

JULIAETTA DOINGS IN PAST WEEK

MRS. ERVIN MABBOTT
Phone 288-2254

Santa To Make Visit
Santa will arrive by Fire Engine at 2:00 p. m. Saturday, to greet all his little friends, and bring them treats.

Rebekahs Hold Election
The Juliaetta Rebekah Lodge met Thursday evening in regular session. New officers for the ensuing year were elected as follows: Mrs. Roy Fey, Noble Grand; Mrs. Gordon Penland, Vice Grand; Mrs. Everett Farrington, treasurer, and Mrs. Charles Noble, secretary. Trustees were Mrs. Pearl Long, Mrs. Eugene Taylor and Mrs. Floyd Millard.

A Christmas party was held following the meeting, with an exchange of gifts. A smorgasbord refreshment was served following the gift exchange.
Mrs. W. L. McCreeary of Kendrick was an invited guest.

Jess L. Steiner Passes Away
Jess L. Steiner, 74, Orofino, a resident of north central Idaho much of his life, died at 8:00 p. m. Sunday at the Orchards Nursing Home. He had been in ill health since March. He entered the Nursing Home from Juliaetta, where he had been living.

He was born July 10, 1890, at Cane Hill, Mo., a son of Mr. and Mrs. Lloyd Steiner. He moved with them to Stroud, Oklahoma, and later to Montana, and then Lewiston, Idaho. He attended schools at Lewiston and later Craigmont, where he grew to maturity.

He married Ellen Webb at Idaho City, Dec. 25, 1913. Later they moved to Malot, Wn., where he worked as a government trapper. Later they moved to Twisp, Wn., and still later to Clarkston, to Kamiah, where Mrs. Steiner passed away.

He married Mrs. Lottie Erno at Grand Prairie, Alberta, Canada, in 1956. They resided in Canada for a time, returning to Orofino in 1958. He also lived for a time at Bovill and Juliaetta.

He is survived by his wife, two daughters and six sons.
Funeral services will be today (Thursday) at 1:00 p. m. at Gilbert's Chapel, Orofino. The Rev. James H. Thompson, pastor of the Orofino Methodist Church, will officiate. Interment will be at Riverside Cemetery, Orofino.

Nazarene Church Is Busy
A Lewiston Zone Junior Jamboree was held at the Juliaetta Church of the Nazarene on Saturday. An interesting Christmas program was enjoyed by the children. Refreshments were served by the ladies of the church.

The ladies of the church enjoyed a Christmas party Thursday. Each one brought a recipe of candy or cookies and boxes were then packed for shut-ins. A devotional period and games were enjoyed. Delicious refreshments were served by the hostesses; Mrs. Perry Winkle.

The young people attended a zone skating party in Lewiston Tuesday evening. A chili feed was enjoyed Saturday at the Harold Gilliam home after getting the church Christmas trees.

Class Plans Basket Day
The Junior Class of the Methodist Church is planning a basket day at the church this Saturday. The class members will meet at 3 p. m. Each of the youth has been instructed to raise \$1.00 to purchase the food which will go into the baskets. The class will also have a gift exchange party.

Other News
Mr. and Mrs. Jack Mabbott and Judy Joye of Connell, Wash., were Saturday evening and Sunday visitors in the home of his parents, Mr. and Mrs. Ervin Mabbott.

Larry Dillman, son of Mr. and Mrs. Dan Dillman, leaves Thursday for Spokane, and from there will receive his orders for training camp.

Mrs. Edna Eckman and Mr. and Mrs. R. W. Fairfield were Saturday dinner guests of Mrs. Ella Donaldson in Pomeroy. The occasion was in celebration of Mrs. Donaldson's 79th birthday anniversary.

Mr. and Mrs. Lude Groseclose were Sunday evening callers of Mr. and Mrs. R. W. Fairfield.
Mr. and Mrs. Howard Wunderlich, who have spent the past few months at Afton, Wyoming, visited her parents, Mr. and Mrs. Ed. Groseclose, Sunday, before leaving for Phoenix, Arizona.

