

## JULIAETTA DOINGS IN PAST WEEK

**MRS. ERVIN MABBOTT**  
Phone 8-2254

**California Vacationers**  
Ray Howard returned last Friday after a three-week vacation trip to California and Mexico. He spent part of the time at Palm Springs — where he enjoyed the weather very much.

Mr. and Mrs. Phil Johns and their daughter Mrs. Boyd Emmons, returned on Thursday from a week's trip to California, where they visited with relatives at Anaheim and Fullerton. They also visited Miss Carol Waddington at Fullerton.

### On Jury Duty

Ray Hudson, Ervin Mabbott and Loren Hoisington, the latter of Kendrick were on jury duty last week in Moscow. Ray and Loren are serving again this week.

### News Very Scarce

News this week seems to be about "as scarce as the proverbial hens teeth." Nobody seems to have done anything but go to the basketball tournament at Kendrick. Perhaps the inclement March weather has something to do with it — afraid to leave for fear of getting "snowed in!"

### Nazarene Church Is Host

The Juliaetta Church of the Nazarene was host to the Lewiston Zone for a Bible Quiz and "Teen Talent Rally Saturday evening. An enjoyable time of music, talent and Bible quizzing was had, with the Lewiston First Church of the Nazarene winning the quiz. Refreshments were served by the N. Y. P. S. of the local church.

The Foreign Missionary Society met at the home of Mrs. Rufus Fairfield on Thursday for a work day. Packages were prepared and sent to Africa. Delicious refreshments were served by the hostess.

### Other News

E/2 Mike Maund is home on a 10-day furlough from Fort Hood, Texas. He is visiting his grandmother, Mrs. John Maund, and other relatives here. He returns to Texas on Thursday, March 12. He is with the 18th Engineer Battalion, First Armored Division, Co. C.

Mr. and Mrs. Ted Peters, Carol and Paula were business visitors in Spokane on Saturday.

Mrs. Hazel Fuller of Orofino has been visiting in the J. M. Murray home this week.

Mrs. Akridge and son Harold of Nez Perce were Tuesday guests of Mr. and Mrs. Clarence Brown.

Mr. and Mrs. Vernon Grant and children of Troy were Sunday afternoon visitors in the J. M. Murray home.

Dale Candler was a week-end guest in the home of his parents, Mr. and Mrs. Lloyd Candler.

### Piece of Ancient Paper

While working on a "demolition job" on the old U. B. Church Arthur Johns came up with a considerable number of sheets of paper, 22x30 inches in size, printed only on one side, with an "apparent 1914" date, which Mr. Johns says he believes was intended to be a part of the Juliaetta Bulletin. It was known at that time as a "patent inside."

Of interest in the articles, headed "Idaho News Notes" appears the following:

"The county commissioners of Latah and Nez Perce counties met at Lewiston and opened bids for construction of two bridges to span Potlatch creek, one near Kendrick and the other near Juliaetta. The bids submitted for the Kendrick bridge was \$1,240, and for the one at Juliaetta \$5,940."

Sheriff Harry Lydon of Lewiston recently visited the Maduna ranch near Spalding, it having been reported to him that horses being pastured there were dying from starvation. The sheriff found 15 animals dead and three or four more dying, while the rest of the herd are living skeletons.

The sheriff's office at Moscow served notice upon the billboard hails that he would require them to comply with the statute which provides for the removing of all window shades, blinds and other obstructions to a plain view of the tables from the outside.

Under the heading "Smash 2 Aeroplane Records" appears the following:

San Diego, Calif — Smashing two American aeroplane records in a spectacular cross-country flight during which they covered approximately 246 miles in 272 minutes, Lt. T. F. Dodd and Sgt. Herbert Marcus of the First Aero Corps recently performed what Capt. Arthur S. Cowan commanding the army aviation camp termed the most finished flight that has ever been made in the United States, either by an army or civilian aviator. Not a single stop was made. Capt. Cowan said Lt. Dodd would be credited with both the American endurance and American non-stop records.

## TONSILLECTOMIES

Bradley and Traci Millard, children of Mr. and Mrs. Don Millard, underwent tonsillectomies at the Gritman Memorial Hospital in Moscow Friday morning. They were brought home on Saturday, and are recuperating satisfactorily.

## MASONS, STARS, ENJOY CRAB FEED

The annual crab feed, sponsored by the Masons, was held Saturday evening, and attended by some 110 Masons, their wives, O. E. S. members and guests from Genesee and Bovill.

Following the feed a delightful program was presented, consisting of songs by Mrs. Jack Lohman and Mrs. Burton Souder, Jr., and a reading by Helen Mielke.

## SOUTHWICK FOLK ARE BUSY ONES

BY MRS. DON CANTRIL  
PHONE 289-4685

### To Begin With

News is as "scarce as hens teeth!" Each day finds us with another inch or two of new snow, and most people prefer to be inside looking out!

### P. T. A. To Meet

Joint District P. T. A. will be held here at the Southwick School on Monday, March 16, at 8:00 p. m. Everyone try to come, as it is election night.

### Homemakers Club

The Southwick Homemakers Club will meet with Mrs. Rollin Armitage on Thursday, for an all-day session.

### Basketball Game

A basketball game was played at Cavendish Friday between the Southwick and Cavendish grade school children. Southwick's grades 1, 2 and 3 defeated the Cavendish grades 1, 2 and 3 by a score of 24 to 8. Then the Cavendish grades 4, 5 and 6 beat the Southwick grades 4, 5 and 6 by a score of 26 to 22. All the children played and found the game exciting and enjoyable.

Those attending from Southwick were Mrs. Verlin Benjamin, Mrs. Milton Benjamin, Mrs. Arlie Armitage and Mr. and Mrs. Charles Klatt.

### Other News

Mr. and Mrs. T. J. Armitage visited with Mr. and Mrs. Given Mustoe and Mr. and Mrs. Earl Whittinger at the Mustoe home Saturday evening.

Mr. and Mrs. T. J. Armitage were Kendrick visitors on Monday.

Mr. and Mrs. Wade Candler drove to Kamiah Sunday where they visited Mr. and Mrs. Ray Mendenhall. That evening they visited in the T. J. Armitage home here.

Mr. and Mrs. Carl Strohm of Genesee visited her parents, Mr. and Mrs. E. L. Baumgartner, Sunday.

## F. F. A. MEMBERS DO WELL IN CONTEST

The local F. F. A. members and their instructor, Douglas Christensen, Jr., attended a Regional F. F. A. meeting at Troy on Saturday. Other schools participating were Moscow, Lapwai, Genesee, Troy, Sandpoint, Plummer, Priest River and Bonners Ferry.

Placings in contests were as follows:

Crops — 1st, Kendrick; 2nd, Priest River and Bonners Ferry. High man was Bob Pratt, Kendrick. Kendrick team members were Bob Pratt, Fred Cope and John Farrington.

Meats Contests — 1st, Troy; 2nd, Kendrick; 3rd, Lapwai. Kenneth Heimgartner placed third for individual honors. The Kendrick team was composed of Kenneth Heimgartner, Gary Craig and John Swan.

Parliamentary Procedure — 1st, Moscow; 2nd, Lapwai; 3rd, Bonners Ferry; 4th, Kendrick. Kendrick team members were: Dean Brocke, president; John Farrington, secretary; Richard Wilson, Charles Lackey, Bruce Davis, Jerry Polunsky.

Other teams participating in this section were Sandpoint, Plummer and Genesee.

## KINDERGARTEN IS UNDERWAY

From the office of James V. Muscat, superintendent of schools, comes the following information:

On Monday morning of this week 25 pre-school children met at the Kendrick High school for their first day of kindergarten.

