### SCHOOL LEVY VOTE SET FOR MAY 9, 3 MORE MILLS NEEDED FOR JULIAETTA

District No. 283 directors last week set the date for the coming levy election at Monday, May 9, at which time the qualified voters will again go to the poles to approve or disapprove the needed money for an addition to the Juliaetta Elementary

The directors have asked for an additional three (3) mills to be added to the present two (2) mill reserve fund to build a new addition to the Juliaetta school, in which to house the influx of first grade students expected this fall.

The new building addition is expected to cost the district in the neighborhood of \$14,000.00.

The new room would be approximately 30x30 feet, and would be connected to the presnt building, and follow th same architectural line.

The three mills to be added, if the levy is approved, would be in force only long enough to pay for the addition, and then the levy would revert to the present two (2) mills, HITS FIELDS IN say the directors.

The directors are urging all the qualified voters to cast their ballot at this election, and also to consider the fact that the district is growing, and must have more room in Latah County agent, said: which to house the students. The first grade class, expected this fall,

prize on his Civil Defense Essay. Richard Nelson won second prize.

These themes, written by K. H. S. Seniors, were judged by Mrs. James Holt, Mrs. E. M. White and Dave FORMER JULIAETTA Clayton. The contest was sponsored by the V. F. W.

The judges found the themes were all very good, and it was difficult to SAVING MAN'S LIFE decide between the first two.

Dennis will receive a \$25.00 savings bond, and his theme will also be sent to the state contest.

# No More Tiger Tales

No further issues of "Tiger Tales." the school newspaper, will be put out this year, due to the fact that that the mimeograph machine is out of order. The paper has been issued every two weeks since school began, excluding vacation, and twelve isues have been put out this year.

Editors, reporters, publishers and printers of the newspaper, which are the four members of the journalism class, are now devoting their class period to the study and discussion of writing methods, taught by Mr. Carlson.

Samples of newspaper editorials and columns have been studied and discussed in class, and the students have written practice editorials.

This course is an elective one, being held in the short period before regular school in the morning.

Mr. and Mrs. C. G. Arnett, Kendrick, visited in the Wayne Arnett

home Sunday afternoon.

Mr. and Mrs. Jim Armstrong and granddaughter were Sunday dinner guests of Mr. and Mrs. Robert Pratt and children.

# CENSUS CAMPAIGN

With the 1960 census of population and Housing virtually completed locally. District Supervisor Roy E. Mosman this week announced the beginning of a "Were You Counted?" campaign to insure that no resident of the area has been overlooked.

Persons who believe they have been missed by the census takers are urg-ed to notify the local census taker or district office.

counties, will be issued as soon as the Supper guests in the home of Mr. district supervisor is convinced that and Mrs. C. H. Fry Saturday even- a complete count has been made. The Herb. Millard and Abbie Kay and Mr. year after the returns have been tabulated on the Census Bureau's

> The importance of a complete count was stressed by the district supervisor. He pointed out that the population figures compiled in the current census must stand as official

> until the next federal census. "Federal Aid funds are allotted to states, and state funds in turn, are allotted to counties and municipalities on a per capita basis. So a short count means a short allotment. Thus, it is imperative that there be a com-plete count. The help of every resi-dent of the area is needed to reach this goal.

Fresh Frozen Juices of all kinds at Blewett's Market, Kendrick. 1-adv

# DO YOU KNOW

Do you ever hear people say the U.S.A. is getting crowded? Well, the fact is, we have 58 people per square mile. Japan has 600 per square mile: Great Britain 550; India 300; Soviet Union 25; Sweden 41; and Canada has 5. What will the U.S.A. seem like when we have 600 instead of 58? The land area doesn't grow, you know.

In Russia, nearly 10,000,000 people are learning the English language, while in the U.S.A. less than 5,000 are learning Russian. If you have average intelligence, average ability to remember, and if you are willing to spend 15 minutes per day, you 'can learn a foreign language.

Plan to install gas heat in your home and insist on "Blue Flame" standards.
WWP trained gas experts and reputable gas installers in Spokane have agreed on standards for consumer sat-isfaction. If there is any question about your installation, call the WWP before the job is started.

Speaking of gas, the Euel Oil and Heat magazine reports that gas now has 54% of the heating market in the U.S.A. Gas burners are listed at 11,943,800; oil burn-ers, 9,647,600; and stokers, 547,-100. Looks like gas is here to stay.

