VOLUME 62

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, APRIL 17, 1952

NO. 16

WHAT JULIAETTA FRIENDS ARE DOING THESE DAYS

Mr. and Mrs. Wm. Hugo were recent visitors in the home of Mr. and Mrs. John Clark at LeGrande, Ore.

The Cliff Brown family visited relatives at Willow, Oregon, over the week-end.

Mrs. Roy Whittum and daughters spent several days last week with relatives at Priest River, Idaho.

Mrs. Viola Browning, Moscow, spent the Easter vacation here with her son and family.

The Birthday Club enjoyed a masquerade party at the Frank Barton home Friday evening. The occasion honored the birthday anniversaries of Mrs. Barton, Mrs. Jack Browning and Mrs. Chas. Mann.

The Irvin Mabbutt family spent Easter Sunday with relatives at Cottonwood.

Mrs. Rex Knight honored Mrs. Ted Peters with a handkerchief shower Wednesday afternoon.

Mr. and Mrs. Ted Peters left on Thursday morning for Missouri.

Mr. and Mrs. Tom Peters and daughter have moved into the house recently vacated by Mr. and Mrs. Ted Peters.

Mr. and Mrs. Dick Carlton have moved into the house owned by Mrs. Viola Browning.

Mr. and Mrs. John Walsh and son of Connell, Wn., visited with relatives here the past week-end.

The Lawrence Wilson family of Farmington, Wn., visited relatives here Saturday and Sunday.

Mrs. Dallas Grose and children, Mr. and Mrs. George Grose and family, and Lura and Karen Nelson were among the 55 members of a family gathering at the Ed. Grose home Sunday.

Those attending the funeral services for Mrs. Alvin Whitcomb at Moscow Saturday were Mr. and Mrs. Bill Hecht, Mr. and Mrs. Agner Swan and Mr. and Mrs. Harvie Shepherd.

Douglas Shepherd spent several days last week at the Alden Hoidal home at Troy.

Mr. and Mrs. Leland Irwin of Ritzville, Wash., Mr. and Mrs. D. E. Buckallew of Palouse, Wash., Mr. and Mrs. John Hill and son Lewis of Lewiston, and Mr. and Mrs. Bill Carlton were the guests of Mr. and Mrs. C. E. Irwin at an Easter dinner and celebration of their third wedding anniversary, which fell on April 10th.

Richard and Jackie Hammond, who are in the Armed Forces, were home for Easter vacation.

Mr. and Mrs. E. J. Henriks and granddaughter from Nampa, Idaho, were guests in the Cecil Gruell home Friday and Saturday of last week.

Mrs. Henriks is a sister of Mrs. Mary Ottosen.

Easter dinner guests of Mr. and Mrs. Eldon Heimgartner were Mr. and Mrs. Sam Gruell, Mr. and Mrs. Cecil Gruell and son Kenneth and Mrs. Mary Ottosen, all of Juliaetta, and Mr. and Mrs. Walter Hartung and daughters from Johnston, Wn.

Those enjoying Easter dinner at the M. C. Halliday home were Mr. and Mrs. Von Prideaux and daughter Gail of Lewiston; Mr. and Mrs. Gordon Halliday and daughter Jean of Pasco, Wn.; Mr. and Mrs. E. Wert and Mrs. Helen Campbell and daughter Vicky, all of Spokane.

Mr. and Mrs. Leland Irwin of Ritzville, Wash., and Mr. and Mrs. C. E. Irwin of Juliaetta were Saturday evening callers in the M. C. Halliday home.

Mr. and Mrs. Asa Calvert spent part of their vacation visiting in Dayton and Walla Walla.

Rev. C. E. Lichty at the United Brethren church next Saturday evening at 7:30, and Sunday morning at 11:00.

Milo Calvert, who is attending telegraph school in Spokane was home for Easter Other dinner guests at the Asa Calvert home were Mrs. Henry Kazda and Marjorie Calvert of Lewiston; Mr. and Mrs. Charles Starkey and family of Ahsahka; Mrs. Hoskins, who recently returned from California, and Mr. and Mrs. E. O. McAllister.

Mr. and Mrs. R. F. Jenkins left Wednesday morning for Swishome, Oregon, where they will make their home, and Mr. Jenkins will be employed on a logging job.

School Notes
All pupils are commencing practice for the track meet which is to be held at Lapwai, May 2nd. There will be events for both boys and girls of each age group.

Patty Nelson and Leonard Eldridge have received commendatory letters and certificates for excellence in Salesmanship from the Curtis Publishing company, for selling the most magazines in the recent school campaign. Paul Dagefoerde also received a certificate.

Sickness has kept many pupils out of school the past month, but following vacation, most all have returned to school.

Appears in Piano Recital
Nancy Lee Callison, daughter of Mr. and Mrs. Nora Callison, was presented in a solo piano recital Monday evening, April 14, at the home of her instructor, Ella May Scribner, 701 East Third, Moscow. She played the following numbers:
Minuet I, II, from the Second Partita by Bach; Second Sonata in C by Haydn - Allegro Moderato; Minuetto, Allegro; Study Op. 46, No. 16 by Heller; Moment Musical by Schubert, and Valse in E Flat by Durand. For her encore she played "Poeme" by Fblich.
After the program refreshments were served by Mrs. Callison.

Local Residents Attend Services
Christians here, as everywhere, paid tribute to the Risen Christ on Easter morning by attending the church of their choice.

Local churches were filled to capacity as worshippers gathered to again renew their faith in God and the re-birth of spring.

A warm spring day with the sun peeking through the clouds added a bright note as church goers, bedecked in their Easter "bonnets" attended services. Special music, flowers and inspirational sermons by the various ministers of this area marked the traditional day.

FRANK W. ROBERTS, PIONEER OF AMERICAN RIDGE, DIES

Frank W. Roberts, one of the early pioneers of American ridge, passed away at his home at Galt, California, Monday, April 14. He was born August 1, 1884, at Auburn, Penn.

The family moved to Illinois and then to Missouri when he was a small child. They then went to Howard, Kansas, where they lived until 1884. The Roberts family then moved west to Idaho, settling on American ridge, about five miles from Kendrick.

On September 25, 1892, Frank W. Roberts and Olive E. Callison were united in marriage. They made their home on American ridge, near Kendrick until her death on November 11, 1896, after which he spent a part of each year in Galt, Calif., with a daughter, Mrs. Don Stegman, resides.

Mr. Roberts was the seventh of eight children, none of whom survive. Four older sisters died in Auburn, Penn.; three brothers, Albert, Cyrus and Oliver accompanied the family to Idaho.

He is survived by five children: Leslie E. of Moscow; Ernest P. of Galt, Calif.; Josephine (Mrs. P. H. Manley) of Ranier, Oregon; Edith (Mrs. Jesse White) of Seattle, and Mamie (Mrs. Don Stegman) of Galt, Calif. Seven grandchildren and five great-grandchildren also survive.

Funeral services will be held at the Community church in Kendrick on Friday, April 18, at 1:00 p. m. Interment will be in the Moscow cemetery.

A Tribute To Mrs. D. J. Ingle
The entire community was deeply grieved to hear of the death of one of their beloved neighbors, Mrs. D. J. Ingle.

As customary Mrs. Ingle left here last fall to spend the winter with her son, Dr. Dwight J. Ingle and family in Kalamazoo, Mich. Later she was called to Tennessee by the illness of her sister. About two weeks ago she started west to spend the summer at her home here, stopping enroute to visit at the home of Mr. and Mrs. Kurt Ingle in Ontario, Ore.

On Thursday she suddenly became ill and was rushed to the Ontario hospital, where she passed away following a stroke, on Friday, April 11.

Her son, Dr. Dwight J. Ingle, who was in Europe on a medical lecture tour returned home by plane. He made arrangements for her funeral rites and burial to be held near her old family home at Greenville, Tenn., on Sunday, April 20th.

