

Fourth School Bond Issue Needs More Support

PUPILS, TEACHERS FACE GROW'G NEED FOR NEW SCHOOL

A special school bond election will be held within the Kendrick Joint School District No. 283 on Tuesday, February 24, which warrants the careful study and support by parents within this consolidated district.

The issue, submitted three times previously within the last five years has been defeated and delayed each and every time. A fourth try will be made later this month, which will again require a sixty-six and two-thirds majority vote to carry.

As has been previously noted in stories published in the Gazette, the recent fire check by the Moscow and Kendrick Fire Departments, found the high school building little more than a "fire trap."

The list of serious fire dangers, included no identified exits, no emergency exits for rooms having their normal escape path cut off, no fire doors on the boiler room or heating plant (automatic fire), fire-breaks inadequate, and the stairways little more than a perfect funnel for fire.

Need Recognized

Educators and civic leaders have long recognized a growing need for a new and adequate school building. Built in 1912, the existing building most surely met the specifications for fire safety at that time. Although fires have not changed, the methods of fighting them have. It surely would not be expected to fight a fire by bucket brigade today, and it can not be expected of the children of today to be caught in a building that was built "in the bucket brigade days."

A complete remodeling of the building is one possibility that has been considered, but it hardly stands to reason that everything concerning the younger generation should be neglected and let go by.

The Citizens' Committee and the P.-T. A. (not to mention the School Board) have spent many long hours looking into the situation, and it bears without thought that they are more versed on the subject of what is best within the district — and their recommendations are for a new school.

Bond Actually Small

The bond issue, not to exceed \$335,000.00, may be considered a sizeable one by some persons, but if those same people were to look at expanding areas they would see bond issues in quadruple of the one being asked in Kendrick, approved each and every year. People must realize the need for the education and safety of their children.

Gerald Ingle, a member of the Board of Trustees was quoted as saying: "As a Board member I feel it is our duty to try to give the best to our children, and we can't do the job with the type of facilities we have at this time." He also added: "I feel it is hard to give a 1959 education with 1912 facilities."

Fire Needs But Little Time

No disasters have taken place within the present school building, but should one come along it only takes seconds to snuff out the lives of those within the present "fire trap." A few fires recently occurring in the United States have proved to the public just how necessary it is to have adequate protection for children while they are learning.

A district so divided, such as ours, should take into deep consideration what value they place on the education and safety of their children, the future leaders of the nation. An education is the most valuable thing a person can have, something that no other man can take away from him, and the people of our community should take this into consideration before they vote to deprive their children of a fair education and an adequate place in which to receive it.

PINOCHLE PARTY

Mr. and Mrs. John Deobald were hosts at a pinochle party last Saturday evening, given in the home of her parents, Mr. and Mrs. Ben P. Cook.

High scores for the evening were won by Mrs. Douglas Christensen and George Brocke, Jr.; lows went to Mrs. Luther Parks and Norman Lewis. The goose was captured by George Brocke, Jr.

