### STONY POINT NEWS

Sept. 26 — Now officers of the Friendship Club, elected Thursday when the Club met with Mrs. Eldon Heimgartner, are: Mrs. George Stedman, president; Mrs. Floyd Heimgartner, vice president; Mrs. Wayne Heimgartner, secretary, and Mrs. Eugene Heath, treasurer. New officers will take over in January. The group guilt. Heath, treasurer. New officers will take over in January. The group quilted a three-quarter size quilt for the hostess during the day. Some shuffling of dates for the next meeting was necessary because of Teachers' Institute, and hunting trips. Mrs. Alert Heimgartner will be hostess to the Club. Wednesday, Oct. 5th.

About 25 women attended the Tea given by the Women's Missionary Society at Cottonwood Creek, Friday afternoon. Mrs. Elton Ankney, Le-nore, president of the group, greeted guests and gave a talk explaining the work of the Society. Mrs. Pierce Blewett, Myrtle, fave an interesting review of the Ramabai Mukti Mission in India, where Natalie, the group's "adopted" child is being cared for. Group singing and a special musical number completed the short program. Mrs. Ben Hoffman, Leland, and Mrs. Clifford Powell, Spalding, poured tea and punch at the beautifully decorat-ed table. The next meeting will be Friday, Oct. 7th, at the church.

Friday evening the Lapwai P.-T. A. served a delicious supper to the teachers, parents and children at the Teachers' Reception, held in the Junior High cafeteria. Interested parents were later shown the newly remodel-ed sixth grade room and other rooms of the school.

Mr. and Mrs. Clifford Powell of Spalding and Mr. and Mrs. Tom Glass of Missoula, Mont., were Sunday dinner guests of Mr. and Mrs. Glen Stevens and family.
Mr. and Mrs. Alvin Steigers and

Mr. and Mrs. Ralph Steigers and son

Eric were Sunday dinner guests of Mr. and Mrs. Ernest Steigers. Sunday guests of Mrs. Newt. Heath were her sister-in-law, Mrs. Cora Kittrell of Corvallis, Ore., and Mrs. Kittrell's mother and sister, Mrs.

Stedden and Mrs. Overman, both of

Mr. and Mrs. Wayne Heimgartner

Wilsons Heard From In a brief note accompanying a subscription remittance, Mrs. Elton Wilson of Independence, Ore., says in

"Elton is working steadily at his mill and work is progressing, though slow. We have had a beautiful sum-mer, almost two months without rain, but it rained almost all of last week. It looks like we will have more nice weather, yet.

"Please say 'hello' to all our old friends in Kendrick."

Harvest Nearing Completion The light rain or perhaps we should say "shower" of Tuesday morning put an end to harvesting operations in this area for a day or two. However, not much grain or many beans re-main, although we understand that considerable clover still is in the

# The True Picture

Did it ever occur to you that the local merchant is something more than a man who takes your money for a sale and wraps the purchase?

Like you, the merchant and businessman is an average individual. He supports community welfare, fraternal and charitable programs, just as you do. He belongs to a church, his children go to the local school, his wife attends P.-T. A.

You may not belong to the same church or organizations, but more than often your paths cross in community affairs, for here is where you have the most in common — a genuine interest in community welfare.

You both gain if the community prospers — both stand to lose if the community fails to prosper.

Each has a role to play in community prosperity. The merchants and businessmen offer goods and services. You, the local citizen purchase these goods and services with dollars that speak for a good local economy.

Get to know your local merchants and businessmen better. 'Visit them more often. They'll appreciate it and you'll discover it's more fun to do business with friends.

Trade at home for your own sake — and community progress.

We are prompted to sponsor the above advertisement through our desire to serve the best interests of our community in every way possible.

About Canning Peaches

That's a guide for housewives from agent of the University of Idaho Extension service. The peach crop is on the market now and will continue for ripe stage have less waste and are a time. The Idaho harvest is large generally of better quality than ripe in contrast with short crops in many states, particularly the south, where

frost damage last spring was severe.
In buying peaches for immediate use, the home economist said, you can figure a pound will serve four the same effect. people. A bushel (48 pounds) will provide 220 servings, fresh sliced.

Look for peaches that are fairly A bushel of peaches will make 18 firm, free from blemishes, and that to 24 quarts canned or 36 to 48 pints have the blush or color typical of the variety. Ripe peaches are very per-ishable and should be handled as Mrs. Elizabeth Rettig, county home little as possible. Keep them under refrigeration and use as soon as possible. Peaches picked at the firmpeaches when they are ripened at

room temperature. Peeled peaches can be kept from turning dark by dipping them in citrus fruit juice. Ascorbic acid has

Trade with advertisers. It will pay!

### WE HATE TO DO IT -

### BUT WE HAVE NO CHOICE!

Back "in the good old days" we purchased news print for \$88.00 per ton, f. o b. our floor in Kendrick. The last ton of news print we purchased cost \$202.00 f. o. b. Lewiston — almost (when delivered here) three times what it cost in pre-war days.

