## SOUTHWICK FOLK ARE BUSY ONES

BY MRS. DON CANTREL

### Fire Menaces Field

A fire was quickly extinguished Monday evening in a barley field on the Welker ranch, which is farmed by Henry Davis. The quick response of neighbors and the help of a pump-er tank mounted on James Whit-inger's pickup, brought the fire to a quick end, and only about two acres of barley was lost.

Cause of the fire was determined to be over-heated brakes.

### Harvest Nearing End

Harvest in this area is nearing completion, and another week should see its end. Beans are being cut now, and there still remains a few fields of late-sown barley to be harvested.

Several farmers in the area have completed the seeding of the summer fallow to fall wheat.

### Students Honored

A week ago Sunday Rona Armitage and Alice Wright were honored during the church program with a "This Is Your Life." Both girls will be leaving next week for college.

Rona Armitage will enroll at Northwest Nazarene College at Nampa, and Alice Wright will enter the Pilgrim Holiness College at Boreville, Oklahoma.

Following the church services a community dinner was held at the Aid Hall, and the new minister and his family were welcomed with a surprise "Pound Shower."

Saturday, Mr. and Mrs. Earl Smerud, their daughter and her fiancée, all of Seattle, arrived to spend the Labor Day week-end with Mr. and Mrs. Tom King. The Smerud family left Monday morning for their home, accompanied by their son Jim, who had spent his summer vacation in the King home.

Sunday dinner guests in the Tom King home were Mr. and Mrs. Earl Smerud and family, all of Seattle, and Janet Morgan of Cavendish. Afternoon callers were Mr. and Mrs. John Stanley and family of Orofino, and Mr. and Mrs. Ralph Austin of Winchester.

Jenny Eldridge of Pullman spent the week-end visiting her grandparents, Mr. and Mrs. Tom King.

## SISTER DIES

Mr. and Mrs. Ralph Reed received word on Aug. 24th that his sister, Mrs. Kathryn Moore (nee Kathryn Reed) had passed away that day at San Jose, Calif., following a heart attack. She was 52 years of age.

Funeral services were held at Tacoma on Aug. 28. Mr. and Mrs. Ralph Reed, Mr. and Mrs. Mark Reed and Eddie Reed drove over to attend the final rites.

Mrs. Moore was a pioneer of the Kendrick area, having made her home here for many years as a young woman.

## JOINT DIST. 283 SCHOOLS OPEN SEPTEMBER 4TH

From the office of the school district Superintendent James V. Muscat, the following figures were given on the first day of school, for the 1962-1963 term:

Enrollment:  
Juliaetta Elementary School .....139  
Southwick Elementary School .. 28  
Junior High School ..... 57

A few more elementary pupils are expected to enter school, and possibly some in high school before the week is over.

### Hot Lunch Program:

There is one change in the "Type A" Hot Lunch cost, due to the state reimbursement program. That is: Additional milk (more than the usual one glass) on the regular student lunch, will cost 2c; another glass of milk on the adult lunch (teachers) will be 5c. Which simply means that 2c for students and 5c for teachers and personnel will be the cost for a second glass of milk at any meal.

Student lunch tickets can be purchased for one month in lots of 20 meals for \$5.00. Student lunch tickets are set up for grades one through 12, and all adults and personnel will conform to the adult price of 30c.

### Teachers Meeting

The annual teachers' meeting for all instructors in Joint District No. 283 was held Friday morning from 9:00 until noon. The program consisted of orientation, general policies, procedures, the forming of I. E. A. committees, appointment of extra-curricular activities and duties among the teachers, and the forming of the activities calendar for the year.

At noon, the teachers were guests at a luncheon given by Mrs. E. M. White, Mrs. Dennis Racicot and Mrs. James V. Muscat. Coffee and punch were served throughout the work morning.

## LELAND AREA HAS MANY ACTIVITIES

BY MRS. LLOYD CRAIG  
PHONE 5887

Mr. and Mrs. Burton Talbot, Mr. and Mrs. Jack Lohman and family and Mr. and Mrs. Gerald Lohman and family were Wednesday afternoon visitors of Mr. and Mrs. Ervin Draper and family.

Mrs. Lloyd Craig and Mrs. Wesley Pike and family were Wednesday evening visitors of Mr. and Mrs. Herman Johnson. They were Thursday evening callers of Mrs. Marvin Vincent.

Gayle Draper spent from Thursday to Sunday in Lewiston with her aunt, Mrs. Eddie Campbell and family.

Mr. and Mrs. Gordon Peters were Saturday evening visitors of their son-in-law and daughter, Mr. and Mrs. Bob Henriksen of Pomeroy.

