### Ladies Guild Meets

The Big Bear Ridge Ladies Guild met in the home of Mrs. Rufus Fairfield Wednesday afternoon, March 13, with nine members, three guests and five children present. Delightful refreshments were served by the hostess at the close of the afternoon.

### Mrs. Chas. Hicks Honored

A belated birthday party was held Monday afternoon honoring Mrs. Chas. Hicks.

Guests were Mrs. Bruce Sherman, Mrs. Willis Howell, Mrs. Jack Browning and Mrs. Onal Cope of Juliaetta. Out-of-town guests were Mrs. J. Sworden, Corbett, Oregon; Juanita Kite and Mrs. Frank Barton and son Doug. of Lewiston.

### Plan for Spring Institute

Anna Belle Smith of Headquarters; John Swayne, Orofino; Skippy Whitnet, Pierce; Claudia Nichols of Peck and Andy Sue Cox of Kendrick met at the Gary Eggers home Friday, then drove on to Pullman to complete plans for the M. Y. F. "Spring Institute."

### Other Items

Mr. and Mrs. F. A. Wagner are now at home, after spending the winter months with their children, Mr. and Mrs. J. C. Chittick, who live on the Middle Fork of the Clearwater near Koozika. The Chitticks took them on a trip to North Dakota, where they visited with their many relatives and friends in that area.

Mr. and Mrs. Randy Ball and daughter of Orofino, and Mr. and Mrs. Larry Wunderlich and children visited their grandparents, Mr. and Mrs. Ed. Groseclose, Saturday. The Wunderlich family have just returned from three years in Arizona, where he graduated from Phoenix College, and later studied at St. Luke's Hospital. He is presently an employee at State Hospital North, Orofino.

Mrs. Mesdames George Eggers, Mable Vesting, Ed. Groseclose, Bob Hutcherson, Charles Schultz and Viola Browning called on Mr. and Mrs. N. H. Steadman at Kendrick one day last week, with a "House Warming" gift from the Methodist Church Folk at Juliaetta.

Mrs. Ella Donaldson returned to her home in Pomeroy Saturday from a week's visit here with Mr. and Mrs. Rufus Fairfield and her son-in-law and daughter, Mr. and Mrs. Lloyd Eckman and family.

Mrs. Edith Fairfield has returned to her home on Big Bear ridge after spending a few days with Mr. and Mrs. Rufus Fairfield.

Mr. and Mrs. Lude Groseclose, Mrs. Edith Fairfield and Mr. and Mrs. Rufus Fairfield drove to Orofino on Sunday afternoon, where they visited Mr. and Mrs. R. E. Anderson.

Mr. and Mrs. J. M. Murray were Sunday dinner guests in the home of Mr. and Mrs. Vernon Granlund at Troy.

Week-end guests of Mrs. Gertrude Pederson and Jerry were Mr. and Mrs. Edward Pederson and three children of Colfax, Wn.; Douglas Pederson of the U. of I., and his fiancée, Miss Lynn Gardner of Pullman.

Mrs. Josephine Sworden of Corbett, Oregon, is visiting her niece and family, Mr. and Mrs. Onal Cope.

Mr. and Mrs. Cecil Gruell, Mrs. Mary Ottosen and the Kenneth Gruell family, the latter of Lewiston, spent Sunday with relatives at Walla Walla.

### SCHOOL NOTES

#### Second Grade News

Our attendance has been very good this week, although several have a "tired" hang-over from the flu.

We are proud of the blue ribbon given on the "Pre-historic Animal Swamp" entered at the Science Fair by Alvin Schmidt, Steven Alexander and Eddie Osborn. The boys drew names to see whose name would be used on the entry, and Eddie's name was chosen. Michael Smith also won an "Honorable Mention" on his beautiful rock collection. Both entries will be shown at the Fair in Lewiston on Friday.

The last Basic Reader has been completed in the "More Friends and Neighbors" group and they have begun a follow-up text called "What Next?"

#### Sixth Grade News

The sixth grade would like to thank all the parents who attended the Science Fair, and for the interest shown towards this work. We were quite pleased in being able to "corner our share" of the ribbons by receiving two firsts; one second; two thirds, and two Honorable Mentions. The recipients of these awards will be found in another column.

