the Oscar Raby home at Clarkston.

Mrs. R. L. Blewett and Mrs. Kenneth Brocke visited school in Juliaetta, Tuesday.

In a brief note enclosing a subscription remittance, J. H. Phillips, well known former Southwick resident says in part: "We are enjoying the climate here very much. Mrs. Phillips had a stroke the 29th of December, but is improving now." M/Sgt. A. G. Candler, sent us a change of address, stating that he is now stationed at MacDill AFB, Florida, and adds: "It's nice and warm here, how is it up there?"

Mr. and Mrs. Teddy Deobald and daughter of Kennewick, Wash., are here visiting their parents, Mr. and Mrs. E. A. Deobald and Mr. and Mrs. E. M. White and family.

Capt. and Mrs. Robert N. Olsen, son-in-law and daughter of Mr. and Mrs. A. G. Peters, left Spokane on Wednesday, Feb. 7, for Mira Loma, Calif., where Capt. Olsen will report for active duty with the army on Feb. 13. Mira Loma is about 85 miles from Los Angeles. They expect to be stationed there for some time.

Mr. and Mrs. P. S. Griffith and family of Spokane were week-end guests in the W. L. McCreary home. Mr. Griffith and Mrs. McCreary are brother and sister.

Mr. and Mrs. Kenneth Hoduffer and son Jimmy of Craigmont stopped here Friday to pick up her sister, Mrs. Ben Cook, on their way to Medford, Oregon, to visit his mother, Mrs. Sarah Hoduffer. Mrs. Cook accompanied them as far as Yakima, where she will visit a brother-in-law and sister, Mr. and Mrs. Chas. Calkins.

Frank Nesbit received a telegram Tuesday, advising him of the death of his brother, W. H. Nesbit, of McLaughlin, S. D., who passed away that day. Funeral services are set for Saturday. W. H. Nesbit will be remembered here by many, as he spent most of the summer, a year ago, at the Nesbit home.

Jordan Kanikkeberg was home from the U. of I. for dinner Sunday. Ozzie Kanikkeberg was a brief caller that evening.

Mr. and Mrs. Edwin Johanson of Anchorage, Alaska, arrived here Tuesday to spend a few days in the home of his brother, Mr. and Mrs. John Johanson. Mr. and Mrs. Edwin Johanson flew to Lewiston, where they were met and brought to Kendrick.

Wm. Bauer, Kendrick, who is engaged in logging for the Lewis Mill, cut a deep gash in his right foot with an axe, Tuesday.

W. S. C. S. Circle
The Kendrick W. S. C. S. Circle meeting will be held Friday afternoon in the home of Mrs. A. O. Kanikkeberg. All are cordially invited to attend.

Everything for building is available at the Kirkpatrick Lumber Co., Juliaetta. Low in price. 1-adv.

Social Security Act Covers Farm Workers

Half-Million Eligible For Insurance Benefits

As of January 1, about 500,000 regularly employed workers on farms and in farm households became eligible for social security. This means they became eligible for the first time for old-age insurance benefits—pensions—and for benefits paid to survivors if a wage earner dies.

Arthur J. Altmeyer of the Social Security administration said the new program covers anyone who does planting, cultivating, or harvesting of crops; raises or tends livestock, bees, or fur-bearing animals; prepares, processes, or delivers crops or livestock to market

A total of 500,000 farm workers became eligible for social security benefits with the extension of the Social Security Act of January 1.

or storage; cooks or does other household work on farms, or does their general farm work. However, each worker must "qualify" first. Farm owners or operators are not covered. Wages paid by an employer to his children under 21 do not count, nor do other payments within a family.

Altmeyer said employers of farm workers covered by the extension of the law should get instructions from their local collectors of internal revenue concerning when payments should be made and methods for keeping records.

Disaster Relief Program For Farmers Expanding

The government announced recently that the simple relief measure started in 1949 to aid snow-bound ranchers in the west has mushroomed into a tremendous business. It has grown into a \$33,000,000 business and covers parts of 37 states and Puerto Rico.

