Mix-All means uniform feedmaking! ... and now, GEHL adds 13 new features

Ask any one of the more than 15,000 Mix-All owners why he chose a Gehl. Chances are, one of the big

reasons is uniform grinding and mixing.
Uniform, because ingredients are cut (not pounded) by 66 thin, reversible, steel hammers. The big 507 sq. in. grinding surface produces faster grinding, too . . . and low power requirements. Because all milled ingredients are of uniform size, they mix more thoroughly with concentrates in the 2-ton hopper.

NEW FEATURES ADD VERSATILITY

Now, 13 new Mix-All features make this uniform feedmaking easier than ever. A new auger feeder drive lets you load ingredients at hundreds of speeds to fit any crop. A high-speed unloading transmission empties the 2-ton hopper in only 5 minutes. And, the concentrate hopper has a new unmatched capacity, the tank is calibrated . . . plus 9 other new and useful features.

See them all. Stop in soon and ask us to prove with a demonstration that the Gehl Mix-All is your best feedmaker buy.

It's a Way of Life

And today's average family uses the "Budget System" for everyday living — perhaps they would like it to be otherwise — but the satisfaction of paid bills and accounts means much! By being careful about the handling of money they can obtain for themselves some of the finer things they could not otherwise afford.

It's true that only a part of each dollar we spend puts actual goods and services into our hands. Whether we like it or not . . . some of that dollar goes toward the upbuilding and support of the community in which it is spent . . . to pay for schools and churches, roads and streets, police and fire protection, and the other social facilities that make up modern living — and to make stronger that community's economy.

So it's easy to see that "BUDGET WISE" the place to buy is in your home community — in Kendrick. Prices for goods and services compare with the lowest - yet you receive far more in the end through community benefits.

TRADE — AT HOME — IN KENDRICK — WHERE YOUR MONEY BENEFITS YOU MOST — BUDGETWISE AND COMMUNITYWISE!

We are prompted to sponsor the above advertisement through our desire to serve the best interests of our community in every way possible.

ABOUT VETERANS INSURANCE

Veterans holding permanent GL life insurance policies may borrow up to 94 percent of their policies' cash surrender value to meet financial emergencies, Loryn E. Kopan, Director of the Boise VA Center, said to-

day.

This action, while reducing the amount of protection, does leave the policy in force. On the other hand, if the policy is surrendered for cash, all protection under the insurance ceases and cannot be renewed nor reinstated, Kopan said.

OUR SHOP SERVICE
WILL SAVE YOU MONEY!

••••••••••••••••••

Your tractor and farm machines—you want them fixed in the shop of course, instead of in the field, where breakdowns and delays are expensive. Our shop service will put your farm equipment in tip-top running order, ahead of season. Pre-season servicing is the stitch in time that prevents costly field breakdowns and delays. Saves money, too.

Help us to help you! Call us now, or drop in and arrange a date for us to give your machines our topquality shop treatment.

You'll get an economical job, and an expert job-a job done by trained servicemen using the latest equipment and factory-approved methods.

Call us or see us at once for a date to put your equipment in shape ahead of season.
