

Sales Day Successful Despite Rain and Fair

Although Sales Day came to Kendrick in "sheets of liquid sunshine," it did not completely dampen the spirits of the farmers, and adding to this competition from the Nez Perce County Fair, but still a good crowd was on hand for the 29th annual event.

Roy Glenn, previously scheduled to auctioneer the sale, was not on hand due to home confinement following a fall which resulted in a broken leg—just three days before Sales Day! The sale did go on, however, with Pat Holliday of Spalding crying it.

The sale was confined to the shelter provided by the Kendrick-Lewiston Auto Freight depot, and was not acclaimed as successful as in previous years, for many hesitated to bring in items in the pouring rain.

For the most part the day was a success, as some 50 "small fry" and their pets braved the damp and blustery day to participate in the annual Pet Parade, and get a treat for their efforts.

The Kendrick Tigers also won their first game of the season by downing the Mustangs of Deary.

In the Pet Parade prizes were awarded to the following: Smallest, Max Armitage and his gold fish; biggest, Dan and Linda Fey and their goat; most original, Rhonda and Denise Brammer had as their "pet" their little cousin, Jolene Brammer, oldest, David and Eva Wilken with little fish poles, each baited with a dangling angle worm; Gary Pea of Juliaetta, with his decorated bicycle, was another winner.

Bob Watts and George Brocke, Jr., had charge of this event, and saw that each entry received a treat, and the winners prizes of \$2.00 each.

Dean Hollenbeck was the general chairman in charge of arrangements for the day.

The band concert was cut somewhat short due to the hold-up by rain, and the start of the football game at 2:00 p. m.

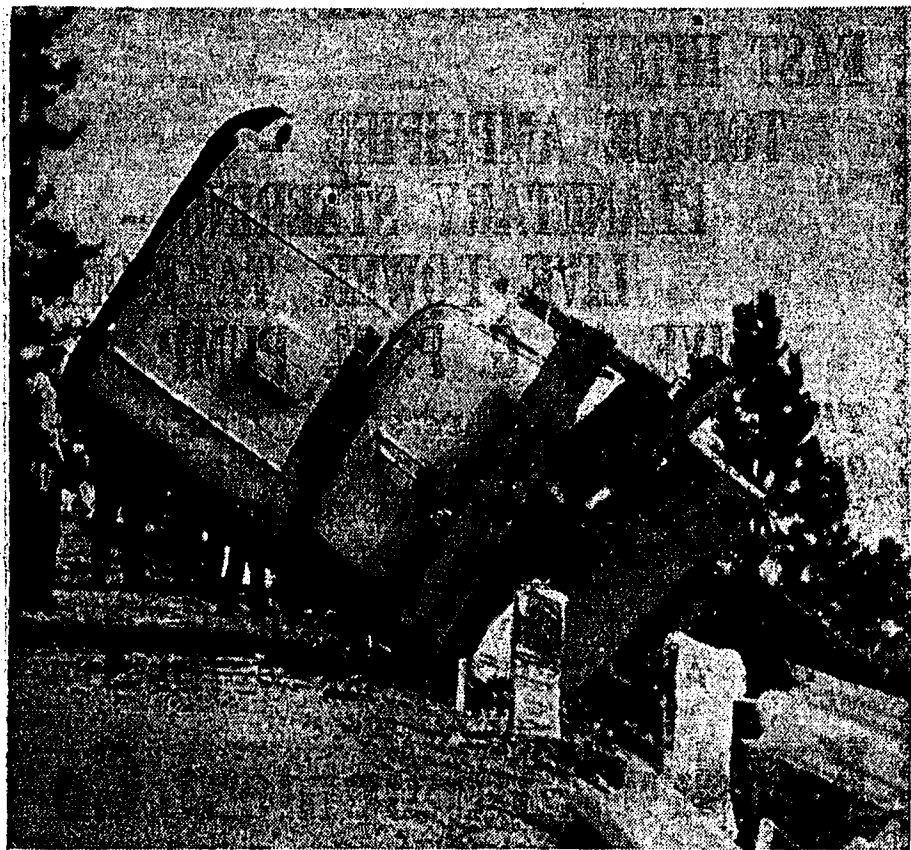

The football game was one of the highlights of an afternoon that finally saw the sun peek through the rain clouds and give a fairly nice afternoon. And, although the field was slippery and muddy, the Tigers came out victorious by a score of 24 to 12.

The Tigers tallied twice in the first quarter, and a 60-yard run by Douglas Shepherd and a pass interception run back of 30 yards by Duane Meske. A 20-yard ramble by Shepherd in the second quarter gave Kendrick an 18-0 half-time lead.