Mr. and Mrs. Tom Mabbott and family and Mrs. Gene Burch and sons of Lewiston were dinner guests Friday evening in the Ervin Mabbott home — helping him celebrate his birthday anniversary.

FINAL RITES HELD

Funeral services for the late William T. Davidson were held on Dec. 4 at Short's Chapel, Moscow, with the Rev. Richard Lundy officiating. George Park played the organ. Pallbearers were life-long friends of the deceased: Richard Benscoter, Richard Hansen, Harley Elchner, Bernard Dunn, Roy Davidson. Interment was in the Moscow Cemetery.

Modern idea of roughing it: Driving a car with a standard shift.

LOCAL STUDENTS EXAMINE MARKER

Ida Glenn and Robert Callison, both Kendrick, Idaho, admire the newest Idaho historical marker, located on Highway 95, just north of the Moscow city limits. The sign reads: "Like this long highway, the University of Idaho links together the northern and southern parts of the state of Idaho. Established by the territorial legislature, Jan. 30, 1889, the University opened in the fall of 1892. As Idaho's land grant institution, the University was charged to bring the benefits of quality teaching, research and service to the people of Idaho. Its eight colleges and its graduate school now serve thousands of students, and it is the major center for higher education in Idaho."

J. M. (MIKE) HEDLER APPRECIATION DAY JULIAETTA PIONEER, DIES FRIDAY EVE

J. M. (Mike) Hedler, 75, a resident of Juliaetta for more than 43 years, and for more than 15 years a wholesale oil distributor at Kendrick, died at 9:15 p. m. Friday at the St. Joseph's Hospital in Lewiston of a heart ailment.

He had been ill for some time, and had been a patient at the hospital for a month.
Mr. Hedler was born March 13th, 1889 at Dressendorf, Germany, and came to the United States with his parents when he was 10. He moved with them to White, South Dakota, and in 1900 to Penneck, Minn., where he grew to maturity.

He moved to Juliaetta in 1921 and lived there the remainder of his life. He married Fannie Schupfer at Juliaetta June 6, 1926. She survives at the family home.
For the last 15 years Mr. Hedler had been in partnership with their son Michael, as wholesale distributor for the Mobil Oil Co., the plant being located at Kendrick. He was a member of the Juliaetta Lutheran Church.

Other survivors include a brother, John, at Raymond, Minn.; two sisters, Mrs. Kuni Denner of Lewiston, Idaho, and Mrs. Katherine Baker, Pomeroy, Wash., and two grandchildren.

During his lifetime at Juliaetta Mr. Hedler took a prominent part in civic affairs there, serving on the school board, and was an active member of the Juliaetta Chamber of Commerce in the early '30s. He was also a member of the Kendrick Community Lions Club for several years.

He was one of the few remaining "old timers" in the Juliaetta area, and will be truly missed by all.
The body was taken to the Brower-Wann Chapel, Lewiston, with funeral services set for Wednesday at 1:00 p. m. Further details are lacking at this time.

SCOUTS HAVE FUN, LEARN BY DOING
The annual Boy Scout and Cub Scout trek to the woods for Christmas trees was held last Saturday. Twenty-one Cubs and Scouts participated, and were accompanied by Norman Lewis, Lawrence Heimgardner, Donald Elchner, John Deobald, and Scoutmaster Jim Travis and Assistant Scoutmaster Jerry Brown.

The boys took along sack lunches and hot chocolate was provided. Some 100 trees were brought in, and most have been sold. Proceeds of the sale annually go to pay the membership dues in the National Scout organization and for the Boy's Life magazine for each.

SENIOR BALL WAS MUCH ENJOYED
The annual Senior Ball was a gala event for those who braved the weather to patronize the Senior Class dance of the year.
Andrea Sue Cox was elected Queen, and Dean Erocke, King, and they were crowned by the Senior Class president, Jerry Polumsky.

The theme of "Harbor Lights" was carried out with a balloon ceiling and crepe paper sides. A large picture was a back-drop for a real boat docked near the east door of the big gymnasium.
Patrons and Patronesses were Mr. and Mrs. Chet Hall, Mr. and Mrs. Courtney Belt and Mr. and Mrs. Ted Weyen.

