Fifty-sixth Wedding Anniversary
Mr. and Mrs. G. C. Bowen spent their 56th Wedding Anniversary quietly at their home here, Sunday, Oct. 18th.

Visitors to wish them a happy anniversary were Mr. and Mrs. Willard Bowen and Burton, who presented them with a lovely bouquet of flowers and a planter.

Fire Extinguished

A grass fire, which burst out of control at the Albert Shove residence Monday afternoon, was extinguished with the help of volunteers.

Now At Home

Mrs. Clarence Brown returned to her home here last week, after spending some time at Moscow at the Latah County Nursing Home.

Silver Wedding Open House

All friends and relatives are reminded of the Silver Wedding Open House honoring Mr. and Mrs. Harvie Shepherd at their home in Potlatch, Sunday, October 23, between the hours of 2:00 and 5:00 p. m.

Glorious Fall Weather

Everyone in this community has been enjoying the glorious fall weather to the utmost. Most have been taking advantage of it to clean up their homes and yards in preparation for the winter months to come.

Despite the several frosty nights there are still some beautiful fall flowers to be seen.

Other News

Lura Nelson attended the Golden Wedding Anniversary Open House honoring Mr. and Mrs. Ed Choate in the Lewiston Orchards, Sunday.

Miss Nancy Rogers, Pullman, spent the week-end with Mr. and Mrs. Ed. Groseclose.

Mrs. Lizzie Mitchell and George Taylor of Lewiston, and Mrs. Ada Lipley, Klamath Falls, Oregon, were Sunday visitors of Mrs. Mable Westling.

Mr. and Mrs. Ervin Mabbott spent the week-end in Montana, visiting relatives and friends.

School Auction Sale

The Juliaetta School Auction Sale will be held Oct. 23 at 7:30 p. m. There will be a musical program under the direction of Rollo Bacon before the sale begins. There will also be a free film "Shaggy" and cartoons shown in the school cafeteria for all the children during the sale.

BIRD HUNTERS AND ANGLERS UNHAPPY

Almost without exception local bird hunters who took to the fields a week ago Saturday at noon, and again on Sunday reported "very poor luck" or "no luck at all." It is without question the consensus of opinion by local sportsmen that by the time the "dove season," "chuckar and partridge season" and "grouse season" come to an end there are no Chinese pheasants left — the poachers having decimated them.

Those taking to the Clearwater river that day for a day's relaxation and sport after steelhead were equally unhappy — they found that river, from Ahsanka to the junction with the Snake running a deep chocolate — in fact, one fisherman said, "it was so thick I think you could have walked on it. It's a cinch it was so thick you couldn't sink if you fell in."

The mud was flowing down the North Fork, evidently from clearing operations for the Dworshak Dam. Anyway, for both sportsmen, the beautiful weather meant little — no birds and no fish!

TRICK OR TREAT FOR 'UNICEF'

This Halloween, Oct. 31, at 5:00 p. m., the Juliaetta-Kendrick M. Y. F. will "Trick or Treat for UNICEF". One cent will buy five glasses of milk — so just think what a dollar will buy!

After collecting for "UNICEF" the M. Y. F. will hold its annual initiation of new members in the Juliaetta Methodist Church basement.

NEW ARRIVALS

SWANSON
A son was born on Tuesday, Oct. 13, to Mr. and Mrs. Raymond Swanson at the St. Joseph's Hospital in Lewiston. He weighed in at 7 lbs. and 12 oz., and has been named James Raymond.

STANDARD TIME RETURNS OCT. 25TH

All businesses, schools and churches in the area will be returning to Standard Time. On retiring Saturday night — just set your clock back an hour and enjoy that extra hour of sleep — it's one of the very few things that are free these days. Officially "Standard Time" returns for standard use as of Sunday, Oct. 25th.