This annual six weeks kindergarten is in its 15th year. Mrs. Werner Brammer is serving her fourth year as instructor. She succeeded Mrs. Ben P. Cook, who taught the first eleven years. The project is sponsored by the P. T. A., and is most successful and gratifying to all who are interested in school children.

## PIONEER LOSES GRANDSON

Word was received here Monday that the Greg MacPherson, 10-year-old youth killed in a snow slide or avalanche near Pocatello Saturday, was a son of Mr. and Mrs. Jerry MacPherson, 37 Pounce Drive, Pocatello, and a grandson of Mr. and Mrs. O. E. MacPherson, pioneer residents of Kendrick. Mr. MacPherson was an employee of the Kendrick Gazette for many years prior to 1930, and also operated the Kendrick Theater. He will be remembered by many.

## GENESEE BULLDOGS WIN WHITEPINE TOURNAMENT

It was a week of basketball, basketball and more basketball at the big K. H. S. gym, the past week — but when the final referees whistle had died, Genesee was the victor — going the entire route without a loss. The Bulldogs now enter state championship play at Burley the latter part of this week.

### WEDNESDAY PLAY

Genesee 64, Kendrick 53  
Genesee moved past Kendrick 64 to 53 Wednesday evening to earn a final berth in the District 2 Class 4-A high school basketball tournament.

Ross Magnuson scored 28 points for the Tigers in the losing cause, as the Tigers lost to Genesee before an over-flowing audience estimated at 1,200. Genesee won on a balanced attack with five Bulldogs hitting for double figures. Jerry Linehan 14; Larry Vestal 13; Wade Hillman 13; Skip Ivie 12 and Russell Zenner 12.

Magnuson got 21 of his points in the first half, which ended 27-11. In the second half Vestal and Hillman teamed up to hold Magnuson to 7 points and the third stanza and to go scoreless in the fourth.

The score was tied 6-6 and 8-8 in the slow first quarter. Magnuson hit for 14 points and put Kendrick ahead 23-21. Genesee then pulled ahead 27-21 before goals by Tom Rowden and Magnuson produced the halftime tie.

Three quick baskets by Genesee then gave the Bulldogs a margin the Tigers could not overtake. Leading by 10 points at the half-way point in the fourth quarter Genesee went into a stall to seal the victory.

### Deary 57 — Troy 44

Ron Halseth scored 25 points to lead the Deary Mustangs to a 57-44 win over Troy's Trojans in the loser's bracket game. Troy came from behind to lead 24-22 at the half-time, but went cold in the second half. Gordon Strong led the Trojans with 16 points.

Deary built up a 14-8 lead in the first quarter, widening it by four free throws by Bill Elliott during a four-minute spread in which neither team made a field goal. Troy then caught fire on field goals by Hamilton and Strong, and tied the score at 22-22. Free throws by Dan McKenzie gave the Trojans their half-time margin.

Halseth scored three times on fast breaks as the third quarter opened and Elliott hit five more free throws in the quarter, and Deary led 40-35.

Troy made just one field goal in the first 5½ minutes of play in the final quarter, while Deary was building a 15-point lead. Troy closed the gap after reserves for both teams came in.

### THURSDAY'S PLAY

Deary 70 — Kendrick 62  
The Deary Mustangs defeated the Kendrick Tigers 70-62 here Thursday evening to gain the championship game of the District 2 4-A tournament.

Both teams showed nervousness in the early stages of the game and three minutes had passed before Eller of Deary opened the scoring on a gift toss. Kendrick didn't score until five minutes had gone by, but still led 11-6 at the end of the first quarter.

The score was tied three times in the second quarter before Kendrick took a 31-29 half-way lead. The teams each scored 18 points in the third quarter and the contest remained nip-and-tuck until Kendrick ran out of pep in the final minute and a half.

The Mustangs pulled away from a 62-62 tie in the final 90 seconds to eliminate Kendrick from championship consideration.

Ross Magnuson, who scored 28 points against Genesee on Wednesday, was kept well bottled up and garnered but 14 points, and 8 of these were on gift tosses.

Ron Halseth scored 24 points for the Mustangs and Eller finished with a total of 21.

### FRIDAY'S PLAY — TOURNAMENT ENDS

#### Genesee 67 — Deary 49

The Bulldogs of Genesee took command 22-16 in the first quarter of play and kept piling up the scores to win the District 2 4-A championship here Friday evening. Genesee thereby earned a trip to the state 4-A Tournament at Burley.

As play opened the contest went into a 2-all tie, and even though they never did catch up, the Mustangs stayed respectable close during the first half, trailing 22-16 at the quarter's end and 41-32 at the half.

Fatigue began to show on the Mustangs and the Bulldogs were in almost complete charge during the second half. Deary was able to hit but two field goals to Genesee's seven in the third quarter.

Linehan of the Bulldogs hit for 27 points, followed by teammates Skip Ivie with 14 and Hillman 13.

Ron Halseth hit for 24 for the Mustangs, followed by Eller with 9 and Elliott with 8.

#### Kendrick 63 — Elk River 50

Kendrick had little trouble with the tournament jittery Elk River team in the consolation game. They went ahead 16-8 in the first quarter and remained in command from that point on.

## POTLATCH DERBY DATE SET

The annual Potlatch River Derby has been turned over by the Kendrick Volunteer Firemen to the Boy Scouts for their use as a fund raising project. The date for its "running" will be Sunday, April 5, beginning at 1:00 p. m., when the big ball will be dropped into the river at the Potlatch river bridge just below the mouth of Cedar creek.

The Boy Scouts will begin their ticket selling on March 16th.

## PROGRAM SET FOR ANNUAL FARM INSTITUTE DAY

A varied and interesting program has been selected for the Kendrick Farm Institute Day on March 17th, at the Fraternal Temple, Kendrick.

The Kendrick Farm Institute Day is an annual event sponsored by the Kendrick Community Lions Club, who furnishes the free lunch at noon.

Stewart Bledsoe, Ellensburg, Wn., rancher, who toured Russia last year will report on Russia's agriculture. Mr. Bledsoe has made many public appearances since his Russian tour, and has received high acclaim on his presentation.

The program of the day follows:

10:00 a. m. Technicolor movie — "Making the Most of the Miracle."  
10:30 a. m. "Russian Agriculture" by Stewart Bledsoe, Ellensburg, Wn.  
11:30 a. m. "Your Social Security" by John Jennings, Social Security fieldman.

12:00 Noon — Free lunch  
1:15 p. m. "Alfalfa Weevil Threat" by Loren Kambitsch, Nez Perce County Agent

1:30 p. m. "Soil Testing" by Homer Futter, Latah County Agent

2:00 p. m. "Protein, Mineral and Vitamin Livestock Supplements" by Dr. John Baker, Animal Husbandry Dept., University of Idaho

2:30 p. m. "Russian Wheat Sale and the European Common Market" by Dr. William Polz, Agricultural Economics Dept., University of Idaho.

### Women's Department Program

Following the noon lunch the men and women divisions will hold separate meetings with the women's division in the Fire Hall. That program follows:

1:15 p. m. "Food Facts and Fads" by Mrs. Sydney Duncombe, dietician, Moscow.

2:00 p. m. "Fabric News for the Spring" by Mrs. Dorothy Halverson of Dorothy's Fabrics, Moscow.

## NEW PRICE LISTS LEAVE PRESS

The 1964 Brocke & Sons, Inc., seedsmen, price lists left the Gazette last week-end, and are now in the process of being mailed by the firm.

Perhaps a bit of statistics on them, dry as such subjects seem, may be in order. There were 12,000 of them, they required 250 pounds of paper and 3½ pounds of ink.