We hope to enter some projects in the Lewiston Science Fair.

### TO NURSING HOME

Mrs. Laura Emmett, mother of Mrs. Pearle Long, Mrs. Ed. Damarell and Mrs. Gunder Relerson, was taken to the Riverside Nursing Home in Clarkston, Monday, by an ambulance.

Mrs. Emmett has been living in an apartment at the Kendrick Hotel for a number of months, but Friday suffered a stroke, thus necessitating nursing care.

At last report she was doing as well as could be expected.

## CATTLE ASSN HOLDS MEET FRIDAY

The Kendrick Cattle Association held a meeting Friday, March 15, in the Kendrick City Hall, with some 25 in attendance. Meeting with the group was Del Jaquish, U. S. Forest Ranger, and four members of his staff. Chief item was a discussion of summer pasture, its problems and costs.

An election of officers was also held by the association, and those chosen were: Phil Bahr, president; Dewey Galloway, secretary; Cletis Hoisington, William Holt and Hardy Holt, directors.

## P. T. A. HOLDS MEET MONDAY EVENING AT SOUTHWICK

Joint District No. 283 P. T. A. met at Southwick March 18, at 8:00 p. m.

Dennis Racicot, president, called the meeting to order, and opened the evening's activities with a prayer. Mrs. Robert Magnuson was appointed secretary for the evening, in the absence of Mrs. Parks. There was no reading of the Minutes of the previous meeting, due to Mrs. Parks' absence.

Mrs. Bob Hutcherson's treasurer's report was read and approved. Fund-raising chairman, Charles Taylor, reported on the success of the "Square Dance Evening" and announced "The Redheads" basketball game, March 22nd, at 7:00 p. m., in the Kendrick gym.

Mrs. Magnuson gave the report for the nominating committee, and a unanimous ballot was cast for the following nominees:

Mrs. Lyle Pea, Juliaetta, president.

Mrs. Henry Galloway, Big Bear ridge, vice president.

Mrs. Dave Clayton, Kendrick, secretary.

Mrs. Robert Hutcherson, Juliaetta, treasurer.

James V. Muscat gave a legislative report.

An "Auditing Committee" was appointed by the president — James V. Muscat and George Merrick.

A short discussion was held concerning ways to improve attendance. Changing the meeting night was mentioned, but no action taken.

The Toy Tiger attendance award went to the upper grades at the Southwick Grade School.

Clive Lindsay and James Muscat explained in detail the method of driver education, and several parents demonstrated the use of testing device the students have used.

The meeting adjourned, and the Southwick Ladies, hostesses for the evening, served delicious refreshments.

## FLU BUG RESULTS REMAIN

Although some three weeks have passed since the flu was at its height here, and the schools closed — results of the "bug's" infestation seem to be still with many. Coughing, sneezing and "hacking" are still quite common, and many say they still do not feel too well, despite the lapse of time.

Some still complain of a loss of appetite, a draggy, worn-out feeling and just plain "no drive."

Perhaps, and undoubtedly, when spring really comes and the weather warms up, final traces of the disease will disappear. All hope so.

Those families who did not have the flu earlier, are now confined at home with it.

## NEW PRICE LISTS ARE OUT

Saturday the Gazette finished the printing of the 1963 Brocke & Sons, Inc., Seedsmen, price lists, and they are now in the process of being mailed by the big local firm.

Printed on blue stock, with royal blue ink, results are most attractive. The job required some 150 pounds of paper and four pounds of ink. They will be mailed only to rural and star route boxholders throughout this entire territory, so if anyone living in town wishes a price list, it is suggested they contact the firm.

## TB. TESTS GIVEN

Around 70 first graders, eighth graders and teachers were given Tuberculosis test by Dr. D. A. Christensen Tuesday morning. He was assisted by Mrs. Martha Tomlinson, Latah County Health Nurse.

The Southwick first graders and all of the district eighth graders were tested at Kendrick High school. The Juliaetta first grade received tests at the Juliaetta Elementary School.