HOWARD HOLT AT FORT LAWTON
Fort Lawton, Wash. — Pfc. Howard H. Holt, U. S. Army reserve of Kendrick is presently on two weeks active duty with Headquarters Detachment X, at Fort Lawton, Wn.
The 26-year-old reservist, who is regularly assigned to a control group at Ft. Lawton, is a graduate of Kendrick High school and a rancher at Kendrick. He completes his training Dec. 18, 1964.

TO SALT LAKE CITY
Mrs. D. A. Christensen received word early last week of the sudden death of her brother-in-law, Arnold Ohlson of Salt Lake City, Utah. Dr. and Mrs. Christensen flew to Salt Lake on Thursday. The funeral was held on Friday.

LIONS MEETING
The December 23rd meeting of the Kendrick Community Lions Club has been cancelled.

SCHOOL SCHEDULES COMING EVENTS THRU DECEMBER

School news from the office of Supt. James V. Muscat:
Joint District No. 283 school board met on Thursday of last week. A study was made of the Secondary Report Card. Members discussed phases of maintenance at the Juliaetta and Kendrick Schools. The major discussion at the meeting dealt with the Insurance program and past practices. The State report was given on Elementary schools, and this district's Elementary Grade Schools are meeting educational standards.

The next meeting will be on Jan. 17 at 4:00 p. m.

Game Cancelled Due To Storm
The basketball game between the Kendrick Tigers and Deary Mustangs scheduled for Tuesday evening of this week, was cancelled, due to the storm of Monday night and Tuesday morning, which included drifting snow and impassable roads.

To Meet Elk River
On Friday evening the Tigers will meet Elk River in the Tigers first conference game, which will also be their first home game.

At this game season tickets will go on sale. The cost of these tickets is basic throughout District 2 and 3 of central Idaho. An adult season ticket will be issued for 10 games at a cost of \$5.00. This ticket is transferable for family members. Regular admissions are listed at 75c for adults; 50c visiting students; 25c for grade schools 1 through the 6th grades.

The Elk River Jr. High team will meet the Kendrick Jr. High in the preliminary game at 6:30.

The Kendrick Pep Band will be wearing new sweaters and the Tigers will be in new uniforms in the traditional school colors of black and orange.

Kabaret Tickets
It is very necessary that those in the community still holding "Kabaret" tickets from last year, turn them in for new ones, which have just been made up for the coming Kabaret, which will be held in January.

School Closed Tuesday
Following the worst storm in this area for several years, which hit on Monday night and Tuesday morning — school was closed for the day, the students being notified via radio and telephone. With most main roads, and all side roads plugged by drifting snow, it was felt best not to attempt to run the busses and transport the students.

Christmas Decorations Up
All schools in the District have Christmas trees and decorations arranged in halls and rooms.

Coming Events
Monday, Dec. 21, at 8:00 p. m. — Southwick Elementary School will hold its Christmas program.
Tuesday, Dec. 22 — 1:00 p. m. — Juliaetta Elementary School Christmas program.
Tuesday, Dec. 22 at 8:00 p. m. — Jr. and Sr. High School Christmas music program.
Wednesday, Dec. 23 — Grade schools dismissed at 2:00 p. m. for Christmas vacation; Jr. and Sr. High schools at 2:20 p. m.

CORRESPONDENCE FAILS TO GET IN
You can blame the weather for this very mundane edition of the Kendrick Gazette — for despite the best efforts of local men and equipment, roads could not be kept open — mail couldn't move — so we are very, very short of correspondence and local news. The little we have was largely telephone in — and that, too, was difficult, for the storm was whipping phone lines and made conversation quite difficult at times.
However, we can't do a thing about the weather.

BENEFIT B. B. GAMES ARE PLANNED
Two benefit basketball games will be held at the high school gym on Thursday evening Dec. 17, with proceeds used to purchase warm-up jackets for the Kendrick Tigers.
The benefit is being sponsored by the Juliaetta-Kendrick Men's Town team. The first game at 6:30 will be the Juliaetta-Kendrick ladies team, vs. the High School girls' team. The second game will see Everett Farrington's "All-Stars" meeting the Juliaetta-Kendrick Town Team.