This year, they not only carry seed price lists, but details of various seed mixtures and chemical preparations for use on seed and in the ground — also figures on the growth of certain pasture grasses, etc.

Preparing such a list is a huge job — not to mention its folding, mailing, printing, etc.

This list of Brocke & Sons has been growing steadily over the years, as has the firm.

Kendrick was playing its fourth game in as many nights, but turned in a steady performance and took full advantage of the Elk River's inability to hit. Ron Pelton was the only Bobcat with much of a shooting eye, scoring 18 points.

Eldon Fry, a 6' 1" senior, roamed freely under the basket to lead the Tigers with 16 points. Ross Magnuson contributed 14. Fry scored seven of his eight field goals during the third quarter.

Both teams used seniors during the fourth period, giving them a last-gate finale to end their high school basketball careers.

### Trophies Presented

Wayne Anderson, assistant basketball coach at the University of Idaho presented championship and runner-up trophies to Genesee and Deary and the game ball to Kendrick for its consolation win.

### Almost Capacity Crowd

The games were watched by a crowd estimated at 1,100 — which meant standing room only, and was the fourth night of the five that the big gym had been filled to capacity. The smallest attendance was estimated at 850, and that on Thursday evening for the lone Kendrick-Deary battle.

### Biggest Tournament Ever

Tournament Manager James V. Muscat announced that there were 3,326 paid admissions to the Dist. 2 4-A basketball tournament held here last week. Total attendance was estimated at nearly 5,000, counting bands, majorettes, officials and participants connected with the five schools. He said this tournament proved to be the largest in the last three years.

## CITY FATHERS MULL SEWAGE DISPOSAL PROBLEM

Tuesday afternoon of last week, the Village Trustees met with the engineer on the proposed Kendrick Sewage Disposal plant or lagoon, as the case may be. The engineers submitted alternate plans, not only for the plant, but also for a lagoon type disposal system.

The session was a long one — and many sections of it merit a great deal of thought, says L. A. Wallace, Kendrick Mayor.

The plans will be studied further by the Trustees, and then a series of public meetings will be held to acquaint the entire community with the plans.

Here, for example, is one of the problems:

Using lagoon type disposal facility the new estimated cost will be \$121,000.00. Using the mechanical type disposal facility \$92,000.00. Of this \$121,000 there would be available a federal grant of \$34,500, leaving the village's share at \$86,500. On the mechanical facility the portion paid by the federal government would be \$27,500, leaving the village share at \$59,000.

Included in the costs of either project is:

Construction on Main Street for the handling of surface water in the amount of \$21,000.00.

Construction of new storm pickup sewers in alleys, \$21,000.00.

Substitute surface drainage on Main Street for underground sewers by the use of "V" gutters for street intersections, etc., \$11,500.00.

And, additions to domestic sewage collection system \$8,000.00.

To attempt to itemize and explain all the sections through the columns of this paper would be an all but impossible task — so will have to await the holding of public meetings.

Also, at this meeting, the Trustees set mid-May as the tentative date for the holding of another bond election. And it is hoped, this time, that with the greatly reduced costs of the project, and a more thorough understanding, local residents can, and will, vote this "must" project through.

## SCHOOL NEWS OF INTEREST TO ALL

### Physical Fitness Talk

Tuesday morning the National School Assemblies presented a speaker on "Physical Fitness" at the High School. Upper grades from the Southwick and Juliaetta elementary schools attended, as did the Kendrick Jr. and Sr. high schools. The speaker demonstrated many exercises of the Yoga and other varieties.

### Trustees Meet

Tuesday evening the regular trustees meeting was held at the high school. It reviewed and studied the forthcoming budget, and plans for purchasing a new school bus.

### Third Quarter Nears End

On Friday, March 13th, the third nine-weeks of school will come to an end. This marks the three-quarter point in the school term.

### Coming Events

The high school girls basketball team will meet the Lewiston girls at Lewiston, at 2:30 Friday afternoon.

Also on Friday the Speech class will go to Kamiah to sit in on a speech contest being held there.

Tuesday, March 17, the high school students will hear Stewart Bledsoe, stockman and rancher from Ellensburg, Wash., at a 1:30 Assembly. Mr. Bledsoe will speak on "Life in Russia."

## HARD TIMES PARTY ENJOYED

Mrs. W. A. Watts, Dr. and Mrs. D. A. Christensen and Mr. and Mrs. Herman Schupfer entertained at a "hardtime" 6:30 supper and pinocle party at the Schupfer home on Wednesday evening, Feb. 26.

Five tables of pinocle were in play. Guests were in costume, and there was more fun than cards played during the evening.

## APPRECIATION DAY

For the first time in a month a claimant was present for the Master Award at the Appreciation Day activities at Kendrick, and Arthur Johns of Kendrick was awarded \$128.00 at Kendrick Saturday afternoon.

Merchandise awards went to John Heath, Mrs. Byron Bowen, Tom Bain, and Mrs. Bruce May.

Next week's Master Award will be \$207.00.

## NEW ARRIVALS

### DENHAM

Mr. and Mrs. Merlin Denham (nee Kay Abrams) now of Portland, Ore., are the proud parents of a daughter, born to them Sunday, March 8, in a hospital in that city. No other details are available — but all concerned are rejoicing.

## LOCAL HAPPENINGS IN CAPSULE FORM

Mr. and Mrs. Lloyd Farrington and family were Saturday visitors in the home of Mrs. Rose Akins at Clarkston.

John and Elsie Darby visited Wednesday of last week with their brother and sister-in-law, Mr. and Mrs. Fred Darby at Moscow. Thursday Mr. and Mrs. Harold Pressman of Cream ridge were visitors in the Darby home.

Mr. and Mrs. George Rowden, Jr., and family of Pomeroy, and Mrs. George Rowden, Sr., of Clarkston, were week-end guests in the home of Mr. and Mrs. Marion Rowden and Tom.

Mr. and Mrs. Louis Maio of Priest River and Miss Rosalie Maio of the U. of I., Moscow, were week-end guests in the home of Mr. and Mrs. Ernest Freytag. They also visited in the Marion Rowden home.

Mr. and Mrs. Paul Lind were visitors Thursday in the home of Mr. and Mrs. Milton E. Lind and family in Lewiston.

Mr. and Mrs. Ronald Craig and family of Lewiston were week-end guests in the home of his parents, Mr. and Mrs. Oral Craig. Their son, Kenny, remained with his grandparents to attend kindergarten for the next six weeks.

Mrs. Pearl Long was guest of honor at a birthday dinner in the home of Mr. and Mrs. Marvin Long on Monday evening. Mrs. Anna Long was also a guest.

Mr. and Mrs. Ray Onstott, Lewiston, were Saturday visitors in the home of his parents, Mr. and Mrs. Manning Onstott.

Mr. and Mrs. Melvin Bain and Mr. and Mrs. Delbert Bain, all of Potlatch, were Sunday guests in the home of Mr. and Mrs. Tom Bain.

Mr. and Mrs. Gerald Custin and family of Headquarters were Saturday visitors in the home of her parents, Mr. and Mrs. Ben Westendorf.

Mrs. O. E. Havens, Bremerton, left Wednesday of last week following a visit in the home of her son-in-law and daughter, Mr. and Mrs. Frank Abrams. She is visiting in Walla Walla enroute home.

Mr. and Mrs. George Wilken were Sunday evening guests in the home of Mr. and Mrs. Henry Rell at Leland.

Mr. and Mrs. Ben P. Cook visited Saturday evening in the home of Mrs. Mabel Emmett at Genesee.

Mr. and Mrs. Ed. Brown visited Sunday afternoon in the home of their son-in-law and daughter, Mr. and Mrs. Don Jensen and daughters at Moscow.