Denise Wolff, daughter of Mr. and Mrs. Walter Wolff, was a Saturday over-night guest of Mr. and Mrs. Ervin Draper and family.

Mrs. Wesley Pike and children of Seattle are visiting her parents, Mr. and Mrs. Lloyd Craig.

Mr. and Mrs. Roy Craig and grandson Timmy, and Mr. and Mrs. Jesse Thornton were on a fishing trip on the Lochsa over the week-end.

Mr. and Mrs. Ray Lockett spent the week-end at Libby, Mont. Toni and Trina Lockett stayed with their grandparents, Mr. and Mrs. Clarence Thornton.

Mr. and Mrs. Wayne Thornton and family moved to Lewiston over the week-end.

Mrs. Ervin Draper was a Sunday caller in the home of Mr. and Mrs. Charles Hoffman.

Mrs. Charles Hoffman and Mrs. Gordon Peters were Saturday afternoon callers of Mrs. Lloyd Craig.

Mrs. Ervin Draper and son Gary, Barbara Deobald and Mr. and Mrs. Gordon Peters attended the gymkhana at Kamiah on Sunday afternoon.

Mr. and Mrs. Lloyd Craig and Mrs. Wesley Pike and children were Sunday guests in the home of Mr. and Mrs. Virgil Flesman at Clarkston.

News is scarce — as is time to gather it this week. But with the combination of harvest rush and the Labor Day week-end the reason is apparent.

## TO VISIT

Mrs. James O. Benfer, Idaho Falls, Worthy Grand Matron of the Order of Eastern Star of Idaho, will make her official visit to Canyon Chapter No. 67, on Tuesday, September 11.

## JULIAETTA DOINGS IN PAST WEEK

MRS. ERVIN MABBOTT  
Phone 8-2794

### Street Improvement

Oiling work on Juliaetta's side streets is nearing completion — and the results are most satisfactory. The new oil presents a clean, dust-free and smooth driving surface — truly a real improvement over the pot-holes and corduroy on which we have driven for the past several years. Everyone approves of the operation.

### Harvest Nears End

Harvesting of grain, peas and other such crops is nearing an end in the Juliaetta area.

Watermelons, cants, tomatoes, are now being "harvested." They are unusually late this year, due to the cold, wet spring — but the quality of all is excellent.

### Other Items

Mr. and Mrs. Bill Brown, Sr., of Springfield, Oregon, and Mr. and Mrs. Jack Brown and daughter of Kendrick called in the Jim Farrington home Sunday evening.

Mr. and Mrs. Keith Adams and sons of McLean, Virginia, and Eben Adams of Moscow were Friday evening dinner guests in the home of Mr. and Mrs. Eugene Taylor and Mrs. Effie Stump.

Mr. and Mrs. Bob Anderson and daughter moved Monday into the house recently purchased by Mr. and Mrs. Otto Silflow. The home was formerly owned and occupied by Mr. and Mrs. Vint Parkins.

Mr. and Mrs. Lee Walsh were down from Spokane for three days last week helping in his parents home, Mr. and Mrs. E. J. Walsh. While here he and his mother made a business trip to Lewiston. Other callers were Mrs. Frank Barton of Lewiston, and on Monday evening, Mr. and Mrs. John Walsh and Mr. and Mrs. Bud Langdon, Spokane.

Mr. and Mrs. Tom Peters and Fudge visited Mrs. Peters' parents, Mr. and Mrs. C. F. Lindor, at Twin Lakes, Idaho, over the week-end. Rosalie Maio of Priest River joined them there to also spend the week-end.

Mr. and Mrs. M. A. Orley of San Francisco were over-night guests of Mr. and Mrs. Arley Allen, Monday, Aug. 27. Mrs. Edgar Bohn and Mrs. Melvin Garner, both of Elk City, were Tuesday night guests.

Arley Allen was pleasantly surprised Thursday evening when Mr. and Mrs. Marion Souders and children and Mrs. Grace Souders came in, bringing birthday cake and jello, and gifts, honoring his birthday, on Aug. 30th.

Mr. and Mrs. Arley Allen spent Saturday night with Mr. and Mrs. Melvin Garner at Elk City. Sunday they drove back through Dixie, and as far as they could go with a car toward Mackay Bar on the Salmon River. From the car they walked about two miles to where they could see the river and part of the buildings on Mackay Bar. They report a very enjoyable trip, even if it was very steep "climbing" back to their car!

### Among The Sick

E. J. Walsh, who has been ill for some time, is showing a fine and steady improvement.

Mrs. Clarence Brown is still quite ill, but is showing improvement.

