DEARY HAPPENINGS DURING THE PAST WEEK

Fire Department Called

The Volunteer fire department was called to the rural home of Mr. and Mrs. Ralph Hanson on Saturday. Fire broke out in the upstairs closet, due to faulty wiring. The blaze was soon brought under control and damage was confined to the closet — and smoke and water. The Hansons, who reside at Moscow, happened to be at home spending the week-end.

Other Items

April 18 — Jean Burns and Katherine Campbell won prizes at Monday night's meeting of the Bridge Club. Mrs. Beverly Johnson was the hostess for the evening.

Jeanette and Janice Ebling observed their thirteenth birthday anniversary Monday. Six classmates surprised them with a party after school, bringing gifts and refreshments. They are the twin daughters of Mr. and Mrs. Hale Ebling.

Mrs. Esten Lee was surprised with an early morning birthday anniversary party Monday, when a group of friends and neighbors arrived at 9:00 a. m. with gifts and refreshments.

Mr. and Mrs. Alvin Curtis and son Ricky of Moscow spent the week-end with her parents, Mr. and Mrs. Axel Granlund.

Rebekahs Honored

April 20 — Marvel Granlund, Goldie Anderson and Ida Ruby were presented gifts of corsages and handkerchiefs from Noble Grand Dorothy Stevens in recognition of their work in preparing the re-dedication ceremony for the district meeting in Culesac, at Wednesday night's meeting of Morning Star Rebekah Lodge. Committees were appointed to plan the banquet which the lodge will serve for the Theta Rho Banquet on May 26. Harriet Corey was appointed to fill the chair of Left Support to the Vice Grand, and Velda Kainsteiner was named Inside Guardian, those chairs being declared vacant. A new altar ceremony was presented for the first time, candlelighters being Lavelle Hinman and Goldie Anderson. A gift of \$2.50 was voted to the American Cancer Society. The next meeting, on May 2, will honor Mother's Day.

Other Items

Mr. and Mrs. Norman Nelson were in Moscow Friday for a birthday anniversary dinner honoring Judy Baker, daughter of Mr. and Mrs. Laverne Baker of Moscow.

Norman Nelson, Jim Griffin, Leal Gould, Sam Anderson, Axel Granlund and Hale Ebling attended the Latah Chambers of Commerce meeting in Kendrick Wednesday night.

Audience Enjoys Play

April 25 — A large and appreciative audience witnessed the presentation of the Senior class play "A Little Dog Laughed" at the High School gymnasium Friday evening. The play under the direction of Mrs. Vera Wilson, starred Wayne Dunn, Violet Jensen, Terry Slatte, Ethel Smith and Shirley Dennis. Others in the cast were Jeanette Shreffler, Robert Brink, Eunice Stratton, Don Blakely, LeRoy Beckman, Crella Griffin, Lorraine Wunderlich, Dorothy Osborn, Lorraine Parks, Charlotte Johnson and Gordon Mayberry. Student director was Betty Jo Stone and business manager, Joyce Johnson. It was extremely well rehearsed and prepared.

Other News

The Cancer Drive is underway in the Deary area, with the Community Service Committee of Mt. Deary Grange as sponsors, and Mrs. Ruth Rasch as chairman.

Guests at the home of Mr. and Mrs. Harold Gray the past week were her parents, Mr. and Mrs. W. Chittendon and his mother, Mrs. Addie Gray, all of Nampa.

Tommy and Nancy Dolmore of Clarkston spent the week-end at the home of Mr. and Mrs. Frank Campbell while their parents, Mr. and Mrs. Richard Dolmore, attended a Jay-Cee convention in Tacoma.

Mr. and Mrs. Carl Fisk of Orofino were Sunday visitors in the home of Mr. and Mrs. Claude Olson.

Mr. and Mrs. Bob Wray of Elk River called on Mr. and Mrs. Donald Lawrence, Sunday. They report the road to Elk River improving, but still very rough.

Mrs. Aubrey LoBolle underwent major surgery at the Sacred Heart hospital in Spokane on Friday.

Laurie Lewis, small daughter of Mr. and Mrs. Olen Lewis, is in the Moscow hospital, suffering from a respiratory infection.

New Deary Correspondent

Mrs. Hale Ebling is the new Deary correspondent for the Gazette. Any help you can give her in the collection of items will be greatly appreciated by her as well as the Gazette. She is also our subscription representative in the area.

Potlatch Derby Makes History

The time guesses on the annual Potlatch Derby, which was run Sunday, beginning at 1:00 o'clock, were so close that winners all had to be figured in seconds.

Official time was 1 hour, 12 minutes, 40 seconds.

Winners were:

First prize, \$20.00; Phoebe Davis—time 1 hour, 12 minutes, 20 seconds. (20 seconds off).

Second prize, Hiram Galloway — Time 1 hour, 12 minutes, 14 seconds (26 seconds off).

Third prize, \$5.00 (tie) Marvin Long and Walter Harris — Time, 1 hour, 12 minutes, 12 seconds (28 seconds off).

"Spring's Bustin' Out!"

Weather this past week has been as fine as anyone could wish. The days have been (with the exception of two) bright and sunny, with high temperatures of 75 to 80 degrees.

Monday night we were visited by a brief dust and rain storm that made local housewives very unhappy — for it spattered newly washed windows with specks of mud.

Most maple and other early trees are now in almost full leaf, and later ones showing dainty little leaf buds. Lawns are an emerald green, and the "put-put" and clacky-clack of lawn mowers is an every-evening sound. Here in the canyon gardens are all in and showing signs of life.

P-T. A. MEETS AT GOLD HILL HALL ON MON., APRIL 16TH

The last meeting of the Joint District P-T. A. for this year was held at Gold Hill on Monday, April 16th, with 59 present.

