WHAT JULIAETTA FRIENDS ARE DOING THESE DAYS

Mr. and Mrs. Rex Knight and son and Mr. and Mrs. Lloyd Knight drove to Spokane Sunday to visit Mr. and Mrs. Oliver Clark. From there they drove on to Post Falls, where Mr. and Mrs. Rex Knight attended the wedding of an old friend, Betty Morris, to Bryan Christian.

Mr. and Mrs. C. O. Meyer and Mrs. Rex Knight and son spent Monday in Spokane shopping and visiting friends. While there they also visited with Minor Meyer of that city.

A surprise party was given Saturday at the home of Mrs. Lloyd Knight honoring Mrs. Vada McAllister's birthday anniversary. Those present were Mrs. Pauline Berge and Mrs. Rose Long of Pullman; Miss Ruth Leland, Mrs. Avery Miller, Mrs. Knight and Mrs. McAllister. Cake and ice cream were served.

Mrs. Susie Spray is leaving here this week for a few days' visit in the home of her sister at Palouse, Wash.

Mrs. E. W. Porter of Boise arrived here Wednesday for a visit with her sister, Mrs. Anita Brandt.

Mr. and Mrs. Eben Adams and Mrs. Lola Sutherland, all of Moscow, visited here Sunday in the home of Mrs. Anita Brandt.

Mr. and Mrs. Leland Irwin of Riverville, Wash.; Mr. and Mrs. D. E. Buckalley of Palouse, Wash.; Mr. and Mrs. John Hill of Lewiston, and Mr. and Mrs. C. E. Irwin took their lunch and enjoyed Sunday afternoon in the beautiful Spalding park. Anyone who is a lover of nature can appreciate and see the handiwork of God there.

Mr. and Mrs. Wm. Carlton, Jim Carlton and his mother were the guests of Mr. and Mrs. Dick Carlton, Sunday.

Mr. and Mrs. Raymond Steen left Monday for their home in Palo Alto, Calif., after a short visit in the home of her parents, Mr. and Mrs. Chas. Schultz, and with other relatives and friends.

Mr. and Mrs. Fred Gladen and son LeRoy of Kendrick were callers at the Chas. Schultz home, Sunday.

Mrs. Lizzie Bryant of Anshakka is visiting her sister, Mrs. Frank Ballantyne and family.

Mr. and Mrs. Avery Miller, accompanied by Mrs. Mrs. W. C. Miller, Maro, Oregon, and Mrs. Rosie Moritz, Walla Walla, visited friends and relatives last week at Coeur d'Alene, Post Falls and Newport, Wash.

Mrs. Jack Browning and children and Mrs. Edgar Lackey and children were recent visitors in the Harold Abrams home at Port Angeles, Wn. Frankie Peters and Peggy Hadley, Lewiston, visited their respective families here over the week-end.

Mrs. E. O. McAllister left Tuesday morning to attend a W. S. C. S. convention at Toppish, Wash.

Mr. and Mrs. Virgil Groseclose of Lewiston were Sunday callers at the Lura Nelson home.

Mr. and Mrs. Bill Anderson, who spent the winter in Arizona, arrived Monday to visit her mother, Mrs. Effie Stump.

Mrs. D. Helm, Troy, has been visiting her sister, Mrs. Vint Parkins.

Mrs. Edgar Lynch, Kamiah, who is visiting her mother, Mrs. Beth Wing, was honored with a bridal shower Friday evening at the Harry Sampson home.

A group of ladies from the Nazarene church gave a bridal shower at the home of Mrs. Beth Wing, Saturday afternoon, in honor of her daughter, Mrs. Edgar Lynch.

About 50 members and friends of the Nazarene church enjoyed a ball game and wicker roast at the Ben Weatherly ranch Friday evening.

On April 20th about fifty friends and relatives gathered at the home of Mr. and Mrs. Lesse Groseclose to help Mr. Steensma celebrate his 94th birthday anniversary. Those attending were Mr. and Mrs. Ike Steensma of Lewiston; Mr. and Mrs. P. J. Steensma, Mr. and Mrs. Otto Weinmann and family, Donald and Kenneth Steensma, Margaret Shaffer and Mike Wells, all of Moscow; Mr. and Mrs. Walter Fleiger and family of Pasco, Wash.; Mr. and Mrs. John Steensma and family of Belmont, Wash.; Mr. and Mrs. Gerald Kossman of Colfax, Wash.; Mr. and Mrs. Don Powe and family and Mr. and Mrs. D. E. Wakefield and family of Clarkston; Mr. and Mrs. George Groseclose and family of Juliaetta and M. G. Groseclose, Mr. and Mrs. Louis Wright and daughter Margaret of Kendrick were evening callers.

Mrs. Frank Spray entertained Mr. and Mrs. F. A. Wagner and Mr. and Mrs. E. O. McAllister at dinner Sunday.

Mr. and Mrs. E. O. McAllister were shopping in Moscow, Saturday.

Mr. and Mrs. W. E. Hecht were Lewiston visitors on business Saturday.

Mr. and Mrs. F. Wagner had as their guests Sunday evening Mr. and Mrs. E. Wagner.

Mr. and Mrs. Wm. Hugo motored to Orofino Sunday.