FONDA SCHOEFFLER QUEEN AT K. H. S. HOMECOMING

Fonda Schoeffler, daughter of Mr. and Mrs. Willard Schoeffler, Southwick, was crowned Queen at the half-time ceremonies at the Kendrick-Troy game last Wednesday night. She is a senior. Her Princesses were Janet Schmidt, Nancy Hoisington and Marlene Enyeart. Co-captains Tom Rowden and Dale Silflow crowned her, with Dana Magnuson acting as Master of Ceremonies.

FONDA SCHOEFFLER

The Senior Class members of the football team given recognition were Jim Sumpter, Dean Brocke, Bill Fey, Charles Lackey, Jerry Polumsky, Rick Rogers, Tom Rowden, Dale Silflow, Richard Wilson and Darel Hazeltime.

JOINT DIST. NO. 283 P. T. A. MET MONDAY AT SOUTHWICK

The October meeting of Joint District No. 283 P. T. A. was held Monday evening at Southwick, with Charles Taylor, president, presiding. Rev. Gilliam gave the invocation. Mr. Bacon led the group in singing "Long, Long Ago," with Mrs. Bob Magnuson as accompanist.

It was voted to again sponsor the Cub Scout group.

Linda Swan, Kay Gilliam and Marlene Enyeart sang two numbers, after which Dr. Eric Kirkland from the University of Idaho, Physical Education Dept. showed a film entitled "They Grow Up Fast."

Dr. Kirkland then spoke about "Physical Fitness and Its Values." He cited examples of various types of activity which strengthen muscles and build up the capabilities of our body. He emphasized the need for a strong physical education program beginning in the lower grades, and suggested that the teachers and parents present a challenge for our young people to make them physically fit.

Charles Taylor, president, announced the coming Del Roby Show on Nov. 9th, the Senior Class play on Nov. 6th and the Juliaetta Elementary school auction on Oct. 23.

Mrs. Tarry's first three grades were awarded the new Toy Tiger for having the most parents present.

The meeting was then adjourned with the Gold Hill ladies serving delightful refreshments.

CUB SCOUTS

There will be an organizational meeting for Cub Scouts at the High School cafeteria on Monday, Oct. 26, at 7:30 p. m.

Only parents and other adults interested are asked to come to this meeting. Cub Scouts are eligible from their 8th birthday anniversary until their 11th.

A Lewiston Scout leader will be present.

CLOTHING DRIVE

In cooperation with the United Church Women of north Idaho and Washington, there will be a "Warm Clothing Drive." If you have warm, usable clothing you are willing to give, contact Mrs. Howard Hoffman. Articles from the rummage sale will also go into this drive. The final date for giving clothing is Oct. 24.

OUT OF HOSPITAL

John Allyn Arnett, infant son of Mr. and Mrs. Larry Arnett, was brought home from the Gritman Memorial Hospital at Moscow last Friday. Due to being born prematurely he was left in the hospital an extra week, and is doing nicely.

Poster Contest
The local chapter of the I. E. A. is sponsoring a poster contest for Junior and Senior high school students in observance of American Education Week. Three judges will pick the top posters which will be displayed here the week of Nov. 8 to Nov. 14. Prizes of \$3.00, \$2.00 and \$1.00 will go to the 1st, 2nd and 3rd place winners, respectively.

Attend Livestock Show
Gary Renfrow, Ken Heimgartner, Donnie Hepler, John Swan, Charles Lyons and Willie Groseclose, F. F. A. members and their instructor, Doug Christensen, went to Portland Friday to enter the Livestock Judging contest at the Pacific International Livestock Exposition. Although the boys did not place among the top teams, they gained valuable experience. They also visited Lloyd's Shopping Center, the Portland Zoo and the Bonneville Fish Hatcheries. The group returned home Sunday evening.

TROY TROJANS WIN OVER TIGERS 41-13

The Trojans of Troy scored twice in the second quarter to pull away to a 20-6 half-time lead to defeat the Kendrick Tigers 41 to 13 in a District 2 eight-man high school football league game here Wednesday under the lights.