The session opened with all singing "America," led by Mrs. Bob Magnuson, followed by the Invocation by Mrs. Al Pederson.

The Secretary-Treasurer's report was read and approved. It was reported proceeds from the Fun Night program netted \$120.30. Membership for the year was recorded as 93.

Mr. Meserve then read and explained vital issues to be voted on by our delegate to the State Convention at Coeur d'Alene. The group voted to go on record as favoring the following projects:

1. Persons paying personal property tax should be allowed to vote in school bond elections.
2. School bonding limits be continued at 15 percent of the assessed valuation.
3. That the Constitution be amended concerning the election of State Superintendent to read: "That they not be elected but appointed and paid a salary, to attract men of capable talent."
4. Standards be established for the operation of private kindergartens — with licensed operators required.
5. That the minimum program be increased.
6. Modern adoption procedure to be revised to allow children in Homes to be put in foster homes sooner and protection be given the child and parent.
7. Appropriations for Mental Health be increased.
8. Child labor laws be revised and modernized in keeping with Idaho's needs.
9. Adequate appropriation for and technical revision of the Youth Rehabilitation Act be made.
10. A "Family Responsibility Act" be enacted.
11. That trustees be elected district-wide, following zone nominations.

Under "Unfinished Business" Mrs. Wm. Cuddy reporting from a previous executive meeting, suggested that the loan fund for the Educational Fund be begun this year with \$100.00. Mrs. James Holt made a motion the Project committee take this under advisement with their decision to be approved by the Executive committee. This was seconded and passed.

A motion was made and passed to reimburse Mrs. Ben P. Cook for the expense of two additional kindergarten pupils she personally assumed.

The Southwick 1-3 grade room won the P-T. A. poodle with 10 present of a room count of 19.

Mrs. Bill Cuddy presented awards to the winners of a 1,000-word essay contest sponsored by the V. F. W. Auxiliary, the theme for this year being "Beacon of Hope." Awards went to Nadine Ausman, \$25.00; Rosalea Whittem, \$10.00 and Delores Gaskill, \$5.00.

A motion was made and passed to allow \$25.00 for each delegate to the State Convention.

Mrs. Elmo Eldridge installed the new officers: Mrs. Ray Scherer, president; Mrs. Bob Magnuson, vice president; Mrs. Wm. Cuddy, secretary, and Mrs. Ronald Jones, treasurer.

Mrs. Scherer then introduced the program chairman for the evening, Mrs. Gil Erlwine.

Jerome Pederson sang "Suddenly There's a Valley," accompanied by Mrs. George Lyons.

Mrs. Erlwine then presented Randall A. Johnson, who is associated with the Washington Water Power Co. in the advertising department, and who is Spokane's Franklin P-T. A. president.

Mr. Johnson commended the Kendrick P-T. A. for their active interest and work with the youth of our day. He showed a film, "Youth in Our Atomic Age," which was very educational and interesting.

Hostesses for the evening were Mrs. Al Pederson, Mrs. C. A. McAlister, Mrs. Alva Craig, Mrs. James Holt, Mrs. Sanford Weaver and Mrs. Dan Kechter.

Watch for a report next week on the winner of the promised Field Day trip — to the room having the highest count of P-T. A. attendance, magazine subscriptions and membership.

Farmers Union Local Meets

The Farmers Union Local held their monthly business meeting in the Fire hall Tuesday evening, which opened with a pot-luck supper.

There were two speakers featured, Harry Butler, manager of the REA at Lewiston, who spoke on "Electricity," and told of its progress in the past 20 years. He was followed by Howard Hechtner of Lewiston, who spoke on "Parity and Taxes."

The attendance was small, which was disappointing, since the speakers had gone to real effort to give interesting talks. Visitors included Mr. and Mrs. Harry Butler, Mr. and Mrs. Howard Hechtner and Walter McCall.

Roses Show Promise

Rose bushes, which a few weeks ago looked dead, are springing to life, and the grower that held off and didn't dig his up, is finding that they are sprouting from the roots. Only time will tell whether they were frozen below the graft or not.

Gregory Eaves, Lewiston horticulturist, says the bloom will be large and pale (probably) and that it will take a year for a plant to return to normalcy. But should they live through the summer, they will undoubtedly be as good as ever.

WHAT JULIAETTA FRIENDS ARE DOING THESE DAYS

Cancer Drive Almost Over

Mrs. A. W. Bailey, local Cancer Drive chairman, reported Monday that the drive for Juliaetta was all but completed, with \$110.60 collected. Included is a Memorial gift for the late Mrs. Lela Belle Gruell.

Mrs. Bailey wishes to thank all who took part, including the workers: Mrs. M. C. Halliday, Mrs. Harvie Shepherd and Mrs. Viola Browning.

For Fix Ridge, which is not included in the Juliaetta figures, Mrs. Edith Clark turned in \$45.55.

Any who might have been missed may still give by calling any of the workers.

General Items

Mr. and Mrs. Phil Johns left Friday for their home at Cuckamonga, Calif. after a visit of a week in the home of her mother, Mrs. J. L. Johnson, and other relatives. Mrs. Myrtle Cochrane, who had been visiting in the Johns home the past six weeks came up with them to her home here.

Mr. and Mrs. A. W. Bailey spent Sunday visiting with friends at Winchester, then drove on to Winona, where they visited in the home of his son, Mr. and Mrs. A. J. Bailey and family.

Mrs. Donald Johnne of Spokane spent Friday and Saturday in the home of her parents, Mr. and Mrs. A. W. Bailey.

Mrs. L. C. Groseclose and Rev. and Mrs. Earl Gaskill were Saturday callers in Lewiston.