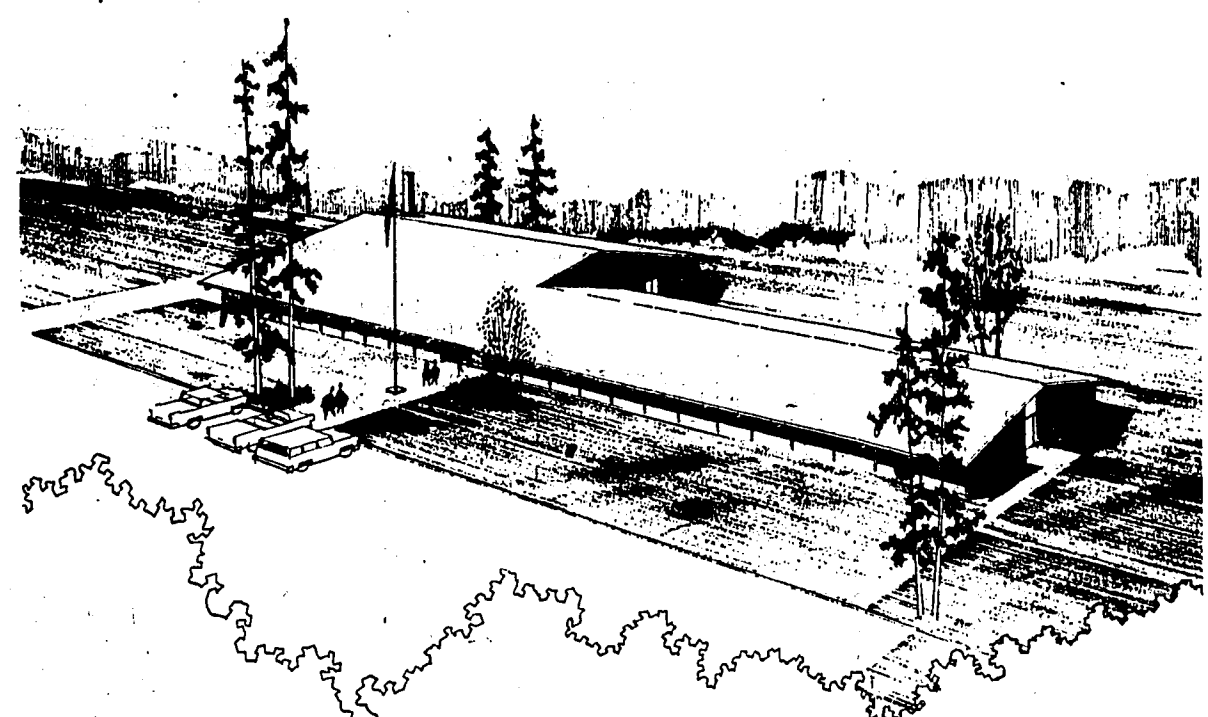

Delicious refreshments were served by the hostess at the close of the evening. Guests included Mr. and Mrs. Norman Lewis, Mr. and Mrs. Douglas Christensen, Mr. and Mrs. George Brocke, Jr., Mr. and Mrs. Luther Parks, Mr. and Mrs. Charles Easterbrook, Mr. and Mrs. Dean Hollenbeck and Mr. and Mrs. Bud Elchner.

MOTHERS MARCH

A "Mothers' March for Polio" is being planned for the near future. Mrs. Ben Westendahl is in charge of arrangements.

Watch for further announcements.

ARCHITECT'S DRAWING OF PROPOSED NEW SCHOOL

A complete technical description of the proposed new building, including a description of its rooms, will be found in the legal notice of the bond issue on another page of this paper. Also, an enlargement of this drawing, plus a scale drawing of rooms and their layout, may be seen posted in the window at the Gazette office. Why not "meander up the street" and look it over?

An examination will readily disclose the accessibility, safety and dual use of the space.

FACT FINDING COMMITTEE TALKS ON LEVY COSTS, VALUATION, FOR BOND ISSUE

In 1956 the P.-T.A. appointed a Fact Finding Committee to study all the aspects of the feasibility of a new school building, or remodeling of the old one. Harry Newman was appointed as chairman of this group, with Gordon Peters later taking the chairmanship when Mr. Newman was elected to the school board.

The original committee consisted of Dick Blewett, Bob Watts, Jack Browning, Jack Mead, Ray Howard, Ed. Mielke, Walter Bencotter, Dick Benjamin, Henry Galloway, Gordon Peters, Emil Sillow, Alva Craig and John Cuddy, as near as possible a representation from every portion of the district.

This committee met many times and visited several schools in the area, including Post Falls, Potlatch and Lewiston, and they corresponded with three different architects.

Meetings were held in the district to discuss the school situation, the feasibility of remodeling the present building, and a new school at the various sites, namely the Juliaetta site (Gruell property), present school site, Bill Holt property, Kendrick ball diamond, and the Bear Creek site.

After many hours of deliberation, with good attendance in all the areas for all seven meetings, the unanimous conclusion was that no site could be purchased for less than \$25,000, and that figure would not leave enough money from the total amount that could be used to build an adequate school and gymnasium, either the school would have to be built on the present site or on the Bear Creek site.

At the last meeting of the Fact Finding Committee on March 10, 1958, the following voted unanimously to suggest to the School Board that they purchase the Bear Creek site: Herman Meyer, Bob Magnuson, Marvin Sillow, Aaron Wells, Dick Blewett, Walter Bencotter, George Lyons, Dick Benjamin, Eugene Taylor, Bob Watts, Bruce Sherman, Gordon Peters, Tommy King, John Cuddy and Bill Cuddy.

The Fact Finding Committee and the School Board petitioned the Village of Kendrick to hold election to transfer the Bear Creek property to them. This transaction, just completed, cost the school just \$175.00 in attorney fees and publication costs to quiet and obtain clear title to the property.

The Fact Finding Committee and the School Board feels that a new school on this site is the only realistic solution to the problem, within the amount of money that is available.

Nothing elaborate is being asked — just adequate and safe facilities for our children.

Cost Misunderstood

Many people misunderstand how much money the proposed 10 mill levy for a new school will actually cost them.

The mill levy was verified by Burcham & Blair, bonding attorneys of Spokane, who handle all of the bonding business in this area.

The assessed valuation is, of course much lower than the actual value on your property.