Bob Brocke of the Trojans scored on a five-yard run and then added the conversion to get Troy off to the lead. Dean Brocke of the Tigers tallied on a 57-yard run for Kendrick but the conversion bid failed, and Troy remained in the lead.

Brocke of the Trojans tallied on an eight-yard run, converting again, and Craig Bohman scored from two yards out for the half-time 20-6 score.

Dean Brocke of the Tigers passed 50 yards to Dale Silflow late in the game for the second Kendrick tally, and Brocke added the extra point.

KEND. KANYON KLUB

The Kendrick Canyon Klub met last Wednesday afternoon in the home of Mrs. Harold Olderness, with Mrs. L. S. Thurber as co-hostess.

Potlatch is people

MEET WALT MALLORY of Kamiah. Walt joined Potlatch Forests, Inc. in 1940 following graduation from the University of Idaho with a BS in Forestry. His first job was Woods Camp Clerk at Headquarters. He's been with PFI ever since with the exception of four years service time during World War II when he was a 1st Lieutenant running convoys over the Burma Road.

HERE YOU SEE WALT standing beside the Continuous Lumber Tester (CLT-1) developed by Potlatch Forests, Inc. in cooperation with Industrial Sciences for Electro-mechanical Stress Rating (EMSR) of dimension lumber. This machine is at work at Kamiah where it automatically stress rates at high speed the precise strength of structural lumber to be used wherever known engineering values may be applied.

WALT MALLORY WAS BORN AND RAISED AT DEARY, IDAHO. He is the son of the late Leslie T. Mallory who was a Woods Foreman for PFI at Bovill from 1910 to his retirement in 1954. Walt became Cost Accountant and Office Manager at Potlatch, Idaho in 1946 and held that position for ten years. He became Chief Accountant at the Lewiston office in 1957 and during 1960 and 1961 was Production and Cost Analyst Lumber Division. Presently Walt is Unit Manager, Twin Feather Unit and is in charge of Woods and Mill Operations.

WALT HAS BEEN VERY ACTIVE in community affairs. While at Potlatch he was a member of the School Board and Secretary of the Latah County

Chamber of Commerce. He served as President of the Lewis-Clark Hoo Hoo Club, a Chapter of the International Lumbermen's Fraternal Organization which is responsible for promoting the observance of "NATIONAL FOREST PRODUCTS WEEK" which is observed Nationally by an act of Congress and Proclaimed by a Presidential Proclamation.

BOY SCOUT ENTHUSIAST, Walt has served as Lewis-Clark Council Vice President and member of the Executive Board and is presently the Chairman of the White Pine District of the Council. He is the Lewis County Vice President of the North Idaho Chamber of Commerce and Vice President of the Kamiah Youth Recreation Association. He received the Kamiah Jaycees "Outstanding Boss" award in January, 1964.

WALT IS HUNTER, FISHERMAN, CAMPER and enjoys spending time in the woods with his boys. He and wife Alice make their home in Kamiah with their two boys and a girl who are between the ages of 8 and 15.

WALT MALLORY IS PART OF A PLAN; a plan that treats timber as a crop, to be grown, protected and harvested when mature. A plan that involves building roads, communication and buildings. This is a plan that is made by people, carried out by people, financed by people and done in the best interest of people . . . people like Walt and you, and your neighbor.

SURE POTLATCH IS A LOT OF THINGS . . . but most of all, Potlatch is people.

SPECIAL LICENSE PLATE NUMBERS

Latah County Assessor Eugene Taylor announced this week that applications for reservation of special license numbers for 1965 are now being taken. First consideration for a number will be given the present holder until October 30. After that all unreserved numbers may be requested until Nov. 20. However, regardless of how long an individual has had the same number, re-application must be made. Numbers 1 through 12 will be given to state and county officials.

To reserve a number, application must be submitted to the assessor's office, accompanied by payment of the correct amount for the vehicle to be licensed, plus 50 cents mailing and handling fee for each set of plates. If a reservation has not been made previously, second and third choices should be listed.