Mr. and Mrs. Ed. Groseclose have a new granddaughter, in Walla Walla. Mrs. Groseclose is there now, making her acquaintance.

Miss Ruth Leland spent several days of this week in Spokane, visiting on and business.

Many relatives and friends from this area attend the funeral of Mrs. Emma Vincent in Lewiston, Friday morning.

Mrs. Marie Dahl is still visiting in the home of her daughter in Deary.

Mr. and Mrs. Caus Clark spent Friday night and Saturday in the home of their daughter in Lewiston.

Mr. and Mrs. Caus Clark have had as their guests for a few days their grandchildren, Lynda and Ronnie, of Lewiston. Their brothers had their tonsils removed, so they had a good visit here.

Mrs. A. Morgan, mother of LeRoy Ross, has been visiting in the home of her son and family here.

Rev. and Mrs. R. E. Bebout spent Thursday on a trip to Orofino, as they had never before seen that part of Idaho.

Mr. and Mrs. Pete Davis and sons have returned to their home near Deer Park, Wash., after visiting with a number of relatives here. While here their son became ill and was forced to spend some time in a hospital.

Mr. and Mrs. Ray Crain visited at their old home Sunday. They have purchased the Taber house here and are busy remodeling it.

Mrs. Rufus Fairfield has been suffering with an acute sinus infection that causes daily trips for medical attention.

Mr. and Mrs. Jasper Nutting and family of Pomeroy visited in Juliaetta and Kendrick Saturday. They were noon dinner guests in the Wallace Clark home and evening dinner was enjoyed in the L. C. Groseclose home.

Fifty young members of the Nazarene Church from the Lewiston Zone gathered at the local church Saturday evening, April 21, for the final Zone Rally of the year. The Pomeroy young people won first place in the quiz on "Abraham," and the Lewiston First Church won second. Rev. H. Berkeley brought a message on "Handicaps." Refreshments were served at the close of the meeting.

Mrs. Asa Calvert has written quite a number of hymns, and she was honored Sunday at the Nazarene church as a "Living Composer." Mrs. Willis Bowen, Betty Ross and Beverly Bowen sang one of her hymns, "There Is Wonderful Power In Prayer."

Folks are really busy here during spare moments, putting in garden, trimming up winter-damaged shrubs, and otherwise beautifying their homes and grounds.

If you would like to read more Juliaetta news I'd just love to send it in. Please mail it to me or phone on Monday morning. Dial-2648. Mrs. R. E. Bebout.

Mr. and Mrs. Melvin Garner and family of Orofino visited Sunday with Mr. and Mrs. Willis Howell and daughter.

Mr. and Mrs. Onal Cope are just completing work on the installation of a new roof on their home.

Mrs. Mary Millard has gone to Clarkston to spend the summer helping care for an aged aunt.

Mrs. Maggie Baillie of Pasco was a guest Saturday in the home of Mr. and Mrs. Onal Cope.

The Juliaetta Rebekah Lodge is giving another card party in the hall Monday evening, April 30. A gift plate will be passed, with proceeds going toward a new roof on the building. All are welcome.

Plays In Chess Tournament

H. F. Thompson returned Monday from Spokane where he took part in the Inland Empire Open Chess Tournament, where he won three and lost three in the competition. Players were present from as far away as North Carolina, 40 taking part.

Included in the competitors was the South Dakota State champion.

Play lasted two days, Saturday and Sunday and a new champion, Viktors Pepola of Tacoma was the meet winner.

Phone Lines Go Out Sunday

With a crash that could be heard all over town, Sunday morning about 9:00 o'clock, a huge dead tree crashed across the main phone lines leaving Kendrick to the south, putting out of commission almost all the Potlatch ridge lines, as well as some long-distance lines.

The dead tree (or snag) probably fell as an indirect result of the brush burning held on the hillside Saturday by the Scouts and Cub Scouts, as it caught fire during the operation.

Monday afternoon the local phone company crew was still working to repair the damage.

HIGHWAY MAIN DISCUSSION AT LATAH C. OF C. MEETING

Highways were the main topic of discussion when the Latah Chambers of Commerce met with the Kendrick Community Lions Club here Wednesday evening of last week. Chief item of discussion was a resolution passed at the March meeting of the Latah C. of C. at Genese, urging the State Highway department to begin surveys to locate an alternate route between Moscow and Spalding that would bypass the Lewiston Hill and shorten the distance for north-south traffic in the state.

Joe Parker, as a member of the county chambers' highway committee reported on a visit made to Boise recently to present the resolution to the state board.

Mr. Parker said interest was shown in the proposal, especially in view of the fact that this alternate route could be constructed at far less expense than a similar project to eliminate the Whitebird grade with a mileage saving (north-south) of about the same proportions. He added that routes up either the Little Potlatch, Middle Potlatch or Hatwai Creek would shorten the distance for through traffic "on a water grade" about 12 miles. The state engineers estimate such a route could be built for about \$2,000,000.

J. Adrian Nelson of Genese and Wayne Mayberry of Moscow assisted Mr. Parker in the presentation.

Eldon Strom of Troy and H. C. Schupfer of Kendrick spoke briefly in favor of other routes, also on water or "near water" percentages that would better serve this area and their respective communities, rather than heading directly for Moscow. Several spoke in favor of a route that would go from Kendrick to Deary and then north via Avon as preferable to a by-pass that would not directly serve for north-south traffic.

A resolution was passed urging the Federal Power Commission to act in granting permanent licenses for the construction of proposed dams on the Middle Snake river, without naming specific dams or sponsors.

Gerald Ingle of Kendrick asked for an expression of opinion on dates for the Latah County Fair. He said there was some sentiment for extending the time later through Saturday and possibly through Sunday. Mr. Ingle is chairman of the Fair board.