For example:

The Charles Deobald property in Kendrick has an assessed valuation of \$239.00. It would cost him just \$2.39 per year for a new school.

Gordon Peters has 250.8 acres of tillable land, 66.35 acres of pasture land, and 5 acres of waste land. His assessed valuation on the tillable land and on personal property, buildings, machinery and cattle is \$5,531.00. Total assessed valuation is \$16,756.00. Present taxes \$1,130.35. If a bond issue passed, he would pay only \$167.56 more for a total of

EXPECTED HOME

Courageous and stout hearted Bob Cain underwent surgery last Thursday for the removal of his left leg above the knee. This is the second time he has faced this kind of an operation and his family tells us that he came through fine. In fact, better than the first time, four years ago when he had his right leg amputated in almost the same location.

Mrs. Cain has been with him since he was taken to Moscow last week. We understand he was sitting in a wheel chair for a while Monday, and it is likely he will be coming home this week-end, if his progress continues at the present pace.

MILL RESUMES

Following a shut down of several weeks to permit the annual overhaul, cleaning of the log pond, etc., the Mead & Howard sawmill at Kendrick resumed operations Monday morning, on a single-shift basis.

J. M. Mead said Tuesday morning that sufficient logs were on hand to permit a steady run.

This is good news for everybody — employment means prosperity.

NO SCHOOL THURSDAY

School will be dismissed all day Thursday in respect to Mrs. Claude Jones, who has taught in the school system the past 14 years. This will allow the faculty and students to attend the funeral of her husband, the late Claude Jones.

ATTENDS FINAL SERVICE

Mrs. John DeHaven received word Sunday morning of the death of her sister, Mrs. Frank Fuller, of Riddle, Oregon.

She left the same day to attend the funeral service.

JULIAETTA DOINGS IN PAST WEEK

Observe Wedding Anniversary

Mr. and Mrs. Henry Brammer of Juliaetta observed their 48th wedding anniversary with a surprise open house, after a pot-luck dinner at the Juliaetta church on Sunday, Feb. 1. Their children, Ernest Brammer, Werner Brammer and Mrs. Geo. Havens provided flowers of stock and carnations for the morning worship service in their honor.

Mrs. Adolph Dennier baked the anniversary cake, which was served with other refreshments, after the showing of slides.

Guests other than members of the Juliaetta and Cameron congregations attending were Mrs. Otella Schmidt, Mrs. Minnie Heltman and Mrs. Alma Meyer of Lewiston, and Mr. and Mrs. Ira Havens of Juliaetta.

Young People See Film

Young people of the Nazarene Church saw a film on missionary work in New Guinea. The Rev. H. Gilliam, pastor, and Phillip Salisbury of Clarkston were in charge of the program. Friday evening the young people held a dinner and went on a hay ride.

World Day of Prayer

The World Day of Prayer service will be combined with the regular meeting of the Woman's Society of Christian Service Wednesday at 2:00 p. m. in the home of Mrs. Laura Groseclose.

To Reorganize Department

A meeting will be held at the Juliaetta City Hall for a Fire Department reorganization next Monday, Feb. 9th. There will be an election of officers. All interested please turn out — and everyone should be interested.

There has been quite a lack of interest shown in Fire Dept. meetings for some time. This organization concerns everyone — and a lot of co-operation is needed.

Birthday Observed

Visitors at the Dallas Groseclose home Sunday to help celebrate his birthday anniversary included Daisy Groseclose of Lewiston; Mr. and Mrs. Ed. Groseclose, Mr. and Mrs. Huse Groseclose, Marion and Lesse Groseclose, Mrs. Gary Eggers and son and Lura Nelson.

General Items

Mr. and Mrs. Onal Cope and family spent the week-end at Clarkston with Mr. and Mrs. Alvin Nye.

Ray Howard, Herb Millard and Onal Cope took part in the bowling tournament at Clarkston Saturday evening and Sunday.

Mr. and Mrs. LeRoy Steigers of Gifford were Saturday evening guests of Mr. and Mrs. Gary Eggers.