A New York electric util-ity was granted a rate increase amounting to \$8,400,-000. Immediately the tax collector took \$4,309,000. If Washington Water Power is granted the rate increase it asks for the tax collector will take about half which doesn't-'leave the''company much to meet increased expenses of operation.

### To Attend Summer Institute

Logan, Utah — Among four Idaho-ans among the 36 secondary school teachers of French and Spanish named to attend a summer institute at Electricity Use Is Utah State University at Logan, June 13-July 22, is Doris W. Merrick, Ken-drick, Idaho, Dr. M. L. Neilson, head of the language department at U. S.

for them. The institute is supported by a \$47,993.00 grant provided under terms of the National Defense Education Act. It is part of the U.S.

the language institute. Several guest beck, local representative said. faculty members have been chosen to Comparing W. W. P. Co. cust

# Steadily Increasing

U. announced this week.

Participants will receive grants of the Washington Water Power Comparison per week, plus \$15.00 per week plus for each dependent while they attend kilowatt-hours annually, according to the institute. Tuition will also be paid a report for the twelve months end-

Office of Education Language Devel-opment Program. homeowner to even realize the im-portance of electric service in his U. S. U. is one of 35 institutions home and what a bargain Reddy Kilo-in the United States selected to offer watt is as a servant," Dean Hollen-

Comparing W. W. P. Co. customer faculty members have been chosen to join the U. S. U. language staff in teaching courses. Extensive use will be made of the university's modern language laboratory, Dr. Neilson said.

Comparing W. W. P. Co. customer use of power with that of the verage Russian household, Hollenbeck pointed out that the Russian uses approximately 400 kilowatt-hours annually. "Only enough," he said, "to operate a 21-inch television set for three hours a day for a year, or to burn four 100-watt light bulbs for three hours a day."

Mr. Hollenbeck also drew attention to the fact that the cost of electric service is very low to the average W. W. P. Co. customer. "Our annual revenue per residential customer in 1959 was \$106.86," Hollenbeck said, "and if only one member of a household smoked cigarettes that family was spending more for to-bacco than for electric service. If two members of the family smoked their tobacco bill was more than

double their electric bill."

Mr. Hollenbeck also pointed out that only nine-tenths of one percent of each dollar spent by Americans went for electricity last year — and that nearly five times as much recommend. went for electricity last year — and that nearly five times as much was spent for liquor and tobacco. "The ladies spent as much for cosmetics as was spent on electricity," he said to tickle your palate at Blewett's Gro-

### New Load Limits Are Set

Lewiston, April 11 - Due to drying weather conditions and frost leaving the road bed, all load and speed restrictions will be lifted in District No. 4, with the exception of the following sections:

State No. 7 — Top of Bear ridge grade to Harvard (350 lbs. per inch

width of tire.) State No. 8 — Deary to Bovill (350 lbs. per inch width of tire). State No. 43 - Bovill to Elk River

(20 tons gross). Overload permits will be issued on the unrestricted highways.

ent rate of increase in power use W. W. P. Co. customers will soon reach 10,000 kilowatt-hours annually, and that rural customers are virtually at

Highbrow: A man who thinks he has found something more interesting than women.

It is better to light a candle than to curse the light.

THIS IS TO ANNOUNCE MY CANDIDACY FOR THE NOMINA-TION OF STATE REPRESENTA-TIVE, DEMOCRATIC TICKET, IN THE FORTHCOMING PRIMARY

Representative, and was defeated by an unexpectedly narrow margin. In 1957 I was appointed Assessor of Latah County, and in 1958 I was elected to this

In 1956 I ran for the office of State

Now, in 1960, having a Deputy in my office who is interested in, capable of, and qualified to become a competent career Assessor for Latah County, I recommend Mr. Arnold Abbeal to you in this capacity.

Abbeal has a background in business and real estate. He will have served in this office a year before his term would begin, and he will continue the administrative policies set up in the Assessor's office during my tenure. I solicit your vot for Mr. Abbeal.

For myself, I wish to thank you for the cooperation you have given me, and for the experience I have gained serving you.

DURING THIS CAMPAIGN I WILL AGAIN PRESENT MY QUALIFI-CATIONS TO YOU AS A CANDI DATE FOR THE DEMOCRATIC NOMINATION FOR STATE REP-RESENTATIVE. YOUR SUPPORT WILL BE APPRECIATED.

Katherine D. (Kay) Pell

pol. adv. pd. by Kay Pell, Democratic Candidate for State Representative.

U. of I., Moscow — An open invitation to all high school seniors in the state to attend "Senior Days" at the University of Idaho, April 29 and 30, has gone out from the student committee planning the event.

