## New Year's Eve Dance

The Annual New Year's Eve Ball, sponsored by the Kendrick Volunteer Firemen, as a money raising event, was only fairly well attended, despite the fact that it was about the only dance scheduled here for a long time and the only one throughout the territory.

The boys had gone to a great deal of work to decorate the gym in the traditional holiday colors of red, green and white, with highly gratifying results.

Geo. Brocke, Jr., informs us that about \$50.00 less than last year was realized from the event — despite pre-dance ticket sales.

**Tigers Defeat Genesee**

Kendrick defeated Genesee 48-44 Tuesday evening of this week for its first win over the losers on their home floor in the last six seasons.  
It took the four-point scoring of Joe Cuddy in the final minute to do it. He canned a goal which broke a 44-all deadlock, then stole the ball and in the process collected a foul, — then made good on both attempts.  
Kendrick had been behind 28-18 at the end of the first half, and pulled even with the losers at 38-38 in the final period. Genesee moved to a 44-39 edge before Kendrick rallied and again deadlocked the score at 44-44.  
Glen Wegner of the winners led scoring with 16 points. Niebelsieck had 12 for Genesee.  
The B squad contest which opened the evening the Genesee boys proved best, winning 38-24.

**Grangers Play Pinochle**

The regular meeting of the Kendrick Grange was held Tuesday evening with a good attendance.  
Mr. and Mrs. Roy Handlin and Mr. and Mrs. Roy White of the Moscow Grange were welcome visitors, with the Handlins giving a few of the highlights of the State Grange meeting at Pocatello.  
Following the meeting nine tables of pinochle were in play, with Mrs. Gordon Peters and Gerald Ingie receiving high scores; Mrs. Bob Draper and Arthur Foster, lows. The "goose" was taken home by Frankie Benscoter.  
Delicious refreshments were served by the hostess committee at the close of the evening, which was "strictly men."

**It Looked Mighty Silly**

Last week local residents could hardly believe their eyes when the N. P. "bug" was removed and its place taken by a diesel train — which was even hauling a refrigerator car, used to transport mail, as the trucks were unable to care for the pre-Christmas rush.  
This mail was transported right on through town, to Lewiston, where it lay over-night, and in some instances over the week-end, then was hauled back up to Kendrick by truck. Really efficient, wasn't it?  
Why, when the train is operating is it not hauling mail? We think that the present mail service to this area could stand a considerable revision, as it is far from being as good as it was 50 years ago!

**We Pulled a "Boo-Boo"**

Says Clarence Morey: "I see by your paper that New Year's Day is Jan. 2nd. I had always supposed it was Jan. 1st or the first day of the New Year. My calendar shows Jan. 1 as New Year." — and he encloses a clipping of the little item entitled: "Local Stores To Close." in which we say in part: "All of the local places of business will be closed on New Year's Day — Monday, Jan. 2nd."  
Right you are, Clarence. Our Linotype simply failed to disgorge the "and" to make it read: "Be closed on New Year's Day — and Monday, Jan. 2nd."

**Tame Coyote?**

Sunday morning while Mr. and Mrs. Bud Eichner were eating breakfast they saw a coyote come up to within 25 feet of their home on American ridge. Bud went upstairs and got his rifle — and just as he opened the door, took aim, fired — and missed. The coyote then trotted down the road toward the Harley Eichner home. Bud got more ammunition, climbed into their car and drove after the coyote, caught up with the animal, and shot it.  
He says that never had he seen such a tame coyote.

**To Move Into New Church**

The congregation of the Church of the Nazarene, Juliaetta, will move into their new building this week. The first service will be held in the lower auditorium Sunday, January 8, with Sunday School at 10:00 and the morning worship service at 11:00. There will be special music, and the pastor will preach the sermon. A special invitation is extended to all friends of the church to be present for the opening service.  
The congregation plans to be in the main sanctuary of the new church in the near future.

**Emergency Cancels Trip**

A 2/c Lee Jones and A 2/c Eddie Horton, who spent Christmas here with Lee's parents, Mr. and Mrs. Henry Jones and family were scheduled to take the local Boy Scouts on a winter hike during the holidays — but were called back to their base at Stead A. F. B. by telephone orders — so the hike had to be cancelled.  
Both are "Survival Instructors" in the Air Force, and regret being unable to instruct the Scouts.

**Weather Has Ups and Downs**

The weather this past week has certainly been full of "ups and downs," in fact, it has been more like March than December and January.  
We have had below freezing temperatures, bright sunshine, warm rain, snow, sleet — and well, you name it — we had it.  
Saturday night about an inch of snow fell, glazing the streets with ice but by Tuesday evening, most of it had disappeared, leaving mud and slush everywhere.

**Logging Work Again On**

The cold weather of the week-end caused the very severe load limits to be lifted in most areas, and logging trucks were again in operation, many hauling on the legal holiday — Monday.  
Felling and sawing, which was almost at a standstill over the Christmas and New Year holidays, has also been resumed.

**Pot-Luck Supper**

There will be a pot-luck supper Wednesday, Jan. 11, at 6:00 p. m., in the Cameron Hall.  
Following the dinner Miss Dorothy Meyer will show colored slides on India. A free will offering will be taken.  
An invitation to all is extended.

## HELLO, FOLKS:

Well, now that the headaches following the celebration of the New Year has subsided, and things are getting settled down, let's take up some serious matters. How about those New Year's resolutions? Did you resolve "to do better by your car, pickup or truck?" Such as regular lubrication jobs at this station? And to use that famous Royal Triton Motor Oil? — If you didn't why not? It's our belief that there is no better lubricants than Union!

The telephone rang. "Do you have a Mr. Sexaur in your organization?" a voice asked. "What's that?" the girl on the phone said, "I didn't quite understand." "I said, do you have a Sexaur at your place?"

"No, sir, we don't." Then she quipped, "Say, mister, we don't even have a coffee break here."

And Folks — If you don't like to use sawdust tires, come in — we will tractionize your present ones!

Two colored boys were having an argument about ghosts. One of them said he had seen a ghost as he passed the cemetery the night before.

Doubtful One: "What was dis here ghost doin' when you las seen him?"  
Other: "Jes' fallin' behind, brother, fallin' behin' rapid!"

Bring those heating problems to us. Union Burner Oil is the answer. Phone 1251. We'll do the rest.