The farmers home administration, in charge of the program, reports more than 26,000 loans have been made to farmers. They average about \$1,192 each, although there is no limit on the amount a farmer may borrow if he qualifies as a "disaster victim" and can put up sufficient collateral. The largest loan approved to date was \$400,000 to a Mississippi farmer.

One of the most recent disaster areas was the entire state of Mississippi where the cotton crop was damaged by bad weather and weevils.

"The end isn't in sight," one official said, "It looks like the program is here to stay—unless the government starts taking losses like it did in the feed-and-seed-loan program of the depression era."

The EASY-DOES-IT CORNER

How To Keep Your Oil Heater Clean. A dollar-wise neighbor of ours services his own pot-type oil heater regularly — and easily.

He cleans the strainer as shown in the diagram—the Metering Valve stem, too. Washes them in kerosene. Then he scrapes the burner pot to remove all hard carbon. Flange at top of the pot is inspected for air leaks which are sealed with furnace cement.

Of course, using Standard Stove Oil, 100% distilled and clean-delivered, you need only service your heater once a year. If you have a pressure-type burner, try New Standard Furnace Oil with Thermisol. It stops filter clogging.

Enjoy dependable oil heat comfort with either of these fine Standard Heating Oils. Just call us!

Oil Barrel Rig

Men on farms and ranches have many heavy barrels containing oil, sheep dip, kerosene, etc., to empty and at times a faucet may not be at hand. Here is an easy way to overcome that difficulty. Secure a piece of 3/4 inch pipe with one end threaded, eight to 12 inches long. Place a chunk under one end of the barrel so contents will fall away from the upper portion of the head near the chime. Then bore a hole through the head with a 3/8 inch bit. Thread portion of the pipe into this hole. When ready to draw off any of the contents just roll the barrel a little until the liquid starts to run. When sufficient has been drawn, roll the barrel back to a position where the pipe is uppermost and contents will stop flowing.

Dehydrated Cheese Is Put On Sale in Netherlands

Cheese in powdered and tablet form is being marketed in the Netherlands, according to the U.S. department of agriculture. The new dehydrated cheese product is made from Gouda and Edam cheeses under a process which is said to reduce the volume of the cheese by one half. The report says that a variety of flavors can be obtained depending upon the age of the cheese used for dehydrating.

Cabbage Being Studied For Medicinal Property

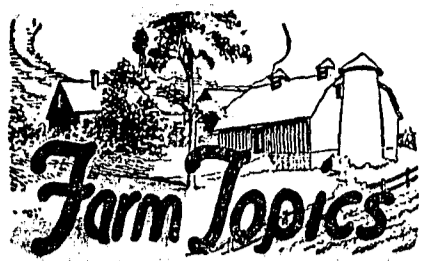

Jiggs—the pebeian new-rich of comic-strip fame—is due these coming months for many a feast on his favorite dish of corned beef and cabbage.

The 1950 autumn cabbage crop exceeded 700,000 tons, 30 per cent above last fall's output and 36 per cent larger than average. Such production indicates increased use of a vegetable long considered humble but, in fact, popular since before the birth of Christ.

From the time of the early Egyptians (who were reported to have worshipped the cabbage) down to the present day, this vegetable has been cultivated not only for its food value but also for its alleged medicinal properties. The Greeks believed it had the happy property of keeping a man clear-headed through banquets where wine flowed freely. The Romans, in 300 B.C., advised the use of mashed cabbage in the healing of wounds.

According to modern scientists, the Romans may not have been far wrong. New studies of a germ-killing substance in cabbage indicate that it destroys, to some extent, staphylococci, common germs in wounds. It also is believed to have a beneficial effect on some intestinal bacteria.

Despite its long use, no one is quite sure where the cabbage originated. Most evidence points to the eastern Mediterranean and Asia Minor, although the known ancestor of cultivated varieties—the wild or sea cabbage—is found today primarily along the chalk cliffs of England, and on the coasts of Denmark and northwestern France.