HOWARD HOLT AT FORT LAWTON
Fort Lawton, Wash. — Pfc. Howard H. Holt, U. S. Army reserve of Kendrick is presently on two weeks active duty with Headquarters Detachment X, at Fort Lawton, Wn.
The 26-year-old reservist, who is regularly assigned to a control group at Ft. Lawton, is a graduate of Kendrick High school and a rancher at Kendrick. He completes his training Dec. 18, 1964.

THIRD TIME CHARM BONDS CARRY!
The third time proved the charm in Kendrick's try for bonds for the construction of a sewer system that will meet the requirements of the State Board of Health.
The "Special Municipal Bond" in the amount of \$30,000 showed the following:
For 98
Against 29
Percentage 771. Required 666
In the "Special Municipal Water Sewer" results were as follows:
For 100
Against 35
Percentage 7407. Required 666.
A total of 135 ballots were cast.

FARMERS MEETING
Farmers of this area will meet on Thursday, Dec. 17, at 1:00 p. m. in the Kendrick Fire Hall. Representatives of different organizations will be present to speak on topics such as "The Pea and Lentil Commission" and "Taxes at State and local levels."
All farmers are urged to attend.

FRONT WHEEL DRIVE
Front wheel drive for American autos is making a comeback. A Detroit manufacturer announced plans for a front wheel drive, not used in American cars since the '30's. This type drive is said to improve traction and eliminate the "hump" in the passenger compartment, but presents steering design problems.

SANTA ARRIVES ON SATURDAY, DEC. 19
Final arrangements were completed last week for the annual trip of Santa to Kendrick, with the date set for Saturday, Dec. 19; the hour at 2:00 p. m. — but just how he will make the trip is not known at this time.
Anyhow, the final arrangements were completed by the Lions Club, who, with Kendrick business men, make his annual trip possible — and help in the distribution of the treats.
In the form of further entertainment Schupfer Bros. are providing a free show for the youngsters, starting right after Santa departure — or about 2:30.
The Appreciation Day events are scheduled for their usual time, 3:00 o'clock.

AND THE NEXT DAY IT SNOWED!
Following a rather warm Wednesday, with rain — winter began again on Thursday, with sleet, rain, snow, hail and a few gusts of wind.
However, on Thursday night it cleared a bit, and the thermometer read 18 degrees Friday morning. It was followed by sunshine, and then winter set in again, with a light snow falling Friday night, and again Saturday afternoon and evening. Sunday was rather a chill, drab day, and a little more snow fell Sunday night.
Monday morning the streets were a glaze of ice, as were the grades in and out of the canyon, and sanding trucks were running full tilt in an effort to keep traffic moving safely.
Monday, just after noon, snow began falling in earnest, and by Tuesday morning there was about three inches, and a real old-fashioned blizzard raging, with drifts on top said to be up to three feet deep.
Ed. Brown of the State Highway Dept. said they operated the snow plows all night long, but "we just couldn't keep up. The snow and drifts caused by the accompanying wind filled the roads right behind us." He added that he believed a rotary or big dozer would be required to open the road between Troy and Kendrick, as it was "plugged solid" in several places.
The blizzard caused the closing of schools throughout District No. 283, it being felt that conditions were too dangerous for the operation of busses.

MAIL ROUTES IMPOSSIBLE
As the storm continued to rage Tuesday Cecil Gruell, who carries the Star Route mail from Lewiston to Kendrick, was held at Lewiston for some time, awaiting mail trucks from other areas. He left Lewiston at about 10:00 a. m., and brought with him only partial mail, most of the trucks falling to reach Lewiston. Leaving Kendrick for the remainder of his route which includes the Kendrick Star Route and Southwick he got as far as the Dr. Christensen ranch, then was forced to turn back.
Fred Stedman, who carries R. F. D.'s Nos. 1 and 2 got just beyond the top of the Big Bear ridge grade, near the Alex Larson ranch, and then was forced to turn back, the wind-driven snow whipping and whirling, and making travel impossible. Later in the afternoon he was able to cover most of the route.
Mr. Stedman tried to carry Route 1, and got as far as the Walter Benscoter box at the top of the grade, and then was forced to turn back. He then served the lower portion of the route along the highway. All in all, it was a tough day for those trying to keep roads open and serve R. F. D. patrons.