The passing of Mrs. Ingle leaves a vacancy which cannot be filled. Her love for nature was shown by the colorful flowers she grew by the side of the road to be enjoyed by every passer-by; Her love for people was shown by her numerous kind deeds and gracious hospitality.

The contributions Mrs. Ingle has made to church, Red Cross and other work beginning with World War I and for the betterment of this community for over 40 years will stand as a living memorial in the lives of her many friends.

— Blessed be her memory!
Word was received here Tuesday by J. M. Woodward that Mrs. A. R. Locke had passed away at Everett, Wn., Monday morning. She had undergone surgery for goiter, and had never regained consciousness.

Mrs. Locke is an old-time resident of the Leland area, and well known here.

Further details are lacking.
Many Take Obligation
Sunday morning at the regular worship service Rev. F. C. Schmidt received the following group for baptism and membership into the Community church:

Baptisms: Randolph Lester Wallace, Donald Ingle, Marjorie Ingle, Richard Dale Watson, Danny John Watson, Ronald Ray Watson and Donna Rae Watson.

Members received by transfer were Mrs. Lora Jean Albright, James Albright, Mrs. Gerald Ingle, Mr. and Mrs. Elmo Eldridge, Mr. and Mrs. Wm. Johnson, Mr. and Mrs. Robert P. Nelson. On confession of faith: Mrs. Carl Gustafson, Lorine Steigers, Gerald Ingle, Donald Ingle, Marjorie Ingle, Wallace Delos Miller, Geraldine Onstott and Mrs. James Albright.

Members received from the Preparatory class were: Randy Wallace, Darrell Brocke, Gerald Bateman, Leonard Eldridge, James Nelson and Patty Nelson.

Two New Arrivals
Mr. and Mrs. Duane Cox are the parents of a 6½-pound son, born to them Sunday, April 6, at the Davidson Nursing Home.

Mr. and Mrs. Daymon Schneider of Lenore became the proud parents of a 6½-pound son at the Davidson Nursing Home, Friday April 11.

Mothers and babes in both cases are doing nicely.

NEWS ITEMS ABOUT LELAND RESIDENTS AND FRIENDS

Homemakers To Picnic April 12

Mr. and Mrs. L. D. Crocker entertained

(Continued On Page 2)

Donate To Camp Grizzly

As their contribution to the Camp Grizzly development program, Boy Scouts and leaders of Troop 149, Kendrick, sent a check for \$55 to the Lewis-Clark council office, Harry N. Michelson, area Scout executive, reports.

With the check came this note: "We'd like to buy a new tent for the Scouts who will attend Camp Grizzly this summer."

Recently the Moscow Lions Club subscribed \$500 for the construction of a new shower house at the camp site to aid the development program now underway.

COMMERCIAL CLUB MEETS; ENTERTAINS 17 GUESTS

Last Wednesday evening, April 9, the Kendrick Commercial Club met at Burt's Confectionery for their regular monthly 6:30 dinner. Special guests of the Club were Coach and Mrs. Denis Racicot; Mr. and Mrs. Herb Millard of Moscow; eleven members of the Kendrick basketball team, and Dorothy Glenn and Donna Kanikkeberg, yell queens. There were 21 Club members present.

At the conclusion of the dinner the group adjourned to the Fire Hall at 7:30 o'clock, with A. O. Kanikkeberg, president, presiding.

Minutes of the previous meeting were read and approved, and bills allowed.

Tom Long, reporting for the Highway Committee said that a group of 16 from Little Bear ridge had met with the commissioners of the Kendrick Highway District and had donated \$500.00 to the district to help fix up the Little Bear ridge grade. The district planned to do some blasting to take off some corners, widen the road, and make other repairs. He added that other roads in the district were in fair condition for this time of the year.

For the Education Committee Ben P. Cook reported that the school was a busy place these days with several important events scheduled to come up, including the Junior-Senior Banquet, Music Festival at Lewiston, and a number of others. He added that the local athletic field is in fair shape, and several ball games are scheduled.

Tom Keene, general chairman of the coming Parade Day activities, appointed the following to assist him: Marvin Long, Ross Armitage, Dee Miller and Dr. D. A. Christensen. He urged every business house in Kendrick and Juliaetta to have a float or some other representation in the parade that day, and suggested that all places of business offer "Parade Day Specials." Tom added that an effort would be made to get "Miss Idaho" to attend; the 49ers are scheduled to appear, and Rev. F. C. Schmidt stated he would try to get Miss Patti Murphy of Lapwai to attend.

Ross Armitage reported on the prospects for a town baseball team. Goodly interest has been shown to date and those taking part have signified that they desire to be members of the Lewis-Clark league. Mr. Armitage pointed out that there is a need for bleacher seats and toilets at the field. After some discussion A. O. Kanikkeberg appointed Ben P. Cook, Jack Kuykendall, Ross Armitage and Dennis Racicot to survey these needs and report back to the Club.

Frank Abrams of the Fish and Game committee stated that there were now many elk as well as deer in the Cedar creek area. He also reported that fishing at Lake Pend Oreille was reported as poor.

Dr. Christensen of the Boy Scout committee said the Scouts are still working. They had piled brush to help pay for a tent to be used at Camp Grizzly.

Frank Abrams said there was need for a desk at the Fire Hall which could be used by the Commercial Club as well as by the Firemen. He reported that the Potlatch Derby had netted the Firemen \$82.00.

There being no further business to come before the group, adjournment was taken until next month.

Bridal Shower
Gerri Onstott, daughter of Mr. and Mrs. Manning Onstott, was complimented with a bridal shower Tuesday afternoon in the Community church basement. Hostesses included Mrs. Clarence Wilson, Virginia Zimmerman, Mrs. Don Jensen and Dorothy Wilson.

The afternoon was spent playing appropriate games, with Mrs. H. C. Schupfer and Mrs. George Brocke, Jr., winning prizes. The rest of the time was taken up watching the honor guest open and display her many lovely gifts.

The refreshment table was centered with a beautifully decorated angle food cake. The bride-to-be cut the first piece, and then the hostesses served the guests cake and ice cream.

Miss Onstott is the bride elect of Wallace D. Miller, son of Mr. and Mrs. Don Miller. The wedding is scheduled to take place in May.

New Creamery Equipment
The week saw completion of installation of several pieces of new equipment at the Kendrick Creamery. In addition to a new pasteurizer, filter, etc., for the care of milk, the new homogenized milk machine was also put in operation, and that product is now being offered to the public.

In this latter process the milk is put under extreme pressure, the globules of fat are broken down by the pressure and blended into the body of the milk in such a way that no cream will rise to the top.

NEWSY ITEMETTES FROM AMERICAN RIDGE AREA

Hi-Hope Club
The Hi-Hope Club will meet with Mrs. Walter May, instead of Mrs. Walter Benschoter, as stated in last week's paper — the rain changing plans. However, Mrs. Benschoter will serve.

All will answer roll call with "My Favorite Spring Flower." All are also asked to bring their Cancer Fund donation.

Mrs. Helen Hunter will show a follow-up on "Color In The Home."

Other News
Mr. and Mrs. Geo. Havens and family, Mr. and Mrs. Henry Brammer of Juliaetta, and Mr. and Mrs. Ira Havens of Moscow were Sunday dinner guests of Mr. and Mrs. Carl L. Wegner in Pullman. The dinner honored the wedding anniversary of Mr. and Mrs. George Havens and the birthday anniversary of Mrs. Wegner, which occurred on Friday.

Mr. and Mrs. Hiram Galloway had as week-end guests their daughter and granddaughters, Mrs. Paul Arbogast and girls from Pasco, Wash. Mr. Arbogast brought them over on Thursday and called for them Sunday, all returning home that evening.

Tommy Long of Spokane, Mr. and Mrs. Maurice Long and Pat Long, Moscow, and Henry Lien were Easter dinner guests of Mr. and Mrs. Tom Long.