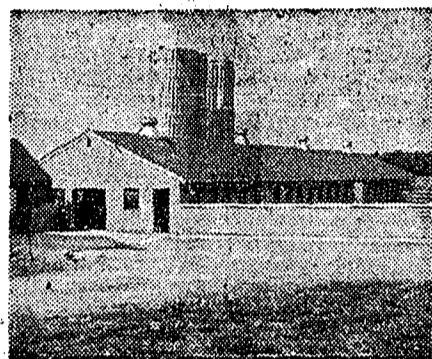

Low Cost Essential For Farm Building

Concrete Blocks Filling Farm Construction Needs

Concrete blocks are being used more and more in the construction of farm buildings, according to American Builder magazine.

They have been found very serviceable for dairy barn construction, low in first cost and in upkeep.

Attributes that contribute to concrete's value as a building material on the farm are its durability, cleanliness, and weather and insect

Dairy barn of concrete blocks and with a roof of fire-resistant asphalt shingles provides an efficient structure low in cost and in upkeep.

resistant qualities. Concrete foundations, masonry unit walls, concrete floors, and precast floor joists can be utilized to construct enduring farm structures and to repair old ones.

If a dairy barn is well-constructed and insulated, body heat of the cows would keep interior temperatures at 45 to 50 degrees in almost any kind of weather.

Lightweight aggregates in monolithic concrete or in masonry units, vermiculite floors and underlayers, hollow core walls, and masonry units with granular loose-filled cores all have qualities that can contribute to the efficiency of rural buildings.

Less Than Half of U.S. Farm Homes Have Baths

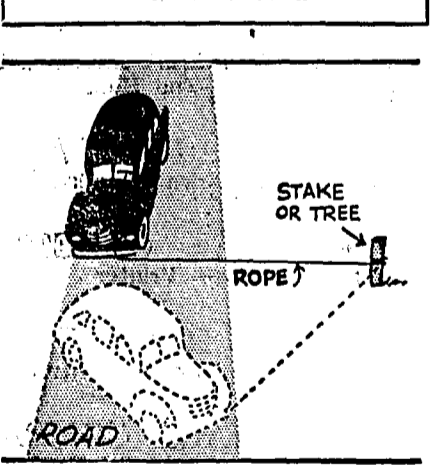

Less than one-half of the nation's more than 4,000,000 farm homes have baths and only half of the rooms are heated, a study of rural housing accommodations revealed.

Excessive standardization to relieve early postwar housing shortages resulted in the building of mediocre farm homes of rectangular, box-like design with too small rooms, too little privacy and absence of adequate plumbing and heating facilities.

However, under impetus of a U.S. department of agriculture program, farm house plans have recently been developed that are expected to fulfill the fundamental requirements. The new plans call for space, equipment and storage facilities in proportion to the number of persons in the family.

Coupled with the benefits of a 10-year electrification program that has brought electricity to 75 per cent of the farm homes, this new home designing will open an untapped market for manufacturers of automatic equipment and home appliances.

Pull Out the Car

Although most farmers these days live on a hard surfaced road, there may be an occasion when it would be necessary to pull a car or tractor out of a ditch. The above illustration shows how to get out of that ditch with the least amount of effort. A tow rope hitched to the front end of the car and tied to a stake or tree at right angle at the side of the road, will give you the leverage to get out of almost any place without help.

Crested-Wheatgrass Seed Production Reported Up

The 1950 production of crested-wheatgrass seed is estimated at 5,330,000 pounds of clean seed. This is 5 per cent larger than the 1949 production of 5,090,000 pounds. Larger crops than last year reported for North Dakota, South Dakota, and Montana, more than offset the smaller crops indicated for Nebraska, Colorado and Washington. The Colorado crop was near failure in 1950.

WHEN WILL ACCIDENT "X" OCCUR; WILL IT BE YOU?

New York (Special) — "Accident X" will kill the millionth American in traffic during 1951 or early in 1952, the Association of Casualty and Surety companies predicted this week.

Nearly 964,000 men, women and children have died in traffic accidents since 1900, the association declared. The 1950 toll of more than 35,000 deaths, which reflects a strong upward trend in fatal accidents during the past year, indicates that the millionth fatality will occur next December or early in January, 1952.

