HELLO, FOLKS:

Well, here it is the "Jumping Off Time" for that harvest rush — and so let us say just a few words about lubrication.

None of you would think of using your machinery without lubri-cants — but what about the brand you are using? Does it give real protection against heat and friction, which can shorten machinery life and case time-consuming big break-downs right when you need it most?

If you need lubricants, you need the best, Call us — 1251 — and we'll deliver Union Lubricants for any and all needs! Try them! * * 4