Writes From Korea

Under date of April 3, from Sabanggo-Pi, Korea, Pfc. Gilbert Candler writes:

Hi, Bill: I guess I am long overdue on writing a line, but it seems like we have been one busy bunch around here. They have kept us on the run with communication equipment to get out, and working late at night was the only way that it could be done. But the last few days have been peaceful and quiet. Maybe it's the quiet before the storm again, as we are supposed to get some ROKA equipment in. The past few days about all the traffic we have seen is moving back off the line. Seems to be, too, that it has been pretty quiet here on the west central front. In fact, too quiet to suit my frame of mind.

We have been having typical spring weather around here so far, with the usual showers, wind storms and cool mornings — and there's even a green speck of grass here and there. I'll admit there isn't much of it, but none-the-less it still looks good to me. These "toothpicks" they call trees — well, I've given up all hope for them.

Thanks again for the paper, Bill, it surely is good reading regardless of the fact that the dates are a little off by the time it reaches me. As ever, Gilbert.

Music Festival Opens Thursday
 The Second District Music Competition Festival will open Thursday morning in Lewiston, and 2,500 high school students from northern Idaho are expected to participate. Heretofore this event has included District I of northern Idaho, but this year the advisory board admitted only District II.

The festival will hold its first performance Thursday evening, at which time the K. H. S. band and mixed choruses will appear.

On Friday the local group, consisting of the K. H. S. band and Jr. and Sr. Girls choruses, under the direction of Burke Sower, will leave for Lewiston in the morning by bus to appear for individual rating. This will be a short session, all returning in time for the buses to make their regular runs.

Saturday will include massed rehearsals in the morning for bands, orchestra and choruses. The parade is scheduled for 1:15, after which there will be time for more rehearsals. The grand finale will be the evening performance, scheduled for 8:00 o'clock in the Lewiston High school auditorium.

This annual festival motivates more than meets the eye. It is a high point in the year for all students who participate.

Taking Aptitude Tests
 Achievement and Aptitude tests are being given Wednesday and Thursday to grades 2, 4, 6, 8, 10 and 12.

The Achievement tests are being offered to the grades under the direction of Dr. Mabe from the Psychology department at the U. of I. She is being assisted by three students.

The Sophomores and Seniors will take Aptitude tests under the direction of Dr. Eugene Giles, also from the Psychology department at the U. of I., who will be assisted by a corps of six students from the department.

The tests, when completed, will be returned to the University, where they will be machine scored, so the results will not be known until a later date.

Kindergarten Began Monday
 Kindergarten opened Monday morning in the Community church basement. The following 13 children are enrolled: Bobby Wilson, Freddy Silflow, Raymond McDowell, Janet Eldridge, Ida Glenn, Donna Johnson, Flamona Peters, Carol Vincent, Ardene Nye, Karen Gaskill, Irvie McGeachy, Carla Nutting and Gary Denner.

WHAT CAMERON FOLKS ARE DOING THESE DAYS

Miss Emma Hartung and Mrs. Ida Stoneburner visited with Mr. and Mrs. G. F. Cridlebaugh and daughters in Lewiston Orchards, Tuesday. Wednesday all drove to Spokane to visit Mr. and Mrs. Jack Schmidt. They returned home Thursday.

Miss Hermina Meyer, who is a student at Pacific Lutheran College at Parkland, Wash., and a girl friend, Irene Hansen from Prince Rupert, Canada, also a P. L. C. student, spent the Easter vacation with the former's parents, Mr. and Mrs. Herman Meyer and family.

Thursday evening visitors in the Emma Hartung and Ida Stoneburner home were Mr. and Mrs. Walter McCall of Kendrick, and Carl Hartung, Sr., of Richmond, Calif., who is here on a visit.

Mr. and Mrs. Kenneth Sinclair of Moses Lake, Wash., spent the week-end here with her parents, Mr. and Mrs. Gus Kruger, and other relatives.

Sunday dinner guests of Miss Emma Hartung and Mrs. Ida Stoneburner were Mr. and Mrs. G. F. Cridlebaugh and daughters Shirley and Jeanette of Lewiston. In the afternoon Mrs. John Schwarz was a caller.

Mr. and Mrs. Homer Parks entertained at dinner Sunday for Mr. and Mrs. Herman Meyer and family; Mr. and Mrs. Marvin Silflow and family; Mr. and Mrs. Gerald Schmidt and family; Mrs. Ernest Schmidt of Lewiston Orchards; Mr. and Mrs. Wally Christensen and family of Spokane; Mrs. Harry Roach of Spokane, and Hermina Meyer and Irene Hansen of P. L. C.

Easter dinner guests of Mr. and Mrs. Otto Silflow and son Roy were Mr. and Mrs. Harl Whiting, Mr. and Mrs. James Whiting, Herman Silflow and Mr. and Mrs. Ray Whiting, the latter of Lewiston.

Mr. and Mrs. Gus Kruger had as their guests on Easter Sunday Mr. and Mrs. John Blankenship and children, Mr. and Mrs. Kenneth Sinclair, Miss Elsie Kruger and Carl Kruger.

Mr. and Mrs. Edwin Mielke and family spent Sunday with her parents, Mr. and Mrs. L. S. LaHatt, in Pomeroy.

Mr. and Mrs. Ernest Brammer were Sunday dinner guests of her parents, Mr. and Mrs. Roy Ramey, in Kendrick.

Wednesday evening dinner guests of Mr. and Mrs. Harl Whiting were Mr. and Mrs. Loren Taylor and son Eldon of Lewiston; Mr. and Mrs. James Whiting, and Mr. and Mrs. Vern Whiting of Lewiston, the latter staying over night.

Among those who spent Monday in Lewiston were Mr. and Mrs. Kenneth Wilken, Mr. and Mrs. John Blankenship, Mr. and Mrs. James Whiting, Mrs. Otto Silflow, Mr. and Mrs. Edwin Mielke and Mr. and Mrs. August F. Wegner.

Mr. and Mrs. Kenneth Wilken entertained at dinner Sunday for Mr. and Mrs. George Wilken and daughter Marlene of Kendrick and Mrs. Hattie Johnson of Peck.

Mr. and Mrs. Ted Weyen and children were Easter dinner guests of her mother, Mrs. Hattie Sparger, in Clarkston.

Mr. and Mrs. Walter Koepf and family were guests of Mr. and Mrs. Henry Wendt on Easter Sunday.

Mrs. Theodore Brash of Nezperce was an over-night guest in the Harry Newman home Saturday. She is Mrs. Newman's grandmother.

Sunday Miss Helen Mielke and Ted Mielke pooled their dinner with Mr. and Mrs. Fred Newman in the home of the latter. Mr. and Mrs. Harry Newman and daughter Linda were evening visitors.

Mr. and Mrs. Walter Silflow visited with Mr. and Mrs. Gus Kruger Monday evening.

Mr. and Mrs. Harry Newman and daughter and Mrs. Theodore Brash were Sunday dinner guests in the Fred Hadley home in Juliaetta.

Mr. and Mrs. Ernest Brammer visited in the Ervin Lohman home Sunday evening.

Those who are taking the Home Demonstration Sewing Course this week at the Cameron hall under the leadership of Mrs. Helen Bowling are: Margie Silflow, Gladys Whiting, Rosalie Blankenship, Marjorie Wilken and Nettie Penland. Anyone interested in watching is welcome to attend.

Mr. and Mrs. Herb Schwarz entertained at dinner Sunday for Mr. and Mrs. Harold Silflow and daughter Kathy, Mr. and Mrs. Carl Koepf of Juliaetta and Ernest and Ernie Heimgartner.

Betty Blankenship visited school Tuesday.

Mr. and Mrs. Glen Wegner and family and Mr. and Mrs. C. H. Fry of Kendrick visited over Easter in the Dan Gilliam home at Walla Walla.