"Accident X" will not be reported as such, it was pointed out by Julien H. Harvey, manager of the association's accident prevention department. Its victim, like the Unknown Soldier — just one of the month's statistics — will be "known but to God." The new unknown American, typifying a million lives lost in traffic in 50 years, may be a speeding or drinking driver, a woman shopper who tries "jaywalking," or a child at play in the street.

Like the Unknown Soldier, "Victim X" will be a national symbol of sacrifice, Mr. Harvey said, because nearly all persons killed in traffic accidents lose their lives needlessly. If "Victim X" should become a lasting symbol of the constant need for

greater highway safety and thus spur the entire nation into action that decreases traffic deaths and injuries, this new unknown American will save countless lives by losing his own and also will rest in "honored glory."

Whether the impending death of "Victim X" is postponed a month or six months, depends on how seriously every American who drives and walks accepts a personal responsibility in the 1951 home-front war to reduce highway accidents. Every month's respite for the victim of "Accident X" will mean a saving of about 3,000 lives.

"Accident X is just around the corner," Mr. Harvey continued. "Its nearness should remind all of us, every day this year, that automobiles will kill another million people in the next 30 years, instead of 50 years, unless Americans become quickly and firmly safety-conscious and each one does his part by preventing traffic accidents. Every person who doesn't is nominating himself to become Victim X, or the statistic of some other accident that is just around the corner."

"The rapidly mounting accident rate shows that we are fast becoming a nation of habitual traffic gamblers. Millions of drivers and pedestrians need a real session of soul-searching to tell themselves how often they are breaking the traffic

rules that mean safety to all. When millions of Americans stop this gambling in traffic, the accident toll will drop rapidly."

Mr. Harvey pointed out that nearly 7,000 lives were saved in 1938, after highway accidents had killed 39,643 persons in 1937 — the second worst year in history for traffic deaths. An all-out national highway safety crusade could save 10,000 lives this year, postponing the death of "Victim X" well into 1952.

It should also be borne in mind the sharp drop in traffic accidents that occurred during the war years of 1942 through 1945 — when gasoline and tire rationing meant reduced speeds and far greater observance of traffic rules, since the violator not only faced court, but the loss of gas "coupons" as well.

No Food Shortage For Them

U. of I., Moscow — There's no such thing as a food shortage among coyotes. They eat anything — from porcupines to pieces of cloth.

A coyote food habit study by the federal-state cooperative wildlife research unit at the University of Idaho spotlights this cagey creature as perhaps nature's most omnivorous feeder.

"Coyotes can live on anything," commented Dr. Paul D. Dalke, leader of the unit. "They like mice and rabbits but they also do well on

fruit. They are great feeders on carrion, a feeding habit that leads to their downfall in poisoning campaigns."

Stewart M. Brandborg of Hamilton, Mont., and Dwight R. Smith of St. Maries, research fellows who spent more than a year in the rugged Salmon river mountains studying bighorn sheep and Rocky Mountain goats, gathered hundreds of coyote skulls. These were sent to the university for analysis by two students in wildlife management, George Lea of St. Paul, Minn., and Seymour Levy of Chicago.

Here is their report: Coyotes in those mountains had eaten grouse, hawks, various other birds, snakes, marmots, chipmunks, tree squirrels, beetles, grasshoppers, ticks, weasels, porcupines, pocket gophers, mountain goat, ground squirrels, mule deer, mice of various kinds, wood rats, bighorn sheep, horse or mule, elk, pine nuts, needles of various conifers, leaves of shrubs, grass, twigs, rocks, clay, and even a piece of red cloth.

Don't forget — Building Supplies of all kinds are available at the Kirkpatrick Lumber Co., in Juliaetta. 1-adv.

RURAL ELECTRIFICATION NEARS COMPLETION

Rapid extension of electric lines in rural areas during 1949 and 1950 has brought the goal of complete rural electrification close to realization, according to figures compiled by the Edison Electric Institute.