### News Very Scarce

Due to the Labor Day week-end very little news reached me. Won't you please call me or leave it at the store in future weeks? Our column should be a very good one.

## TRAFFIC HEAVY

There is no way of telling where they all came from — or where they were going — but there were a very large number of pickups carrying campers; cars and pickups pulling vacation trailers; pickups with campers, and cars and station wagons loaded with luggage going through Kendrick over the Labor Day week-end.

There has been quite a noticeable increase in travel through here since the road between Kendrick and Deary has been oiled, and we presume that the vehicles were largely "heading for the wooded areas" in the Bovill, Clarkia and Elk River sections.

## KEND. K. KLUB

The Kendrick Canyon Klub will meet on Wednesday, Sept. 12, at the home of Mrs. Jack Kuykendall, with Mrs. Oral Craig as co-hostess. There will be a special study hour. Roll call will be answered by each member telling where they first attended school.

## HARVEST NEARING END HERE

Harvesting operations in this area are nearing an end, say local warehousemen, and this week should see almost every crop "under the roof."

Some late-sown barley, a few "re-seeded" peas beans are still in the fields, but are now being harvested.

It is said that this year's crop of beans is probably the smallest in many, many years, if not in the entire history since they began to be raised in this area — as it is believed that not more than 500 acres will be harvested!

Those in the know, however, say that the bean crop will make in quality for what it lacks in quantity, as the cool, damp weather that preceded harvesting operations — was just what the beans needed for really filling out and becoming top quality.

All crops to date have been reported as of excellent quality, and despite the late season, the moisture content has been low, and almost all lacking in most cases.

The late season held back the local crop of sweet corn, watermelons and cants, and they are now arriving on the local market in generous quantities — with the quality excellent. Time was when these latter crops were among the top income producers, but today, they occupy a minor position. It's too bad, for the name "Juliaetta" meant the best in tomatoes, cants and watermelons.

## NEWS BRIEFS FROM AMERICAN RIDGE

BY MRS. GEORGE HAVENS  
Phone 4159

## HONORED WITH SHOWER

Miss Kay Abrams was the honor guest the evening of August 23rd, at a bridal shower in the home of Mrs. Bob Magnuson. Mrs. Gary Eggers of Juliaetta was co-hostess.

At fun games played during the evening Mrs. Burton Souders, Jr., and Mrs. Luther Parks won prizes.

Mrs. O. E. Havens, Bremerton, Wash., a grandmother of the bride-to-be, was among those present to watch Miss Abrams open and display her many lovely gifts.

Dainty refreshments were served by the hostesses at the close of the evening.

## KIM TROUT IS SURGERY PATIENT

Kim Trout, eight-year-old son of Mrs. Frances Trout, had the misfortune to swallow a watermelon seed, via his windpipe, Saturday night at the refreshment hour at the Kendrick Grange hall.

He was rushed to Moscow to the first doctor available, at that hour. And, after an examination, was taken on to Spokane where the seed was removed with anesthetic, at the Sacred Heart Hospital.

Kim was able to return home on Monday evening. His mother was with him throughout the ordeal.

## GRANGE MEETING

The Kendrick Grange met in regular session Saturday night, with attendance somewhat slim due to the rush of harvest work.

It was decided by a vote of the members present to not meet on the next regular meeting night, Sept. 15, due to a conflict of dates with the Latah County Fair.

## RESEARCH ON HOG FEED

U. of I., Moscow — Adding vitamin B complex to an all-vegetable pig feed of oats, barley and Alaska peas does not add to the feed's rate and economy-of-gains value. This is one finding of extensive research conducted by Idaho animal husbandman.

Furthermore, research showed no signs of any deficiencies among the pigs fed the all-vegetable protein mixture without the vitamin supplement.

Another phase of the research project concerned use of chlortetracycline, an antibiotic supplement. Mr. Keth's experiments determined that chlortetracycline enhanced the nutritive value of rations as measured by rate and economy of gain. His work included rations containing fish meal, and an all-vegetable protein mixture containing barley, oats and Alaska peas.

Extensive data concerning these findings and others are printed in the University of Idaho Agricultural Experiment Station Research Bulletin No. 55. Copies are available from the Mailing Room, College of Agriculture, University of Idaho.

## WEATHER IS IDEAL FOR HARVEST

No one could ask for finer fall and harvest weather than this area has been enjoying for the past ten days.

Following the brief rain squalls which arrived just in time to help extinguish the big fire of Aug. 25 and 26, the weather cleared and settled. Daytime temperatures have been mostly in the low 80's, and at night dropped to as low as 40 degrees. However, there has been, to date, very little dew, and farmers have been able to make every day count in the fields.

