INTERESTING HAPPENINGS IN THE LINDEN AREA

(Delayed)
On Wednesday, the Friendly Neighbors Club met in the Ernest Grim home with Mrs. Clara Alexander and Mrs. Arlie Allen as co-hostesses. There were 14 ladies in attendance and two new members were added, making a total membership of 17.

Mr. and Mrs. Bill Zimmerman and Mrs. Stewart Wilson were Lewiston visitors on Thursday. Charlie Keeler accompanied them to Kendrick where he spent the day.

Wednesday evening a surprise party was held for Dorothy Foster in her home, honoring her birthday anniversary. The evening was spent playing card games and ended with delicious refreshments which included a huge decorated angel food cake baked by Lilly Wilson.

Mrs. Arlie Allen was hostess to the W. M. A. group on Thursday afternoon. A rose-pattern applique was chosen for the quilt project with blocks to be ready for distribution at the next meeting. The pattern was taken from one of several varieties made for us by Grandma Clemmenger of Big Bear ridge.

Mr. and Mrs. Ernest Grim and son Bob entertained at a pinocchle party in their home on Friday evening. Twenty-three neighbors were in attendance with five tables in play. Awards for high score went to Mrs. Wm. Cuddy and Wm. Zimmerman. Consolation prizes were given Mrs. Clement Israel and Marion Souders, and the "Goose" found a home with Marion Rowden, who thereby "inherited" the next party. This was our first pinocchle party of the winter and was thoroughly enjoyed by all. Dorothy Foster, Jeanette Rowden and Mary Ellen Weaver served as baby-sitters for the evening. Wilma Wilson kept Jeanette Rowden company while she "baby-sat" in the Wm. Cuddy home.

A dance was held in the Gold Hill hall Saturday night, sponsored by Mr. and Mrs. Marion Rowden, with music furnished by Marion Rowden, Art. Foster and Harry Harris.

Al Pederson, Kenneth Pederson, Cleon McAlister and Billy Wilson spent the week-end at their respective homes here. We understand that Mr. McAlister has decided not to return to the Ordinance plant at Hermiston, where he has been employed.

Cpl. Neil Erlwine returned home on Thursday from Camp Cooke, California, to begin a 25-day furlough prior to reporting for Far East duty.

Mr. and Mrs. Alva Craig had as Sunday dinner guests Mr. and Mrs. Bill Zimmerman and children.

Mr. and Mrs. Charlie Keeler spent Monday with Mr. and Mrs. Gil Erlwine.

Mr. and Mrs. Ernest Grim, Bob Grim, Ray Thornton and Ted Fey spent Monday evening with the Erlwine family. Ted spent the night with Neil Erlwine and Ray Thornton with Bob Grim.

(This Week)
Mr. and Mrs. Arlie Allen attended the concert at the Community church in Kendrick, Wednesday evening.

Art. Foster was a dinner guest of Mr. and Mrs. Allen on Friday. Mrs. Phil Bahr was an afternoon caller.

Mr. and Mrs. Phil Bahr are holding down the Parsley ranch while Mr. and Mrs. Dick Parsley are making a trip with friends to Mexico. The Parsleys do not expect to return until some time in February.

Mr. and Mrs. Bill Zimmerman and family had as Friday evening supper guests Mr. and Mrs. Phil Bahr and Mr. and Mrs. Gil Erlwine.

Mrs. Charlie Keeler was very pleasantly surprised when her neighbors, Mrs. Gertrude Pederson, Mrs. Alice Zimmerman and Jessie Erlwine called to wish her a happy birthday.

Mr. and Mrs. Marion Rowden were host and hostess at a pinocchle party Saturday night at their home with six tables in play. High score awards were given Mrs. Gil Erlwine and Art Foster. Consolation prizes went to Mrs. Marion Souders and Dan Kechter. Phil Bahr led home the "Galloping Goose."

Jerry Erlwine spent Sunday at home with his parents.