Mr. and Mrs. Dan Sullivan of Lenore were Easter dinner guests of Mr. and Mrs. August F. Wegner and sons.

The Junior Mission Band enjoyed an Easter Egg hunt given at the hall on Saturday afternoon. Twenty-three youngsters were present.

New Posting Machine
 The Farmers Bank last week-end completed the installation of the very latest type of posting machine, the equipment now being in use on ledger work, and later will also be used in the preparation of the bank statements, issued monthly.

This new piece of equipment cuts the labor of ledger work down greatly, as it eliminates the transferring of figures, carrying them as separate items, and then giving a total of the whole.

P.-T. A. Meeting Monday
 The regular monthly P.-T. A. meeting will be held next Monday evening, April 21, at Juliaetta, with Miss Helen Mielke as program chairman. Hostesses for the evening are the Cameron and Big Bear ridge ladies.

At this time a group of students from foreign lands who are attending the University of Idaho will be present and give brief talks. Installation of officers is also a part of the evening's program.

Big Bear 4-H Club Meets

The Big Bear Ridge 4-H Club met Tuesday, April 8 at the Vern Dunham home, with the meeting called to order by Leland Slind, president.

Reports on projects were given by the members and projects for the far this fall were chosen. The group was divided into the separate divisions to study Health, Rural Electrification, Tractor Maintenance and other various subjects.

Delicious refreshments were served at the close of the meeting, followed by a recreation period.

Easter Party

The children of the Community Church Sunday School were feted at an Easter party Saturday afternoon in the church basement by the High School Sunday School class.

The children were first treated to a puppet show which was presented by the High School group. Following this, the little folks were taken to the park for an egg hunt. This proved to be a gala affair, as the children searched in the grass and shrubs for the brightly colored eggs. Treats for all climaxed the affair.

YOU GET MORE POWER FROM B.F. Goodrich

POWER-CURVE TRACTOR TIRES
Power-Curve cleats dig into any kind of soil and hold firm. That's why these king-size cleats give you maximum traction — not only in forward gear, but in reverse, too. You get added pulling power—even in muddy going — because Power-Curve cleats are curved to stand rigid.

The famous BFG open-center tread flexes as the tire rolls. Dirt drops out, leaving each arrowhead nose clean to bite the soil better. And Power-Curve cleats dig deeper and wear longer because they're higher in the center than those of the other two leading makes. For more power in your tractor work, get the B.F. Goodrich Power-Curve tire!

NYLON SHOCK SHIELD INCREASES TRUCK TIRE LIFE

The exclusive BFG Nylon Shock Shield* gives you greater mileage, increased bruise resistance, less danger of tread separation, more recappable tires.
*In tires with 8 or more plies.

Get Fresh Fish at Blewett's Market Thursday!

Sawmill Operators School
Moscow — A small sawmill operators school will be held at St. Maries, April 17, 18 and 19 for all mill operators or people interested. The school will cover the fields of log supply, marketing problems of the small mill, quality control, saws and saw fitting, power requirements and mill layout.

The leadership for the school will come from throughout the Pacific Northwest. A representative from the Corley Manufacturing company of Portland will discuss mill layout. The Henry Disston and Sons Saw company are sending two men to discuss saws and saw fittings. Other leaders from private companies and government agencies will discuss topics from their respective fields.

This meeting is in response to requests for a follow-up of a similar meeting, sponsored by the University of Idaho Extension Service, held at Moscow last year. E. L. Williams, county farm forester, in urging all small mill operators to attend, said he thought the meeting would be helpful to all small mill operators in this area.

Out Of Season

Deer season is over, but crewmen on a branch line just out of Shoshone bagged three animals anyway. The train ran into a band of eight deer on the railroad tracks, killing three and injuring two others.

Bird's Eye Fresh Frozen Foods of many varieties are obtainable at Blewett's Grocery-Market in Kendrick — and they're good. 1-adv.

MICKIE SAYS—

YEP, WE KNOW THIS HERE NEWSPAPER AIN'T THE WORLD'S GREATEST — BUT NEITHER IS OUR TOWN — WE DO TH' BEST WE KIN, IN OUR FIELD

Thank Practical Eskimos For 'Deep-Freeze' Invention

Thanks to practical Eskimos and a shrewd Yankee fur trader, we are now able to have seasonable fruits and vegetables "fresh" at any time of the year. The quick-freeze pack keeps them fresh.

The Yankee fur trader is Clarence Birdseye of Gloucester, Mass., who still indulges his fancy for adventure in the Far North. While dealing with Arctic Eskimos up the Labrador coast during 1912, he was amazed at the excellent meat and fish they seemed always to have available. The secret was in the quick-freezing of game freshly caught. "Quick-Freeze!" That was the Big Idea he mulled over as he sailed home. Invent a special kind of freezing machine to freeze almost instantly, patent it, make fresh foods available to everyone!

Inspired by this thought, and stimulated by this hope of protection afforded by our patent system, he built his first crude machine which he called the "Multiplate Quick Freeze." This consisted of a new garbage can of corrugated iron with layers of steel plates between which codfish and rabbit meat were placed. It was supplied with coils that contained salt brine as a refrigerant. Incredible, but true, this unpolished mechanism was the forerunner of our gigantic lockers of today. Encouraged by the success of his invention in food preservation, and the patent protection obtained thereon, Birdseye endeavored to promote his idea.

A skeptical America was not too eager to accept quick-frozen foods, and our inventor, in 1924, after making stabs in both Gloucester and New York, went broke. Unbeaten, his perseverance and ingenuity urged him to try again and, in 1927, after securing a \$2,250 loan on his life-insurance policy, and obtaining \$375,000 from backers, he again launched into the business. This time it took a year to interest the public sufficiently.

Cretaceous Geological Period Shale Collected in Fresno

More than a ton of shale and marl containing 100-million-year-old fossils, collected in Fresno County, Calif., last summer by Dr. Alfred R. Loeblich, Jr., Smithsonian Institution paleontologist, is being processed at the U.S. National Museum.

The Fresno County locality has one of the thickest known deposits — in some places as much as 25,000 feet — of sediments laid down in the ancient sea bottoms during the Cretaceous geological period, the heyday of the great dinosaurs on land and of the weird swimming reptiles, the plesiosaurs in the sea. The material collected by Dr. Loeblich, however, contains fossils far less conspicuous than these monsters, but in some ways they represent even stranger forms of life. They are minute Foraminifera, or shelled protozoans. Although constituting a very large branch of the Animal Kingdom, the Protozoa are one-celled animals and nearly all are microscopic; the best-known of the living forms are internal parasites which cause some of the most deadly diseases.

Foraminifera are a specialized group of Protozoa that build an external shell, and these shells may be preserved as fossils. During the Cretaceous period, represented by the material collected this summer, many of the more modern shell forms were first developed. These fossil shells are often used by the oil industry to determine the age of geologic strata and thus are of economic importance, as well as being of value to the scientist in showing evolutionary trends.

Although single-celled, such sea creatures may have many chambered shells. As they grow they form new chambers all connected by openings through which the protoplasm of the cell flows. But, however many chambers of this sort are produced, the protoplasm is continuous through all and the animal still remains a single cell.

Looking Back

Haile Selassie's 1,150-man, hand-picked battalion in Korea is a far cry from the desperate army he raised in 1935. Then, as Mussolini's men marched into his land, he issued this draft notice: (1) When this order is received, all men and boys able to carry a spear will go to Addis Ababa. (2) Every married man will bring his wife to cook and wash for him. (3) Every unmarried man will bring any unmarried woman he can find to cook and wash for him. (4) Women with babies, the blind and those too aged and infirm to carry a spear, are excused.