Temperatures are said to have been "just right" for harvest, not too hot, not too cold!

Fishermen and campers also report the weather "just right." Crisp in the mornings and evening, to make a camp fire feel good, yet warm enough to fish without a jacket during the day.

No rain has fallen for the past ten days, and just a few more dry ones will put the fall crops in the warehouse.

## ENTERTAINS SOCIETY

Mrs. Henry Wendt entertained the Cameron Lutheran Missionary Society at her home Wednesday afternoon, with 15 members and one visitor present.

It was decided to tie a quilt for the Hazeltine family.

Delicious refreshments were served by the hostess at the close of the afternoon.

The children of Wm. Cuddy, Coeur d'Alene, visited Saturday through Monday in the Ray Cuddy home and with other relatives.

Mr. and Mrs. Robert Pratt and family were Sunday evening luncheon guests of Mr. and Mrs. Dick Parsley.

Mr. and Mrs. Harley Perryman were Sunday evening callers in the Sam Weaver home.

Mr. and Mrs. John Chapman and daughters and Ellen Weaver, Lewiston, were Monday callers in the Sam Weaver home. Teresa Chapman and Ellen were Monday over-night and Tuesday guests.

Mr. and Mrs. Eddie Galloway and Clarence Morey, Big Bear ridge, and Mr. and Mrs. Dan Kechter and children camped and fished near Clarkia Sunday and Monday.

## TRAFFIC FACTS

Even though you are not exceeding the posted speed limit, you may be driving too fast. Remember that it's just as deadly to drive too fast for conditions as it is to drive 70 miles an hour in a 60-mile zone.

Knowledge is knowing right from wrong. Stupidity is doing just a little wrong because you know it isn't right.

Fifteen children from infants to 12-year-old, and 17 teen aged from 13 to 18 years old have been killed on Idaho highways so far this year. Motorists who drive like lightning may crash like thunder. Speed limits are based on circumstances and common sense.

It's amazing how many people point their cars toward the graveyard when they start out to drive each day.

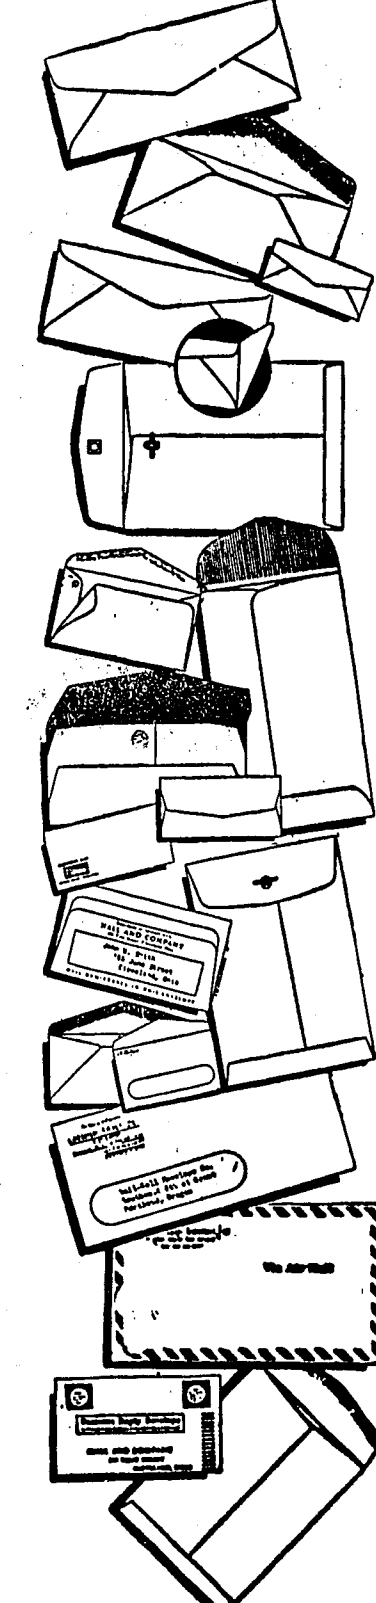

At least 30 people have been killed in Idaho this year when one or both cars were over the center line.

Driving is not meant to be competitive even in rush hour traffic. Co-operate with other motorists and move with the flow of traffic. If you want to "drag race," go to a drag racing strip!

Plum Good Eating!

Idaho calls fresh Italian prunes, one of her top Autumn fruit crops, "purple plums," a name which fits these regal-colored beauties so well. And here, thanks to Nature's gifts to the State, they really do grow larger, sweeter, even more delicious. The season is so short and these plums are so easy to freeze, that it's wise to prolong their enjoyment by stowing away some of this luscious fruit in your freezer.