Mrs. Veda Butler from Lewiston is visiting for a time in the home of her daughter and family, Mr. and Mrs. Gil Erlwine.

Mr. and Mrs. James Holt and children of Kendrick visited Sunday in the Erlwine and John Cuddy homes.

Mr. and Mrs. Stewart Wilson were Sunday visitors in the Ernest Grim home.

Mrs. Al Pederson and children and Mary Ellen Weaver were Sunday dinner guests of the Milton Benjamin family at Southwick.

Rev. and Mrs. Norbo and children were Sunday dinner guests of Mr. and Mrs. Cleon McAlister and family.

Mr. and Mrs. Frank Lyons left Thursday on a trip of several days duration. They will visit relatives in Yakima and Spokane.

Three barns on the ridge have had "roof collapse" this week since the thaw began. Neighbors are assisting Lester Weaver today (Saturday) to get the contents of his barn in order, and clear the wreckage away. The other two, one on the old "Christensen place" now owned by Bob Childers, and on the "Mark Means place" which is now Grindolds' property, were not being used for stock or storage, we understand.

Mrs. Louis Alexander is spending a few days this week with her mother, Mrs. Sylvia Jenks, in Lewiston.

We have been enjoying a bit of winter sunshine the past few days.

Birthday Party

Mrs. Estella Leith was complimented with a "belated" birthday anniversary party in the home of Mr. and Mrs. Roy Ramey Saturday evening. A 6:30 supper was enjoyed with bridge being played afterward.

Those present were Mr. and Mrs. Werner Brammer, Mr. and Mrs. Walter Koepf, Mr. and Mrs. Ernie Brammer, Mr. and Mrs. John Johanson, Mrs. Leith and her daughter, Mrs. Bob Spencer of Coeur d'Alene.

Hostesses were the Mesdames Werner Brammer, Ernest Brammer, Walter Koepf and Roy Ramey.

CROWD OVERFLOWS CHURCH FOR COMMUNITY CONCERT

More than 200 were present Wednesday evening to hear the concert sponsored by the Community Church choir. The building was filled to capacity with many standing for despite the heavy snowfall of that day and icy roads, visitors came from near and far to hear the program.

There were some cancellations and substitutions at the last minute, due to the fact that some of the out-of-town guest artists were snowed in. But from beginning to end the audience listened appreciatively and intently and were generous with their applause.

The evening's success was due in a large part to the direction and planning of Mrs. Dennis Racicot and Mrs. Bob Magnuson, and congratulations are in order to the choir for this splendid entertainment. The sum of \$150 was realized in a free will offering for the purchase of new choir robes.

Refreshments were served the entertainers following the concert in the church basement by the women of the W. S. C. S.

The program follows:
Star Spangled Banner — Choir and Congregation.

Invocation, Rev. F. C. Schmidt.
"Make a Joyful Noise," Choir.
"The Hands of Jesus," Choir.
Dorothy Glenn, soloist.

Charlie White (Lapwai) singing in the Nez Perce tongue. Two numbers.
Roy Allen, brief talk and two selections sung in Nez Perce tongue.
Nancy Callison and Burke Sower, Flute duet.

Patty Murphy (Lapwai, Princess at Madison Square Garden Rodeo) sang three numbers.
Donna Kanikkeberg, piano solo.
Offertory, Joyce Armitage.
"The Church in the Wildwood," choir.

"Sing, O Ye Heavens," choir.
Warren Fairbanks, Margaret and Jane Racicot, acappella numbers, two selections.

Warren Fairbanks, solo.
Quartette — Eugene Taylor, Roy Ramey, Mrs. D. A. Christensen and Mrs. George Brocke, Sr., two patriotic selections.

Congregational Sing, led by Warren Fairbanks.
Mrs. H. C. Schupfer was the accompanist for the choir, group singing and the vocal selections.