Again Grandparents
Mr. and Mrs. John Darby received word last week from their daughter, telling of the arrival of a baby daughter, born Easter morning, at Three Hills, Alberta, Canada. The little lady, named Wanda May, weighed in at 8 pounds, 14 ounces. She is a daughter of Mr. and Mrs. H. J. Pressnell.

A conservative is a fellow who thinks nothing should be done the first time.

Observation Post Meeting Called
A meeting looking toward the completion of the Ground Observation Corps has been called for Thursday evening, May 1, in the Leland church basement by Marvin Vincent, supervisor.

Mr. Vincent urges everyone, both men and women, who may be willing to help in this essential work, to attend. It is called for 7:00 p. m.

The Air Force is very anxious to complete these ground observation posts, and plans a test for the latter part of May, at which time Air Force planes will be in this and other areas throughout 26 states as a check on the effectiveness of the posts.

If you are willing to give a little of your time, attend this meeting.

BIG TIME PROMISED AS PARADE TAKE SHAPE

A really big time seems promised as plans for Kendrick's Third Annual Parade Day take shape.

Of course, the first item on the agenda is the parade, which begins at 10:00 a. m. Scheduled for this event are floats, a pet parade section, 4-H, Grange and other entries, the Kendrick High School Band, the '49ers, colorful riding organization from Spalding, a personal appearance of Miss Idaho, and of Princess Patti Murphy, the latter of Lapwai.

We might say that confirmation of the appearance of the '49ers was received by Tom Keene, Parade Day chairman, Monday, in a phone call from Mrs. Chub Ralston, secretary of that group. In the call Mrs. Ralston stated that the Club now numbers about 50, and that they have received new and colorful riding outfits, which promises to lend a real sparkle to the parade.

Every business house in Kendrick is expected to have an entry; and firms in Juliaetta are also being asked for entries. In addition, new cars, trucks, etc., are expected to put in their appearance.

In the afternoon, at 1:00, a band concert will be given in the city park by the High school band.

At 2:00 o'clock a ball game is scheduled for Armitage Field — so it's easy to see that there should be something doing every minute.

Other activities of the day will include a flower show, sponsored by the Red Cross Pharmacy, just as the Pet Parade section will be sponsored by N. E. Long & Sons.

There will also be a cooked food booth or two, and perhaps other activities.

So, for a good time, bring the family and spend Parade Day, Saturday, May 17, in Kendrick.

Banquet For Band Members

A banquet honoring the K. H. S. Band was given Monday evening, April 28 at 6:30 in the High school lunch rooms at Kendrick by "The Mothers" of the band members.

Following the dinner, Roger Jones, Toastmaster, introduced members on the program, first, Burke Sower, as their beloved maestro.

Next came Patti Corkill, a tap-dancer, who was introduced as a "quarter note" — she danced all over the scale.

Miss Helen Mielke gave a most humorous reading "The Kitty."

Patti Corkill then gave an encore tap dance.

Ed, Mielke took all to the auditorium, where he showed some motion picture films.

The evening closed with Roger Jones paying an appropriate tribute to the mothers who served, and the group singing of "Here We Have Idaho."

The room was cleverly decorated with Musical "quarter notes" and this theme was also carried out in the place cards and menus.

The menu was: Fried chicken, mashed potatoes and gravy, frozen corn, rolls, jellied salad, milk, and pie ala-mode.

How "Cancer Dollar" Is Spent

Many people wonder just how the dollars collected in the annual Cancer Fund Drives are spent, so from Mrs. Harley Eichner, local drive chairman, we obtained the following accurate information:

Education: (46c)
Education: (Professional) Post graduate courses, medical bulletins, speakers; (Public) Information services, films and slides, literature, posters, radio programs, speakers, school programs, workers' training — total of both, 46c.

Research (25c) Biology, botany, chemistry, clinical studies, chemotherapy, genetics, isotopes, nutrition, physiology, physics, proteins, radiology, metabolism, virus.

Service (20c): Patient's transportation, patient's maintenance, loan equipment, dressings, hormone therapy (limited), social services, nursing visits.

Administration (6c) Audit, accounting, board meetings.
Fund Raising (3c) Supplies.

Birthday Dinner
Mrs. Tom Keene honored her husband's birthday anniversary with a dinner, Thursday evening of last week.

Guests present were Mr. and Mrs. Wade T. Keene, Lewiston; Mr. and Mrs. E. A. Deobald, Mr. and Mrs. Charles Deobald and son, and Mr. and Mrs. John Deobald.

House Being Painted
The house on Main street owned by Fred Siffow and occupied by the Coole family, is receiving a coat of paint this week. Its appearance has been greatly enhanced.

PERSONALS AND NEWS BITS ABOUT KENDRICK FRIENDS

Mr. and Mrs. Burl Eldridge of Dixie, Wash., and Mr. and Mrs. Elmo Eldridge and family were Sunday dinner guests of Mr. and Mrs. W. W. Eldridge.

Mickey and Dennis Thiessen of Clarkston spent several days the past week with their grandparents, Mr. and Mrs. L. A. Wallace.

Mr. and Mrs. Leonard Fairfield returned home from Spokane Saturday, after having spent the past four months there.