Mr. and Mrs. Frank P. McCreary and daughters of Moscow were Sunday guests in the home of Mr. and Mrs. W. L. McCreary.

Mr. and Mrs. David Eldridge and daughter Jenny of W. S. U

## NEWS BRIEFS FROM AMERICAN RIDGE

BY MRS. GEORGE HAVENS  
Phone 4139

Mr. and Mrs. Dick Bencoter and daughters and Mr. and Mrs. Frankie Bencoter were Sunday dinner guests of Mr. and Mrs. Jim Kaylor at Peck.

Judy Bencoter and Sidney Erwin of the U. of I. were week-end guests of her parents, Mr. and Mrs. Walter Bencoter.

Mr. and Mrs. Edd Kent spent Friday night with Mr. and Mrs. Archie Morgan at Moscow.

Mr. and Mrs. Dick McCall and family of Lewiston were Saturday guests of her parents, Mr. and Mrs. Walter Bencoter.

Doug. Armitage, Southwick, spent Saturday with Mr. and Mrs. Frankie Bencoter.

Charles Havens and Dennis Brow- left of Clarkston spent a week ago Saturday night with Mr. and Mrs. Larry Langdon in Seattle. They had attended a Teachers meeting in Olympia.

Sunday dinner guests of Mr. and Mrs. Walter Bencoter were Mr. and Mrs. Frank Hoisington and sons of Big Bear ridge; Mr. and Mrs. Arlie Armitage and family, Southwick, and Mrs. Tom Green and family of Lewiston.

Ira H. Havens flew to Phoenix, Ariz., and will drive home a car for A. L. Grover from that city. Mrs. Grover, recently hospitalized, arrived in Lewiston a couple of days ago.

Mr. and Mrs. Ernest Andrews spent the week of Feb. 25th with Mr. and Mrs. Walter Bigham in Coeur d'Alene.

Mr. and Mrs. Dave Crocker and family of Moscow were week-end guests of Mr. and Mrs. Ernest Andrews. On Sunday they were joined by Mr. and Mrs. Sheldon Hill of Lewiston; Mr. and Mrs. Byron Rus- sel and family, Glenda, Bud and Jeff of Clarkston, and Evelyn Andrews of L-C. N. S., Lewiston.

Sherry Schmidt, Leland, was a Sunday afternoon caller in the Ernest Andrews home.

Charles Havens and Patricia Mielke, both of Clarkston, were Sunday dinner guests of Mr. and Mrs. Geo. Havens.

Mrs. Walter Bencoter was a Mos- cow visitor on Wednesday.

Mr. and Mrs. Ira W. Havens of Juliaetta were Monday afternoon callers in the Geo. Havens home.

Mr. and Mrs. Warney May and family were Saturday guests of Mr. and Mrs. Warney May, Sr., in Lew- iston.

## BIG BEAR RIDGE

BY HAPPY HOME OF UR

Diane Ingle and Jeff Hoisington were among the children entering kindergarten Monday morning.

Thursday afternoon visitors of Mr. and Mrs. Cecil Dean were Mr. and Mrs. Grant Clemenhagen.

Mr. and Mrs. Gerald Ingle were in Moscow Wednesday evening to attend a meeting of the Latah Coun- ty Chambers of Commerce.

Mr. and Mrs. Jerry J. Ingle and children were Sunday dinner guests of her mother, Mrs. Olga Nelson, at Deary.

Mr. and Mrs. Charles Bower and Mrs. Anna Bower were in Moscow last Monday and again Friday after- noon. Mr. Bower attended Soil Con- servation meetings.

Mrs. Frank Hoisington and sons were Lewiston visitors on Friday.

Mr. and Mrs. Frank Hoisington and sons were Sunday dinner guests of her parents, Mr. and Mrs. Walter Bencoter on American ridge.

Mr. and Mrs. Cecil Chamberlain drove to Moscow and met friends Sunday afternoon — all spent the time bowling.

Mrs. Ida Ruby and daughter Betty Jean of Deary were Sunday after- noon and evening visitors of Mr. and Mrs. Grant Clemenhagen.

This ridge was very well rep- resented at the District 2 basketball tournament in Kendrick, every evening of last week.

Mr. and Mrs. Eddie Galloway were Saturday supper and evening guests of his parents, Mr. and Mrs. Ed Gal- loway at Juliaetta. The occasion was Mr. Galloway, Sr.'s birthday anniversary.

Mr. and Mrs. Wayne Arnett of Ce- dar ridge were Monday afternoon visitors of Mr. and Mrs. Cecil Dean.

Mr. and Mrs. A. C. Wilson spent Sunday and Monday in Spokane visiting his mother, Mrs. Susan Wil- son, and brother Sidney Wilson. They also attended the "Grand Ol' Opry" while there.

It's taking a long time for spring to "get around the corner" on this ridge. We still have a foot and a half to two feet of snow — with a little more being added each day!

## OCCASIONALLY A LOGGING TRUCK

With present severe load restric- tions, plus deep snow in the back country, it is only now and then that a logging truck may be seen going through Kendrick, and its load is generally pretty small.

Joe Muths, who with his brother Ray logs near the Neva Hill area — said Monday that the snow was deeper there now than it was three weeks ago — and still coming!

According to official weather bu-reau reports this section of the Pa- cific Northwest has had the greatest fall of snow since the winter of 1950 — and that we believe!

## AT CONFERENCE

Janet Westendahl returned home from Seattle by train on Monday, where she had attended a Race Re- lations Conference, sponsored by the United Christian Youth Movement.

Delegates at the conference stayed in Negro homes while in Seattle. Janet will discuss her experiences at the M. Y. F. meeting in Juliaetta next Sunday evening.

## FIX RIDGE ITEMS

BY MRS. ADOLPH DENNLER  
Phone 8-8742

The Fix Ridge Club will meet on Thursday, March 12, at 1:30 p. m. in the home of Mrs. Tom Dennler.

Mr. and Mrs. Walter Dennler re- turned home Tuesday evening, after vacationing in California for the past three weeks. Places of interest they visited included Death Valley, Park, Scotties \$2 million Castle, Knott's Berry Farm, took a guided tour of Los Angeles, Santa Monica, Hollywood, Beverly Hills and the Will Rogers State Park.

At Marine- land they watched CBS film the Bev- erly Hillbillies TV show. Among early friends and relatives visited were their son Bob at China Lake; their daughter Judy at Garden Grove; Mr. and Mrs. Bill Dennler at Ingwood; and Mrs. Carl Giese and family at Temple City; Alfred Giese at Orange; Mr. and Mrs. John Hauser, Bellflower; Jim Lyberger and fam- ily at Davis; the Klentworth family at Pasa Robles, and Mr. and Mrs. Herman Dennler at Lovelock, Nev.

Mr. and Mrs. Adolph Dennler and Debby were Thursday evening guests of Mrs. John Chapman and Mrs. An- nie Weaver at Lewiston.

Mrs. Tom Dennler visited from Tuesday to Friday with her father, Ben Cummings and sisters Burneda and Ethel Lyberger. On Friday they returned home with Mrs. Dennler to spend the week-end. Burneda Cum- mings and Mrs. Lyberger were Sun- day dinner guests of Mr. and Mrs. Dale Laird in Clarkston. That even- ing Mrs. Lyberger left to return to her home in Davis, Calif.

Mr. and Mrs. Walter Dennler were Sunday dinner guests of Mrs. John Schwarz and sons at Cameron.

Mrs. Adolph Dennler and Debby, and Mrs. Walter Dennler visited Sat- urday afternoon with Mrs. Tom Den- nler, Burneda Cummings and Mrs. Lyberger.