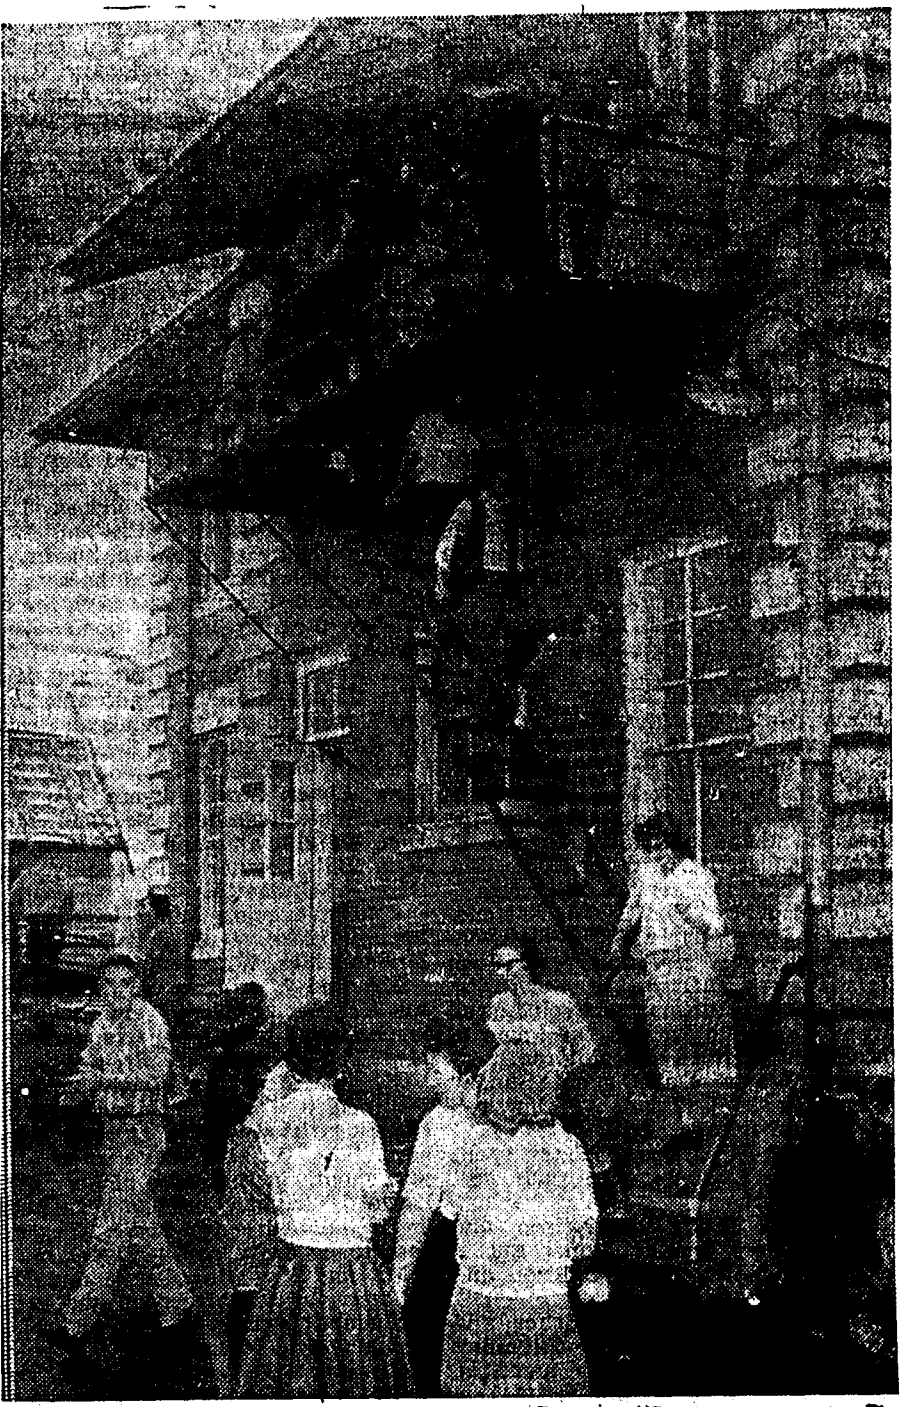

Mrs. Bill Howell and daughter Connie returned home Sunday after spending several days in Spokane to be near her mother, Mrs. Chas. Nelson, who is a patient at the St. Lukes Hospital. Mrs. Nelson is improving and expects to leave the hospital this week.

Mr. and Mrs. Homer Marvin of Lewiston moved in one of the houses owned by Avery Miller, this past week.

Mr. and Mrs. Gene Burch of Lewiston, Jeannie Skaggs and Tom Mabbott of Clarkston were supper guests of Mr. and Mrs. Ervin Mabbott last Tuesday evening, to help celebrate Mrs. Mabbott's birthday anniversary. They brought a cake, and later in the evening Mr. and Mrs. Bill Rogers and Leanne brought another cake and joined the celebration.

John Peters has returned home

FIRE DRILL ADDS FACTS THAT GIVE NEW URGENCY TO FUTURE SCHOOL PLANS

Following the fire inspection of the local school house several weeks ago by the Kendrick Fire Dept. and Leon Sodorff of the Moscow Fire Dept., Supt. R. L. Meserve ordered a fire drill to see how long it would take to empty the upper floor. Blocking the stairways, students were routed out the back entrance and down the one and only fire escape.