CLEAR, THERMOMETER DROPS
Late Tuesday afternoon the skies began to clear and the temperature dropped rapidly. At daybreak Wednesday morning the reading on the "official thermometer" was exactly zero, and streets and highways a glaze of ice!
The cold forced the closing of the Mead & Howard sawmill at Kendrick — the mill pond being frozen!

RIDGE RIDERS AND GUESTS SEE FILMS
Sunday, Dec. 13, three films sponsored by the Ridge Riders Saddle Club were shown at the local theater. The first, "Quarterhorse in Action" showed the Quarterhorse in "reining, calf roping, cow cutting." The second, "Youth and Quarterhorses" was an educational film of 4-H club members learning the art of grooming, breaking, training, fitting and showing of their horses from colts to finished horses. The third film, "Four Footed Industry" dealt with thoroughbred racing horses and the racing industry in Washington.
The Veterans of Foreign Wars sponsored a fourth film, "Cargo Unlimited," a film showing the different products grown, such as wheat, cotton, corn, lumber, etc., and their transport around the country and abroad. One scene was shot on Big Bear ridge showing wheat being combined. Another scene showed a Deary logger felling a tree.
About 80 people attended the nearly three-hour show.

BIRTHDAY PARTY
Dougie Christensen was honored guest on Sunday afternoon at the home of his parents, Mr. and Mrs. Doug. Christensen, Jr. He celebrated his seventh birthday anniversary with several first grade close friends, attending the party.
Games were played, after which birthday cake was served.

GARDEN CLUB MEET
The newly organized Hill & Valley Garden Club meeting will be held on Monday, Dec. 21, at 1:30 p. m. in the Kendrick Fire Hall. Mrs. Marvin Long and Mrs. Hugh Parks will be co-hostesses.
Each member is asked to bring some type of Christmas decoration.

LOCAL HAPPENINGS IN CAPSULE FORM

PARK PATTEN BY MRS. JERRY SMITH

BAZAAR HELD — Members of the Boulder Creek Home Demonstration Club held their bazaar Saturday, Dec. 12, at Deary, with good results.

The regular meeting of the Club was held Dec. 8 with Mrs. Freytag, at Helmer. One new member, Mrs.

Hattie Hamilton, was added. Election of officers for the coming year was held with Mrs. Helen McKinney again chosen president. It will be her second term. Vice president will be Mrs. Wilma Thompson. Mrs. Mickey Baumgartner will serve as secretary-treasurer, and Mrs. Hattie Hamilton and Mrs. Margie Halseth will be Council representatives. The next meeting will be with Mrs. Halseth, Dec. 21, for the Christmas party.

OTHER ITEMS — After a week of cold, dreary, blustery weather, residents were relieved Sunday when the temperature rose enough to make outdoor work more bearable. But Monday morning snow began to fall. However, a complete absence of wind made even this endurable.

Mr. and Mrs. Charley Enger were Deary visitors Saturday.
Mr. and Mrs. Melvin Gudmunson and Shelly were in Moscow on business, Saturday.
Charles Jelleberg visited briefly at the Smith home, Sunday afternoon.

Delayed
CLUB MEETS — The Boulder Creek Home Demonstration Club met Tuesday with Mrs. Mickey Baumgartner for an all-day work session in preparation for the coming bazaar. This will be held Dec. 12, during store hours, at the Deary Shopping Center, with gift items for all the family, baked goods and holiday decorations on sale. The seven ladies and their children enjoyed a pot-lunch luncheon at noon.