This Purple Plum Crunch may be made with either fresh or home-frozen fruit. It's a sort of combination Cobbler and Deep Dish Pie, but with a most unusual crust. Serve it with a Take-Your-Choice-of-Toppings tray—a pitcher of pour-on cream, a bowl of slightly-sweetened whipped cream with a flick of cinnamon atop or grated orange rind. Or some cream cheese whipped to a fluff with a bit of milk, topped with bits of candied orange peel or with toasted slivered almonds.

Purple Plum Crunch

Place in baking dish—oblong 7 x 10 x 2 inches or square 8 x 8 x 2 inches—about 4 cups pitted and quartered Idaho Purple Plums or enough to fill dish to within 1/2 inch of top. Sprinkle with mixture of 4 tablespoons brown sugar, 3 tablespoons flour, 1/2 teaspoon cinnamon, stirring in a bit with a fork.

Topping:

- 1 cup sifted all-purpose flour 1/4 teaspoon salt
- 1 cup granulated sugar 1/4 teaspoon mace
- 1 teaspoon baking powder 1 egg well-beaten
- 1/2 cup (1 stick) butter, melted

Combine all dry ingredients in flour sifter and sift into beaten egg. Using a table fork, mix together until very crumbly. Sprinkle crumbly mixture over top of plums. Do NOT mix in. Drizzle the melted butter all over top of crumbly mixture. Bake in 375-degree F. (moderate) oven for 45 minutes. Serve warm. Makes 6 to 8 servings, depending on appetites.

CHATTERTON-SMITH NUPTIALS

Mr. and Mrs. L. M. (Bill) Baumgartner, of Deary, announce the marriage of her daughter, Miss Eniss Chatterton, of Pullman, to Donald Smith of Lewiston. He is a son of Mrs. Eva S. Daniels of Lenore, and the late Ben Smith of Park. The wedding took place Saturday, Aug. 18, at the Lutheran Church in Deary.

The setting for the ceremony was baskets of white gladoli and white tapers. The bride wore a balerina-length dress of white lace with a bolero jacket and a short veil, which fell from a rhinestone tiara. Her bouquet was of white carnations.

The maid-of-honor, Miss Kay Cole of Pullman, wore a balerina length dress of turquoise taffeta with a matching headband, and carried carnations.

Clem Smith of Lewiston, served as his brother's best man. Bruce Baumgartner, a brother of the bride, and Paul Kirk, a cousin, were ushers. Mrs. Dale Sturman was soloist, and Mrs. Frank Campbell accompanied her at the organ. She also played background music.

The bride's mother was attired in black and white taffeta with white accessories. The groom's mother chose navy fial with white accessories. Both mothers wore white carnation corsages.

At the reception which followed in the I. O. O. F. Hall, Mrs. C. R. Smith, a sister of the groom, and Mrs. W. D. Kirk, an aunt of the bride, served cake. Miss Cheryl Allen, a cousin of the bride, served punch, and Mrs. J. D. Baumgartner poured coffee.

Joy Baumgartner, Miss Andrea Kirk and Mrs. Clem Smith presided at the gift table.

(S. J. R. NO. 1)

"Shall Section 8 of Article VI of the Constitution of the State of Idaho be amended so as to permit Chinese, and persons of Mongolian descent, not born in the United States, to vote, serve as jurors, or hold civil office?"

### ATTORNEY GENERAL'S STATEMENT OF PURPOSE

This proposed amendment of the Idaho Constitution is designed to give naturalized Chinese citizens of the United States and other citizens of Mongolian descent, not born in the United States, the right to vote, to serve as jurors, and to hold civil office. Section 8 of Article VI of the Idaho Constitution, as now in effect, disqualifies certain persons from voting, serving as jurors or holding civil office and among those disqualified are "Chinese or persons of Mongolian descent not born in the United States".

The amendment, if approved, would delete that portion of the said section which prohibits naturalized Chinese citizens, and other citizens of Mongolian descent, from voting, serving as jurors, or holding civil office. Though identifying only Chinese, the proposed amendment would also apply to citizens of Japanese ancestry, and all other naturalized citizens of Mongolian descent, which, as stated, would enable them to vote, serve as jurors, or hold civil office on the same basis as other naturalized citizens.

Idaho is the only State with such discrimination against any naturalized citizen, and the Idaho State Legislature unanimously recommended that this question should be placed before the voters.