<del>\*\*</del>\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

Back in 1942 were were forced to raise the subscription price of the Gazette from \$1.50 to \$2.00 when new print jumped to about \$110.00 per ton, and we have since held it at \$2.00 — taking a loss on subscription — in the hopes that the "water would be squeezed out" and prices would settle down at some stage approaching the pre-war normal.

However, prices are still on the rise, and we can no longer afford to take the subscription loss. So, as much as we dislike to take the step we are forced to announce that after October 15, 1955, the price of the Kendrick Gazette will be \$3.00 per year.

Any arrears subscription, and not more than one year in advance, will be accepted at the old price if paid before October 15th.

Too, local ads. (wants, for sale, etc) will go from 5c per line to 10c per line, with the minimum remaining at 25c.

### 10-Millionth Book Added to Library Of Congress Shelf

WASHINGTON-The Library of Congress, the Nation's largest, housed in the world's two largest buildings used exclusively for library purposes, recently received its 10-millionth book.

No one knows exactly what book was the 10-millionth, for the volume arrived among 308,746 books and pamphlets acquired in the fiscal year 1954. It became without fanfare one of the library's 33,153,000 items.

The library's chief rivals for size, the British Museum and the Bibliotheque Nationale in Paris, were probably surpassed before

Established in 1800 and housed in the Capitol, the library after five years contained about \$4,000 worth of books. British soldiers burned the building in the War of 1812 and one of them wrote wistfully home that "a noble library" had passed. But the nation soon bought 6.487 more books from Thomas Jefferson's personal shelves. The average cost of \$3.69 brought charges of extravagance.

Fires in 1825 and 1851 wiped out two-thirds of the collection. Later, outgrowing its first home, the library moved to its own structure near the Capitol. In 1939 an annex housed additional millions of items.

Giving validity to its name, the library was used last year by every Senator and Representative -but few entered the building. They pumped the library's legislative reference service with 69,000 requests for facts required in speeches and laws.

### **Moderate Decrease** In Traffic Deaths

HARTFORD, Conn. - Traffic deaths totaled 35,500 last year compared with 38,500 in 1953. The injury count reached 1,960,000 compared with 2,140,000 in the previous year.

The moderate decrease in the nation's automobile accident toll is shown in "Misguided Missiles," published by The Travelers.

Excessive speed was the most dangerous driving mistake again; in 1954, killing 12,380 persons. The 1953 total was 13,870. The injury total resulting from excessive speed remained about the same as the preceding year-659,000. Drivers under 25 years of age

were involved in more than 24 although they constitute only about 14 per cent of the total of

all drivers. Weekend crashes accounted for 13,980 killed and 678,000 injured. The 1953 weekend record was 15,-800 killed and 800,000 injured.

The pedestrian record reflected improvement for the fourth consecutive year. Pedestrian deaths. were reduced to 7,700 in 1954, compared with 8,600 in 1953. Crossing between intersections, "jaywalking," remains the chief: cause of pedestrian deaths and in-

Saturday was the most dangerous day of the week to drive. 1954 was the first year since 1949 to see a decrease in the death toll.

### Don't Blame Corn When Things Don't Pop

EAST LANSING, Mich. - When popcorn doesn't pop, it's not always the fault of the corn; it might be with the way it was stored.

The amount of moisture in the kernel is important, explains S. T.: Dexter, professor of farm crops of Michigan State College. Popcorn pops by explosion; when it is heated steam forms in the kernel and explodes it. So when there is too little moisture, not enough steam is formed and there is just a small explosion or none at all.

Too much moisture in commercially packaged popcorn is seldom found because the corn loses its moisture to the air during storage. This loss of moisture often happens in homes where the air has a low relative humidity.

### Judge Dodges Answer To Defendant's Quiz

CHICOPEE, Mass. - District Judge Daniel M. Keyes had the tables turned on him and he refused to answer the question.

Keyes was asked by a man in court on a drunkenness charge if he could ask him a question. Keyes said he could. "Were you ever under the in-

fluence of liquor?" asked the man. The judge smiled, "I refuse to answer on the grounds it might tend to incriminate me"-and directed the defendant be held for psychiatric tests.

Kendrick Assembly Of God H. L. Deweber, Pastor

This is your invitation to friendly, spiritual Gospel Services. This church exists for the sole purpose of helping boys and girls, men and women, with their spiritual needs.

Missionary To Speak Rev. Olav Torvik, missionary on furlough from Madagascar, will speak in Bethany Lutheran Church, on Big Bear Ridge, Saturday evening, Oct. 1, at 7:30. Rev. Torvik was born of missionary parents in Fort Dauphin, Madagascar, where he lived until the age of 15. He is a son of the late Rev.

He graduated from Moorhead High school and Concordia College, both at McCreary, Kendrick, Idaho.