W. S. C. S. TO MEET
The Kendrick W. S. C. S. will meet this Thursday evening at 7:30 in the church.

J. EDGAR HOOVER WRITES ON LAW ENFORCEMENT

Wash., D. C. — Atheistic communism and the lawless underworld are not the only threats to the safety and welfare of our great nation. Enemies of freedom come under many guises.

Our society today is in a great state of unrest. Many citizens are confused and troubled. For the first time, some are confronted with issues and decisions relating to the rights and dignity of their fellow countrymen, problems which heretofore they have skirted or ignored.

We have in our midst hate-mongers, bigots and riotous agitators, many of whom are at opposite poles philosophically but who spew similar doctrines of prejudice and intolerance. They exploit hate and fear for personal gain and self-aggrandizement. They distort facts, spread rumors and pit one element of our people against another. There is a dogma of intimidation and terror.

Almost every community of our land is infested with these oppor-

tuists, either organized or "free lance." They wage a continuing war of slander and vilification, undermining the orderly pursuit of decency and morality. Surrounded with dupes and miscreants, these merchants of hate and malice promote grief and strife. There is no limit to their outrageous deeds short of death. In the wake of their defiance of law and order lie the trampled rights of their fellow men.

Law enforcement, as a profession dedicated to preserving America's God-given heritage, is often caught in the crossfire of criticism and distrust coming from the opposing forces which clash on the issues involved. In each instance, our actions must be exemplary. We must not deviate from the solid principles and high traditions of our profession. We must not be compromised or intimidated. We must demonstrate that the freedoms Americans cherish so highly are strengthened whenever law enforcement asserts itself not only against crime and subversion but also against any invasion upon the rights and dignity of all the people.

Fortunately, the overwhelming majority of our citizens deplore rabble-rousing and mob action. They look to and abide by our laws and

constitutional processes for guidance and redress of grievances. They know that our nation's hopes rest on truth, justice and individual dignity, not on discrimination, persecution and mob rule.

As Americans, we have within our grasp the ideals which were but visions of our Founding Fathers — freedom under God with liberty and justice for all. We must not be satisfied merely to have these ideals exist. We must assure that they flourish — generation after generation — so all the world will know that America stands for brotherhood among all men. — J. Edgar Hoover.

NEW PLASTIC USE

Baling and similar twine someday may be made of plastic instead of African sisal. The synthetics won't rot when wet and offer a more constant source than sisal, say researchers. The change won't be soon, however, because plastic twine now costs more to produce, and won't work in present baling machines.

FARM FACTS FROM OUR UNIVERSITY

Tests by the University of Idaho college of agriculture indicate that soil fumigation with certain chemicals reduces damage to potatoes by a disease called "Early Dying."

This year's per capita red meat consumption is expected to reach 174 pounds, four pounds more than last year, according to data received by University of Idaho extension economists.

A tall fescue that is more palatable to livestock than present commercial varieties has been developed by the department of agriculture. It is called Kenwell. University of Idaho agronomists say seed may be available to certified producers in the fall of 1965.

An ounce of salt per day is generally enough for cattle. Dairy cows need more, say animal scientists of the University of Idaho.

Tractor accidents are a leading cause of farm fatalities, the Idaho Farm Safety committee reports. Upsets on the farm and on the highway are responsible for about two-thirds of the deaths connected with tractors.

Consumers are spending slightly more than 18 percent of their income (after taxes) for food in 1964, University of Idaho extension economists say. The percentage is down slightly from 1963.

Chicken with dark bones is quite safe to eat, poultry and nutrition specialists say. Dark bones in no way affect the wholesomeness or the flavor, but actually are the sign of a young bird.

CHURCHES PLAN CHRISTMAS EVENTS

The annual Christmas Candlelight Service of the Juliaetta-Kendrick Parish of the Methodist Church will be held in the Kendrick Community Church Sunday, Dec. 20, at 6:30. The evening will begin with a fellowship time in the basement, with refreshments served. At 7:15 the families will go upstairs for the service. All friends and members of both churches are invited.

The Juliaetta Methodist Church will hold an all-church caroling party Monday evening, Dec. 21. There will be caroling at homes in Juliaetta and a party following at the church.