Ptolemaic System

The Ptolemaic System was the ancient concept of the universe, proposed by the Greek astronomer Hipparchus, who lived about 130 B. C. It is named after Claudius Ptolemy, a later astronomer, who popularized it in a famous book known as the Almagest. According to this system, the Earth was fixed at the center of the universe, and the Sun, Moon, planets and stars all revolved around it in varying periods. It has been superseded by the system proposed by Copernicus in 1543, which places the Sun at the center of the Solar System, and has the Earth as one of a number of planets revolving around the Sun.

A "high [and] spirited" Washington Water Power line crew celebrates placement of another "big stick" in a new line to serve the Moscow, Idaho, area, way back in the early 1900's.

... since horse-and-wagon days

the Washington Water Power Company has continuously extended its lines . . . to bring low-cost electricity to more and more Inland Empire farms.

Before many eastern cities had the advantages of electrical living, W.W.P. had brought low-cost Reddy Kilowatt electricity to light the homes and power the equipment of many farms and ranches in the Palouse and Medical Lake areas.

During the same long period the Company encouraged study by colleges and its own research staff, to find new and improved ways electricity could serve on the farm and in the farm home.

Today . . .

thanks to the cooperative efforts of W.W.P., other private enterprise electric companies, and the REA,

NEARLY 100% OF THE FARM HOMES IN WASHINGTON AND IDAHO ARE ELECTRIFIED!

AND this year W.W.P. will complete its big new \$40,000,000 dam and generating plant at Cabinet Gorge on the Clark Fork River . . . and place 200,000 additional low-cost "Reddy" kilowatts at the service of the area's farms, homes, and industries.

THE WASHINGTON WATER POWER CO.

Oldest Living Thing in U. S. Has Rival in Olive Tree

Thousands of years from now California may boast of possessing two types of trees that were growing here in the 20th century. One of these is the Sequoia, or giant redwood, a few species of which already have grown in the Golden State for over 4,000 years. The other is the olive tree, a comparative newcomer to the U.S.

The olive tree, although estimated to have lived in Mediterranean countries for periods of time equal to that of the Sequoia, did not join this other ancient perennial in California until about 1769. It was in that year that Franciscan padres planted the first olive tree cuttings around their missions.

The modest efforts of these religious men to provide a little shade became the basis of an industry which, according to the California Olive Association, now nets some 2,200 growers in the U.S. about \$10,000,000 annually.

It was not until the late 1890's that olives were available commercially in this country, even in a limited amount. Then improvements in canning processes and development of the modern type metal container by the American Can Company gave olives a new life in the new world. During the last 60 years the olive orchard "population" has grown steadily from less than 1,000 acres to about 26,000 acres last year. They now produce an annual crop of over 40,000 tons of olives. Of the 25,000 tons sold for canning, 98 per cent go into metal cans, the remainder in glass containers.

The ripe black olive of California, gathered when fully matured, has a rich oil content and is marketed in nine different grades, ranging in size from "standard" to "super-colossal." According to Professor M. E. Jaffa, nutrition specialist at the University of California, the ripe olive has about double the caloric value of the green olive.

Transfusions Through Arteries Said Life-Saving Measure

The rapid transfusion of blood through an artery, instead of through a vein as is usually done, has been described by two Washington surgeons.

Drs. Charles S. White and Donald Stubbs of the Research Foundation, Doctors Hospital, Washington, said the method has been found "safe, practical and life-saving."

Intra-arterial transfusion, they reported, has been found most effective in cases where the heart beat has stopped or has become almost imperceptible following a heavy loss of blood.

"It should be emphasized that this type of transfusion is not a proper substitute for intravenous transfusion except in those cases in which the blood pressure is very low, or cannot be recorded, or in arrest of the heart action from hemorrhage," they said.

"In the latter cases, blood introduced into the veins, even under pressure, has a long route and a slow one to reach the coronary arteries (supplying the heart), even if it could be forced or propelled in some manner through the right chambers of the heart and lung. The most direct route to the coronaries is the arterial highway."

The Washington surgeons said that with blood pressure at zero and no pulse to be felt, circulation was repeatedly restored "in an unbelievably short time." They added:

"It is accepted generally that resuscitation is futile if more than seven minutes elapses after the heart action is arrested, as irreparable damage to the cerebral cells ensues, and if life is maintained the facilities remain permanently damaged. Some remarkable exceptions to this statement have been reported, but usually not well authenticated."

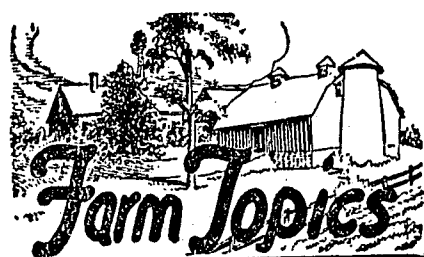

Fire in the Desert

Abadan, an oil city of some 140,000 people, only 40 years ago was a desert island in the sun-baked delta below the junction of the Tigris and Euphrates Rivers. In a great geologic trough beneath the Mesopotamian river basin waited a hidden treasure. It remained for an Australian wildcatter named William Knox D'Arcy to drill 1,180 feet through Iranian limestone and bring in a gusher in 1908.

Wild tribesmen had ridden into Persia thousands of years before and found ooings of gummy black bitumen to fire their lamps and bind the materials of their buildings, tools and weapons. Alexander the Great marched through Persia, his horsemen collecting naphtha and pitch from evil-smelling pools to strike blazing terror among the war elephants of enemies he met later.

Habits

Habits are easily formed, but not nearly as easy to break. According to Professor William James, Harvard psychologist, it is not enough just to decide to break a habit—one must decide wholeheartedly and not let a single exception occur. Habits should be broken off abruptly, and not gradually. Taking sleeping pills in a dangerous habit as well as an unnecessary one. Good bedding is all that's needed for sound, restful sleep as long as there are no physical ailments.

Good Pasture Program Means More Profits

Over-Grazing Can Kill Out Pasture Growth

Now is the time to plan a "complete pasture program" that will give your dairy cattle an abundance of high quality, low cost feed at all times next year, says the Middle West Soil Improvement Committee.

The farmer who has an all-season supply of succulent forage, grass silage or hay is the farmer who will have bigger milk checks, lower feed costs and more overall profits, the committee points out.

Earl Jones, Ohio State University extension agronomist, says that a well-rounded pasture plan should include: (1) Seeding well adapted legume-grass mixtures; (2) The use of lime and commercial fertilizer; (3) Good grazing management.

Jones recommends alfalfa, ladino clover and grass for summer grazing. Where alfalfa does not thrive, ladino clover and grass will do a good job. Timothy, brome grass or orchard grass may also be used. He cautions farmers to avoid killing out pasture growth by over-grazing and to provide palatable and nutritious pasture by avoiding under grazing. Jones suggests dividing pasture areas into lots. Cattle are allowed to graze down growth in one lot and then are moved to another.

Along with good legume-grass mixtures and managed grazing, Jones emphasizes the benefits from adding lime and fertilizers carrying nitrogen, phosphate and potash.

Poultry Industry Expects To Boost Production

One of the nation's newest agricultural industries is expected to boost the value of poultry products beyond the four billion dollar mark this year.

This new industry—known as the broiler industry—is expected to account for almost half the chicken meat consumed in 1951, compared to an almost negligible amount 15 years ago. Poultry breeders have succeeded in developing chickens that eat less and still grow from two to three weeks faster to reach marketable size.

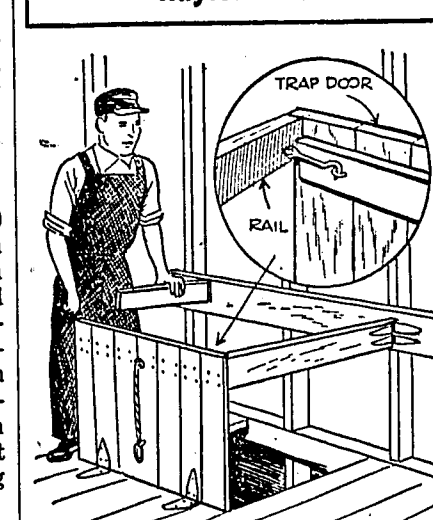

H. H. Alp, Director of Commodity Departments for the American Farm Bureau Federation, recently credited the success of the new industry to the nationwide Chicken-of-Tomorrow program sponsored since 1945 by A & P Food Stores.

