### SALES DAY SET FOR SAT., SEPT. 27

At a meeting of the Board of Directors of the Kendrick Community Lions Club, held in the Kendrick Fire Hall on Wednesday evening, Sept. 3rd, and presided over by Elmer Stitzlein, president, several matters of business were taken up, chief of which was the Annual Sales Day.

After due discussion and consideration, and taking into effect the fact that harvest was completed two weeks earlier than usual, an earlier date — Saturday, Sept. 27, was set.

In further business, committees for Sales Day were named as follows: George F. Brocke, Jr., general chairman; Bob Meserve, pet parade; Bill McCreary, publicity; Bill White, item listing; Nora Callison, clerk; Roy Glenn Auctioneer; Denny Racicot, sports; Bob Magnuson, merchants committee.

The application of the Kendrick Grange for the dance concession that evening was granted — and the local Grange will have full charge of this portion of the day's entertainment.

As in the past the day's activities will begin at 10:00 a. m. sharp, with the big auction sale, with Roy Glenn crying it. The usual low fee of 5 per cent with a minimum of 25c per sale will again apply.

There will be the pet parade, with prizes and treats. Later Kendrick and Genesee will tangle in a football game at Armitage Field.

We cannot give the exact hours or entire program at this time, as all arrangements are not complete — but reserve the day on your calendar to spend at Kendrick.

### BOOSTER BAND VISITS

The Booster Band, a group of Moscow business men who play together just for fun, visited Kendrick in the interests of the Latah County Fair last Thursday evening, Sept. 4, at 7:00 o'clock, and put on about a half hour program in the park. The two Kendrick candidates for Fair Queen, Frances Rowden and Ila Johnson, were introduced. The program, although short, was enjoyed.

Only "sour note of the evening" occurred when it was discovered that someone had stapled posters advertising the Fair to the Kendrick Memorial which stands in the corner of the park. This act "went over like a lead dollar."

It is our opinion that whoever committed this act owes the area a public apology!

They had begun the job Monday of last week, then disappeared for a few days — but now it is complete, and the road is in the best condition it has ever seen at this time.

### NEW PRE-CUT HOME

In reporting the progress on the new home of Mr. and Mrs. Douglas Christensen, Jr. we were slightly "mixed up on several particulars."

First, the house is located on the Christensen ranch, just inside the gate, as you turn off the road; and, secondly, the house is one of the pre-fab, pre-cut constructions.

It is a ranch style with three bedrooms, and the Christensens are putting it up with great expediency! The exterior is all but complete, and they are now working on the interior.

Better health with room-by-room temperature control of modern, clean, work-free

**ELECTRIC HEAT**

One of the nicest things people say about electric heat is "it keeps home so comfortable, every place." That's because all electric heating systems have room-by-room temperature control — a thermostat for each room.

For example, baby's room can be kept an even 80°, and Grandmother's a comfortable 75°. No worries about drafts or "cold spots"! And if you wish to shut off an area, just turn the thermostat to 65° and save unnecessary heating cost.

With electric heat, the air is always fresh, clean of soot, dirt or dust. Housekeeping is much easier, and you save money, too — on cleaning bills, frequent painting and redecorating.

No wonder safe, dependable, convenient electric heat is "No. 1 Choice" of over 12,000 Washington Water Power customers. Right now is the ideal time to consider it for your home. Phone your local WWP Company office for complete information. A representative will call at your convenience. No obligation at all.

**HELLO, FOLKS:**

Want to drive up to the Latah County Fair next Thursday, Friday and Saturday in real style? If so, bring the "old bus" in to us for a wash and wax job. And while it's here why not let us lubricate it from end to end with those famous Union Lubricants, and drain and fill the crankcase with that famous Royal Triton Motor Oil. It will "look like a million and run as smooth as silk."

Sales Agent: "Sir, I have something here which will make you popular, make your life happier, and bring you a host of friends." Maintenance Superintendent: "O. K., I'll take a couple of fifths!"

Chill days lie ahead. Are you ready? Is that fuel oil tank full? Call us at 1251, say "Fill 'er up"

and we'll do the rest — Union Fuel Oil, of course.

After a visit to an old friend in the hospital, novelist Irvin Shaw took the patient's olive nurse to one side and said: "Give me the real lowdown. Is he making any progress?"

"None at all," replied the nurse decisively. "He's not my type."

The teacher was trying to make Elsie understand subtraction, and she said: "You have ten fingers. Now supposing there were three missing, what would you have then?"

"No music lessons," said Elsie promptly.

Sure, we handle accessories, hub caps, exhaust extensions, etc., for your car or pickup.

**ON THE WEATHER**

Volumes have been written about the weather — "cussing" and discussing it — but it is our opinion that no one — "but no one" could ask for finer weather than we of this section enjoyed the past week.

Days have been cool, but the days full of bright sunshine. True, Sunday "was a scorcher," with the mercury climbing to a high of 98 degrees. But most of the time the indicator has stayed in the high 80's.