## NEW ARRIVALS

Mr. and Mrs. Loyd E. Ware, Kendrick, are the proud parents of a son, Carl Edward, born to them Monday, March 18, at the Gritman Memorial Hospital in Moscow. The little lad weighed in at 7 pounds, 10 ounces. He joins a sister. All concerned are doing nicely.

## SCIENCE FAIR ONE OF BEST EVER HELD, ATTENDANCE GOOD

The Science Fair held Friday evening, March 15, at the Kendrick High School — a joint effort of all schools in the district — and the displays truly reflected deep thought and many, many hours of work on the part of those taking this type of study.

Winners in the various categories are as follows:

Grades 1, 2 and 3

- 1st — Eddie Osborn, "Pre-historic Animal Life."

- 2nd — Becky Eichner, "Rocks."

Honorable Mention — Leonard Eckman, "Pendulum"; Dave Armitage, "Refraction of Light."

At the spaghetti feed which preceded the Science Fair, held in the Hot Lunch room, the mothers fed approximately 140.

The teachers of the district, and the mothers who put on the feed extend their thanks to all for the interest shown and their attendance. Truly, it was one of the best Science Fairs, if not the best, held thus far in this district.

## TO ATTEND BOISE CONVENTION

Two F. H. A. members, Paloma Peters and Andrea Cox, and their instructor, Mrs. Norman Lewis of the Future Homemakers Association Chapter at Kendrick will attend the Idaho State F. H. A. convention at Boise, Thursday through Saturday of this week. The girls were chosen to represent this chapter by their fellow members.

Delegates to Assembly

Mr. and Mrs. George Merrick will attend the Idaho Delegate Assembly at Boise, from Thursday until Saturday of this week. They accompanied the F. H. A. group to Boise.

The local I. E. A. met in special session Tuesday evening to discuss voting measures to be taken at the Delegate Assembly by Mr. and Mrs. Merrick.

## OVER 800 RECEIVE SABIN VACCINE

Over 800 persons received the Type I Sabin Oral Vaccine at the Kendrick High School Sunday, between the hours of 11:00 a. m. and 5:00 p. m.

Many people in the area did not take advantage of this service — apparently due to a misunderstanding regarding the necessity of taking it — regardless of age! All older people should have taken it, as it will clear the intestinal tract of "possible" carriers, which the other vaccine would not do.

In other words — all should have taken it — regardless of age! The next clinic will be held on Sunday, April 21st, at the Kendrick High School.

Dr. D. A. Christensen and Dave Clayton were in charge of the clinic, and were assisted by ten local women, who worked at various times throughout the clinic's hours.

## GEORGE F. BROCKE UNHAPPY WITH TAX RESULTS

Boise — This is the 69th day of the 37th Session of the Idaho Legislature. As of this release, we have passed no tax raising measures that would balance the budget. The budget now stands at \$102,700,000. This is an increase over the past budget of some 14 million dollars! Our estimated income on present taxes is 90 million, so it means that some 13 million dollars must be added to the burden of the taxpayers of our state. This legislature will be known as the most liberal spender of monies, the most taxing and maybe the longest in the history of Idaho!

To give a few facts in regard to taxes: Take the "Little Mills" bills. They now total 17.7, which adds to the property tax some 15.7 million dollars on a state-wide basis. Now take 13 million that is necessary to balance the budget, and the total is 28.7 million, plus the 1.5 million increase in the Fish and Game license, plus the added tax on unemployment insurance — you come up with a figure in excess of 30 million dollars!

This is a far different picture than was painted during the election campaign, when the people were told that present incomes would take care of the needs of the state under our present taxing program, and that no new taxes would be placed on the people!

The pressure is being applied in every way possible to bring back the Sales Tax and pass this measure, and drain many more millions of tax dollars from the people by this unfair, unjust method of taxation!

In the House, the "Sales Tax Bloc" is capable of killing any tax measure offered. They have done this. This same bloc is capable of passing any appropriation bill, and they have done this. By doing these two things, pressure is building up. Something has to give and this bloc is hoping that we who oppose the Sales Tax will give.

The hours are long — tempers rise — and the struggle goes on in the 37th session of the Idaho Legislature. This Legislature is getting no place. Maybe a new day or maybe a new week will clear the visions of the 107 members. Maybe common sense again will prevail, and maybe the spenders will give in, and maybe the "Sales Tax Bloc" will give up — time will tell.