Chas. Cox, Wallowa, Oregon, was a brief visitor in town Friday, coming over to see his mother, Mrs. Leah Cardinal, and pick up a truck on which he hauled back a load of hay and other feed.

Mr. and Mrs. Adolph Swenson of

MRS. SARAH DUMBAULD, 91, PASSES AT JULIAETTA HOME

Sarah Louise Dumbauld, 91 years of age, and a resident of the Juliaetta area for 64 years, passed away at her home in that town Monday, April 28 at 7:00 a. m. Death was attributed to the infirmities of old age.

Mrs. Dumbauld was born Sarah Louise Laws on April 15, 1861, in Crawford county, Kansas. She was married to Oriel Dumbauld in Kansas, December 11, 1879. They resided there until 1888, when they came west, setting in the Juliaetta area that same year.

Mr. Dumbauld passed away Dec. 9, 1938, at Juliaetta.

Mrs. Dumbauld was a member of the United Brethren church of Juliaetta.

Survivors include two daughters, Mrs. Bertha Ellen Beard of Yakima, Wash., and Mrs. Eva Perryman of Kendrick; a son, Jesse Dumbauld of Culestac, Idaho, five grandchildren and eight great-grandchildren.

Mrs. Dumbauld, although well advanced in years, had been very active, and able to care for herself at her home. She was a great lover of flowers, and spent many hours in her garden. She was known to all at Juliaetta, having a kind word and a cheery smile, and she will be greatly missed.

Funeral services will be conducted at the Methodist church, Juliaetta, at 2:00 p. m. today (Thursday) May 1, with the Rev. F. C. Schmidt bringing the message.

Interment will be in the Juliaetta cemetery by the side of her husband.

Weather Really "Freakish"

This area certainly has been visited with every extreme of weather possible for this time of year, for, following a couple of lovely spring days, Friday the mercury really rocketed upward, hitting a high here in the canyon of 92 degrees. Saturday was also unseasonably warm, the mercury column reading 90 degrees.

Sunday was another spring-like day, a high of 86 being recorded. Sunday evening, however, as the sun went down, a warm rain began falling, that continued most of the night, the temperature steadily dropping as the night wore on.

On Monday morning, however, many of the residents of surrounding ridges rubbed their eyes in astonishment, when on arising, they found the ground white with snow.

On Cedar ridge Forest Grayson reported between a half and three-quarters of an inch on the ground, and said it made him feel like fall had come and it was time to get out the wood saw and go after fuel.

On Cream ridge Perry Mattoon reported about the same depth at his ranch.

On Big Bear ridge Mrs. Ed. Hinrichs reported about a half inch, and said she tried her best to get Ed. Lind out of bed to brush the snow off the ponies!

Monday night the canyon had a real white frost, and the thermometer recorded a low of 34 degrees.

School Notes

On Saturday morning the Kendrick High school band, accompanied by Burke Sower, their director, left for Asotin, where they took part in the parade of the Asotin County Fair. All returned in the early afternoon.

The annual Senior Sneak, a traditional activity of K. H. S., is scheduled for Thursday at 2:00 p. m. At that time four cars of young people, parents and teachers will leave for a resort near New Meadows where they will make their headquarters. From there several side trips have been planned, a visit to McCall and Payette Lake, included. Those taking cars and acting as chaperones are Mr. and Mrs. Ben P. Cook, Mrs. Burt Souders, Mrs. W. B. Deobald and Mrs. W. L. McCreary. The group will return Saturday evening.

Big Bear Ridge 4-H Club
Square dancing was the highlight at the Big Bear Ridge 4-H Club meeting held Friday evening at the Community hall.

Club projects were discussed. Donald Ingle and Roger Jones gave reports on their livestock to be taken to the Pre-Showing at Moscow this coming Friday. From there they will take them to the Junior Livestock Show at Spokane.

Nita Bencoter and Wanda Peters were Club guests.

Refreshments were served at the close of the evening.

Cub-Mobile Attracts Small Fry
Tuesday evening much excitement was in evidence at the bottom of the school house hill as Cub Scouts, aided by their leaders and parents, gathered to get a free ride on the "Cub-Mobile."

Kids were lined up awaiting their turn to drive the little red beauty down the hill. It was equipped with everything except a motor, and this latter made no difference to the Cubs as they climbed in, grabbed the wheel and coasted down the hill toward Deobald's Garage.

The Lewiston Cubs brought up the little car and loaned it to the local group for an evening's fun. This latter activity followed the regular Pack meeting, which had been held earlier.

Moving To Worley

Mr. and Mrs. Bob Magnuson and family are in the process of moving to Worley this week. They took a load of household goods up and spent last week-end there, and hope to complete operations this week-end.

Tip to motorists: Say it with brakes and save the flowers.

Hunting Birth Information

Mr. and Mrs. Clyde Ogle of 223 4th St., Lewiston, accompanied by Mrs. Mary Kriebel, were in the Gazette last Friday for the purpose of securing information regarding a birth record.

Mrs. Ogle was born in Kendrick in 1901. Her parents were Mr. and Mrs. George Franklin. The Gazette was unable to furnish her any record as the papers kept on file at that date were destroyed by the fire that wiped out Kendrick in 1905.