Benediction, Rev. F. C. Schmidt.
Members of the Community Church Choir wish to thank all who gave so generously of their time and talent to make the concert the success it was.

Two Enlist in Marine Corps

Clarkston, Wash. (Official) — Two local young men, Herbert I. Pederson, son of Mr. and Mrs. Alford M. Pederson, of Southwick, Idaho, and Delmer D. Riley, son of Mr. and Mrs. William D. Riley, Kendrick, are now undergoing training at the Marine Corps recruiting depot at San Diego, Calif.

The 18-year-old young men, former Kendrick High school students, enlisted in the U. S. Marines recently at Clarkston, Wash.

During the eight-week "Boot Camp" as recruit training is commonly called, the young men will become well versed in such basic military subjects as precision drill, first aid, Marine Corps history and mission, and field tactics.

Three weeks of the training period is spent at Camp Matthews rifle range, situated 15 miles north of San Diego. While there they will fire the .30-caliber Garand rifle; .45-caliber pistol, carbine and Browning Automatic rifle. They will also receive indoctrination firing with the light and heavy machine guns; 60 and 81-mm. mortars, flame throwers and the latest type of bazookas.

Under a newly adopted training program they will also receive instructions in the throwing of live grenades.

"Swings A Mean Axe"
As Mrs. Walter Benschoter was taking her children to the bus stop on Thursday morning of last week, she came to an abrupt halt near Mrs. Mary Deobald's home on American ridge — for there lay a big pine tree across the road, put there by the wind and snow storm of Wednesday night.

Being a resourceful woman, Mrs. Benschoter was only mildly perturbed. She left the car, returned to Mrs. Deobald's home and borrowed an axe. In no time at all she had chopped the tree in two, and with the help of the children had the road cleared. — Oh, yes, they made the bus, too!

Undergo Surgery
Mrs. Fred Glenn underwent surgery Tuesday at the St. Joseph's hospital at Lewiston.

Mike Hedler is in the Gritman Memorial hospital, Moscow, where he underwent surgery Tuesday.

Both are reported getting along nicely.

JOHN (ROY) WATSON DIES AT LEWISTON WEDNESDAY

John (Roy) Watson, 38, a resident of Juliaetta since 1944, died Wednesday afternoon at St. Joseph's hospital, Lewiston, where he had been a patient since Monday, Jan. 21. Death was attributed by his physician to carcinoma of the lungs. He had been ill about three months.

Mr. Watson was born April 7, 1913, at Three Hills, Alberta, Canada. When eight years of age he came with his parents to Lewiston, attending school there and making that city his home until 1944.

On Sept. 3, 1939, he was united in marriage to Edna Bateman, at Lewiston, and they continued to reside there until moving to Juliaetta. He was employed by the Juliaetta Lumber Co.

Survivors include his wife and four children: Donna, 8; Ronnie, 6; Danny, 4 and Rickey, 3, all of Juliaetta; his parents, Mr. and Mrs. George Watson, Woodland, Calif.; four brothers, Clarence, Walter and Manley Watson, Rose Lake, and Earl Watson, Portland, Oregon, and six sisters, Mrs. Edith Black, Red Deer, Alberta, Canada; Mrs. Marie Manning, Calgary, Alberta, Canada; Mrs. Gladys Warren, Woodland, Calif.; Mrs. Vera St. Clair and Mrs. Ila Smith, Willets, Calif., and Mrs. Margaret Hughes, Salem, Oregon.

His passing came as a deep shock to his many friends, for despite the fact that he had not been well for some months, he did not complain, and was always ready for a joke and a laugh. He will be missed by friends as well as family.

Final rites were held Monday morning at 11:00 o'clock at the Lewiston Christian church with the Rev. F. C. Schmidt of the Kendrick Community church officiating.

Hymns were sung by Mrs. D. A. Christensen and Mrs. Jud Lee, with Mrs. Pauline Brigham accompanying on the organ.

pallbearers were Arthur Foster, Henry Jones, Donald Bateman, James Morrison, Lyle Trout and Kenneth Trout. Interment was in Normal Hill cemetery, Lewiston.