(S. J. R. NO. 6)

"Shall Section 2 of Article 6 of the Constitution of the State of Idaho be amended so as to declare every citizen of the United States, twenty-one years old, who has actually resided in this state for sixty days next preceding the day of the election, if registered as required by law, is a qualified elector for the sole purpose of voting for presidential electors?"

### ATTORNEY GENERAL'S STATEMENT OF PURPOSE

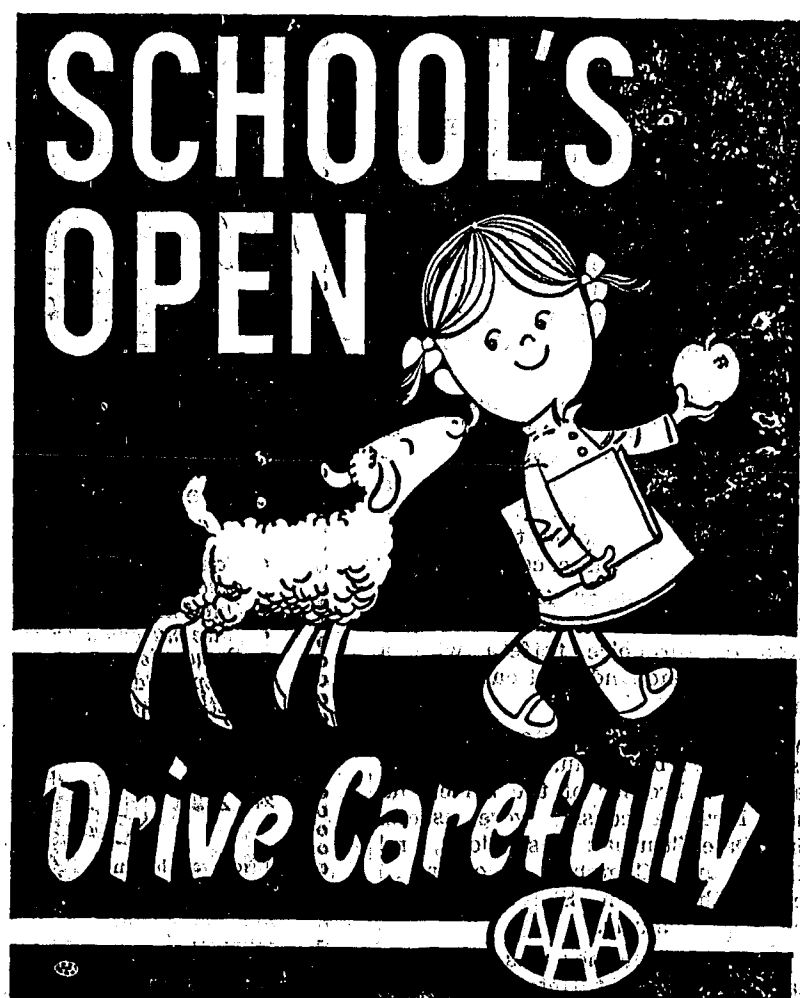

This proposed amendment of the Idaho Constitution is designed to give all citizens who have actually resided in the state of Idaho for sixty days next preceding the day of election, and who are otherwise qualified, the right to vote for presidential electors. Section 2 of Article VI of the Idaho Constitution, as now in effect, provides that citizens in order to vote, shall have resided in the state for six months next preceding the day of elections. The amendment, if approved, would permit those citizens who have resided in the State for only sixty days to vote for presidential electors. The requirement that a citizen shall have been an actual resident for six months next preceding the general election would continue to apply in voting for all other officials.

(H. J. R. NO. 10)

"Shall the Constitution of the State of Idaho be amended by amending Section 2 of Article V of the Constitution of the State of Idaho to delete the designation of probate courts and courts of Justices of the Peace as constitutional courts, but preserving the designation, as constitutional courts, of a court for the trial of impeachments, a supreme court and district courts, and preserving existing inferior courts until changed by law; to give the legislature the power, by law, to establish courts inferior to the supreme court and prescribe the jurisdiction of same; and to provide that the courts shall constitute a unified and integrated judicial system for administration and supervision by the Supreme Court; by repealing Section 21 of Article V of the Constitution of the State of Idaho to delete constitutional provisions relating to the jurisdiction of probate courts; by repealing Section 22 of Article V of the Constitution of the State of Idaho to delete constitutional provisions relating to the jurisdiction of justices of the peace; and by amending Section 6 of Article 18 of the Constitution of the State of Idaho, as amended, to provide that the designation of a probate judge as a constitutional county officer shall continue until otherwise provided by the legislature, and to provide that a probate or other county judge may be a county officer if provided for by law?"