Mrs. Ogle had with her some pictures of Kendrick at that time. Among them was one of a big two-story frame building, a rooming house, operated by her aunt, Ollie Trine.

ANTON (TONY) LIEN, DIES AT PHOENIX, ARIZ., APR. 22

Anton (Tony) Lien, 45, a native of Big Bear ridge, passed away in the Veterans Hospital at Phoenix, Arizona, April 22, death being due to bronchial pneumonia.

He was born March 11, 1907, on Big Bear ridge, near Kendrick. Here he grew to young manhood, attended the Kendrick High school and Spokane College.

He was a veteran of World War I.

Mr. Lien is survived by three brothers, Isaac of Los Angeles; Emert of Butte, Montana; and Henry at the family home on Big Bear ridge; two sisters, Mrs. Clara Bruzeth of Clarkston, and Mrs. Anna Long, Kendrick. Three uncles and four aunts; four nephews and two nieces also survive.

Funeral services will be held at the Bethany Lutheran Church on Big Bear ridge, Wednesday at 2:00 p. m., with Short's of Moscow in charge.

Mr. Lien was a member of the Bethany Lutheran church on Big Bear ridge.

Kendrick Defeats Pullman

Sunday saw the Kendrick town team in action for the first time this season, when they defeated Pullman by a score of 9 to 7.

Kendrick collected nine hits to seven for Pullman. Kendrick committed two errors, Pullman five.

Batteries for Pullman were McNamard, Weeks and Blair. For Kendrick, Medalen, Millard and Millard.

Pullman led 7 to 5 at the end of five innings. In the sixth, Don Millard drew a walk; a single by Kuykendall; Halseth walked, and a two-base hit by D. Racicot drove in two runs to tie the game, and Kendrick went on to win, 9 to 7.

Here is the remaining games for the season: May 4, Kendrick at Uniontown; May 11, Pomeroy at Kendrick; May 18, Kendrick at Troy; June 8, Uniontown at Kendrick; June 15, Kendrick at Pomeroy; June 22, Troy at Kendrick.

No game has been scheduled for Decoration Day, May 30, but should a "rain-out" occur, the game will probably be played at that time, according to Ross Armitage, manager.

Married In Coeur d'Alene
Coming as a surprise to their many friends was the marriage of Miss Judy White, daughter of Mr. and Mrs. E. M. White, Kendrick, and Keith Thornton, son of Mr. and Mrs. Jesse Thornton, of Leland, Saturday afternoon at 2:00 o'clock in Coeur d'Alene.

Wedding vows were exchanged at the Presbyterian parsonage, with the Rev. Lyman W. Winkle officiating.

The bride was attired in a gray and pink suit with white accessories. The young couple were attended by Mr. and Mrs. E. M. White and Mrs. Jesse Thornton.

Both young people are well known and popular here, both attending the Kendrick High school.

On Tuesday evening a group of young folks gathered at the Thornton home to give the newlyweds the customary rousing charivari. Treats were distributed and a jolly good time reported.

Give To Help Flood Victims
Mrs. George Havens, Red Cross Drive chairman for American Ridge is in receipt of a letter from Mr. Tanner, Moscow, County Red Cross chairman, who states simply the great need for extra funds to alleviate suffering in the recent Missouri river flood emergency.

Extra funds are needed, and he asks all to dig a little deeper that we may share in sending aid.

Anyone who would like to help, or any who were missed when the recent canvas was on, is asked to mail or give their contribution to one of the following chairmen: Mrs. George Havens, Miss Bertina Forest, Mrs. Frank Abrams and Mrs. Albert W. Bailey.

This fund is being kept separate from the previous drive funds and will go direct to the flood area.

A man is usually known by the company he keeps away from.

One of the nicest Club meetings of the year was held at the home of Mrs. Ed. Galloway Tuesday afternoon. "Simplified Entertaining" was demonstrated by the Mesdames Galloway, Cecil Chamberlain and Chas. Bower, who had attended the Leaders' meeting in Moscow. The delicious luncheon menu of juice, ham casserole dish, hot rolls, vegetable salad, rhubarb upside-down cake, coffee and fruit punch was enjoyed by all. A large number of members and guests attended. The May meeting will be "Color in the Home" and will be held at the home of Mrs. Gerald Ingle.

Mrs. Henry Kortemeier writes that Paul and she expect to visit friends here as soon as school closes at Swishome, Oregon.

Harold and Gerald Halseth, stationed with the army of occupation in Germany, are hoping to take a trip to Norway to visit their mother's relatives in the near future.

Arnold Halseth of Anatonie spent the week-end here with home folks.

John Meland of Southwick was a Sunday guest at the Oscar Slind home.

Henry Lien, accompanied by his sister, Mrs. Tom Long of Kendrick, spent Wednesday with their sister, Mrs. E. Bruseth, in Clarkston.

Olaf Burnvick will build a new home for Mr. and Mrs. Ted Kleth during the summer.

Bethany Lutheran church will observe its 50th Anniversary during June.

Mrs. Gerald Ingle canvassed the ridge for Cancer Drive donations, with gratifying returns, during April.

Mr. and Mrs. Virgil Wampler of Lewiston were Sunday guests at the A. Kleth home.

Will Bower of Avon spent Friday with his brother, Chas. J. Bower, who is recovering nicely from his recent illness.