Only a few years ago, according to U.S. Department of Agriculture reports, most of the chicken meat consumed in this country came from so-called "backyard flocks." Records of specialized broiler production in 1934 show that these chickens accounted for only 3 per cent of total consumption of 18.8 pounds of chicken per capita. In 1951 broilers are expected to account for 51 per cent of a per capita consumption of 29.7 pounds.

H. H. Alp, Director of Commodity Departments for the American Farm Bureau Federation, recently credited the success of the new industry to the nationwide Chicken-of-Tomorrow program sponsored since 1945 by A & P Food Stores.

Only a few years ago, according to U.S. Department of Agriculture reports, most of the chicken meat consumed in this country came from so-called "backyard flocks." Records of specialized broiler production in 1934 show that these chickens accounted for only 3 per cent of total consumption of 18.8 pounds of chicken per capita. In 1951 broilers are expected to account for 51 per cent of a per capita consumption of 29.7 pounds.

Hayloft Door

If you have a trap door in your barn loft, here is an idea that could possibly save you a dangerous fall. Fit it with guardrails as shown above. The rails, which are hinged to the barn wall, swing outward and are hooked to the trap door when it is in the upright position. When the door is closed the rails are folded flush against the wall.

Frozen Foods Show Huge Gain During Past Year

A record percentage of farm produce is moving to consumers in frozen form. Figures compiled by A & P Food Stores, operator of 4,500 markets in 37 states with six million customers daily, show an overall increase in frozen food sales of 38.9 per cent. Leading this list of foods are citrus juice concentrates orange and grapefruit juice, a blend of the two, and lemon mix. Peas and strawberries also increased.

Game License Sales Up

The state fish and game department reported license and game tag sales for 1951 showed minor increases in most resident classes over 1950 sales with major gains in non-resident licenses issued.

Mrs. Fay Whitson, license clerk, said that true comparison could not be made until final returns had been received from 14 vendors who have not completed their 1951 accounts.

Resident combination licenses led all classes in number with 118,198 issued. This was an increase of 1,147 over last year. Resident game tickets sold 843 more than in 1950 with 45,285 purchased. Resident fishing license sales dropped slightly from 42,046 to 41,399.

The department said that the greatest gain on a percentage basis was reflected in non-resident combination hunting and fishing licenses, when 2,219 were sold as compared to 1,182 the previous year. The non-resident combination sells for \$50 each. The department added that this was the largest number of this class ever sold.

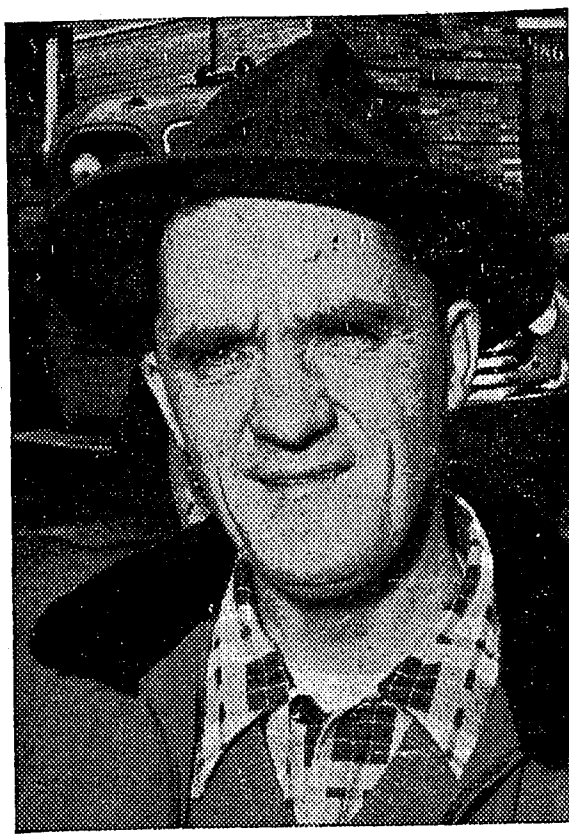

Non-resident season fishing tickets increased 1,612 over 1950 sales, with a total of 11,294 issued, while tourist fishing licenses jumped 4,852 over last year to reach a total of 36,192. Sales in these two classes were also the highest in department history.

Big game hunters also contributed to the record when they purchased 98,245 deer and 42,740 elk tags during 1951. Previous high sales recorded for game tags were in 1950 when 89,178 deer tags and 33,855 elk tags were purchased.

Shop at Blewett's Grocery Market, Kendrick, for all kinds of fresh and fresh-frozen fruits and vegetables, fish and fowl. Serve yourself and save. 1-adv

Remember — the busiest man is the happiest man.

MICKIE SAYS—

"What do you do with all the money you make?"

Standard's income sometimes raises such comments as: "You people do a lot of business. You must be rolling in dough. How about answering this one—What do you do with all the money you make?"

The answer is a matter of public record. But in brief—after we've paid for materials, wages, employee benefits, and miscellaneous expenses...wear and tear on plants and equipment...interest on our long-term debts...and, in the last 5 years, more than \$405,000,000 in taxes—then what's left, the "money we make," goes this way:

Exploration here and abroad has cost us more than \$229,000,000 in the last 5 years. Known crude reserves are at an all-time high. But these deposits were the easiest to discover. Though the earth holds vast hidden reserves, it now costs many millions to find each new field.

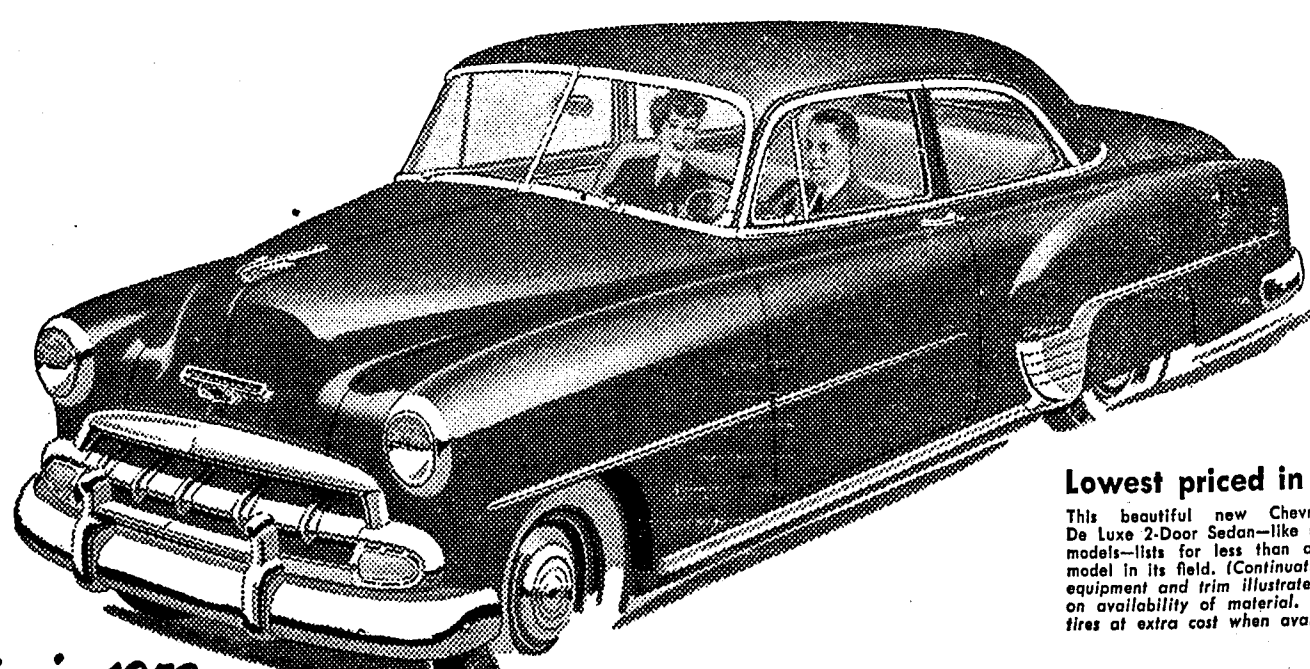

And finally, after setting aside funds for future operation, our more than 100,000 shareholders get what money remains—last year \$2.60 a share, their return on savings invested in Standard. So almost all the "money we make" goes right back into circulation.

