HELLO, THERE, FOLKS -

Yes, we know it's staying hot and dry — that cream production has dropped as pastures dried up — but you can do much to main-tain or better that cream produc-tion by better care of "Old Bos-sy." See 'to it that she has plenty of fresh cool water salt and of fresh, cool water, salt, and then give her a bit of grain or hay. In dollars and cents it will pay you in the long run. — And then — sell that cream to us.

The driver of a sightseeing car-riage was asked how many pass-engers the vehicle could accommodate.

"Well, that depends on the passengers," he replied. "General-ly it hold four, but if they're bet-ter acquainted, it hold six."