GOLDEN RULE

April 29 — Mr. and Mrs. Leland Marvin have recently purchased the John Jennings house, and have moved in as our neighbors.

Our recent Hot Lunch program drew a large crowd, and receipts were \$88.00.

Mrs. Orvel Skaggs and daughters of Ahsahka spent Tuesday with Mrs. Glen Betts.

Mrs. Emma Gibson of Red Bluff, Calif., spent the past week with her sister, Mrs. D. V. Kuykendall, and other relatives and friends. The Kuykendalls took her back to Lewiston Saturday to start her return trip home.

Mr. and Mrs. George Wilken of Kendrick and Mr. and Mrs. Glen Betts and Eugene spent last Sunday at the Carl Finke home on Orofino creek. The dinner honored Carl's birthday anniversary.

The Southwick Homemakers Club met with Mrs. Millie Harris Thursday, there being 15 ladies present for the all-day meeting. Mrs. Agatha Feikins, gave a talk on "Home Entertaining." Our next meeting will be at the Edna King home, Friday, May 9. Mrs. Bowling plans to be present and give a lesson on "Herb Cookery."

Those who attended the Nez Perce County Home Demonstration Luncheon at Lewiston Monday were the following from the Southwick club: Mrs. Hattie Southwick, Mrs. Millie Harris, Mrs. Christine Cuddy, Mrs. Edna King, Mrs. Viola Martin, Mrs. Marie Kuykendall, Mrs. Ruth Armittage, Mrs. Alma Betts — Mrs. Alice Wright was a guest.

Mr. and Mrs. Glen Betts and Eugene spent Sunday at the home of their daughter, Mrs. Don Christensen and family. The dinner honored the birthday anniversaries of Don Christensen and Glen Betts.

Mr. and Mrs. Chester Martin and son spent Thursday at the Roy Martin home.

Fred Stage and Mrs. Ralph Stage were Lewiston visitors Tuesday. All who have loved ones buried in the Southwick cemetery are asked to join forces on May 8 and hold a clean-up. This is planned to be an all-day session, so bring your lunch and garden tools!

Some Waters Now Open

The fish and game department reminds sportsmen that waters of the Little Salmon river from the upper falls downstream to its mouth are now open for fishing for all species (April 15 to October 31).

The department added that this section is considered good for steelhead fishing during the spring months and that at times a fair trout take occurs. The open section lies in portions of Adams and Idaho counties.

Bag and possession limit on steelhead is two fish. Steelhead under 18 inches in length are classed as trout and the bag limit for that variety then applies.

YOU GET MORE POWER FROM B.F. Goodrich

POWER-CURVE TRACTOR TIRES

Power-Curve cleats dig into any kind of soil and hold firm. That's why these king-size cleats give you maximum traction — not only in forward gear, but in reverse, too. You get added pulling power—even in muddy going — because Power-Curve cleats are curved to stand rigid.

The famous BFG open-center tread flexes as the tire rolls. Dirt drops out, leaving each arrowhead nose clean to bite the soil better. And Power-Curve cleats dig deeper and wear longer because they're higher in the center than those of the other two leading makes. For more power in your tractor work, get the B.F. Goodrich Power-Curve tire!

NYLON SHOCK SHIELD INCREASES TRUCK TIRE LIFE

The exclusive BFG Nylon Shock Shield* gives you greater mileage, increased bruise resistance, less danger of tread separation, more recappable tires.

ALL HAIL G. I. KING:—Corporal Casper C. De Angelis, 24, of Brooklyn, N. Y., the 100,000th Army veteran of Korean combat to be returned to the United States through Seattle, Wash., is crowned G. I. King, as he disembarked at the Seattle Port of Embarkation. A draftee, he served for 11 months in Korea with the Fifth Regimental Combat Team, 24th Infantry Division, and wears the Combat Infantryman's Badge. Since the Army's combat rotation operation got under way 11 months ago, 225,000 men have been rotated from the Far East Command.

Surprise Either Way

The following article was submitted by Mrs. Mary A. Deobald, she having taken it from the home town paper where she grew up, Summerfield Sun, Summerfield, Kansas — and we pass it on to you for a laugh:

"A farmer near Mankato, it is related by the Advocate, went to town some time ago, got his allotment check and decided to surprise his wife by buying himself a new suit of clothes. After the purchase he took the box to his car, tossed it on the back seat, and went across the street to buy some groceries. On the way home he stopped at a bridge, re-

moved his overalls, threw them into White Rock Creek and watched them float away. He then reached in the back seat and discovered that someone had stolen his new suit. He stood and reflected for a time. Then he got back into the car and remarked to himself: 'By Gad, I'll surprise her anyway!'"

Ever notice how much more it costs to support one bad habit than many good ones.

Five-Grass Mixture Popular in Indiana

Pays Off in Higher Quality Hay, Pasture

Farmers in 12 northeastern Indiana counties swear by a 5-grass mixture that pays off in extra tons of high quality hay and pasture.

The combination includes timothy, brome, red clover, Ladino clover and alfalfa, reports Walter Rusk, county agent of Huntington county. This legume-grass combination, he said, could profitably be used by farmers in other states.