Deary marched 70 yards for a third quarter touchdown, with Cyrus Parker going the final five. Kendrick scored again in the fourth on a pass, Meske to Dick Fish, which moved 20 yards. Parcher broke away for 60 yards and Deary's final tally.

Along Main Street the merchants expressed themselves as very well pleased with retail sales, although almost all said they were below that of a year ago. However, considering the pouring rain until almost noon, and competition from the Nez Perce County Fair at Lewiston, the day's business was most satisfactory. As one merchant put it: "Most of the familiar faces" from Pottlatch ridge (Nez Perce County) were missing. Most of the planned booths by various organizations were rained out—only those with "stalls" in business houses being able to carry on.

LOGGING TRUCK AND TRAILER UPSET ON BEAR RIDGE GRADE, BUT FAIL TO GO OVER

(Photo by Vern Choate)

A logging truck driver descending the Big Bear Ridge grade lost control of the vehicle last Thursday. The truck and its loaded trailer turned over, tearing out seven guard posts, and then clung to the edge of a 500-foot embankment.

The driver, who was not identified, climbed out of the cab window, uninjured, except for a bruised knee.

The truck and trailer's load of tamarack and red fir logs, destined for the Pottlatch Forests, Inc., pulp mill at Lewiston, rolled down the embankment and disappeared amidst the trees and brush far below.

The trailer remained coupled to the truck. But it, too, rolled down

the embankment later when a wrecker winch broke during an attempt to pull it back on the highway.

The truck, an almost new 1959 Ford owned by Alfred D. Price of St. Maries, was not seriously damaged. It remained at the edge of the embankment until Friday.

The truck driver told Kendrick Marshal E. M. White that the air brakes failed as he was descending the hill, about four miles north and west of here, at 10 a. m.

The trailer was retrieved and the truck righted Friday, but at last reports the logs were still resting at the end of their tumble — and probably would not be removed.

CHAS. T. NELSON DIES THURSDAY

Charles Tideman Nelson, pioneer meat cutter of this area, died Thursday, Sept. 24, at the home of his daughter, Mrs. Willis Howell, in Juliaetta. He had been in ill health for the past three years. He was 77 years of age.

Mr. Nelson had lived in the Kendrick-Juliaetta area since 1932, moving there from Moscow, where he had been employed for many years by Hagen & Cushing as a meat cutter in their packing plant.

He was employed for a time at the Juliaetta Cash Store, and then began work in Blewett's Grocery-Market at Kendrick in charge of the meat department, and during the war managed the store during the summer months.

Charles T. Nelson was born Jan. 8, 1882, at Wheaton, Minn. He married Ethel G. Glines, July 4, 1923. She died March 29, 1959. Mr. Nelson was an affiliate of the Lutheran Church.

Survivors include two daughters, Mrs. Willis Howell, Juliaetta, and Mrs. William Keimig, Spokane; a son, Clayton W. Nelson, Albuquerque, N. M.; six grandchildren and two great-grandchildren.

Mr. Nelson loved to joke and josh, and was never without a quip regardless of the situation. He was respected by all who knew him, and his friends were numbered by his acquaintances.

Funeral services were held Monday afternoon at 2:00 o'clock in the Short Funeral Chapel at Moscow, with the Rev. H. S. Babington of Our Saviours Lutheran Church bringing the message. Mrs. Georgie Hansen was organist and accompanied Norman Logan who sang "Evening Prayer" and "Safe in the Arms of Jesus."

Palbearers were Onal Cope, Eugene Taylor, L. C. Groseclose, Jay Fowler, Chas. Hicks and R. L. Blewett, all friends for many years of Mr. Nelson.

Their three daughters, Mrs. (Helen) Mahurin, Mrs. (Joyce) Schnabel and Mrs. (Jean) Lutes, all reside in the Lewiston Orchards.

Mr. and Mrs. H. M. Slocum were married at Kendrick, Idaho, on Oct. 10th, 1909.

DANGER POINT

The heavy rains of the past week have caused the Pottlatch river to raise several inches, thereby creating quite a problem for Canaday and Van Winkle, contractors on the local dike project.

Their trucks, dozers and other equipment must cross the river to get the rock from the old "swimming hole" bluff, blown some weeks ago, and the trucks are operating in water up to the running boards.

As a result of this condition the men and equipment are working from dawn to dark, seven days a week.

We plan a detailed report plus pictures, in next week's issue.