Persons requesting more than one set of plates should be sure to designate which number is to go on which vehicle. It is not necessary to send in the registration slip if the vehicle has an up-to-date Latah county registration in the assessor's office. If the vehicle does not have an Idaho title or is not registered in this county, personal application must be made.

The schedule for fees is as follows: Passenger cars and pickups under 6,000 gross — 1963 through 1966,

\$17.50; 1961 through 1962, \$15.00; 1959 through 1960, \$12.50; 1957 through 1958, \$10.00; 1956 and older, \$7.50.

Special number for trucks to be registered at the over 6,000 pounds gross must apply in person at the assessor's office.

IDAHO LEADS IN SILVER PRODUCTION

Boise — Idaho continues its overwhelming lead as the nation's biggest producer of silver, producing practically as much as all the other silver-producing states combined, or the equivalent of about half of the United States production, Louise Shaddock, head of Idaho's Department of Commerce and Development, pointed out this week.

Latest United States government figures show Idaho's mine production of recoverable silver in 1963 as 18,710,725 Troy ounces, while the other 17 states reported for the same year produced 18,631,275. Total U. S. production was 35,242,000 Troy ounces, which was 4 percent below that of 1962.

However, the value of silver increased to a point where the dollar value of the smaller 1963 production was 13 percent higher than the production of 1962, reaching a total of \$45,300,000.00. Value of the Idaho production was \$21,500,000.00.

TEN COMMANDMENTS OF HUNTING COURTESY

4-H CLUB BRIEFS

More than 2 million boys and girls are members of 4-H Clubs, the nationwide program directed by the Cooperative Extension Service.

Urban, suburban and rural boys work together in 4-H Clubs. They have a choice of nearly 50 projects, ranging from electricity to livestock.

At the heart of the 4-H Club program are some 400,000 men and women who serve voluntarily as leaders.

Making speeches, modeling dresses and building radios are among the many activities of 4-H Club members.

4-H Club members become leaders,

as they learn to help others in projects and activities.

In 4-H Club work, a comprehensive system of awards is provided by scores of donors convinced that 4-H is an investment in future security.

4-H Club work is administered by the Cooperative Extension Service and supervised locally by the county extension agents.

4-H Club members learn skills useful throughout their lifetime. They "Learn by Doing."

The 4-H Club member pledges: "My head to clearer thinking; my heart to greater loyalty; my hands to larger service; my health to better living."

By Any Measure

"As a veteran, Legionaire and member of the Veterans of Foreign Wars, I will support amending legislation to adjust veteran's exemptions and pensions in line with the current cost of living.

I believe that the development of the natural resources of our area is a sound investment in the economic future of the area and will support these projects with all possible vigor."

The 10 Commandments of Safety

- 1 Treat every gun with the respect due a loaded gun. This is the first rule of safety.
- 2 Guns carried into camp or home, or when otherwise not in use, must always be unloaded and taken down or have actions open; guns always should be carried in cases to the shooting area.
- 3 Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.
- 4 Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.
- 5 Be sure of your target before you pull the trigger, know the identifying features of the game you intend to hunt.
- 6 Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.
- 7 Unattended guns should be unloaded, guns and ammunition should be stored separately beyond reach of children and careless adults.
- 8 Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
- 9 Never shoot a bullet at a flat, hard surface of the surface of water; when at target practice be sure your backstop is adequate.
- 10 Avoid alcoholic drinks before or during shooting.

IDAHO HIGHWAYS TO BE BEAUTIFIED

U. of I. Moscow — Idaho's scenic highways and roadways will become even more beautiful and safer in the years ahead.

The University of Idaho Plant Science department, together with the Idaho Highway department, is planning a new program to beautify the ribbons of asphalt and concrete that criss-cross the state. The project is under the direction of William H. Snyder, assistant professor of horticulture.

"People are becoming more and more mindful of a beautiful and functional environment resulting from planned design," he said, "and this fact is evidenced by the many large-scale urban and recreational redevelopment and reorganization

plans which I observe in other states. Snyder said that Idaho hopes to follow much the same ideas used in California for roadside planting. The Idaho Highway department is beginning with highway landscape planting for both functional and esthetic value.