With 36 percent of the students on the top floor, it took 4 minutes and 10 seconds to clear the building, by use of the fire escape only. Said Mr. Meserve, "At this rate it would take 7 minutes and 20 seconds to evacuate the 9, 10, 11 and 12 grades down the fire escape should it be necessary during the time they all meet in the study hall every morning. If there was a fire in the building and it was necessary to use the fire escape alone during the time that grades 7 through 12 were in the Study Hall, it would take 11 minutes and 20 seconds." "But," he added, "All 173 students are only in the Study Hall together two or three times a year."

Students in the seventh and eighth grades, with George Merrick, instructor, giving directions sent the children out the windows, since the ground level is accessible just by crawling out. This was done, so that the students would not have to travel down the long narrow hall to the rear exit. However, Mr. Merrick said some attention would have to be given to the windows, as they were all but impossible to open — on the first try.

This last measure of sending the students out the windows may seem rather dramatic, but show ingenuity in thinking on the part of the school staff.

It is true there never has been a fire, and every precaution is being taken to see that none occur, but the stark facts are here for parents to consider. The present building is a fire hazard, and it's time all considered the gravity of the situation.

Coming at this time, following the terrible Chicago fire, there are those

CLAUDE JONES DIES IN SLEEP MONDAY

Claude Walter Jones, 52, prominent farmer of the Big Bear ridge area, died very suddenly of a heart attack at 1:30 a. m. Monday at the family home on Big Bear ridge.

Claude Jones was born May 18, 1906, at New Plymouth. He moved here with his parents, the late Mr. and Mrs. A. W. Jones, at the age of three. The family lived on American ridge until 1914, when they moved to Big Bear ridge. For two years, between the time they lived on American Ridge and Big Bear ridge, their home was in Toston, Montana.

He attended elementary schools on the ridge, and High School in Kendrick. He was engaged in farming all his life.

Mr. Jones was united in marriage to Janice Myers, April 6, 1929, at the Methodist Church in Moscow, and they had made their home on the ridge ever since.

He was public spirited, always in favor of community improvements and progress. A good neighbor and gracious host were qualities that endeared him to his community.

Mr. Jones was a member of Kendrick Lodge No. 26, A. F. & A. M., the Kendrick Grange, Kendrick Community Lions Club and the Farmers Union.

The sudden passing was a shock to the family as well as the community. Their son and his wife were in Seattle at the time, on business, and also to be at the bedside of his mother-in-law, who had undergone surgery. It being between semesters they were spending the week there and did not arrive here until Tuesday morning.

Survivors, in addition to his wife, at home, include one son, Roger Jones, Pullman, a student at W. S. C.; four brothers, Bernard and Ray Jones, both of Kendrick, Ronald Jones, Juliaetta and John Jones, Moscow, and five sisters, Mrs. Opal Reddington, Salmon, Ida, Mrs. Agnes Sherbon, Pullman, Mrs. Elizabeth Maynard, Lewiston, Mrs. Erma Bennett, Spokane, and Mrs. Pauline Shoemaker, Connelly, Wash.

Funeral services will be held at 1 p. m. Thursday, Feb. 5, at the Brower-Wann Chapel, Lewiston, with the Rev. F. C. Schmidt, Kendrick, officiating. Burial will be at Wild Rose Cemetery (Big Bear ridge) Kendrick.

Mrs. Jones asks that in lieu of flowers memorial gifts to your favorite church or charity are preferred.

BIRTHDAY DINNER

Mr. and Mrs. Dick Watson of Elk River honored their son David on his sixth birthday anniversary, Sunday, with a dinner.

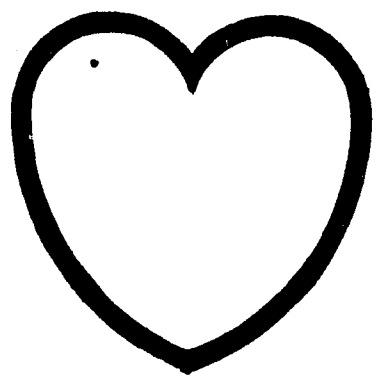

Guests were Mr. and Mrs. George Finke of Southwick; Mrs. Gloria Wilson, Rick and David, Mr. and Mrs. Kirk Wilson and Vernon Choate. Mr. and Mrs. Bill Fry and family were afternoon callers.

The dinner also honored the birthday anniversaries of Mrs. Gloria Wilson and Kirk Wilson, which fall on the following week.

LADY BOWLERS HAVE FUN

The "Lady Bowlers" met Thursday evening of last week for their regular session. When "the smoke of battle" had cleared away, Mrs. Walter Sillow had high individual score, and Mrs. Wm. Johnson, high average.