We invest in research and technical service—more than \$35,000,000 in the last 5 years—to develop better ways of finding oil, increasing the yield, cutting costs, creating new business. That brings you new and improved products, with prices held down as we compete for your patronage.

We put funds into facilities—in the last 5 years, more than \$644,000,000. The need for oil products keeps growing. Standard must replace old wells, increase crude oil production; add to the capacity of refineries, pipelines, tankers, and other things needed to serve you well.

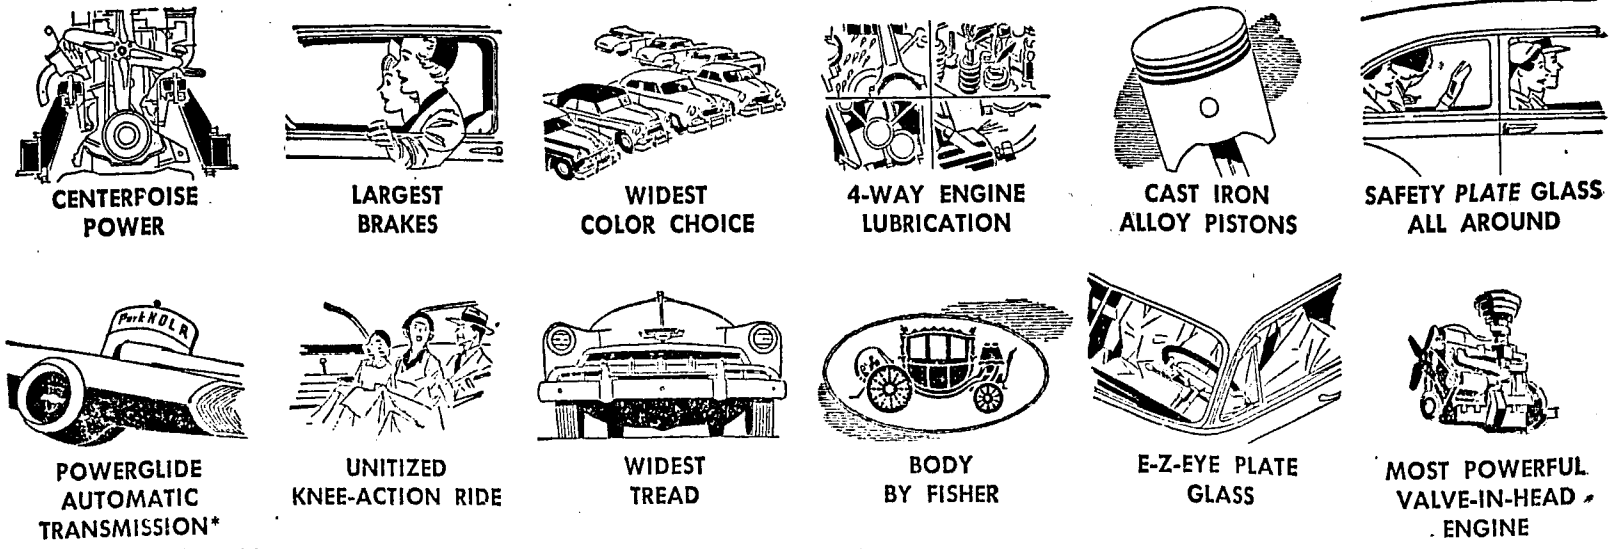

STANDARD OIL COMPANY OF CALIFORNIA
• plans ahead to serve you better

GOLDEN RULE

April 15 — Don't forget the free show at the Southwick gym. The name of the picture is "Old California," Friday, April 18, 7:30 p. m. It will be shown by Irv. Faling of the Prairie Flour Mills, Lewiston. The doors open at 6:00 for games and eats. Proceeds go toward the school hot lunch program.

Mr. and Mrs. Bruce Tarbert and children came up from Lewiston on Tuesday evening. Mrs. Tarbert and children remaining to spend the spring vacation with her parents, Mr. and Mrs. Roy Martin, returning home Sunday.

John Ziemann and Dean Paddock of Sweet Home, Oregon, are in our midst, preparing to start logging as soon as the weather permits.

Jack Kelsey of Lewiston spent several days with George Finke the past week.

Mr. and Mrs. George Wilken and James Diehl, the latter of Hermosa Beach, Calif., who was visiting them; George Finke and Jack Kelsey spent Wednesday at the Glen Betts home, getting started at the installation of a water system.

The Southwick Homemakers Club met with Mrs. Hulda Harris Thursday. The day was spent making "May Basket Favors" for the Nez Perce County Home Demonstration Luncheon at Lewiston, Friday, May 2nd.

TO FAMILIES WE HAVE NEVER SERVED
Those who have never had occasion to engage the services of a funeral director must rely upon what others say, when the inevitable need arises. For almost fifty years Vassar-Rawls have been noted for professional skill, fair dealing, liberal policies. This reputation is your safe guide in calling a funeral home.

to be a co-hostess with Mrs. Ed. Gal-
loway.

Several from here attended the funeral rites for Mrs. Alvin Whitcomb in Moscow Saturday. Mrs. Whitcomb died at the Moscow hospital after a lingering illness with cancer.

Rash Of Accidents

Jerry Bateman, son of Mr. and Mrs. Grant Bateman, Kendrick, broke his left wrist Tuesday, while practicing pole vaulting.

Little Marie Heimgartner, daughter of Mr. and Mrs. Leslie Heimgartner severely cut her right hand Sunday when she missed the knob on a glass door, and pushed her hand through the glass. Four stitches were required to close the wound.

Ben Pressnall, Jr., Southwick, accidentally shot himself in the right hand between the web of thumb and hand with a .22, Monday, while shooting squirrels.

Dr. Christensen cared for all the injured and they are making satisfactory recoveries.

Grangers Met Tuesday

The Kendrick Grange held their regular meeting Tuesday evening of this week, with 20 present. Mr. and Mrs. Jack Kuykendall were given the First and Second Degree work at the business session.

Next Saturday, April 19, the local Grange will hold a luncheon and dancing party. The general public is welcome.

Grangers are also reminded that Saturday, May 3, the local unit goes to Lapwai to present a program. All are urged to attend.

Enjoy Birthday Dinner

Mr. and Mrs. Oral Craig served dinner at a double birthday celebration Sunday. Their daughter, Mrs. Arnold Wallace, and their son Ronald had birthday anniversaries on April 14, and with Easter on Sunday the dinner served a double purpose.

Guests included Mr. and Mrs. Arnold Wallace and family of Ephrata; Mr. and Mrs. Billy Weyen and daugh-

ters of Leland; Mark and Zeb Roberson of Lewiston, and Neal and Ronald Craig.

Logging Trucks Roll
Monday of this week several logging trucks began operation in this area, but hauling was of short duration, as the pouring rain that day soon softened roads too much.
Roads in this area are posted for speed and load, and considerable dry weather will be required before a great deal of hauling can be done. The eight-foot-bunk regulation, is of course, state law, so loads will be smaller per truck than last season.