## OLD-TIME 'GENERAL' PICTURES WANTED

Over the past years the Gazette's annual historical editions have featured Juliaetta, Kendrick, Cameron, Leland and Southwick. This year we would like to feature a "general" historical edition — featuring the entire area — and not the towns as such.

In consequence we are going to ask old-timers throughout the area to loan us pictures of such items as Harvest Scenes — Threshing Scenes — old time autos — logging and lumbering scenes — flood scenes (of the long ago) — pictures of country school houses, etc.

To assist us in this gathering Lura Nelson of the Juliaetta Cash Store will receive and care for any pictures made available in that area.

These pictures will not be marked or damaged in any way. No marks will show that they have been photographed.

Pictures of groups (such as Sunday School classes, school classes, lodges, etc., are not practical for this type of use, as the faces, quite often through age, cannot be printed clearly.

## ENTERTAIN THE PINOCCHLE CLUB

Mr. and Mrs. Douglas Christensen, Jr., entertained the Pinochle Club at a party in their home Friday evening following the Science Fair.

High scores went to Mrs. Bud Eichner and George Brocke, Jr.; lows to Mrs. Howard Wolff and Luther Parks. Mrs. Bud Eichner took home the goose.

Delicious refreshments were served by the hostess following play.

## CHAMBERS MEETING POSTPONED

Dean Hollenbeck, president of the Latah County Chambers of Commerce announced Monday that the joint meeting of that group with the Kendrick Community Lions Club, scheduled for Wednesday, March 27, had been postponed due to a conflict of dates with other important Latah county meetings.

Mr. Hollenbeck said that the date will be announced later.

The Kendrick Community Lions Club will meet on that date, as usual.

## AGNES BYRNE DIES SATURDAY AT 93

Lewiston — Miss Agnes E. Byrne, 93, former long-time resident of the Kendrick area and more recently of Clarkston, died Saturday at 1:15 p. m. at the home of a nephew in Lewiston, where she had been living in recent months.

Born July 13, 1869, at Faribault, Minn., she had attended school and college in Minnesota and later she taught school. She had moved with her parents, Mr. and Mrs. Christopher Byrne to Lewiston in 1900 and in 1905 to Kendrick.

There she had worked in the office of a bean warehouse and a dry goods and grocery store operated by her brother C. F. (Frank) Byrne. When he and another brother, Tom, began farming on Potlatch ridge, she and her sister, Mary, had assisted in the work there.

She moved to Clarkston in 1949, and had lived there until 1961, when she moved to Lewiston. In recent months she had been staying with a nephew, Paul Byrne, and his wife at 532 6th Ave.

She was the last surviving member of her family. She was a communicant of St. Stanislaus Catholic Church.

Rosary was recited Monday night at 7:30 at Vassar-Rawls Chapel. Requiem mass was celebrated Tuesday at 10 at the St. Stanislaus Church. Interment was in Normal Hill Cemetery.

## FORMER PASTOR DIES IN OREGON

Word has been received here of the death of the Rev. Howard L. Graybill, 71, at his home near Oregon City, Oregon, on February 25th. He and his wife had lived there since his retirement from the ministry some nine years ago.

They came to Leland, Idaho, in 1932, where he was pastor of the Leland and Juliaetta Methodist churches.

His widow, Jean, survives; also a brother, Carlyle, in California; a niece, Mrs. Eleanor Dennler, Lewiston, Idaho, and a nephew, Copley, living in Louisiana.

## CAR DOES FLIP

Late Saturday evening, while enroute to the home of his parents, Mr. and Mrs. Sam Weaver on Cedar ridge, Elmer Weaver, Lewiston, had the misfortune to have his car do a flip and land on its top.

The accident happened just beyond the home of Mr. and Mrs. Wm. Holt, on a straight stretch of road — Elmer having gone to sleep at the wheel.

The car, a brand new Mercury Comet, was damaged quite extensively. Elmer received a few minor bruises and scratches, but otherwise was unharmed. Virgil Dygert took the car out for him Sunday morning, and to Lewiston for repairs Monday.