By the end of 1950, an estimated 90% of farm dwellings of the nation had been electrified, and 95% of rural non-farm dwellings had electric service available (the rural non-farm classification includes dwellings in communities of less than 2500 population). The total percentage of both farm and non-farm rural dwellings wired for electricity had increased from 86% at the end of 1948 to an estimated 93% on December 30, 1950. The small group of rural dwellings (only 7%) not yet reached by electric lines is just about the same in number as that to which electricity was made available in the past two years. Largely, the remaining non-electrified rural dwellings are in very sparsely populated areas geographically isolated from sources of power.

Pacific Northwest Ranks High in Rural Electrification

The state of Washington had more than 96% of its rural dwellings electrified by the end of 1949, and Idaho had completed electrification of nearly 98%. Additional rural line extensions were made during 1950 in both states, bringing rural electrification very close to 100%.

Business Managed Electric Companies Serve Vast Majority

Latest authoritative figures indicate that business managed electric companies serve some 80% of electrified rural dwellings, REA cooperatives 18%, and various municipal and other governmental agencies about 2%.

W.W.P. a Pioneer in Rural Field and Continues Line Extensions

Shortly after the turn of the century, the Washington Water Power Company extended service to several inland Empire rural communities, and has continued extensions of rural lines ever since. During the two-year period 1949-50, W.W.P. completed lines into remote mountain country in northern Idaho. Only a small fraction of the rural population in the W.W.P. service area remains without the facilities for modern living at low cost made possible by electricity.

Washington Water Power Co.

Shot Gun Shooters' Faults Outlined by One Who Knows

The difference between a hit and a miss in wing-shooting often lies in that very slight distance between the shooter's cheek and the stock of his gun.

There should be no distance at all between the cheek and the stock. The expert wing-shot makes sure that the gun stock is against his cheek before he pulls the trigger. This, with practice, becomes an instinctive movement that is one of the prime essentials in good shooting. Raising the stock to the cheek allows the shooter to quickly gain a true 'sight-picture' and helps him to refrain from making the all-too-common error of raising his head just before firing.

Raising the head causes the gunner to shoot high, the most common fault among shotgun shooters. "Keep your head down" is one of the cardinal rules in good shooting and its strict observance must be practiced if the charge of shot is to strike the object at which the shooter thinks he is pointing.

Most gunners realize immediately upon touching off the trigger whether or not the gun was properly pointed. In trap shooting a few sketchy breaks will warn the shooter that he is not holding right and that he is 'scratchin' 'em down' with the edge of his pattern. The fellow who shoots with both eyes open (and this is the proper method) is more apt to raise his head a bit and shoot high than the chap who closes one eye for the latter is more inclined to "sight" his shotgun rather than "point" it.

Kinds of Christmas Plants

In the United States it may be noted that each section of the country has its own favorite Christmas plants, depending upon the species that grow conveniently at hand or that have been shipped in long enough for the people to become accustomed to them. By and large, the conifers, as a class, supply us with most of our Christmas trees, true firs (Abies), Douglas fir (Pseudotsuga), and spruce (Picea) being preferred to all others. Although balsam fir (Abies balsamea) at one time led in popularity as a Christmas tree and is especially prized at present in the northeastern states, it has in recent years been supplanted in various sections of the country by Douglas fir (Pseudotsuga taxifolia), a relative newcomer to the scene.

To Fight Radiation

Although an atomic explosion in the air does more immediate damage, the ground or water explosion creates radioactive clouds of spray or dust which are carried by winds to surrounding areas. These airborne radioactive particles contaminate whatever they touch. If you are near an area damaged by a ground or water explosion, keep calm. Do not touch anything. Keep your mouth and nostrils covered to avoid breathing in radioactive dust or spray. As soon as possible, wash with soap and clean water. Change to uncontaminated clothing. Bury contaminated clothing. If you must leave the area, take nothing with you that might be contaminated.

Flying "Trees"

In aircraft manufacture, the woods most commonly used are American mahogany, hard maple, persimmon, black walnut, African mahogany, Douglas fir, birch, sweetgum, western hemlock, noble fir, sugar pine, spruce and yellow poplar. These are, naturally, carefully finished. Where the wood is selected for its beauty of grain, the finish is chosen to enhance it as well as to protect the surface and facilitate its maintenance.