Relatives present from out of town included Mrs. Marie Manning of Calgary, Canada, a sister; three other sisters and their husbands, Mr. and Mrs. Bob Hughes of Salem, Ore.; Mr. and Mrs. Roy Warren of Woodland, Calif. and Mr. and Mrs. Homer Evans of Lebanon, Ore.; four brothers and their wives, Mr. and Mrs. Earl Watson of Portland, Ore.; Mr. and Mrs. W. R. Watson, Mr. and Mrs. Manley Watson and Mr. and Mrs. C. G. Watson, all of Rose Lake, Idaho, and Fred Sinclair of Willets, Calif., a brother-in-law.

Weather Warms Up A Bit

After hanging between 20 and 30 degrees above zero for some two weeks, the mercury decided to get a bit higher in the column, and Thursday hit a high of 43 degrees, this temperature starting water flowing in the gutters and squirting from the eaves of houses. This temperature was just what the state highway crew, Clarence Perryman, Ed. Brown and Emulus Brown had been waiting for — so they put the ice blades on the big patrol and began cutting the six to eight inches of accumulated ice and snow off Kendrick's Main street, following the patrol with two truck plows, which pushed the accumulation over to the sides. The result was a big improvement. Now cars can get up to the curb to park without climbing an ice ridge and getting stuck. We might add that the school bus route over the school house hill was also plowed, and is now almost bare of ice.

Friday the temperature climbed still higher, hitting 45 degrees, and the snow in the canyon settled rapidly. Had it not been for a fog which the sun was unable to burn away until shortly after noon, there is no doubt it would have been still warmer.

Saturday was a bit cooler, 40 degrees being the top.

Sunday was still warmer, a high of 48 degrees being recorded, and water literally squirted from the snow and ice piles here in the canyon. On top the hills it also thawed, and road coatings of packed snow were described as "breaking up," causing some traffic difficulties.

Monday saw a temperature of 40 degrees, with a little weak sunshine.

Writes From Korea

From Pfc. Alex A. Weaver, who is stationed in Korea, comes the following letter, under date of Jan. 23: Dear Bill — Will write a few lines and thank you for the paper. I began receiving it about three weeks ago and it sure seemed nice to look through it and read what is going on in and around Kendrick.

I'm still in the same outfit that I was when I came over here — The Tennessee National Guard. The National Guards have about all been rotated back to the states, and I will be glad to see them get out of here, because I'll get out that much quicker, and the sooner I get out of this hole, the better I'll feel.

We are stationed about three miles from the front lines. You can see "Heart Break Ridge" from our positions. I'm in the field artillery, so have it a little better than the infantry.

A new fellow came into the outfit about a week ago, and he is from Lewiston, Idaho — the first fellow I have met from Idaho since I came over here.

Can't think of much more to write about, only to thank you again for the paper. — Sincerely, Alex Weaver.

SHORT NEWS ITEMS FROM OUR LOCAL SCHOOLHOUSE

Tournament Plans Completed
A meeting of the school officials from the Valley Sub-District was held at Lapwai last Thursday evening and plans were made for the sub-district tournament.

Since there are two weeks between the last conference games and before the district tournament in Lewiston, it was decided to break the tournament up this year, playing two nights, Tuesday and Wednesday, Feb. 19 and 20, and finish the next week, Tuesday, Wednesday and Thursday, Feb. 26, 27 and 28.

Since Reubens has a stronger team this year, she decided to play for the championship also, thus making five teams and requiring five nights. Heretofore the play-off was held on four consecutive nights, with four teams playing for the championship and Reubens entering the consolation bracket.

Ben P. Cook was elected tournament manager. Lapwai High school will handle the concessions, and the tickets for each session will be 75c for adults and 50c for students.