The baked ham dinner served the gathering was prepared by the Kendrick V. F. W. Auxiliary, and served at the Fire Hall.

The May meeting will be at Moscow.

Ten Choirs In Festival

The approximately 250 voices of 10 choruses joined to sing in four selections at the close of the sixth annual choir festival of the East Walla Walla Subdistrict of the Methodist Church at the Lewiston High School auditorium Sunday evening.

Taking part in the festival were senior choirs from the Moscow, Lapwai, Nezperce-Cottonwood, Clarkston, Kendrick, Pomeroy, Lewiston and Grangeville Methodist churches. In addition junior choirs from the Moscow and Kendrick churches participated.

Each choir sang one selection with its own director and accompanist before they massed to sing under the direction of Prof. Norman Logan of the University of Idaho music department at the conclusion of the program. Logan also directed the Moscow senior choir.

The massed chorus sang "Go Not Far From Me O Lord," and "Thy Word Is A Light," by Morgan; "Hear My Prayer," by James and Stickers; and "Almighty God of Our Fathers" by James.

Approximately 750 attended the one-hour and 45-minute program. The choir had dinner at the Lewiston Methodist Church prior to the program.

Those singing from the local church here and at Juliaetta included Karen Nelson, Dolores Gaskill, Rosalea Whittem, Mrs. Vera Hutchison, Mrs. Dennis Racicot, Donna Kanikkeberg, Mrs. Burton Souder, Jr., Mrs. Max Clemehagen, Mrs. Barbara Choate, Mrs. Geo. Brocke, Sr., Mrs. Wm. Holt, Mrs. Bob Magnuson, Mrs. Howard Hoffman, Mrs. John Deobald, Mrs. Chas. Easterbrook and Karen Loudon, with Mrs. H. C. Schupfer as accompanist.

Members of the Junior Choir from Kendrick who sang included Sally and Ida Glenn, Dick and Elsie Baker, David and Janet Eldridge, Dee and Dana Magnuson, Larry, Carolyn and Marilyn Helton, Dean Brocke, Kathleen Bamberry, Pamela Schmidt, Cheryl Westendahl, Donna Johnson and Bob Callison. Parents who took the children were Mr. and Mrs. Norla Callison, Mrs. Ward Helton, Mr. and Mrs. Geo. Brocke, Jr., Mrs. Elmo Eldridge and Mrs. Bob Magnuson.

Mrs. Bob Magnuson, leader, wishes to thank all parents and others who helped in getting the children to Lewiston for this event.

SHORT NEWS ITEMS FROM OUR LOCAL SCHOOLHOUSE

Boosts For Teaching

The Seniors were visited last Wednesday by Robert Jones, an instructor in Biology at the Lewis-Clark Normal School. He told them of the opportunities that exist for anyone interested in the teaching profession.

Recruiter Visits

April 23, representatives of the Army, Navy and Marine Corps recruiting offices of Lewiston explained to the Seniors the advantages of enlisting, but advised them to go on to college if they could see their way clear to do so.

Answer Questions

Mr. and Mrs. Parker McCreeary gave the Seniors a very interesting report on Germany, Tuesday, April 17. They spent the whole period answering the Seniors' questions, discussing such things as eating customs, housing facilities, armed services, race prejudice, juvenile delinquency, feeling toward the U. S., divorce, monetary values, transportation, communications, etc. This was very much enjoyed and gave the Seniors a better picture of life in Germany.

Junior Prom Greatly Enjoyed

The Junior Prom, last Saturday evening, began at about 9:15, with about 100 people participating. The Juniors took in a little less than \$100. The Lewiston High School dance band provided \$76.00 worth of music. The theme of the Prom was "Harbor Lights", and the gym. was decorated very nicely to carry out this effect. In fact, the effort put into the decorations clearly showed taste and work.

Music Festival at Lewiston this year will take place on Friday and Saturday, April 27 and 28. Kendrick will be one of the schools participating, along with almost all the others in this part of the state. The Chorus will march behind the Band this year, and all of the students are urged to attend and give our school some support.

New Library Book

Heath Careers, a new book in our library, tells what field of health a person is qualified for, and is interested in, according to his moral and physical abilities. It will be of interest not only to the student, but also to the parents. It is the latest issue and has information about every field and department of health.

Present Dances

Friday, April 20, the Galatia, a foreign-born dance team, presented another of our National Schools Assembly programs. The students of Kendrick went to Juliaetta, where they saw German, Italian, Spanish and Scandinavian dances performed by the two artists.

Tests Are Given

Monday and Tuesday of last week, National Typing and Shorthand tests were given to Rosalea Whittem and Ted Meske. If less than 10 percent of their work was errors, they will receive certificates in the Shorthand division. First prize in the Typing division is a trophy, with medals being awarded to the next six highest in scoring.

Kendrick Drops Ball Game

Last Friday, April 27, in a baseball game at Armitage Field, the Kendrick Tigers were clawed by the Kamiah Cubs — 8 to 3. Kamiah scored the winning runs in the fifth inning on three base hits and a pair of Kendrick errors.

Dale Adams, winning pitcher for Kamiah, gave up 3 hits, struck out 5 and walked 2. Bruce Clemehagen, losing pitcher, gave up 7 hits, struck out 7 and walked 2.

To Play Rams

Monday, April 30, the Clearwater Valley Rams will come to Kendrick to play ball with the Tigers.

Cub Scout Pack Meeting

The monthly Cub Scout Pack meeting was held Monday evening at the Fire Hall with Cubmaster H. L. De-weber in charge.

The Cubs displayed their Audubon Junior Club Notebooks and also bird houses they had built.