ORDINANCE NO. 268

AN ORDINANCE DETERMINING THAT PUBLIC CONVENIENCE AND NECESSITY REQUIRE THE DISCONTINUANCE AND VACATION OF ALL THAT PORTION OF RAILROAD STREET BETWEEN 4TH AND 5TH STREETS, ALL IN THE VILLAGE OF KENDRICK, LATAH COUNTY, IDAHO, ACCORDING TO THE RECORDED PLAT THEREOF; AND DIRECTING CONVEYANCE OF SAID VACATED PORTION OF SAID STREET TO THE OWNERS OF THE ADJACENT REAL ESTATE.

Be it ordained by the Chairman and Board of Trustees of the Village of Kendrick, Latah County, Idaho:

Section 1. That it is hereby determined and decided that public convenience and necessity require the vacating and abandonment of all that portion of Railroad Street lying between 4th and 5th Streets.

Section 2. That all the above described portions of Railroad Street in the Village of Kendrick, Idaho, be, and the same is hereby vacated and abandoned as a public way, and its use as a public way shall immediately, upon this Ordinance becoming effective, cease and terminate forever.

Section 3. That it is hereby determined and decided that the proper officials of the Village of Kendrick, be, and they are hereby authorized and directed to make, execute and deliver to The Kendrick Rochdale Co., as adjacent owners, good and sufficient transfer and conveyances of the portions of streets hereby vacated and abandoned as their interests may appear.

Section 4. That this Ordinance shall take effect and be in force from and after its passage and approval and after publication in one issue of the Kendrick Gazette.

Passed and approved by the Board of Trustees of the Village of Kendrick, and the Chairman thereof, this 6th day of February, 1951, and ordered published in three issues of the Kendrick Gazette.

Potlatch Chief Sez

Published by the Kendrick Creamery

HELLO, THERE, FOLKS:

Well, we suppose you are all attending the basketball tournament now going on in Lapwai, so daily come to town. Now here's a suggestion you'll find worth while. When you come in, bring that can of cream and those eggs with you. The check you receive will probably be more than ample to pay your admission — and leave a little besides. At any rate, why not try it?

She had insisted on taking along every garment she owned. They arrived at the station loaded with baggage. "I wish," said the husband thoughtfully, "that we'd brought your piano too." "Now, let's not try to be funny," came the frigid reply. "I'm not trying to be funny," he explained sadly. "I left the tickets lying on it!"

How's your home supply of "Potlatch Chief" brand ice cream? Is it ample to care for those unexpected guests? Do you have enough for that little evening dish before bedtime? If not, better get a new supply today. Every home refrigerator and deep freeze should contain "Potlatch Chief" ice cream.

Visiting Chaplain: "And where is Cadet John Smith?" "Petty Officer: "A. W. O. L." Chaplain: "What do you mean by that?"

Petty Officer: "After women or liquor."

Are you drinking all the pure "Potlatch Chief" brand milk that you should? Are your children getting enough? Every adult should have at least a pint a day and every growing child at least a quart. It's pure. It's pasteurized.

Sell us your cream!

WHAT CAMERON FOLKS ARE DOING THESE DAYS

Wayne and Vern Wegner were Spokane visitors Wednesday and Thursday.

Mr. and Mrs. Aug. F. Wegner and sons Vern and Wayne and Mr. and Mrs. Glen Wegner and family were dinner guests of Mr. and Mrs. Dan Sullivan on Cream ridge, Thursday evening. The dinner observed Lynn's Sullivan's first birthday anniversary.

Ernest and Ernie Heimgartner spent Sunday evening with Mr. and Mrs. Herbert Schwarz.

Mr. and Mrs. Gus Kruger entertained at dinner Monday evening for Mr. and Mrs. Otto Silflow and son Roy and Mr. and Mrs. James Whiting.

