HELLO, THERE, FOLKS:

Well, the good weather we were "crowing about" a couple of weeks ago has certainly "done went," and it's far too wet to get into the fields — so check your supplies of diesel fuel, gasolines, lubricants, greases and motor oils — and call us at 4251 for Union Products! We deliver!

We've heard about a golfer who hit a new ball into a lake, another new one onto a highway and still a third one into the woods. "Why don't you use an 'old one'?" his caddy asked, to which the man replied, "I've never had one!"

Come in and see Union's new Minute Man Tire — the first one good enough to hear our name. It's reasonably priced, first quality, and guaranteed. Come in to-

day! Sure we'll trade!

One nice thing about a horse is that some designer can't make it obsolete before it's paid for!

Bring your car, pickup or truck in for servicing before that spring rush really starts. Have it ready to go when the sun shines! Yes, we use Union Products — the right one for every spot!

In the business world an executive knows something about everything; a technician knows everything about something — and the switchboard operator knows everything!

Fatty: "Her husband was a Judge, wasn't he?"
Catty: "Everyone thought so until he married her!"