When plenty of fertilizer carrying nitrogen, phosphate and potash is used at seeding time and plant nutrients are top-dressed each year, this 5-grass mixture has yielded as much as 3 tons of hay at the first

Five acres of the 5-grass mixture on the Norman Thompson farm near Huntington, Indiana.

cutting on many farms. One farmer in the area insists that 5 acres of the mixture provides more forage than he previously got from about 60 acres of pasture.

Norman Thompson, who farms near Huntington, Indiana, reports that he grazed 27 head of cattle, including 16 milk cows and 11 calves, as well as 100 small pigs and 16 sows for 5 weeks on a 5-acre pasture seeded to the 5-grass mixture.

Rusk points out that the well fertilized legume-grass mixture is doing an important soil building job, besides giving farmers a preferred position in forage supplies. The tap-roots of the legumes drill down deep to keep the soil open and well ventilated. They add organic matter to improve the soil's tilth and drainage. Large quantities of organic matter in the soil mean increased water-holding capacity. They also make it possible to get the best possible efficiency out of every ton of fertilizer used.

Improved Ever-Bearing Strawberry Developed

Strawberries from your garden from June to October are possible with the new, improved ever-bearing strains. Although the biggest crop comes from mid-to-late June, plants will continue to produce enough for breakfast cereal and dinner desserts until frost arrives.

Planting should be done as early in the spring as possible.

Said to thrive in any type of soil, is a new high-yielding variety developed by plant breeders of the Westerhauser Nurseries of Sawyer, Michigan. Called the "20th Century", this ever-bearing type is said to fruit in about 60 days and produce large, sweet, full-flavored berries all season long.

Seasoned gardeners recommend picking off the first blossoms so as to enable the roots to develop plenty of strength. They point out that while you may lose the first few fruits, you will gain in much bigger yields later in the summer.

Grand Champion

Iowa State College won the grand championship of the 52nd International Livestock Show with a 1,240 pound Aberdeen Angus steer, Toby. In 1950 Toby won the reserve championship and now is the only steer ever to return and capture the higher award. Shown with Toby are (left to right) Chief Judge A. D. Weber; W. W. Prince, president of the Union Stock Yards; Jess C. Andrews, president of the International Exposition; and George Edwards, herdsman for Iowa State College.

Time of Plowing Should Depend on Type of Soil

Ohio State University farm experts report type of soil should determine whether a farmer plows his land in fall or spring. Tests over a 14-year period indicate spring plowing is preferable on light soils. If plowed in the fall the ground has a tendency to become compacted by spring. On heavier soils tests show late fall plowing gives as good or better granulation of the soil than spring plowing.

Aerial Crop-Control Is Booming Industry

25,000,000 Acres Were Treated in U.S. in '51

A midwest wheat tract was so overrun with weeds that the farmer was about to plow it under. He decided, however, to try treating it with 2,4-D and hired an aerial crop-control specialist to apply the chemical at a cost of \$2 an acre. The result: at yield of 20 bushels of grain per acre.

Other instances: Aerial spraying of weed-killing chemicals enabled a southern cotton planter to cut hoeing costs from \$14 to \$6.50 an acre while a California citrus grower improved his lemon crop by spraying his orchards from the air.

Agricultural aviation is a booming new industry that is enabling the farmer to substantially increase

The above photograph shows aerial dusting of an orchard. This method of insect control is becoming more popular with farmers throughout the country.

crop acreage. I. J. Becnel, agricultural research director for the Freeport Sulphur Company, reports.

Becnel pointed out that more than 25,000,000 acres of U.S. crop, range and forest land were treated last year with chemicals sprayed or dusted by airplane.

Some 6,000 pilots are engaged in the aerial battle against insect pests, weeds and plant diseases. And they are doing the job faster, more efficiently and in many instances at lower cost than ground distribution of insecticides, fungicides and herbicides.

Store Unused Tractors Under Shelter in Winter

If you want to ruin your tractor in a hurry, just let it sit outdoors, exposed to the weather, this winter.

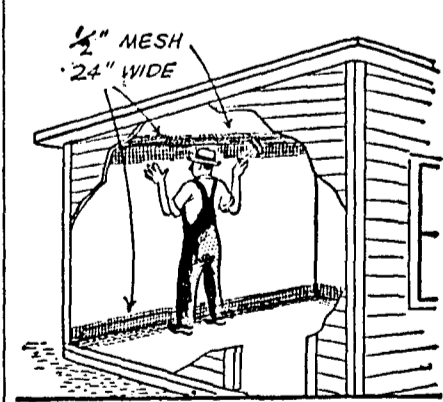

Farm machinery specialists say no amount of tough use will wear out your tractor as fast as leaving it out in the rain and snow.

Tractors are fairly expensive and may be hard to get. So, if you're not going to use your machine this winter, it will pay you well to find storage space for it in some building. Clean the machine thoroughly, especially the motor, and then store it in a dry protected place.

Block up the tractor to take the weight off the tires. Then drain the radiator, block, gas tank, fuel lines and carburetor. Put fresh oil in the crankcase and add a rust inhibitor.

Most important of all, remove the spark plugs and pour one-fourth cut of light oil or kerosene in each cylinder. Then turn the crank a few times to work the oil around the rings and pistons, and replace plugs. Cover the exhaust pipe and crankcase breather pipe with old rags to keep out dirt and moisture.