Mr. and Mrs. Walter Dennler and Tom Dennler visited Friday with Mrs. Kuni Dennler at Lewiston.

## GOLDEN RULE

BY ALMA BETTS

The yearly Farm Institute, held at the Teakean Evergreen Grange Hall on Tuesday was quite well at- tended. Those who did not attend missed a very interesting and edu- cational day.

The new dining addition on the hall and the remodeled kitchen were put to good use, and certainly pre- sent a very fine appearance. Those who worked to hard and faithfully on the project can certainly be proud of it, and deserve a real vote of Thanks.

Other News  
Darwin Tarry took William Kau- der to Lewiston Wednesday for a check-up with an optometrist.

Alma Betts called on Mrs. Cora Jennings, Wednesday.

Mrs. Don Hines entertained the Southwick Missionary Society on Wednesday.

The Cecil Brammer family of Cream ridge called on the Albert Lawrence family, Sunday.

Mr. and Mrs. Pat Holliday of Lew- iston spent Sunday with her parents, Mr. and Mrs. D. V. Kuykendall.

Mr. and Mrs. George Finke and her mother, Mrs. Chas. Baack drove to Spokane Wednesday to visit with friends and relatives. Mr. and Mrs. Finke spent Thursday and Friday with Mr. and Mrs. Eugene Betts at Coeur d'Alene. Mr. Finke and Mrs. Baack returned home on Saturday but Mrs. Finke stayed to visit with her cousin, Mrs. Woodelman, for the remainder of the week.

The Albert Lawrence family spent Monday evening with Alma Betts.

Albert Lawrence was an Orofino and Kendrick business visitor on Monday.

Mr. and Mrs. Don Hines and Car- rol were Spokane visitors last Mon- day.

Mrs. Ida Ruby and daughter Betty Jean of Deary were Sunday after- noon and evening visitors of Mr. and Mrs. Grant Clemenhagen.

Mrs. Ida Ruby and daughter Betty Jean of Deary were Sunday after- noon and evening visitors of Mr. and Mrs. Grant Clemenhagen.

This ridge was very well rep- resented at the District 2 basketball tournament in Kendrick, every evening of last week.

Mr. and Mrs. Eddie Galloway were Saturday supper and evening guests of his parents, Mr. and Mrs. Ed Gal- loway at Juliaetta. The occasion was Mr. Galloway, Sr.'s birthday anniversary.

Mr. and Mrs. Wayne Arnett of Ce- dar ridge were Monday afternoon visitors of Mr. and Mrs. Cecil Dean.

Mr. and Mrs. A. C. Wilson spent Sunday and Monday in Spokane visiting his mother, Mrs. Susan Wil- son, and brother Sidney Wilson. They also attended the "Grand Ol' Opry" while there.

It's taking a long time for spring to "get around the corner" on this ridge. We still have a foot and a half to two feet of snow — with a little more being added each day!

**TRAILBLAZERS TO BE BANQUET GUESTS**

Spokane—Sixteen active and thirteen retired employees of the Washington Water Power Company's Palouse division will be honored at the firm's 26th annual "Trailblazers" banquet to be held Saturday, March 14, in Spokane.

John Murray, Palouse division manager, said that the annual affair honors employees with 20 or more years of service with the pioneer electric utility. The event this

year commemorates the 75th anniversary of the founding of W. W. P., March 13, 1889.

"We didn't plan it that way," said Murray, "but it seems quite fitting that a total of 75 service pins will be awarded to employees on this 75th anniversary."

Four employees will enter "Trailblazer" ranks to receive 20-year pins, bringing the total number of W. W. P. employes "Trailblazers" to 479 men and women.

Murray said his firm was proud of the fact that 247 active employes have been with the company from 20 to 44 years. This is approximately 25 percent of the total number employed by the utility.

Palouse division employes who are members of the "Trailblazers" include Gustav Blum, Jack Bevins, Kenneth Anderson and Floyd Ochs.

Retired employes who also have been invited to the annual event include H. C. Schupfer, Kendrick and Eben Adams, Moscow.

Murray noted that the "Trailblazer" organization has, within its ranks, 27 women employes, 12 of whom are still actively employed, with service records ranging from 23 to 44 years with the company.

George M. Brunzell, W. W. P. Co. president, will be master of ceremonies at the banquet, and will present service pins to eligible em-

ployes.

The banquet is set to start at 6:30 p. m. in the Marie Antoinette room of the Davenport Hotel in Spokane. A big program of entertainment is planned for the event.

**NEW STEELHEAD REGULATIONS**

Lewiston — Because there has been some confusion locally regarding salmon and steelhead fishing closures, the Idaho Fish and Game department issued a clarification on what specific waters are open. A recent special order by the commission closing all tributaries of the main Clearwater river to salmon and steelhead fishing to protect spawners is the only change to the 1964 printed regulations that area fishermen should be aware of.

The special salmon and steelhead closure affected only the tributaries of the main Clearwater river from its mouth to the mouth of the South Fork at Kooskia. All other seasons and permanent closures remain as listed in the printed regulations. To further simplify the matter, those waters currently open to fishing for salmon and steelhead are: The main stems of the main Clearwater, the North Fork, Middle Fork, Lochsa and Selway rivers. These waters will close to salmon and steelhead fishing on March 31, and will reopen on September 15. All other tributaries of the Clearwater, including the South Fork, are closed the entire year to the taking of adult salmon and steelhead.

### TYPICAL MARCH WEATHER

Local weather the past week can be fully and accurately described in just two words: "March like!" There has been rain, snow, wind—and then a duplication of the above—time after time! Truly nothing could be more "March like" than that. Thursday morning of last week snow began falling here in the canyon, which later turned to rain—but on top the hills it was a real blizzard. Friday was a repetition with the exception that the storm arrived in the evening. Saturday was a "car-

bon copy" of Friday. Sunday was a damp, cheerless day, with intermittent snow and rain—but on the hills new snow fell to a reported depth of five inches! In the "far back country" loggers say there is now more snow than there was three weeks ago. At night the thermometer has been dropping to just below the freezing point, and climbing during the day to the mid-40's. The Potlatch river is about normal for this time of year, but surprisingly enough, is running quite clear. With the amount of snow now lying in the back country, a few warm days and a few days of rain might give Kendrick a chance to test out the new dike!

The general meeting of the Kendrick W. S. C. S. will be held this Thursday at 9:45 a. m. in the Kendrick Community Church. The "Spiritual Life Committee" composed of Mrs. F. C. Schmidt, Mrs. Robert Magnuson and Mrs. David Braun will have the program, "The Cross and the Resurrection." Hostesses are Mrs. Andy Cox and Mrs. Ben P. Cook.

## BLAZING TRAILS OF PROGRESS FOR SEVENTY-FIVE YEARS

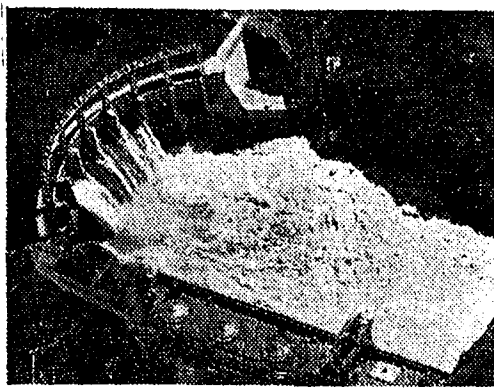

There is another candle on our cake, the seventy-fifth. March '89, ten brave individuals organized a little electric company in Spokane, called it The Washington Water Power. Although equipment in those days was crude and unreliable, electricity was soon pushing out the kerosene lamps and candles.

