#### Fire Almost Gets Away

Brush being burned by John Darby on his ranch on this ridge, and fanned by wind, soon spread fire out of control Monday afternoon about 2:30. Several acres of stubble, pasture, and some trees were destroyed.

Several neighbors and the Potlatch Fire Protection Patrol responded to the call, and by 5:30 it was brought under control. However, fires burned throughout the night. Greatest concentration was along the canyon and at the edge of Wayne Wright's soil bank. The Wrights, John Darby and the Robert Pratt family sincerely thank everyone who helped.

**The 10 Commandments of Safety**

- 1 Treat every gun with the respect due a loaded gun. This is the first rule of safety.
- 2 Guns carried into camp or home, or when otherwise not in use, must always be unloaded, and taken down or have actions open; guns always should be carried in cases to the shooting area.
- 3 Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.
- 4 Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.
- 5 Be sure of your target before you pull the trigger; know the identifying features of the game you intend to hunt.
- 6 Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.
- 7 Unattended guns should be unloaded; guns and ammunition should be stored separately beyond reach of children and careless adults.
- 8 Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
- 9 Never shoot a bullet at a flat, hard surface or the surface of water; when at target practice, be sure your backstop is adequate.
- 10 Avoid alcoholic drinks before or during shooting.

Bible Study Group Meets

Thirteen members of the A. L. C. W. and one visitor, Mrs. Ed. Nelson, met Wednesday afternoon at the home of Mrs. Geo. Wilken in Kendrick for Bible Study. Mrs. Herman Meyer presented the Topic. The hostess, Mrs. Wilken, served delicious refreshments at the close of the afternoon.

Birthday Honored

Mrs. Henry Wendt honored her husband with a birthday anniversary supper Sunday evening, having a few relatives in to help with the occasion.

Those present were Mr. and Mrs. Walter Koopp and Skip, Grandma Koopp, Mr. and Mrs. Kenneth Wilken, David and Eva, and Mr. and Mrs. Gerald Heimgartner and baby, the latter of Lewiston.

Escaped Injury

Mr. and Mrs. John Blankenship felt indeed fortunate that their son, Larry, and son-in-law, Bob Galloway were not injured in the explosion at the sugar mill in Moses Lake — as both are employed there.

Bob Galloway had gone after more tools — when his buddy was killed by falling debris!