The two-day program is designed to show students in their final year of high school, the academic and traditional aspects of the university.

All seniors will be given a general tour of the campus. Later, more specialized tours in areas of study choice will be made. Students will visit and talk with members of the faculty in the colleges of letters and science; agriculture, engineering, law, mines, forestry, education and business administration.

Career opportunities and required curricula of the many fields in each BIG FAMILY study area will be explained. While on the campus, students will be guests of the various living groups. They will also be guests at an informal music program and the annual Blue Key talent show.

People are prone to be suspicious, but why worry? You can't change their makeup.

A racket is any form of obtaining money without giving worthwhile value in return.

### ENOUGH ENCORES

It was in a remote section of the country that a widower married a very religious woman, who was also an extremely thrifty housewife. She was never one to waste food, and therefore the largest percentage of her meals consisted of leftovers.

One day she baked a large ham, and for days after that her husband ate it three times a day - minced, deviled, in sandwiches and with eggs. At the end of the week, as he started to eat some ham hash, his wife said: "But dear, aren't you going to say

grace before the meal?' "I will, sweetheart," he said, "if you can name one thing on this table that hasn't been blessed five times already."

Two Hollywood children were talking as they were walking home from school one day.

"I've got two little brothers and one little sister," boasted one. "How many do you have?"

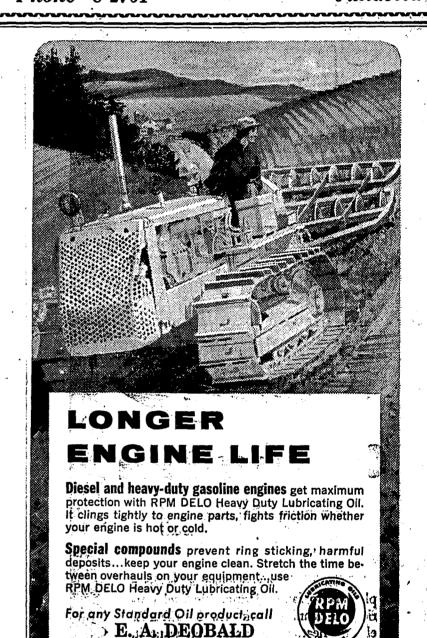

"I don't have any brothers or sisters," answered the second, "but I have three papas by my first mama and four mamas by my last papa."

Published Weekly by the Union Oil Service at Kendrick W. L. "Bill" Rogers, Editor

### HELLO, FOLKS:

Well, by golly, we all got fooled on the weather didn't we? We really believed spring had come. Now perhaps you should go out and check that fuel oil tank to make sure you have enough to last until spring comes. If not, call us at 4251 — and we'll be there in a flash with Union Products!

"Mommy," said the little boy, "I was in a fight today." "Gracious! What happened, any

Some boy called me a sissy!" "What did you do, son?" "I hit him with my purse!"

Now that Easter has gone by, and that trip behind you, how about letting us completely service your car, pickup or truck? Let us drain the crankcase and refill it

with the proper Union Motor Oil, grease the chassis, drain the antifreeze from the radiator? Cost is low, satisfaction high. Try us!

Tourist: "The weather here in Florida is so wonderful all year around, how do you tell winter from summer?"

Hotel Clerk: "In winter we get Cadillacs, Lincolns and stuffed shirts. In summer we get Chevro-lets, Fords and stuffed shorts."

There are no better products than Union. Try them.

A man walked into a bar with a pet mynah bird sitting on his shoulder and ordered a drink, The bird ordered one too - but the bartender shook his head, "Sorry,"

# **CAMERON SECTION**

Club Meeting

The Cameron Home Demonstration Club held their last meeting last Thursday afternoon — until September, at the home of Mrs. James Whitinger. Ten members and two visitors were present. These latter were Mrs. Homer Lipps of Lewiston and Mrs. Harl Whitinger. Mrs. Lipps gave a talk on "Red Cross."

Roll call was answered by each member present modeling her Easter hat. Pictures were taken of all who had made hats. Other demonstrations followed, consisting of wall placques, flowers made from foam rubber for center pieces, and hand made planter logs. Mrs. Whitinger served dainty refreshments at the close of the meeting.

Attend 45th Anniversary

The brothers and sisters of Mr. and Mrs. Aug. O. Wegner met at their home in Pullman last Thursday, to help them celebrate their 45th wedding anniversary. Those attending from here were Mr. and Mrs. Henry Wendt, and Herman Silflow.