WWP crews soon went to work extending service into the rural areas, building the world's longest transmission line and hydro-electric dams. For 75 years this restless spirit of progress has never slackened. The WWP Cabinet Gorge and Noxon Rapids Dams, natural gas expansion to 21 communities, and a vigorous program of area development are modern WWP trailblazing. This company is participating with 125 other investor-owned utilities on research projects to produce electricity through atomic energy.

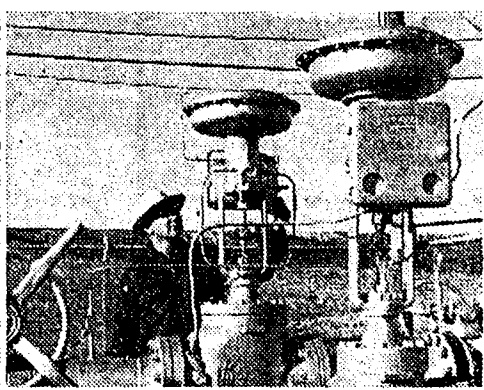

On our "Diamond Jubilee," we salute the early day "Trailblazers." The modern WWP Trailblazers carry on their spirit of "Good citizenship and better service to the communities of this area."

IMPLANT IN BODY KEEPS HEART BEAT

Boise - "Talk about the proverbial new lease on life... the man or woman with a pacemaker has got it," says Dr. Ben E. Katz of Twin Falls, president of the Idaho Heart Association. More than 3,000 Americans are alive today with hearts that beat to the pulse of electric batteries. Some of them are Idahoans.

There are men, women and in a few cases, children who have been given artificial heart pacemakers because their own heartbeats are undependable. For them the margin between life and death is stored in a package of small mercury batteries, points out Dr. Katz.

The pacemaker is an electronic assembly implanted in the body which keeps the heart ticking at the fixed and absolute rate of 62 times per minute.

Slightly smaller than a package of cigarettes, to which is connected two long lead wires enclosed in a silicone rubber sleeve describes the pacemaker. There is also a second and shorter extension lead containing three wires and a resistor which would serve as a spare in the event of a failure of the main electrode path.

The batteries in the unit are good for about five years, at which time a new power unit can be implanted in the same spot in the abdomen through minor surgery.

It was only about three years ago that a human patient was first given a totally implanted pacemaker. Most of the 3,000 that have been implanted have been within the last two years. George Dollemore of Lewiston was one of the first in Idaho to undergo pacemaker implant more than two years ago.

The pacemaker will not permit its owner to run any races of climb too high a mountain, but it does permit the individual to conduct his daily activities. In fact, Dollemore has given his pacemaker a real workout. He has undergone successful surgery for bleeding ulcers since its installation.

Mrs. June McLean of Burley suffered for years from a heart defect caused by rheumatic fever. In 1953 she was told that her heart could never be operated on. Four years later the answer was the same. However, with advances in heart research in August of 1962, she was able to have an operation - a pacemaker implant. Her hospital stay was only 21 days.

Heart Fund dollars are invested in research every year by the Idaho Heart Association. The importance of this is paying dividends every day. Many people were not at home when the volunteer called, and the "Heart" envelope may have been overlooked. If so, it can be mailed today in care of "Postmaster."

STONY POINT ITEMS

BY MRS. GLEN STEVENS, Phone 288-2532

The Friendship Club met Thursday with Mrs. Darrel Kerby, and quilted small quilts for Mrs. Kenneth Himple and Mrs. Newt Heath. Mrs. Linda Talbott Steigers, a June graduating senior at the University of Idaho, recently was awarded her membership in Phi Cappa Phi, national scholastic honorary. Mrs. Steigers is a granddaughter of the late Clarence E. (Carney) Talbott, Moscow and Craigmont pioneer, who passed away last Thursday. Mr. and Mrs. Kenneth Steigers drove by truck to Huson, Mont., Friday for the week-end. They reported that the roads were good.

Several members of this community attended the pot-luck dinner at the Cottonwood Creek Community Church, Sunday. New built-ins and a sink, installed last week, were used and much admired. Eugene and Roy Heimgartner, Rev. Kenneth Himple and Ralph and LeRoy Steigers have been working on the church kitchen. Mrs. Lillian Maund and Pvt. Michael Maund, who is home on furlough, were Sunday afternoon callers in the Ernest Steigers and Les Maguire homes.

Mrs. Wayne Heimgartner and Mrs. Lily McCall left Sunday evening for Othello, Wash., where they planned to visit Mrs. John Surbaugh, who recently underwent surgery.

ORDINANCE NO. 124

AN ORDINANCE TO BE KNOWN AS THE "WATER RATE ORDINANCE OF THE VILLAGE OF JULIAETTA, IDAHO," PERTAINING TO THE USE OF WATER FROM THE VILLAGE WATER SYSTEM AND THE RATES THEREFOR; FIXING WATER RATES AND RENTALS; PROVIDING FOR DEPOSITS, RATES, RENTALS SERVICE CHARGES, DUTIES, COLLECTION OF RENTALS AND CHARGES, DELINQUENCIES, WATER METERS, REPAIRS AND REPLACEMENT OF WATER METERS, DUTIES, CUTTING OFF OF WATER, LIABILITIES, APPLICATIONS FOR WATER AND DEFINITIONS; MAKING PROVISION FOR CONFLICTING ORDINANCES; AND PROVIDING FOR THE EFFECTIVE DATE OF THIS ORDINANCE. BE IT ORDAINED BY THE BOARD OF TRUSTEES, AND CHAIRMAN THEREOF, OF THE VILLAGE OF JULIAETTA, IDAHO:

Section 1. Every person desiring to use water from the Village Water System must, before using such water, make application to the Village Treasurer for permission to use such water. Such application shall describe the property to be served, purpose for which the water is required and designate the location of the desired tap.

Section 2. No water from the Village Water System shall be supplied to or used at any premises except through a water meter installed by the Village on, at or near the premises to which the water is supplied. The Village shall furnish and install the water meter at the expense of the water user. Such installation expense shall be paid by the applicant to the Village Treasurer prior to the time water is supplied to the water user's premises.

Section 3. Each residence, business establishment or other premises to which water is supplied by the Village must have a separate water connection directly to the main, together with a separate water meter, excepting, however, those buildings used principally for offices or apartments where the property owner furnishes the water used by the tenants.

Section 4. The Village shall repair and replace all defective meters without cost to the water users except in those instances where the meter is damaged by reason of the negligence of the water user, or by reason of the defective condition of the plumbing at the premises of the water user, or by reason of the backing up of hot water from the premises of the water user. Where the water meter is damaged by reason of the negligence of the water user, or by reason of the defective condition of the plumbing at the premises of the water user, or by reason of the backing up of hot water from the premises of the water user, the water user shall pay the cost of the repair or replacement of the damaged water meter.

Section 5. Whenever it shall be the obligation of the water user to pay the cost of the replacement or repair of any water meter, the water user shall pay the cost of such replacement or repair, as the case may be, to the Village Treasurer. The Water Commissioner shall have the right to require the water user to pay such cost of replacement or repair before the replacement or repair, as the case may be, is made. If the water user shall fail to pay the cost of replacement or repair within three (3) days after demand for payment is made by the Water Commissioner on the water user, the Water Commissioner shall cause the water of such water user to be cut off.

Section 6. Each water user shall at the time of making application to have water from the Village Water System supplied to any premises deposit with the Village Treasurer the sum of Seven Dollars (\$7.00) for each premises to which water is to be supplied, and shall at all times water is being supplied by the Village to such premises maintain such deposit. The Village Treasurer is authorized to use such deposit for the full and faithful payment of delinquent water rentals and charges.