There will be an open house at the Kendrick Community Church parsonage this Sunday afternoon. All members of the Juliaetta Methodist and Kendrick Community Churches are invited — 1:30 to 4:30 p. m.

The M. Y. F. will have a caroling party the evening of Dec. 23. There will be a party and refreshments at the parsonage.

The Juliaetta Methodist Church will have Communion Service Dec. 24, beginning at 7:00 p. m. It will be short and for the whole family.

IDAHO HAS NEW ATHLETICS HEAD

U. of I., Moscow — Paul E. Ostyn, 36, director of athletics for the Twin Falls school district and a past president of the Idaho State Coaches association, has been named director of athletics at the University of Idaho, President D. R. Theophilus announced last week, following Regents approval. The appointment is effective June 1.

Ostyn will succeed J. Neil (Skip) Stahley, who resigned last spring to become director of athletics at Portland State college. During the interim period, Joe C. Thomas, administrative assistant to the director, has been serving as acting director. "Mr. Ostyn's broad experience in both administration and athletics — particularly Idaho athletics — should be of great value in providing a strong athletic program at the university," said President Theophilus. Ostyn, who holds a bachelor degree in physical education from the University of Nevada, was on a farm between Caldwell, and Nampa. He attended high school first at Caldwell, then at Nampa, where he was graduated.

In 1945, he talked himself into the U. S. Marine Corps at 17. Following the war, he attended Boise Junior

WATER WHEEL FISH SCREEN OPERATION

Boise — Water wheel fish screen is one of 20 built and installed this year on the East Fork and main Salmon rivers to keep young fish out of irrigation ditches and certain death in the fields. Since 1958, a total of 208 screens have been built and installed on the Salmon and Lemhi river drainages as part of the departments program.

HOUSEHOLD HINTS

If you have several good nylons that don't match, bring them to a boil in a pan of lightly salted water. Boil a few minutes and then cool. They will all have turned the same color.
When wine stains a tablecloth, cover immediately with salt. Rinse out later with cool water.
As apples, pears or potatoes are peeled, drop them in cold, salted water to keep them from darkening. A sprinkle of salt on heavy cream will help it whip more readily. This is also true of egg whites.
Soak tired, aching feet in warm salt water.

POWER PRODUCTION DUE FOR BOOM

Spokane — Electric power systems in this country will place in production 60.8 million kilowatts new generating capacity during the period 1964 through 1968 according to present construction schedules, it was announced this week by George M. Brunzell, president of the Washington Water Power Co. "Of this total 7.7 million kilowatts went into service during the first nine months of 1964 and the balance is either being installed or on order with the manufacturer as of October 1, 1964," he said.

Brunzell pointed out that the 60.8 million kilowatts is greater than all the similar capacity in service in the United States at the end of 1948, which amounted to 56.8 million kilowatts. He also noted that as of today, the United States leads the world in electric power resources with capacity equivalent to that of the next five nations combined and nearly three times that of the Soviet Union, which ranks second in the amount of installed generating capacity.
"It is forecast," the president said, "that the generating capability of the U. S. power systems will reach 305 million kilowatts by 1970 and that a decade later it will reach about 576 million kilowatts. By the year 2,000 our capability should approach the 1.7 billion mark. This tremendous amount of power will be our greatest national resource in the future days, just as our present power supply is today."
Mr. Brunzell remarked that the record of new inter-connecting transmission lines between power systems and power pools is equally as impressive as the program of expansion

PROGRAM SUNDAY

The Southwick Church Sunday School children will present "A Christmas Story," arranged by Mrs. Elvin Gilliam, Sunday, Dec. 20, at 9:45 a. m. A pageant will be presented, to be followed by a Christmas sermon by the pastor.
Everyone is welcome to attend.

TRIPLE ENTRY

An employer was examining an applicant for the job of bookkeeping. "Of course, you understand double entry?"
Applicant: "Oh, sure. The last place I had I kept the books triple entry — one set for the boss showing the real profits; a second for the shareholders showing no profits, and a third set for the income tax people showing a loss."