Hot Lunch Meeting Held
A meeting of the cooks of our three school lunch programs was held at Southwick last Thursday. Ways and means of better economy were discussed at length. Attending were Mrs. Ruth White, Kendrick; Mrs. Gladys Carlton, Juliaetta; Mrs. Geo. Miller, Southwick, and Jasper Nutting, ex-officio.

Tigers Lose To Culesac
Friday evening the Kendrick Tigers invaded the lair of the Culesac Wolves, and took it on the nose for a 34-27 loss.

It just seemed as if the baskets at Culesac had a lid on them so far as the Kendrick Tigers were concerned, for shot after shot would just rim the basket, short or on one side, and even roll around, but always failed to go through. The Tigers did well on floor play, however.

Steigers was high for Culesac and the game with 10 points. High for Kendrick was E. Heimgartner with 7 points.

Kendrick's B squad downed the Culesac B's 32-23 in the opener.

Tigers Back In Win Column
The Kendrick Tigers returned to the "win column" Saturday night by taking a 49-44 decision over the Grangeville Bulldogs in a high school basketball game on the local floor.

Kendrick led all the way, but held only a 26-24 half-time edge, gradually increasing the lead as the minutes ticked away.

Stan Smith of the Tigers topped all individual scoring with 27 points, and Glen Johnson led Grangeville with 14.

The Grangeville B squad took the preliminary 38 to 32.

Coach Dennis Racot substituted freely, giving the boys rest periods, in-as-much as most had seen action at Culesac the evening before.

We might say that this was one of the smallest crowds out yet for a local game, and that those who stayed at home missed a real contest. The floor play was fast and furious, but clean, only a very few fouls being assessed against both teams.

An all-school dance followed the game, with the Grangeville students as guests.

Kendrick 17 26 34 49
Grangeville 14 24 38 44

Tigers Drop Another To Lapwai
Tuesday evening, before a crowd that packed the Kendrick gym, to capacity — spectators all but hanging from the rafters — the Lapwai Wildcats won a fast and furious ball game from the Kendrick Tigers by a score of 59 to 46. Fouls were numerous on both sides, Lapwai losing five men and Kendrick three.

The Tigers were definitely off on their shooting, the basket apparently having a "lid" on it during the first half, but from that point on the Tigers whittled steadily at the Lapwai lead, but "got organized" too late.

The score by quarters:
Lapwai 18 31 46 59
Kendrick 8 14 27 46

The Kendrick B squad took the eye-opener of the evening by a substantial margin.

Cub Scouts Hold Pack Meet
The Cub Scouts met in the Community Church basement Monday evening for their Pack meeting. Those receiving badges were:

Gordon and Garry Garner, Wolf Badges.
Leonard Eldridge, Lion Badge.
Jerry Armitage, Silver Arrow Point.

Robin Magnuson, Webelos Badge, and now Robin Advances to Scouting. This meeting climaxed the theme of the month, "Space," the study of stars and planets.

Den I showed star formation with a shadow box, which was very interesting.

Den II exhibited a "space ship" they had made, and boarded it with their wierd and grotesque costumes. Then with the use of a cardboard sky they showed where the plants should be.

Following the program all enjoyed a coasting party with a bonfire and marshmallow roast to keep things lively.

The Den meetings for February will be the 7th and 21st, with the theme for the month "Scout History."

Returns From Hospital
Rol Bryant, who underwent surgery at St. Joseph's hospital, Lewiston, several days ago, returned to the J. G. Travis home here Sunday, and is recuperating.

Taking Up Collection

Charles Easterbrook, representing a number of interested citizens, has been receiving gifts for the aid of the John (Roy) Watson family at Juliaetta, Mr. Watson's untimely passing having left the family in rather desperate financial circumstances. To date \$200.50 has been received.

If there are any in this territory willing to help who have not been contacted, see Charles Easterbrook at Kendrick, or mail your check or gift to him. Make checks payable to "Roy Watson Fund" rather than to Mr. Easterbrook.