All interested are welcome at these sessions.

IDAHO, GEM STATE

Recently, while "digging through" a table drawer we found the following article, sent us by the late J. C. McCaery of Colorado Springs, Colo., and clipped from the "Journal," Cuba, Illinois, under date of Jan. 20, 1955:

Idaho is an Indian word sometimes translated "the Gem of the Mountains." It is a Rocky Mountain state of rugged beauty with areas still in its high mountains that have never been explored. The width of the state ranges from 50 miles on the north to nearly 300 on the southern border and its extreme length is 485 miles.

The early history of Idaho is bound up with that of Oregon and Washington. It was first crossed by Lewis and Clark in 1805; exploited by four companies and became a part of the Oregon Territory in 1848; the Idaho territory in 1863 and a state in 1890. It ranks twelfth in size but in population its rank is forty-third.

Idaho is rich in mineral resources and mining is one of the principal industries of the state.

Lumbering, with some of the largest lumber mills in the world is a leading industry. Its vast forests are one of the greatest sources of wealth in the state.

Its rugged mountains and beautiful valleys, with extensive lava deposits in the Snake river area, make Idaho a good farming and grazing state, too.

The Snake river is noted for several waterfalls — the Big Mesa, Idaho Falls, American, Twin Falls, Shoshone and Salmon. There are 30 irrigation dams in Idaho, the largest of which is American Falls dam.

Sun Valley, with its attraction in winter sports, is one of the most famous resorts in the United States.

Our comment: How rapidly the picture changes. In just four years, two more huge dams, more cattle, more industry, more agriculture!

PHYSICAL EXAMS

How many of your 1958 New Year resolutions did you keep?

Most of us think we have done well if we keep 10 percent of them. What is the matter? Maybe, in our enthusiasm for the start of the new year — a new life — we make too many. This year let's boil them down to a few that will be kept because they are truly important.

One that could make a tremendous difference is: "Be it resolved that every member of my family will have a thorough annual physical examination."

"Every" should mean just what it says. Not just the children, but par-

ents, too. Father may be the most difficult member of the family to corral. He's "too busy." He's never sick." Why waste the doctor's time? You could give a dozen reasons, but two will do. The family's welfare depends on his keeping well. Statistics show that he's in more danger than the rest of the family.

Take tuberculosis, for instance. (We hope you don't, of course, but it is an infectious disease). There's more TB among men than women, and especially among men in the important middle years of life. TB doesn't give any warning. You can have it for some time without having any symptoms. When symptoms appear, the disease is usually well advanced. An annual physical exam will mean that TB, if it does strike, will probably be discovered early when cure is almost certain and relatively quick. Neglect may mean many long months of treatment. It could mean permanent invalidism, even death.

If it's the only resolution you make this year, a resolution to take no chances with health will mean a better future for your family.

SAFETY HINTS

One type of accident that should be very simple to prevent is a rear end collision. Unfortunately it is one of the most common causes of accidents. Not realizing the danger, people tend to follow other cars too closely and in case of an emergency they are unable to stop in time. Make sure you do not cause such an accident by keeping a safe distance between you and the car ahead.

Good, clear vision is a most important safety factor when you are driving. Before you start a trip, no matter how brief, clear the moisture from all the windows of your car and be sure your windshield wipers and defrosters are in good working order.

Remember, carelessness today may make you a statistic tomorrow. A morbid thought, but very true. So drive with care, always!

Have you checked the tail lights, stop lights and turn signals lately on your car, pickup or truck? Are they working? You can be the cause of an accident if they are not.

BRIEF TRUTHS

Behavior is a mirror in which everyone shows his image.

Nearly everybody can tell somebody else how to behave.

Any modern youngster can readily explain why he needs a better automobile than his parents.

Women who insist upon their rights do not always get their rewards.

BEER, ONLY TOO TRUE!

An Iowa farmer, on his first visit to the big city, stopped in a plush cocktail lounge and ordered a beer. "How much beer do you sell a week?" he inquired. "About 40 kegs," replied the bartender. "I'll tell you how you can sell 80," "Eighty kegs?" said the bartender, amazed. "How?" "Simple," answered the farmer. "Fill up the glasses."

NOTICE OF SPECIAL BOND ELECTION WITHIN KENDRICK JOINT CLASS B SCHOOL DISTRICT NO. 283 OF NEZ PERCE, LATAH AND CLEARWATER COUNTIES, IDAHO.

