Bear Spotted On Hill

Last Sunday evening while Mr. and Mrs. Wm. Johnson and family were guests in the Vern Choate home on the school house hill, a black bear was spotted on the hillside across ly in search of food. A rifle telescope was brought into play for clearer vision, then field glasses — and at this time a very good look was had of it, as it climbed one of the old tramway towers, probably in search of ants or honey,

When darkness fell the bear was still on the old tower - but gone the next morning.

New Chevrolet Trucks do more work per day . . . more work per dollar!

You save on operating costs. The "Thriftmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save extra trips. That's because of extra load space. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer.

You save time on deliveries. New truck Hydra-Matic transmission saves time and effort at every stop. Op-tional at extra cost on $\frac{1}{2}$ -, $\frac{3}{4}$ - and 1-ton models.

You save with lower upkeep, too. There are heavier

axle shafts in two-ton models, bigger clutches in lightand heavy-duty models, stronger frames in all models.

You save hours on the road. Thanks to new highcompression engine power, you can maintain faster schedules without driving at higher maximum road speeds.