Den I presented "Bird Charades," with the parents guessing the birds portrayed by the Cub Scouts.

Den II presented a short skit "It Happened One Night at a Firebug and Litterbug Convention," with Smokey Bear and his Cub Scout helpers arriving in the nick of time to take care of the "Firebugs" and "Litterbugs."

Cubmaster Deweber then presented Wolf Badges to the following Cub Scouts: Billy Fey, Ricky Rogers, Tommy Rowden, Dana Magnuson, Dean Brocke and Richard Abrams; a Lion Badge to Dickie Baker; and a Gold Arrow Point to Bobbie Wilson earned a Gold Arrow Point. Dean Brocke also was presented with a Gold Arrow Point and a Silver Arrow Point, which he had earned.

Home Demonstration Week

In honor of National Home Demonstration Week, three home demonstration clubs are playing host to Latah County home demonstration club members and homemakers at a meeting on Thursday, May 3 at 1:30 p. m. in the Deary Grange hall.

The program will begin with musical numbers, followed by Dr. James Millar, speaker.

Refreshments will be served by the hostesses — Mt. Deary Home Economics Club, Busy Bee Club and the Bethel Club.

Women who made garments in "Tailoring" or "Better Dress" Work Shops are asked to wear them, so everyone can see the results of their work.

Mr. and Mrs. Geo. Allen of Walla Walla arrived here last Tuesday to be at the bedside of her father, D. M. Fraser, who underwent major surgery last week at St. Joseph's hospital in Lewiston. While here they stayed at the home of her brother, Mr. and Mrs. Everett Fraser. The elder Mr. Fraser's condition is considered grave and little hope was held for him at the time he underwent surgery. But latest reports show he has rallied and they expect to take him home from the hospital before too long.

Mr. and Mrs. Warren Schmidt left suddenly for Portland last Thursday upon receiving word her grandmother was dying. Mr. Schmidt returned here Saturday with word that the grandmother was still in a grave condition. Mrs. Schmidt remained at her bedside. Mrs. F. C. Schmidt has been caring for their grandchildren during their mother's absence.

Edgar Bohn moved a big red trailer house onto the vacant lots owned by Mr. and Mrs. R. L. Blewett, Tuesday. The lots are across the street from the Ross Armitage home and at the rear of the L. D. Crocker home.

Some difficulty was experienced in moving the trailer house, as when it left Main street to ascend the hill to its new location, it proved too long and too low for the sudden change of streets, and considerable "jockeying" was required to persuade it to take the turn and the tilt at the same time.

Mr. and Mrs. Don Jensen of Moscow brought their two little daughters down Tuesday to stay with their grandparents, Mr. and Mrs. Ed. Brown, while they made a business trip to Spokane.

Mr. and Mrs. N. H. Stedman left Tuesday morning on a trip through Oregon and Washington. They will visit with old friends along the way.

Mr. and Mrs. Don Millard and Mrs. Walter Silflow drove to Lewiston on Sunday to visit with Mr. and Mrs. Elwood Pearson.

Mr. and Mrs. Ben P. Cook were Sunday dinner guests of Mr. and Mrs. Elmer Stitzlein in Moscow. Enroute home they went by way of Astin, picking up their little grandson, Rickie Goff, who will spend the week here and attend kindergarten.

Merry Stitchers 4-H Club News
A demonstration on "How to Make Cocoa" was the main event at the meeting held Friday evening at the home of Carol Vincent, she, with Carolyn Davis, doing a very nice job. We learned that you can make better cocoa by using a double boiler. As the giving of demonstrations is something new for beginners, Judy Koeppe, one of the older members, told us "How

to Give a Demonstration," and from this we know we have a lot to learn by Fair time. Eleven of our 13 members were present, as well as the leader, Mrs. Meyer, and two mothers. During the business meeting Judy Koeppe and Jean Jones were elected to go to the U. of I. for a Short Course in June, with Marga Wilken as alternate. It is hoped all can go on a roller skating paray sometime in May.

Most of the girls hope to be able to go to the 4-H Camp at Lake Chatcolet in July and they're hoping Mrs. Meyer can go along as chaperone.

The first year sewing class must have their apron material at the next meeting, which will be at Jillian Wegner's home May 14.

After the meeting adjourned games were played and the hostess served a lunch of potato salad, hot dogs and punch. — Betty Blankenship, rep.

Home From Boise Meetings
Mrs. Raleigh Albright, Juliaetta, returned home Sunday night from Boise, after a week spent there attending a Western Division (No. 8) Conference on Mental Health, where she was on the program Thursday morning (April 19) as a member of an advisory group.

She also was a member of the committee planning the luncheon to honor Idaho's Mother of the Year, Mrs. Theodore Hoff, Sr., (Hannah Hagebak Hoff) of Horseshoe Bend, Idaho. This luncheon was held Sunday in Boise at the Hotel Boise. The state award was presented Mrs. Hoff by Gov. Robert E. Smylie. The official "Welcome" was given by the Mayor of Horseshoe Bend, and the response by Mrs. Hoff's son, Mrs. Albright, as "Mother of 1955" acted as M. C. at the luncheon.

Mrs. Hoff will go to New York City the first week in May, where she will be a guest at the Waldorf-Astoria Hotel and represent the State of Idaho in "Mother of the Year" festivities.

Hold Brush Burning Bee

Last Saturday the Boy Scouts and Cub Scouts, under the direction of Hank Jones, deputy state forester, and assisted by Frank Abrams, Bill White, Lester Wallace, Marion Rowden, Ed. Nelson and Eddie Horton burned the brush accumulated in the Village park across Potlatch creek as a result of logging operations a year ago, and Mr. Jones, whose responsibility it is to see that such work is done, says he is very well satisfied with the job, as all fire hazards are now gone.