NOTICE IS HEREBY GIVEN that a Special School District Bond Election will be held within the foregoing School District on **TUESDAY, the 24th day of February, 1959**, at which election there will be submitted to the qualified taxpayer electors of said School District (who are otherwise qualified and entitled to vote at said election as provided by law) the question whether the Board of Trustees of said School District shall be authorized to issue the negotiable coupon bonds of said School District in the principal amount of not more than \$335,000.00, thereby incurring a school indebtedness in said amount, for the purpose as expressed in the Resolution of said Board adopted January 12, 1959, of obtaining funds for and to pay the cost and expense of the following:

- (a) The construction upon the following described site: Lots One (1) through Six (6), both inclusive, in Block Forty-eight (48), and Lots Four (4) and Five (5) in Block Forty-nine (49), all of the Original Town of Kendrick, Latah County, Idaho, according to the recorded plat thereof located in the northeast section of the Village of Kendrick, Latah County, Idaho, a seven class room Junior-Senior High School Building, together with additional class rooms for a Science Department, Home Economics, Commercial Studies, Music, Manual and Vocational Agriculture Training, Physical Education, Cafeteria, Library and Study Hall. A gymnasium will be constructed in connection with said Junior-Senior High School Building and made a part thereof.
- (b) Furnishing the foregoing with necessary furniture, apparatus and equipment.

The question to be submitted to said taxpayer electors shall be substantially as follows:

"SHALL THE BOARD OF TRUSTEES OF KENDRICK JOINT CLASS B SCHOOL DISTRICT NO. 283 IN NEZ PERCE, LATAH AND CLEARWATER COUNTIES, IDAHO, ISSUE THE NEGOTIABLE COUPON BONDS OF SAID DISTRICT IN THE AMOUNT OF NOT MORE THAN \$335,000.00, THEREBY INCURRING AN INDEBTEDNESS IN SUCH AMOUNT FOR THE PURPOSE OF CONSTRUCTING A JUNIOR-SENIOR HIGH SCHOOL BUILDING AND FURNISHING THE SAME WITH NECESSARY FURNITURE, APPARATUS AND EQUIPMENT; SAID BONDS TO BE AMORTIZED AND PAYABLE IN ANNUAL INSTALLMENTS, COMMENCING AT THE END OF ONE YEAR AFTER DATE, AND THE VARIOUS AMORTIZED ANNUAL MATURITIES SHALL, AS NEARLY AS PRACTICABLE, BE IN SUCH PRINCIPAL AMOUNTS AS WILL, TOGETHER WITH ANNUALLY ACCRUING INTEREST ON ALL OUTSTANDING BONDS OF SUCH BOND ISSUE, BE MET AND PAID BY APPROXIMATELY EQUAL ANNUAL TAX LEVIES UPON ALL THE TAXABLE PROPERTY WITHIN SAID DISTRICT DURING THE LIFE AND TERM OF SAID BONDS, WHICH SAID BONDS SHALL BEAR A RATE, OR RATES, OF INTEREST NOT IN EXCESS OF FIVE PER CENT (5%) PER ANNUM, PAYABLE SEMI-ANNUALLY, AND THE ULTIMATE MATURITY OF SAID BONDS LAST MATURING SHALL BE TWENTY (20) YEARS AFTER DATE OF ISSUE THEREOF, ALL AS PROVIDED BY RESOLUTION OF THE BOARD OF TRUSTEES ADOPTED JANUARY 12, 1959?"

BONDS, YES

BONDS, NO

The voting places at said election shall be at the following places:

Name of Voting Place	Location
Community Building	Southwick, Ida.
City Hall	Jullaetta, Idaho
City Hall	Kendrick, Idaho

The voting polls for said election will be open from the hour of 12:00 o'clock noon, and will remain open for voting until 7:00 o'clock, P. M. on said date, when said polls will be closed.

In order to vote at said election a voter must be:

1. A qualified elector of the District; and
2. A bona fide resident thereof for more than thirty days last past; and
3. (a) A taxpayer; or (b) The wife or husband of a taxpayer.

A "taxpayer" within the meaning of the foregoing is a person who pays taxes on real property or who is obligated as owner or as a contract purchaser to pay taxes on real property within the boundaries of the district.

Reference is made to the foregoing resolution for further details relating to the foregoing matter.

By order of the Board of Trustees of the said School District.

A. O. KANKKEBERG
Clerk of the Board of Trustees of the foregoing School District.

RAIN OR SHINE - ADVERTISING WORKS!

Advertising can turn the coldest, wettest customer into a hot prospect. Throughout the pages of this newspaper you can find many examples of the warm appeal generated by advertising.

But you can't warm up to anything if you are not aware of it — for advertising works overtime to keep you posted on new products and remind you of established brands. It is part of the variety of news in your newspaper.