"We hope to divide the state into climatic zones and find both native plants and exotics suitable to each zone. At present the state has six highway districts, and this fall experimental plantings and testings of grasses and shrubbery will begin on several test plots in the areas."

BEAUTIFUL FALL WEATHER ENJOYED

Following the rain storm which hit this area Friday evening and night—a storm which made smiles come to

the faces of farmers who have their seeding done — the sun broke out Saturday morning, to give us a beautiful day — to be followed by two others — Sunday and Monday.

The thermometer recorded readings in the low 70's, and most folks took advantage of the beautiful day (Sunday) to go sight-seeing — the fall leaf colorings being gorgeous — or to clean up about their homes, the sky being spotted with the smoke

of burning leaves.

Warehousesmen say that a few acres of beans and a few acres of late-sown barley still remain to be harvested — but otherwise all is in!

A steady diet of hamburgers and Wieners during the barbecue season lacks essential elements for good health, advises Esther Wilson, nutrition specialist of the University of Idaho. Other foods should be eaten regularly to balance the meals.

Will next year be Better?

At this time of year, with the products of your labor in the markets and the cash for their sale in your pockets, it's a good time to look ahead and plan for even better profits next year.

One way is through long range improvements. For some it may be land leveling and forming, for others it may be the purchase of more land, building a new barn, cow shed or buying new equipment. In all cases you will be putting your money to work for you.

Making additional money available to help make these long range improvements is part of our business. And because we are local people, we understand local conditions and know that the proper use of credit can improve your operation and increase your profit.

Make it a point to drop in next time you are in town. We will be happy to see you!

HOMECOMING AT U. OF I. FRIDAY, OCT. 23

U. of I., Moscow — Homecoming festivities at the University of Idaho will swing into full action Friday evening, Oct. 23, with the annual campus pajama parade and Vandal

rally. The climax of the week-end will come at 1:30 p. m. Saturday when Idaho and Washington State University meet in football action for the 65th annual battle of the Palouse. "First and Ten, Let's Do It Again" is the theme for this year's Homecoming parade scheduled for 9:15 a. m. Saturday, in downtown Moscow.

Sixteen colorful floats, 10 northern Idaho high school bands, the University of Idaho marching band, plus a host of campus organizations and leaders will combine to lead the first event of the day.

The high school bands participating in the annual parade Saturday will include those from Kendrick, Kellogg, Lapwal, Palouse, Wn.; Bonners Ferry, Lewiston, Moscow, Coeur d'Alene and Mullan.

Dr. D. R. Theophilus, president of the University of Idaho, will lead the parade as grand marshal. Other dignitaries riding in the parade will be Gov. and Mrs. Robert E. Smylie, Sen. and Mrs. Len B. Jordan, U. S. Rep. Compton I. White and Mrs. White, Alumni President Dean Miller and Mrs. Miller, Senator Frank Church and Mrs. Church, and Judith Stuebbe (Miss Idaho). One of the featured attractions will be the Homecoming royalty on the queen's float.

Homecoming committee members are: General chairman, Joyce Arthur, Paul; Publicity chairman, San-

Waltz through Washday!

MAKE YOUR WASHDAY A HAPPY DAY WITH THE CONVENIENCE OF A NEW AUTOMATIC . . .