## ATHLETIC BANQUET

On Wednesday evening of this week, at 6:30 o'clock a basketball banquet honoring the members of the two basketball squads, their fathers; the yell queens and the coaches of the teams will be held at the high school cafeteria.

## DEMONSTRATION DISTRICT MEETING

The Northern District Home Demonstration Council meeting will be held in the Orofino Armory (near the Orofino airport) on Thursday, April 4, beginning at 9:00 a. m. with a coffee hour, followed by a business session at 10:00.

All Home Demonstration Club members in northern Idaho are urged to attend. The cost is \$1.75 for the noon lunch and registration fee.

Theme of the meeting is "Looking Ahead Together."

For the program it is hoped to have some of the Executive members of the State Home Demonstration Council to report on their activities. Plus Mrs. Howard Hechner, president of the Idaho Home Demonstration Council. There will be election of Northern District Director for 1964 - 1966. Music and entertainment and a "Pennies for Friendship" march.

Outstanding speakers are Mrs. Ray McNichols, Orofino attorney, and Dr. Eugene Giles, Professor of Psychology, U. of I., whose topic is "A New Look at Faulty Behavior."

## DOES THE DISTRICT HAVE THE SPIRIT?

I would like to report that I have met with the REA, the telephone company, the warehouses, the WWP Co., and as yet have not received an answer to my letter from the railroads, but all so far have pledged their support.

For instance, the WWP Co. share is \$1,300.00; and they have told me when we collect our money through our 1% deal their check will be ours to build our additional classrooms.

So far I have pledges of approximately \$5,000.00.

Now if this district feels that there is a need for classrooms, then I ask everyone's support, because I cannot carry the ball alone, when so many want to drag their feet.

I ask you mothers of the P. T. A. to make this your project if you feel there is a need for these class rooms.

With everyone giving of their time and money we can reach our goal for our school. If anyone wishes to pledge, send it to me, and I will keep it on file. — W. Brammer, Kendrick.

## NEWS BRIEFS FROM AMERICAN RIDGE

BY MRS. GEORGE HAVENS Phone 4139

Mrs. Marvin Chaney of Troy was a Saturday afternoon visitor of Mrs. Ella Benschoter.

Mr. and Mrs. Ray Benschoter and family and Dr. Dan Guy, all of Lewiston, were Sunday dinner guests of Mr. and Mrs. Frankie Benschoter. Little Billy Benschoter remained over to attend Kindergarten, after a bout of a week with the flu.

Mr. and Mrs. Wayne Davis and family drove to Spokane on Sunday where they were dinner guests of his brother-in-law and sister, Mr. and Mrs. Jack Fowler. Mr. and Mrs. Bert Davis of Pullman were also guests — the dinner honoring Mrs. Bert Davis' birthday anniversary.

Mr. and Mrs. Bob Benschoter and family of Spokane were Sunday guests of his mother, Mrs. Ella Benschoter.

Dick Benschoter, Spokane, came down Sunday evening to spend a few days with his mother.

Mr. and Mrs. Henry Wendt of Kendrick were Monday evening luncheon guests of Mr. and Mrs. Geo. Havens.

Mr. and Mrs. Edd Kent drove to Moscow on Monday to spend a few days with Mr. and Mrs. Archie Morgan.

Mr. and Mrs. Robert Smith and family of Troy were Sunday dinner guests of his parents, Mr. and Mrs. Rudolph Smith. Mr. and Mrs. John R. Johnson of Lewiston were afternoon callers.

Mrs. Walter May and daughter Sandy were Sunday afternoon callers of Mrs. Ella Benschoter and the Bob Benschoter family of Spokane.

Mr. and Mrs. Ira Havens of Juliaetta stopped at the George Havens home Monday afternoon, enroute home from Moscow, where they had attended the funeral of Mrs. Resia Helm.

Mr. and Mrs. John McGinn and Gertrude Hanks of Spokane were week-end guests in the home of Mr. and Mrs. Harold Olderness. Sunday they were joined for dinner by Mr. and Mrs. L. S. Thurber, Kendrick.