Advertising is a valuable asset to our economy because it provides the stimulant that makes people buy. As more goods are bought, more and more goods are made — and at lower cost to you. So, you see, advertising really benefits you!

Every day, all across this land of ours, advertising — like the advertising in this newspaper — is doing its part to bring you the good news of more and better products — products that are constantly improving our standard of living.

THE KENDRICK GAZETTE

THE Bull itin

Published Weekly by the Union Oil Service at Kendrick
W. L. "Bill" Rogers, Editor

HELLO, FOLKS:

Well, here it is the first week in February, and so far but very little winter — but it can still come. Is your fuel oil tank ready if it does? Do you have enough to carry you through a cold snap? Better measure it right now, and call us at 1251 for a fill of these clean burning, hot, Union Fuel Oils. Or, better yet, make us of our "stay full service." You'll like it.

"Hard work never killed anybody," said the father.
"That's just the trouble, Dad," replied the son. "I want to do something that has the spice of danger in it."

Winter may still be "just around the corner. How about those tires? Are you ready with mud and snow

tires? If not, come in and find out how cheaply you can drive on new, safe ones.

A young wife showed up in one of the plushier beauty salons with a black eye, and explained her husband had given it to her.

"But I thought your husband was out of town this week," said one of the operators.
"So did I," exclaimed the young wife.

Tired of driving a squeaky, muddy car? If so, we have the cure. Bring it in for a wash job, and a lub job. We'll lubricate every part with the proper Union Lubricant, drain the crankcase and fill it with that wonderful Royal Triton Motor Oil. Then you'll be set for good looking, satisfying driving.

CAMERON SECTION ACTIVITIES VARIED

Birthdays Remembered

Last Friday Herman Silflow and his sister, Mrs. Aug. O. Wegner of Pullman, celebrated their birthday anniversaries, which fall on the same date, January 30th, at the Herman Silflow home. Those attending the dinner were Mr. and Mrs. Aug. O. Wegner of Pullman; Mr. and Mrs. Fred Silflow of Juliaetta; Mr. and Mrs. Gus Kruger of Kendrick; Mr. and Mrs. Henry Wendt, Otto Silflow, and Mrs. Ed. Nelson.

Twins Baptized

The infant twins of Mr. and Mrs. Roy Silflow were baptized Sunday morning at the Trinity Lutheran Church in Lewiston by Rev. Danecker. Sponsors for Diane Marie were Mrs. Roy Silflow, Mrs. Theo. Entman and Henry Lingenfelter. Sponsors for Douglas Charles were Mrs. Virgil Felton, James Whittinger and Theo. Entman.

Following the services Mr. and Mrs. Roy Silflow served dinner to the following guests: Mr. and Mrs. Theo. Entman, Herman Entman and Mr. and Mrs. Geo. Miller, all of Spokane; Mr. and Mrs. Virgil Felton of Lewiston; Mr. and Mrs. Henry Lingenfelter of Tekoa, Wash.; Mr. and Mrs. Otto Silflow of Juliaetta; Mr. and Mrs. James Whittinger and Janis, and Herman Silflow.

MORE JULIAETTA

from Missouri, after a month's vacation spent with relatives.

Word has been received by his parents, Mr. and Mrs. Asa Cook, that Clifford Cook is now at Buhl, Idaho, where he will teach.

Visitors in the Ervin Mabbott home Sunday were her brother and family, Mr. and Mrs. Ernie Chamberlain and son Mike and Mr. and Mrs. Gene Burch, all of Lewiston.

Mrs. Pearl Groseclose and Mrs. Ruth Shove drove to Lind, Wash., on Monday, and stayed over-night in the home of Mr. and Mrs. Jasper Nutting.

The N. Y. P. S. held a party Friday evening, the Southwick group joining them. The young people held a progressive dinner, while the adults enjoyed a spaghetti feed at the home of Mr. and Mrs. Martin Shove. All met at the Nazarene church later to enjoy pie and coffee.

The Nazarene Missionary Work Day will be held in the home of Mrs. Willard Bowen, Thursday, Feb. 5, beginning at 10 o'clock. Then, if transportation is available, all will go to the home of Mrs. Joe Wing. Everyone is asked to bring a covered dish for lunch.

The Lovel Temperance League meeting will be held at the Nazarene Church, Friday, Feb. 13th, after school. Each child is asked to bring a Valentine, so that an exchange may be held after the meeting.

Let's remember the M. J. B. Coffee bands. Please save them for the Nazarene Church. They will be picked up at Long's in Kendrick and the Juliaetta Cash Grocery in Juliaetta.

TO CLINIC

Mrs. R. L. Meserve was in Lewiston Monday and will down again on Friday for clinical tests, on the advice of Dr. D. A. Christensen.