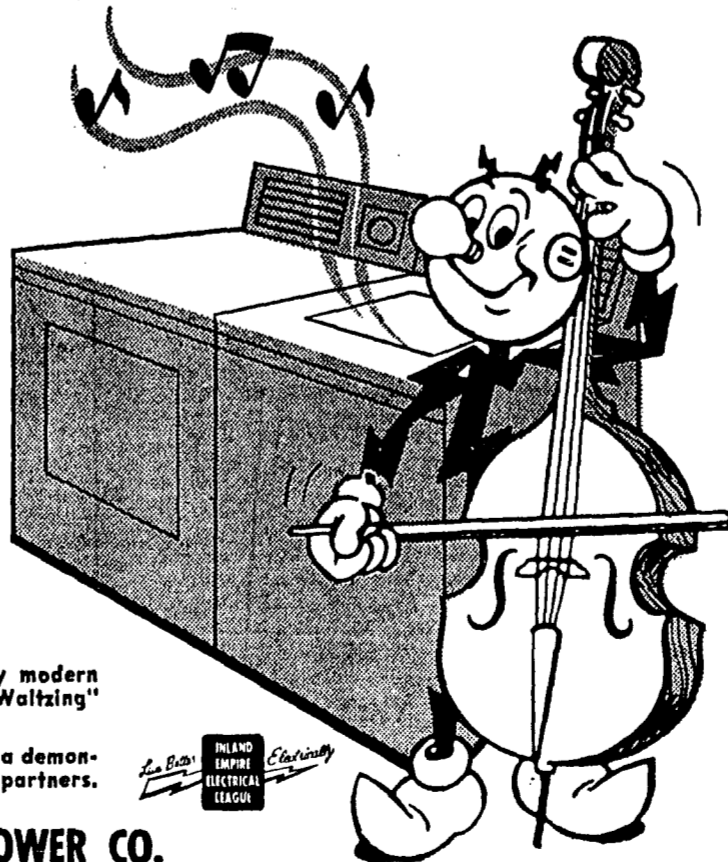

WASHER & DRYER

WASHING . . .

- You save work and the backbreaking chore of handling clothes so often.
- Your clothes turn out much cleaner and every garment, regardless of fabric, is treated gently to prevent extra washday wear.
- You save money because garments need not be replaced so often.
- The right amounts of detergents, bleaches, and conditioners are added and controlled automatically.

DRYING . . .

- You save hours and hours of bending and lifting — eliminating the usual clothesline gymnastics.
- Clothes can be dried anytime, regardless of weather. Rain, snow, sleet and frost are for the weatherman — You control your own drying weather with the touch of a dial.
- Clothes always come out of the dryer fluffier, fresher, and easier to iron.
- The automatic dryer is easier on clothes with the gentle tumbling action that doesn't weaken fabrics or tear seams as whipping winds may do.

Don't be just "half modern"—go completely modern with the convenience of these brand new "Waltzing" Washday Partners!

QUESTION: I notice my screens are a little worse for wear this year. Is there an easy way to dress them up before I store them for the winter?

ANSWER: Screens can't help getting weathered after a few years. That's why it's a good idea to refinish regularly.

It is best to remove rough spots on the screen frames before painting. This can be done easily with a portable electric sander.

Clean screens of rust and grime with linseed oil brushing.

After refinishing is completed, the screen itself can be improved. To do this, attach an old piece of carpeting or other absorbent material to a block of wood. Saturate the material with linseed oil and rub in one direction to remove rust and grime. Too much oil will fill the holes, so be careful of the quantity used.

If you wish to paint the screening, use the same carpeted block method for applying paint.

QUESTION: I recently lined a wardrobe with red cedar. Is there a special way to preserve the moth-killing aroma by finishing the wood?

ANSWER: Best way to preserve cedar odor is by keeping the wardrobe door tightly closed. Even this will not prolong the odor indefinitely. Cedar should never be finished since varnish and shellac seal the surface and prevent wood from emitting odor.

Eventually, the cedar odor will decrease, though it still will be noticeable two or three years after being installed. Best thing to do at that time is to go over all cedar lightly with a portable electric sander. Then it again will emit the valuable odor when a fresh surface is exposed.

REHABILITATION COURSES FOR H. S. DROPOUTS

From the office of James V. Muscat, superintendent of schools at Kendrick, comes the following information, issued at Boise:

"The State Board of Education has adopted a policy and established procedures that will allow students who have not attended high school for four full years to receive a State High School Diploma upon the successful completion, by correspondence study or instructional programs, the courses needed to meet graduation requirements. The policy was adopted by the State Board of Education to comply with the requirements of Sections 33-205 and 33-2005, Idaho Code, and to provide a means whereby students who dropped out of school may qualify for a high school diploma.