### ATTORNEY GENERAL'S STATEMENT OF PURPOSE

This proposed amendment of the Idaho Constitution is designed to vest in the Legislature of the State of Idaho power to eliminate the probate courts and the courts of justices of the peace as constitutional courts and further, power to establish courts inferior to the Supreme Court and to prescribe the jurisdiction of such inferior courts which shall constitute

a unified and integrated judicial system for administration and supervision by the Supreme Court. Section 2 of Article V of the Idaho Constitution as now in effect provides:

"The judicial power of the state shall be vested in a court for the trial of impeachments, a Supreme Court, district courts, probate courts, courts of justices of the peace, and such other courts inferior to the Supreme Court as may be established by law for any incorporated city or town."

The proposed amendment if adopted would change said Section 2 Article V to read thus:

"The judicial power of the state shall be vested in a court for the trial of impeachments, a Supreme Court, district courts, and such other courts inferior to the Supreme Court as established by the legislature. The courts shall constitute a unified and integrated judicial system for administration and supervision by the Supreme Court. The jurisdiction of such inferior courts shall be as prescribed by the legislature. Until provided by law, no changes shall be made in the jurisdiction or in the manner of the selection of judges of existing inferior courts."

The proposed amendment, if adopted, would also repeal Sections 21 and 22 of Article V of the Idaho Constitution which set out the jurisdiction of the probate courts and courts of justices of the peace respectively. Further, the proposed amendment would also amend Section 6 of Article 18, of the Idaho Constitution which Section specifies the various county officers. The probate judge is listed therein as a county officer; and the proposed amendment, if adopted, would provide that the probate judge would continue to be a county officer "until otherwise provided by the legislature" and that "a probate or other county judge may be a county officer if provided by law."

which election shall be open at 8 o'clock in the morning and will continue until 8 o'clock in the evening of the same day.

## GAZETTE NOT UP TO PAR

The Gazette is not up to par this week — due to circumstances entirely beyond our control.

To begin with the long Labor Day week-end, in which no mail moved, made operating conditions very difficult. It shortened the time in which our faithful correspondents

were able to gather news, and made their getting it into our hands on time all but impossible.

And to cap the climax — the Employment Security Administration field man dropped in, and informed us that we were one of the firms drawn by lot, to have their books checked — so time was lost there!

All-in-all, it has been a rough week trying to get out a paper — at least on time!

**MORE BIG BEAR RIDGE NEWS**

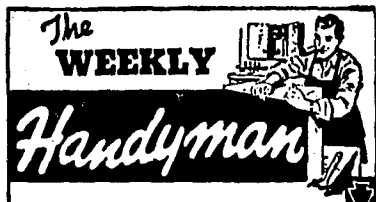

Mr. and Mrs. Eddie Galloway, Clarence Morey and Mr. and Mrs. Dan Kechter and children, the latter of Cedar Ridge, spent Sunday and Monday fishing near Floodwood river. They camped at Mary Mix cabin. They reported good luck.

Mr. and Mrs. Walter McCall and daughter Judy of American ridge, and grandchildren, Charley and Penney Jo McCall of Lewiston, were Sunday dinner guests of Mr. and Mrs. Frank Hoisington and sons.

Mrs. Linnie Ingle, Mrs. Claribel Anderson, Mrs. Myrtle Arrasmith and Miss Alta Moore spent Tuesday of this week with Mr. and Mrs. Geo. Arrasmith at Elberton, Wash. The ladies are cousins of Mr. Arrasmith. Mrs. Marvin Vincent of Leland was a Sunday afternoon visitor of Mrs. Myrtle Arrasmith.

Mr. and Mrs. E. W. Broyles and children, Ronny and Debby of Clarkston spent Monday with Mrs. Myrtle Arrasmith.

Dr. and Mrs. Roger Jones and daughter Julie of Portland visited several days of last week in the home of his mother, Mrs. Janice Jones. Sunday a family reunion was held in their honor at the Jones home. Present were his grandmother, Mrs. Lou Myers and Mr. and Mrs. Jack Maynard, all of Lewiston; Mr. and Mrs. John Jones of Moscow; Mr. and Mrs. Ollis Sherbon of Pullman, and their son and daughter.

**THOR RESEARCH CENTER FOR BETTER FARM LIVING**

A board foot supposedly is a board that measures 1 inch thick, 12" wide and 12" long. But, as the old song goes, "It ain't necessarily so."

For example, 2 by 4s don't measure that at all but are 1 1/2 by 3 1/2 inches; 1 inch boards are 3/4 inch thick.