Scouts and Cubs taking part in the operation were Mark Reid, Robin Magnuson, Leonard Eldridge, Denny Abrams, David Johnson, Randy Wallace, Jerry Armitage, Freddy Foster, Edward Jones, Richard Nelson, Roger Nelson, Dana Mafinason, Richard Abrams and Dickie Baker.

Milk Must Be Cooled
Spring sun raises temperatures that has no business in milk. Milk must be cooled and kept cool, the county agent reminded producers this week. The return of warmer weather to Idaho farms means that more attention has to be given to temperature in the milk can.

Prompt cooling is required now, the county agent advised. In winter nature made it easier. The safety zone is below 50 degrees. Get it down to that zone as soon as you can and keep it there. Mechanical refrigeration is most efficient. Water is 21 times as cooling as air at the same temperature. Running water below 50 degrees may be used because water cools milk to within five degrees of the water temperature.

Stirring hastens cooling. Do not mix warm and cold milk.

W. S. C. S. To Meet
The W. S. C. S. Afternoon Circle will meet Thursday afternoon at the home of Mrs. Roy Glenn, with Mrs. Wm. Holt as co-hostess.

All who are interested are cordially invited to attend.

Use Those Frozen Foods
Your food freezer isn't Fort Knox. The bigger turnover you have in frozen foods the cheaper it is to run the home freezer. That's the opinion of U. S. D. A. people who surveyed the cold box situation and passed their findings on to the Latah county home agent.

They said storing 360 pounds of food a year in a home freezer costs more than twice as much per pound — not counting the cost of the food itself — as using 900 pounds from the same freezer during the year.

The reason high turnover drops the storage cost is that certain fixed costs of freezer operation are large compared with other costs involved — such as wrapping — which vary

with the amount of food handled. As more food is used and replaced in the freezer storage, costs are spread over a larger number of pounds.

In the same connection, Hilda Fredrick, home management specialist of the University of Idaho extension service, offered figures comparing the cost of keeping food in a locker plant and in a home freezer. The annual cost of renting what is comparable to an 18 to 20 cubic foot locker, plus cutting and wrapping charges, average \$54 to \$66. A commercial home freezer of the same size runs about \$107. That includes depreciation on the apparatus, repairs, interest, and power, and assumes all cutting and wrapping of food is done at home.

Individual needs and conditions vary

so much, however, she said, it is not possible to say that either home freezers or lockers are more practical. Each family has to weigh the convenience and cost of the local locker plant with the convenience and cost of having a locker in the home.

Infra-Red Chick Brooding
The heat lamp is a hot number when it comes to saving labor in the chicken house, says Robert Black, poultry specialist of the University of Idaho extension service. Equipment for infra-red brooding is inexpensive, he says, and cuts down tremendously on the chores of carrying fuel, cleaning burners, and emptying ashes. He says the infra-red system is particularly appealing to farmers raising 100 to 500 chicks.

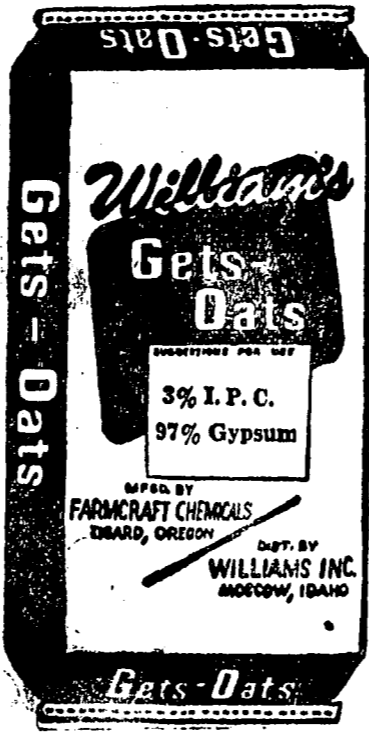

Several points are important to success. For one thing the brooder house has to be kept free of drafts. When air doesn't blow around there is less possibility of disease and the power bill is less.

It's a good idea to check with the electric company to be sure you have enough power and the correct wiring. Infra-red bulbs come in several sizes. The most common is the 250 watt. At room temperature of 75 degrees this bulb will take care of 100 day-old chicks. But if room temperature is only 45 degrees you have to cut down the number to 70 chicks.

Be sure there is a chick guard around the brooder the first 10 days. You can read the chicks like a barometer. If they stay away too far, raise it a few inches.

INCREASE YOUR FARM PROFIT!

**USE GETS - OATS
ON PEA GROUND!**

1. Easier to apply. This material can be applied with your regular fertilizer spreader. This means no nozzle to plug and no mixture to prepare.
2. It is a time saver in the spring when you are always pressed for time to get those crops planted. It also saves time in the fall. Those oat free fields if peas are much easier to harvest than oat infested fields.
3. It increases your yield of peas. Experiments have proved that oat free fields will yield up to twice as many peas as an oat infested field.
4. The application cost of IPC when applied with Gypsum is actually free. In your normal farming practice when you apply Gypsum as a fertilizer for peas, the IPC added to this fertilizer is applied on practically a no cost basis.

6-Passenger 4-Door Riviera,
Model 63D

**Makes Friends
with the Meanest Roads**

(Have you tried Buick's great new ride?)

THE SWEET WAY a '56 Buick rides on all sorts of roads is something you find nowhere else on wheels.

Capricious roads that twist and turn—unruly roads that rock and roll—tired roads, battered and beaten—they all seem to wear company manners the moment a Buick approaches.

Why? Simply because Buick comes with what it takes to put any road on its best behavior—the completely ride-engineered combination of chassis, engine and automatic drive that is obtainable in no other car.

