"You just can't imagine how wonderful it is to have an all-electric laundry. It gives you the feeling of being efficient and modern, so fashionable. An allelectric laundry saves energy, worry, and time. I use my new freedom to be with the children, to shop, and for worthwhile clubwork.

"Now my laundry is washed automatically, gently, and safely. Clothes are dryed sun-sweet clean. No more worry about fading, wind whip, rain, or soot. Best of all, I actually cut my ironing time in half because so many items are ready to fold and put away right from my new dryer."