MR. AND MRS. LEONARD ELDRIDGE

DIANE KING BRIDE OF LEONARD ELDRIDGE IN CHURCH CEREMONY AT CAVENDISH

A double ring ceremony at the Cavendish Methodist Church united Miss Diane Marlene King, daughter of Mr. and Mrs. Tom E. King of Southwick, and Leonard E. Eldridge, Jr., son of Mr. and Mrs. Leonard Elmo Eldridge, Sr., of Kendrick.

The church was decorated with white chrysanthemums and pink gladioli, and white tapers flanked the altar for the evening wedding, Saturday, September 19. Rev. Fred C. Schmidt, Kendrick, performed the ceremony.

Miss Janice Heimgartner played the processional and recessional, and accompanied Denny Abrams who sang, "God Made You Mine" and "The Lord's Prayer."

Given in marriage by her father, the bride was attired in a gown of white nylon lace over satin. Long sleeves came to a point at the wrist, and the gathered skirt was of ballerina length. Her illusion net veil with lace flowers fell from a lace and satin hat. She wore white satin shoes and carried a white orchid on a white satin Bible, a gift of the maid-of-honor. White stephanotis were fastened in the streamers that cascaded from the Bible.

She carried, for something old, a handkerchief of her great-grandmother, Mrs. Emma King. For something new, it was her wedding dress, and the traditional blue garter.

Miss Sandra Cantril was maid-of-honor and bridesmaid was Miss Janet Eldridge, a sister of the groom. They wore matching gowns of blue nylon lace over satin with blue satin cummerbund, bows in the back, and gathered ballerina length skirts. They held nosegays of white carnations and pink baby rosebuds, and wore white velvet hats and white shoes.

Miss Sarah King, a sister of the bride, was flower girl, and scattered rose petals in the path of the bride. Her dress matched those of the other attendants, and her hat was of blue velvet. Richard Zimmerman, a cousin of the groom, from Oaksdale, Wn., was ring bearer.

David Eldridge was best man for his brother, and ushers were Lyle Parks and Reggie Wegner. They also lighted the candles.

Mrs. King chose for their daughter's wedding a grey wool dress with wide collar and rose accessories, and Mrs. Eldridge, Sr., wore a dark

teal blue suit dress with gray and black accessories. Both wore corsages of white carnations and pink rosebuds.

The groom's boutonniere was of stephanotis.

A reception in the church basement followed the ceremony. A four-tier wedding cake decorated by Mrs. Roland Armitage with pink and white baby roses and chrysanthemums centered the table. A miniature bride and groom, ily of the valley and rose half-arch and bell topped the cake. The base was surrounded by fern. A white lace table cloth over pink, covered the table, and white tapers flanked the cake.

Fouring were Mrs. Fred Zimmerman of Oaksdale, Wn., and Mrs. Don Munstedt of Spokane, both aunts of the groom. Serving cake, after the bride and groom cut the traditional first piece, were Mrs. James Reece of Cavendish, Mrs. Earl Smerud of Seattle, and Mrs. Clifford Brown of Kamiah, aunts of the bride.

Miss Ruth Ann Rodgers of Kamiah, a cousin of the bride, was in charge of the guest book. Presiding at the gift table were Miss Kathy Reece, a cousin of the bride, Miss Barbara Zimmerman of Oaksdale, and Miss Eileen Quinlivan of Tekoa, cousins of the groom. Also assisting were Mrs. Don Cantril and Mrs. Jess Daniels.

For going away the new Mrs. Eldridge chose a tan suit with white accessories and the white orchid from her bridal bouquet.

The couple are at home in Moscow, where both are attending the University of Idaho. Both are 1959 graduates of Kendrick High School.

Out-of-town guests included Mr. and Mrs. Earl Eldridge of Walla Walla and Mr. and Mrs. Edward Quinlivan and family of Tekoa, Wn. — Wedding photo by Vern Choate

AH, WEATHER!

Volumes have been written about the weather, and "jillions" of maps drawn showing high and low pressure areas, and telling why rain will fall or won't fall — or this and that. But — it has been many, many years since the Potlatch area has had such a wet and "mizzerable" fall.

It has been rain, rain and more rain — gentle showers, misty rain, cold rain, hard rain — and "wet" rain. And whatever the cause, it has effectively stopped all harvest and most field work. Reliable reports coming into the Gazette say that ripe fall grain is beginning to sprout in the head!

Local warehousemen (who decline the use of names) estimate that approximately 10 percent of the small grain crops are still in the fields; about 50 percent of the grass and clover crops — and about 90 percent of the beans.

It was said last week that "what happens now is the difference between profit and loss," and as time goes on, and the rain falls — it looks more and more like loss!

Fields are described as "a soggy mess" and that a week to ten days of sunshine would be required before harvesting operations could be resumed. Will we get it? Only time can tell!