Section 7. Any deposit made under the terms of Paragraph 6 above shall be returned to the user upon discontinuance of his use of water from the Village Water System upon a showing to the Village Treasurer that all arrearages for water rents and other indebtedness of the user to the Village for water meter installation, repair, and use have been paid in full, and such deposits shall not otherwise be returned. A water user shall not, however, be entitled to return of any portion of a deposit until the Water Commissioner has been notified in writing by the water user that the water user desires to discontinue the use of water from the Village Water System. Water rents at the rates specified in this ordinance shall be charged to each water user until the water user notifies the Water Commissioner in writing of the desire of such water user to discontinue the use of water from the Village Water System. Such notice shall set forth that the water user desires to discontinue the use of water from the Village Water System at the premises on which the water is being supplied and that the water user desires that the water to such premises be cut off. Water users whose water is cut off under Sections 6 or 10 of this ordinance shall not be entitled to return of any portion of such water user's deposit. The deposit of any water user whose water is cut off under Sections 4 or 10 of this ordinance shall be retained by the Village as a delinquency and service charge.

Section 8. The minimum rate for water supplied through a water meter shall be Three Dollars and Fifty Cents (\$3.50) per each calendar month. The minimum rate paid shall entitle the water user to use up to six thousand (6000) gallons of water per calendar month. The rate for water supplied through a water meter in excess of six thousand (6000) gallons per calendar month shall be twenty-five (25) cents per each one thousand (1000) gallons, or portion thereof, supplied per calendar month. The term "calendar month" shall mean any calendar month or portion thereof during which water is supplied to the user.

Section 9. The minimum monthly water rent shall be due and payable monthly in advance to the Village between the first and fifteenth day of each calendar month. The water rent for water used in excess of six thousand (6000) gallons during any calendar month shall be due and payable to the Village between the first and fifteenth day of the next succeeding calendar month.

Section 10. On the fifteenth day of each calendar month the Village Clerk shall make up a delinquent customer roll listing the names of the customers who are delinquent in the payment of water rents and the amount of the delinquencies. The Village Clerk shall within five (5) days after the making of such delinquent custom roll, mail a notice of delinquency by United States mail, postage prepaid to each delinquent customer at the address of such customer shown on the Village water records. If the delinquent customer does not pay the delinquent water rents by the fifth (5th) day of the next succeeding calendar month, the Water Commissioner shall cause the water of such delinquent customer to be cut off, and water shall not again be supplied by the Village to the premises to which water was being supplied until cut off until Section 11 of this ordinance is complied with.

Section 11. Whenever water to any premises shall be cut off under Section 4 or 10 of this ordinance, water shall not again be supplied to such premises until a new application is made to have the Village supply water to such premises under Section 1 above, and until the applicant has deposited the sum of Seven Dollars (\$7.00) with the Village Treasurer under Section 6 of this ordinance; and if it is necessary to install a water meter at the premises, the applicant shall pay the cost of the water meter together with the cost of the installation thereof under Section 2 above. The applicant, whether he be the former user, a new user, or otherwise, shall not be entitled to any credit for any unused portion of the deposit made by the user whose water was cut off.

Section 12. The Village shall not be held liable under any circumstances for a deficiency or failure of water, whether by the shutting off of the water to make repairs or connections, or for any cause whatsoever.

Section 13. Each and every user of water from the Village water system by the use of such water consents and agrees to each and every term, provision and condition of this ordinance.

Section 14. No person or family, or other user, of water supplied by the Village shall have the right to be permitted to use the water except on the premises to which the water is supplied by the Village, nor shall such person, family, or other user, supply such water, or any other person, family, water user or premises, except that there water is supplied by the Village to any water user for use at any building used principally for offices or apartments, such water user shall be permitted to supply water to the tenants of such building.

Section 15. The Village shall have the right, at any time, to cut off water in the water main or mains for the purpose of making repairs or connections, or for any purpose whatsoever, without notice to any water user.

Section 16. In this ordinance, the word "Village" shall mean the Village of Juliaetta, Idaho, the words "Water Commissioner" shall mean the Water Commissioner of the Village of Juliaetta, Idaho, the words "Village Treasurer" shall mean the Treasurer of the Village of Juliaetta, Idaho, and the words "Village Water System" shall mean the water system of the Village of Juliaetta, Idaho.

Section 17. This ordinance shall be known as the "Water Rate Ordinance of the Village of Juliaetta, Idaho."

Section 18. This ordinance is not intended to and shall not repeal any ordinance or ordinances heretofore adopted by and in effect in the Village, but the provisions of this ordinance shall supercede those provisions of any such prior ordinance or ordinances of the Village which may be in conflict with the provisions of this ordinance.

Section 19. That this ordinance shall be in full force and effect from and after the date of its passage, approval and the first publication thereof.

PASSSED BY THE BOARD OF TRUSTEES, this 3rd day of March, 1964.

APPROVED BY THE CHAIRMAN OF THE BOARD OF TRUSTEES, this 3rd day of March, 1964.

EUGENE TAYLOR, Chairman of the Board of Trustees of the Village of Juliaetta, IDAHO (VILLAGE SEAL)

IRA W. HAVENS, Clerk of the Village of Juliaetta, IDAHO

The rule requiring three readings of the above and foregoing Ordinance No. 124 having been lawfully dispensed with, said ordinance was once read, passed, approved and attested by the proper village officers on this 3rd day of March, 1964.

IRA W. HAVENS, Clerk of the Village of Juliaetta, IDAHO (VILLAGE SEAL)

CERTIFICATE STATE OF IDAHO County of Latah ) ss. I, Ira W. Havens, the duly appointed, qualified and acting Clerk of the Village of Juliaetta, Idaho, do hereby certify that the above and foregoing instrument is a full, true and correct copy of Ordinance No. 124 of the Village of Juliaetta, Idaho, as the same is and remains on file and of record in the office of the Clerk of said Village; that the said ordinance was duly and regularly adopted by the Board of Trustees of the said Village, and ap-

proved by the Chairman of the Board of Trustees of said Village, at a meeting thereof duly called, convened and held on the 3rd day of March, 1964, at the City Hall of said Village, and that the said ordinance was duly and regularly published in full on the 12th day of March, 1964, in the Kendrick Gazette, a newspaper published at Kendrick, Idaho. WITNESS MY HAND AND THE SEAL OF SAID VILLAGE, this 3rd day of March, 1964.

IRA W. HAVENS, Clerk of the Village of Juliaetta, Idaho. First and only pub. March 12, 1964.

ALFALFA YIELDS CAN BE INCREASED

U. of I., Moscow - "Alfalfa hay yields have been substantially increased by fall plowing of broadcast lim applications in fields which are to be spring seeded to alfalfa," reports Roger Harder, soil scientist of the Idaho Agricultural Experiment station.

Over a four-year period experimental plots established in the forest soil areas of northern Idaho show that where seven tons of lime were applied prior to fall plowing, subsequent yields have been more than double the no-lime plots. The plots were established on areas where previous alfalfa crops were doing poorly.

The recent results appear to substantiate previous findings that lime will improve and in some cases eliminate the "sick" alfalfa problem in some of the forest soils of northern Idaho which have been cleared and put under cultivation. Since the rates of lime that are being used in this research would cost about \$140 per acre, Harder is investigating the possibilities of being able to obtain satisfactory lime response either by drilling it with the legume seed at planting time, or of obtaining a lower cost material. When drilled with the seed, as little as a 500 pound rate of lime is used at a cost of approximately \$5.00 per acre.

Plots were established last year, but no yield results have been obtained as yet. If the yields are as favorable when lime is placed in the row as when broadcast, then it may be economical to use lime on "sick" alfalfa land where tests show a lime response may be obtained.

