**JUST A REMINDER!**

McCormick-Deering machines are built with Genuine IHC Parts when you buy them new. You wouldn't accept them any other way. So isn't it good business, when wear and tear or any accident make new parts necessary, to replace with the same quality products?  
You'll be sure of satisfactory performance then. Genuine

IHC Parts retain and continue the performance that you had when your machine was new. Don't handicap your equipment by careless selection of service parts.

**FOR YOUR PROTECTION, ALWAYS USE GENUINE IHC PARTS. GET THEM HERE.**

Then You'll Be All Set To Go To Work!

## HELLO, FOLKS:

Longing to relax when driving the highways — or beside a trout stream in the mountains? Well, in either case it's easy to at least get "peace of mind" by bringing in your car or pickup for servicing before you start out on that trip. Let us grease it with Union Lubricants, fill the crankcase with that wonderful Royal Triton Motor Oil — and perhaps wash and wax it! You know, then, that it's serviced completely. Or, if going fishing, let us service your car or pickup — and you'll get a FREE fishing lure with the job. Who knows — it just might bring you luck!

If you don't think plain English can be confusing, how about this conversation that took place in a hardware store:

two-watt bulbs?"  
"For what?"  
"No, two."  
"Two what?"  
"Yes."  
"No."

Spring rush really got you? Are you too busy to keep watch on your gasoline, diesel and oil supply? If so, let us put you on our "stay full" list. We'll keep those tanks full and do it with a smile. Just pick up your phone and call us at 1251.

A little boy, being cared for by a neighbor was told to go out and play. In a few moments he was back.

"I forgot to tell you," he panted, "Mama says to keep an eye on me. I'm one of those kids who runs away."