DIET BOOKLETS

Help for Idahoans suffering from high blood pressure, congestive heart disease, or overweight can now be secured through local physicians, according to Dr. Richard A. Forney, president of the Idaho Heart Association.

This week every doctor in Idaho has received three new illustrated diet booklets for patients on a prescribed sodium restricted diet. "These booklets are distributed by the Idaho Heart Association and doctors may secure additional free copies for their patients from the association," points out Dr. Forney.

Much useful information is contained in the booklets for diet patients from tips on buying foods and meal planning to cooking ideas and advice on eating out.

These booklets were prepared by a special group representing the American Dietetic Association, Council on Food and Nutrition of the American Medical Association, Nutrition Foundation and the U. S. Department of Health, Education and Welfare and published by the American Heart Association.

DO YOU KNOW

Krushev's visit received a new viewpoint in the Industrial News Review recently.

During Mr. Krushchev's visit to the United States, he will experience many surprises. Not the least of these may be his contemplated visit to TVA.

We have heard about Russia's five-year and ten-year plans for power development and the progress that has been made.

Mr. Krushchev should feel right at home in TVA-land where a government power monopoly has wiped out private power development as completely as a Russian power project.

When he sees other similar government power projects scattered over the U.S., producing over 20 per cent of the nation's electric power, he will realize that advocates of socialism have already made great headway in what he has abused as a capitalistic nation. He may feel the day he predicts for our children is nearer than he hoped for.

Government in business is socialism and it is difficult to find the difference between a Russian power project and one of our own federal projects so far as destruction of rights and liberties is concerned.

"If your government is big enough to give everything you want, it is big enough to take everything you have."

POTLATCH TELEPHONE CO. SEEKING FIFTY CENT PHONE RATE INCREASE IN KENDRICK

The Potlatch Telephone Company met last Friday morning with two members of the Idaho Public Utilities Commission seeking the authorization of a rate increase of 50 cents per phone per month.

The increase would affect the 519 customers now being served by the company, of which 375 are now being served by dial phones and 144 on 10 privately owned farmer magnet lines.

Only three customers served by the company were on hand at the meeting, and of the three, only one voiced a complaint against the proposed increase.

Clem Lyons of Cedar Ridge, the only customer to object, said that the increase was not pro-rated out equally at the 50 cent increase.

Lyons contended that the increase should be placed on a percentage basis instead of a flat rate.

Frank E. Meek of the Idaho Public Utilities Commission, who conducted the meeting, said that the feeling of the commission is that the privately owned lines should be brought up to standards and put on the dial system. He also added that there should be a time limit on having the farm lines ready for the dialing.

The Schupfer brothers said that the farmers were cooperating in rebuilding and keeping their lines in order, and suggested to the commission that the time limit be left to the farmers, which would enable them to do their own building between the farming seasons.

The town of Kendrick went to the dial system in April of this year. The last rate increase was approved by the commission for the Potlatch Telephone Company in February of 1956.

Otto Schupfer, one of the company owners, said it was either necessary to employ another operator to handle the traffic and give good service, or install a dial system to take the load in place of an additional operator.

The company has asked for higher

The Potlatch Phone Company now has on order equipment which will allow direct dialing from Juliaetta to Kendrick. This system will cost the company \$1,500.

THE Bull itin

Published Weekly by the Union Oil Service at Kendrick
W. L. "Bill" Rogers, Editor

HELLO, FOLKS:

Going hunting? — or going to try and save those wet crops? It doesn't make a bit of difference — you're going to need gasoline to fulfill either desire. If you are going hunting, stop at the station for a tankful of Union — or if it's field work, call us at 4251 — and we'll be there in a flash with Union Products.

Police Officer: "I say, Miss, did you see this terrible smashup?"
Ravishing Blonde: "No, I didn't. I was bending over at the time it happened to pick up a bus token I had dropped."

Chilly days call for heat in your home — and that's where Union Stove Oil comes to the front. We deliver. Measure your tank today and call us at 4251. We'll be there

in a flash with really hot heating oil for chilly days.

A Texas oilman, visiting in Pittsburgh, made a phone call and screamed his head off when the operator told him the charge was 60 cents.

"What!" he roared. "Back in Odessa, Texas, I could talk to hell and back for 60 cents."
"Maybe so," replied the operator sweetly. "But from Odessa that would be a local call."

Going hunting? Let us drain the radiator on your car, pickup or truck and refill it with anti-freeze. It's better to be safe than sorry!

Says a sage: "A modern girl's bathing suit is real cool because most of it is real gone."