Mr. and Mrs. John Blankenship and family were Sunday guests of Mr. and Mrs. Harlan Hewitt at Culesac.

Mr. and Mrs. Forrest Welterow and daughter spent Sunday evening with Mr. and Mrs. Ed. Mielke.

The Ladies Aid held their February business meeting and an all day work-day Wednesday with Mrs. Emil Silflow, Mrs. Herbert Schwarz and Mrs. Harold Silflow serving a delicious dinner.

Mr. and Mrs. Gus Kruger spent Sunday evening with Mr. and Mrs. Henry Wendt.

Mrs. Herman Meyer spent several days of last week with her parents, Mr. and Mrs. Ernest Schmidt of the Lewiston Orchards.

Mr. and Mrs. Roy Ramey and Mr. and Mrs. Ernest Brammer were dinner guests of Mr. and Mrs. Walter Koopp Monday evening. The dinner honored Walter Koopp, Jr.'s sixth birthday anniversary.

Mr. and Mrs. Earl Whiting visited with Mrs. Gordon Harris at Southwick, Friday.

Mr. and Mrs. Fred Newman, Ted

Mielke, Mr. and Mrs. Ed. Mielke, Mr. and Mrs. Glen Newman, and Harry and Wally Newman attended the Kendrick-Lapwai basketball game at Lapwai, Wednesday evening. Mr. and Mrs. George Wilken and Mr. and Mrs. Kenneth Wilken spent Tuesday evening with Mr. and Mrs. Reinhard Wilken. Cecil Brammer, who recently entered the U. S. Armed Forces, is in training at Camp Carson, Colo.

FAIRVIEW NEWS ITEMS

Mr. and Mrs. Harold Parks were Lewiston visitors on Friday.

Mrs. Veta Stumbo is sending a few days with Mr. and Mrs. Archie Reed at Headquarters.

Mr. and Mrs. Wilbur Corkill and family were Sunday evening supper guests of Mr. and Mrs. Don Bateman.

Mr. and Mrs. Ed. Gertje visited in the home of Mr. and Mrs. Harold Parks, Tuesday of this week.

Mr. and Mrs. Paul Dagefoerde and Wilbur Corkill were Lewiston business visitors on Tuesday.

Mr. and Mrs. Otto Dagefoerde of Rockford, Wash., called at the Paul Dagefoerde home, Saturday.

Mr. and Mrs. Don Bateman were Monday dinner guests in the Wilbur Corkill home.

Paul Dagefoerde was a Lewiston visitor on Friday.

Mrs. Fred Glenn assisted her mother, Mrs. Walter Cochran of Juliaetta, with decorating her new apartment a couple of days last week.

Several from this community attended the March of Dimes dance at the Kendrick gym, Saturday evening.

Jackie Sherman of Juliaetta was an over-night guest Monday in the home of his uncle and aunt, Mr. and Mrs. Fred Glenn and family.

GOLDEN RULE

Feb. 13 — The program sponsored by the Southwick Homemakers Club Tuesday evening at the gym, was quite a success, clearing \$83.45 for the March of Dimes. Everyone appeared to enjoy the affair. Five dollars of the above was donated by the Ladies Aid and \$5.00 by the Homemakers Club. Coffee, cakes and pies were also donated.

It seems like most every family from our community was represented in Lewiston, Saturday.

Percy Ware of Lewiston came home with the Carl Flink family, Saturday, and visited until Monday.

Mr. and Mrs. Don Christensen and family of Camp Y visited at the Glen Betts home Saturday night, going on to Lewiston Sunday.

Russell Betts, Mrs. Glen Betts and Eugene Betts were supper guests of Mr. and Mrs. Homer Betts in Lewiston, Saturday evening.

Mrs. D. V. Kuykendall visited with her daughter, Mrs. Pat Holiday and family in Lewiston, Saturday afternoon.

Mrs. Oscar Lawrence and children are Lewiston visitors today (Tuesday).

Fresh frozen fruits, berries, juices, vegetables, fish and poultry are obtainable at Blewett's Grocery-Market. Remember: "For a Better Buy Buy Bird's Eye" 1-adv.