Sunrise Service
The Easter Sunrise Service, sponsored by the C. C. Y. of the Community church in the local park, was attended by some 120 worshippers.

Here, a simple setting with a huge cross had been arranged by the young people, and all who came were thrilled by the ceremony.

Following the service the group adjourned to the church, where an Easter breakfast was enjoyed.

To Take Part In Show

Moscow — Gerald Chamberlain, University of Idaho agriculture student from Kendrick, will take part in the 26th annual Little International Livestock and agricultural show at the university April 21 through 26.

April Fool Movie

A Nezapere movie theater tried something different for its Tuesday, April 1, program. No advertising was released concerning the title or cast of the picture scheduled for that night, and the public was invited to come and "take a chance."

Doesn't Need Fish Line

Johnny Bennett of Salmon has found the lazy man's way to fish. While engaged in scooping a couple of islands out of the river with a bulldozer, the "dozer flipped a good-sized trout up on the bank.

It's Blewett's, Kendrick, for fresh and cured meats of all kinds. 1-adv

The next meeting will be with Millie Harris, April 24. Everyone welcome. John Pavel was a Moscow visitor Monday.

Mrs. Glen Betts accompanied the Frank LeBaron family to Kendrick Monday morning.

Mr. and Mrs. D. V. Kuykendall and son Jerry were Lewiston visitors on Saturday.

Mr. and Mrs. Pat Holliday and son of Lewiston spent Saturday night with her parents, Mr. and Mrs. D. V. Kuykendall and family.

Mr. and Mrs. Frank LeBaron and Barbara and Mr. and Mrs. Harold Pond and children of Lewiston visited at the Betts home Sunday afternoon.

Saturday night and Easter Sunday guests at the Martin home were Mr. and Mrs. Lyle Bashaw and daughters and Loy Martin of Grangemont; Mr. and Mrs. Ishmael Martin, Mr. and Mrs. Bill Eiben and Mr. and Mrs. Bruce Tarbert and children all of Lewiston, and Cpl. Stanley Martin of Spokane.

Bill O'Shaunecy of Spokane (an old army buddy) spent the week-end with George Finke.
Sonjha Hoisath spent Sunday and Sunday night with Joan Lawrence.

LINDEN ITEMS

Mr. and Mrs. Clement Israel, Jr., and daughter spent Sunday with Mrs. Lettie Israel and sons Marlin and Donald. Donald is home on a 10-day furlough, after which he expects to be stationed in Labrador.

Potlatch Chief Sez

Published by the Kendrick Creamery

HELLO, THERE, FOLKS —
Homogenized Milk Now Here —
 Yes, folks, we are now bottling homogenized milk through our new equipment. This is the milk that most all children will love, as this treatment keeps the "fat globules" in solution, preventing the cream from rising to the top thus assuring a uniform body and taste. And of course this milk is pasteurized too, going through our new pasteurizer before being put in the homogenizer.

For your convenience, and to indicate to the delivery man the type of milk desired, red tickets for the homogenized milk are now on sale at the creamery or may be purchased through Mr. Helton. Homogenized milk sells at the same price as regular. The choice is up to you.

We cordially invite you to call and inspect this new equipment. As soon as our room can be completed the "Grade A" label will be

added to our milk. But in the meantime, come in and see our plant.

 Teacher: "What is a deficit, Johnny?"
 Johnny: "That's what you've got when you haven't got as much as when you had nothing."

 Now that our new homogenizer is in operation, we will be able to offer you better-than-ever Potlatch Chief Ice Cream. This new machine will increase the smoothness and lock in the flavor of our product. So next time you think of ice cream, think of "Potlatch Chief" ice cream. It is your assurance of quality, flavor, smoothness and purity. Take some home with you and prove it for yourself.

 And don't forget — we want to buy your cream!

STONY POINT NEWS

Mrs. Newt Heath and son Eugene motored to Coeur d'Alene Wednesday to visit Mr. and Mrs. Gordon Heath and family. Mrs. Heath and grandson Jimmy returned with them that evening for a few days visit.

The Friendship Club met Thursday with Mrs. Leslie Heimgartner. A warm, sunny day enabled the children to play outdoors, and everyone had a good time. Mrs. Eldon Heimgartner will be hostess to the Club on April 24th.

Mrs. Leslie Heimgartner entertained the Women's Missionary Society of the Lutheran church of Juliaetta, Wednesday.

Don Hoisington attended a birthday party at the Raleigh Albright home Wednesday evening.

School has resumed again after a spring vacation, marked by perfect, sunny weather.

Mr. and Mrs. Walter Zimmerman and family, Miss Vivian Hoisington and Mr. and Mrs. Loren Hoisington and family were Easter Sunday dinner guests of Mr. and Mrs. Clotis Hoisington and family. Mrs. Hoisington served an unusual cake in the form of a flower-bedecked "Easter bonnet."

Pvt. Lee Heath arrived home for a leave of about a month, Saturday. Other Easter guests of Mr. and Mrs. Newt Heath included Mr. and Mrs.

Gordon Heath and family of Coeur d'Alene; Mr. and Mrs. Forrest Gibbs and family of Spokane, and Mr. and Mrs. Edgar Heath and family of Clarkston.

Mr. and Mrs. Glen Stevens and family were Sunday dinner guests of Mr. and Mrs. Willard English and family near Gifford.

Mr. and Mrs. Charles Kerby, now of Caldwell, Idaho, visited here for two days last week.

Mrs. Loren Hoisington, Mrs. Lyle Kerby and Mrs. Glen Stevens were among those who furnished special music at the Cottonwood Creek Community church Sunday.

Mr. and Mrs. Walter ZumHofe and family, Mr. and Mrs. George Denler, Mr. and Mrs. Adolph Denler and family, and Miss Beverly Greer were Easter Sunday guests of Mr. and Mrs. Leslie Heimgartner and family. Sunday evening Marie Heimgartner accidentally ran her left hand through the glass part of a door and received a severe cut on her thumb. It took four stitches to close the wound.

Mr. and Mrs. Tom Edwards and family and Mrs. Jennie Hund were Sunday dinner guests of Mr. and Mrs. Hugh Parks.

Marilyn ZumHofe accompanied Mrs. Fred Glenn to Spokane, Friday. Mr. and Mrs. Wayne Heimgartner and family spent Easter with Mr. and Mrs. Bob Heimgartner.

Mrs. Helena Brown and family and Kenneth Steigers picked with the Bill Cooper family in Lewiston, Sunday.

Mr. and Mrs. Keith Steigers were Easter dinner guests of Mr. and Mrs. Art Eller in Lewiston.

Little Charlotte Steigers spent a few days last week with her grandparents, Mr. and Mrs. Ernest Steigers.

Mr. and Mrs. Cecil Gruell and son Kenneth and Mrs. Mary Ottosen of Juliaetta; Mr. and Mrs. Walter Hartung and daughters of Johnson, Wn., and Mr. and Mrs. Sam Gruell of Juliaetta were Easter Sunday dinner guests of Mr. and Mrs. Eldon Heimgartner.

SOUTHWICK NEWS

The Homemakers Club will sponsor games and a show by Irving Faling of Lewiston for a Hot Lunch benefit at the Southwick gym., Friday evening, April 18th.

John Jennings and daughter Fernie of Salida, California are here visiting his parents, Mr. and Mrs. John Jennings, and other relatives.

Mr. and Mrs. Jack Mustoe were Easter dinner guests of Mr. and Mrs. Pete Spekter in Lewiston.

New Cameron Correspondent

Mrs. John Blankenship has taken over the writing of the Cameron news from our correspondent of many years, Mrs. Fred Newman, and any help can be given Mrs. Blankenship in the gathering of items will be greatly appreciated by her as well as by the Gazette.

The thanks of all go out to Mrs. Newman for her loyal service over the years.