Christmas Party Held
 The Friendly Neighbor Club held its annual Christmas party Saturday evening at the Gold Hill Hall. Husbands and children of members, and Mr. and Mrs. Charles Candler of Lewiston, were guests.

A delicious dinner consisting of ham, potatoes and gravy, string beans, squash, tossed salad, apple sauce, cranberry rolls and jelly, coffee or punch was served.

A gift exchange for all followed dinner, with "Secret Pals" being revealed. The remainder of the evening was spent playing pinocle.

Chosen Commissioners
 Elmer Cuddy, Dick Parsley and Phil Bahr were elected new Good Roads District commissioners last Tuesday at a meeting of Good Roads District No. 1 at the Gold Hill Hall. The term of office is for two years.

Other News
 Mr. and Mrs. Charles Candler of Lewiston were Saturday over-night and Sunday guests of Mr. and Mrs. Jack Parsley and children. Mrs. Parsley and Gina went to Lewiston with them Sunday evening to stay over night. Monday they met with a team of doctors, who found little Gina's heart condition progressing satisfactorily.

Mr. and Mrs. Ted Grinolds, Teddy and Clifford of Clarkston were Saturday over-night guests of Mr. and Mrs. Neil Grinolds and son.

Mr. and Mrs. Don Polumsky and sons, Mr. and Mrs. L. E. Berlinghoff and children and Vernon Weeks, all of Clarkston, were Sunday guests in the Robert Pratt home.

Mrs. George Lyons returned home Dec. 7, after spending a week at Seattle. She assisted at the wedding of her sister, Miss Sharon Baever of Seattle. She stayed at the home of her parents there.

Mrs. Ida Lyons spent the Thanksgiving vacation in the home of her son, Raymond Lyons, Monte Vista, Colorado.

Mr. and Mrs. Milo Schliefer of Lewiston called Tuesday at the Sam Weaver home.

Mr. and Mrs. Jack Guier and Joe called Sunday afternoon in the Phil Bahr home. Bob, Duane and Allan Chilberg were evening callers.

IT'S INCOME TAX TIME AGAIN

Moscow — Do you pay the correct amount of federal income tax. A booklet that will help you prepare an accurate return for 1964 has recently been published by the Internal Revenue Service. Free copies are available in the county agent's office. The title is "Farmer's Tax guide, 1965 Edition."

Careful study of the guide can be helpful in several ways, says Virgil Kennedy, farm management specialist of the University of Idaho extension service. The guide explains new provisions of the tax law. It gives a sample return of farm income and expenses, explains depreciation, and tells how to report gains and losses from sales or exchanges of property.

Accurate records are important, the specialist pointed out in calling attention to a section on that subject. If your income tax return is audited by the Internal Revenue Service, you may be asked to explain the items reported. Adequate records are substantiated by sales slips, receipts and canceled checks. They are essential. Audits are sometimes made several years after the return is filed.

New in the current edition of the tax guide is an explanation of deduction for automobile expenses. Self-employed individuals and employees may determine their deductible costs of operating passenger cars by using a standard rate of 10 cents per mile for the first 15,000 miles of business use and seven cents per mile for each additional mile. This is in lieu of all operating and fixed costs for business use.

There is a new minimum standard deduction of adjusted gross income is \$5000 or more. The guide explains this and gives the answer to many other common tax questions asked by farmers.

SPECIAL REPORT IS COMPILED

U. of I., Moscow — A special report compiled by the U. S. Geological Survey in cooperation with three Idaho state departments, "Mineral and Water Resources of Idaho," is now available to the public, according to Rolland R. Reid, dean of the College of Mines at the University of Idaho.

Compiled at the request of Idaho Senator Frank Church the purpose of the report is to "make all significant data on Idaho's mineral and water resources available to interested citizens, to professional personnel in mining and water development, and to government, civic and industrial leaders."

The Idaho departments of Reclamation and Highways and the Bureau of Mines and Geology aided in the report, which is now available for purchase from the Idaho Bureau of Mines and Geology in Moscow.