The explanation is simple: Cut originally to the exact dimensions, most lumber is dressed before it leaves the saw mill. Planed smooth, it is marked "S4S," meaning "surfaced four sides." That's why the 2 x 4 you buy is 1 1/2 of an inch less than those dimensions.

**FINISHED LUMBER SIZES (In Inches)**

Nominal	Actual	Actual
1 x 2	25/32 x 1 5/8	1 5/8
1 x 4	25/32 x 3 5/8	3 5/8
1 x 6	25/32 x 5 5/8	5 5/8
1 x 8	25/32 x 7 1/2	7 1/2
1 x 10	25/32 x 9 1/2	9 1/2
1 x 12	25/32 x 11 1/2	11 1/2
2 x 4	1 5/8 x 3 5/8	3 5/8
2 x 6	1 5/8 x 5 5/8	5 5/8
2 x 8	1 5/8 x 7 1/2	7 1/2
2 x 10	1 5/8 x 9 1/2	9 1/2
2 x 12	1 5/8 x 11 1/2	11 1/2
3 x 6	2 5/8 x 5 5/8	5 5/8
4 x 4	3 5/8 x 3 5/8	3 5/8
4 x 6	3 5/8 x 5 5/8	5 5/8

Use right lumber size for accurate building and repairing.

This problem of size looms big when you want to use new lumber in an integral part of an old house. Dry lumber that doesn't shrink or swell is especially important in such remodeling work. Uneven walls and ceilings marred with cracks and bulges could result otherwise.

You can expect the least shrinkage in cedar and redwood. Moderate shrinkage is found in cypress, Douglas fir, cherry, chestnut, hemlock, pine, spruce and walnut.

The biggest shrinkers in drying are basswood, beech, elm, gum, birch, larch, oak and maple.

Many a wise how-to enthusiast has saved a lot of money by buying a poorer grade of lumber and dressing it up himself with a portable electric sander.

**TRAFFIC VIOLATORS ARE REPEATERS**

Boise — "Nearly half of the drivers involved in fatal traffic accidents this year had previously been convicted of traffic violations or had been involved in previous accidents," Traffic Safety Director Robert B. McCall announced this week. The safety director said that a summary of all 1961 fatal accidents had shown that only 20 percent of the fatal accident drivers had previous adverse driving records.

McCall said the 1962 report was based on 140 fatal accidents involving 196 drivers and 169 victims. The score at the same time a year ago was 127 fatal crashes, 185 drivers

ter-in-law, Mr. and Mrs. John Sherbon, who were here visiting from the east.

Mrs. Neva Rode of Lewiston and her son-in-law and daughter, Mr. and Mrs. Guy Arming of California visited with Mrs. Johanna Nelson recently.

and 157 traffic dead.

"There's absolutely no explanation for the drastic change in the pattern of the types of drivers from 1961 to 1962," McCall said. "At the end of last year we reported that 80 percent of the drivers involved in fatal accidents were one-time losers — those who lost their lives or who contributed to the deaths of others because of their first mistake." "Then we thought the figure was fantastically low because of a much higher percentage of poor drivers involved in fatalities as shown by the national statistics. This year the report looks more realistic, but there is no reason for the sudden change," McCall commented.

"Many of the trends in Idaho's traffic pattern are difficult, if not impossible to establish," the traffic director stated. "A constantly increasing number of deaths on country roads and a declining number on state highways has been consistent for five years."

"At the end of August, 32 percent of our fatalities occurred on country roads or at intersections of such roads and state highways."

Published Weekly by the Union Oil Service at Kendrick

### HELLO, THERE, FOLKS:

We count ourselves lucky, for so far as we know, every one of our customers is still alive and with us at the end of this disastrous Labor Day week-end. We know a lot of you worked — for we delivered Union Oil Co. products to your farms! We liked that!

A scientist rushed madly into the control room of a missile center and proudly announced a new discovery.

"Men" he shouted, "there are women on the moon! We shot a communications rocket up there and got a busy signal!"

Have you seen the new Union Minuteman Tire? The only tire good enough to bear our name! It's top quality, fully guaranteed,

and yet reasonably priced. Come in and see it. Sure, we'll trade!

"Waiter," exclaimed the angry diner, "you've got your thumb on that steak."  
"Yeah," came the reply, "I don't want it to fall on the floor again."

Yes, these chilly evenings remind us that a fire in evening and morning feel mighty good. Call us at 4251 for Union Fuel Oil. It's clean burning, gives quick heat — and lots of it!

"And now, gentlemen," continued the congressman, "I wish to tax your memory."

"Good heavens," murmured a colleague, "why haven't we thought of that before?"
