#### HELLO, FOLKS:

Well, now that the New Year's headache has subsided, let's talk about the problem of heating your home or place of business for the remainder of the winter. Are you satisfied with heat output and fuel oil consumption? If not, try a tank of our famous Union Burner Oils. Just pick up your phone and CALL 1521 — say "Fill 'er up" and we'll do the rest!

A sheep rancher suddenly struck it rich. His first purchase was a Cadillac limousine. On his next trip into town, the dealer, meeting him on the street, inquired how he liked the car, "Say, fella," said the sheepman,

"that there is a real nice automobile. Sure do like that winder back of the front seat.

"How's that?" said the dealer.

You don't have a chauffer!" "Don't need no chauffeur," said the sheepman, "but that winder keeps the sheep from licking my neck while I'm taking 'em to market!'

Tires need grip on the wintery roads? If so, bring your car, pick-up or truck to us and let us tractionize them — our outfit you with those famous U. S. Royal Mud & Sonw tires. Drive safely! \* \* \* \*

A teen-ager saw an advertise-ment for: "A valuable book, including information every young girl should know before she marries, with full instructions and illustrations." She sent for the volume and received-a cook book!