BOOKMOBILE VISITS

The next regular Bookmobile visiting schedule will be as follows: Cameron, Southwick School; the Southwick, Stone, Leland and Kendrick, on Thursday, March 19. Juliaetta, near Post Office, and Juliaetta School the mornings of March 12 and 26.

SELF CONSCIOUS

"Hubby 'it's queer, but the biggest idiots always seem to be the most prettiest women.'" "Wife: "Oh, now, you're trying to flatter me!"

ANYTHING BUT

Diner Waitress: "Now what, Mac? Do you have something fresh to complain about this morning?" Truckee: "Not this time, Doll... it's my eggs!"

We feature Carnation Dairy Products at Blewett's Market.

The WEEKLY Handyman

THOR RESEARCH CENTER FOR BETTER FARM LIVING All youngsters enjoy desks of their own where they can do their homework and club projects and keep personal items. Yet their bedrooms frequently lack space for a full-size child's desk.

Here's a plan for an economical, easy-to-make wall desk designed with fold-up work surface, so the desk projects less than a foot from the wall when closed. We'll guarantee the do-it-yourself handyman who makes one or more of these desks for his youngsters will be king of the household!

A few cuts with the portable electric saw, drilling a few screw holes, bit of sanding, and you're ready for assembly of the wall desk, which has a recommended width of 2 feet and height of 1-1/2 feet. Top, bottom, and sides are 1-inch lumber. The back is perforated hardboard attached to a 1/2 by 1-inch framework, fastened to 1-inch lumber with glue and brads. The desk is held to the wall with long screws used with corner braces, attached to stud locations. Desk work surface or lid is hardboard framed with molding. A unique feature is that the front face of the desk lid can be made into a chalkboard by finishing it with a slating or blackboard paint. Under the inside top a fluorescent lighting fixture is mounted as a finishing touch. (We'll be glad to send you the plans for this children's wall desk, without charge, just write to the Thor Research Center, Aurora, Ill. and ask for Project No. AE-310.)

**Ladies Hold Work Day**  
Nineteen members, seven children and one visitor, Myrtle Schoeffler, gathered at the parsonage last Wednesday for an all-day work and business session, with the business meeting in the afternoon.

A delicious dinner was served at noon by Mrs. Douglas Christensen, Jr., Mrs. Walter Wolff and Mrs. Howard Wolf.

**Other News**  
Mr. and Mrs. Wilbert Brunsek were Wednesday supper and evening guests of Mr. and Mrs. Aug. Brammer.

Dallas Hepler returned to his home here last Friday, after spending from December 18th in California and Arizona, vacationing.

Mrs. Kenneth Wilken spent last Thursday afternoon with Mrs. James Whitinger, working on a quilt top for the Ladies Aid.

Mr. and Mrs. Gus Kruger visited Friday afternoon and evening with Mr. and Mrs. Harl Whitinger.

Mr. and Mrs. Ernest Brammer and Jolene spent Friday evening visiting with Mr. and Mrs. James Whitinger and daughters.

Mr. and Mrs. Harl Whitinger and Mr. and Mrs. Tom Armitage were Saturday evening visitors of Mr. and Mrs. Given Mustoe.

Mr. and Mrs. Stanley Hepler and Donnie spent Sunday at the Troy-Deary Gun Club. That evening they were supper guests of Mr. and Mrs. Dan McKenzie at Deary.

Ronnie Lohman of Lewiston spent the week-end here with his parents, Mr. and Mrs. Ervin Lohman.

Sunday dinner guests in the Albert Glenn home were Mr. and Mrs. Wilbert Brunsek and Mr. and Mrs. Eldon Glenn and family. The dinner honored Albert Glenn's and Mrs. Brunsek's birthday anniversaries.

Mr. and Mrs. Ernest Brammer and Jolene, Mr. and Mrs. James Whitinger and daughters, Mr. and Mrs. Walter Koepf and Mr. and Mrs. Kenneth Wilken and children all were bowling in Lewiston Sunday afternoon.

Mr. and Mrs. Walter Danner, Emma Hartung and Ida Stoneburner were Sunday dinner guests of Mrs. John Schwarz, Lawrence and Ernest.

Dr. and Mrs. Eugene A. Wegner and family of Seattle spent the week-end with his cousins, Mr. and Mrs. Glen Wegner and Jillian.

Mr. and Mrs. Roy Craig were Saturday supper and evening guests of Mr. and Mrs. Glen Wegner.

News is scarce, scarce, scarce! It seems as if all anyone did during the past week was attend the basketball tournament at Kendrick - or stay at home and watch the snowflakes fall!

**SHOW POSTPONED**

The Ridge Riders Saddle Club Talent Show, scheduled for Sunday, March 15, has been postponed until a later date. The regular meeting of the Club will be held this Thursday, March 12.

**EVERGREEN CLUB**

The Evergreen Friendship Club will meet on Wednesday, March 18, at 1:30 p. m. in the home of Mrs. Kirk Wilson. Mrs. Arthur Foster will be co-hostess.

**CEDAR RIDGE AND LINDEN**

By MRS. ROBERT PRAIT  
Phone 5938

Mr. and Mrs. Arne Cuddy, Southwick, and Mr. and Mrs. Charles Cuddy and children of Orofino were Saturday evening dinner guests of Mr. and Mrs. Alva Craig and family. The occasion honored the third birthday anniversary of Jackie Cuddy.

Mrs. Vina Schlehner and Bruce of Deary were Saturday evening guests of Mr. and Mrs. Dan Kechter and family.

Mr. and Mrs. Wayne Wright were Sunday guests of Mr. and Mrs. Don Wright and family at Craigmont. They remained over-night Sunday, returning home on Monday.

Mr. and Mrs. Ernest Grim visited at Lewiston Friday with Mr. and Mrs. Melvin Lockridge.

Mr. and Mrs. Harley Perryman and Gene were Sunday dinner guests of Mr. and Mrs. Ed. Galloway at Juliaetta.

Mrs. Dick Parsley and John Shepherd, the latter of Lewiston, were honored on their joint birthday anniversary at a dinner Wednesday evening in the Jack Shepherd home at Clarkston. Mr. Parsley, Mrs. Shepherd and the Shepherd children completed the group.

Mr. and Mrs. Chas. Candler, Lewiston, were week-end guests of Mr. and Mrs. Jack Parsley and children. Saturday evening Mr. and Mrs. Dick Parsley joined them at a dinner honoring the birthday anniversary of Mrs. Dick Parsley.

Mr. and Mrs. Robert Pratt and family visited Saturday in the home of his parents, Mr. and Mrs. Paul Besly, Lewiston, with his sister, Mrs. Martin Albers, Aurora, Oregon.

Mr. and Mrs. Marion Souders, Mr. and Mrs. Ernest Cowger, Mr. and Mrs. Robert Pratt, Mrs. Lloyd Kimbley and Gene, and Mrs. Anna Baker attended the basketball games at Cavendish on Friday.

Bob Pratt and Gary Craig attended the P. F. A. judging contests at Troy, Saturday.

**Cedar Ridge 4-H Club**

The Cedar Ridge 4-H Club met on Friday after school at the James Holt home. Charles Lyons gave a demonstration on "How to Handle a Revolver and Automatic Pistol" in Forestry and Recreation projects. The meeting was then adjourned. Clifford Grinolds, reporter.

**Southwick School News**

The Southwick Primary grades defeated the Cavendish Primary grades 24-8 at a basketball game at the Cavendish School Friday afternoon.

In a second game the Cavendish Intermediates defeated the Southwick Intermediates 26-22 in a hard-fought cleanly played contest. Mr. Woods coached the Cavendish teams and Tom King the Southwick teams. Wally and Harry Newman were the officials.

Cavendish will come to the Southwick School on Friday afternoon for return contests.