MARCH OF DIMES DRIVE NEARING CLEAN-UP STAGE

Boise, Idaho — Idaho county campaign directors for the 1952 March of Dimes drive were urged this week by R. S. Overstreet, Idaho March of Dimes chairman, to organize effective clean-up campaigns during the first two weeks in February, in an effort to carry on all the important polio patient care and research programs conducted by the National Foundation for Infantile Paralysis.

"We must concentrate all our final efforts in affecting complete house-to-house and business solicitations," he said, adding: "While many areas are showing necessary and substantial increases over last year, several Idaho counties remain disastrously low in their collections."

He encouraged county chairmen to secure the cooperation of local civic, fraternal and women's groups in conducting special events which could raise additional funds to bolster the depleted polio reserves.

Overstreet declared: "A great many of the state's citizens are still awaiting the opportunity to give and cautioned all chairmen not to ignore fund raising possibilities."

Our responsibility is now greater than ever before," he said, adding: "Treatment costs for polio are spiraling upward while polio epidemics continue to lash the state and its counties with unrelenting fury. Our people have developed a deep understanding of this helpful organization which makes possible our fight against the only epidemic disease now on the increase in the United States. No one should be denied the privilege of contributing to this effort to win the battle against polio."

Aside from sponsoring a vast research program and providing financial assistance to polio patients and their families, the March of Dimes also offers other services to our citizens which include provision of expensive polio equipment, professional education and the payment involved to secure the necessary trained personnel to insure Idaho polio patients the finest medical care that is available.

Snow Collapses Barn Roof
Friday morning of last week, between the hours of 3:00 and 4:00, Mr. and Mrs. Lester Weaver, residing on Cedar ridge, were awakened by a creaking roar, and on arising and peering from their bedroom window, discovered that the weight of accumulated snow had collapsed the upper portion of their big barn.

Mr. Weaver hurried into his clothes and dashed for the structure. He found that only the upper portion, which was used as a hay mow, had given way, and the 30 head of cows and calves stabled in the "basement" were not hurt, and placidly chewing their cud.

Since that time, with the help of neighbors and friends, the collapsed portion has been removed and the hay covered with canvas. Lester says that as soon as weather permits the barn will be rebuilt, and that most of the timbers and rafters can be used again.

Enlists In Air Force
Spokane, Jan. 25 (Official) — Richard V. White, age 20, Kendrick, Idaho, a son of Mr. and Mrs. E. M. White, Kendrick, enlisted on January 23 in the Army Air Force for a four-year period. He left on that same date for Lackland Air Force Base, San Antonio, Texas.

He has two brothers also in the Air Force, S/Sgt. Gerald R. White, now stationed at Amarilla, Texas, and Cpl. Robert L. White, stationed in Okinawa.

Given Farewell Party
The home of Mr. and Mrs. Elton Wilson was the scene Saturday evening of a farewell party honoring Mr. and Mrs. L. D. Goss and daughter Betty, who left the following morning for Arizona.

Present besides the guests of honor were Mr. and Mrs. Ernest Freytag, Mr. and Mrs. Roy Davis, Fletcher, James and Virgil Goss and the host and hostess.

Delightful refreshments were served by the hostess at the close of the evening.

Engagement Announced
Mr. and Mrs. Manning A. Onstott, Kendrick, this week announced the engagement of their daughter, Elsie Geraldine, to Wallace D. Miller, son of Mr. and Mrs. Donald A. Miller, also of Kendrick.

The marriage will take place in the early summer.

To Hold Pot-Luck Supper
The Kendrick Grange will meet next Tuesday evening, Feb. 5, at 6:30 p. m., for a pot-luck supper.

The supper will be followed by a short business session and then Dr. Paul A. Eke will speak on the "Hell's Canyon Dam." All Grangers are urged to be present.