The policy as adopted by the State Board specifies that the State Board of Education will issue the diploma. Local school districts will plan the program to be completed by the students to ensure that local graduation requirements are met. Programs planned by the local school district must be approved by the State Board of Education.

The policy does not in any way affect the policy of allowing three units of correspondence credit for graduation from an accredited Idaho high school since four years of satisfactory attendance is required from an accredited high school.

The State Board of Education will continue to issue the High School Equivalency Certificate based on successful completion of the Tests of General Educational Development as per existing policy.

Requirements — In Brief:

1. Any student, parent, or court may present, through the local school district, to the State Board of Education for approval, a program that will enable the student to complete the equivalent of work required for high school graduation.

2. Any program presented may consist of, or include, either correspondence courses or instructional courses.

3. Correspondence courses must be taken from the University of Idaho. In the event said course is not offered by the University of Idaho, it may be obtained from any other college or university in or outside of Idaho, which is accredited by one of the regional college accrediting associations recognized by the State Board of Education.

Any student may be instructed by a teacher qualified to teach in the

course being taught, or by a person qualified by training in the subject field which is to be taught. All instructors shall be required to have the approval of the resident school district.

5. Any prescribed program of study (correspondence or instructional) submitted for approval of the Board shall:

a. Be planned and approved by the local school district of which the student is a resident.

b. Indicate how the costs shall be borne — tuition, fees, textbooks, etc.

c. Show the high school course work completed and credits earned by the student at the time the program is submitted.

d. List the courses which must be completed and credits earned to qualify the student for high school graduation.

e. Indicate the willingness of the school district to provide assistance to the participating student and to administer the correspondence work tests.

6. Work completed (regular, correspondence or instructional) shall be recorded in the district in which the student has his legal residence.

7. The local school district shall submit a transcript to the State Board of Education indicating the amount of regular high school credits earned and the additional credits completed.

8. Upon receipt of the transcript, the State Board of Education will issue a State High School Diploma designating the credits earned in residence at the high school and the additional credits completed. No diploma will be issued prior to the regular graduation date of the class.

PAINTINGS BE ON SEATTLE DISPLAY

U. of I., Moscow — Bart Morse, instructor of art at the University of Idaho, and Geneva Sloan, Moscow artist, will participate in the 50th Annual Exhibition of Northwest Artists, Oct. 15 to Nov. 29, at the Seattle Art Museum.

Prof. Theodore J. Prichard, head of Art and Architecture at the university, said a Goache painting by Morse and an oil non-objective painting by Mrs. Sloan, were accepted for the exhibit. Displayed will be the works of artists residing in Washington, Oregon, Montana, Idaho, Alaska and British Columbia.

A wood cut print by Morse will be on display concurrently with the Northwest exhibit at a Northwest printmaking show at the Henry Gallery in Seattle. The 17½x20-inch print on rice paper is titled "Composition With Allegory."

PARK PATER
BY MRS. JERRY SMITH

TWO GRAVELY ILL — Mrs. Charles (Anna) Gudmundsen of Park, was stricken last week by a stroke, complicated by diabetic shock, and was hospitalized at Moscow's Gritman Hospital. She was in an oxygen tent for some time, and all of her children were called. Sunday of last week she seemed to be improved greatly but she suffered a relapse on Tuesday. By the week-end she was again improved and able to sit up a few minutes each day. She will have a long and slow convalescence.
Mrs. Walter (Eunice) Rasch, a daughter of Mr. and Mrs. Charles Stratton, became ill several weeks ago with pneumonia. Before she had completely recovered it was discovered she was anemic. Shortly thereafter she was taken to the Moscow Hospital with a severe stomach ailment. After a week at Moscow she was taken to Spokane for further tests, and last week underwent major surgery. At last report she was recovering slowly, but still very weak.