The Northern District Home Demonstration Council meeting will be held in the Orofino Armory (near the Orofino airport) on Thursday, April 4, beginning at 9:00 a. m. with a coffee hour, followed by a business session at 10:00.

All Home Demonstration Club members in northern Idaho are urged to attend. The cost is \$1.75 for the noon lunch and registration fee.

Theme of the meeting is "Looking Ahead Together."

For the program it is hoped to have some of the Executive members of the State Home Demonstration Council to report on their activities. Plus Mrs. Howard Hechner, president of the Idaho Home Demonstration Council. There will be election of Northern District Director for 1964 - 1966. Music and entertainment and a "Pennies for Friendship" march.

Outstanding speakers are Mrs. Ray McNichols, Orofino attorney, and Dr. Eugene Giles, Professor of Psychology, U. of I., whose topic is "A New Look at Faulty Behavior."

**BEEF IS ONE OF BETTER BUYS NOW**

Boise — Idaho fed beef is today one of the housewife's best buys due to the wholesale price decline and the drop in live cattle prices.

"Wholesale and retail prices today make beef an attractive purchase," said Bob McMinn, former vice president and newly elected president of the Idaho Cattle Feeders Association.

McMinn pointed out that the market decline in carcass prices by the wholesalers is being recognized by the retailers and is nationally being passed along to the consumer. The retail outlets in our state and nationally are the best merchandisers in the world," McMinn said, "and if left to do so can sell the large amount of beef cattle feeders will be producing in the next few months.

It was pointed out that in Idaho there is a record number of beef cattle in the feed lots which are being sold when ready for slaughter and there are very few long-fed, over-weight cattle to dispose of.

**CHUCKLE BERRIES AND "BERLED" DINNERS TO BE POPULAR**

Moscow — Eggs and boiled dinners are likely to be popular in March, according to word Mrs. Ruth Shane, county home agent, has from the Department of Agriculture. March is egg month. The supply is abundant. Production in Idaho and throughout the nation is above average.

As for boiled dinners, three of the most popular ingredients — potatoes, onions and carrots — are on the list of plentiful foods. Potato stocks are of near-record size, and prices are attractive to consumers. Carrot supplies from mid-February to April are also to be heavy. Onions, too, are plentiful. Production of summer onions was 12 percent larger than the previous year. A new large crop is also expected in Texas in March.

Two popular main-dish partners, pork and beans — are also on the March list of plentiful. The bulk of the fall pork production comes to

market in March, April and May. Canned corn continues to be a good buy, the summary said. Supplies are 11 percent above a year ago, and record large.

Cherries are always associated with February — and George Washington's birthday anniversary. The supply of canned, red, tart cherries is 50 percent greater than the average and prices are down, says the report.

**TIPS ON EGG CARE WORTHWHILE**

U. of I., Moscow — Cracked eggs are something to cry about. Fifty million are lost from that cause every year on a national scale. Here in Idaho, says Robert Black, poultryman of the University of Idaho extension service, many producers lose money because of excessive cracking. Frequent egg collection is one of the best methods of reducing the loss, Black says. Importance of this practice is shown by the fact that 39 percent of all eggs are laid before 8:00 a. m.; thirty-one percent are

laid between 8:00 and 11:00 a. m.; 18 percent between 11:00 a. m. and 1:00 p. m., and the remainder between 1:00 and 4:00 p. m. Research gives pointers as to where egg breakage most often happens. These were the findings of the survey: Ten percent of all eggs laid are cracked before reaching the consumer.

**EXCHANGE STUDENT TELLS OF PERU**

U. of I., Moscow—Strange places seem foreboding, at least at first, according to Norma Simpson, Pocatello, Idaho's International Farm Exchange delegate in Peru. In a report from Peru, Miss Simpson said that her first impression of Moquegua, a small village, were gloomy ones since her arrival came at night.

Here is her description: "Moquegua was at first to me a town of adobe drabness and lurking shadows. Not even when the lights came on all over town did the shuttered windows seem to change. The glare of the truck lights herded the villagers into their doorways, away from view. The custom of blinking headlights at each corner seemed to me like the darting of a hawk searching for its prey. Only I was the prey, and the narrow winding streets were my trap."