And that's gospel truth whether you drive a new SPECIAL, CENTURY, SUPER or ROADMASTER.

No other car matches the firm, true tracking of Buick's own ride foundation—buttressed by brawny X-braced frame and torque-tube drive—cushioned on coil springs and deep-oil shock absorbers.

No other has such width of tread and length of wheel-base within dimensions so trim and tidy that Buicks turn, park and garage more easily than smaller cars.

No other duplicates the assurance of steering, brakes and rear axle so precisely geared and gaited for the nimble handling that's a safety "must" in modern cars.

And certainly no other name plate promises the soaring sweep of power that wells from the big 322-cubic-inch V8 beneath every new Buick bonnet.

Nor does any other automatic drive put power to its car's rear wheels with the swift, untruffled pace of Variable Pitch Dynaflo*—and that goes double every time you "switch pitch" for whip-quick, safer passing.

But why stop to count reasons—when results are what you're after?

Wouldn't you rather really feel Buick's new "sense of direction" on straightaway, curves and corners?

Wouldn't you rather relax in supreme comfort while tooling this powerful performer over roads you always hated to travel?

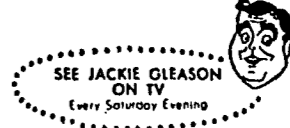

Well, sir, we cordially invite you to drop in on us and do just that.

Make it this week, won't you? Sample the ride that has charms to win any old road—and get first-hand figures on prices that make Buick owning a more positive pleasure.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Need For Flood Control

Washington—Under questioning by Senator Dworshak, at a Senate Committee on Interior hearing, Gordon H. Fernald, Chief of Planning Branch, North Pacific Division of the Corps of Army Engineers, stated that there is an urgent need to construct flood control storage on the Salmon and Clearwater Rivers. At the present time, there is no flood control storage on either these streams. There is no immediate prospect for control on the Salmon River because of the importance of the river fishery. The Corps of Army Engineers has not been able to develop a fish ladder which is acceptable to the fish people. The Corps is receiving about \$1,000,000 annually to make surveys and installation of hatcheries in the Lower Columbia River Basin to facilitate and propagate the fisheries industry. Fish and wildlife organizations contend that the construction of any dam on the Clearwater River would seriously retard the migration of fish and affect wildlife in that particular part of the Basin.

Senator Dworshak asked Mr. Fernald, in view of the potential flood threat in the Columbia River Basin, unless something is done to impound these flood waters, if he didn't consider it an illogical situation; that because of the aspects of propagating salmon fisheries, there have been no flood control projects on either the

Salmon or the Clearwater Rivers. Senator Dworshak stated that we are approaching a point where we will have to make a decision as to whether taking care of the fish on the Salmon and Clearwater Rivers is more important than building flood control projects which could conserve human lives in the Lower Columbia Basin.

Mr. Fernald replied, "We hope we can break that stalemate, Senator, and have both fish and dams one of these days." To this Senator Dworshak replied that it would appear so long as the fish and wildlife groups contend that those areas are sacred

and that you can't build flood control projects, then we will have to subject human life in the lower basin to the serious threats of floods. Senator Dworshak further asked if the Army Engineer Corps and Fish and Wildlife Service would come up with some concrete recommendations within the next year. Mr. Fernald assured the Senator that they hoped to have an estimate of the situation by next year.

ORDINANCE NO. 482

Dated March 31, 1956
An Ordinance relating to the Municipal Water Supply system of the Village of Kendrick, regulating the use of water therefrom; providing for the sale of the same; fixing the price thereof; penalties for violations of this ordinance.

Be it ordained by the Chairman and Board of Trustees of the Village of Kendrick, Latah County, Idaho:

Section No. 1. The Village Water Commissioner of the Village of Kendrick, Idaho, is hereby designated and constituted the Water Commissioner. Work authorized to be done by the Water Commissioner may be done on the behalf of such water commissioner by any authorized employee of the said Village of Kendrick.

Section No. 2. It shall be unlawful for any person whose premises are supplied with water, either through fixed rate or through meter to furnish water to additional families or premises unless he shall first make application to the Water Commissioner and secure his approval in writing.

Section No. 3. The Village of Kendrick reserves the right, at any time, to cut off the water in the main line without notice, for a period of one hour, and shall not be liable, under any circumstances, for a deficiency or failure of water, whether by shutting off water to make repairs, or connections, or for any other cause whatsoever.

Section No. 4. That all monies for water consumed shall be due and payable to the Farmers Bank, Kendrick, Idaho, between the first and the tenth of the month, and for failure to pay same within the time prescribed, said consumer shall pay, in addition to the amount due, a fine of \$50.

Section No. 5. On the 16th day of the month it shall be the duty of the Water Commissioner of the Village of Kendrick, Idaho, and is hereby authorized and empowered, to shut off and disconnect all water service to any premises, person and/or corporations, whether owner or tenants shall be delinquent for the previous month, and has failed, refused or neglected to pay the water rent as herein provided; and when such water has been turned off, the same shall not be re-instated or turned on until all delinquent water rents have been paid, together with fines, and the sum of Two Dollars (\$2.00) for turning the water on.

Section No. 6. The Village of Kendrick shall run all lead pipes to the outside of the sidewalks, and no further; but shall not run them more than Eighty (80) Feet in any case.

Section No. 7: The water rates or rentals for the Village of Kendrick, Latah County, Idaho, are and shall be as follows, to-wit: The following rates apply to residents and tenants of the Village of Kendrick, Idaho, and shall be as follows:

Section No. 8. The minimum rate for water users shall be \$2.00 for three thousand (3,000) gallons; and one or more tenants using water through the same meter each additional water user will pay the regular rate of \$2.00 per month. All residents where there is one or more tenants or occupants using the water, each tenant in the residence or apartment will be assessed the minimum rate for the services rendered during the month, and this applies to Hotels, Motels, Private Houses, and all users of water supplied by the Village of Kendrick, Idaho.