Moorhead, Minn. After graduation from Luther Theological Seminary in Kendrick, Idaho. St. Paul, he served a parish in Dallas, Texas, for three and a half years before returning to Madascar as a missionary. The Torviks are now on their first furlough after seven years of

Everyone is invited to hear Missionary Torvik. On Sunday at 11:00 distributed, through the mails or the will preach in Zion Lutheran otherwise, to paid subscribers during Church, Deary, conducting the worship service.

### Dollar's Buying **Power Stabilized** For Three Years

NEW YORK-Spearheading their efforts with a high rate of personal saving and record production, the American people have scored an outstanding success in their drive to restore stability to the dollar's buying power after more than a decade of erosion.

Figures show that the Consumer Price Index compiled by the U.S. Bureau of Labor Statistics, popularly known as the cost of living index, has varied only around 2 per cent for more than three years-from the end of 1951 to date. This is an unusually narrow range for so long a period of time. Price records of the past going back to the early part of the last century produce few parallels of such stability in the consumer's dollar for any comparable period.

Stability does not mean rigidity in a free society. Individual components for the cost of living index have shown independent movements since 1952, as they have, before and undoubtedly always will. Some like housing and medical care have continued to go up.. However, others like food and apparel have declined enough so that the net effect of the 1952-55 changes in living costs on the consumer pocketbook and family budget has been unusually small.

As it is, the dollar's buying power today is down to around 52 cents compared with what it was in 1939 as the result of the inflation in the intervening period. The dollar currently will buy less than a third of what it would at the turn of the century, according to the records.

### Kids Made 'Davy' Hit, Composer Says NEW YORK-"The kids did it!"

This succinct accusation sounds as though it might be coming from the irate parents of a brood of destructive imps. Actually, for the past several months George Bruns, composer of "Davy Crockett," one of the most phenomenally successful songs to come along in years, has made a ritual of reverently murmuring "the kids did it" at least three times a day. Bruns makes this statement to anyone within hearing distance -to his cohorts at Walt Disney's Hollywood wonder factory, to his wife, and to well-wishing fellow

songwriters who well wish they could come up with the kind of song that managed to produce 23 recorded versions including the unlikely "Davy Crockett Mambo" with a combined sales total nearing two million copies in a threemonth period.

To put it mildly, Bruns is slightly stunned (as is the music industry generally) by the rapid rise of the Crockett ballad. It was just another assignment to the composer, who is one of the fabulous Disney's three musical directors.

### Propane Fuel Can Cause Frostbite

CHICAGO-Severe frostbite can be caused by exposure to propane, a combustion engine fuel.

In a letter published in the Journal of the American Medical Association, doctors have urged that users of propane fuel be told of this possible danger.

Propane, increasingly used by farmers in tractor engines, is stored as a liquid in a pressure tank. When pressure is released, propane changes from a liquid to a gas, producing a freezing temperature of 44 degrees below zero.

Doctors reported on a case of a farmer whose hands were exposed to the gas for a few minutes while he was fueling his tractor. Four fingers had to be amputated and skin grafts applied although he was treated an hour after the accidental exposure.

### Infant Survival Rate Sets New Mark in '54

NEW YORK-The 4,060,000 babies born during 1954 set a new mark in their ability to survive the hazards of early life.

Infant mortality for the year dropped to an all-time low rate of 26.7 per 1,000 live births. This represents a reduction of almost 5 per cent from the previous low recorded in 1953, and of one-third from the rate of a decade ago.

The number of births was more than 2 per cent above the previous high established the year before and corresponded to a rate of 25.2 births per 1,000 population residing in the country.

### **Expectant Winner**

PROVIDENCE, R. I. - Mrs. Donald E. Jackson, Jr., a division commander of Lying-In-Hospital's building fund drive went to the race track and played a horse "strictly on a hunch."

The horse won and paid \$17.40 which Mrs. Jackson donated to the maternity-hospital fund. The name of the horse she played: "Expectant."

Published Weekly by the Union Oil Service at Kendrick W. L. "Bill" Rogers, Editor

HELLO, FOLKS:

Well, Sales Day has come and gone — and although we were not able to see too much of it, we understand it was quite successful - not only from the point of the Auction Sale — but from the point of just "pure friendliness," with a lot of old timers coming to town just to visit — and after all, that is a part of the Day's activities.

We know we sold a lot of those wonderful Union Gasolines, Royal Triton Motor Oil — as well as other items — all of which proved to us a lot of people came to

After a long, boring evening, the young man finally succeded in stealing a goodnight kiss from his young lady companion.

"That's your reward for being a gentleman," the girl murmured.

"Reward? My eye!" scowled the annoyed young man, "That's workman's compensation!"

Chilly, winter weather is on the way! Is your fuel tank full? If not, pick up the phone, ask Central for 1251 — and tell us to fill it up. We'll do the rest.

The shopper was cute and classy and she said to the floorwalker: "Do you have any notions on this

He sighed and said: "We do, Miss, but we have to suppress them during working hours."

Winter's at hand. Bring in your car, pickup or truck and let us fill that radiator with Prestone. Better be safe than sorry.

Always travel "Union".