With the coming of dawn, however Norma's feelings changed. "The clatter of burro shoes was my alarm clock. Ti Phong, the dog, greeted me by licking my hand and hammering his tail on the floor. I arose, opened the door and stepped to the balcony. Que Panorama! What a view! The radiant green basin, nestled in dry mountains sculptured by wind and earthquakes made a sigh with relief. This was no cage, no trap, but my new home.

"Children in school uniforms dotted the streets and merchants, swinging open shutters, were revealing their wares. From my balcony I watched the town awaken. Hesitantly, I proceeded down narrow stairs, through the fushia flowers of bougainvillee, to be greeted by members of my new 'foster' family."

As the time came for departing to another area in Peru, Miss Simpson's first gloomy impressions had changed even more.

The streets are wider now and filled with neighbors, school children, farmers who are bidding farewell to the lady from the north. My closest friends, teachers in the schools, have tears in their eyes, but a promise on their lips that in December, 1963, they will visit me in the land of my hopes and dreams, Idaho.

## PRUNE IN THE EARLY SPRING

Early spring is the best time to prune most trees. One reason pointed out by Homer Futter, county agricultural agent, is that the framework is easy to see before the leaves come out.

Pruning stimulates growth of foliage, flowers and fruit. It prevents or corrects malformation and offsets loss of roots that may have occurred.

Tips on pruning are offered by Tony Horn, horticulturist at the University of Idaho extension service. Distribute the cuts, he advises, so as to preserve the tree's natural form. Prune away limbs that are weak and diseased. Head back limbs that you want to keep, if they are too long.

After shade trees are 15 to 20 feet high, remove lower branches to a height of seven feet. Later this may be extended to 10 feet.

Above all, the specialist says, do not "dehorn" a tree. Such cutting ruins its shape. If it is necessary to shorten a tree because of wires or other obstructions, cut back to the outside laterals and preserve all possible beauty and shape. Better yet, plan ahead and plant a tree that will not grow too tall.

Trees that "bleed," such as maples, walnuts and birches — can be pruned effectively just after the leaves come out in the spring, but you should not wait until the foliage

is full. Trees such as locust, box elder, poplar and cottonwood may be pruned at any time — just so you don't stay home from church to do it!

## HEART ASSN. SETS DRIVE GOAL

Boise — The February 1963 "Heart Fund Drive" has set a goal of \$92,000, according to Dr. C. A. Robins, chairman of the Idaho Heart Association's campaign committee.

"This increase of 30 percent is essential to the continuance of the battle against Idaho's No. 1 public health menace and killer," Dr. Robins points out.

With more than 51.4 percent of the deaths in Idaho in a single year attributed to heart disease the need is ever present. Heart diseases strike down at least seven Idaho victims every 24 hours. Research opens the door to new methods of treatment and reduction of incident rate.

During the past year, funds were available for only four of every 10 American Heart Association approved "heart research" projects, Dr. Robins says.

Public awareness of the "heart cause" is evident in the number who have volunteered to serve in the approaching campaign. Last year, it was estimated that about 9,000 volunteers assisted in fund-raising, while plans for 1963 bring the volunteers to 12,000.

## RHEUMATIC FEVER DANGEROUS

Rheumatic fever, general associated with a "strep" throat infection, is one form of heart disease that affects hundreds of Idaho children, points out Dr. E. M. Wright of Twin Falls, chairman of the Idaho Heart Association's community service program.

Many people are unaware that rheumatic fever can and frequently does permanent damage to the mitral valves of the heart, and that rheumatic fever control has been a part of the Idaho Heart Association's program since 1955.

The facts about the inroads made by rheumatic fever are shown by cold hard statistics. In 1957 there were only 516 Idaho children receiving daily dosages of low-cost penicillin—life saving drugs—to help prevent recurrences of the disease in children under 21, who required long-term treatment. At the close of 1962, there were 1,270 children in the state receiving these benefits. In the year—1961—there were 84 deaths in Idaho attributed to rheumatic fever.

The Idaho Heart Association spent \$5,000 annually in the rheumatic fever control program, sponsored in conjunction with the Idaho Department of Public Health.