Rodent Proof

If wire mesh is applied to joining sections of a poultry house, it will help keep the building free of rodents. The mesh is applied at the floor and ceiling line as shown in the above illustration and should be well nailed.

Farmers Are Advised To Store Fertilizer

Farmers are still being advised to buy and store sufficient chemical fertilizer to meet their needs during the next 12 months. The supply is expected to be somewhat limited. Be sure it is stored in a dry place where there is little temperature variation, don't pile it any higher than five or six bags, and never pile it on the ground or even a concrete floor—the ideal storage place is an elevated wooden platform.

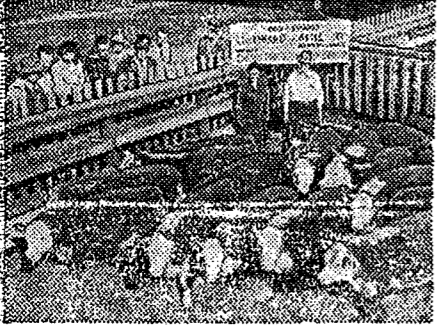

Chicago Feeder Sale Nets Over \$1 Million

257 Carloads Feeder Calves Are Exhibited

A record 257 carloads of feeder calves sold for well over a million dollars at the 7th annual Chicago Feeder Cattle Show and Sale, held at the Chicago Stock Yards.

Largest feeder cattle event in the nation, the expanding show and sale entry list exceeded last year's record by over a hundred carloads. It also pointed up the expanding beef industry and the interest in improved breeding.

The grand champion carload of feeder calves in the show were exhibited by veteran cattleman Fred

Mr. and Mrs. Fred DeBerard pose with their blocky Hereford calves that were judged grand champion carload of the Chicago Feeder Cattle Show and Sale.

C. DeBerard of Kremmling, Col. A Wanatah, Indiana, cattle feeder, bought DeBerard's blocky prize-winning Herefords for \$85 per cwt. The grand champion calves averaged 428 pounds.

The auction brought an average of \$42.11 per cwt. for 257 loads of cattle, \$4.69 per cwt. higher than last year's average. The average weight was 485 pounds. Sales totaled \$1,050,633.

Steer calves, numbering 132 loads, average \$46.48 per cwt. while 50 carloads of heifer calves averaged \$44.15 per cwt.

Americans May Eat More Meat in Next 12 Months

The average American may eat even more meat and poultry in 1952 than in 1951, if advance production figures are any indication.

According to a forecast of the U.S. Department of Agriculture, meat production this year may be large enough to provide an average of 144 pounds per person as compared with 141 pounds in 1951.

Most of the meat increase will be in beef and veal. Much of the step-up in beef will be in medium and lower grades, although some of it probably will be in the better grades of grain-fed cattle.

The amount of lamb and mutton eaten by the average American is expected to go up slightly. Last year consumption of lamb and mutton was the lowest on record—only slightly over 3 pounds per person.

A little more pork may be on the market in the first seven or eight months of 1952 than in 1951, but production for the last part of the year may be somewhat smaller.

Americans will also probably eat more chicken and turkey. Production of turkeys for 1952 may exceed the record-high 1951 level, but output of chicken is expected to be about the same.

Champion Barrow

Rolland Anderson, 17, of Le-land, Ill., 4-H club member, is shown with his 250 pound barrow Poland China hog which was adjudged junior champion at the 52nd Annual Livestock Exposition in Chicago.

Experts Forecast Greater Cattle Slaughter in 1952

In the outlook for meat animals, 1952 may be a pivotal year when new or modified trends in meat production take place, experts report. The present low slaughter rate and large farm inventories are setting the stage for a substantial increase in slaughter in future years. The big question is how soon and what its price effect will be? In all probability cattle slaughter will increase in 1952 for the first time in five years

STATE HIGHWAY REGULATIONS TO BE ENFORCED

Boise — Posting for load limits beyond those provided in Section 49-611 of the Idaho Code is not feasible in the overall consideration of the welfare of the people of the State of Idaho, the Idaho Board of Highway Directors announced this week.

The Board issued the following statement:

"The Idaho Board of Highway Directors, together with the State Highway Engineers have had under extensive study and careful consideration the problem of applying the provisions of the 'posting-law' being specifically Section 49-611 of the Idaho Code. This statute provides that the Highway Board may in its discretion permit portions of the state highway system to be used for the transportation of logs, poles, piling and material from mines which has not been finally processed in continuous over-weight and over-width operations.

"The study started with the inception of the board, July 1, 1951, and resulted in the public announcement, Sept. 7, 1951, stating that it would be the policy of the Board that general highway posting, as permitted under Section 49-611 would not be used and that strict enforcement of legal limits would be required. At that time the board announced that Jan. 1, 1952, would be the effective date of such requirements, it being the thought of the board that the intervening time would enable the industries affected to comply.

"At the special session of the Legislature in January of 1952, the Legislature passed a concurrent resolution requesting the board of highway directors to re-examine their policy decision of September, 1951, in the light of the economies of the logging and mining industries, at the same time, voicing the opinion that the board should refrain from any action that would tend to break down law enforcement.