U. of I. Has "Cover Boy"
The University of Idaho has had its share of "cover girls" on various magazines, but now it can boast a "cover" boy. Formation, the steer fitted by the university's animal husbandry department, which won the 1951 international reserve grand championship over all breeds at Chicago, is featured on the cover of the current issue of "The Shorthorn World."

Bred by John Silvering of Walla Walla, Wash.; Formation was shown at the Chicago International Livestock exposition by Bill Florence of the university staff. Describing the cover-adorned animal, the magazine said it "was acclaimed by all practical cattlemen who saw him as one of the best beef models that has been exhibited in any show ring in America — combining the essentials of economy of production, profitable dressing, and extra weight in the regions of preferred cuts."

Now In Korea
Mr. and Mrs. Ed Brown have received word from their son, Pfc. Don Brown that he and his cousin, Pfc. Leonard Weber, are now in Korea.

Really Raining Now
As we go to press (Wednesday noon) it is raining steadily, and the snow and ice gradually disappearing.

C. C. Y. To Show Movie

The Kendrick C. C. Y. met Sunday evening at the Community church. A worship service was held, followed by a business meeting.

The group selected delegates to the mid-winter institute at Orofino Feb. 8 and 9. They then discussed the tickets for the movie.

The C. C. Y. will show a movie titled, "Wings to the World," Sunday, Feb. 3rd, at the Community church. It is on Latin America. An admission will be charged which will go toward the fireplace fund. There will also be a skit by the W. S. C. S. and musical numbers.

After the meeting refreshments were served by Mrs. Schmidt and Lorraine Steigers.

Bob Cat Spotted In Town

Tuesday morning, during the English class period at the local high school, students and instructor, Ervin McGeachy, could hardly believe what they saw when they looked out the classroom window, for there, near the Edgar Dammarrell chicken house, a large bobcat could be seen. He did not remain long, however, and departed up the hill toward a small patch of timber.

Inspection of his tracks during the noon hour showed him to be a good sized "kitty."

Town Team Wins Another

Playing before a very small audience here Monday evening the Kendrick town team took the measure of the Lewiston Rainers 74 to 39. Kendrick used the "two-platoon" system and made it pay off in a large way.

The town team tangles with Genesee on the local floor tonight (Thursday, Jan 31) at 8:00 o'clock. A good game is promised.

Teachers Study

At the Community Church Sunday School teachers meeting Monday evening in the home of Mrs. F. C. Schmidt a study hour was enjoyed in which Mrs. Schmidt, as moderator, advanced another chapter in the book, "Teachers Teaching Methods."

Delicious refreshments were served at the close of the evening.

Gang Moves On

The telegraph communications repair gang, who have been stationed here the past six weeks rebuilding the lines, moved on to Arrow early this week.

Aid Pollo Drive

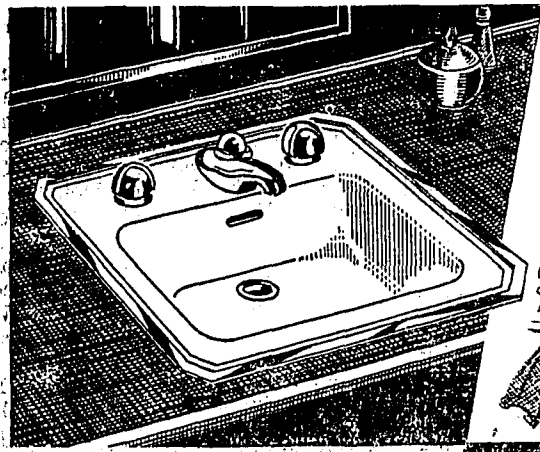

The Cubs and Scouts aided the March of Dimes Drive by "passing the blanket" at the game Tuesday evening. The sum of \$27.35 was taken in for this worthy cause.

Card Of Thanks

I sincerely thank all my relatives and friends for the many lovely holiday cards, letters and gifts. —Mrs. Mary A. Deobald.