Section No. 9. The following rates, as recommended by the Water Commissioner and approved by the Board of Trustees, are the following:

Minimum rate for patrons (3,000 gallons) \$2.00; next 4,000 gallons or portion of same, \$.30 per 1,000 or portion thereof; next 5,000 gallons at \$.20 per 1,000 or portion thereof; next 1,000 gallons at \$.15 per 1,000 or portion thereof, and \$.15 per 1,000 gallons for all additional consumption. All churches shall be charged at one-half (1/2) rate for regular consumers, and schools shall be charged at a rate specified by the Board of Trustees of the Village of Kendrick.

This Ordinance shall be in full force and effect from and after its passage, approval and publication in the Kendrick Gazette.

Passed by the Board of Trustees and approved by the Chairman this 3rd day of April, 1956.
Read first time March 6, 1956.
Read second time April 3, 1956.
Read third time April 3, 1956.

Approved:
FRANK ABRAMS,
Chairman.

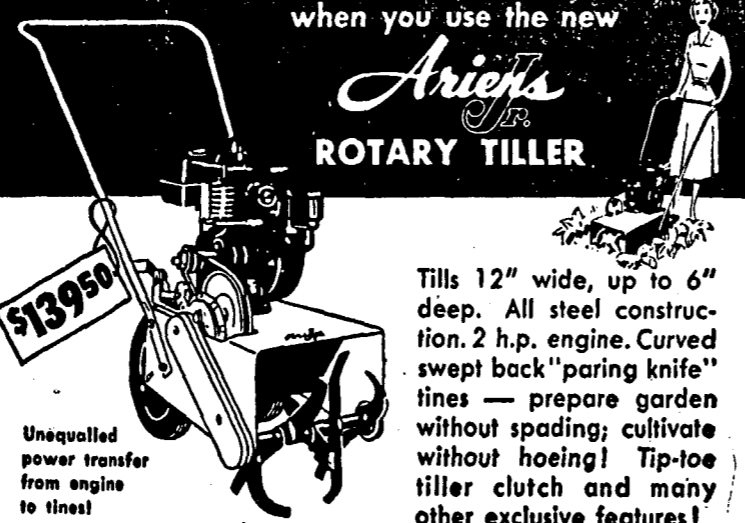

Attest:
EDGAR LONG, Clerk.

Signs Of Spring Here

Spring must surely be here — for pullets are beginning to lay, and old hens to moult — and just which category an egg brought to the Gazette office by Mrs. Eldon Heimgartner comes under — we don't know.
 The "cackle" fruit is one of the tiniest we have ever seen, being about the size of a robin's egg — but is brown — so must belong to a Rhode Island Red or other dark breed of chicken.
 The shell is perfect, and is also filled — not empty.

Thank You Friends

I wish to take this opportunity to say "thank you" to all who sent me cards, letters, notes, etc., during my stay in the hospital at McMinnville, Oregon. Especially do I thank the Grange for the lovely potted plant. —Mrs. Jack Travis. 17-1

Notice of Hearing of School Budget

Notice is hereby given that the Board of Trustees of Kendrick Joint School District No. 283, in Latah County, Idaho, has prepared a budget for said school district for the ensuing fiscal year, and that the same is available for public inspection in the office of Robert Meserve, Superintendent, at the Kendrick High School.

Time to Change the Law

Results of the Stevens elected PUD commissioners County election, in which who are opposed to putting the people voted by a large majority to sell their Public business. The people have made it clear that they do not want an active PUD, but they have no way of disbanding it. The PUD continues in existence with a consequent continuing expense to the taxpayers, and an all-out fight is needed at each election to make sure that pro-public power commissioners are not selected by default.

Under the law, the people of any county can vote to organize a public utility district and go into the electric power business. But there is no legal machinery by which they can disband a PUD.

The situation is obviously an absurd one. Provision should be made by the 1957 state legislature to allow the people of any area to disband their public utility district if they so desire, under the same rules that they are allowed to form one in the first place.

Thus, even though the voters of Stevens County have repudiated their public power agency, it will remain in existence, with new commissioners being elected each two years to hold office in an inactive organization.

The same situation, with a different twist, exists in Yakima County. There the voters approved formation of a PUD some years ago, but ever since that time have

HELLO, FOLKS:

Union Oil, as you probably know by this time, is now conducting a series of National Contests, with a grand prize of a Free Trip for two to anywhere in the world — with four contests in the coming summer months.

Coupons for the first of these are now in the mail — and you get a coupon with each purchase at this station. More information can be obtained here now — so stop in today!

Convict (to new cellmate): "How long are you in for?"
New Cellmate: "Ninety-nine years. How long are you here for?"

Convict: "Seventy-five years."
New Cellmate: "Then you take the bed near the door. You get out first."

It isn't necessary to drive a dirty, squeaky car. Bring it in to us for a complete lubrication job, including a crankcase full of that famous Royal Triton Motor Oil — and a wash and polish. The cost is low — satisfaction high.

On the bayonet course a rookie was particularly clumsy. He charged the dummy, stumbled, missed the bayonet jab and flattened his nose against the sack.

"Nice going, soldier," said the sarcastic sergeant. "If you can't stick him — bite him!"

There is no substitute for good gasoline and diesel fuel in your tractors. When you think of these items, think of 1251 — pick up the phone and say "Fill 'em up." We'll do the rest. And deliver those famous Union Lubricants.