"The Board has received a considerable number of requests for posting in the last month which affect approximately one-third of the total mileage now maintained by the state. Upon examination of the routes requested, it is found that there is not continuous mileage in any case of sufficient standard to permit over-legal hauling.

"The Board of Highway Directors having so re-examined their decision and having made a further extensive study of the road conditions throughout the affected areas, therefore con-clude that posting for limits beyond those provided in Section 49-611 is not feasible in the overall consideration of the welfare of the people of the State of Idaho."

Michigan Farmer Named 'Wheat King'
First U.S. Grower To Win in 23 Years

Harold A. Metcalf, 31-year-old Fairgrove, Michigan, farmer brought the world's wheat growing championship back to the United States for the first time in 23 years when his sample of Yorkwin, a soft winter wheat variety, was adjudged the best at the recent International Live Stock Exposition at Chicago.

At the same show Willard C. Kirk, 53, of Jeffersonville, O., won the title of corn king, the first Ohioan in history to win.

The new wheat king reports "good seed, good fertilizer and plenty of elbow grease" were the recipe for his success. His wheat weighed 60.5 pounds to the bushel. This was the

Harold A. Metcalf

first time he had even exhibited at the show.

Another Michigan farmer, Lee D. Ferden of Chesaning, near Saginaw, won the reserve championship.

Metcalf was the first U.S. farmer to be crowned wheat king since 1928. In all the years since, the championship has gone to Canadian wheat growers.

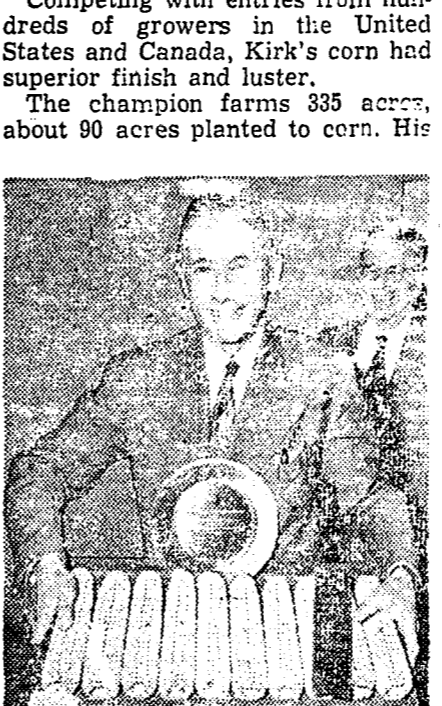

The corn king had been exhibiting at the show since 1922, but this was his first major prize. His prize-winning corn was an Indiana 944-D Hybrid.

Kirk limed his corn land at the rate of three tons per acre and added 300 pounds of 3-12-12 fertilizer per acre to the corn in the row at planting time.

Competing with entries from hundreds of growers in the United States and Canada, Kirk's corn had superior finish and luster.

The champion farms 335 acres, about 90 acres planted to corn. His

4-year-rotation includes corn, wheat or oats and two years of red clover and alfalfa. He feeds all the corn, wheat, oats and forage to hogs, sheep and beef cattle and returns all the manure to the land.

Logging Operations Resumed
Log hauling to local mills was resumed Tuesday, following a rain-enforced lay-off Monday. It is said, however, that dirt roads are still too slippery to permit operation of the big trucks. Local mills, however, are said to have a fair supply on hand, and can continue sawing operations for a few days at least.

Hardware Can Kill a Cow, Veterinarian Reports

A tiny piece of wire or a broken nail thrown in the wrong place can cost you a cow, Dr. R. D. Hatch, veterinarian at the University of Illinois, warns farmers. "Cattle often swallow nails, screws, pieces of wire, pins or other bits of metal that went into their feed," he says. Often these pieces of hardware cause death. Sometimes the animal can be saved by surgical operation, he reports.

Potlatch Chief Sez

Published by the Kendrick Creamery

HELLO, THERE, FOLKS — Have You Tried It?

Yes, have you tried the new, delightfully good Potlatch Chief Brand Homogenized Milk? It's satiny smooth, delightfully good. And of course, it's pasteurized for your protection.

You see "Homogenizing" simply means combining, by pressure, milk and cream, so that separation is impossible. We know you will like this new product, once you have tried it.

However, we will continue to distribute, as in the past "Potlatch Chief" Brand raw pasteurized milk.

ular as a dessert, a between-the-meals snack, or to serve when unexpected company comes. So be sure you keep it on hand all the time, and be sure it's "Potlatch Chief" brand — your assurance of quality and purity.

In the early days a preacher discovered that the food in most boarding houses left much to be desired. He managed to make the meat more tasty by dousing it liberally from a bottle of tabasco sauce which he carried in his pocket. One day he saw a cow-hand watching him across the table and offered the bottle to him.

The cowpuncher covered his meat with it and took a bite. As soon as his mouth stopped burning enough to speak he gasped: "Parson, I've heard you fellows describe hell, but you're the first one I ever knew who carried a sample!"

Tourist (in western restaurant): "Why don't you shoo your flies?"
Proprietor: "Well, you see it's so hot today I thought I'd let them run around barefooted!"

As warmer weather approaches ice cream becomes ever more pop-