New Price Lists Out Saturday evening the last of the new G. F. Brocke & Sons, Seeds-men, price lists left the press at the Gazette office, and are now being put in the mail.

These price lists cover clovers, grasses, erosion stopping mixtures, etc., and are mailed to a huge territory. The task of preparing them for mailing is no small one, and "wives get in on the job."

First Run Picture This Week

This week's offering at the Kendrick Theater will be a true first, for it is one of the Northwest's Premier showings of "Red Skies of Montana," a technicolor film starring Richard Widmark.

This thrilling story of the Smoke Jumpers was taken in Montana and Idaho forests last year during the fires. It has been released for a true first showing to a number of theaters in the area adjoining its filming, and included was the Kendrick Theater.

The film is in technicolor. In connection with the show there will be on display Forestry Service fire fighting equipment, announces Henry Jones, deputy state fire warden.

"What does it take from an oil company to run an airlift?"

Ever since mid-summer of 1950, military activity in Korea has called for heavy transpacific air traffic by civilian cargo planes. Over one of their routes they fly a round trip of 13,450 miles—some twenty-six times the length of the famous airlift into Berlin. Hundreds of companies help supply this operation. Maybe you'd like to know what it takes from an oil company to run an airlift.

Standard's part in the Pacific airlift shows that it's a big help to have large companies on hand when the going gets rough. Our work is focused mainly at Wake Island, that pinpoint some 4000 miles from the U. S. West Coast. After World War II, Wake was a refueling stop for commercial airliners en route to the Orient. But then came the struggle at the 38th parallel—

Before trouble kindled in Korea, only 20 planes a week refueled at Wake. Then that number multiplied many times. We'd been supplying gas to the island; when the U. S. asked us to step up deliveries, we were able to do it. As a big, integrated company, we called on our own tanker fleet.

To secure the special loading equipment needed by the ground crews, a Standard ship picked up the nearest available—at far-off Canton Island. And at U. S. request, we helped build new storage facilities along Wake's runways.

To keep Wake and the airlift supplied on a regular basis, Standard drew once more on its tanker fleet. We now operate a shuttle service to Wake from the Pacific Coast. Again, being big and having our own facilities helps us serve.

As air activity stepped up even more, Wake needed larger ground crews. Again, Standard's bigness helped. Using facilities in Honolulu, we quickly trained men, tripled our Wake manpower.

Of course, the transpacific airlift starts in America, and at home on this end of the route Standard keeps some 10 airlines supplied with aviation gasoline. It would take a stack of drums a mile high to hold our increased daily output for this use. At the same time, we're also supplying military needs... and our usual volume for motorists.

Potlatch Chief Sez

Published by the Kendrick Creamery

HELLO, THERE, FOLKS —

Yes, we'll readily admit it has been a bit more spring-like the past week, but don't get "spring fever" yet, and forget to take care of those cows and chickens, for it's going to be a long time until your income from the fields begins, and until that time your cream and eggs can readily be turned into cash right here in this creamery. If you think we're "foolin' you" just bring them in to us and try our money. You'll find it will "spend mighty easy."

An actress congratulated a woman author on her book: "I enjoyed it so much," she said. "Who wrote it for you?" "Darling," purred back the other, "I'm so glad you liked it. Who read it to you?"

Remember this: Never, never say "Give me a pound of butter." Always say: "Give me a pound of

"Potlatch Chief" butter. Or, if in a self-service store, always look for the bright red, blue and copper-colored wrapper, with golden butter showing through. That's "Potlatch Chief." The brand is your assurance of purity, quality and fine flavor. It's made from pasteurized cream!

Wife (reading the paper): "It says here that most accidents of today happen in the kitchen."

Husband: "Yes, I agree with that, and we men have to eat them!"

Need a locker box? We have one that will just fit your needs and purse. Come in and look them over.

Yet: "Did the medicine I gave you cow yesterday straighten her out?"

Farmer: "I'll say it did. I buried her this morning!"