"The Idaho Heart Association puts Idaho dollars to work right here in Idaho, helping bring life and hope and needed drugs to boys and girls," Dr. Wright points out. "And, it sponsors research projects, aimed at the conquest and ultimate control of rheumatic fever."

Your Heart Association Says!

Almost every heart condition can be helped by proper treatment. See your doctor for a health and heart check-up.

## MIGRATORY FLIGHTS ARE UNDERWAY

Early spring tourists are snow geese such as these, passing through Idaho on their migration flights.

They range from northwest Greenland and the arctic islands, west to northeastern Siberia.

They winter on both American coasts from New Jersey to North Carolina, and on the Gulf coast from Louisiana to northern New Mexico and the larger valleys of California.

They are also found during the winter months on the Asian coast and south to Japan. Hence, international treaties are in effect covering the management of waterfowl. (U. S. Fish and Wildlife Service photo).

## How do we thank such a man as this?

The railroad hat is deceptive. Bill Schupbach is a lifetime Standard Oiler, retired. His grandfather, father and uncle were Standard Oilers before him.

Before retiring, Bill was a refinery foreman. His company retirement plan gives him security, and time for model railroading, but his big enthusiasm is still Standard Oil Company.

Bill keeps close to us, and we to him. He is invited to our picnics and parties, receives our publications,

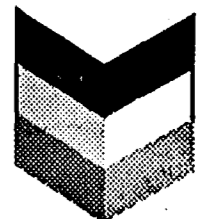

and is still one of the "Boys" at the refinery. He knows that he belongs.

It isn't the spoken thanks that do it; but your lasting interest in a man, your counting him as a person and not a statistic, these are the things that liven his spirit.

We have thousands of such fine men and women on our retirement payroll. If you know some of them, you know that they, too, are ardent Standard Oilers.

Planning ahead to serve you better

## HELLO, THERE, FOLKS:

Well, by golly, spring didn't arrive as fast as most of us thought it would — but at least you've gained time to check your supplies of motor oils, lubricants and gasoline or diesel fuel before you go into the field. Call us at 4251 for Union. We deliver!

Foreman: "Simpson, how come you only load one carton at a time into that van, when the others take two at a time?"

Loader: "I guess they're just too lazy to make two trips with them, the way I do!"

Let us spring service your car! We know how, with the help of Union Products — to put the real pur-r-r-r back in that motor!

Minister: "I notice the Bowles"

seem to be getting along much better these days.  
Fried: "Yes, ever since he went home last fall and saw the girl he was in love with 20 years ago!"

Bring your car in and let us take off those winter tires, grease it and change the oil. There's no time like the present to get rid of those "tired" winter items!

Judge (to jury): "Is there any questions you would like to ask before considering the evidence?"  
Juror: "A couple of us would like to know if the defendant boiled the malt one or two hours, and how did he keep the yeast taste out?"

Always travel Union. It's the comfortable way to go!

## PARK PATER

BY MRS. JERRY J. SMITH

FLU STILL HERE — Those on the sick list the past week have been J. D. (Tead) Baumgartner and his daughter Joy; Tammy and Anita Thompson, daughters of Mr. and Mrs. Duane Thompson, and Mr. and Mrs. Karl Enger.

SABIN FORMULA OFFERED — The Sabin Anti-Polio Vaccine (No. 1) was offered at Deary, March 11, and at Bovill, March 12. Many of those in Park who would normally have taken the vaccine had to wait because of recent attacks of the flu and heavy colds.

OTHER ITEMS — Mr. and Mrs. Jerry Smith and family spent an enjoyable week-end visiting in the home of her parents, Mr. and Mrs. Charles D. Stone, and other friends and relatives at Boise.

In Park it seems that the "flowers have riz" before "Spring has sprung" as about two inches of snow fell on Tuesday to cover the shoots of daffodils and tulips. Charles Jelleberg reported seeing a whole point in the canyon east of his home covered with buttercups. He wore one in his hat band for several days as proof. Unusual weather, for Park, everyone agrees.

### PACK MEETING

Monday, March 25 is the regular Pack Meeting of Pack 114. There will be a very good program, award presentations, and reports of progress on the "Pine Derby" models. Plan to be there.
